Understanding the Brownie Potter Badge

The Brownie Potter Badge is a unique achievement in the Girl Scouts Brownie program, designed to introduce young members to the world of pottery and hands-on creativity. Earning this badge gives Brownies a chance to explore the art of shaping, molding, and decorating clay, encouraging them to express their imagination while learning new techniques. The badge focuses on experiential learning, allowing girls to engage with the tactile process of pottery and appreciate the artistry behind handmade ceramics. Participating in this badge activity fosters a sense of accomplishment and pride as girls create their own clay projects from start to finish.

Official Brownie Potter Badge Requirements

To earn the Brownie Potter Badge, Girl Scouts must complete a series of specific pottery-related activities outlined by the official badge guidelines. These requirements are designed to introduce basic pottery skills, encourage creativity, and help Brownies understand the process of making functional and decorative items from clay. The requirements ensure that girls not only have fun but also gain foundational knowledge in pottery arts.

Core Requirements for the Badge

- Learn about clay and pottery tools
- Make a pinch pot using clay
- Create a slab or coil project
- Decorate and glaze a pottery item
- Explore the history and uses of pottery in different cultures

Each requirement is designed to build upon the previous one, giving Brownies a comprehensive introduction to pottery techniques and the cultural significance of ceramics.

Step-by-Step Activities for the Potter Badge

Completing the Brownie Potter Badge requirements involves a series of hands-on activities that take girls through the entire pottery-making process. These steps allow Brownies to experiment with clay, develop fine motor skills, and experience the satisfaction of creating something unique.

Learning About Clay and Tools

The first step is to introduce Brownies to different types of clay and the basic tools used in pottery. This can include natural clay, air-dry clay, or polymer clay, as well as tools like rolling pins, carving tools, and texture stamps. Girls should learn how each tool is used and practice handling clay to get familiar with its texture and properties.

Making a Pinch Pot

Pinch pots are a classic beginner project that teaches the basics of shaping clay. Brownies use their fingers to pinch and mold clay into a small bowl or cup, learning how pressure and movement affect the final shape. This activity helps develop dexterity and introduces the concept of creating functional pottery.

Creating a Slab or Coil Project

Next, Brownies can experiment with slab or coil building techniques. For slab projects, girls roll out clay into flat sheets and cut shapes to assemble into boxes or tiles. Coil projects involve rolling clay into ropes and stacking them to form vessels. Both methods teach structural skills and give girls the chance to design their own pottery forms.

Decorating and Glazing

Once the basic pottery items are made, Brownies decorate their projects using paints, glazes, stamps, or textured tools. Decorating allows for personal expression and creativity, while glazing introduces the concept of finishing and protecting ceramic surfaces. Girls should be encouraged to experiment with colors and patterns.

Exploring Pottery in Different Cultures

Finally, Brownies learn about the history and cultural significance of pottery around the world. This can include discussions about ancient pottery traditions, how pottery was used in daily life, and the artistic styles unique to different regions. This activity broadens their understanding and appreciation for the art form.

Tips for Leaders and Parents

Supporting Brownies as they earn the Potter Badge requires thoughtful planning and guidance. Leaders and parents play an essential role in ensuring a safe, enjoyable, and educational experience for all participants. Here are helpful tips for organizing badge activities and encouraging girls throughout the process.

Prepare Materials Ahead of Time

- Gather all necessary clay, tools, and decorating supplies before the meeting

- Set up workstations so each Brownie has enough space to create comfortably
- Provide aprons or smocks to keep clothes clean

Offer Guidance and Encouragement

- Demonstrate each pottery technique before the girls start their projects
- Encourage experimentation and creativity, allowing girls to make unique pieces
- Provide positive feedback and celebrate each completed project

Ensure Safety and Clean Up

- Supervise the use of sharp or heavy tools
- Teach proper hand-washing after working with clay
- Organize a group clean-up session to instill responsibility

Skills Developed Through the Potter Badge

The Brownie Potter Badge not only introduces girls to pottery but also helps them develop several valuable life skills. These skills are important for personal growth and can be applied in various areas beyond art.

Creativity and Self-Expression

Working with clay allows Brownies to express their ideas and emotions through art. They learn to visualize concepts and bring them to life, boosting self-confidence and imagination.

Patience and Perseverance

Pottery is a process that requires time and attention to detail. As girls shape, decorate, and finish their projects, they learn the importance of

patience, persistence, and working through challenges.

