Doug Coe: Influential Figure in Christian Leadership

Doug Coe is recognized as a powerful figure in American evangelical leadership. Serving for decades as the associate director of The Fellowship Foundation, Coe was known for his discreet yet impactful approach to mentoring political and faith leaders. His philosophy emphasized personal relationships, quiet influence, and the transformative power of living out the teachings of Jesus. Doug Coe's work, including his advocacy for spiritual literature such as the Jesus book, has shaped the way Christian leaders integrate faith into daily life and public service.

Background and Legacy

Doug Coe's legacy is built on fostering meaningful connections and encouraging individuals to embody the principles of Jesus. His influence extended beyond church walls, reaching into the spheres of government, business, and international diplomacy. Coe's approach was characterized by humility, confidentiality, and an unwavering focus on the teachings of Jesus as a model for ethical leadership. Through the Jesus book and other resources, Coe sought to make the life and message of Jesus accessible and relevant to people from all walks of life.

The Concept and Origins of the Jesus Book

The "Jesus book" is a term often associated with Doug Coe's commitment to centering faith on the person and teachings of Jesus Christ. While Coe himself did not publish a book titled "Jesus Book" under his name, he promoted the concept of studying and applying the words of Jesus as found in the Bible. The idea was to focus on the Gospels, exploring Jesus' teachings on love, forgiveness, and service. This approach encouraged believers to move beyond religious tradition and embrace a direct relationship with Jesus through scripture.

Core Principles Behind the Jesus Book

- Centering faith on the teachings of Jesus
- Promoting personal transformation through scripture
- Encouraging practical application in everyday life
- Fostering unity and reconciliation among diverse groups
- Prioritizing humility and servant leadership

Doug Coe's emphasis on the Jesus book reflects his belief that true spiritual growth comes from immersing oneself in the life and message of Christ. The concept continues to be influential in small group studies and discipleship programs around the world.

Themes and Teachings in Doug Coe's Jesus Book

Although there is no single published work titled "Doug Coe Jesus Book," the teachings attributed to Coe focus on essential biblical principles. These themes are prevalent in many resources and study guides inspired by his mentorship and leadership model.

Key Themes of the Jesus Book Approach

- **Love as Central Command:** Coe emphasized Jesus' command to love God and love others as the foundation of Christian living.
- **Forgiveness and Reconciliation:** The importance of forgiving others and seeking reconciliation was a recurring message in Coe's teachings.

- **Servant Leadership:** Leadership rooted in humility, service, and putting others first was a hallmark of Coe's philosophy.
- **Personal Relationship with Jesus:** Coe encouraged believers to develop a direct, personal relationship with Jesus, beyond religious rituals.
- **Global Unity:** His teachings promoted unity among people of different backgrounds, emphasizing Jesus' inclusive message.

These themes are often found in small group study materials, leadership training resources, and discipleship curricula influenced by Doug Coe's work. The focus is always on practical application and transformative change.

Impact on Faith Communities and Spiritual Leadership

The influence of Doug Coe and his Jesus book approach is evident in various faith communities and among spiritual leaders worldwide. His emphasis on personal connection, humility, and living out the teachings of Jesus has inspired countless individuals to pursue authentic faith and compassionate leadership.

How the Jesus Book Shapes Faith Communities

Faith communities that adopt the principles of the Jesus book often experience deeper relationships, increased unity, and a renewed commitment to service. These communities prioritize small group discussions, personal reflection, and collaborative outreach efforts. Leaders who apply Coe's teachings tend to foster environments where humility, forgiveness, and love are central to their mission.

- Growth in small group ministries
- Emphasis on reconciliation and bridge-building
- Development of servant leaders
- Commitment to social justice and compassionate service
- Strengthening of personal faith journeys

The lasting impact of Doug Coe's Jesus book philosophy is seen in churches, ministries, and organizations that seek to model their values on the life and words of Jesus.

Other Books and Resources Connected to Doug Coe

While Doug Coe did not author a widely published Jesus book, his teachings have inspired numerous books, study guides, and resources within Christian leadership circles. Many of these materials are designed to help individuals and groups explore the message of Jesus and apply it to their lives.

Recommended Reading and Study Resources

1. Books focused on the teachings of Jesus, such as "The Jesus Way" by Eugene Peterson
2. Leadership training guides based on biblical principles
3. Small group study materials exploring the Gospels
4. Biographies and profiles of influential Christian leaders, including Doug Coe
5. Works on reconciliation, forgiveness, and servant leadership

These resources provide additional context and depth for those interested in the spiritual legacy of Doug Coe and his emphasis on the transformative power of Jesus' words.

Frequently Asked Questions about Doug Coe and the Jesus Book

Many readers seek clarification on Doug Coe's connection to the Jesus book, his teachings, and the impact of his work. Addressing these common questions helps provide a clearer understanding of his legacy and the value of his approach to faith and leadership.

Q: Did Doug Coe write a book specifically titled "Jesus Book"?

A: Doug Coe did not publish a book titled "Jesus Book" under his own name. The term refers more broadly to his approach of focusing on the teachings of Jesus and encouraging others to study the Gospels closely.

Q: What are the main themes of Doug Coe's teachings found in Jesus book materials?

A: The main themes include love, forgiveness, servant leadership, personal relationship with Jesus, and global unity, all drawn from the words and life of Jesus Christ.

Q: How did Doug Coe influence Christian leadership and small group ministries?

A: Doug Coe's emphasis on relational leadership, humility, and practical application of Jesus' teachings has shaped small group dynamics and inspired many Christian leaders to adopt servant leadership models.

Q: Are there recommended books or resources for studying Doug Coe's Jesus book approach?

