Edgar Cayce's Life and His Approach to Reincarnation

Edgar Cayce was a renowned American psychic whose work spanned the early to mid-20th century. Born in 1877, Cayce became widely recognized for his ability to enter a trance state and provide detailed readings on health, spirituality, and past lives. His readings on reincarnation, delivered while in a self-induced sleep, formed a significant part of his legacy. Cayce's approach to reincarnation was not rooted in any particular doctrine but was shaped by his intuitive insights and the diverse backgrounds of the individuals who sought his guidance. His perspective emphasized the soul's journey through multiple lifetimes, each offering opportunities for growth

and learning.

Cayce's teachings on reincarnation were revolutionary for his time, blending elements of Eastern spirituality with Western Christian thought. He asserted that reincarnation was a natural process that allowed souls to evolve, confront past errors, and fulfill their spiritual purpose. Through thousands of readings, Edgar Cayce helped individuals understand the connections between their current life circumstances and the experiences of previous existences. His compassionate approach encouraged personal transformation and self-awareness, making his work relevant to spiritual seekers across generations.

The Foundation of Reincarnation in Cayce's Readings

Edgar Cayce's beliefs about reincarnation were established through his trance readings, which often addressed questions about life's purpose and the nature of the soul. According to Cayce, reincarnation is the process by which the soul returns to physical existence multiple times, each incarnation serving as a chapter in a broader spiritual journey. He described the soul as immortal and ever-evolving, with each lifetime providing unique lessons and challenges.

Cayce's Explanation of Reincarnation

Cayce explained that every soul is given chances to learn and grow through repeated lifetimes. He emphasized that the purpose of reincarnation is not punishment, but education and spiritual development. Cayce's readings often referenced the law of cause and effect, suggesting that actions and choices made in past lives directly influence present circumstances.

- Reincarnation allows the soul to correct past mistakes.
- It provides opportunities for spiritual growth and understanding.
- The soul chooses circumstances that facilitate learning.
- Each lifetime contributes to the soul's overall evolution.

Integration with Western and Eastern Beliefs

Cayce's teachings bridged Eastern philosophies such as Hinduism and Buddhism

with Western Christian concepts. He maintained that reincarnation was compatible with Christian doctrine when interpreted as ongoing spiritual rebirth rather than a single earthly existence. This perspective made his readings accessible to individuals from diverse religious backgrounds and promoted a universal approach to spiritual evolution.

Karma and Spiritual Growth in Cayce's Teachings

Karma is a central theme in Edgar Cayce's readings on reincarnation. He described karma as the spiritual law of cause and effect, where actions in one life create consequences in future lives. According to Cayce, karma is not about retribution but about learning and balancing energies. The soul carries memories and unresolved issues across incarnations, seeking resolution and harmony.

Understanding Karma in Cayce's Readings

Cayce explained that every experience, thought, and action contributes to the soul's karmic record. Positive actions lead to spiritual advancement, while negative actions present opportunities for learning and redemption. He encouraged individuals to view challenges as chances to heal past wounds and grow in wisdom.

- Karma is the result of choices made in previous lives.
- Spiritual growth involves recognizing and resolving karmic patterns.
- Forgiveness, compassion, and service are key to balancing karma.

Spiritual Lessons and Personal Growth

Cayce's readings highlighted the importance of self-awareness and personal responsibility in overcoming karmic obstacles. He believed that by understanding the origins of recurring patterns in relationships, health, and life events, individuals could make conscious choices that align with their soul's purpose. This approach empowers people to transform their lives and move closer to spiritual fulfillment.

Past Lives: Influence on Present Experiences

One of the most compelling aspects of Edgar Cayce's teachings is the idea that past lives significantly influence present-day experiences. Cayce's readings often revealed details about an individual's previous incarnations, offering explanations for unexplained fears, talents, relationships, and health issues. By exploring these connections, Cayce provided insight into how the soul's history shapes its current reality.

Examples from Cayce's Readings

Cayce's case studies included individuals who exhibited unique talents or phobias without any apparent cause in their present life. Through trance readings, he traced these characteristics back to specific past life experiences. For instance, a person's inexplicable fear of water might be linked to a drowning incident in a previous incarnation, while artistic abilities could stem from a former life as a musician or painter.

