Dolores Cannon's Background and Hypnotherapy Approach

Dolores Cannon was a pioneering figure in the field of past life regression and hypnotherapy. Her work spanned several decades, during which she developed the Quantum Healing Hypnosis Technique (QHHT) and authored numerous books on metaphysical subjects. Cannon's unique approach involved guiding clients into deep trance states, allowing them to access memories from previous incarnations. Through these sessions, she uncovered information about ancient civilizations, spiritual teachings, and historical figures—including Jesus and the Essenes.

The cornerstone of Cannon's research is her ability to extract detailed accounts from subjects who reportedly lived during pivotal moments in history. Her findings, particularly in "Jesus and the Essenes," have been widely discussed for their spiritual and historical implications. Her methodology relies on extensive transcripts and careful analysis, offering a fresh perspective on biblical events and the communities that shaped them.

The Essenes: Origins and Beliefs

Who Were the Essenes?

The Essenes were a Jewish mystical sect that flourished from the second century BCE to the first century CE. Known for their ascetic lifestyle, communal living, and dedication to spiritual purity, the Essenes played a significant role in the religious landscape of ancient Judea. Their communities, most notably at Qumran near the Dead Sea, are believed to have produced the Dead Sea Scrolls, a collection of texts that offer insight into their beliefs and daily practices.

Core Beliefs and Practices

- Commitment to spiritual purification and ascetic living

- Emphasis on community, equality, and shared resources
- Strict observance of ritual cleanliness and dietary laws
- Belief in messianic prophecies and the coming of a spiritual teacher
- Dedication to the study and preservation of sacred texts

The Essenes' worldview centered around preparing for a new era of spiritual enlightenment. They maintained a disciplined regimen and sought to embody higher principles in their daily lives, setting them apart from other Jewish groups of their time.

Jesus and His Connection to the Essenes

Theories on Jesus' Essene Affiliation

Numerous scholars and authors have explored the possibility that Jesus was closely associated with the Essenes or directly influenced by their teachings. Dolores Cannon's research, based on her regression sessions, suggests that Jesus may have been raised among the Essenes, absorbing their spiritual wisdom and ethical standards. This perspective aligns with theories that the teachings of Jesus, including his emphasis on compassion, humility, and inner transformation, reflect Essene principles.

Evidence from Regression Sessions

In "Jesus and the Essenes," Cannon presents transcripts from subjects who recall lives within the Essene community and personal encounters with Jesus. These accounts describe Jesus as a student, teacher, and spiritual leader whose philosophy mirrored Essene values. The book offers detailed descriptions of daily life, rituals, and the profound spiritual atmosphere that shaped Jesus' development.

Key Insights from "Jesus and the Essenes"

Past Life Regressions and Transcripts

Cannon's book is built on the foundation of past life regression sessions, during which subjects describe their experiences as Essenes or contemporaries of Jesus. These firsthand narratives provide unique perspectives on historical events and spiritual teachings. The transcripts include vivid descriptions of community gatherings, secret initiations, and interactions with Jesus and other prominent figures.

Revelations About Jesus' Life

1. Jesus was educated and spiritually trained within Essene communities.
2. He participated in rituals focused on inner purification and meditation.
3. Jesus' teachings were influenced by Essene doctrines, emphasizing love, forgiveness, and unity.
4. The Essenes anticipated the arrival of a spiritual messiah, which they believed Jesus embodied.
5. Accounts suggest that Jesus' role extended beyond traditional narratives, revealing deeper layers of his mission and message.

These insights challenge conventional views and invite readers to consider alternative interpretations of biblical history.

Spiritual Teachings and Practices of the Essenes

Daily Rituals and Meditation

The Essenes were renowned for their structured spiritual routines, which included regular meditation, prayer, and ritual bathing. Their practices were designed to cultivate inner peace, enlightenment, and a direct connection with the divine. Meditation was regarded as essential for personal transformation and preparing for higher states of consciousness.

Community and Ethical Conduct

Living in close-knit communities, the Essenes emphasized equality, charity, and cooperation. They believed that collective harmony reflected spiritual advancement. Members were expected to uphold strict ethical standards, demonstrating honesty, humility, and respect for all living beings.