A: Yes, many study guides, small group materials, and books on the teachings of Jesus are inspired by Coe's philosophy. Titles such as "The Jesus Way" by Eugene Peterson and leadership training resources are highly recommended.

Q: What is the Fellowship Foundation and how is it related to Doug Coe?

A: The Fellowship Foundation is an organization dedicated to fostering spiritual growth and leadership, where Doug Coe served as associate director. His work with the Fellowship promoted the study and application of Jesus' teachings.

Q: Can the principles of the Jesus book be applied outside religious settings?

A: Yes, the principles of love, humility, forgiveness, and servant leadership are applicable in business, government, and community organizations, reflecting Doug Coe's broader vision for ethical influence.

Q: How can individuals start studying the Jesus book approach?

A: Individuals can begin by reading the Gospels, participating in small group studies, and seeking resources that focus on the life and teachings of Jesus, embodying Doug Coe's recommended practices.

Q: What impact has Doug Coe's Jesus book philosophy had on global faith movements?

A: Doug Coe's philosophy has inspired unity, reconciliation, and cross-cultural dialogue among faith communities worldwide, fostering greater understanding and cooperation.

Q: Are there biographies available about Doug Coe's life and

work?

A: Yes, several biographies and profiles detail Doug Coe's personal journey, leadership style, and influence on spiritual and political leaders.

Q: What makes the Jesus book approach unique compared to other Christian study methods?

A: The Jesus book approach is unique in its focus on direct engagement with the teachings of Jesus, prioritizing practical application, personal transformation, and relational influence over institutional tradition.

Doug Coe: Jesus Book - Exploring the Controversial Legacy and Influence

Are you intrigued by the enigmatic figure of Doug Coe and his profound, yet often controversial, impact on the world of evangelical Christianity? This post delves into the often-misunderstood aspects surrounding the man and his writings, specifically focusing on the impact and interpretation of the ideas presented in his writings, often referred to collectively as the "Doug Coe Jesus book." We'll examine the key themes, controversies, and lasting legacies associated with his teachings, offering a nuanced perspective for those seeking to understand his influence. We aim to provide a comprehensive and balanced look at this complex figure without endorsing or condemning his views.

Understanding Doug Coe's Influence

Doug Coe (1930-2019) was a highly influential figure within evangelical circles, particularly known for his association with the secretive and powerful Fellowship Foundation (also known as the Family). His approach, emphasizing personal relationships, spiritual formation, and a commitment to serving those in positions of power, attracted a wide range of influential individuals across various sectors, including politics and business. While the exact nature of his teachings remains a subject of debate, they are generally characterized by a focus on:

Spiritual Formation: Coe emphasized a deep, personal relationship with God, often through intense

prayer and group accountability.

Servanthood: A core principle involved serving those in power, believing such service could indirectly advance spiritual goals.

Secrecy and Discretion: The methods employed by the Fellowship often prioritized confidentiality, leading to accusations of manipulation and undue influence.

The "Doug Coe Jesus Book": Deconstructing the Narrative

There isn't a single book explicitly titled "Doug Coe's Jesus Book." Instead, this phrase refers to the collection of his writings, sermons, and teachings disseminated through the Fellowship. These materials often lacked formal publication, circulating within the organization's inner circles and through word-of-mouth. This scarcity adds to the mystique and difficulty in assessing their true impact. However, certain themes consistently appear:

Emphasis on Power and Influence: Critics argue his teachings promoted using spiritual influence to gain access to and impact those in powerful positions.

A Focus on Relational Spirituality: Proponents highlight his focus on personal relationships as essential for spiritual growth and transformation.

The Problem of Secrecy: The lack of transparency surrounding his teachings and the Fellowship's operations remain a significant point of controversy.

The Controversies Surrounding Coe's Teachings

The secretive nature of the Fellowship and Coe's teachings have fueled significant criticism and controversy over the years. Accusations include:

Cultish Practices: Critics argue that the organization employed manipulative tactics and fostered an environment of unquestioning loyalty.

Abuse of Power: Concerns have been raised about the potential for abuse of power stemming from the influence wielded by members within various sectors.

Lack of Transparency: The lack of readily accessible information about the organization and its teachings hampers objective analysis and critical engagement.

Assessing the Legacy: A Complex Picture

Doug Coe's legacy is undeniably complex. While some hail him as a spiritual mentor who profoundly impacted countless lives, others see him as a controversial figure who misused his influence.

Understanding his impact requires a nuanced approach that considers both the positive and negative aspects of his teachings and the organization he led. It necessitates engaging with diverse

perspectives and avoiding simplistic judgments. Ultimately, the "Doug Coe Jesus book" represents a multifaceted body of thought, demanding careful consideration and critical analysis. It's essential to approach any study of his influence with a commitment to balanced perspective and informed judgment.

Conclusion

The "Doug Coe Jesus book," representing a collection of teachings and writings, remains a subject of considerable debate and interpretation. Its influence on evangelical Christianity and beyond is undeniable, though its impact is multifaceted and requires careful consideration of both its positive and negative aspects. By critically examining his teachings and the controversies surrounding them, we can better understand his enduring legacy and the complex challenges it presents.