The Role of Relationships and Life Patterns

Cayce asserted that relationships often repeat across lifetimes, allowing souls to resolve unfinished business and strengthen spiritual bonds. He explained that family members, friends, and even adversaries may share connections from previous existences. Recognizing these patterns can foster forgiveness, understanding, and deeper emotional healing.

Methods for Discovering Past Lives According to Cayce

Edgar Cayce offered several practical methods for individuals to explore their own past lives and understand reincarnation on a personal level. While not all of Cayce's techniques are easily accessible, many remain popular among spiritual seekers today.

Self-Reflection and Meditation

Cayce recommended meditation and deep self-reflection as tools for uncovering memories from previous incarnations. He suggested that quieting the mind and focusing on recurring dreams, emotions, or interests could reveal clues about past life experiences.

Dream Analysis

Cayce believed that dreams are a gateway to the subconscious and may contain fragments of past life memories. He encouraged individuals to keep a dream journal and analyze recurring themes or symbols for potential connections to previous existences.

- Record dreams immediately upon waking.
- Look for patterns or repeated symbols.
- Reflect on emotions triggered by dream scenarios.
- Consult with spiritual counselors for interpretation.

Psychic Readings and Regressions

Cayce himself provided readings that identified specific details about an individual's past lives. Today, many seek similar insights through psychic readings or past life regression therapy. These techniques aim to access subconscious memories and provide guidance for present-day challenges.

Scientific and Philosophical Perspectives

The concept of reincarnation remains a subject of debate among scientists, philosophers, and theologians. While Edgar Cayce's readings offer compelling personal accounts, empirical evidence for reincarnation is limited. However, many researchers have explored cases of past life recall, particularly in children, that appear to support Cayce's claims.

Research and Case Studies

Several investigators have documented instances where individuals recall verifiable details from previous lives. These cases, often involving young children, have been studied for their accuracy and consistency. While skeptics attribute such phenomena to coincidence or suggestibility, proponents argue that the evidence warrants further exploration.

Philosophical Implications

Cayce's teachings raise important philosophical questions about the nature of consciousness, identity, and the afterlife. The idea of reincarnation challenges conventional views of life and death, encouraging a broader perspective on human existence. Philosophers continue to debate whether the soul survives bodily death and what implications this has for morality and spiritual growth.

Practical Lessons from Cayce on Reincarnation

Edgar Cayce's insights into reincarnation offer valuable lessons for everyday living. His teachings encourage individuals to approach life with purpose, compassion, and self-awareness. By understanding the connections between past and present, people can make more conscious choices and foster personal transformation.

Applying Cayce's Teachings

Those who study Cayce's work are often inspired to cultivate forgiveness, patience, and service to others. He emphasized that every challenge is an opportunity for learning and that spiritual growth is a lifelong process. By embracing the concept of reincarnation, individuals can develop resilience and hope, knowing that life's journey extends beyond a single existence.

- Practice mindfulness and self-reflection.
- Embrace challenges as opportunities for growth.
- Foster compassion and empathy in relationships.
- Pursue lifelong learning and spiritual development.

Legacy of Edgar Cayce's Reincarnation Teachings

Edgar Cayce's work continues to inspire new generations of spiritual seekers. His approach to reincarnation has shaped holistic healing practices, past life therapy, and modern metaphysical thought. The enduring relevance of Cayce's teachings lies in their emphasis on personal responsibility, spiritual evolution, and the interconnectedness of all souls.

Trending Questions and Answers about Edgar Cayce on Reincarnation

Q: What did Edgar Cayce say about reincarnation?

A: Edgar Cayce described reincarnation as the soul's ongoing journey through multiple lifetimes, each offering opportunities for growth, learning, and spiritual development. He taught that reincarnation allows individuals to resolve past karma and fulfill their soul's purpose.

Q: How did Edgar Cayce access information about past lives?

A: Cayce accessed information about past lives through trance readings, where he entered a meditative state and provided detailed insights about an individual's previous incarnations, including names, places, and lessons learned.

Q: How does karma work according to Edgar Cayce?

A: According to Cayce, karma is the spiritual law of cause and effect. Actions and choices made in past lives create consequences that influence current life experiences. Karma is not punitive but serves as a mechanism for learning and spiritual growth.

Q: Can anyone discover their own past lives using Cayce's methods?

