Understanding the Purpose of Finding Nemo Questions Answer Key

The finding nemo questions answer key serves as a valuable tool for educators, facilitators, and fans of the movie who wish to assess comprehension or facilitate discussion. It acts as a guide to ensure that all questions related to the film are answered accurately and consistently. This resource is widely used in classrooms, home learning environments, and trivia games, making it an essential component when evaluating a student's or participant's understanding of the movie's plot, characters, and themes. By providing clear, factual responses, the answer key saves time and enhances the learning experience.

In addition to supporting educational objectives, the answer key reinforces critical thinking skills by encouraging learners to recall details, make connections, and analyze the narrative. It also aids in the preparation of quizzes, worksheets, and interactive activities, ensuring that content remains aligned with educational standards or entertainment goals. Overall, the finding nemo questions answer key helps streamline the process for anyone teaching or reviewing the film.

Types of Finding Nemo Questions for Educational Use

There are several types of questions that can be included in a finding nemo questions answer key, each serving a unique educational purpose. These questions can be tailored for various age groups and learning objectives, ranging from basic recall to deeper analysis.

Multiple Choice Questions

Multiple choice questions are popular due to their simplicity and effectiveness in assessing knowledge. They often focus on key plot points, character identification, and memorable quotes from Finding Nemo.

- Who is Nemo's father?
- What type of fish is Dory?
- Where does Nemo end up after being captured?

Short Answer Questions

Short answer questions require participants to provide brief but specific responses. These questions may focus on details such as locations, actions, or motivations within the film.

- Describe how Marlin reacts when Nemo is taken by the diver.
- Explain the significance of the "tank gang" in the story.
- What advice does Dory give to Marlin throughout their journey?

Discussion and Critical Thinking Questions

Discussion-based questions encourage deeper analysis and personal reflection. These are ideal for classroom settings or group activities, prompting learners to think about themes, character development, and moral lessons.

- How does Nemo’s journey reflect the theme of independence?
- What lessons does Marlin learn about trust and letting go?
- Discuss the importance of friendship in Finding Nemo.

Sample Finding Nemo Questions and Answers

To illustrate how a finding nemo questions answer key can be structured, here are some sample questions along with their correct answers. These examples cover a range of topics, from character identification to thematic exploration, and are suitable for quizzes, worksheets, or group discussions.

1. **Question:** What species of fish is Nemo?

Answer: Nemo is a clownfish.

2. **Question:** What does Dory suffer from?

Answer: Dory suffers from short-term memory loss.

3. **Question:** Who helps Marlin and Dory find Nemo in the ocean?

Answer: Crush, the sea turtle, helps Marlin and Dory.

4. **Question:** Why is Nemo captured?

Answer: Nemo is captured by a scuba diver because he was trying to prove his independence by touching the boat.

5. **Question:** Who are the members of the “tank gang”?

Answer: The tank gang includes Gill, Bloat, Peach, Gurgle, Deb/Flo, Jacques, and Bubbles.

Tips for Using Answer Keys Effectively

Utilizing a finding nemo questions answer key effectively can enhance learning outcomes and make activities more engaging. Here are several tips for maximizing the benefits of answer keys in various settings:

- Review questions beforehand to ensure clarity and relevance.

- Use answer keys as teaching aids during class discussions or movie reviews.
- Encourage students to attempt questions independently before referring to the answer key.
- Adapt questions and answers for different age groups or learning levels.
- Incorporate answer keys into interactive games, scavenger hunts, or trivia contests.

By following these strategies, educators and facilitators can foster an environment where participants actively engage with the material and develop a deeper understanding of the film's themes and messages.

Benefits of Using Finding Nemo Answer Keys

The use of a finding nemo questions answer key offers multiple advantages in both educational and recreational contexts. Its primary benefit is providing quick, accurate responses to questions, which streamlines instructional planning and ensures consistency. Answer keys also help in evaluating comprehension, identifying areas that may require further explanation, and supporting differentiated instruction for diverse learners.