FAQs

1. Where can I find Doug Coe's writings? Coe's writings are not widely available and primarily circulated within the Fellowship Foundation. There is no central repository of his complete works.
2. What is the Fellowship Foundation's current status? The Fellowship Foundation continues to operate, though its activities remain largely private and under scrutiny.
3. Are there any books that critically analyze Doug Coe's teachings? While not many books directly focus solely on Coe, several books exploring the Fellowship Foundation and similar groups offer critical perspectives.
4. Did Doug Coe's teachings influence political figures? Numerous reports and allegations suggest his influence extended to various political figures, though the extent and nature of this influence remain a subject of ongoing debate and investigation.
5. What should someone consider before engaging with Coe's teachings? It's crucial to approach Coe's teachings with a critical eye, considering the controversies surrounding his methods and the organization he led. Seek out diverse perspectives and engage in thorough research before forming any conclusions.

doug coe jesus book: The Family Jeff Sharlet, 2009-10-13 They insist they are just a group of friends, yet they funnel millions of dollars through tax-free corporations. They claim to disdain politics, but congressmen of both parties describe them as the most influential religious organization in Washington. They say they are not Christians, but simply believers. Behind the scenes at every National Prayer Breakfast since 1953 has been the Family, an elite network dedicated to a religion of power for the powerful. Their goal is Jesus plus nothing. Their method is backroom diplomacy. The Family is the startling story of how their faith—part free-market fundamentalism, part imperial

ambition—has come to be interwoven with the affairs of nations around the world.

doug coe jesus book: Faith in the Halls of Power D. Michael Lindsay, 2008-10-29 Evangelicals, once at the periphery of American life, now wield power in the White House and on Wall Street, at Harvard and in Hollywood. How have they reached the pinnacles of power in such a short time? And what does this mean for evangelicals--and for America? Drawing on personal interviews with an astonishing array of prominent Americans--including two former Presidents, dozens of political and government leaders, more than 100 top business executives, plus Hollywood moguls, intellectuals, athletes, and other powerful figures--D. Michael Lindsay shows first-hand how they are bringing their vision of moral leadership into the public square. This riveting volume tells us who the real evangelical power brokers are, how they rose to prominence, and what they're doing with their clout. Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot, and from those lofty perches they have used their influence, money, and ideas to build up the evangelical movement and introduce it to wider American society. They are leaders of powerful institutions and their goals are ambitious--to bring Christian principles to bear on virtually every aspect of American life. Along the way, the book is packed with fascinating stories and striking insights. Lindsay shows how evangelicals became a force in American foreign policy, how Fortune 500 companies are becoming faith-friendly, and how the new generation of the faithful is led by cosmopolitan evangelicals. These are well-educated men and women who read both The New York Times and Christianity Today, and who are wary of the evangelical masses' penchant for polarizing rhetoric, apocalyptic pot-boilers, and bad Christian rock. Perhaps most startling is the importance of personal relationships between leaders--a quiet conversation after Bible study can have more impact than thousands of people marching in the streets. Faith in the Halls of Power takes us inside the rarified world of the evangelical elite--beyond the hysterical panic and chest-thumping pride--to give us the real story behind the evangelical ascendancy in America. This important work should be required reading for anyone who wants to opine publicly on what American evangelicals are really up to. --Publishers Weekly (Starred Review) For people wanting an understanding of how evangelicals have acquired so much power, money, and influence in the past 30 years, this is the ultimate insider's book. --Sojourners Magazine Anybody who wants to understand the nexus between God and power in modern America should start here. --The Economist Fascinating. --John Schmalzbauer, Wall Street Journal

doug coe jesus book: Killing the Buddha Peter Manseau, Jeff Sharlet, 2004-10-04 Religion & beliefs.

doug coe jesus book: C Street Jeff Sharlet, 2010-09-27 C Street - where piety, politics, and corruption meet Jeff Sharlet is the only journalist to have reported from inside the C Street House, the Fellowship residence known simply by its Washington, DC address. The house has lately been the scene of notorious political scandal, but more crucially it is home to efforts to transform the very fabric of American democracy. And now, after laying bare its tenants' past in The Family, Sharlet reports from deep within fundamentalism in today's world, revealing that the previous efforts of religious fundamentalists in America pale in comparison with their long-term ambitions. When Barack Obama entered the White House, headlines declared the age of culture wars over. In C Street, Sharlet shows why these conflicts endure and why they matter now - from the sensationalism of Washington sex scandals to fundamentalism's long shadow in Africa, where Ugandan culture warriors determined to eradicate homosexuality have set genocide on simmer. We've reached a point where piety and corruption are not at odds but one and the same. Reporting with exclusive sources and explosive documents from C Street, the war on gays in Uganda, and the battle for the soul of America's armed forces - waged by a 15,000-strong movement of officers intent on reclaiming territory for Christ in the military Sharlet reveals not the last gasp of old-time religion but the new front lines of fundamentalism.

doug coe jesus book: Jesus Changes Everything Doug Burleigh, 2021-09-07 Jesus Changes Everything is a must have highlight and lifelong resource of Jesus' timeless message to His disciples for every Christ-follower.

doug coe jesus book: *Shadow Elite* Janine R. Wedel, 2010-10 It can feel like we're swimming in a sea of corruption. It's unclear who exactly is in charge and what role they play. The same influential people seem to reappear time after time in different professional guises, pressing their own agendas in one venue after another. According to award-winning public policy scholar and anthropologist Janine Wedel, these are the powerful "shadow elite," the main players in a vexing new system of power and influence. In this groundbreaking book, Wedel charts how this shadow elite, loyal only to their own, challenge both governments' rules of accountability and business codes of competition to accomplish their own goals. From the Harvard economists who helped privatize post-Soviet Russia and the neoconservatives who have helped privatize American foreign policy (culminating with the debacle that is Iraq) to the many private players who daily make public decisions without public input, these manipulators both grace the front pages and operate behind the scenes. Wherever they maneuver, they flout once-sacrosanct boundaries between state and private. Profoundly original, *Shadow Elite* gives us the tools we need to recognize these powerful yet elusive players and comprehend the new system. Nothing less than our ability for self-government and our freedom are at stake.

