Understanding the Meaning Behind "Even Eagles Need a Push"

The phrase "even eagles need a push" is more than just a saying; it encapsulates the universal truth that growth often requires external motivation. Eagles symbolize power, independence, and soaring achievements, yet the metaphor reminds us that even those with innate strength can benefit from encouragement. In the context of personal development, this idea highlights the importance of support and guidance in achieving one's goals. It suggests that no matter how capable someone may appear, everyone faces moments of hesitation or fear before taking flight toward new opportunities. Recognizing this can foster empathy and motivate us to be sources of inspiration for ourselves and others.

Origins and Story of the Eagle Metaphor

The Legend of the Mother Eagle

One popular origin story behind "even eagles need a push" is the tale of the mother eagle teaching her eaglets to fly. According to legend, when the time comes for the young eagles to leave the nest, the mother gently nudges them out of their comfort zone—sometimes literally pushing them from the nest. This act is not one of cruelty but of love, as it forces the eaglets to discover their wings and learn to soar. The metaphor has been widely used in motivational literature to illustrate how sometimes a little push is necessary for individuals to realize their true capabilities.

Symbolism of the Eagle

Eagles are revered for their majestic flight and keen vision. In many cultures, they are seen as symbols of freedom, courage, and transcendence. The metaphor draws on these qualities to emphasize that even those who are destined for greatness may need external stimuli to overcome inertia and self-doubt. By understanding the symbolism behind the eagle, we appreciate the depth of the message: growth often demands stepping outside of comfort zones.

The Importance of Encouragement in Personal Growth

Why Motivation Matters

Motivation is a critical driver in personal growth. While self-motivation is essential, external encouragement can provide the spark needed for action. Many individuals struggle with procrastination, fear of failure, or uncertainty when approaching new challenges. A timely push from a mentor, friend, or family member can make all the difference in helping someone realize their potential.

Benefits of Support Systems

- Boosts self-confidence and self-esteem
- Provides accountability
- Offers new perspectives and insights
- Facilitates skill development
- Encourages resilience and perseverance

Having a reliable support system is invaluable. It can motivate individuals to take risks, learn from setbacks, and celebrate achievements. The concept of "even eagles need a push" serves as a reminder to actively seek and offer encouragement within our circles.

Applying the Concept in Leadership

Effective Leadership Strategies

In the realm of leadership, understanding that "even eagles need a push" is fundamental to guiding teams and organizations. Leaders who recognize the need for encouragement can inspire higher performance, foster innovation, and create a culture of growth. Strategic nudges can help team members overcome reluctance and pursue ambitious goals.

Building Confidence in Others

Leaders must balance challenge with support. Providing constructive feedback, setting clear expectations, and celebrating milestones can empower individuals to overcome obstacles. By pushing team members just beyond their comfort zones, leaders enable them to discover new strengths and capabilities.

Parenting Lessons from the Eagle's Push

Encouraging Independence in Children

Parenting often involves guiding children through phases of growth and change. The eagle's push metaphor is particularly relevant in fostering independence and self-reliance. Parents sometimes need to step back and allow their children to experience challenges, knowing that these moments are crucial for development.

Balancing Support and Challenge

While it is natural to protect children from failure, overprotection can hinder growth. Parents can learn from the eagle by providing a safe environment, offering encouragement, and allowing children to take calculated risks. This balance prepares young people to face the world with confidence and resilience.

Overcoming Adversity Through a Gentle Nudge

Facing Life's Challenges

Adversity is a universal experience. The message behind "even eagles need a push" is that facing challenges is often the catalyst for growth. When confronted with obstacles, a supportive push can help individuals break through limitations and achieve breakthroughs.

Transforming Setbacks into Opportunities

Instead of viewing setbacks as failures, the eagle metaphor encourages us to see them as opportunities for learning and transformation. A timely nudge, whether from within or from others, can inspire the courage to persist and adapt in the face of difficulty.

Practical Ways to Give and Receive the Push

How to Encourage Others Effectively

- Offer specific and actionable feedback
- Recognize and celebrate small wins
- Provide resources and guidance
- Model resilience and positivity
- Listen actively and empathetically

Encouragement is most effective when it is personalized and timely. Understanding the unique needs and aspirations of others allows for meaningful support that aligns with the "even eagles need a push" philosophy.

Embracing Encouragement Yourself

Receiving encouragement is equally important. Being open to feedback, seeking mentorship, and embracing challenges can accelerate personal and professional growth. Learning to accept help is a sign of strength, not weakness.

Real-Life Examples of Transformation

Stories of Growth and Achievement

Many successful individuals attribute their achievements to moments when someone believed in their potential and provided a decisive push. From entrepreneurs launching businesses to athletes overcoming obstacles, the pattern is clear: support and encouragement are often the catalysts for greatness.

Lessons from Notable Figures

Historical and contemporary figures alike demonstrate the power of the eagle's push. Whether through mentorship, challenging experiences, or unexpected opportunities, their journeys reflect the transformative impact of timely encouragement.

Final Thoughts on Reaching New Heights

The metaphor "even eagles need a push" serves as a lasting reminder of the value of encouragement, growth, and resilience. By understanding its meaning and applying it across various areas of life, individuals and leaders can foster environments where everyone has the opportunity to soar. The lessons drawn from the eagle's journey emphasize that greatness is not a solitary pursuit—it is often achieved with the help of a gentle push.

Q: What does the phrase "even eagles need a push" mean?

A: The phrase "even eagles need a push" means that everyone, regardless of their strength or potential, sometimes requires encouragement or an external nudge to reach their full capabilities and achieve growth.

Q: Where does the "even eagles need a push" metaphor come from?