Another benefit is the ability to facilitate group activities and discussions with confidence, knowing that factual information is readily available. This not only strengthens the learning experience but also encourages collaboration and teamwork. For parents and caregivers, answer keys offer a convenient way to guide movie-based learning at home, making film study an enjoyable and productive activity.

- Ensures accuracy and consistency in responses
- Supports differentiated instruction
- Enhances group learning and collaboration
- Makes lesson planning more efficient
- Promotes critical thinking and discussion

Frequently Asked Questions About Finding Nemo Questions Answer Key

Many educators, parents, and movie enthusiasts have questions about creating, using, and optimizing a finding nemo questions answer key. This section addresses common inquiries

to provide further clarity and practical guidance.

- How can I create my own answer key for Finding Nemo?
- What age groups are best suited for these questions?
- Can answer keys be used for remote learning or online quizzes?
- How do I ensure my questions are relevant to the film?
- What resources are available for finding Nemo trivia?

By addressing these frequently asked questions, users can better understand how to incorporate finding nemo questions answer key into their educational or entertainment activities.

Q: What is the main purpose of a finding nemo questions answer key?

A: The main purpose is to provide accurate, consistent answers for educational, trivia, or discussion questions about the film, making quiz and worksheet preparation easier.

Q: Which characters from Finding Nemo are commonly included in answer keys?

A: Commonly featured characters include Nemo, Marlin, Dory, Gill, Crush, and members of the tank gang.

Q: How can educators use finding nemo questions answer key in the classroom?

A: Educators use answer keys to assess student understanding, facilitate group discussions, and create engaging movie-based activities.

Q: Are answer keys suitable for remote learning?

A: Yes, answer keys can be adapted for online quizzes, virtual group activities, and digital worksheets.

Q: What types of questions appear in a finding nemo

questions answer key?

A: Typical types include multiple choice, short answer, and discussion questions covering plot, characters, and themes.

Q: Can parents use answer keys for home learning?

A: Parents can use answer keys to guide movie-related learning, support homework, and create fun trivia games for children.

Q: What is an example of a critical thinking question for Finding Nemo?

A: An example is: "How does Marlin's relationship with Nemo change throughout the film?"

Q: Where does Nemo get captured in the movie?

A: Nemo is captured near the Great Barrier Reef when he tries to touch the boat.

Q: Why is Dory an important character in Finding Nemo?

A: Dory is important for her optimism, humor, and her role in helping Marlin overcome his fears and find Nemo.

Q: What educational benefits does using a finding nemo questions answer key provide?

A: It promotes critical thinking, supports differentiated learning, and helps reinforce comprehension of key movie concepts.

Finding Nemo Questions & Answer Key: A Deep Dive into Pixar's Underwater Adventure

Are you a Finding Nemo fanatic, teacher prepping for a movie-themed lesson, or simply curious about the details of this beloved Pixar classic? Then you've come to the right place! This comprehensive guide provides an answer key to a range of Finding Nemo questions, covering everything from plot points and character analysis to deeper themes and environmental messages. We'll delve into the film's intricacies, ensuring you'll not only understand the story better but also gain a new appreciation for its clever storytelling and lasting impact. Get ready to dive deep into the vibrant world of Finding Nemo!

Understanding the Plot: Key Finding Nemo Questions Answered

Finding Nemo's captivating narrative unfolds through numerous pivotal scenes. Let's explore some key plot points and answer common questions.

1. What is Nemo's biggest fear?

Nemo's greatest fear stems from his overprotective father, Marlin's, constant warnings about the dangers of the ocean. This fear manifests as a crippling anxiety about venturing too far from his father and exploring the reef beyond his comfortable confines. His fear is ultimately what drives the plot, as his rebellious desire to overcome it leads him to get lost.