Historical and Archaeological Perspectives

The Dead Sea Scrolls

The discovery of the Dead Sea Scrolls in the mid-20th century provided unprecedented insights into the beliefs and practices of the Essenes. These ancient manuscripts include biblical texts, commentaries, and community rules that align with the descriptions found in Cannon's research. Scholars have used these documents to reconstruct the history and theology of the Essene sect.

Archaeological Evidence of Essene Communities

Excavations at Qumran and other sites have revealed the remains of communal living quarters, ritual baths, and storage facilities, offering tangible proof of the Essenes' existence. The archaeological record supports the view that the Essenes were a distinct and influential group within the broader Jewish tradition, with unique contributions to spirituality and culture.

Lasting Influence of Dolores Cannon's Research

Impact on Spirituality and Historical Studies

Dolores Cannon's work has inspired renewed interest in the Essenes and their connection to Jesus. Her books and regression techniques have influenced spiritual seekers, researchers, and historians alike. By presenting alternative narratives and firsthand accounts, Cannon contributes to ongoing debates about the nature of ancient wisdom and its relevance today.

Her research encourages readers to explore the intersection of spirituality, history, and metaphysics, fostering a deeper appreciation for the diversity of thought that shaped early Christianity and Jewish mysticism.

Frequently Asked Questions

Q: Who were the Essenes according to Dolores Cannon's research?

A: According to Dolores Cannon, the Essenes were a spiritually advanced Jewish sect that lived in communal settlements and dedicated themselves to spiritual purity, meditation, and the study of sacred texts. Her regression sessions revealed detailed accounts of their daily life, rituals, and beliefs.

Q: What is the connection between Jesus and the Essenes?

A: Dolores Cannon's research suggests that Jesus was closely associated with the Essenes, possibly receiving spiritual training and guidance from their community. Many of his teachings reflect Essene principles such as compassion, humility, and inner transformation.

Q: What are some key teachings of the Essenes?

A: Key Essene teachings include the importance of spiritual and physical purification, meditation, communal living, ethical conduct, and preparation for the arrival of a messianic figure.

Q: How did Dolores Cannon obtain her information about Jesus and the Essenes?

A: Cannon used deep trance hypnotherapy sessions to guide subjects into past life regressions, where they recounted experiences as members of the Essene community or contemporaries of Jesus. She documented these sessions in her books.

Q: What are the Dead Sea Scrolls and how do they relate to the Essenes?

A: The Dead Sea Scrolls are ancient manuscripts discovered near the Dead Sea, believed to have been written by the Essenes. They contain biblical texts, community rules, and spiritual teachings that align with the insights presented in Cannon's research.

Q: Did Dolores Cannon claim Jesus was an Essene?

A: While Dolores Cannon's research indicates a close association between Jesus and the Essenes, her regression subjects suggested that Jesus was educated and influenced by the Essene community, though she did not definitively state he was formally an Essene.

Q: What impact has "Jesus and the Essenes" had on modern spirituality?

A: Cannon's book has sparked new interest in ancient wisdom, regression hypnosis, and alternative

interpretations of biblical history, influencing spiritual seekers and researchers worldwide.

Q: Are the Essenes mentioned in the Bible?

A: The Essenes are not explicitly named in the Bible, but historical and archaeological evidence, along with ancient texts like the Dead Sea Scrolls, provides information about their role during the time of Jesus.

Q: What is Quantum Healing Hypnosis Technique (QHHT)?

A: QHHT is a hypnotherapy method developed by Dolores Cannon to access deep subconscious memories, including past lives, for spiritual insight and healing.

Q: How reliable are the accounts in "Jesus and the Essenes"?

A: The accounts in Cannon's book are based on regression hypnosis and are considered subjective experiences. While they offer unique perspectives, they are not universally accepted as historical fact and are best viewed as complementary to other historical and archaeological sources.