A: The metaphor originates from the story of mother eagles pushing their eaglets out of the nest to teach them to fly, highlighting the importance of encouragement in overcoming comfort zones.

Q: How can leaders use the "even eagles need a push" concept?

A: Leaders can use this concept by motivating their teams, providing constructive feedback, and fostering a supportive environment that encourages individuals to take risks and develop new skills.

Q: Why is encouragement important in personal development?

A: Encouragement boosts confidence, provides accountability, and helps individuals overcome self-doubt, making it a vital component of personal development and success.

Q: How does the metaphor apply to parenting?

A: The metaphor teaches parents to balance support and challenge, encouraging children to become independent by allowing them to face and overcome challenges.

Q: What are practical ways to encourage someone who needs a push?

A: Practical ways include offering specific feedback, celebrating achievements, providing resources, modeling resilience, and actively listening to their concerns.

Q: Can setbacks be turned into opportunities with a gentle push?

A: Yes, a supportive nudge can help individuals view setbacks as learning experiences and motivate them to adapt, persist, and succeed.

Q: Who are some notable figures who benefited from encouragement?

A: Many entrepreneurs, athletes, and leaders attribute their success to mentors or supporters who believed in them and provided crucial encouragement at key moments.

Q: Is seeking encouragement a sign of weakness?

A: No, seeking encouragement is a sign of openness to growth and self-improvement, demonstrating strength and a willingness to learn.

Q: How can I embrace the "even eagles need a push" philosophy in my life?

A: You can embrace this philosophy by accepting support, seeking mentorship, offering encouragement to others, and remaining open to new challenges and experiences.

Even Eagles Need a Push: Overcoming Obstacles and Achieving Your Goals

Introduction:

We all admire the majestic eagle, a symbol of strength, freedom, and unparalleled power. They soar effortlessly through the sky, seemingly untouchable. But even these magnificent creatures need a little help sometimes. This isn't a sign of weakness; it's a testament to the fact that even the most capable among us require assistance, guidance, or a timely "push" to reach their full potential. This post delves into the concept of needing external support, even when we're striving for ambitious goals, offering practical strategies to identify when you need a push and how to effectively seek it. We'll explore different types of "pushes," from mentorship and accountability partners to strategic networking and seeking professional help. Get ready to take flight to new heights!

H2: Recognizing When You Need a Push:

Often, the biggest obstacle to achieving our dreams isn't a lack of ability, but a lack of awareness regarding our need for support. Recognizing the signs that you need a push is the crucial first step. Are you:

Stuck in a rut? Feeling stagnant and unable to break through a plateau?

Overwhelmed and stressed? Are you struggling to manage the workload or emotional burden associated with your goals?

Lacking direction or clarity? Feeling lost or uncertain about the next steps in your journey?

Experiencing self-doubt or fear of failure? These negative emotions can be powerful paralyzers.

Procrastinating excessively? Consistent delays are a clear indication that you may need external motivation.

If you answered yes to several of these questions, it's a strong indicator that you might benefit from a "push." Don't be afraid to acknowledge your limitations; it's a sign of strength, not weakness.

H2: Types of "Pushes" and How to Seek Them:

The kind of "push" you need will vary depending on your specific situation and goals. Here are some key types of support to consider:

H3: Mentorship:

Finding a mentor who has already navigated similar challenges can provide invaluable guidance and

support. Mentors offer unique perspectives, share their wisdom, and provide constructive feedback. Actively seek out individuals in your field who inspire you and approach them professionally.

H3: Accountability Partners:

An accountability partner is someone who checks in on your progress and helps you stay on track. This could be a friend, colleague, or family member who understands your goals and is committed to supporting you. Regular check-ins and shared accountability can dramatically improve your chances of success.

H3: Networking and Collaboration:

Expanding your network can open doors to new opportunities and perspectives. Attend industry events, join online communities, and connect with people who share your interests. Collaboration with others can provide support, fresh ideas, and shared resources.

H3: Seeking Professional Help:

Sometimes, the challenges you face are beyond the scope of informal support. Don't hesitate to seek professional help from a therapist, coach, or consultant. These individuals can provide specialized guidance and support tailored to your specific needs.

H2: Overcoming Resistance to Seeking Help:

Many individuals hesitate to ask for help, often due to pride or fear of appearing weak. Overcoming this resistance is vital. Remember that seeking assistance is a sign of strength, not weakness. It demonstrates self-awareness and a commitment to personal growth. Embrace vulnerability; it's a powerful tool for achieving your goals.

H2: Building a Support System:

Cultivating a strong support network is crucial for long-term success. This isn't just about seeking help when you're struggling; it's about building relationships with people who uplift and inspire you. Nurture these relationships, be reciprocal in your support, and celebrate your successes together.

Conclusion:

Even eagles need a push sometimes. The journey to achieving ambitious goals is rarely a solo flight. By recognizing when you need support, understanding the different types of "pushes" available, and actively cultivating a strong support system, you can dramatically increase your chances of success. Embrace the power of collaboration and remember that seeking help is a sign of strength and wisdom.

FAQs:

1. How do I find a mentor? Start by identifying individuals in your field whom you admire. Attend industry events, join professional organizations, and reach out to people who inspire you. A simple,

well-crafted email expressing your admiration and interest in mentorship can be a great starting point.

2. What makes a good accountability partner? A good accountability partner is someone supportive, reliable, and understanding of your goals. They should be able to provide constructive feedback without being judgmental and should be committed to holding you accountable for your progress.

3. Is it okay to ask for help multiple times? Absolutely! Seeking support is an ongoing process. Don't hesitate to reach out for help whenever you need it. Consistency and persistence are key.

4. How do I overcome the fear of appearing weak by seeking help? Remind yourself that seeking help is a sign of strength, not weakness. It demonstrates self-awareness and a commitment to personal growth. Focus on the benefits of receiving support rather than on the potential downsides.