Teamwork and Communication

Many badge activities are done in groups, encouraging collaboration and the sharing of ideas. Brownies practice communication and learn to support each other in creative endeavors.

Fine Motor Skills

Manipulating clay and using pottery tools helps develop hand-eye coordination and dexterity, which are essential for many daily activities and academic tasks.

Creative Ideas to Enhance the Pottery Experience

Troop leaders and parents can enrich the Brownie Potter Badge journey by incorporating creative twists and additional learning opportunities. These activities can make earning the badge even more engaging and memorable for the girls.

Host a Pottery Show-and-Tell

Organize a showcase where Brownies present their finished pottery to the group, explaining their design choices and the techniques they used. This encourages public speaking and boosts confidence.

Invite a Local Potter for a Demonstration

Arrange for a professional potter to visit the meeting and demonstrate advanced pottery techniques. Girls can ask questions and gain inspiration from an expert in the field.

Explore Eco-Friendly Pottery

Teach Brownies about sustainable practices in pottery, such as using natural clay, recycling materials, and minimizing waste. Discuss the environmental impact of art supplies and how to make responsible choices.

Combine Pottery with Badges from Other Journeys

Link the Potter Badge activities to other badge requirements, such as community service or STEM projects. For example, girls can donate handmade pottery items to local charities or learn about the chemistry behind glazes.

Frequently Asked Questions

This section addresses common questions about the Brownie Potter Badge requirements, helping leaders, parents, and Brownies prepare for a successful badge experience.

Q: What are the main steps to earn the Brownie Potter Badge?

A: Brownies must learn about clay and tools, make a pinch pot, create a slab or coil project, decorate and glaze a pottery item, and explore the history of pottery in different cultures.

Q: What type of clay should be used for Brownie pottery projects?

A: Air-dry clay is a popular choice for Brownie badge activities because it does not require firing in a kiln and is easy to work with. However, natural clay or polymer clay can also be used depending on available resources.

Q: Can the Brownie Potter Badge be completed at home?

A: Yes, the badge activities can be adapted for home settings. Parents should ensure that all materials are safe and age-appropriate, and follow the official requirements outlined by Girl Scouts.

Q: How long does it typically take to complete the Brownie Potter Badge?

A: Completion time varies depending on the group's schedule and available resources, but most troops finish the badge over one to three meetings.

Q: Is it necessary to use a kiln for the Potter

Badge?

A: No, a kiln is not required. Many Brownie badge projects use air-dry clay or oven-bake clay, which do not need kiln firing.

Q: What skills do Brownies develop by earning the Potter Badge?

A: Brownies gain creativity, patience, teamwork, fine motor skills, and an appreciation for cultural arts through pottery activities.

Q: Can Brownies work together on a group pottery project?

A: Yes, collaborative projects are encouraged. Working together on a shared pottery piece helps foster teamwork and communication.

Q: Are there safety guidelines for working with clay?

A: Leaders and parents should supervise all activities, ensure tools are used safely, and teach girls to clean their hands and workspaces after handling clay.

Q: How can pottery activities be made more fun for Brownies?

A: Incorporate games, challenges, and creative themes into pottery sessions. Hosting a show-and-tell or inviting guest artists can also boost engagement.

Q: Where can leaders find additional resources for the Potter Badge?

A: Many Girl Scout councils offer official badge guides, activity kits, and online resources for leaders to help plan and execute pottery badge activities.

Brownie Potter Badge Requirements: A Complete Guide

Are you a Brownie leader tasked with helping your unit earn the coveted Potter Badge? Or perhaps you're a Brownie brimming with excitement, ready to embark on this magical journey? This comprehensive guide dives deep into the Brownie Potter Badge requirements, offering a clear, concise, and actionable plan for success. We'll cover everything from understanding the core themes to practical tips for completing each section, ensuring a smooth and rewarding experience for everyone involved.

H2: Understanding the Brownie Potter Badge Themes

The Potter Badge isn't just about collecting points; it's about understanding the core values and themes within the Harry Potter universe. These often revolve around friendship, teamwork, courage, and overcoming challenges. The specific requirements can vary slightly depending on your region and the Brownie guidebook edition you're using, so always refer to your official guide for the most up-to-date information. However, most versions will incorporate elements from the following key areas:

H3: Friendship and Loyalty

This section usually focuses on building and strengthening friendships within the Brownie unit. Activities could include:

H4: Team Challenges: Organize activities that require teamwork and collaboration to solve problems, such as building a bridge out of limited materials or completing a scavenger hunt.

