esv study bible free download: But God... Casey Lute, 2011-05 Just two words: But God... Understand their use in Scripture and you'll never be the same. Whether from the pen of Moses, Paul, or other biblical authors, But God appears in various forms hundreds of times in the Bible. To understand these two words as they are used in Scripture is to understand the gospel. This book focuses on nine of the most important appearances of this key phrase, drawing in numerous other

passages of Scripture and in the process unfolding the magnificent drama of God's sovereign grace--from his mercy on Noah to our security in a resurrected Savior. James Montgomery Boice wrote, May I put it quite simply? If you understand those two words--'but God'--they will save your soul. If you recall them daily and live by them, they will transform your life completely. Boice was right. To the left of But God in Scripture appear some of the worst human atrocities, characterized by disobedience and rebellion. To the left of But God is hopelessness, darkness, and death. But to its right, following But God, readers of Scripture will find hope, light, and life. Following God's intervention, the story of Scripture becomes one of grace, righteousness, and justice. In fact, this phrase is used to describe God's activity in nearly every great salvation story in the Bible. It is the perfect phrase for highlighting God's grace against the dark backdrop of human sin. But God marks God's relentless, merciful interventions in human history. It teaches us that God does not wait for us to bring ourselves to him, but that he acts first to bring about our good. It also teaches us of the potential consequences if God were not to act. Scripture shows over and over that without God's intervening grace, without the But God statements in the Bible, the world would be completely lost in sin and under judgment. May the reading of this book, and of the biblical But God statements it contains, cause you to understand these two words, recall them regularly, and allow them to transform your understanding of God's grace and thus transform your very life.

In *Fear and Faith*, Trillia will encourage you as she reflects on Scripture and her own story. She will show you Jesus, who was tempted like you in every way. She will show you the character of God and how it inspires faith. And she will show you real women who have walked the road of fear—or are still walking it—and how they have found security in the Lord to be their strength. Whatever your fear, you are not alone, nor are you without hope. You have the One who can replace your fear with faith.

esv study bible free download: Jesus Unleashed John F. MacArthur, 2021-07-13 Walk through the gospel records of the "bold confrontations" of Jesus and discover how to use your newfound knowledge of the person of Jesus to defend the biblical truth of the Christian faith. Do you have any idea who Jesus really is? "What you think of Jesus Christ will thoroughly color how you think about everything else," writes John MacArthur. This is a critical truth in the life of every believer. Your view of Jesus affects the way you view God, the world, and every one of your decisions. These days, Jesus is often portrayed as a pacifist, a philanthropist, or a docile teacher. He strikes a plastic--and sometimes pathetic--pose in the minds of many. Some prefer the meek and mild Jesus who heals the sick, calms fears, and speaks of peace and goodwill. These things do represent a portion of the Messiah. But tragically, too many have never been exposed to the rest of him. They have never seen a full 360-degree view of the Savior. His boldness in the face of confrontation and why that matters. Until now. Abridged from his classic bestseller, The Jesus You Can't Ignore, Jesus Unleashed takes a revealing walk through the gospel records. Like an investigative journalist on a mission, author and teacher John MacArthur shows you a remarkable and compelling picture of Jesus unleashed.

esv study bible free download: Living Waters from Difficult Passages Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer. As the days grow darker it is essential everyone who desires to live for Jesus, understand the difference between Churchianity and Christianity. This book clears a path through the religious jungle, and clearly identifies the Way of Salvation. This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine. What is this book about? It is about everything that pertains to Godliness, and everything that frustrates Godliness. It is about growing in Christ and blossoming in faith, as well as dying to pride and rejecting the world. We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us. This book is a guide to spiritual maturity where we learn to say along with John the Baptist, He must increase, but I must decrease. (John 3:30 KJV) Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3:8-11 has been taught to them: Am I really cursed as a robber of God for failing to pay my tithes? Will I really open up new Heavenly windows of blessing by faithfully paying my tithes? The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace, the plan of salvation, and the Priesthood of Christ

esv study bible free download: The Strong Delusion John W. Milor, 2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth, a deception so intense that only those with a genuine love relationship with God will be able to endure it. Events from the authors own life, including a series of supernatural encounters, have revealed some key components of this strong delusion, which he believes will initiate a grand display

of open contact with extraterrestrials. It will also involve the global rise of Islam. Its no mistake that the faiths of four billion people (Christians and Muslims) include two versions of prophetic visions that are nearly identical, yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon. This book delves into myriad topics, including: Encounters with angels, otherworldly beings, and Jesus Christ; Encounters with demons, ghosts, nephilim, jinns, and mythical creatures; The Bibles explanation of ET good guys and bad guys; The Quran and Hadiths ET connection: Was Muhammad abducted as a boy, and operated on? Was the angel that abducted Muhammad really Gabriel? Were the mysterious jinns of Islam actually surviving nephilim? Is the Quran and Hadiths ideology specifically tailored for the Antichrist? These and other topics harken to ancient times and peer into a not-too-distant future, when the author believes we will see a return to the days of Noah, as prophesied by Jesus.

esv study bible free download: Gospel Theology John Kuyper Liberty, 2021-05-07 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians (inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.