5. What if I can't afford professional help? Explore free or low-cost resources such as online support groups, community programs, or university counseling services. Many organizations offer pro bono services, and scholarships or financial aid may be available.

it helps put your own personal powers to work.

even eagles need a push: Be Your Own Brand David McNally, 2002 This thin book elaborates on the interesting premise that you can achieve deeper, truer personal relationships by managing your life as if it was a marketing campaign and you were a brand. The idea is shocking on the face of it, since the general stereotype of marketing, advertising and branding is not a parallel for deep truth and conviction. On the contrary. It is hard to think of yourself as a marketing object, akin to a bottle of beer or a box of laundry detergent, even if you are clearly out in the world selling yourself. But the initial shock creates enough interest to compel the reader to keep reading. This lightweight, somewhat meandering book offers one fresh idea: you can assess and adjust your impact on others by seeing yourself as a quantifiable branded entity. Otherwise, it ultimately offers little that is particularly new or deep, but - and this is a worthy caveat - getAbstract.com finds that it does provide an amusing, intriguing new perspective on some fundamental and enduring truths about behavior and self-awareness. And, if it proves to be just one more mechanism for understanding and presenting yourself, careers have depended on less.

even eagles need a push: Global Slump David McNally, 2010-12-09 Global Slump analyzes the global financial meltdown as the first systemic crisis of the neoliberal stage of capitalism. It argues that—far from having ended—the crisis has ushered in a whole period of worldwide economic and political turbulence. In developing an account of the crisis as rooted in fundamental features of capitalism, Global Slump challenges the view that its source lies in financial deregulation. The book locates the recent meltdown in the intense economic restructuring that marked the recessions of the mid-1970s and early 1980s. Through this lens, it highlights the emergence of new patterns of world inequality and new centers of accumulation, particularly in East Asia, and the profound economic instabilities these produced. Global Slump offers an original account of the “financialization” of the world economy during this period, and explores the intricate connections between international financial markets and new forms of debt and dispossession, particularly in the Global South. Analyzing the massive intervention of the world’s central banks to stave off another Great Depression, Global Slump shows that, while averting a complete meltdown, this intervention also laid the basis for recurring crises for poor and working class people: job loss, increased poverty and inequality, and deep cuts to social programs. The book takes a global view of these processes, exposing the damage inflicted on countries in the Global South, as well as the intensification of racism and attacks on migrant workers. At the same time, Global Slump also traces new patterns of social and political resistance—from housing activism and education struggles, to mass strikes and protests in Martinique, Guadeloupe, France and Puerto Rico—as indicators of the potential for building anti-capitalist opposition to the damage that neoliberal capitalism is inflicting on the lives of millions.

even eagles need a push: You Can't Send a Duck to Eagle School Mac Anderson, 2015-11-03 An inspiring must-read leadership development book for new managers, seasoned leaders, or anybody in an HR or customer service role. An essential part of being a successful leader is hiring and utilizing the right people who truly represent your company's values. And whatever skills are needed to do the job can be taught and honed into expertise. But no matter how great a manager you are, there are some things you cannot teach: desire, personality and drive. Read it today and put it into action tomorrow. Looking for a team gift, employee gift, or thank you gift for coworkers? You Can't Send a Duck to Eagle School is a great way to say thanks for a job well done, while inspiring your coworkers to develop their own leadership skills.

even eagles need a push: Victory of Eagles Naomi Novik, 2009-05-19 From the New York Times bestselling author of A Deadly Education comes the fifth volume of the Temeraire series, as

Will Laurence and Temeraire struggle to reunite and face the Napoleonic army on London's doorstep. "A story about friendship that transcends not only time and class, but species."—NPR For Britain, conditions are grim: Napoleon's resurgent forces have breached the Channel and successfully invaded English soil. Napoleon's prime objective is the occupation of London. Unfortunately, the dragon Temeraire has been removed from military service—and his captain, Will Laurence, has been condemned to death for treason. Separated by their own government and threatened at every turn by Napoleon's forces, Laurence and Temeraire must struggle to find each other amid the turmoil of war. If only they can be reunited, master and dragon might rally Britain's scattered resistance forces and take the fight to the enemy as never before, for king and country—and for their own liberty. Don't miss any of Naomi Novik's magical Temeraire series HIS MAJESTY'S DRAGON • THRONE OF JADE • BLACK POWDER WAR • EMPIRE OF IVORY • VICTORY OF EAGLES • TONGUES OF SERPENTS • CRUCIBLE OF GOLD • BLOOD OF TYRANTS • LEAGUE OF DRAGONS

even eagles need a push: I Wear the Black Hat Chuck Klosterman, 2013-07-09 One-of-a-kind cultural critic and New York Times bestselling author Chuck Klosterman "offers up great facts, interesting cultural insights, and thought-provoking moral calculations in this look at our love affair with the anti-hero" (New York magazine). Chuck Klosterman, "The Ethicist" for The New York Times Magazine, has walked into the darkness. In *I Wear the Black Hat*, he questions the modern understanding of villainy. When we classify someone as a bad person, what are we really saying, and why are we so obsessed with saying it? How does the culture of malevolence operate? What was so Machiavellian about Machiavelli? Why don't we see Bernhard Goetz the same way we see Batman? Who is more worthy of our vitriol—Bill Clinton or Don Henley? What was O.J. Simpson's second-worst decision? And why is Klosterman still haunted by some kid he knew for one week in 1985? Masterfully blending cultural analysis with self-interrogation and imaginative hypotheticals, *I Wear the Black Hat* delivers perceptive observations on the complexity of the antihero (seemingly the only kind of hero America still creates). As the Los Angeles Times notes: "By underscoring the contradictory, often knee-jerk ways we encounter the heroes and villains of our culture, Klosterman illustrates the passionate but incomplete computations that have come to define American culture—and maybe even American morality." *I Wear the Black Hat* is a rare example of serious criticism that's instantly accessible and really, really funny.