2. Why is Marlin so overprotective of Nemo?

Marlin's overprotective nature is a direct result of the tragic loss of his wife and other eggs, leaving Nemo as his sole surviving offspring. His anxieties are rooted in grief and a profound desire to prevent any further loss. This makes his journey of letting go and trusting his son's capabilities particularly poignant.

3. What is the significance of the "I'm not afraid" scene?

Nemo's declaration, "I'm not afraid," marks a crucial turning point in his character arc. It's not just a

simple statement of courage; it represents his growing independence and self-belief. It shows that he is confronting his fear and beginning to assert his own agency. This moment is crucial for both Nemo and Marlin's growth.

Character Analysis: Exploring the Key Players in Finding Nemo

The success of Finding Nemo lies not just in its compelling plot but also in its memorable characters. Let's delve into some key personalities:

1. Marlin's Character Development:

Marlin undergoes a significant transformation throughout the film. He starts as a timid, overprotective father, bound by fear and grief. His journey across the ocean forces him to confront his anxieties, learn to trust others, and ultimately, accept his son's independence. His growth shows us the power of letting go and accepting risks.

2. Dory's Role as a Supporting Character:

Dory, with her short-term memory loss, provides a unique perspective and comic relief. However, her seemingly simple nature reveals a surprising depth of loyalty and unwavering support for Marlin. Her forgetfulness, ironically, helps her stay optimistic and focus on the present moment, qualities that help Marlin overcome his anxieties.

3. Gill's Influence on Nemo:

Gill, the experienced tank fish, acts as a mentor figure to Nemo, encouraging him to embrace his adventurous spirit. He instills in Nemo the belief that he can overcome his fears and achieve his dreams. Gill's wisdom provides crucial guidance for Nemo's personal growth.

Themes and Deeper Meanings in Finding Nemo

Beyond the adventure, Finding Nemo explores several profound themes:

1. Overcoming Fear and Anxiety:

The film directly tackles the themes of fear and anxiety, particularly through Marlin's struggles and Nemo's initial apprehension. The resolution demonstrates that confronting fears, however daunting, leads to personal growth and self-discovery.

2. The Importance of Parental Relationships:

The central relationship between Marlin and Nemo showcases the complexities of parenthood. It highlights the importance of balance between protection and allowing children to develop their independence. The film demonstrates the enduring strength and resilience of parental love.

3. Environmental Awareness:

While a children's film, Finding Nemo subtly raises environmental awareness. The depiction of the ocean's fragility and the dangers posed by human activities serves as a gentle reminder of our responsibility to protect marine life and ecosystems.

Conclusion

Finding Nemo's enduring appeal stems from its combination of thrilling adventure, endearing characters, and thoughtful exploration of universal themes. This answer key should provide a deeper understanding and appreciation of the film's intricate storytelling and lasting impact. Whether you're a long-time fan or a newcomer, we hope this guide enhances your enjoyment of this Pixar masterpiece.

Frequently Asked Questions (FAQs)

1. What type of fish is Nemo?

Nemo is an ocellaris clownfish, also known as a percula clownfish.

2. What is the name of the sea turtle who helps Marlin and Dory?

His name is Crush.

3. What is the significance of the jellyfish scene?

The jellyfish scene represents a significant challenge and a pivotal moment in Marlin's journey, forcing him to overcome his fears to save Nemo.

4. What happens to Gill at the end of the film?

Gill escapes the dentist's fish tank along with the other fish.