doug coe jesus book: *The Death of Jesus* J.M. Coetzee, 2020-01-02 The luminous new novel from 'one of the best writers of our time', double Booker Prize winner J. M. Coetzee. 'Full of truth, tearfully moving to read... Brilliant' Evening Standard Simón and David - a tall ten-year-old - are in a new land, together with a woman named Inés. The small family have found a home in which David can thrive. But David is spotted by Julio Fabricante, the director of a local orphanage, playing football with his friends. He shows unusual talent. When David announces that he wants to live with Julio and the children in his care, Simón and Inés are stunned. David is leaving them, and they can only love him and bear witness. *The Death of Jesus* is the completion of an incomparable trilogy in which J. M. Coetzee explores the meaning of a world empty of memory but brimming with questions. * A New York Times Notable Book * _____ 'Extraordinary... Coetzee stands as the pre-eminent novelist in the English-writing world' New Statesman 'You will read its cool, dry final sentences - as I did - with tears in your eyes' The Times

doug coe jesus book: *Getting Jefferson Right* Warren Throckmorton, Michael L. Coulter, 2012-07 This work is primarily about properly understanding some claims about Thomas Jefferson ... This work is particularly aimed at understanding Jefferson in light of claims made about him by some religious conservatives, especially those by David Barton. ... The aims of this work are quite simple: to be dispassionate in the analysis of the claims about Jefferson and to understand the events in question in their proper theological and cultural context. ... The plan of the book is to take church and state claims first followed by a focus on Jefferson's personal views of the Bible and religion. Then, we [the authors] briefly examine claims relating to the University of Virginia and close with an examination of Jefferson's views of race and his actions as a slave owner--Page xi-xiii.

doug coe jesus book: *Joy at Work* Dennis W. Bakke, 2010-08-03 Imagine a company where people love coming to work and are highly productive on a daily basis. Imagine a company whose top executives, in a quest to create the most fun workplace ever, obliterate labor-management divisions and push decision-making responsibility down to the plant floor. Could such a company compete in today's bottom-line corporate world? Could it even turn a profit? Well, imagine no more. In *Joy at Work*, Dennis W. Bakke tells the true story of this extraordinary company--and how, as its co-founder and longtime CEO, he challenged the business establishment with revolutionary ideas that could remake America's organizations. It is the story of AES, whose business model and operating ethos -let's have fun-were conceived during a 90-minute car ride from Annapolis, Maryland, to Washington, D.C. In the next two decades, it became a worldwide energy giant with 40,000 employees in 31 countries and revenues of \$8.6 billion. It's a remarkable tale told by a remarkable man: Bakke, a farm boy who was shaped by his religious faith, his years at Harvard Business School, and his experience working for the Federal Energy Administration. He rejects workplace drudgery as a noxious remnant of the Industrial Revolution. He believes work should be fun, and at AES he set out to prove it could be. Bakke sought not the empty fun of the Friday beer

blast but the joy of a workplace where every person, from custodian to CEO, has the power to use his or her God-given talents free of needless corporate bureaucracy. In *Joy at Work*, Bakke tells how he helped create a company where every decision made at the top was lamented as a lost chance to delegate responsibility--and where all employees were encouraged to take the game-winning shot, even when it wasn't a slam-dunk. Perhaps Bakke's most radical stand was his struggle to break the stranglehold of creating shareholder value on the corporate mind-set and replace it with more timeless values: integrity, fairness, social responsibility, and a sense of fun.

doug coe jesus book: If You Want to Walk on Water, You've Got to Get Out of the Boat John Ortberg, 2008-09-09 You're one step away from the adventure of your life. John Ortberg invites you to consider the incredible potential that awaits you outside your comfort zone. Deep within you lies the same faith and longing that sent Peter walking across the wind-swept Sea of Galilee toward Jesus. In what ways is the Lord telling you, as he did Peter, Come? Out on the risky waters of faith, Jesus is waiting to meet you in ways that will change you forever, deepening your character and your trust in God. The experience is terrifying. It's thrilling beyond belief. It's everything you'd expect of someone worthy to be called Lord. The choice is yours to know him as only a water-walker can, aligning yourself with God's purpose for your life in the process. There's just one requirement: *If You Want to Walk on Water, You've Got to Get Out of the Boat*. In this Christianity Today Award-winning read, bestselling author John Ortberg pushes you to take the last step that separates you from the adventure of your life. And, as a result, you will learn to: Recognize God's presence Discern between faith and foolishness Not only expect problems, but field them when they come Reorient your thoughts about failure and see it as an opportunity to grow Wait on the Lord And, ultimately, connect more deeply with God Features discussion questions at the end of each chapter to enhance your reflection and spiritual growth. Also perfect for small group discussion.

doug coe jesus book: The Case for Grace Lee Strobel, 2015-02-24 Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace. Along the way, you'll find the undeniable evidence of grace in the true stories of racists, addicts, and even murderers who have found new hope and purpose--all through the redemptive power of God's amazing grace. In *The Case for Grace*, Lee offers an accessible explanation of the theology of God's grace, shown through the incredible, dramatic, can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the how and why behind God's amazing grace. Each story that Strobel shares in *The Case for Grace* contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left; how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can revolutionize your life--starting today.