even eagles need a push: Nine Friends Jeannie Seeley-Smith, 2014-10-28

even eagles need a push: Inspired: The Secret of Bob Proctor Linda Proctor, 2018-10-09 We read what motivational speakers teach us, but what do they teach their families behind closed doors?" The Proctor Family shares what they have learned from the godfather of motivation, Bob Proctor. From his nine-year-old grandson relaying how Bob gently explained the meaning of death, to his son's view of money, the Proctor family relay what they have learned from living with Bob Proctor. The chapters are honest, emotional and funny. They expose Bob Proctor's traits as a dad, husband, grandfather and much more!

even eagles need a push: Beloved Beasts: Fighting for Life in an Age of Extinction Michelle Nijhuis, 2021-03-09 Winner of the Sierra Club's 2021 Rachel Carson Award One of Chicago Tribune's Ten Best Books of 2021 Named a Top Ten Best Science Book of 2021 by Booklist and Smithsonian Magazine At once thoughtful and thought-provoking," *Beloved Beasts* tells the story of the modern conservation movement through the lives and ideas of the people who built it, making "a crucial addition to the literature of our troubled time (Elizabeth Kolbert, author of *The Sixth Extinction*). In the late nineteenth century, humans came at long last to a devastating realization: their rapidly industrializing and globalizing societies were driving scores of animal species to extinction. In *Beloved Beasts*, acclaimed science journalist Michelle Nijhuis traces the history of the movement to protect and conserve other forms of life. From early battles to save charismatic species such as the American bison and bald eagle to today's global effort to defend life on a larger scale, Nijhuis's "spirited and engaging" account documents "the changes of heart that changed history" (Dan Cryer, *Boston Globe*). With "urgency, passion, and wit" (Michael Berry, *Christian Science*

Monitor), she describes the vital role of scientists and activists such as Aldo Leopold and Rachel Carson, reveals the origins of vital organizations like the Audubon Society and the World Wildlife Fund, explores current efforts to protect species such as the whooping crane and the black rhinoceros, and confronts the darker side of modern conservation, long shadowed by racism and colonialism. As the destruction of other species continues and the effects of climate change wreak havoc on our world, *Beloved Beasts* charts the ways conservation is becoming a movement for the protection of all species including our own.

even eagles need a push: Fellowship Point Alice Elliott Dark, 2022-07-05 NATIONAL BESTSELLER “Engrossing...studded with wisdom about long-held bonds.” —People, Book of the Week “Enthralling, masterfully written...rich with social and psychological insights.” —The New York Times Book Review “A magnificent storytelling feat.” —The Boston Globe The “utterly engrossing, sweeping” (Time) story of a lifelong friendship between two very different “superbly depicted” (The Wall Street Journal) women with shared histories, divisive loyalties, hidden sorrows, and eighty years of summers on a pristine point of land on the coast of Maine, set across the arc of the 20th century. Celebrated children’s book author Agnes Lee is determined to secure her legacy—to complete what she knows will be the final volume of her pseudonymously written Franklin Square novels; and even more consuming, to permanently protect the peninsula of majestic coast in Maine known as Fellowship Point. To donate the land to a trust, Agnes must convince shareholders to dissolve a generations-old partnership. And one of those shareholders is her best friend, Polly. Polly Wister has led a different kind of life than Agnes: that of a well-off married woman with children, defined by her devotion to her husband, a philosophy professor with an inflated sense of stature. She strives to create beauty and harmony in her home, in her friendships, and in her family. Polly soon finds her loyalties torn between the wishes of her best friend and the wishes of her three sons—but what is it that Polly wants herself? Agnes’s designs are further muddled when an enterprising young book editor named Maud Silver sets out to convince Agnes to write her memoirs. Agnes’s resistance cannot prevent long-buried memories and secrets from coming to light with far-reaching repercussions for all. “An ambitious and satisfying tale” (The Washington Post), *Fellowship Point* reads like a 19th-century epic, but it is entirely contemporary in its “reflections on aging, writing, stewardship, legacies, independence, and responsibility. At its heart, *Fellowship Point* is about caring for the places and people we love...This magnificent novel affirms that change and growth are possible at any age” (The Christian Science Monitor).

even eagles need a push: *The Eagle of the Ninth* Rosemary Sutcliff, 2000 One of Rosemary Sutcliff’s acclaimed books set in Roman Britain. *The Eagle of the Ninth* tells the story of a young Roman officer who sets out to discover the truth behind the mysterious disappearance of the Ninth Legion, who marched into the mists of northern Britain and never came back. Rosemary Sutcliff spent most of her life in a wheelchair, suffering from the wasting Still’s disease. She wrote her first book for children, *The Queen’s Story*, in 1950 and went on to become a highly respected name in the field of children’s literature. She received an OBE in 1975 and died at the age of 72 in 1992.

even eagles need a push: *Eagle and Empire* Alan Smale, 2017-05-16 The award-winning author of *Clash of Eagles* and *Eagle in Exile* concludes his masterly alternate-history saga of the Roman invasion of North America in this stunning novel. Roman Praetor Gaius Marcellinus came to North America as a conqueror, but after meeting with defeat at the hands of the city-state of Cahokia, he has had to forge a new destiny in this strange land. In the decade since his arrival, he has managed to broker an unstable peace between the invading Romans and a loose affiliation of Native American tribes known as the League. But invaders from the west will shatter that peace and plunge the continent into war: The Mongol Horde has arrived and they are taking no prisoners. As the Mongol cavalry advances across the Great Plains leaving destruction in its path, Marcellinus and his Cahokian friends must summon allies both great and small in preparation for a final showdown. Alliances will shift, foes will rise, and friends will fall as Alan Smale brings us ever closer to the dramatic final battle for the future of the North American continent. Praise for *Eagle and Empire* “Smale delivers in spades . . . the best of the trilogy. Highly recommended.”—Historical Novels