Dolores Cannon, Jesus, and the Essenes: Unveiling a Hidden History

Introduction:

Have you ever wondered about the enigmatic figure of Jesus, beyond the biblical narratives? What if the story we know is only a fragment of a much larger, more complex truth? This blog post delves into the fascinating work of Dolores Cannon, a renowned past-life regression therapist, and her groundbreaking research connecting Jesus to the Essenes, a Jewish sect shrouded in mystery. We'll explore Cannon's findings, examine the historical context surrounding the Essenes, and consider the implications of this perspective on our understanding of Jesus' life and teachings. Prepare to embark on a journey that challenges conventional wisdom and opens doors to a deeper understanding of history and spirituality.

What Dolores Cannon's Research Reveals:

Dolores Cannon, known for her Quantum Healing Hypnosis Technique (QHHT), conducted numerous past-life regressions. Many of these sessions uncovered compelling accounts connecting individuals to the life and times of Jesus and the Essenes. Through her work, Cannon painted a picture of Jesus not just as the religious icon we know, but as a real historical figure deeply involved with the Essene community. This wasn't simply a fleeting association; Cannon's subjects described Jesus as an active participant in their spiritual practices and communal life. These accounts often highlighted a far more complex and nuanced picture of Jesus's ministry than traditional portrayals. They suggested a Jesus less focused on establishing a new religion and more dedicated to teaching spiritual principles of love, compassion, and inner transformation within an existing Jewish sect.

The Essenes: A Community of Spiritual Seekers

The Essenes were a Jewish sect that flourished in Judea during the time of Jesus. While much about them remains enigmatic, historical evidence suggests they lived communally, emphasizing ascetic practices, ritual purity, and a deep commitment to their interpretation of Jewish law. They were known for their emphasis on personal transformation, spiritual growth, and a strict code of conduct. Their beliefs and practices, particularly their focus on spiritual purity and communal living, resonated strongly with Cannon's subjects' recollections of their interactions with Jesus and the Essene community.

Jesus' Role Within the Essene Community: A Deeper Look

Cannon's research suggests Jesus wasn't merely an outsider interacting with the Essenes; he was an integral part of their community. Subjects described him as a respected teacher, healer, and spiritual leader within the Essene brotherhood, sharing their beliefs and actively participating in their rituals and practices. This perspective aligns with some historical interpretations that suggest Jesus's early ministry was primarily focused on his community, emphasizing inner transformation and spiritual growth rather than immediate large-scale religious reform.

Beyond the Gospels: Alternative Perspectives

The accounts unearthed through Cannon's work provide a compelling counterpoint to the traditional Gospel narratives. These narratives, while offering valuable insights into Jesus's life and teachings, may represent a selective and potentially edited version of events. Cannon's research suggests a

more holistic view, one that emphasizes the broader social and spiritual context within which Jesus operated. This opens the door to understanding the potentially significant influence the Essenes had on shaping Jesus's teachings and his overall spiritual journey.

The Significance of Cannon's Findings: Re-evaluating History

Dolores Cannon's work isn't meant to replace established historical research but rather to supplement and enrich it. By incorporating the experiences and recollections accessed through past-life regression, we can gain a broader and more nuanced understanding of historical figures and events. Her research on Jesus and the Essenes encourages us to question traditional narratives and to consider the possibility of alternative interpretations supported by compelling anecdotal evidence. It opens the door to reevaluating historical sources and integrating new perspectives into our understanding of the past.

Conclusion:

Dolores Cannon's research, focusing on Jesus and the Essenes, offers a unique and compelling perspective on a pivotal period in history. While not definitive proof, her findings, alongside existing historical research, suggest a more complex and multifaceted picture of Jesus's life and teachings than traditionally presented. By considering alternative viewpoints and embracing the possibilities offered by unconventional methods like past-life regression, we can enrich our understanding of history and develop a more comprehensive appreciation of the historical and spiritual contexts surrounding the life of Jesus.

