

dulce air force base

dulce air force base is one of the most enigmatic and talked-about locations in American military lore. Frequently cited in conspiracy theories, UFO research, and discussions about secret military operations, the base has captured the imagination of researchers, skeptics, and enthusiasts alike. Situated near Dulce, New Mexico, this facility is rumored to be a hub of advanced technology, covert experiments, and even extraterrestrial encounters. Over the years, the stories surrounding dulce air force base have grown, blending documented facts with speculation and myth. This article explores the origins, reported activities, popular theories, and real-world impact of the base, while also addressing its role in local culture and ongoing debates. Delve into the details of dulce air force base to uncover why it remains a focal point of intrigue, controversy, and fascination among both the public and experts.

Overview and History of Dulce Air Force Base

Dulce Air Force Base is often described as a highly secretive underground facility located near the small town of Dulce, New Mexico. While there is no official confirmation from the U.S. government regarding the existence of such a base, stories and rumors have persisted since the late 1970s. The legend of the base began when various witnesses and researchers reported unusual activity in the area, including sightings of unidentified flying objects and strange military presence.

According to accounts, dulce air force base is purportedly operated by a combination of U.S. military personnel and other classified agencies. Some sources claim it dates back to the Cold War era, with its initial construction linked to the need for secure, remote locations for advanced research. Over time, the base has become central to numerous theories involving secret experiments, genetic engineering, and even human-alien cooperation. Despite the lack of concrete evidence, the facility's lore continues to grow, drawing attention from the media and the public.

Location and Physical Features

Geographical Setting

Dulce Air Force Base is believed to be situated beneath Archuleta Mesa, a prominent geological feature near Dulce, New Mexico. The mesa's remote location and rugged terrain make it an ideal spot for clandestine operations, according to theorists. The town itself lies within the Jicarilla Apache Reservation, adding to the base's mysterious reputation due to limited civilian access and oversight.

Alleged Underground Facilities

Rumors suggest that the base consists of multiple underground levels, each dedicated to different types of research and operations. These levels are said to include laboratories, hangars, living quarters, and secure vaults. Some stories describe advanced transportation systems, such as subterranean railways and elevators, designed to facilitate movement between sections of the base.

- Laboratories for genetic and technological experiments
- Security zones with restricted access
- Living and working quarters for personnel
- Storage areas for advanced equipment
- Command and control centers

While there is no verified documentation of such infrastructure, these descriptions have become a staple in discussions about Dulce Air Force Base, fueling speculation and investigation.

Reported Activities and Operations

Military Research and Experimentation

Theories about the activities conducted at Dulce Air Force Base vary widely. Some claim that the facility is involved in classified military research, including weapons development, advanced aerospace projects, and electronic warfare. Others suggest that the base is a hub for testing new surveillance technologies and intelligence-gathering techniques.

Genetic Engineering and Biological Experiments

A recurring theme in reports about Dulce Air Force Base is the allegation of genetic engineering and biological experimentation. Witnesses and researchers have described experiments involving humans and animals, ranging from cloning projects to the creation of hybrid species. These claims, while unsubstantiated, have contributed significantly to the base's reputation as a site of unconventional science.

Extraterrestrial Research and Collaboration

Among the most sensational stories are those involving contact and cooperation with extraterrestrial beings. Some theorists allege that alien species collaborate with military scientists at Dulce Air Force Base, sharing advanced technologies and participating in joint experiments. These accounts often include details about underground chambers where interspecies meetings supposedly occur, though no credible evidence supports these claims.

Conspiracy Theories and UFO Connections

The Dulce Papers and Whistleblower Testimonies

The legend of Dulce Air Force Base gained momentum in the 1980s with the publication of the so-called Dulce Papers and statements from alleged whistleblowers. Paul Bennewitz, a prominent UFO researcher, was among the first to publicize stories about alien activity and government secrecy in Dulce. Other individuals have claimed to witness strange lights, flying objects, and unmarked aircraft in the vicinity of Archuleta Mesa.

Popular Conspiracy Theories

Several conspiracy theories have emerged regarding the true nature of Dulce Air Force Base. These include:

- Secret treaties between the U.S. government and extraterrestrials
- Mass abductions and experimentation on civilians
- Development of advanced weaponry using alien technology
- Cover-ups and misinformation campaigns to hide the base's existence

Though these theories lack substantiation, they continue to circulate widely, contributing to the enduring mystery surrounding the facility.

UFO Sightings and Paranormal Reports

Dulce and the surrounding region have been the focus of numerous UFO sightings and paranormal reports. Witnesses have described unexplained lights, unusual aircraft maneuvers, and other phenomena that some attribute to activities at the base. These incidents have attracted attention from both local residents and national media, further cementing Dulce Air Force Base's status as a hotspot for unexplained events.

