farsi jokes in farsi: Funny in Farsi Firoozeh Dumas, 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will

leave us all laughing—without an accent. Praise for *Funny in Farsi* “Heartfelt and hilarious—in any language.”—*Glamour* “A joyful success.”—*Newsday* “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—*Los Angeles Times Book Review* “Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures.”—*The Providence Journal* “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—*Milwaukee Journal Sentinel* “[*Funny in Farsi*] brings us closer to discovering what it means to be an American.”—*San Jose Mercury News*

farsi jokes in farsi: Darius the Great Is Not Okay Adib Khorram, 2018-08-28 Darius doesn't think he'll ever be enough, in America or in Iran. Hilarious and heartbreaking, this unforgettable debut introduces a brilliant new voice in contemporary YA. Winner of the William C. Morris Debut Award “Heartfelt, tender, and so utterly real. I’d live in this book forever if I could.” —Becky Albertalli, award-winning author of *Simon vs. the Homo Sapiens Agenda* Darius Kellner speaks better Klingon than Farsi, and he knows more about Hobbit social cues than Persian ones. He’s a Fractional Persian—half, his mom’s side—and his first-ever trip to Iran is about to change his life. Darius has never really fit in at home, and he’s sure things are going to be the same in Iran. His clinical depression doesn’t exactly help matters, and trying to explain his medication to his grandparents only makes things harder. Then Darius meets Sohrab, the boy next door, and everything changes. Soon, they’re spending their days together, playing soccer, eating faludeh, and talking for hours on a secret rooftop overlooking the city’s skyline. Sohrab calls him Darioush—the original Persian version of his name—and Darius has never felt more like himself than he does now that he’s Darioush to Sohrab. Adib Khorram’s brilliant debut is for anyone who’s ever felt not good enough—then met a friend who makes them feel so much better than okay.

It is a powerfully layered novel that poses the questions: Who owns the truth? Who speaks it? Who believes it? A patchwork story is the shame of the refugee, Nayeri writes early in the novel. In an Oklahoman middle school, Khosrou (whom everyone calls Daniel) stands in front of a skeptical audience of classmates, telling the tales of his family's history, stretching back years, decades, and centuries. At the core is Daniel's story of how they became refugees—starting with his mother's vocal embrace of Christianity in a country that made such a thing a capital offense, and continuing through their midnight flight from the secret police, bribing their way onto a plane-to-anywhere. Anywhere becomes the sad, cement refugee camps of Italy, and then finally asylum in the U.S. Implementing a distinct literary style and challenging western narrative structures, Nayeri deftly weaves through stories of the long and beautiful history of his family in Iran, adding a richness of ancient tales and Persian folklore. Like Scheherazade of One Thousand and One Nights in a hostile classroom, Daniel spins a tale to save his own life: to stake his claim to the truth. EVERYTHING SAD IS UNTRUE (a true story) is a tale of heartbreak and resilience and urges readers to speak their truth and be heard.

farsi jokes in farsi: *Prisoner of Tehran* Marina Nemat, 2008-04-08 In 1982, 16-year-old Marina Nemat was arrested on false charges by Iranian Revolutionary Guards and tortured in Tehran's notorious Evin prison. At a time when most Western teenaged girls are choosing their prom dresses, Nemat was having her feet beaten by men with cables and listening to gunshots as her friends were being executed. She survived only because one of the guards fell in love with her and threatened to harm her family if she refused to marry him. Soon after her forced conversion to Islam and marriage, her husband was assassinated by rival factions. Nemat was returned to prison but, ironically, it was her captor's family who eventually secured her release. An extraordinary tale of faith and survival, *Prisoner of Tehran* is a testament to the power of love in the face of evil and injustice.

farsi jokes in farsi: *Perfectly Parvin* Olivia Abtahi, 2021-05-18 Fourteen-year-old Iranian-American Parvin Mohammadi sets out to win the ultimate date to homecoming in this heartfelt and outright hilarious debut. Parvin Mohammadi has just been dumped--only days after receiving official girlfriend status. Not only is she heartbroken, she's humiliated. Enter high school heartthrob Matty Fumero, who just might be the smoking-hot cure to all her boy problems. If Parvin can get Matty to ask her to Homecoming, she's positive it will prove to herself and her ex that she's girlfriend material after all. There's just one problem: Matty is definitely too cool for bassoon-playing, frizzy-haired, Cheeto-eating Parvin. Since being herself hasn't worked for her in the past (see aforementioned dumping), she decides to start acting like the women in her favorite rom-coms. Those women aren't loud, they certainly don't cackle when they laugh, and they smile

much more than they talk. But Parvin discovers that being a rom-com dream girl is much harder than it looks. Also hard? The parent-mandated Farsi lessons. A confusing friendship with a boy who's definitely not supposed to like her. And hardest of all, the ramifications of the Muslim ban on her family in Iran. Suddenly, being herself has never been more important. Olivia Abtahi's debut is as hilarious as it is heartfelt--a delightful tale where, amid the turmoil of high school friendships and crushes, being yourself is always the perfect way to be.

farsi jokes in farsi: Seeing Ghosts Kat Chow, 2021-08-24 This graceful, captivating (New York Times Book Review) story from a singular new talent paints a portrait of grief and the search for meaning as told through the prism of three generations of her Chinese American family—perfect for readers of Helen Macdonald and Elizabeth Alexander. Kat Chow has always been unusually fixated on death. She worried constantly about her parents dying—especially her mother. A vivacious and mischievous woman, Kat's mother made a morbid joke that would haunt her for years to come: when she died, she'd like to be stuffed and displayed in Kat's future apartment in order to always watch over her. After her mother dies unexpectedly from cancer, Kat, her sisters, and their father are plunged into a debilitating, lonely grief. With a distinct voice that is wry and heartfelt, Kat weaves together a story of the fallout of grief that follows her extended family as they emigrate from China and Hong Kong to Cuba and America. Seeing Ghosts asks what it means to reclaim and tell your family's story: Is writing an exorcism or is it its own form of preservation? The result is an extraordinary new contribution to the literature of the American family, and a provocative and transformative meditation on who we become facing loss. **AN NPR BOOKS WE LOVE 2021 PICK * A**

farsi jokes in farsi: The Jungle Book Rudyard Kipling, 1920

farsi jokes in farsi: The Mirth of Nations Christie Davies, 2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English-speaking countries. It is based on use of archives and other primary sources, including old and rare joke books. Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups. In this way, he achieves an appreciation of the unique characteristics of the humor of each nation or group. A tightly argued book, The Mirth of Nations uses the comparative method to undermine existing theories of humor, which are rooted in notions of hostility, conflict, and superiority, and derive ultimately from Hobbes and Freud. Instead Davies argues that humor merely plays with aggression and with rule-breaking, and that the form this play takes is determined by social structures and intellectual traditions. It is not related to actual conflicts between groups. In particular, Davies convincingly argues that Jewish humor and jokes are neither uniquely nor

overwhelmingly self-mocking as many writers since Freud have suggested. Rather Jewish jokes, like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self-awareness. The volume shows that the forty-year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles. Jokes are not serious and are not a form of determined aggression against others or against one's own group. The *Mirth of Nations* is readable as well as revisionist. It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner. Its rich use of examples of all kinds of humor entertains the reader, who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular. The book will appeal to general readers as well as those in cultural stu