FAQs:

1. Is Dolores Cannon's work scientifically proven? QHHT, the method Cannon used, isn't scientifically validated in the traditional sense. However, the consistency and detail in many of her subjects' accounts are striking and warrant further investigation.
2. How reliable are past-life regression accounts? The reliability of past-life regression is a subject of ongoing debate. While not considered definitive historical evidence, the information gleaned from such sessions can offer valuable insights and perspectives not readily available through conventional historical methods.
3. Do all of Dolores Cannon's subjects confirm the same narrative regarding Jesus and the Essenes? No, each subject's experience is unique. However, there are recurring themes and consistent elements that emerge across multiple sessions, suggesting a potential core of truth underlying the various accounts.
4. How does this information impact my understanding of Christianity? This information doesn't necessarily contradict Christian belief but rather offers a potentially richer and more nuanced understanding of the historical context surrounding Jesus's life and teachings. It encourages a broader exploration of possible influences and interpretations.
5. Where can I learn more about Dolores Cannon's work? You can find numerous books by Dolores Cannon detailing her research, including those specifically addressing her findings on Jesus and the Essenes. Her website and online resources also provide valuable information.

We don't have the same body we had ten, twenty, or thirty years ago. #2 The doctrine of reincarnation is a philosophy, and as such it does not conflict with any established form of religion. It enhances, makes it fuller. It is difficult for some people to accept, but they should try to live the best life they can through their own belief. #3 I began experimenting with hypnosis in 1979. Sequel to *Jesus and the Essenes*. The past-life memories of two women capture a true and compelling portrait of Jesus the man, from the healing miracles he performed to the gentle philosophy he preached. This is an INSIDER view, direct from Jesus' time, deep in feeling tones and profound in implications, giving a sense of how things truly were. This book includes drawings of the Temple and Old Jerusalem, and includes scenes at the Temple in Jerusalem, visits to homes and leper colonies, political intrigues leading to the crucifixion, and also the personal feelings of those who met him. The realism of this information is astounding.

dolores cannon jesus and the essenes: *Jesus the Wicked Priest* Marvin Vining, 2008-03-27
Decodes the Dead Sea Scrolls to reveal Christianity's hidden Essene origins • Reveals the Essenes as key figures behind Jesus's trial, torture, and crucifixion • Shows how Jesus, a former Essene himself, was deemed "the Wicked Priest" for his liberationist politics and humanist bent • Examines the lost Christian doctrine of reincarnation and the secret role of Gabriel in the Virgin Birth The Dead Sea Scrolls, discovered in 1947 at Qumran, are generally believed to have been written by a Jewish sect known as the Essenes between 350 BCE and 70 CE--but until now no convincing methodology has linked the Scrolls to the actual life and teachings of Jesus. Marvin Vining builds from the controversial work of Barbara Thiering to demonstrate that the Scrolls do speak directly to the origins of Christianity and even reflect a mirror image of the Gospels from the perspective of Jesus's enemies. Christianity arose out of a schism between the exclusivist, rigid, and militant views of the Essenes and the inclusivist, tolerant, and nonviolent views of Jesus. Jesus was raised an Essene, but he refused to follow their orthodoxy. Vining shows that the Dead Sea Scrolls are written in a secret coded language called peshier in which Jesus emerges as the Wicked Priest, the antagonist to the Teacher of Righteousness who was the leader of the Essenes. Jesus the Wicked Priest revitalizes the Gospel message by revealing Jesus's true role as a tireless social reformer and revolutionary teacher. Vining's study reopens Christian doctrinal questions supposedly long settled, such as reincarnation and the Virgin birth--even demonstrating that these two issues are related. He discloses that the angel Gabriel was incarnate in a living human being and transmitted the seed of a holy bloodline to the Virgin Mary.

Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time. Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska-Canada region thousands of years ago? Starcrash indicates that aliens continued to come to Earth, some intentionally and by accident, throughout our history. In order to

adjust to harsh conditions they were forced to interbreed with the local aborigines. This was the only way to insure the survival of their race. Does their blood still flow in the veins of certain American Indian tribes?

dolores cannon jesus and the essenes: *The Way of the Essenes* Anne Meurois-Givaudan, Daniel Meurois-Givaudan, 1992-11-01 Two thousand years after the fact, new light is shed on Christ's hidden life as an initiate in the mystical society of the Essene Brotherhood. In the first English-language edition of the European bestseller, Anne and Daniel Meurois-Givaudan describe the way of life in the Essene communities of first-century Palestine. Through direct revelation, the authors received--over a two-year period--detailed knowledge of the Essene teachings and their role in preparing Christ for his mission. At once unpretentious and astonishing, this beautifully written and evocative story lucidly recreates the life and personality of Christ and his role in the spiritual development of humankind. Since the discovery of the Dead Sea Scrolls, questions continue to arise as to the identity of the Essenes and what role they might have played in the life of Jesus. This account complements the gospels, clarifying and enlarging upon mysterious parts of the record--including Christ's mystical and metaphysical teachings of Essene techniques for spiritual advancement. The authors' retelling of the Passion of Christ and its aftermath is an extraordinary account that may forever reshape our understanding of these biblical events.