A: Yes, Cayce suggested that people can uncover past life memories through meditation, self-reflection, dream analysis, and seeking guidance from spiritual counselors or through past life regression therapy.

Q: Are Cayce's teachings on reincarnation compatible with Christianity?

A: Edgar Cayce believed reincarnation could be harmonized with Christian doctrine if interpreted as spiritual rebirth and ongoing soul evolution, rather than as a single earthly existence.

Q: What role do relationships play in Cayce's

reincarnation readings?

A: Cayce taught that relationships often repeat across lifetimes, allowing souls to resolve unfinished business, deepen bonds, and learn valuable spiritual lessons through interactions with family, friends, and adversaries.

Q: Did Cayce provide specific examples of past lives in his readings?

A: Yes, Cayce's readings frequently included specific details about an individual's past lives, relating present-day talents, fears, or health issues to experiences from previous incarnations.

Q: What is the purpose of reincarnation according to Edgar Cayce?

A: The purpose of reincarnation, as explained by Cayce, is to provide the soul with repeated opportunities to grow, learn, and achieve spiritual wholeness by overcoming challenges and balancing karma.

Q: Is there scientific evidence supporting Cayce's claims about reincarnation?

A: While Cayce's readings are compelling, scientific evidence for reincarnation remains inconclusive. Researchers have documented cases of past life recall, but the phenomenon is still debated within the scientific and philosophical communities.

Q: How can Cayce's teachings on reincarnation benefit individuals today?

A: Cayce's teachings encourage personal responsibility, self-awareness, and compassion. By understanding the connections between past and present, individuals can foster healing, spiritual growth, and a deeper sense of purpose in their lives.

Edgar Cayce on Reincarnation: Exploring the Sleeping Prophet's Views on Past Lives

Are you intrigued by the concept of reincarnation? Have you ever wondered if your life's experiences are connected to past lives? The enigmatic Edgar Cayce, known as the "Sleeping Prophet" for his trance-like readings, offered a fascinating perspective on reincarnation, one that continues to intrigue and inspire debate. This comprehensive guide delves into Edgar Cayce's views on reincarnation, exploring his key beliefs, the mechanics of rebirth as he described them, and the implications of his readings for our understanding of life, death, and the soul's journey.

Cayce's Core Beliefs on Reincarnation: A Spiritual Journey

Edgar Cayce, through his thousands of psychic readings, consistently affirmed the concept of reincarnation. He didn't present it as a mere philosophical notion but as a fundamental truth underlying human experience. For Cayce, reincarnation wasn't simply a cyclical return to life; it was a process of spiritual evolution, a journey of learning and growth across multiple lifetimes. He emphasized that each life offered opportunities for karmic balancing and the development of the soul. This wasn't a punishment-based system, but rather a process of self-improvement driven by the soul's inherent desire for greater understanding and connection with the divine.

The Mechanics of Rebirth According to Cayce: Soul's Blueprint

Cayce described the process of reincarnation as a complex interplay of karmic influences, soul choices, and divine guidance. He believed that before each incarnation, the soul, guided by higher spiritual entities, selects a body and life path tailored to its evolutionary needs. This "blueprint" for a lifetime, as described by Cayce, included the environment, family, challenges, and opportunities that would best facilitate the soul's growth and the resolution of past karmic debts. The lessons learned in one lifetime directly impacted the subsequent ones, forming a continuous thread of spiritual progress.

Karma and the Cycle of Reincarnation: Lessons and Growth

Central to Cayce's understanding of reincarnation is the concept of karma. He viewed karma not as a simplistic system of reward and punishment, but rather as a natural consequence of actions and intentions. Positive actions, driven by love and compassion, created positive karmic effects, leading to fulfilling and harmonious lives. Negative actions, born from selfishness and ignorance, created

negative karmic effects, leading to challenges and difficulties designed to spur spiritual growth and self-awareness. The goal, according to Cayce, wasn't to avoid negative karma, but to learn from it and strive for spiritual advancement.

The Role of the Akashic Records: Accessing Past Lives

Cayce often referenced the Akashic Records, a metaphysical concept representing a universal library containing the records of all souls and their past lives. He believed that access to these records could provide insight into past life experiences, helping individuals understand their current challenges and unlock their spiritual potential. While he didn't explicitly describe how access was gained, his readings suggest that meditation, prayer, and spiritual development could potentially facilitate such access.