Impact on Local Community and Culture

Economic and Social Effects

The legend of Dulce Air Force Base has had a notable impact on the local community around Dulce, New Mexico. While there is no direct evidence of the base's existence, its reputation draws tourists, researchers, and media crews, contributing to the local economy. Annual conferences and events focused on UFOs and conspiracy theories provide opportunities for local businesses and promote cultural exchange.

Role in Popular Culture

Dulce Air Force Base has become a fixture in popular culture, appearing in books, documentaries, and even fictional media. Its status as a mysterious and potentially extraterrestrial site has inspired countless creative works and discussions. The base's story is frequently compared to other famous locations like Area 51, further amplifying its visibility in both scientific and entertainment circles.

Community Perspectives and Reactions

Local residents have mixed feelings about the attention focused on Dulce Air Force Base. Some view the stories as beneficial to tourism and business, while others express concern about misrepresentation and the spread of misinformation. The Jicarilla Apache community, in particular, emphasizes respect for their land and traditions, urging outside researchers to approach the topic with sensitivity.

Scientific Perspectives and Debunking

Lack of Concrete Evidence

Mainstream scientists and government officials generally dismiss claims about Dulce Air Force Base as unfounded. Investigations by independent researchers and journalists have failed to uncover verifiable proof of the base's existence or the alleged activities. Most experts attribute the stories to misinterpretations of natural phenomena, local military exercises, or deliberate hoaxes.

Psychological and Cultural Factors

The enduring fascination with Dulce Air Force Base can be partially explained by psychological and cultural factors. Remote locations, secretive government operations, and unexplained events often fuel speculation and conspiracy theories. The human tendency to seek hidden meaning and fear the unknown plays a significant role in the persistence of these stories.

Official Statements and Investigations

To date, there have been no official statements confirming the existence of Dulce Air Force Base. Government agencies and military representatives consistently deny knowledge of such a facility. Investigations by reputable organizations have concluded that the base is likely a product of folklore and popular imagination rather than fact.

Frequently Asked Questions

Is Dulce Air Force Base real?

There is no official confirmation or credible evidence supporting the existence of Dulce Air Force Base. Most accounts are based on rumors, conspiracy theories, and anecdotal reports rather than documented facts.

Where is Dulce Air Force Base supposedly located?

Dulce Air Force Base is said to be located beneath Archuleta Mesa near the town of Dulce, New Mexico, on the Jicarilla Apache Reservation.

What activities are reported to take place at Dulce Air Force Base?

Reported activities include advanced military research, genetic experiments, and alleged collaboration with extraterrestrial beings. However, none of these claims are substantiated by credible evidence.

Why is Dulce Air Force Base associated with UFOs?

The base is linked to UFOs due to numerous reports of unidentified flying objects and strange phenomena in the area, often attributed to secret military operations or extraterrestrial technology.

Has any evidence been found to prove the existence of Dulce Air Force Base?

No verifiable evidence has been found to prove the existence of Dulce Air Force Base. Most investigations conclude that the stories are speculative or based on misunderstandings.

How has Dulce Air Force Base affected the local community?

The legend has impacted the local economy through tourism and media attention but also led to concerns about misinformation and cultural sensitivity among residents.

What are the most popular conspiracy theories about Dulce Air Force Base?

Popular conspiracy theories include secret government-alien treaties, advanced weapon development, mass abductions, and covert genetic experiments.

Are there any annual events or conferences related to Dulce Air Force Base?

Yes, Dulce hosts annual UFO conferences and related events that attract researchers, enthusiasts, and tourists interested in the base and its legends.

How does Dulce Air Force Base compare to Area 51?

Both sites are central to conspiracy theories and UFO lore, but Area 51 is a confirmed military facility, while Dulce Air Force Base remains unverified and rooted in speculation.

What do scientists say about the Dulce Air Force Base stories?

Mainstream scientists generally regard the stories as folklore, citing a lack of evidence and attributing

the tales to psychological and cultural factors.

Dulce Air Force Base: Unveiling the Truth Behind the Mystery

The name "Dulce Air Force Base" conjures images of clandestine operations, extraterrestrial encounters, and government cover-ups. While officially no such base exists, the legend persists, fueled by persistent rumors and conspiracy theories that have captivated the public imagination for decades. This article delves into the fascinating history of this alleged base, exploring the origins of the myth, the evidence (or lack thereof) supporting it, and the enduring allure of its enigmatic reputation. We'll separate fact from fiction, providing a comprehensive look at the Dulce Base story and its impact on popular culture.

