- Biblical Foundations of Deacon Training Material
- Essential Components of Deacon Training Material
- Methods and Formats for Delivering Deacon Training
- Best Practices for Developing Deacon Training Material
- Evaluating and Improving Deacon Training Programs

Understanding the Role of Deacons in the Church

Deacons are pivotal to the health and function of church communities. Their responsibilities often include supporting pastoral staff, managing practical needs, overseeing church resources, and serving congregational members. Deacon training material must address the diverse demands placed on deacons, preparing them to respond to both spiritual and practical concerns. Effective training ensures that deacons can serve with integrity, compassion, and skill, reflecting the church's mission and values. Recognizing the unique role deacons play helps shape the training curriculum, making it relevant to the church's context and needs.

Key Responsibilities of Deacons

Training material for deacons should cover the broad spectrum of duties they

may encounter. These responsibilities may vary by denomination and church size but commonly include:

- Assisting in worship services and church events
- Providing care and support to congregation members
- Managing church finances and resources
- Facilitating communication between church leadership and members
- Leading outreach and community service initiatives

By understanding these responsibilities, churches can tailor their training material to equip deacons for real-world challenges and opportunities.

Biblical Foundations of Deacon Training Material

Any effective deacon training material is grounded in a solid understanding of biblical principles. The New Testament offers clear guidance regarding the selection, character, and duties of deacons, particularly in passages from Acts and 1 Timothy. Integrating these scriptures into training helps deacons understand their spiritual calling and provides a strong foundation for ethical service.

Scriptural Qualifications for Deacons

Paul's letters outline the moral and spiritual qualities expected of deacons. Training material should emphasize these attributes, encouraging candidates to pursue personal holiness and spiritual maturity.

- Integrity and honesty
- Faithfulness in family and personal life
- Spiritual maturity and sound doctrine
- Commitment to service

Churches that prioritize these qualifications in their training programs establish a high standard for deacon ministry.

Understanding Servant Leadership

The biblical model of leadership for deacons is rooted in servanthood. Training material should reinforce the concept of servant leadership, teaching deacons to lead by example, prioritize others' needs, and foster a spirit of humility. This approach cultivates a healthy church culture and strengthens relationships within the congregation.

Essential Components of Deacon Training Material

Comprehensive deacon training material covers a wide range of topics, ensuring that deacons are prepared for every aspect of their ministry. These components should be tailored to the church's context but typically include practical skills, spiritual formation, and ministry-specific knowledge.

Core Training Topics

Effective deacon training programs include instruction in the following areas:

1. Church Doctrine and Mission Statement
2. Leadership and Teamwork Skills
3. Conflict Resolution and Mediation
4. Pastoral Care and Visitation Skills
5. Financial Stewardship and Resource Management
6. Legal and Ethical Considerations
7. Community Outreach Strategies

Covering these core topics prepares deacons to handle their responsibilities with confidence and competence.

Practical Application and Role-Playing

Deacon training material should include practical exercises and role-playing scenarios. These activities enable trainees to apply theoretical knowledge in simulated church situations, enhancing their ability to respond effectively

when real challenges arise.

Spiritual Development and Personal Growth

Beyond practical skills, training material must encourage ongoing spiritual growth. Incorporating prayer, Bible study, and mentorship fosters deeper faith and greater resilience in ministry.

Methods and Formats for Delivering Deacon Training

The effectiveness of deacon training material depends heavily on the delivery methods and formats used. Churches can choose from a variety of approaches based on their resources, congregation size, and specific needs.

In-Person Workshops and Seminars

Many churches prefer to deliver deacon training material through interactive workshops, seminars, or retreats. These sessions offer opportunities for discussion, networking, and hands-on learning, which are highly beneficial for building team cohesion and shared vision.

Online Training Modules and Resources

With technological advancements, online deacon training material has become increasingly popular. Digital platforms allow for flexible scheduling, remote participation, and access to multimedia content, making training accessible for busy church members.