Review "The pace . . . is breathless and the action relentless. . . . A satisfying culmination to the adventures of a Roman warrior in the New World."—Kirkus Reviews "The final volume of Smale's Clash of Eagles trilogy is relentless, with characters and readers hardly getting a breath before the next threat comes crashing down. . . . Smale's hard-hitting and satisfying conclusion will be a must for his readers, as the trilogy will be for any fan of alternate history."—Publishers Weekly (starred review) "[Eagle and Empire] had awesome worldbuilding, worthy and interesting characters, and a great plot. . . . Altogether, a very satisfying journey."—The Nameless Zine

even eagles need a push: The Book of Why Judea Pearl, Dana Mackenzie, 2018-05-15 A Turing Award-winning computer scientist and statistician shows how understanding causality has revolutionized science and will revolutionize artificial intelligence Correlation is not causation. This mantra, chanted by scientists for more than a century, has led to a virtual prohibition on causal talk. Today, that taboo is dead. The causal revolution, instigated by Judea Pearl and his colleagues, has cut through a century of confusion and established causality -- the study of cause and effect -- on a firm scientific basis. His work explains how we can know easy things, like whether it was rain or a sprinkler that made a sidewalk wet; and how to answer hard questions, like whether a drug cured an illness. Pearl's work enables us to know not just whether one thing causes another: it lets us explore the world that is and the worlds that could have been. It shows us the essence of human thought and key to artificial intelligence. Anyone who wants to understand either needs The Book of Why.

even eagles need a push: Be Your Own Brand David McNally, Karl Speak, 2010-12-13 In this second edition of their classic book on personal brand, David McNally and Karl Speak show that developing a personal brand is not about constructing a contrived image. Rather, it is a process of discovering who you really are and what you aspire to be. The hallmark insight of this new edition is that the best way to establish a strong and memorable brand is to make a positive difference in the lives of others through making lasting impressions that build trusting relationships. McNally and Speak take you through the process of identifying the key components of your brand, conveying that brand to the world, checking how closely your brand aligns with important relationships in your life—particularly the one with your employer—and assessing your progress along the way. This thoroughly revised and updated edition features new material on how to use social media to build a powerful personal brand and case studies of individuals whose personal brands have changed the world.

even eagles need a push: I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

even eagles need a push: Firekeeper's Daughter Angeline Boulley, 2021-03-16 A PRINTZ MEDAL WINNER! A MORRIS AWARD WINNER! AN AMERICAN INDIAN YOUTH LITERATURE AWARD YA HONOR BOOK! A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK An Instant #1 New York Times Bestseller Soon to be adapted at Netflix for TV with President Barack

Obama and Michelle Obama's production company, Higher Ground. "One of this year's most buzzed about young adult novels." —Good Morning America A TIME Magazine Best YA Book of All Time Selection Amazon's Best YA Book of 2021 So Far (June 2021) A 2021 Kids' Indie Next List Selection An Entertainment Weekly Most Anticipated Books of 2021 Selection A PopSugar Best March 2021 YA Book Selection With four starred reviews, Angeline Boulley's debut novel, *Firekeeper's Daughter*, is a groundbreaking YA thriller about a Native teen who must root out the corruption in her community, perfect for readers of Angie Thomas and Tommy Orange. Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

even eagles need a push: Scoring the Player Samantha Lind, 2018-02-08 Cocky, man whore, player.... Those are all ways I have been described by the media and countless women. Are they accurate? Possibly. But, that's all I let the media see of me, Brian Kelly, defensive player for the Indianapolis Eagles Hockey team. I have no intentions of settling down and changing the media's perception of me. I can't tell if women are after me for my bank account, the status symbol of being with a professional athlete, or if they really want me for me. Then I meet her. The one woman who doesn't let my charm affect her or cause her to jump directly into my bed. Can I possibly change my ways and settle down? Grounded, selfless, giving.... Those are all the ways my family and friends have described me. Are they right? Possibly. But, I'm so much more, and need some passion and excitement in my life. My best friend is moving on and I want that someone special to share all that life has to offer. Let it be known that I, Kinley Williams, want the right someone special. So why did he have to crash into me? The one man who is so clearly wrong for me. Then again, he doesn't seem like anything the tabloids claim him to be. So is he really all that wrong?

even eagles need a push: The Sage's Tao Te Ching William Martin, 2000 Completing the trilogy that began with the Parent's Tao Te Ching (praised as pure gold by Hugh Prather) and continued with the Couple's Tao Te Ching (a singular book, said George Fowler), William Martin now distills and freshly reinterprets the Tao for sages, or those in the second half of life. As Martin writes, sages are the primary keepers and transmitters of wisdom, culture, values, and spirituality. Martin's free-verse interpretation captures the ancient spirit of Lao Tzu's text, yet speaks directly to modern readers. The text is accompanied by a visual interpretation of the Tao in more than 50 original ink-brush drawings. Like the Parent's Tao and Couple's Tao before it, the Sage's Tao has the hallmarks of a classic. You have ceased trying /To tie up all loose ends./You have discovered/That life does not need to be neat/You have more questions than answers,/And this is a great delight to you./You trust the mystery of life/Without having to possess it. - from the book

even eagles need a push: Even Eagles Need a Push David McNally, 1994-08-30 Discover your strengths, live your dreams! Let go of fear. Discover your true sense of purpose. Find success with dignity. Deal with personal crises. Discover your answers in the book that will forever change the way you feel about your work, your dreams, and yourself, as it helps put your own personal powers to work.