The Genesis of the Dulce Legend

The story of Dulce Air Force Base first gained traction in the late 1970s and early 1980s, primarily through the accounts of Paul Bennewitz, a New Mexico businessman who claimed to possess evidence of a vast underground facility near Dulce, New Mexico. Bennewitz's claims, amplified by later authors and conspiracy theorists, included descriptions of sophisticated technology, genetic experimentation, and even collaboration with extraterrestrial beings. This narrative resonated with a public already intrigued by UFO sightings and government secrecy, creating a fertile ground for the Dulce myth to flourish.

Key Elements of the Dulce Base Conspiracy Theory

Several key elements consistently appear in accounts of Dulce Base:

Underground Facility: The core of the legend centers on a massive, multi-level underground complex said to be hidden beneath the surface. Descriptions vary, but the facility is often portrayed as incredibly advanced and technologically superior to anything publicly known.

Extraterrestrial Involvement: A recurring theme is the alleged collaboration between the US government and extraterrestrial entities within the base. This involves claims of reverse engineering alien technology and potentially even holding captured extraterrestrials.

Human Experimentation: Allegations of unethical human experimentation, including genetic manipulation and cloning, are frequently linked to the Dulce Base story. These claims often cite a high level of secrecy and disregard for human life.

Government Cover-up: The narrative inherently relies on a significant government cover-up to explain the lack of official confirmation or refutation of the base's existence. This element plays into broader distrust of government agencies and their actions.

Debunking the Dulce Base Myth: A Critical Analysis

Despite the enduring popularity of the Dulce Base story, critical examination reveals significant weaknesses in its foundation. There is no credible evidence, such as photographs, blueprints, or eyewitness testimonies from reliable sources, to support the existence of such a facility.

Lack of Physical Evidence:

The complete absence of any verifiable physical evidence is a major flaw. If such a massive underground complex existed, it would be almost impossible to completely conceal its construction and ongoing operations. Satellite imagery, geological surveys, and even anecdotal evidence from local residents would likely reveal some indication of its existence.

Questionable Sources and Uncorroborated Claims:

The primary sources for the Dulce Base story are largely based on anecdotal accounts and hearsay, lacking the rigor and verifiability required for credible evidence. Many accounts contradict each other, and the original sources often have questionable credibility.

The Power of Conspiracy Theories:

The enduring appeal of the Dulce Base myth highlights the powerful influence of conspiracy theories in shaping public perception. The desire to explain the unknown, coupled with mistrust of authority, creates a receptive audience for such narratives, even in the absence of substantial evidence.

The Enduring Legacy of Dulce Air Force Base

Regardless of its factual basis, the Dulce Air Force Base legend continues to fascinate and inspire. It serves as a powerful example of how myth and speculation can intertwine with real anxieties about government secrecy and the unknown. The story's persistent popularity reflects broader cultural concerns about technological advancements, ethical boundaries, and the potential for hidden truths. It provides a compelling case study in the sociology of belief and the construction of narratives in the absence of concrete evidence.

Conclusion:

The Dulce Air Force Base remains a captivating enigma. While the lack of verifiable evidence strongly suggests that the claims surrounding it are fictional, its enduring presence in popular culture speaks volumes about our collective fascination with the unknown and our inherent skepticism towards authority. The story serves as a reminder of the power of narrative and the enduring human need to make sense of the world, even when confronted with a lack of concrete answers.

FAQs:

1. Is there any official acknowledgment of Dulce Air Force Base? No, there is no official acknowledgment from any government agency of a facility matching the descriptions in the Dulce Base legend.
2. Where did the Dulce Base story originate? The story's origins trace back to the claims of Paul Bennewitz in the late 1970s and early 1980s.
3. What types of alleged activities occur at Dulce Base? Allegations include extraterrestrial collaboration, human experimentation, and advanced technological research.
4. Why does the Dulce Base myth persist? The myth's persistence is fueled by a combination of factors, including a desire to explain the unknown, mistrust of government secrecy, and the inherent fascination with conspiracy theories.
5. What is the significance of the Dulce Base story in broader cultural terms? The Dulce Base story showcases the power of narratives and conspiracy theories to shape public perception and reflects anxieties about government secrecy, technological advancements, and ethical boundaries.