One-on-One Mentorship and Coaching

Pairing new deacons with experienced mentors is an effective way to provide personalized guidance and support. Mentorship programs can supplement formal training material, addressing specific questions and challenges as they arise.

Best Practices for Developing Deacon Training Material

Churches seeking to create or enhance their deacon training material should follow established best practices to maximize impact and sustainability.

Tailoring the training to the church's unique culture and needs ensures relevance and effectiveness.

Customizing Material for Church Context

No two churches are exactly alike, so deacon training material should reflect the congregation's demographics, traditions, and ministry priorities. Customization makes the training more engaging and applicable for participants.

Utilizing Experienced Leaders and Guest Speakers

Inviting seasoned church leaders or external experts to contribute to training sessions adds credibility and fresh perspectives. Their insights can motivate deacons and offer practical wisdom for challenging situations.

Regular Review and Updates

Continuous improvement is essential for effective deacon training material. Churches should regularly review content, soliciting feedback from trainees and adapting material to address emerging trends or new challenges.

Evaluating and Improving Deacon Training Programs

Assessment is a vital component of any deacon training initiative. Churches should implement clear evaluation methods to measure progress, effectiveness, and overall impact of their training material.

Feedback and Self-Assessment

Encourage deacons to provide candid feedback on training sessions and materials. Self-assessment tools help participants reflect on their strengths and identify areas for further growth.

Performance Reviews and Continuing Education

Regular performance reviews, combined with continuing education opportunities, keep deacons motivated and accountable. Ongoing training ensures that deacons remain equipped to serve in an ever-changing church environment.

Celebrating Successes and Milestones

Acknowledging achievements and milestones fosters motivation and a sense of accomplishment among deacons. Recognizing exemplary service encourages others to pursue excellence in their own ministry roles.

Frequently Asked Questions about Deacon Training Material

Q: What topics are most important to include in deacon training material?

A: Core topics should cover church doctrine, leadership skills, conflict resolution, pastoral care, financial stewardship, legal considerations, and community outreach.

Q: How often should deacon training material be updated?

A: Training material should be reviewed and updated annually or as needed to address new challenges, feedback, and changes within the church.

Q: Can deacon training material be delivered online?

A: Yes, online modules and resources are effective and allow for flexible, remote participation, making training accessible to more church members.

Q: What biblical passages are essential for deacon training?

A: Key passages include Acts 6, 1 Timothy 3, and Philippians 1, which outline the qualifications, duties, and spiritual foundation of deacons.

Q: How can churches ensure that training material is relevant?

A: Customizing material to the church's context, demographics, and ministry focus ensures relevance and engagement among deacons.

Q: Are mentorship programs beneficial for deacon training?

A: Mentorship provides personalized guidance and support, supplementing formal training and helping deacons navigate real-world challenges.

Q: What are common challenges when developing deacon training material?

A: Common challenges include balancing spiritual and practical content, addressing diverse needs, and keeping material up-to-date.

Q: How is the effectiveness of deacon training programs measured?

A: Effectiveness is measured through feedback, self-assessment, performance reviews, and the overall impact on church ministry and unity.

Q: Should deacon training material include role-playing exercises?

A: Yes, practical exercises and role-playing scenarios enhance learning by allowing deacons to apply skills in simulated situations.

Q: What is the best way to celebrate successful completion of deacon training?

A: Churches should recognize achievements through public acknowledgment, certificates, or special events to motivate and affirm deacons' contribution.

Deacon Training Material: A Comprehensive Guide for Aspiring and Current Deacons

Are you seeking comprehensive deacon training material to enhance your ministry or prepare for ordination? Navigating the wealth of resources available can be daunting. This in-depth guide provides a curated selection of essential materials, covering theological foundations, practical skills, and spiritual growth, designed to equip deacons for effective service within their communities. We'll explore various formats, from online courses to books and mentorship opportunities, ensuring you find the perfect resources to support your journey.