even eagles need a push: Eagle in the Snow Wallace Breem, 2004-02 Banished to the Empire's farthest outpost, veteran warrior Paulinus Maximus defends The Wall of Britannia from the constant onslaught of belligerent barbarian tribes. Bravery, loyalty, experience, and success lead to Maximus' appointment as General of the West by the Roman emperor, the ambition of a lifetime. But with the title comes a caveat: Maximus needs to muster and command a single legion to defend the perilous Rhine frontier. On the opposite side of the Rhine River, tribal nations are uniting; hundreds of thousands mass in preparation for the conquest of Gaul, and from there, a sweep down into Rome itself. Only a wide river and a wily general keep them in check. With discipline, deception, persuasion, and surprise, Maximus holds the line against an increasingly desperate and innumerable foe. Friends, allies, and even enemies urge Maximus to proclaim himself emperor. He refuses, bound by an oath of duty, honor, and sacrifice to Rome, a city he has never seen. But then circumstance intervenes. Now, Maximus will accept the purple robe of emperor, if his scrappy legion can deliver this last crucial victory against insurmountable odds. The very fate of Rome hangs in the balance. Combining the brilliantly realized battle action of *Gates of Fire* and the masterful characterization of Mary Renault's *The Last of the Wine*, *Eagle in the Snow* is nothing less than the novel of the fall of the Roman empire.

even eagles need a push: *Let's Close a Deal* Christine Clifford, 2013-03-08 Close deals with major corporations, organizations or individuals who can propel your business to the next level When you think about it, our entire lives revolve around selling. Whether we sell as part of our business, serve on a committee of a non-profit organization, or negotiate for a new job/car/house, we are pitching, hearing, and closing deals every day. *Let's Close a Deal* articulates the intuitive process that identifies how and why a deal will appeal, and then demonstrates in step-by-step detail how to present your deal in a compelling way. The sales process is not about coercion; it's about compassion. The closing part of a negotiation should honor everyone involved instead of taking advantage of them. We make our decisions based on the manner in which information is presented to us, and what we believe will be the best deal. *Let's Close a Deal* explains how to present information so persuasively that it increases the likelihood of getting a yes. Demonstrates how finding the human perspective is key to closing any deal Articulates the sale from conception, preparation, presentation to close Author Christine Clifford is a sought-after professional speaker and author of eight books including *You, Inc.* The Art of Selling Yourself, coauthored with Harry Beckwith. Author has direct experience closing major deals, having taken her company from a million dollar per year loss to over \$54 million in sales and having signed the largest contract in the history of her industry with Procter & Gamble, doubling the size of her company overnight Increase your business's chance for success by improving your ability to secure profitable partnerships. *Let's Close a Deal* shows you how.

even eagles need a push: The Eagle's Conquest Simon Scarrow, 2001 When Centurion Macro arrives on the shores of Britain to take part in the Emperor Claudius's invasion in the summer of AD 43, he knows he will be facing one of the toughest campaigns of his battle-scarred career. But nothing could have prepared him for the brutality and bravery of the British warriors. In a series of bloody battles, Macro and his young subordinate, Optio Cato, and the desperately outnumbered Roman army, must find and defeat the enemy before he can grow strong enough to overwhelm the legions. But the Britons are not the only foe facing Macro and Cato. A sinister organisation opposed to the Emperor is secretly betraying the brave men of the legions. And when rumours of an assassination attempt coincide with the Emperor's arrival on British soil, the soldiers realise they are up against a force more ruthless than their acknowledged enemy, and that time is running out if they are to prevent Claudius's glorious victory turning to disaster.

even eagles need a push: An Eagle in the Snow Michael Morpurgo, 2015-10-08 The powerful new novel from the master storyteller - inspired by the true story of one man who might have stopped World War II.

even eagles need a push: *Gone for Lunch* Laura Archer, 2017-08-15 Rediscover the pleasure of taking a real lunch break, and improve your health, happiness, and productivity. Statistics show that only one-third of American workers leave their desk to take a lunch break, which has a negative effect on productivity, creativity, and innovation. *Gone for Lunch* is a friendly, fun, and inspirational book that offers readers ideas for how they can reclaim their lunch break! With a challenge included for every week of the year, each activity is designed to be suitable for anyone anywhere—at home or at work, in the city or the countryside. Drawing buildings, trying yoga, volunteering, going for bike rides, handwriting letters: her challenges range from indoor to outdoor, active to sedentary, and the health benefits are endless.

even eagles need a push: *Tcl/Tk in a Nutshell* Paul Raines, Jeff Tranter, 1999-03-25 The Tcl language and Tk graphical toolkit are simple and powerful building blocks for custom applications. The Tcl/Tk combination is increasingly popular because it lets you produce sophisticated graphical interfaces with a few easy commands, develop and change scripts quickly, and conveniently tie together existing utilities or programming libraries. One of the attractive features of Tcl/Tk is the wide variety of commands, many offering a wealth of options. Most of the things you'd like to do have been anticipated by the language's creator, John Ousterhout, or one of the developers of Tcl/Tk's many powerful extensions. Thus, you'll find that a command or option probably exists to provide just what you need. And that's why it's valuable to have a quick reference that briefly describes every command and option in the core Tcl/Tk distribution as well as the most popular extensions. Keep this book on your desk as you write scripts, and you'll be able to find almost instantly the particular option you need. Most chapters consist of alphabetical listings. Since Tk and mega-widget packages break down commands by widget, the chapters on these topics are organized by widget along with a section of core commands where appropriate. Contents include: Core Tcl and Tk commands and Tk widgets C interface (prototypes) Expect [incr Tcl] and [incr Tk] Tix TclX BLT Oratcl, SybTcl, and Tclodbc