H4: Friendship Bracelets: Making friendship bracelets or personalized crafts for each other fosters a sense of connection.

H4: Supporting Each Other: Discuss how to be a good friend and support each other through challenges. This could involve role-playing scenarios or discussing real-life examples.

H3: Courage and Perseverance

This is where the "magical" aspects of the badge come in. Activities often encourage facing fears and pushing boundaries:

H4: Overcoming Fears: Brainstorming activities that address individual fears - whether it's public speaking, trying a new activity, or conquering a physical challenge.

H4: Problem-Solving: Presenting the Brownies with scenarios that require creative problem-solving, mirroring the challenges faced by Harry Potter and his friends.

H4: Resilience Activities: Games or activities emphasizing the importance of perseverance and not giving up when faced with obstacles.

H3: Creativity and Imagination

The wizarding world is brimming with creativity! This section often incorporates craft activities and storytelling:

H4: Potion Making: Creating "potions" using safe, readily available ingredients. This could be a science-based activity, blending elements of creativity and learning.

H4: Wand Making: Crafting wands from natural materials – a fun and engaging craft activity.

H4: Storytelling and Role-Playing: Creating and performing original Harry Potter-themed plays or stories.

H3: Fair Play and Respect

This element emphasizes the importance of good sportsmanship and respect for others:

H4: Quidditch-Inspired Games: Adapting the rules of Quidditch to create inclusive and fair games for the Brownie unit.

H4: Respectful Communication: Discussing and practicing respectful communication skills, both verbally and non-verbally.

H4: Teamwork and Collaboration: Highlighting the importance of cooperation and mutual respect during team-based activities.

H2: Tips for Completing the Brownie Potter Badge

Remember to:

Consult your Brownie Guide: Always refer to the official guidebook for the most accurate and up-to-date requirements.

Plan Ahead: Create a timeline to complete all the activities within a reasonable timeframe.

Involve the Brownies: Let the Brownies contribute ideas and suggestions to make the experience more engaging and meaningful.

Document Progress: Keep a record of completed activities and evidence of participation.

Have Fun!: The most important aspect of earning this badge is to enjoy the process and build camaraderie within the unit.

H2: Adapting the Badge for Different Circumstances

The beauty of the Potter Badge lies in its adaptability. If resources are limited, creative substitutions can be made. For instance, instead of a formal "potion-making" session, you could use readily available kitchen ingredients to create fun sensory experiences. The focus should always be on the underlying themes rather than strict adherence to specific materials.

Conclusion:

Earning the Brownie Potter Badge is a rewarding experience that fosters teamwork, creativity, and a sense of accomplishment. By understanding the core themes and planning your activities carefully, you can ensure a memorable and successful journey for your Brownie unit. Remember to focus on the fun and learning, and celebrate the achievements along the way!

FAQs:

1. Can I modify the badge requirements to suit my Brownie unit's needs? While you should generally follow the guidelines in your official guidebook, some flexibility is often allowed. Consult with your Brownie leader or district commissioner to discuss any modifications.
2. How long does it typically take to complete the Potter Badge? The timeframe varies depending on the frequency of Brownie meetings and the pace of the activities. Aim for a realistic schedule that doesn't rush the process.
3. What kind of evidence do I need to submit for the badge? This will depend on your local Brownie guidelines. Photos, completed worksheets, or a portfolio of activities are common methods of demonstrating progress.
4. Where can I find additional resources and inspiration for Potter Badge activities? Online forums, Brownie leader communities, and even Pinterest can provide a wealth of ideas and inspiration.
5. What if my Brownie unit doesn't have access to specific materials mentioned in the requirements? Creativity is key! Explore alternative materials or adapt the activities to suit your available resources. The focus should be on the learning and fun, not strict adherence to specific items.