H2: Understanding the Role of a Deacon

Before diving into specific training materials, it's crucial to have a solid understanding of the diaconate's role within the church. The responsibilities vary slightly depending on denomination and local church context, but generally include:

H3: Service to the Congregation: Deacons often serve as hands-on ministers, assisting with practical needs, offering pastoral care, and facilitating community outreach programs.

H3: Leadership and Administration: Some deacons play a significant role in church governance, participating in decision-making processes and managing church resources.

H3: Spiritual Guidance and Mentoring: Deacons provide spiritual support to congregants, offering guidance and mentorship based on their faith and understanding of scripture.

A clear grasp of these core responsibilities will help you focus your training efforts and select relevant materials.

H2: Essential Deacon Training Material: Books & Resources

The market offers a diverse range of deacon training material in various formats. Here are some key categories and examples:

H3: Theological Foundations: Solid theological grounding is paramount. Books exploring biblical passages related to diakonia (service), the history of the diaconate, and the theological underpinnings of ministry are crucial. Look for works that offer insightful commentary and practical application. Examples might include books focusing on specific biblical figures known for their service, such as the examples of the early deacons in Acts.

H3: Practical Skills Training: Effective deacons need practical skills. Consider resources that cover topics such as:

H4: Pastoral Care: Books and workshops on counseling techniques, active listening, and providing compassionate support.

H4: Community Outreach: Materials focusing on organizing events, managing volunteers, and building relationships within the community.

H4: Church Administration: Resources on budgeting, fundraising, and effective communication

within church structures.

H3: Spiritual Growth and Development: Personal spiritual growth is vital for effective ministry. This section emphasizes resources that promote spiritual disciplines, such as prayer, meditation, and Bible study. Consider books on spiritual formation and leadership development.

H2: Online Deacon Training Programs & Courses

The digital age offers convenient and accessible deacon training material through online platforms. Many seminaries, theological colleges, and church denominations offer online courses and programs specifically designed for deacons. These often include interactive modules, video lectures, and opportunities for peer interaction. The advantages include flexibility, affordability, and access to a broader range of instructors and perspectives. Always research the credentials and reputation of any online program before enrolling.

H2: Mentorship and Practical Experience

While books and courses provide essential knowledge, mentorship plays a vital role in deacon training. Finding an experienced deacon willing to guide and mentor you provides invaluable practical experience and insight. This mentorship can help you navigate challenging situations, refine your skills, and develop your own ministry style. Seek out established deacons within your church or denomination who can offer guidance and support.

H2: Utilizing Existing Church Resources

Don't overlook the resources already available within your own church. Many churches offer internal training programs, workshops, and mentorship opportunities specifically for their deacons. These programs are tailored to the specific needs and context of your congregation, offering a valuable supplement to external resources.

Conclusion

Finding the right deacon training material is a journey of continuous learning and growth. By combining theological study, practical skills training, spiritual development, and mentorship, you can equip yourself for effective and fulfilling service within your church community. Remember that your commitment to ongoing learning and personal growth is essential to your success as a deacon. Embrace the opportunity to serve, learn, and grow in your faith.

FAQs

1. What is the best book for deacon training? There's no single "best" book, as the ideal resource depends on your denomination and specific needs. Look for books that address theological foundations, practical skills, and spiritual growth relevant to your context.
2. Are there free deacon training resources available? Yes, many churches and denominations offer free online resources, webinars, and study materials. Search online for "[your denomination] deacon training" to find relevant options.
3. How long does deacon training typically take? The duration varies widely, from short workshops to multi-year programs. It depends on the intensity of the program and the individual's learning pace.
4. What if I don't have access to a mentor? While mentorship is beneficial, you can still gain valuable knowledge and experience through diligent self-study, attending conferences, and participating in online forums and communities.
5. How can I find a suitable deacon training program near me? Contact your church leadership, search online for local seminaries or theological colleges, or reach out to denominational offices for information on available programs.