doug coe jesus book: Jesus Plus Nothing Tim Timmons, 2012-07-01

doug coe jesus book: Jesus Changes Everything Doug Burleigh, 2021-06-01 Discover how participating in religion or having information about Jesus is not the same as knowing Jesus personally. There is significant difference between pursuing a personal encounter with Jesus and pursuing information about Jesus. Information alone can become heavy religious baggage. Information does not love, forgive, comfort, save, or heal . . . Jesus does! Many people desire a closer relationship with Jesus of Nazareth and are seeking a deeper understanding of his teaching and how they might apply to their daily life. Would it surprise you to know that Jesus has the same desire? He wants to know you, love you, and be part of your daily life. The teachings of Jesus reveal the heart of Jesus as nothing else does. "An intriguing and inspiring book that offers invaluable lessons about living an abundant life, drawn from the fascinating experiences of the author and the captivating

stories about people from all walks of life who were blessed by spiritual enlightenment.” —Edwin Meese III, former US Attorney General, Ronald Reagan Distinguished Fellow Emeritus at Heritage Foundation “An amazing book that captures the essential teachings of Jesus and how to apply them as a modern-day disciple. This book could be titled, ‘Jesus Distilled.’ If anyone is interested in learning more about the Jewish carpenter of Nazareth and how He changed everything. I highly recommend Doug Burleigh’s new book.” —Jim Slattery, lawyer, businessman, and former Democrat Congressman, Kansas 2nd District

doug coe jesus book: Missing Man Barry Meier, 2016-05-03 In late 2013, Americans were shocked to learn that a former FBI agent turned private investigator who disappeared in Iran in 2007 was there on a mission for the CIA. The missing man, Robert Levinson, appeared in pictures dressed like a Guantánamo prisoner and pleaded in a video for help from the United States. Barry Meier, an award-winning investigative reporter for The New York Times, draws on years of interviews and never-before-disclosed CIA files to weave together a riveting narrative of the ex-agent's journey to Iran and the hunt to rescue him. The result is an extraordinary tale about the shadowlands between crime, business, espionage, and the law, where secrets are currency and betrayal is commonplace. Its colorful cast includes CIA operatives, Russian oligarchs, arms dealers, White House officials, gangsters, private eyes, FBI agents, journalists, and a fugitive American terrorist and assassin. *Missing Man* is a fast-paced story that moves through exotic locales and is set against the backdrop of the twilight war between the United States and Iran, one in which hostages are used as political pawns. Filled with stunning revelations, it chronicles a family's ongoing search for answers and one man's desperate struggle to keep his hand in the game.

doug coe jesus book: Living History Hillary Rodham Clinton, 2004-04-19 Hillary Rodham Clinton tells her life story, describing her dedication to social causes, her relationship with her husband, and her accomplishments and difficult periods as First Lady.

doug coe jesus book: Chicken Soup for the Soul: Billy Graham & Me Steve Posner, 2013-02-12 *Chicken Soup for the Soul: Billy Graham & Me* contains 101 fascinating stories from all the living U.S. presidents, well-known pastors, country singers and other celebrities, and world leaders, relating their personal experiences with Billy Graham. Renowned Evangelical preacher Billy Graham has touched tens of millions of lives, inspiring faith and hope around the world. And you will get to know the beloved preacher better in these inspiring, personal stories by the people who know him best. You will meet the real Billy Graham, the man behind the public figure.

doug coe jesus book: This Brilliant Darkness: A Book of Strangers Jeff Sharlet, 2020-02-11 “A luminous, moving and visual record of fleeting moments of connection.” —New York Times Book Review, Editors’ Choice A visionary work of radical empathy. Known for immersion journalism that is more immersed than most people are willing to go, and for a prose style that is somehow both fierce and soulful, Jeff Sharlet dives deep into the darkness around us and awaiting us. This work began when his father had a heart attack; two years later, Jeff, still in his forties, had a heart attack of his own. In the grip of writerly self-doubt, Jeff turned to images, taking snapshots and posting them on Instagram, writing short, true stories that bloomed into documentary. During those two years, he spent a lot of time on the road: meeting strangers working night shifts as he drove through the mountains to see his father; exploring the life and death of Charley Keunang, a once-aspiring actor shot by the police on LA’s Skid Row; documenting gay pride amidst the violent homophobia of Putin’s Russia; passing time with homeless teen addicts in Dublin; and accompanying a lonely woman, whose only friend was a houseplant, on shopping trips. Early readers have called this book “incantatory,” the voice “prophetic,” in “James Agee’s tradition of looking at the reality of American lives.” Defined by insomnia and late-night driving and the companionship of other darkness-dwellers—night bakers and last-call drinkers, frightened people and frightening people, the homeless, the lost (or merely disoriented), and other people on the margins—*This Brilliant Darkness* erases the boundaries between author, subject, and reader to ask: how do people live with suffering?

doug coe jesus book: Deep and Wide Andy Stanley, 2016-02-09 Create a church unchurched people absolutely love to attend. *Deep and Wide* provides church leaders with an in-depth look into

North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend. Now available in an expanded edition, this trusted resource has sold over 250,000 copies. In it, Andy Stanley explains: His strategy for preaching and programming to both mature believers and cynical unbelievers North Point's spiritual formation model: The Five Faith Catalysts Three essential ingredients for creating irresistible environments How to tackle the challenge of transitioning a local congregation If your team is more concerned with who you are reaching than who you are keeping, the expanded edition of *Deep and Wide* will be more than a book you read; it will be a resource you come back to over and over! New bonus content includes a study guide, church staff helps, and an interview with Andy on the most frequently asked questions about *Deep and Wide*.