dulce air force base: *Dulce Base* Greg Strandberg, 2015-02-16 The U.S. government has allowed the Grays, a race of extra-terrestrials from the Zeta Reticuli system, to establish a foothold on Earth at a place called Dulce Base, a secret underground base near the Archuleta Mesa in New Mexico. This came about after President Eisenhower signed a treaty with them at Holloman Air Force Base in 1953, but following a surprise attack on the humans of the base in 1975, the treaty was deemed worthless and the U.S. government was in a bind. Fast forward to 1979. A group of Special Forces – all “dead” Vietnam vets – are assembled with the sole task of taking the base back or destroying it. When ungodly horrors are discovered on the base's deepest levels, however, the mission changes from one of search and destroy to one of rescue. Aided by six super soldiers impervious to the mind attacks of the Grays, the men fight for humanity in an epic sci-fi battle you can't afford to miss.

dulce air force base: *Dulce Base* Greg Valdez, 2013-07-05

dulce air force base: *Project Beta* Greg Bishop, 2005-02-08 The shocking true story of the United States government's quest to hide the reality of extraterrestrial contact, even at the cost of its citizens. In 1978, Paul Bennewitz, an electrical physicist living in Albuquerque, New Mexico, became convinced that the strange lights he saw hovering in the night sky were extraterrestrial. He reached out to newspapers, senators, and even the president before anyone responded. Air Force investigators listened to his story, as did Bill Moore, the author of the first book on the infamous Roswell UFO incident. Unbeknownst to Bennewitz, Moore was hired by a group of intelligence agents to keep tabs on Bennewitz while the Air Force ran a psychological profile and disinformation campaign on the unsuspecting physicist. In return, Air Force Intelligence would let Moore in on classified UFO material. What follows is a scandalous true tale of disinformation, corruption, and

exploitation, all at the hands of the United States intelligence community.

dulce air force base: Underground Alien Bio Lab at Dulce: The Bennewitz UFO Papers

Timothy Green Beckley, Sean Casteel, 2012-03 IS THE TOWN OF DULCE, NEW MEXICO THE LOCATION OF AN UNDERGROUND BASE GUARDED BY U.S. FORCES AND INHABITED BY A GROUP OF SINISTER EXTRATERRESTRIALS? OR IS ALL THE UFO AND PARANORMAL ACTIVITY IN THE AREA MERELY A FALSE FLAG DESIGNED TO ACT AS A CONVENIENT COVER STORY FOR SECRET BLACK PROJECT OPERATIONS? OR PERHAPS SOMETHING EVEN MORE SINISTER IS TAKING PLACE AT THIS LOCAL AS SUGGESTED BY RADIO HOST JC JOHNSON WHEN HE ASKS, Are the beings working with the government there in fact demons whose evil exceeds anything we may think we know about aliens in Dulce? It is an absolutely incredible story, says Timothy Green Beckley, editor of the Conspiracy Journal. Since the mid to late 1970s there have been all sorts of rumors about an underground laboratory beneath the town of Dulce. The UFO Hunters show on the History Channel recently featured the entire saga of what has been taking place on Native American soil, and a few days later George Noory and Coast to Coast AM plunged head first trying to make sense out of the various accounts that have surfaced. Beckley admits that it is difficult to pin-point exactly when this macabre saga started to develop. But he gives credit to an engineer named Paul Bennewitz for getting the ball rolling when Bennewitz says he was called to the area when aliens started to communicate with him over a radio receiver. He had been directed to Dulce after observing UFOs over Kirkland Air Force Bases nuclear storage facility. Standing near the tall cliffs outside Dulce, Bennewitz took a series of photographs showing unidentified craft diving into the mountains through what he claimed were entrance ways that could be opened and closed. Around the same time there was a dramatic increase in animal mutilations in the vicinity and at least one person, Christa Tilton came forward to claim that she was abducted and taken to this subterranean facility. Her full report and all the information which makes for a startling cosmic Dragnet story are included in this far reaching work. One individual in the U.S. military who was involved in the early stages of this investigation claims he engaged in hand to hand combat with ETs who had taken over level seven of the Dulce Base after a conflict with our soldiers. Another person involved in this epic committed suicide shortly after the Dulce affair was made public. Much has been speculated upon regarding this sinister matter. But this is the complete work that contains balanced information and details from all sides. First time ever interview with Paul Bennewitz who was pushed over the edge never to return to sanity.

