New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in a

fractured country, a country in which identity politics, creeping socialist policies, toxic social media, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In *Jesus Politics*, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the divided soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a clear strategy, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Robertson also gives you the tools you need to apply the lessons of *Jesus Politics* in the voting booth and in our everyday lives, reminding us that above all, we're called to: Love God Love our neighbors Do whatever it takes to bring, maintain, and protect his kingdom on earth as it is in heaven Join Robertson as he takes a closer look at the problems facing America and shares how we can use our time, talents, resources, and votes to solve them as members of the kingdom. Explore a new way of thinking and acting, a way that protects and advances the policies of the King. And, if enough of us do, maybe we can become a nation that proclaims, In the King we trust.

duck dynasty bible study: Uncanceled Phil Robertson, 2022-02-08 Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, *Duck Dynasty*, put him on "indefinite hiatus." Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In *Uncanceled*, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. *Uncanceled* is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.

Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies that have only sown discord and division. But, most importantly, Phil also believes that things can change. Written with captivating storytelling and unflinching honesty, *The Theft of America's Soul* shows us how to make America a God-honoring nation once more by dropping the ten central lies that rule our day and replacing them with timeless, biblical truths, including: God's people represent his voice in the world True unity comes from a God-centered culture God's standard for all time is the standard of virtue *The Theft of America's Soul* is a prophetic wake-up call for anyone who wants to see our nation thrive, challenging us to exchange lies for truths that will bring peace of mind, harmony, and prosperity back to our country--an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Praise for *The Theft of America's Soul*: The moral clarity in this book is so powerful and so refreshing I wish I could give it to everyone I know. duck dynasty bible study: Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The “paradigm-influencing” book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today’s evangelicals might not be theologically astute, but they know their VeggieTales, they’ve read John Eldredge’s *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, *Jesus and John Wayne* shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

duck dynasty bible study: The God Who Is There D. A. Carson, 2010-07-01 It can no longer be assumed that most people—or even most Christians—have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

duck dynasty bible study: You Are Free Rebekah Lyons, 2017-02-21 You don't have to keep striving for freedom. You can live into the freedom you already have in Christ. In You Are Free, Rebekah Lyons--author of Rhythms of Renewal--reveals her journey of releasing stress, anxiety, and worry to uncover the peace that comes from Jesus Christ. Have you bought into the lie? So many of us do. We measure our worth by what others think of us. We compare and strive, living our lives for the approval of others. Pressure rises, fear and anxiety creeps in, and we hustle to keep up. But Jesus tells us that he gave his life to set us free, giving us purpose and calling us to live in that God-given freedom and purpose. Maybe we're afraid to live in this truth because we can't even believe it. Rebekah reminds us that Christ doesn't say we can be or may be or will be free. He says we are free. Do you dare to believe it? In You Are Free, Rebekah invites you to: Overcome the exhaustion of trying to meet others' expectations and rest in the joy that God's freedom brings Find permission to grieve past experiences, confess your areas of brokenness, and receive strength in your journey toward healing Throw off self-condemnation and step boldly into what our good God has for you Discover the courage to begin again and use your newfound freedom to set others free Freedom is for everyone who wants it--the lost, the wounded, and those weary from all of the striving. It's for those of us who gave up trying years ago and for those of us who are angry and hurt, burnt out by the Christian song and dance. You are the church, the people of God. You were meant to be free. Join Rebekah as she helps you discover the freedom that comes when we learn that God is enough.

duck dynasty bible study: The Women of the Bible Speak Shannon Bream, 2021-03-30 #1 NEW YORK TIMES BESTSELLER! The women of the Bible lived timeless stories--by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In The Women of the Bible Speak, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual's life, but on how they

relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. The *Women of the Bible Speak* outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.

In *Contagious Faith*, bestselling author and teacher Mark Mittelberg introduces five approaches to evangelism and helps you determine which of them fit best with your unique personality and style: Friendship-Building Selfless-Serving Story-Sharing Reason-Giving Truth-Telling He also explains in a down-to-earth fashion several key skills that will help you talk about Jesus effectively, illustrating his message with real-life accounts of ordinary believers who applied these principles for extraordinary impact.