doug coe jesus book: *The God Strategy* David Domke, Kevin Coe, 2008 This volume offers a timely and dynamic study of the rise of religion in American politics, examining the public messages of political leaders over the past seventy-five years. The authors show that U.S. politics today is defined by a calculated, deliberate, and partisan use of faith that is unprecedented in modern politics. Beginning with the election of Ronald Reagan in 1980, America has seen a no-holds-barred religious politics that seeks to attract voters, identify and attack enemies, and solidify power. Domke and Coe identify a set of religious signals sent by both Republicans and Democrats in speeches, party platforms, proclamations, visits to audiences of faith, and even celebrations of Christmas. The updated edition of this ground-breaking book includes a new preface, an updated analysis of the last Bush administration, as well as a new final chapter on the Jeremiah Wright controversy, the candidacies of Mike Huckabee and Sarah Palin, and Barack Obama's victory.

doug coe jesus book: *Every Day Is Extra* John Kerry, 2019-11-12 An instant New York Times bestseller, John Kerry's revealing memoir offers "a detailed record of an important life...frank, thoughtful, and clearly written...A bittersweet reminder of what the country once demanded of its leaders" (The New York Times Book Review). *Every Day Is Extra* is John Kerry's candid personal story. A Yale graduate, Kerry enlisted in the US Navy in 1966, and served in Vietnam. He returned home highly decorated but disillusioned, and he testified powerfully before Congress as a young veteran opposed to the war. Kerry was elected to the Senate in 1984, eventually serving five terms. In 2004 he was the Democratic presidential nominee and came within one state—Ohio—of winning. He succeeded Hillary Clinton as Secretary of State in 2013. In that position he tried to find peace in the Middle East; dealt with the Syrian civil war while combatting ISIS; and negotiated the Iran nuclear deal and the Paris climate agreement. "In these pages Kerry shows remarkable honesty, depth, even spirituality...There is remarkable poignancy—not the usual currency of the career politician and the country's top diplomat" (The Boston Globe). A witness to some of the most important events of our recent history, Kerry tells wonderful stories about colleagues Ted Kennedy and John McCain, as well as President Obama and other major figures. He writes movingly of recovering his faith while in the Senate, and how he deplores the hyper-partisanship that has infected Washington. *Every Day Is Extra* "draws back the curtain on a life you thought you knew, but turns out to be a bit different...A surprisingly personal book" (The Washington Post) that shows Kerry for the dedicated, witty, and authentic man that he is and provides forceful testimony for the importance of diplomacy and American leadership to address the increasingly complex challenges of a more globalized world.

doug coe jesus book: *Book Reports* Robert Christgau, 2019-04-04 In this generous collection of book reviews and literary essays, legendary Village Voice rock critic Robert Christgau showcases the passion that made him a critic—his love for the written word. Many selections address music, from blackface minstrelsy to punk and hip-hop, artists from Lead Belly to Patti Smith, and fellow critics from Ellen Willis and Lester Bangs to Nelson George and Jessica Hopper. But *Book Reports* also teases out the popular in the Bible and 1984 as well as pornography and science fiction, and analyzes at length the cultural theory of Raymond Williams, the detective novels of Walter Mosley, the history of bohemia, and the 2008 financial crisis. It establishes Christgau as not just the Dean of American Rock Critics, but one of America's most insightful cultural critics as well.

doug coe jesus book: *Tempting Faith* David Kuo, 2006-10-16 David Kuo came to Washington wanting to use his Christian faith to end abortion, strengthen marriage, and help the poor. He reached the heights of political power, ultimately serving in the White House under George W. Bush, after being policy adviser to John Ashcroft and speechwriter for Ralph Reed, Pat Robertson, and Bob Dole. It was a dream come true: the chance to fuse his politics and his faith, and an opportunity for Christians not just to gain a seat at the proverbial table but to plan the entire meal. Kuo spent nearly three years as second in command at the president's Office of Faith-Based and Community Initiatives. Yet his experience was deeply troubling. It took both the Bush White House and a severe health crisis to show him how his Christian values, and those of millions of Americans, were being corrupted by politics. Instead of following the teachings of Jesus to serve the needy, Kuo found himself helping to manipulate religious faith for political gain. Public funds were used in battleground states, for Republican campaign events. The legislative process was used as a football, not to pass laws but to deepen purely symbolic fault lines. Grants were incestuously recycled to political cronies. Both before and after 9/11, despite lofty rhetoric from the president claiming that his faith-based program was one of his most important initiatives, there was no serious attempt to fund valuable charities. Worst of all was the prevailing attitude in the White House and throughout Washington toward Christian leaders. Key Bush aides and Republican operatives spoke of them with contempt and treated them as useful idiots. It became clear, during regular conference calls arranged from the White House with a key group of Christian leaders, that many of these religious leaders had themselves been utterly seduced by politics. It is time, Kuo argues, for Christians to take a temporary step back from politics, to turn away from its seductions. *Tempting Faith* is equal parts headline-making exposé, political and spiritual memoir, and heartfelt plea for a Christian reexamination of political involvement.

doug coe jesus book: *The Journey to Ultimate Friendship* Michael T. Timmis, 2023-01-03 Friendship with others is one of God's greatest gifts. Yet how can we understand its power and the blessings that it can bring? In *The Journey to Ultimate Friendship*, Mike Timmis shares his experiences and the why and how to build relationships with others. Through real-life stories and practical wisdom, you will come to treasure friendships and, most of all, to experience friendship with the Lord—the greatest relationship of all.

doug coe jesus book: *High-Rise* J. G. Ballard, 2012-06-28 Coming in March 2016 from acclaimed director Ben Wheatley, a major motion picture adaptation of J. G. Ballard's compelling and unnerving tale of what happens when life in a luxury apartment building descends into chaos, starring Tom Hiddleston, Jeremy Irons, Sienna Miller, Luke Evans and Elisabeth Moss.

doug coe jesus book: *The Bookshop* Penelope Fitzgerald, 2018 Shortlisted for the Booker Prize. In a small East Anglian town, Florence Green decides, against polite but ruthless local opposition, to open a bookshop.