deacon training material: *Servants in Charge* Keith M. Bailey, 2007-04-01 *Servants in Charge* is a training guide for elders and deacons with a study guide included. *Servants in Charge* define the roles of elders and deacons and offers practical suggestions for selecting these important leaders. And for servants who find themselves in charge, there are guidelines toward effective and fruitful ministry. Have you ever been in an office or a place of business when someone walked in and asked, 'Who's in charge here?' Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery. In a beautiful parable about His second coming, Jesus made it clear that His servants are in charge. These people are known not so much for their position or power, but for their attitude of true servant hood. In *Servants in Charge* we find that Dr. Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis. He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament. He completes this short study with a guide for preparation for them and their election and consecration. A great must have for the church today.

deacon training material: *The Biblical Deacon Training Manual* Larry A. Brookins, 2011 Instructional Manual for the training of individuals for the office of a Deacon

deacon training material: *Deacon Training in the Black Church* Eric A. Mayes, 1991-08-01

deacon training material: *Deacons in Today's Black Baptist Church* Marvin Andrew McMickle, 2010 What does it mean to be a deacon in the black Baptist church today? What personal qualities should a candidate for deacon possess? What does the ministry entail? What relationship should exist between the pastor and deacons? What does Scripture say about the origins of the office of the deacon? How has the historical context of being black and Baptist in American influenced the evolution of that office? How do we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today? Rev. Dr. Marvin McMickle explores these issues and more in this practical resource for today's church leaders.

deacon training material: *Guide for Deacons* Bob Puhala, Paul Turner, 2011

deacon training material: *Biblical Principles of Sex* Robert D Smith, Kevin Carson, 2021

deacon training material: Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons-a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons.

deacon training material: **Romans 1-7 for You** Timothy Keller, 2014-02-01

deacon training material: Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200,000 copies sold, Broadman & Holman is publishing an updated edition of *Deacons: Servant Models in the Church*. Henry Webb deals with every aspect of the roles and offices of deacons in the church, including the deacon's marriage, wife, children, family life, conduct, priorities, and other pertinent aspects of deacons as role models of servant leadership in the church.

deacon training material: *The Work of the Deacon & Deaconess* Harold Nichols, 2014 Now presenting the 50th-anniversary edition of this best-selling classic in Judson Press's *Work of the Church* series! This Second Revised Edition of *The Work of the Deacon & Deaconess* features new and updated content, reflecting the evolving diversity of ministry in the diaconate. Fans will find time-honored material about the traditional roles of the deacon, as well as additional ideas for tailoring the deacon's work to the needs of a growing congregation and changing community. In particular, this second revised edition includes greater differentiation between the roles of deacon (male and female) and deaconess in churches that maintain a distinction in those ministries.

deacon training material: **Who Rules the Church?** Gerald Cowen, 2003 Offers critical definitions about the work of a pastor or elder -- what his job description is and what the limits of his authority are in the context of church government.

deacon training material: **Seventh-day Adventist Church Manual.** General Conference of Seventh-Day Adventists, 2005

deacon training material: **Deacon Wives** Diana Davis, 2009-06-01 In describing the qualities of a church deacon, the Bible also emphasizes the traits of his companion: "Wives, too, must be worthy of respect, not slanderers, self-controlled, faithful in everything" (1 Timothy 3:11). Yet for all the traditional deacon handbooks, less prevalent are those for a deacon's wife. This warmhearted, conversational new book from "Fresh Ideas" syndicated columnist Diana Davis shares stories and insights for deacon wives whether just inaugurated or long experienced. The reader will enjoy tips on how to best encourage her husband's work, the ministry of the pastor and his wife, and other church staff and members. There are also helpful home and family suggestions, self-evaluation forms and checklists, and even a detailed teaching plan to share this wealth of material with other women in the church