Instant New York Times Bestseller! 11-year-old Alice Paul Tapper—daughter of CNN's Jake Tapper—is challenging girls everywhere to speak up! When Alice Tapper noticed that the girls in her class weren't participating as much as the boys, she knew she had to do something about it. With help from her Girl Scout troop and her parents, she came up with a patch that other girls could earn if they took a pledge to be more confident in school. Alice even wrote an op-ed about the experience for the New York Times! Inspired by that piece, this picture book illustrates her determination, bravery, and unwillingness to accept the status quo. With Marta Kissi's delightful illustrations depicting Alice's story, young readers everywhere will want to follow Alice's lead and raise their hand!

brownie potter badge requirements: Which Witch? Eva Ibbotson, 2008-09-04 Which Witch? is a brilliantly witty tale of magic and marriage by Eva Ibbotson, shortlisted for the Carnegie Medal. 'Find me a witch!' cried Arriman the Awful, feared Wizard of the North. Arriman has decided to marry. His wife must be a witch of the darkest powers - but which witch will she be? To find the most fiendish, he holds a spell-casting competition. Glamorous Madame Olympia performs the terrifying Symphony of Death and conjures up a thousand plague-bearing rats. The magic of gentle Belladonna, the white witch, goes hopelessly wrong. She produces perfumed flowers instead of snakes. And bats roost in her golden hair instead of becoming blood-sucking vampires. Poor Belladonna longs to be an evil enchantress - but how? 'This kind of fun will never fail to delight' - Philip Pullman.

brownie potter badge requirements: The Transition Handbook Rob Hopkins, 2008-02-25 Move from feeling anxious about the oil crisis to developing a positive visions and taking traction action to create a more self-reliant existence with this ground-breaking book. We live in an oil-dependent world, and have become reliant in a very short space of time, using vast reserves of oil in the process - and without planning for when the supply is not so plentiful. Most of us avoid thinking about what happens when the oil runs out (or becomes prohibitively expensive), but the reality may not be as bad as we think. The Transition Handbook shows how the inevitable and profound changes ahead could have a positive effect. Written by permaculture expert Rob Hopkins, he discusses the possibility of a rebirth of local communities, which will generate their own fuel, food and housing. These will encourage the development of local currencies, to keep money in the local area, and unleash a local 'skilling-up', so that people have more control over their lives. The growth in interest in the Transition model continues to be exponential. There are now more than 35 formal Transition Initiatives in the UK, including towns, cities, islands, villages and peninsulas, with more joining as the idea takes off. With little proactivity at government level, communities are taking matters into their own hands and acting locally. If your community has not yet become a Transition Initiative, this upbeat guide, filled with beautiful black and white photographs, offers you the tools to get started. The Transition Handbook is the perfect manual to guide communities, as they begin this 'energy descent' journey.

brownie potter badge requirements: A Deadly Education Naomi Novik, 2020-09-29 NEW YORK TIMES BESTSELLER • From the author of Uprooted and Spinning Silver comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • "The dark school of magic I've been waiting for."—Katherine Arden, author of the Winternight Trilogy I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans. I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world. At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place alive, and I'm not going to slaughter thousands to do it, either. Although I'm giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in The Last Graduate "The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . A Deadly Education will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time."—BookPage (starred review) "A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body."—Publishers Weekly (starred review)

Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. A dazzling fairytale full of breathtaking storytelling. --Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of *The Wild Swans*, *Cinderella*, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. brownie potter badge requirements: Making the Scene Stuart Robert Henderson, 2011-01-01 Making the Scene is a history of 1960s Yorkville, Toronto's countercultural mecca. It narrates the hip Village's development from its early coffee house days, when folksingers such as Neil Young and Joni Mitchell flocked to the scene, to its tumultuous, drug-fuelled final months. A flashpoint for hip youth, politicians, parents, and journalists alike, Yorkville was also a battleground over identity, territory, and power. Stuart Henderson explores how this neighbourhood came to be regarded as an alternative space both as a geographic area and as a symbol of hip Toronto in the cultural imagination. Through recently unearthed documents and underground press coverage, Henderson pays special attention to voices that typically aren't heard in the story of Yorkville - including those of women, working class youth, business owners, and municipal authorities. Through a local history, Making the Scene offers new, exciting ways to think about the phenomenon of counterculture and urban manifestations of a hip identity as they have emerged in cities across North America and beyond.

brownie potter badge requirements: Writing the Breakout Novel Donald Maass, 2002-08-01 Take your fiction to the next level! Maybe you're a first-time novelist looking for practical guidance. Maybe you've already been published, but your latest effort is stuck in mid-list limbo. Whatever the case may be, author and literary agent Donald Maass can show you how to take your prose to the next level and write a breakout novel - one that rises out of obscurity and hits the best-seller lists. Maass details the elements that all breakout novels share - regardless of genre - then shows you writing techniques that can make your own books stand out and succeed in a crowded marketplace. You'll learn to: • establish a powerful and sweeping sense of time and place • weave subplots into the main action for a complex, engrossing story • create larger-than-life characters that step right off the page • explore universal themes that will interest a broad audience of readers • sustain a high degree of narrative tension from start to finish • develop an inspired premise that sets your novel apart from the competition Then, using examples from the recent works of several best-selling authors - including novelist Anne Perry - Maass illustrates methods for upping the ante in every aspect of your novel writing. You'll capture the eye of an agent, generate publisher interest and lay the foundation for a promising career.