Applying Cayce's Insights to Modern Life: Practical Applications

Understanding Cayce's views on reincarnation can offer valuable insights for navigating contemporary life. By recognizing the potential impact of past life experiences, we can gain a deeper understanding of our personality traits, patterns of behavior, and recurring challenges. This self-awareness can empower us to make conscious choices to break free from negative cycles and create more fulfilling lives. It encourages a sense of compassion not only for ourselves but also for others, recognizing the shared journey of spiritual growth that connects us all.

Conclusion: A Journey of Self-Discovery

Edgar Cayce's perspective on reincarnation offers a profound and compelling framework for understanding the human experience. His emphasis on spiritual growth, karmic balance, and the soul's continuous journey underscores the importance of living a life of purpose and compassion. While his readings remain a subject of debate, his insights into reincarnation continue to resonate with those seeking a deeper understanding of their place in the universe and the eternal nature of the soul.

Frequently Asked Questions (FAQs)

1. Did Edgar Cayce provide specific details about individual's past lives? While Cayce did access information about past lives in his readings, the level of detail varied greatly depending on the individual and the purpose of the reading. He often focused on the karmic lessons learned and the connection to the present life rather than providing a detailed biographical account of past incarnations.

2. How can I access the information about my own past lives according to Cayce's teachings? Cayce's teachings suggest that spiritual development, meditation, and prayer can facilitate a deeper understanding of oneself, potentially revealing insights related to past lives. However, he didn't offer a specific method for directly accessing the Akashic Records.
3. Is reincarnation a proven fact according to Cayce's work? Cayce didn't present reincarnation as a scientifically proven fact but as a spiritual truth revealed through psychic readings. His work is considered by many to be a spiritual, not scientific, exploration of this topic.
4. Does Cayce's belief in reincarnation conflict with religious beliefs? The compatibility of Cayce's views with other religious beliefs is a matter of personal interpretation. Some find his teachings complementary to their faith, while others may find inconsistencies.
5. What is the ultimate goal of reincarnation according to Cayce? According to Cayce, the ultimate goal of reincarnation is spiritual evolution and the attainment of a higher level of consciousness and unity with the divine. This is a continuous process of learning, growth, and self-realization across multiple lifetimes.

edgar cayce on reincarnation: The Reincarnation of Edgar Cayce? Wynn Free, David Wilcock, 2010-06-15 Discover the legacy of the most famous psychic of the 20th-century in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two men shared the same source of prophetic information—and that Wilcock might indeed be Cayce’s reincarnation. Compiling some of Wilcock’s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, The Reincarnation of Edgar Cayce presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

edgar cayce on reincarnation: Edgar Cayce on Reincarnation Noel Langley, Doris Agee, Edgar Cayce, W. H. McGary, Association for Research and Enlightenment, Inc. Staff, Harmon H. Bro, Hugh Lynn Cayce, 1989-06 This collection of case studies, taken from the files of the late clairvoyant Edgar Cayce, explores the concept of reincarnation in terms of the beliefs of Christianity.

edgar cayce on reincarnation: Edgar Cayce on Reincarnation and Family Karma Kevin Todeschi, 2021-10-15 Drawing upon contemporary family relationships, as well as family relationships for individuals who received guidance from Edgar Cayce, this insightful volume examines the activities of reincarnation and karma, especially as they play out in the dynamics of family relationships. All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth. In addition to examining the universal laws of reincarnation and karma, this book illustrates the lawfulness of life, the exacting nature of individual responsibility, and the ever-present hopefulness of personal free

will. In the end, *Edgar Cayce on Reincarnation and Family Karma* makes an enormous contribution to demonstrating that life is a completely lawful experience, that individuals can overcome whatever karmic lessons they seem to be faced with, that free will is completely free, and that God is truly as fair and as loving as we have always wished for our Creator to be.

edgar cayce on reincarnation: *Reincarnation & Karma* Edgar Cayce, 2006-07-11 Of the thousands of discourses Cayce gave, these on reincarnation (how and why it occurs, with hundreds of examples) and karma (the nature of karmic reactions and how to resolve them in your life) are the most popular and insightful--Publisher's description.