In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in *Legacy from the Stars* hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other planets. After reading her latest book, you may agree that we are all extraterrestrials, and Earth is merely a stop-over in our long adventure.

dolores cannon jesus and the essenes: Five Lives Remembered Dolores Cannon, 2009 THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing normal to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words reincarnation, past-lives, regression, walk-ins, New Age were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, How did you get started on all of this? This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

The nearly 900 original manuscript fragments found in caves near the site between 1947 and 1956 have fundamentally altered our view of ancient Judaism. The incredible discoveries at Qumran are unveiled in this compelling volume by one of the world's foremost experts on biblical archaeology and the ancient Qumran community. Drawing on the best of current research and a thorough knowledge of all the Dead Sea Scrolls, Hartmut Stegemann deciphers the meaning of the historical facts regarding the Qumran community and answers in an understandable and exciting way many of the questions that have provoked sensational speculation in the press since the discovery of the Dead Sea Scrolls. Stegemann analyzes the purpose of the Qumran settlement itself and paints a picture of how daily life was carried on there. He probes similarities and differences between Essene baptism, commemorative meals, and eschatology and their early Christian counterparts. He also explores the relation of the Qumran community to John the Baptist, to Jesus, and to early Christianity, and uncovers the true nature of the Qumran writings, which continue to have a profound impact on biblical studies today.

dolores cannon jesus and the essenes: Jesus in the House of the Pharaohs Ahmed Osman, 2004-03-15 A provocative thesis that the historical Jesus was connected to the royal 18th dynasty of Egypt • Contends that Jesus, Joshua, and Tutankhamun were the same person • Provides evidence from church documentation, the Koran, the Talmud, and archaeology that the Messiah came more than a millennium before the first century C.E. • Shows that Christianity evolved from Essene teachings Although it is commonly believed that Jesus lived during the first century C.E., there is no concrete evidence to support this fact from the Roman and Jewish historians who would have been his contemporaries. The Gospel writers themselves were of a later generation, and many accounts recorded in the Old Testament and Talmudic commentary refer to the coming of the Messiah as an event that had already occurred. Using the evidence available from archaeology, the Dead Sea Scrolls, the Koran, the Talmud, and biblical sources, Ahmed Osman provides a compelling case that both Jesus and Joshua were one and the same--a belief echoed by the early Church Fathers--and that this person was likewise the pharaoh Tutankhamun, who ruled Egypt between 1361 and 1352 B.C.E. and was regarded as the spiritual son of God. Osman contends that the Essene Christians--who followed Jesus' teachings in secret after his murder--only came into the open following the execution of their prophet John the Baptist by Herod, many centuries later. Yet it was also the Essenes who, following the death of Tutankhamun and his father Akhenaten (Moses), secretly kept the monotheistic religion of Egypt alive. The Essenes believed themselves to be the people of the New Covenant established between their Lord and themselves by the Teacher of Righteousness, who was murdered by a wicked priest. The Dead Sea Scrolls support Osman's contention that this Teacher of Righteousness was in fact Jesus.

dolores cannon jesus and the essenes: Anna, Grandmother of Jesus Claire Heartsong, Claire Ann Clemett, 2017-07-25 The self-published spiritual word-of-mouth bestseller. Anna, Grandmother of Jesus became a publishing sensation when the self-published version sold 50,000 copies through word of mouth alone, amassing a worldwide following in the process. In this book, you'll discover missing pieces of history concerning Anna, Mary and Jesus, as channelled by Claire Heartsong, who has been receiving telepathic messages from Anna for 30 years. Told through the gentle and heartwarming voice of Anna herself, this book offers insights into unknown places the holy family visited, people they knew and intimate details of their daily struggle to complete the Resurrection challenges. You will learn about the Essenes of Mount Carmel and their secret teachings and initiations, and gain a new understanding of Jesus's mission. Containing encoded activations to bring Anna's wisdom and energy into your own spiritual life, this book is an invitation to complete a journey of initiation begun long ago.