brownie potter badge requirements: Red Jacky Colliss Harvey, 2015-06-09 Red is a brilliantly told, captivating history of red hair throughout the ages. A book that breaks new ground, dispels myths, and reinforces the special nature of being a redhead, with a look at multiple disciplines, including science, religion, politics, feminism and sexuality, literature, and art. With an obsessive fascination that is as contagious as it is compelling, author Jacky Colliss Harvey (herself a redhead) begins her exploration of red hair in prehistory and traces the redhead gene as it made its way out of Africa with the early human diaspora to its emergence under Northern skies. She goes on to explore red hair in the ancient world; the prejudice manifested against red hair across medieval Europe; red hair during the Renaissance as both an indicator of Jewishness during the Inquisition and the height of fashion in Protestant England, under the reign of Henry VIII and Elizabeth I; the modern age of art and literature, and the first positive symbols of red hair in children's characters; modern medicine and science and the genetic and chemical decoding of red hair; and finally, red hair in contemporary culture, from advertising and exploitation to gingerism and the new movement against bullying.

brownie potter badge requirements: The Library of the Dead T. L. Huchu, 2021-06-01 Now a USA TODAY bestseller! An absolute delight . . . kept me totally hooked. - Genevieve Cogman, bestselling author of The Invisible Library Sixth Sense meets Stranger Things in T. L. Huchu's The

Library of the Dead, a sharp contemporary fantasy following a precocious and cynical teen as she explores the shadowy magical underside of modern Edinburgh. WHEN GHOSTS TALK SHE WILL LISTEN Ropa dropped out of school to become a ghostalker – and they sure do love to talk. Now she speaks to Edinburgh's dead, carrying messages to those they left behind. A girl's gotta earn a living, and it seems harmless enough. Until, that is, the dead whisper that someone's bewitching children – leaving them husks, empty of joy and strength. It's on Ropa's patch, so she feels honor-bound to investigate. But what she learns will rock her world. Ropa will dice with death as she calls on Zimbabwean magic and Scottish pragmatism to hunt down clues. And although underground Edinburgh hides a wealth of dark secrets, she also discovers an occult library, a magical mentor and some unexpected allies. Yet as shadows lengthen, will the hunter become the hunted? A fast-moving and entertaining tale, beautifully written. – Ben Aaronovitch, bestselling author of Rivers of London At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Alfred Gatty and Margaret Gatty, also a writer for children. Among her tales, which have hardly been excelled in sympathetic insight into childlife, and still enjoy undiminished popularity, are Mrs. Overtheway's Remembrances (1869), A Flat Iron for a Farthing (1873), Jan of the Windmill (1873), Jackanapes, Daddy Darwin's Dovecot and Other Stories (1879), We and the World (1881), Old-Fashioned Fairy Tales (1882) and The Story of a Short Life (1885).

brownie potter badge requirements: *Rembrandt* Robin M. King, 2014 Alexandra Stewart doesn't just walk down memory lane, she lives on it. Her eidetic memory records and plays back her experiences, DVD style. It's great when she aces a test, but not so great when she topples over a cute guy. After her Russian professor at the university gives her an impossible puzzle, Alex discovers he has a secret -- one that will catapult her into a life of cryptic codes and covert missions. Of course, running secret ops would be easier if she weren't trying to impress her handsome new running partner. As if love weren't hard enough already, now she's trying to find it while dodging bullets and going undercover. One thing is for certain, whatever happens will be forever etched into her memory. And some things are better left forgotten. -- page [4] of cover.

brownie potter badge requirements: *Photo Explorations* Cathy Lander-Goldberg, 2015-10-23 This unique activity book harnesses the power of expressive arts! Fun and creative assignments encourage girls to better understand themselves, strive for a balanced life and set meaningful goals for the future. Readers use past photos and new images created through picture-taking and drawing to promote self-awareness and self-esteem. Although designed for individual girls, many of the

activities may be done in groups, so this is a wonderful tool for teachers, school counselors and youth leaders who want to help girls thrive. Although the exercises in the workbook are meaningful and empowering for all, the book is recommended for girls and adolescents ages 9 through 15. (Younger girls may choose to work with a parent, which provides a creative opportunity for connection.)