5. What is the overall message of Finding Nemo?

The film's central message is about overcoming fear, accepting change, and the enduring power of family bonds.

finding nemo questions answer key: Sonia Blandford's Masterclass Sonia Blandford, 2005-09-18 'A valuable collection of columns that promotes an enlightened, progressive way of practising and thinking about education. It shows that teachers who operate at the sharp end of school life have reasons to be optimistic too' - Will Woodward, Editor, Education Guardian Sonia Blandford's weekly Masterclass columns proved a hit with readers when they appeared in The Guardian. Now, for the first time, readers can enjoy a selection of Sonia's columns in one book. Each chapter focuses on a current issue being faced by practitioners and school leaders, and draws on real-life events and case studies to provide practical solutions. The book includes: advice on creation and implementation of policies practical guidance on behaviour management consideration of workforce reform and its impact on practice discussion points at the end of each chapter This book is an excellent starting point for NQTs, Teachers and Teacher Trainers looking for an informative and entertaining route into discussing some of the more pressing problems in education today.

finding nemo questions answer key: All the Light We Cannot See Anthony Doerr, 2014-05-06 *NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (Stranger Things) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, All the Light We Cannot See is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

finding nemo questions answer key: *Literacy in Grades 4-8* Nancy L. Cecil, Joan P. Gipe, Merrill E. Marcy, 2017-07-05 Comprehensive yet succinct and readable, *Literacy in Grades 4-8*,

Third Edition offers a wealth of practical ideas to help preservice and practicing teachers create a balanced and comprehensive literacy program while exploring the core topics and issues of literacy in grades 4 through 8. It addresses teaching to standards; differentiating instruction for readers and writers; motivating students; using assessment to inform instruction; integrating technology into the classroom; working with English learners and struggling readers; and connecting with caregivers. Selected classroom strategies, procedures, and activities represent the most effective practices according to research and the many outstanding classroom teachers who were observed and interviewed for the book. The Third Edition includes added material connecting the Common Core State Standards to the instruction and assessment of literacy skills; a combined word study and vocabulary chapter to help readers integrate these important topics in their teaching; more on technology, including comprehension of multimodal texts, enhancing writing instruction with technology tools, and teaching activities with an added technology component; added discussion of teacher techniques during text discussions, strategic moves that help students become more strategic readers. Key features: In the Classroom vignettes; more than 50 activities, some with a technology component; questions for journal writing and for projects and field-based activities; troubleshooting sections offering alternative suggestions and activities for those middle-grade students who may find a particular literacy focus challenging.

finding nemo questions answer key: Learn Psychology Dr. Kenneth E Carter, Dr. Colleen M Seifert, 2012-03-23 Learn Psychology offers a comprehensive yet accessible presentation of psychology principles, research and theory. Each chapter is carefully structured to cover the topics and concepts of a standard introductory psychology course with associated learning objectives and assessments. Multiple influences are discussed at the end of each chapter wrapping up the chapter presentation. With Learn Psychology, students will find an engaging writing style supported by a pedagogical approach that invites critical analysis, all while building a deeper knowledge of psychology. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

finding nemo questions answer key: Creativity, Inc. (The Expanded Edition) Ed Catmull, Amy Wallace, 2014-04-08 From Ed Catmull, co-founder (with Steve Jobs and John Lasseter) of Pixar Animation Studios, comes an incisive book about creativity in business—sure to appeal to readers of Daniel Pink, Tom Peters, and Chip and Dan Heath. Creativity, Inc. is a book for managers who want to lead their employees to new heights, a manual for anyone who strives for originality, and the first-ever, all-access trip into the nerve center of Pixar Animation—into the meetings, postmortems, and “Braintrust” sessions where some of the most successful films in history are made. It is, at heart, a book about how to build a creative culture—but it is also, as Pixar co-founder and president Ed Catmull writes, “an expression of the ideas that I believe make the best in us possible.” For nearly twenty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy, Monsters, Inc., Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner thirty Academy Awards. The joyousness of the storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, in this book, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student at the University of Utah, where many computer science pioneers got their start, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie’s success—and in the thirteen movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on philosophies that protect the creative process and defy convention, such as: • Give a good idea to a mediocre team, and they will screw it up. But give a mediocre idea to a great team, and they will either fix it or come up with something better. • If you don’t strive to uncover what is unseen and understand its nature, you will be ill prepared to lead. • It’s not the manager’s job to prevent risks. It’s the manager’s job to make it safe for others to

take them. • The cost of preventing errors is often far greater than the cost of fixing them. • A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody. • Do not assume that general agreement will lead to change—it takes substantial energy to move a group, even when all are on board.