dolores cannon jesus and the essenes: Edgar Cayce on the Mysterious Essenes John Van Auken, Ruben Miller, 2016-04-25 One of the most fascinating topics found in the readings of famed psychic Edgar Cayce (1877-1945) revealed the existence of a sacred sect called the Essenes. His information about the Essenes would later be confirmed by the discovery of the Dead Sea Scrolls two years after his death. Cayce's readings contained more than a description of who the Essenes were and their purpose in bringing the Christ into the earth, he gave us details about their lives and past lives! Many of these Essenes reincarnated during Cayce's time and received readings that revealed their souls—including their purposes then and now. What can we learn from these readings and the reincarnation of the Essenes? There is so much about our origin, our soul group, and the

purpose for which we are here on earth today in this latest book that it is like having a manual for soul growth. Ideals, practices, and guiding principles held by these ancient ones are as valuable to us today as they were then.

dolores cannon jesus and the essenes: Anna, the Voice of the Magdalenes Claire Heartsong, 2017-11-28 In this channelled sequel to the international bestseller Anna, Grandmother of Jesus, we journey with Anna, the Holy Family and 18 other Magdalene-Essenes as they travel to France and Britain after Jesus's crucifixion and resurrection. This book gives a completely new perspective on the gnostic Mount Carmel Essene mystery school, in which Jesus and Mary Magdalene took initiations, as well as on the Holy Family and the Magdalene Order. Through Claire Heartsong, Anna tells not only the story of Jesus, but also the story of the women who surrounded him throughout his life. The book reveals the deeper mysteries they have safeguarded for aeons of time, including aspects of Jesus's personal life not recorded in history – his relationships and, most radically, his offspring. In this one-of-a-kind story, Claire shares the information she received from Anna on the 'Seeding of Light' – the dispersion of Anna, Mother Mary and Jesus's enlightened descendants whose 'bloodline' acts as a living catalyst for the awakening of the Christ-Magdalene potential today. Not only does this book give a new view of the Christ drama 2,000 years ago but, more importantly, it offers the potential to lift the suppressed Divine Feminine voice in our time.

This book reveals the Ancient Egyptian roots of Christianity, both historically and spiritually. This Expanded Version of the book consists of three parts to coincide with the terms of trinity. The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters. The second part demonstrates that the accounts of the "historical Jesus" are based entirely on the life and death of the Egyptian Pharaoh, Twt/Tut-Ankh-Amen. The third part demonstrates that the "Jesus of Faith" and the Christian tenets are all Egyptian in origin—such as the essence of the teachings/message, the creation of the universe and man (according to the Book of Genesis), as well as the religious holidays. The very thing that is now called the Christian religion was already in existence in Ancient Egypt, long before the adoption of the New Testament. The British Egyptologist, Sir E. A. Wallis Budge, wrote in his book, The Gods of the Egyptians [1969], The new religion (Christianity) which was preached there by St. Mark and his immediate followers, in all essentials so closely resembled that which was the outcome of the worship of Osiris, Isis, and Horus. The similarities, noted by Budge and everyone who has compared the Egyptian Osiris/Isis/ Horus allegory to the Gospel story, are striking. Both accounts are practically the same, e.g. the supernatural conception, the divine birth, the struggles against the enemy in the wilderness, and the resurrection from the dead to eternal life. The main difference between the "two versions", is that the Gospel tale is considered historical and the Osiris/Isis/Horus cycle is an allegory. The spiritual message of the Ancient Egyptian Osiris/Isis/Horus allegory and the Christian revelation is exactly the same. The British scholar A.N. Wilson pointed out in his book, Jesus: The Jesus of History and the Christ of Faith are two separate beings, with very different stories. It is difficult enough to reconstruct the first, and in the attempt we are likely to do irreparable harm to the second. This book will demonstrate that the "Jesus of History", the "Jesus of Faith", and the tenets of Christianity are all Ancient Egyptian. This will be done without causing any "irreparable harm" as per A.N. Wilson's concern, for two main reasons: Firstly, the truth must be told. Secondly, explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity. This Expanded Version of the book consists of three parts to coincide with the terms of trinity—the Three that are Two that are One. The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals. The second part demonstrates that the accounts of the "historical Jesus" are based entirely on the life and death of the Egyptian Pharaoh, Twt/Tut- Ankh-Amen. The third part demonstrates that the