edgar cayce on reincarnation: *Many Mansions* Gina Cerminara, 2019-06-25 A bestselling account of the many healings and other works of a legendary psychic and an affirmation of the belief in reincarnation. In this study of one of America's greatest psychics, Edgar Cayce, Gina Cerminara explores the "magnificent possibility" of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce's detailed and expansive files that span decades of his research and practice in the field of psychic phenomena, Cerminara delves into the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, *Many Mansions* will be a revelation to many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of reincarnation. Praise for *Many Mansions* "Dr. Cerminara . . . is one of the most engaging and penetrating scholars in this field. . . . Perhaps the most attractive quality in her writing is the leavening of wit and insight which shines in these pages." —Robert Kirsch, *Los Angeles Times* "Edgar Cayce was clearly one of the most remarkable psychics who ever lived. Gina Cerminara's compelling book is . . . unique and extremely important." —Jeane Dixon

edgar cayce on reincarnation: Edgar Cayce on Reincarnation and Family Karma Kevin J. Todeschi, 2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together. Rather than being some type of unavoidable destiny or a fate about which we can do very little, the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory. Although this memory may draw certain events and individuals to one another, personal free will and the way in which an individual responds to that memory determines her or his actual life experiences. Drawing upon contemporary family relationships, as well as family relationships for individuals who received guidance from Edgar Cayce, this insightful volume examines the activities of reincarnation and karma, especially as they play out in the dynamics of family relationships. All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth. In addition to examining the universal laws of reincarnation and karma, this book illustrates the lawfulness of life, the exacting nature of individual responsibility, and the ever-present hopefulness of personal free will. In the end, *Edgar Cayce on Reincarnation and Family Karma* makes an enormous contribution to demonstrating that life is a completely lawful experience, that individuals can overcome whatever karmic lessons they seem to be faced with, that free will is completely free, and that God is truly as fair and as loving as we have always wished for our Creator to be.

edgar cayce on reincarnation: Edgar Cayce on the Reincarnation of Famous People Kevin J. Todeschi, 1998-06-01 This book presents a thumbnail sketch of each historical personality and an overview of the current individual's life for parallels and similarities. It will give you a better understanding of how reincarnation works over time.

edgar cayce on reincarnation: *Intimates Through Time* Jess Stearn, 1989

edgar cayce on reincarnation: *Edgar Cayce on the Akashic Records* Kevin J. Todeschi, 1998-01-27 The Akashic Records--or Book of Life--is the storehouse of all information for every individual who has ever lived upon the earth, containing every word, deed, feeling, thought, and intent that has ever occurred. This major work is about how each of us is very much in charge of shaping our own destiny. ... [P]rovides examples of how each of us can tap into our own past lives, our present experiences, and our unfolding futures to shape our own destiny.--Publisher's

description.

edgar cayce on reincarnation: *Edgar Cayce on Soul Mates* Kevin J. Todeschi, 1999 Is there really such a thing as soul mates? According to Edgar Cayce, yes. But his definition of soul mates, twin souls, and perfect partners may differ from what you're expecting. For decades, Cayce provided thousands of individuals with insights into the nature of their personal relationships, the dynamics of soul attraction, and the universal laws at work that draw individuals together. What is unique about Todeschi's book is that it explores the development of relationships over time, played out within the framework of reincarnation. In addition to discussing soul mate relationships, their connection to the cyclic pattern of reincarnation, and the nature of loneliness, this book looks at the fundamentals of soul attraction and provides contemporary examples of the same principles discussed by Cayce.

edgar cayce on reincarnation: *Past Lives and Present Karma* Ann Jaffin, 2008-03-01 It was 1923 and a man named Arthur Lammers received a psychic reading from Edgar Cayce when, for the first time in the Cayce readings, a past life was mentioned. In fact, Lammers was told that he was in his third life on earth and had once been a monk. From that point on, and for the rest of his life, Edgar Cayce would give life readings (the second largest group of readings in the set of 14,000 given by Cayce) that discussed how one's past lives were affecting them in their current life. Author Ann Jaffin has pulled together invaluable insights on reincarnation and our purpose here on earth from the rich source of these Cayce readings. Topics include: * How we choose our parents before we are born * Karma as cosmic cause and effect * Knowing our spiritual ideal * Transforming karma into grace * Our free will--God's greatest gift * Planetary sojourns and the role Arcturus plays Jaffin's book will give you a deeper understanding of reincarnation in all its many aspects, while explaining how reincarnation supports us as we strive to fulfill the very purpose of our souls.