deacon training material: **The Deacon** Cornelis Van Dam, 2016 The office of deacon is God's gift to His church, but today it is often undervalued, misunderstood, and perceived to be of little importance. In *The Deacon*, the author considers the Old Testament background for this calling, the deacon in New Testament times and in church history, and the current function of the office. You will rediscover the high and privileged calling of deacons and come to a better understanding of what God requires of them. Table of Contents: Part 1--The Old Testament Background 1. The Poor in Israel 2. Providing for the Poor Part 2--New Testament Times 3. Christ's Teaching on the Poor and Needy 4. Ministering to the Poor in Acts 6 5. The Office of Deacon 6. Female Deacon? Part 3--The Office of Deacon in the History of the Church 7. The Testimony of the Early Church and the Heritage of the Reformation 8. Women and the Diaconate Part 4--The Current Functioning of the Office 9. The Official Position of the Deacon Today 10. Enabling and Prioritizing 11. The Diaconal Ministry within the Congregation 12. The Diaconal Ministry outside the Congregation 13. The Blessing of the Poor

deacon training material: The Deacon's Handbook Leonard Gillams, 2023-08-21 The Deacon's Handbook is more than just a resource for those serving as deacons and those who aspire to be one. The fact is that you don't have to be a deacon to apply principles that God would smile upon. The wisdom in this handbook transcends sex, age, and educational background. In other words, it may be geared for deacons, but it can benefit anyone. Leonard Gillams, a longtime ordained deacon, observes that while no one is perfect, how we behave informs ourselves, others, and God Himself on how we are measuring up to His Holy standards. He considers questions such as: How did the deacon's ministry develop? How can a deacon effectively interact with a congregation? How can a deacon build a strong spiritual foundation from which to serve the church? The author emphasizes that just as God holds deacons responsible for the churches they serve, He also expects them to take care of their families. Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience.

deacon training material: *Paul's Vision for the Deacons: Study Guide* Alexander Strauch, 2017-12 With questions and assignments written by Alexander Strauch, this Study Guide is designed as a companion to the text, *Paul's Vision for the Deacons: Assisting the Elders with the Care of God's Church*. Together, these resources make excellent training material for deacons and the elders who lead them.

deacon training material: **Basic Norms for the Formation of Permanent Deacons** Catholic Church. Congregatio pro Institutione Catholica, 1998 From the Congregation for Catholic Education and the Congregation for the Clergy.

deacon training material: **Paul's Vision for the Deacons** Alexander Strauch, 2017-11-15 Among evangelical Christians, there are widely diverse views on the roles of deacons. What does Scripture actually teach about deacons and their role in the church? Views range from deacons being the board of directors, to the church building maintenance crew. In writing this completely new book Strauch states that his purpose is to encourage my deacon friends and fellow church leaders to think more critically about what they are saying, what they are doing, and what the Scripture actually teaches about deacons. Whatever your view of deacons may be, this study will help you examine in detail the biblical facts on deacons, allowing those facts to guide your thinking. This book offers the opportunity to build broader agreement among our Bible-believing churches as to what deacons do. This is not simply a revision of Strauch's popular book, *The New Testament Deacon: Minister of Mercy*. It is a completely new study with a fresh perspective.

deacon training material: *Help! I'm a Deacon's Wife* LifeWay Christian Resources, Robert L Sheffield, 1993 *Help! I'm a Deacon's Wife* provides helpful insights concerning the role of a deacon's wife. Suggestions are offered on managing limited time, maintaining a healthy marriage, growing spiritually, and carrying out practical ministry with her husband.

deacon training material: Deacons Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church? Deacons are essential to a church's health—yet confusion abounds regarding their biblical job description. What's their God-given role in a local congregation and how do they relate to the church's overall mission? In this short book, Matt Smethurst makes the case that deacons are model servants called to meet tangible needs, organize and mobilize acts of service, preserve the unity of the flock, and support the ministry of the elders. Clearing away common misconceptions, Smethurst offers practical guidance for deploying deacons and helping churches to flourish.

deacon training material: *Elders, Deacons, Preachers, Saints* Mike Mazzalongo, 2015-05-03 This book describes in detail the various Biblical leadership roles in the church and examines how these can be exercised in order to promote individual as well as the corporate growth of the church.