"Jesus of Faith" and the Christian tenets are all Egyptian in origin—such as the essence of the teachings/message, the creation of the universe and man (according to the Book of Genesis), as well as the religious holidays. There is an undeniable irony and a profound, deep, undeniable truth in Hosea's prophetic saying, Out of Egypt have I called my Son. A deep irony indeed. Let us open our minds and review the available evidence. For the truth is a composite of different and complementary pieces of a puzzle. Let us put the pieces in the right location, time and order.

dolores cannon jesus and the essenes: The Three Waves of Volunteers & the New Earth Dolores Cannon, In 1945 when the atomic bombs were dropped in WWII, our protectors and watchers in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the outside, but maybe they could influence from the inside. So the call went out for volunteers to come and help. Earth is in trouble - who wants to volunteer? The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the Source and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

dolores cannon jesus and the essenes: Holy Misogyny April D. DeConick, 2011-09-22 In Holy Misogyny, bible scholar April DeConick wants real answers to the questions that are rarely whispered from the pulpits of the contemporary Christian churches. Why is God male? Why are women associated with sin? Why can't women be priests? Drawing on her extensive knowledge of the early Christian literature, she seeks to understand the conflicts over sex and gender in the early church-what they were and what was at stake. She explains how these ancient conflicts have shaped contemporary Christianity and its promotion of male exclusivity and superiority in terms of God, church leadership, and the bed. DeConick's detective work uncovers old aspects of Christianity before later doctrines and dogmas were imposed upon the churches, and the earlier teachings about the female were distorted. Holy Misogyny shows how the female was systematically erased from the Christian tradition, and why. She concludes that the distortion and erasure of the female is the

result of ancient misogyny made divine writ, a holy misogyny that remains with us today.

dolores cannon jesus and the essenes: Jesus according to the New Testament James D. G. Dunn, 2019-01-03 New Testament scholar James D. G. Dunn has published his research on Christian origins in numerous commentaries, books, and essays. In this small, straightforward book designed especially for a lay audience, Dunn focuses his fifty-plus years of scholarship on elucidating the New Testament witness to Jesus, from Matthew to Revelation. Dunn's Jesus according to the New Testament constantly points back to the wonder of those first witnesses and greatly enriches our understanding of Jesus.

dolores cannon jesus and the essenes: The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

dolores cannon jesus and the essenes: The Wisdom Codes Gregg Braden, 2021-05-04 The cutting edge of neurolinguistics meets the spiritual wisdom of the ages in a handbook of key words that literally rewire our brains. New discoveries in biology and the neurosciences are revealing how the structure of language—the words we think and speak—can actually change the way the neurons in our brains and hearts connect. But our ancestors understood this connection intuitively, thousands of years ago. They created specific word-patterns to provide comfort, healing, strength, and inner power in difficult times, and they encoded these powerful words in prayers, chants, mantras, hymns, and sacred writings to preserve them for future generations. Now beloved teacher and thought leader Gregg Braden cracks the code and puts these powerful words in your hands. Perfect as a pocket guide, a reference for spiritual study, or a gift to someone you love, this elegant, compact book contains Wisdom Codes that cut to the core of life's greatest tests, most challenging demands, and hardest lessons. You'll find chapters devoted to healing from loss and grief, facing your unspoken fears, finding certainty in the face of uncertain choices, and finding forgiveness, as well as ancient parables that offer a fast track to unraveling life's deepest mysteries. Each Wisdom Code—distilled from a quote, a scripture passage, or a parable—is accompanied by a brief discussion of what the code means, why it's important, and how to apply it in your life.