doug coe jesus book: *Prominent Families of New York* Lyman Horace Weeks, 1898

doug coe jesus book: *The New Sultan* Soner Çağaptay, 2017 In a world of rising tensions between Russia and the United States, the Middle East and Europe, Sunnis and Shiites, Islamism and liberalism, Turkey is at the epicentre. And at the heart of Turkey is its right-wing populist president, Recep Tayyip Erdoğan. Since 2002, Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power. His crackdown has been brutal and consistent - scores of journalists arrested, academics officially banned from leaving the country, university deans fired and many of the highest-ranking military officers arrested. In some senses, the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a 'strongman'. Here, leading Turkish expert Soner Çağaptay will look at Erdoğan's roots in Turkish history, what he believes in and how he has cemented his rule, as well as what this means for the world. The book will also unpick the 'threats' Erdogan has worked to combat - from the liberal Turks to the Gulen movement, from coup plotters to Kurdish nationalists - all of which have culminated in the crisis of modern Turkey.--Bloomsbury Publishing.

doug coe jesus book: Roger Williams's Little Book Of Virtues Becky Garrison, 2020-03-01

In Roger Williams's Little Book of Virtues, religion writer Becky Garrison delves into the life of her eleventh/twelfth great-grandfather to uncover the untold story behind this forgotten pioneer of religious liberty. Employing a format reminiscent of How Proust Can Change Your Life and The Little Book of Atheist Spirituality, Garrison examines Roger Williams's work through the lens of the four classical virtues, which, as she observes, define values that have an almost universal consensus regardless of one's particular belief system. How can Roger Williams's life and ministry shed light on the role of the citizens in a global pluralized world? Garrison asks why this conversation focusing on the role of religion in public life got relegated to moralists like William J. Bennett, who crafted a fundamentalist rulebook that views these virtues through a very strict black-and-white lens. In this age of horizontal social media, what prevents people from standing up to these modern-day Goliaths and taking away their media megaphone? Here Garrison sees hope in the rise of the "nones" who, like Williams, follow their own spiritual path and create spaces that embrace women, POC, LGBT folks, and others marginalized by the institutional church.

doug coe jesus book: The Gospels Interwoven Kermit Zarley, 2001-10-05 The Gospels

Interwoven is a chronologically arranged narrative of the life of Jesus blending all details from the separate Gospel accounts...in the words of the New International Version. With solutions to questions rising from a comparison of the Gospels, The Gospels Interwoven is for students of the Word, teachers, pastors and anyone wanting a more complete knowledge of the life of God's eternal Son.

doug coe jesus book: Inside Trump's White House Doug Wead, 2019-11-26 After dozens of

books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In Inside Trump's White House, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he never complains and never explains, and how his actions sometimes lead to misunderstandings with the media and the public. It also includes exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner, Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

doug coe jesus book: Alice + Freda Forever Alexis Coe, 2019-08-01 Alice + Freda Forever is a

gut-wrenching story of love, death, and the dangers of intolerance.—Bustle In 1892, America was obsessed with a teenage murderess, but it wasn't her crime that shocked the nation—it was her motivation. Nineteen-year-old Alice Mitchell had planned to pass as a man in order to marry her seventeen-year-old fiancée Freda Ward, but when their love letters were discovered, they were forbidden from ever speaking again. Freda adjusted to this fate with an ease that stunned a heartbroken Alice. Her desperation grew with each unanswered letter—and her father's razor soon went missing. On January 25, Alice publicly slashed her ex-fiancée's throat. Her same-sex love was deemed insane by her father that very night, and medical experts agreed: This was a dangerous and incurable perversion. As the courtroom was expanded to accommodate national interest, Alice spent months in jail—including the night that three of her fellow prisoners were lynched (an event which captured the attention of journalist and civil rights activist Ida B. Wells). After a jury of the finest men in Memphis declared Alice insane, she was remanded to an asylum, where she died under mysterious circumstances just a few years later. Alice + Freda Forever recounts this tragic, real-life love story with over 100 illustrated love letters, maps, artifacts, historical documents, newspaper articles, courtroom proceedings, and intimate, domestic scenes.

doug coe jesus book: A Deadly Misunderstanding Mark D. Siljander, John David Mann,

2008-10-07 Former Congressman and U.N. ambassador Siljander takes the reader on an amazing journey of personal, religious, and political discovery that aims to bring Islam and Christianity together.

doug coe jesus book: The Human Factor Graham Greene, 2008-09-30 Maurice Castle is a high-level operative in the British secret service during the Cold War. He is deeply in love with his African wife, who escaped apartheid South Africa with the help of his communist friend. Despite his misgivings, Castle decides to act as a double agent, passing information to the Soviets to help his in-laws in South Africa. In order to evade detection, he allows his assistant to be wrongly identified as the source of the leaks. But when suspicions remain, Castle is forced to make an even more excruciating sacrifice to save himself. Originally published in 1978, *The Human Factor* is an exciting novel of espionage drawn from Greene's own experiences in MI6 during World War II, and ultimately a deeply humanistic examination of the very nature of loyalty. This edition features a new introduction by Colm Tóibín. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

doug coe jesus book: Jesus Called - He Wants His Church Back Ray Johnston, 2016-03-01 As early as 50 AD, Christians had gotten away from knowing who Jesus really is. Our generation is no different. In every decade we, as Americans, lost something important that we couldn't afford to lose: In the 1950's, we lost innocence In the 1960's, we lost respect for authority In the 1970's, we lost love In the 1980's, we lost values In the 1990's, we lost faith In the 2000's, we lost security In the 2010's, we lost hope in the future What can restore what we've lost? Only Jesus. Jesus gave us His name, His friendship, and a commission to accept responsibility for ourselves and for the world. When introduced to His words and ways we'll rediscover the Jesus who: Wants His enemies won over, not wiped out Wants you to stop playing it safe Believed great things were possible no matter what things are like right now Was full of grace and truth Unleashed compassion Believed no one was too far from God to return to Him Came to seek and to save that which was lost Loves the church Pastor Ray Johnston shares the Jesus of the Bible and how we can be Christians without being jerks. He reveals how the radical message of the gospel calls us to love and serve not only our neighbors but our enemies as well. That's the Jesus the American Church has missed and needs to meet. Jesus' mission is clear—risk everything in order to take care of people, starting in our home, neighborhoods, cities, and those in need around the world. That's the Jesus the American Church has missed and needs to meet.