even eagles need a push: *Eagle Strike* Anthony Horowitz, 2006-02-16 Alex Rider is now an IMDb TV/Amazon Original Series! Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time—from #1 New York Times bestselling author! Sir Damian Cray is a philanthropist, peace activist, and the world's most famous pop star. But still it's not enough. He needs more if he is to save the world. Trouble is, only Alex Rider recognizes that it's the world that needs saving from Sir Damian Cray. Underneath the luster of glamour and fame lies a twisted mind, ready to sacrifice the world for his beliefs. But in the past, Alex has always had the backing of the government. This time, he's on his own. Can one teenager convince the world that the most popular man on earth is a madman bent on destruction--before time runs out?

even eagles need a push: *Bubbe & Zaide* Anne-Marie Asner, 2020-08-24 Bubbe & Zaide stars the grandparents of the Matzah Ball Books gang during a visit of their grandkids to their house. That day, true to their namesakes, Noshy Boy eats everything he gets his hands on, Shmutzy Girl makes a messy art project, Klutzy Boy clumsily breaks a window and Shluffy Girl sleeps any where and every where. But Bubbe and Zaide only see the good in their grandkids. Even Kvetchy Boy's complaints are seen as observant, because when you love someone, you look for the good. A true testament to unconditional grandparent love. For ages 0-7 years old. And grandparents, of course. :)

even eagles need a push: *Duel of Eagles* Jeff Long, 1990 The true and dramatic of the battle for Texas ; what lead to the Alamo and what followed from it.

even eagles need a push: *Haunted* Kelley Armstrong, 2010-09 Eve Levine, who is half-demon, black witch and devoted mother, must hunt a supernatural creature called the Nix, which possesses people contemplating murder and compels them to finish the deed.

even eagles need a push: *Mindful Money Matters* Susan K Zimmerman, 2017-07-19 Mindful money helps you grow your financial self-awareness as you navigate personal planning decisions.

You'll discover the 8 money motives and personality rascals that can bring strength or mischief to your financial life. Memorable acronyms teach you important therapeutic methods; you can tailor your journey to the pace and depth you prefer.

even eagles need a push: Rock Me on the Water Ronald Brownstein, 2021-03-23 In this exceptional cultural history, Atlantic Senior Editor Ronald Brownstein—"one of America's best political journalists (The Economist)—tells the kaleidoscopic story of one monumental year that marked the city of Los Angeles' creative peak, a glittering moment when popular culture was ahead of politics in predicting what America would become. Los Angeles in 1974 exerted more influence over popular culture than any other city in America. Los Angeles that year, in fact, dominated popular culture more than it ever had before, or would again. Working in film, recording, and television studios around Sunset Boulevard, living in Brentwood and Beverly Hills or amid the flickering lights of the Hollywood Hills, a cluster of transformative talents produced an explosion in popular culture which reflected the demographic, social, and cultural realities of a changing America. At a time when Richard Nixon won two presidential elections with a message of backlash against the social changes unleashed by the sixties, popular culture was ahead of politics in predicting what America would become. The early 1970s in Los Angeles was the time and the place where conservatives definitively lost the battle to control popular culture. Rock Me on the Water traces the confluence of movies, music, television, and politics in Los Angeles month by month through that transformative, magical year. Ronald Brownstein reveals how 1974 represented a confrontation between a massive younger generation intent on change, and a political order rooted in the status quo. Today, we are again witnessing a generational cultural divide. Brownstein shows how the voices resistant to change may win the political battle for a time, but they cannot hold back the future.

even eagles need a push: Oh, Play That Thing Roddy Doyle, 2011-12-14 It's 1924, and New York is the centre of the universe. Henry Smart, on the run from Dublin, lands on his feet. After the 1916 Rebellion, Henry Smart is running from the Republicans for whom he committed murder and mayhem. Lying to the immigration officer, avoiding Irish eyes that might recognise him, hiding the photograph of himself with his wife because it shows a gun across his lap, he throws his passport into the river and forges a new identity. He's a handsome man with a sandwich board, behind which he stashes hooch for the speakeasies of the Lower East Side. He catches the attention of the mobsters who run the district and soon there are eyes on his back and men in the shadows. It is time to leave, for another America... The Depression is sending folks to ride the rails in search of a new life and new hope, and all trains lead to Chicago. As Henry's past tries to catch up with him, he takes off on a journey to the great port, where music is everywhere. Chicago is wild and new, and newest of all is the music. Furious, wild, happy music played by a man with a trumpet and bleeding lips called Louis Armstrong. His music is everywhere, coming from every open door, every phonograph. But Armstrong is a prisoner of his colour; there are places a black man cannot go, things he cannot do. Armstrong needs a man, a white man, and the man he chooses is Henry Smart.