finding nemo questions answer key: Creative Teaching in Primary Science Roger Cutting, Orla Kelly, 2014-10-20 Creative teaching has the potential to inspire deep learning, using inventive activities and stimulating contexts that can capture the imagination of children. This book enables you to adopt a creative approach to the methods and content of your primary science teaching practice and confidently develop as a science educator. Key aspects of science teaching are discussed, including: planning for teaching and learning assessing primary science cross-curricular approaches the intelligent application of technology sustainability education outdoor learning Coverage is supported by illustrative examples, encouraging you to look at your own teaching practice, your local community and environment, your own interests and those of your children to deepen your understanding of what constitutes good science teaching in primary schools. This is essential reading for students on primary initial teacher education courses, on both university-based (BEd, BA with QTS, PGCE) and schools-based (School Direct, SCITT) routes into teaching. Dr Roger Cutting is an Associate Professor in Education at the Institute of Education at Plymouth University. Orla Kelly is a Lecturer in Social, Environmental and Scientific Education in the Church of Ireland College of Education.

finding nemo questions answer key: How Google Works Eric Schmidt, Jonathan Rosenberg, 2014-09-23 In this insider's look into the world's biggest tech company, former CEO and SVP of Google share how they helped engineer a new strategy and philosophy to help them thrive—a perfect book for seasoned business employees and the tech curious. Today, Google is a global icon that regularly pushes the boundaries of innovation in a variety of fields. How Google Works is an entertaining, page-turning primer containing lessons that Google Executive Chairman and ex-CEO Eric Schmidt and former SVP of Products Jonathan Rosenberg learned as they helped build the company. The authors explain how technology has shifted the balance of power from companies to consumers, and that the only way to succeed in this ever-changing landscape is to create superior products and attract a new breed of multifaceted smart creatives. Covering topics including corporate culture, strategy, talent, decision-making, communication, innovation, and dealing with disruption, the authors illustrate management maxims with numerous insider anecdotes from Google's history, many of which are shared here for the first time. In an era when everything is speeding up, the best way for businesses to succeed is to attract smart-creative people and give them an environment where they can thrive at scale. How Google Works explains how to do just that.

finding nemo questions answer key: The Hybrid Sales Channel: How to Ignite Growth by Bridging the Gap Between Direct and Indirect Sales Rich Blakeman, 2015-11-13 Customers are changing the way they buy. Why aren't you changing the way you sell? Today's customers have more buying options than ever before. They don't care if it's direct or indirect. They don't mind if it's not your preferred sales model. And they don't like it when you try to tell them how to buy from you. If you want your customers to keep buying—and your company to keep growing—you need to rethink and retool the way you're selling. You need to go hybrid. The Hybrid Sales Channel shows you how