deacon training material: **The Ministry of a Baptist Deacon** Paul Chappell, 2010-11-15 A godly deacon is a great asset to the work of God. His servant leadership benefits the entire church family, and his support and care for the pastor is invaluable. The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people. It is designed as a handbook to equip deacons as servant

leaders. This two-part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry. This book also includes several appendices with sample forms, financial procedures, and a sample church constitution.

deacon training material: Pastor & Deacons Carl Herbster, Ken Howerton, 2010-09-10 How should a church be organized? What functions do the pastors, deacons, and congregation serve? How does a congregation biblically address problems? The authors answer these important questions and many more. As fellow servants in the same church, the authors have collaborated in the writing of this book.

deacon training material: The Deacons Handbook Gerard Berghoef, Lester DeKoster, 2012-03-01 An invaluable resource for all who are, or will be, involved in the church's ministry of mercy. Includes chapters on the nature and history of the diaconal office, concrete advice regarding budget and finances, suggestions for enlisting congregational participation in diaconal service, and thought-provoking perspectives on giving and stewardship. Profoundly Christ-centered, solidly based on Scripture, lucid in presentation and down-to-earth in application.

deacon training material: Preaching as Paying Attention Edward Foley, 2021-07-10 Author Ed Foley—priest, preacher, and teacher—invites preachers to an awareness of the world and the people around them as a lens for preaching God's Incarnate Word and inviting people into the Paschal Mystery. He maintains that paying attention is a key to theological reflection. When pondering a work of art or a catastrophe, the preacher asks, "Where is God in all of this?" and "How does my preaching invite people to respond to that presence?" Fr. Foley presents excerpts of his own homilies and references to poets, scientists, and other resources—some a bit surprising—as models and suggestions that might draw a preacher's attention as a sign of God present and active in our midst. In short, this book offers a mindset, not a method, for preachers.

deacon training material: Faithful and Fruitful William Boekestein, Steven Swets, 2019-10-31 A collection of biblical and practical essays written by seasoned churchmen drawing upon a wealth of leadership knowledge, experience, and wisdom. Study questions for each essay.

deacon training material: Overwhelmed by Grace Brian Anderson, 2008-10 Every Christian has been saved by God's grace, but many believers have never grasped the glory of that grace. Can God's grace be resisted? Will it cause the believer to endure in faith? How is it related to divine election? Did Christ in His death have a particular group of people in mind? Brian Anderson in *Overwhelmed By Grace* meets a widespread need for the doctrines of grace to be clearly, simply, and Biblically explained for all believers. By the time you are done reading this book, you may also be overwhelmed by grace! Here is a well-reasoned, readable, Biblical explanation of the doctrines of grace. Many Christians find these truths difficult to wrestle with, and unfortunately there is a dearth of material that explains them well. Too many who attempt the task get bogged down in philosophical and historical arguments before they ever deal clearly with the Biblical data. Brian Anderson avoids that pitfall and focuses his energies instead on simply giving a clear and understandable presentation of what Scripture teaches. I am very grateful for his wonderful, straightforward, and above all Biblical treatment of these crucial doctrines. John F. MacArthur, Jr. Pastor, Grace Community Church, Sun Valley, California President, Masters College and Masters Seminary Brian Anderson has written a solid, readable, engaging and very clear book for those who want to understand the nature of God's grace in the salvation of the lost. I warmly recommend it. Dr. John H. Armstrong Founder and President, Act 3 Brian Anderson served from 1990 to 2000 as the teaching pastor of a Bible church in Milpitas, California. Since that time he has been planting and overseeing house churches in Sonora, California.

deacon training material: Principles of Sacred Liturgy Christopher Carstens, 2020-01-27 Jesus' saving Paschal work continues today in the liturgy and sacraments. They have the power to sanctify and beatify those who engage the liturgy with proper minds and hearts. In this comprehensive and accessible book, Christopher Carstens opens up the ritual elements mystagogically: that is, he leads participants from what they can sense—a calendar day, a musical instrument, and word—to what is otherwise undetectable: Jesus Christ. He examines the core

meaning of each liturgical element in creation, in the culture, in the Old Testament, in Christ, and in heaven. This book is an excellent resource for pastors, seminarians, permanent deacons and deacon candidates, lay ministers, and parish liturgy coordinators.