even eagles need a push: From Ant to Eagle Alex Lyttle, 2017-04-01 My name is Calvin Sinclair, I'm eleven years old and I have a confession... I killed my brother. It's the summer before grade six and Calvin Sinclair is bored to tears. He's recently moved from a big city to a small town and there's nothing to do. It's hot, he has no friends and the only kid around is his six-year-old brother, Sammy, who can barely throw a basketball as high as the hoop. Cal occupies his time by getting his brother to do almost anything: from collecting ants to doing Calvin's chores. And Sammy is all too eager - as long as it means getting a Level and moving one step closer to his brother's Eagle status. When Calvin meets Aleta Alvarado, a new girl who shares his love for Goosebumps books and adventure, Sammy is pushed aside. Cal feels guilty but not enough to change. At least not until a diagnosis makes things at home start spinning out of control and he's left wondering whether Sammy will ever complete his own journey... Tender, direct, and honest.—Kirkus Reviews An honest portrayal of love, loss, and friendship. —School Library Journal A moving and ultimately hopeful book.—Booklist This book is heart-breaking, gut-wrenching, and awe-inspiring.... highly recommend

this book to fans of the book *Wonder* by R. J. Palacio, but i think that any reader will enjoy this excellent debut novel from Alex Lyttle. —JacobtheBookworm, Goodreads This is touching, moving, beautiful story and I can't recommend it enough. Even though its target audience is upper middle grade, everyone should read this. Did you watch that television show *Red Band Society*? My teenager daughter and I loved that show and this book had that seem feel but from the perspective of the non-ill sibling. Nicola Yoon's *Everything, Everything* was released in September of 2015 and the hype that followed was out of control. The hype for this book needs to surpass that. —Candace, Goodreads Check out Alex Lyttle's other book: *The Rise of Winter* The Critics Agree: From Ant to Eagle, like *The Bridge to Terabithia* and *Out of My Mind*, shouldn't be missed. Read this award-winning book today! Winner, Red Cedar Award 2019 Winner, Silver Birch Fiction Award 2018 Winner, Rocky Mountain Book Award 2019 Finalist, Alberta Writers Guild 2019 Finalist, Foreword Indies Book of the Year 2017

even eagles need a push: *Can't Slow Down* Michaelangelo Matos, 2020-12-08 A Rolling Stone-Kirkus Best Music Book of 2020 The definitive account of pop music in the mid-eighties, from Prince and Madonna to the underground hip-hop, indie rock, and club scenes Everybody knows the hits of 1984 - pop music's greatest year. From *Thriller* to *Purple Rain*, *Hello* to *Against All Odds*, *What's Love Got to Do with It* to *Wake Me Up Before You Go-Go*, these iconic songs continue to dominate advertising, karaoke nights, and the soundtracks for film classics (*Boogie Nights*) and TV hits (*Stranger Things*). But the story of that thrilling, turbulent time, an era when Top 40 radio was both the leading edge of popular culture and a moral battleground, has never been told with the full detail it deserves - until now. *Can't Slow Down* is the definitive portrait of the exploding world of mid-eighties pop and the time it defined, from Cold War anxiety to the home-computer revolution. Big acts like Michael Jackson (*Thriller*), Prince (*Purple Rain*), Madonna (*Like a Virgin*), Bruce Springsteen (*Born in the U.S.A.*), and George Michael (*Wham!'s Make It Big*) rubbed shoulders with the stars of the fermenting scenes of hip-hop, indie rock, and club music. Rigorously researched, mapping the entire terrain of American pop, with crucial side trips to the UK and Jamaica, from the biz to the stars to the upstarts and beyond, *Can't Slow Down* is a vivid journey to the very moment when pop was remaking itself, and the culture at large - one hit at a time.

even eagles need a push: *The Book of Dragons* Jonathan Strahan, 2020-07-07 R. F. Kuang, Kate Elliott, Todd McCaffrey, Garth Nix, Peter S. Beagle, and other fantasy and science fiction masters take on the greatest mythical beast. From China to Europe, Africa to North America, dragons have long captured our imagination in myth and legend. Whether they are rampaging beasts awaiting a brave hero to slay or benevolent sages who have much to teach humanity, dragons are intrinsically connected to stories of creation, adventure, and struggle beloved for generations. Bringing together nearly thirty stories and poems from some of the greatest science fiction and fantasy writers working today— Garth Nix, Scott Lynch, R. F. Kuang, Ann Leckie & Rachel Swirsky, Daniel Abraham, Peter S. Beagle, Beth Cato, Zen Cho, C. S. E Cooney, Aliette de Bodard, Amal El-Mohtar, Kate Elliott, Theodora Goss, Ellen Klages, Ken Liu, Seanan McGuire, Patricia A McKillip, K. J. Parker, Kelly Robson, Michael Swanwick, Jo Walton, Elle Katharine White, Jane Yolen, Kelly Barnhill, Brooke Bolander, Sarah Gailey, and J. Y. Yang—and illustrated by award-nominated artist Rovina Cai with black-and-white line drawings specific to each entry throughout, this extraordinary collection vividly breathes fire and life into one of our most captivating and feared magical creatures as never before and is sure to become a treasured keepsake for fans of fantasy, science fiction, and fairy tales. “A treasure trove of wonder.” —Publishers Weekly (starred review) “A heaping hoard of literary gems that fans of dragon-powered stories will surely treasure.” —Kirkus Reviews (starred review) “Seems almost certain to be the most significant fantasy anthology of 2020.” —Locus

even eagles need a push: *Clash of Eagles* Leo Rutman, 1990 Hitler has conquered Europe. Now his armies have crossed the Atlantic and swooped down on the greatest prize of all, America.

even eagles need a push: *Sisters Are Cashing In* Marilyn French Hubbard, 2000-01-01 By the founder of the National Association of Black Woman Entrepreneurs, Inc. Create Freedom, Wealth, Power Whatever amount you have in your purse right now, you have enough to make your

financial dreams come true. Despite their annual spending of over \$200 billion, African-American women are not realizing their full potential. *Sisters Are Cashing In* will help you discover the power within yourself to be wealthy – no matter what your age, income, or lifestyle. Marilyn French Hubbard offers insights into the emotional, mental, and spiritual factors that can lead you into debt and poverty. But she also presents strategies to break these negative patterns and discover the kind of freedom, wealth, and power that comes from having your life in order, doing what you love for a living, and making a contribution to the success of others.