edgar cayce on reincarnation: Edgar Cayce on the Reincarnation of Biblical People Kevin J. Todeschi, 1999-11-01 Using quotes from the Cayce readings, this book provides a thumbnail sketch of each biblical personality and presents an overview of that soul's past-life experiences up until the time of the reading. It also provides an understanding of how reincarnation works over time by detailing the similarities and parallels between incarnations.

edgar cayce on reincarnation: *Reincarnation* Lynn Elwell Sparrow, 1995-12-15 American visionary leader and psychic Edgar Cayce opened the eyes of millions of Americans to reincarnation. Now, some of his most astute observations on this fascinating subject are interpreted by Lynn Elwell Sparrow, including: * The purpose of each lifetime * How past lives influence your current choices * Using your past life experiences to meet this life's difficulties constructively * Past relationships--soul mates, twin souls and intertwined past lives * How karma and grace can heal painful memories * Awakening artistic tendencies from past lives * How dreams, speech patterns and reactions to fragrances or sounds can all be clues to your past lives With this book as your guide, you can discover your past lives and develop your ability to make positive choices for life, love and happiness.

edgar cayce on reincarnation: Soul Development Kevin J. Todeschi, 2000 The entire world is on the brink of discovering that there is much more to our existence than that entailed by our day-to-day activities. For ages, people throughout history have asked questions such as: Who am I?

Why am I here? What is the purpose of my life? Now, for the first time, collective humanity is on the threshold of understanding that we truly are spiritual beings.

edgar cayce on reincarnation: *The Edgar Cayce Primer* Herbert Puryear, 1985-02-01 The Edgar Cayce story is one of the most compelling in inspirational literature. Over the course of forty years the Sleeping Prophet time and again closed his eyes, entered an altered state of consciousness, and spoke to the very heart and spirit of mankind on subjects such as health, healing, dreams, meditation, sexuality, and reincarnation. His more than 14,000 readings are preserved at the Association for Research and Enlightenment. And now, with the guidance of Edgar Cayce, we can learn how to mine our psychic strengths for happier and healthier lives. Here are the readings of The Sleeping Prophet, condensed and simplified--the wisdom to help us make the right decisions affecting all facets of our lives. Cayce speaks out on: The sources of psychic development, reincarnation, Karma and grace, dreams, meditation, prayer, personal health (including diet and exercises,) holistic healing, sexuality, spirituality, rejuvenation, religion, spiritual psychology, and much more. Cayce offers us the keys to insight, enlightenment, and total fulfillment.

edgar cayce on reincarnation: The Lives of Edgar Cayce W. H. Church, 1995 Looks at Cayce's alleged incarnations.

edgar cayce on reincarnation: Edgar Cayce's Story of Jesus Edgar Cayce, Jeffrey Furst, 1968

edgar cayce on reincarnation: There Is a River Thomas Sugrue, 2008-11-01 THERE IS A RIVER The Story of Edgar Cayce by THOMAS SUGRUE Revised Edition New York HENRY HOLT AND COMPANY PREFACE HE story of Edgar Cayce properly belongs in the history of hypnosis, as a chapter in evidence for the theories of Armand Marc Jacques de Chastenet, Marquis de Puységur. It was de Puységur, not Mesmer, who in 1784 discovered hypnotism. De Puységur's famous subject Victor went into a sleep instead of a convulsion while being magnetized, and in that state showed remarkable intelligence and apparent powers of clairvoyance. Further experiments brought the same results. Other patients, when put to sleep, showed like powers. Walter Bromberg, in *The Mind of Man* 1 says Dull peasants became mentally alert, and could even foretell events or understand things ordinarily obscure to them. Somnambulists made medical diagnoses in other patients brought before them, and foretold the future. The magnetizer of the 1820s merely brought his patient before a competent somnambulist, and waited for the diagnosis. ... If only modern *The Mind of Man*, by Walter Bromberg, Harper and Brothers, New York, 1937. vii PREFACE science had such aids The clairvoyance of somnambulists became a fascinating game. But the fascinating game was not encouraged, either by the French Academy or by the medical profession, and it suffered the fate of other fads. A generation later Andrew Jackson Davis, the Poughkeepsie Seer, was practicing medical diagnosis by clairvoyance in America, but he remained obscure and is not even mentioned in textbooks and histories of hypnotism. Hypnotism, in fact, will have nothing to do with clairvoyance it has renounced its own mother. Edgar Cayce practiced medical diagnosis by clairvoyance for forty-three years. He left stenographic reports of 30,000 of these diagnoses to the Association for Research and Enlightenment, Inc., along with hundreds of complete case reports, containing affidavits by the patients and reports by physicians. There are hundreds of people throughout the United States who will testify, at the drop of a hat, to the accuracy of his diagnoses and the efficacy of his suggestions for treatment. He did not use his ability except to prescribe for the sick and to give spiritual advice and vocational guidance when these were specifically requested. He never made any public demonstrations of his powers he was never on the stage he never sought any publicity he did not prophesy he did not seek wealth. Often his economic status was quite precarious at best it never rose above modest security. During the period of the Cayce Hospital he was paid only seventy five dollars a week for his services. His unquestioned personal integrity, plus the excellent and voluminous records of his work and the long period that they covered, made him an ideal subject for scientific study. But scientists shunned him. He and his friends regretted this it might have been more evidential if they, not I, had made this report. viii PREFACE I first met Edgar Cayce in 1927. At that time I made most of the preliminary notes and sketches for this book. Since then I have continually added to the material, enjoying the complete co-operation of the members of