deacon training material: Nuts and Bolts of Deacon Ministry Alice Cullinan, Keith Dixon, 2016-11-01 This is a comprehensive manual and guidebook for developing spiritual leaders and the delivery of a successful Deacon Ministry in any church.

deacon training material: Called to Serve Michael Brown, Daniel R. Hyde, Ralph Pontier, Randal S. Lankheet, Nelson D. Kloosterman, Michael S. Horton, Cornelis P. Venema, W. Robert Godfrey, Bradd L. Nymeyer, Kim Riddlebarger, Derrick J. Vander Meulen, John A. Bouwers, 2007-11-01

deacon training material: The Book of Deacon Joseph R. Lallo, 2010-01-28 The Book of Deacon is the first book of The Book of Deacon series by Joseph R. Lallo. Myranda Celeste's world has been built on a legacy of bloodshed. For more than a century, her homeland the Northern Alliance has fought the Kingdom of Tressor in what has come to be known as the Perpetual War. While her people look upon the conflict with reverence, Myranda's hate for the war has made her an outcast. When she finds a precious sword among the equipment of a fallen warrior, she believes her luck may have changed. Little does she imagine that the treasure will draw her into an adventure of wizards and warriors, soldiers and rebels, and beasts both noble and monstrous. The journey will teach her much about her potential, about the origins of the war, and about the threat her world truly faces. Will Myranda unlock the secret of bringing peace once and for all, or will the world be lost to the Perpetual War?

deacon training material: The Baptist Deacon Robert E. Naylor, 1998-11 This book comes straight from the heart of a pastor who has had deacons for breakfast, dinner, and supper for as long as he can remember. The son of a Baptist minister, Dr. Naylor was influenced from childhood by men in this noble office of divine origin. His own twenty-five years in the Baptist ministry and his successful work with deacons in many churches, large and small, well qualify him to write this long needed book.

deacon training material: The Making of a Deaconess Frances Jones, 2000

deacon training material: The Deacon Reader James Keating, 2006 The essays collected in this book aim to give the reader an overview of the theological and pastoral nature of the diaconate and thus to clarify the fundamental identity of the deacon, for those who are discerning such a call as aspirants and those who are already candidates for the office. --From Introduction.

deacon training material: The New Elder's Handbook Greg R. Scharf, Arthur Kok, 2018-11-20 Pastors and church leaders are in need of mature, godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders? The New Elder's Handbook is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for ministry, recruitment of elders to carry out that vision, and specific, biblical training, providing a way to be intentional about developing elders.

deacon training material: Living in Love and Faith The Church of England, 2020-11-09 Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to

explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

deacon training material: Gospel Training for Deacons Robert H. Thune, 2024-08-26
Gospel Training for Deacons lays a solid foundation for diaconal service by providing tools for spiritual formation biblical direction for the role.

deacon training material: Soul Care Herbert Kopp, 2001

deacon training material: The Deliberate Church Mark Dever, Paul Alexander, 2005-09-09
Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church. Great resource for pastors, elders, and others interested in the vitality of their church.

deacon training material: Jesus, Humanity and the Trinity Kathryn Tanner, 2001
Tanner offers not a repetition of doctrines but a creative synthesis of key Christian principles - especially the transcendence and gift-giving of God - and contemporary experience. What emerges is a profound yet precise vision of creation, God's life, and our participation in it. While consonant with traditional teachings, Tanner's dynamic speculative theology is universal in its range, mystical in its outlines, and deeply ethical in its relations with all God's gifted creatures. *Jesus, Humanity, and the Trinity* not only takes stock of Christian belief in a time of tumultuous intellectual and cultural change. It also finds in that ferment a life-giving meaning and mission for Christian life.