brownie potter badge requirements: In Search of Lake Wobegon Garrison Keillor, 2001
This book combines text and image to reveal the real-life origins of the place where the women are strong, the men are good-looking and the children above average. Keillor meditates on the enduring culture of the county and on the years he spent there as a young writer and an outsider. And a short story of Lake Wobegon, October, appears here for the first time in print.--BOOK JACKET.

brownie potter badge requirements: Lake Wobegon Summer 1956 Garrison Keillor, 2002-08-27 Meet fourteen-year-old Gary. A self-described tree-toad, a sly and endearing geek, Gary has many unwieldy passions, chief among them his cousin Kate, his Underwood typewriter and the soft-porn masterpiece, High School Orgies. The folks of Lake Wobegon don't have much patience for a kid's ungodly obsessions, and so Gary manages to filter the hormonal earthquake that is puberty and his hopeless devotion to glamorous, rebellious Kate through his fantastic yarns. With every marvellous story he moves a few steps closer to becoming a writer. And when Kate gets herself into trouble with the local baseball star, Gary also experiences the first pangs of a broken heart. With his trademark gift for treading a line delicate as a cobweb between satire and sentiment (Cleveland Plain Dealer), Garrison Keillor brilliantly captures a newly minted post-war America and delivers an unforgettable comedy about a writer coming of age in the rural Midwest.

brownie potter badge requirements: Artemis Fowl: Time Paradox, The (new cover) Eoin Colfer, 2009-08-11 When Artemis Fowl's mother contracts a life-threatening illness, his world is turned upside down. The only hope for a cure lies in the brain fluid of the silky sifaka lemur. Unfortunately, the animal is extinct due to a heartless bargain Artemis himself made as a younger boy. Though the odds are stacked against him, Artemis is not willing to give up. With the help of his fairy friends, the young genius travels back in time to save the lemur and bring it back to the present. But to do so, Artemis will have to defeat a maniacal poacher, who has set his sights on new prey: Holly Short. The rules of time travel are far from simple, but to save his mother, Artemis will have to break them all...and outsmart his most cunning adversary yet: Artemis Fowl, age ten.

brownie potter badge requirements: Juliette Gordon Low Stacy A. Cordery, 2013-01-29
Born at the start of the Civil War, Juliette Daisy Gordon Low struggled to reconcile being a good Southern belle with being true to her adventurous spirit. Accidentally deafened, she married a dashing British patrician and moved to England, where she quickly became dissatisfied with the aimlessness of privileged life. Her search for greater purpose ended when she met Robert Baden-Powell, founder of the Boy Scouts, and was inspired to recreate his program for girls. The Girl Scouts of the USA—which can now count more than fifty-nine million American girls and women among its past members—aims to instill useful skills and moral values in its young members, with an emphasis on fun. In this lively and accessible biography of its intrepid founder, Stacy A. Cordery paints a dynamic portrait of an intriguing woman and a true pioneer whose work touched the lives of millions of girls and women around the world.

brownie potter badge requirements: Crossing the River Sorrow Janet Richards, 2013-06
Crossing the River Sorrow tells the story of one woman's plunge from a sheltered childhood in the '50's into the world of medicine, and her personal search for answers to questions about suffering. A single moment at the bedside of a paralyzed girl begins her journey on the River Sorrow, which takes her on a life-long quest to come to terms with the problem of pain. More than medical case stories or tales of overcoming, Crossing the River Sorrow is a narrative told from the perspective an ordinary wife, mother, and nurse, as she lives her way to peace in the face of some of life's most troubling questions. From the first pages I immediately realized I was in the presence of a gifted writer. In Nurse Richards, you find a gentle yet courageous soul, an artistic master of words, intellectual and guileless with an endearing simplicity of heart. Follow her as she battles unseen enemies with refreshing candor while deftly drawing the reader into her struggles against the stark and dark realities of adversity. This work is the story of a soul coming to a profound understanding of Christ, the gospels and the cross—a place where all should journey. Read. You will be nursed into someone you need to become. -Dan'l C. Markham, Director of Partner Relations at Life Without Limbs Author, with Nick Vujicic, of the Lost Mandate, A Christ Command Revealed