the Cayce family, and being accorded access to the files at all times. From June, 1939, to October, 1941, I was a guest in the house on Arctic Crescent, seeing and interviewing Mr. Cayce every day, and examining material from the files. I spent many summers at Virginia Beach, particularly those of 1929, 1930, and 1931. In addition to the members of the Cayce family I have had the good fortune to know intimately most of the other characters in the story. One of the first and most important contributors to my dossier was Mr. Cayce's father, the late Leslie B. Cayce. Another was Carrie Salter House, who with her husband, the late Dr. House, and her son, Tommy, were invaluable aids and staunch friends through the years. I was not privileged to know Mr...

edgar cayce on reincarnation: Reincarnation Lynn Elwell Sparrow, 1988-11

edgar cayce on reincarnation: The Power of Your Mind Edgar Cayce, 2010-03 Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds. In this fascinating book, Cayce illustrates how thoughts are things, that may become crimes or miracles in our lives. He explains how by changing our thinking patterns, we can change our life for the better. He also gives a unique view into our mind at sleep describing the influences motivating our dreams and visions, and showing us how to better interpret them. He clarifies why the dreaming mind is so much more important to us than we realize. He also addresses the need to move away from a too self-centered consciousness, opening up to a larger consciousness with powerful intuition and precognition.

edgar cayce on reincarnation: Edgar Cayce and the Unfulfilled Destiny of Thomas Jefferson Reborn Joanne DiMaggio, 2020-12-04 On June 23, 1936, Edgar Cayce, the most renowned psychic of the 20th century and the father of holistic medicine, gave a Life Reading for Thomas Jefferson (T.J.) Davis, the two-day old nephew of his secretary, Gladys Davis. In this Reading, Cayce identified one of the child's past lives as that of Thomas Jefferson, adding this stunning prediction—that he “may become more important in the affairs of the WORLD than this entity in its previous experience has been to America—Thomas Jefferson.” This book examines all the reasons why that prediction never happened. It is an endearing look at the relationship between Cayce and young T.J., who was tutored by Cayce for the first nine years of the boy's life in preparation for the great work ahead of him. But it also explores how decisions made by T.J.'s absentee parents put their son's soul on a totally different path. For those who make the assumption that a soul that reaches the greatness of a Thomas Jefferson would continue its upward trajectory, this book clearly illustrates the role that free will plays in the outcome of any life. It is a classic case of karma in action, of synchronistic events that make one cringe to think how close and yet how far T.J. was from being the redemption of the world.

edgar cayce on reincarnation: *Edgar Cayce's Famous Black Book* Edgar Cayce, 2018-08-01 Imagine being able to ask the sleeping Edgar a question on almost any topic? Thumbing through his “famous black book” is like stepping back into Cayce's time to gain wisdom straight from the source of universal consciousness that he was known to access. For decades, the Cayce “readings” have stood the test of time, research, and extensive study. Most of the readings dealt with physical health, but countless other topics were explored and included in this volume: dreams, intuition, ancient civilizations, meditation, karma and grace, reincarnation, and much more.