doug coe jesus book: The Family Jeff Sharlet, 2008 A journalist's penetrating and controversial look at the untold story of Christian fundamentalism's most elite organisation- a self-described 'invisible' global network dedicated to a religion of power for the powerful. They are 'the Family' - fundamentalism's avant-garde, waging spiritual war in the halls of American power and around the globe. They consider themselves the 'new chosen'- congressmen, generals and foreign dictators who meet in confidential 'cells', to pray and plan for a 'leadership led by God', to be won not by force but through 'quiet diplomacy'. Jeff Sharlet is the only journalist to have reported from inside its walls. The Family is about the other half of American fundamentalist power - not its angry masses, but its sophisticated elites. In public, they host Prayer Breakfasts; in private they preach a gospel of 'biblical capitalism', military might and American empire. Citing Hitler, Lenin and Mao as leadership models, the Family's current leader, Doug Coe, declares, 'We work with power where we can, build new power where we can't'. Part history, part investigative journalism, *The Family* is a compelling account of how fundamentalism came to be interwoven with American power and the no-holds-barred economics of globalisation. No other book about the Right has exposed the Family or revealed its far-reaching impact on democracy, and no future reckoning of fundamentalism will be able to ignore it.

doug coe jesus book: Hannah's Child Stanley Hauerwas, 2013-02-11 In 2001 Stanley Hauerwas was voted 'America's best theologian' by Time Magazine. Here are Hauerwas' long-awaited memoirs. A loving, hard-working, godly couple has long been denied a family of their

own. Finally, the wife makes a deal with God: if he blesses her with a child, she will dedicate that child to God's service. The result of that prayer was the birth of an influential - some say prophetic - voice. Surprisingly, this is not the biblical story of Samuel but the account of Stanley Hauerwas, one of today's leading theologians in the church and the academy. The story of Hauerwas' journey into Christian discipleship is captivating and inspiring. With genuine humility, he describes his intellectual struggles with faith, how he has dealt with the reality of marriage to a mentally ill partner, and the gift of friendships that have influenced his character. Throughout the narrative shines Hauerwas' conviction that the tale of his life is worth telling only because of the greater Christian story providing foundation and direction for his own.

doug coe jesus book: *The Christian Mafia* Wayne Madsen, 2015-04-28 The 2016 presidential campaign, once again, involves the forces of fundamentalist Christianity and its many branches and tentacles that have penetrated America's politics. The reader is taken through the history of the Christian Dominionist/Reconstructionist movements and the various entities that represent the radical ideology of militant Christianity.

doug coe jesus book: *Alongside Jesus* Drew Hill, 2022-08-29 Have you ever considered that Jesus could actually be walking alongside you? Like right now, in this very moment—even though you can't see him. If you knew that for sure, how would it change your day? Your life? Because you can't see or hear Jesus with your physical eyes and ears, walking with him takes a different kind of seeing and hearing.

doug coe jesus book: *E Pluribus ONE* Sophia A. Nelson, 2017-01-17 Our Founders understood that America was the greatest experiment on earth. And they sealed it with these words: E pluribus Unum: Out of Many We Are One. America is the story of us. And us isn't doing so great right now. Says award winning journalist and author Sophia A. Nelson. Coming on the heels of the raucous and divisive 2016 general election campaign, Nelson attempts to give the nation an inspirational charge and lift by helping us to reclaim our founders' vision for a united and strong America. Nelson reminds us that we the people are charged by our founders' to cherish life, liberty, freedom and equality, as well as to safeguard the nation from intrusive governance. The founders' also charged our leaders to be moral, virtuous, patriotic servants of the people. In this groundbreaking book, Nelson challenges us to live out the call of our founding: We are ONE America. We are ONE People. We are ONE nation indivisible with liberty and justice for all. Pulling from our founding fathers' core principles of liberty, citizenship, morals, virtues, civic engagement, equality, self-governance, and, when required, civil disobedience, Nelson calls us to a higher standard. She calls us to purpose. And she calls us to rediscover the things that unite us, not divide us. One is a book that all Americans, regardless of political party, race, religion, or gender can embrace and share with their children and grandchildren for generations. It is a reminder simply of what makes America great and what makes us the envy of the world. Alexis de Tocqueville said it best: America is great because America is good. If America ever ceases to be good, it will cease to be great. Nelson takes us on a historical, yet very inspirational journey of not just our founding values, but the men and women who walked them out and brought America to be the great light it is in the world over the past 240 years.

doug coe jesus book: *The Best American Poetry 1996* David Lehman, 1996-09-16 From Simon & Schuster, in its ninth year, *The Best American Poetry 1996* is universally acclaimed as the best anthology in the field. The compilation includes a diverse abundance of poems published in 1995 in more than 40 publications ranging from *The New Yorker* to *The Paris Review* to *Bamboo Ridge*.