to integrate, invigorate, and maximize the direct and indirect sales channels you already have—so you'll be able to: SELL MORE. Grow your sales organically and exponentially faster. SELL MORE EFFICIENTLY. Align the right resources from all sales channels to the right selling opportunities. SELL IN THE WAYS THAT CUSTOMERS WANT TO BUY. Focus on how your customer buys, not on how you want to sell. Developed by the sales performance leaders at MHI Global, this test-driven, customer-based approach to selling will revolutionize your sales channels, reenergize your sales teams, and reignite your sales growth—efficiently, holistically, and rapidly. This is the future of direct and indirect sales, a newly organized, easily implemented sales model inspired by a changing market and empowered customer base. With The Hybrid Sales Channel, you'll have the best of all worlds—and get the best of all results. If you're like most companies, you probably think your direct and indirect sales channels are more than sufficient for handling customers' needs—and you don't need to spend time or money developing a hybrid version of what you already have. But the truth is: you do. The truth is: a higher and higher percentage of customers are buying through partners and less through direct channels. The truth is: You need to adapt to the market—and you need to do it now—using The Hybrid Sales Channel. This fully integrated, fully operational approach to selling is built on the same concept as a hybrid car with dual engines. This step-by-step guide shows you how to put it all together—quickly and easily. Learn how to: Merge two methodologies to ignite new growth Drive more sales, better sales, and faster sales Speak to your core customer using The MHI Global Sales System (TM) Remove competition and confusion between routes to market Prepare for territory level execution and larger market coverage Improve company alignment—and make extraordinary things happen However you decide to sell your products or services, the customer will ultimately decide how they want to buy them. The Hybrid Sales Channel gives you the tools you need to adapt to changing customer habits in the fastest, most efficient way possible. You'll find sales-targeted tips for choosing the right coverage for the right opportunity, money-saving strategies to avoid duplicate work, and cross-checking techniques to keep direct and indirect sales running smoothly. You'll also discover fascinating real-world examples of hybrid sales in action, and learn the best practices of the biggest sellers across the globe.

finding nemo questions answer key: *The 2020-21 Eruption of La Soufrière Volcano, St Vincent* R.E.A. Robertson, E.P. Joseph, J. Barclay, R.S.J. Sparks, 2024-01-03 Volcanic eruptions are complex and inherently uncertain, making the management of a potentially explosive eruption on a small island with limited resources extremely difficult. This volume presents scientific findings from the 2020-21 eruption of La Soufrière Volcano, on the island of St Vincent in the Eastern Caribbean. This involved three months of effusive activity that escalated rapidly to 13 days of explosive activity, beginning with an intense two days of near-continuous ash venting and explosions. The book contains an introduction and 17 papers, split into two parts: the first presents geological and volcanological advances, whereas the second documents and analyses the impacts of the eruption and the challenges presented for the management of the volcanic crisis. This volume represents both significant contributions to the knowledge of the Soufrière eruptive system and important insights into the ways and means by which volcanic eruptions of this type impact on populations at risk. It also provides detailed insights into the most effective communication processes through this type of crisis.

finding nemo questions answer key: Little Cyclone Airey Neave, 2013-02-07 On a hot afternoon in August 1941, a 24-year-old Belgian woman walks into the British consulate in Bilbao, neutral Spain, and demands to see the consul. She presents him with a British soldier she has smuggled all the way from Brussels, through occupied France and over the Pyrenees. It is a journey she will make countless times thereafter, at unthinkable danger to her own life. Her name is Andree de Jongh, though she will come to be known as the 'Little Cyclone' in deference to her extraordinary courage and tenacity. And she is an inspiration. From nursing wounded Allied servicemen, de Jongh will go on to establish the most famous escape line of the Second World War, one that will save the lives of more than 800 airmen and soldiers stranded behind enemy lines. The risks, however, will be enormous. The cost, unspeakably tragic. Her story is shot through atmospherically with the constant terror of discovery and interception - of late night knocks at the door, of disastrous moonlit river crossings, Gestapo infiltrators, firing squads and concentration camps. It is also a classic true story of fear overcome by giddy bravery. Originally published in the years after the war, Little Cyclone is a mesmerising tale of the best of humanity in the most unforgiving circumstances: a remarkable and inspiring account to rival the most dramatic of thrillers.

finding nemo questions answer key: Finding Nemo , 2003 On Australia's Great Barrier Reef live two Clownfish, Marlin and his son Nemo. Nemo can't swim very well because of his damaged fin but he doesn't shy away from adventure. One day he swims too far, is captured by scuba divers and plunged into a dentist's fish tank in Sydney. Marlin embarks on an epic journey in search of Nemo but has to battle through a series of mishaps in order to rescue his son. Fantastic re-telling of the film in Ladybird's well-loved mini-hardback format.