edgar cayce on reincarnation: *Edgar Cayce on Soul Symbolism* Kevin J. Todeschi, 2015-02-14 Edgar Cayce, the most documented psychic of all time, recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment: Creating Life Seals, Creating Aura Charts, and Understanding the Book of Revelation. From Cayce's perspective, a Life Seal is a personal mandala that can be used as a tool for reflection—a reminder of what she or he hopes to accomplish in life. An Aura Chart is a visual depiction of an individual's unique Akashic Record and represents a soul's lessons, attainments, failures and developments over many lifetimes. Cayce's unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images, patterns, and processes that correspond to the awakening of the Higher Self. It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes place and the basic lower nature of

humankind evolves to its higher spiritual nature. You will discover how these tools of symbolism can be used to cultivate your soul talents, to accomplish your mission in life, to overcome weaknesses, to enhance your soul memory, to remember your past lives and even as a means of personal attunement. Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine. In addition, the volume contains examples of Life Seals and Aura Charts from the Cayce files, as well as two dictionaries of symbols for your easy reference.

edgar cayce on reincarnation: Edgar Cayce Sidney Kirkpatrick, 2000 Chronicles the life of American psychic Edgar Cayce and discusses how his work was used by prominent world leaders, scientists, and Hollywood producers.

edgar cayce on reincarnation: Edgar Cayce on Atlantis , 1968

edgar cayce on reincarnation: *Edgar Cayce on Angels and the Angelic Forces* Kevin J. Todeschi, 2019-03-01 Just who are guardian angels, archangels, and divine messengers? Even the words can produce comfort, reassurance, and hope, for they suggest the presence of celestial beings who are concerned for our welfare and are somehow involved in our lives and activities here on earth. Are these emissaries of light spiritual beings that come directly from God? Are they somehow responsible for bringing us information and guidance? If they truly exist, as suggested by the Cayce readings, then what role do they play in our lives, and how can we enhance that role? All of these questions and more are answered in this latest title by bestselling author Kevin J. Todeschi.

edgar cayce on reincarnation: *Beyond Death* Edgar Cayce, 2007-12 Few visionaries have as detailed and expansive a vision of life beyond death as renowned psychic and seer Edgar Cayce, and this latest book presents his discourses on everything from reincarnation to communication with those that have passed on, culminating in the realization of the ultimate purpose for existence.

edgar cayce on reincarnation: *Soul Agreements* Dick Sutphen, 2005-04-25 While in spirit, before you were born, you wrote a script for your life on earth that included soul agreements establishing your relationships with your parents, lovers, children, and others who would affect your life in meaningful ways. Your career directions were planned out, as well as the major challenges you would encounter. This karmic road map was programmed at a soul level and can be examined by psychic researchers like Dick and Tara Sutphen. In his best-selling book, *You Were Born Again to Be Together*, Dick explored the concept of destiny through romantic relationships. In *Soul Agreements* his investigations expand to a variety of cases: a woman born with a severe disability; a couple who came together to experience tragedy; and others who incarnated to be famous, or influential, or to become healers. Once you understand how soul agreements work, Dick teaches how to make the most of your destiny. The more self-actualized you are, the less likely you will be adversely affected by negative life experiences. This awareness shows you how to best override fate and create your own reality of love and success.

edgar cayce on reincarnation: *Here and Hereafter* Ruth Shick Montgomery, 1968 Have you lived before? Will you live again? Fascinating new revelations about the experience of reincarnation from one of today's foremost psychic authorities.

edgar cayce on reincarnation: The World Within Gina Cerminara, 1985

edgar cayce on reincarnation: *Reincarnation* Lynn E. Sparrow, 1988 American visionary leader and psychic Edgar Cayce opened the eyes of millions of Americans to reincarnation. Now, some of his most astute observations on this fascinating subject are interpreted by Lynn Elwell Sparrow, including: * The purpose of each lifetime * How past lives influence your current choices * Using your past life experiences to meet this life's difficulties constructively * Past relationships--soul mates, twin souls and intertwined past lives * How karma and grace can heal painful memories * Awakening artistic tendencies from past lives * How dreams, speech patterns and reactions to fragrances or sounds can all be clues to your past lives With this book as your guide, you can discover your past lives and develop your ability to make positive choices for life, love and happiness.