dolores cannon jesus and the essenes: The Other Side of Suicide Karen Peebles, 2009-04 What happens when a suicide crosses over? Where do they go? Readers, I crossed over into the

spirit world 25 years ago, having ended my life prematurely by what you call on Earth suicide. You would call me a suicide victim. I have a lot to say, having been here now for this long and having searched all of that time for someone there on Earth to communicate with. Someone to bring back the knowledge that I now have access to and share that knowledge with persons, like the person I was while alive, who have lost hope and feel so heavily burdened by life that only death itself seems like a solution. I also have much that I want to share with families of persons who have ended their lives early. While I reside now, here in the spirit realm, I have a greater understanding of the mechanics of life on Earth. Why we choose to come down to Earth to begin with, how we allow ourselves to get caught up in the world of illusion, and how we can easily lose touch with the true essence of who we really are while living on the Earth; which is what happens all too often and escalates to the point of a desire to end life before its perfect time. This is the collection of information from the spirit known as George who ended his life early while on the Earth and seeks to impart a greater knowledge to others who are contemplating the same fate.

dolores cannon jesus and the essenes: Mary Magdalene's Legacy Julie de Vere Hunt, 2019-06-13 Mary Magdalene was written out of history after the crucifixion. Now her story is being told, a story of what happened to her and what important work she did in those lost years: a story of murder, betrayal, love, faith and courage that rewrites biblical history. An Arab peasant called Muhammad Ali accidentally discovered ancient texts buried in a sealed jar in the mountains in Upper Egypt in 1945. He excitedly smashed the jar expecting to find gold, only to discover inside 13 worthless papyrus books bound in leather. These became known as the Nag Hammadi library, a collection of early Christian and Gnostic texts, written in Greek and dating back to the 1st century AD. Dismissed as heresy by the Orthodox Church, in many of these gnostic texts, Mary Magdalene is portrayed as an enlightened spiritual leader privy to the secret teachings of Jesus. In The Gospel of the Saviour, Jesus calls Mary The Woman Who Knows the All. Set in 1st century Judea, Egypt and France, Mary Magdalene's Legacy follows her life after the crucifixion, carrying on the bloodline of Jesus and transmitting the original teachings of Jesus.

dolores cannon jesus and the essenes: Activating Your 5D Frequency Judith Corvin-Blackburn, 2020-05-05 A guide to navigating the transition from 3D to 5D and reclaiming the ancient powers of love, creativity, and unity consciousness lying dormant in our DNA • Details what is happening psychologically, emotionally, and socially with the dimensional shift and provides a vision of life on 5D Earth • Offers transformative activations and tools to meet the psycho-spiritual demands of this transition, including identifying and integrating the shadow self, healing emotional wounds, and discovering higher frequencies • Explains how to navigate the Ascension process, especially in terms of handling emotions, resistances, and fears, and how to welcome these new frequencies We are in a time of great transition. Higher frequency light is flooding our planet, awakening large numbers to reclaim our original nature as fifth-dimensional humans. As 5D humans, we live from our heart's wisdom, from Unity Consciousness, unconditional love, and unbridled creativity. 5D humans have highly developed inner senses of empathy, telepathy, clairvoyance, and clairsentience--qualities that are opening for many as we go through this dimensional shift. While this journey is exciting, its demands can be overwhelming. In this hands-on guide to activating the 5D potential lying dormant in our DNA, Judith Corvin-Blackburn shows us how to navigate the Ascension process, including how to handle emotions, resistances, and fears and welcome our 5D frequencies. Using the 9-dimensional-axis theory first explored by Barbara Hand Clow, the author details what is happening psychologically, emotionally, and socially with the dimensional shift, including revealing the denser, pain-inducing frequency of being a 3D human and the challenges of the 4th dimension. She offers transformative activations and tools to explore and master the

psycho-spiritual demands of this transition, including identifying and integrating the shadow self, healing emotional wounds that hold us back, and discovering higher frequencies and the cellular vibration of unconditional love and Oneness. Once we reclaim ourselves as loving, conscious, creator beings and realize we are part of a global 5D team, together we can consciously help co-create a New Earth by anchoring the 5D frequency in both our inner and outer worlds.