dulce air force base: *The Dulce Wars* Branton, 1999 IN THE CORNER OF A SMALL TOWN IN AMERICA'S SOUTHWEST SOMETHING VERY STRANGE IS GOING ON IS AN ALIEN FIFTH COLUMN ALREADY ACTIVE ON EARTH PREPARING TOTAL CONQUEST VIA IMPLANTATION'S AND MIND CONTROL? According to the author -- who only used his first name for privacy reasons (and because he is deathly afraid) -- The repercussions of what is taking place here will soon be felt throughout the whole country, when the beast has reached out with its deadly tentacles to invade our seemingly impregnable fortress, causing it to crumble and fall. Did U.S. Military Forces perish recently in hand-to-hand combat with a group of hostile Greys who subsequently seized control of one of our Top-Secret underground bases? And has the New World order established an unholy alliance with this group of ETs? In Dulce, New Mexico, seemingly everything has gone haywire, becoming the epicenter of: Cattle mutilation phenomena. . .Energy Grids. . .Secret Societies. . .Underground Anomalies. . .Conspiracies Between Townsfolk and Outsiders. . . Unexplained Legends and Mythology Concerning Various Lost Civilizations. . . Geomagnetic Enigmas. . .Abductions and Missing Time. . .Hostile Alien Beings. . .Peculiar Sounds and Movements Coming From Beneath The Earth. As discussed on the History Channel, Coast to Coast, and TheParaCast.Com

dulce air force base: Alien Underground Bases - Blue Planet Project #8 Gil Carlson, 2015-12-02 The Complete Guide to Extraterrestrial Bases on Earth Hundreds of strange and mysterious locations that have revealed amazing, bizarre technology. While there are numerous Deep Underground Military Bases (DUMBS), and even several joint military/alien bases such as Dulce this new book: Alien Underground Bases, covers the secret alien locations which government

and military leaders around the world pretend don't exist. While some of these locations may have been home to aliens thousands of years ago and are most likely abandoned today (has anyone gone down there to double-check?), many others could very well still be active! What could be going on there? How about strange and mysterious scientific and military preparations? Genetic experiments involving humans, animals and plant life? While many may scoff at the idea of secret alien bases, consider that the U.S. Government takes the release of this information very seriously. Would they be so paranoid about this if there wasn't anything to it?

dulce air force base: *The 37th Parallel* Ben Mezrich, 2016-09-06 A real-life mix of The X-Files and Close Encounters of the Third Kind, Mezrich "writes vividly and grippingly...A terrific story...[that] will make a heck of a movie" (The Washington Post). Here is the "fascinating" (Publishers Weekly) true story of a computer programmer who tracks paranormal events in remote areas of the western United States and is drawn deeper and deeper into a mysterious conspiracy. Like Agent Mulder of The X-Files, microchip engineer and sheriff's deputy Chuck Zukowski is obsessed with tracking down UFO reports in Colorado. He even takes the family with him on weekend trips to look for evidence of aliens. But this innocent hobby takes on a sinister urgency when Zukowski learns of mutilated livestock—whose exsanguination is inexplicable by any known human or animal means. Along an expanse of land stretching across the southern borders of Utah, Colorado, and Kansas, Zukowski documents hundreds of bizarre incidences of mutilations, and discovers that they stretch through the heart of America. His pursuit of the truth draws him deeper into a vast conspiracy, and he journeys from Roswell and Area 51 to the Pentagon and beyond; from underground secret military caverns to Native American sacred sites; and to wilderness areas where strange, unexplained lights traverse the sky at extraordinary speeds. Inspiring and terrifying, Mezrich's "dramatic narrative...connects dots we didn't even know existed...Something's clearly happening out there in the high meadows and along desert highways" (Kirkus Reviews). The 37th Parallel will make you, too, wonder if we are really alone.

dulce air force base: *A Town Like Alice* Nevil Shute, 2010-01-26 'Probably more people have shed tears over the last page of A Town Like Alice than about any other novel in the English language... remarkable' Guardian Jean Paget is just twenty years old and working in Malaya when the Japanese invasion begins. When she is captured she joins a group of other European women and children whom the Japanese force to march for miles through the jungle - an experience that leads to the deaths of many. Due to her courageous spirit and ability to speak Malay, Jean takes on the role of leader of the sorry gaggle of prisoners and many end up owing their lives to her indomitable spirit. While on the march, the group run into some Australian prisoners, one of whom, Joe Harman, helps them steal some food, and is horrifically punished by the Japanese as a result. After the war, Jean tracks Joe down in Australia and together they begin to dream of surmounting the past and transforming his one-horse outback town into a thriving community like Alice Springs... With an introduction by Eric Lomax, author of The Railway Man

dulce air force base: *Blue Planet Project* Gil Carlson, 2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter

relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as Above Top Secret and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

dulce air force base: *Underground Bases and Tunnels* Richard Sauder, 1995 Go behind the scenes into little-known corners of the public record and discover how corporate America has worked hand-in-glove with the Pentagon for decades -- dreaming about, planning, and actually constructing secret underground bases. And newly-uncovered information indicates that the strangeness continues with bizarre, high-tech gadgets like portable, hand-held surgical lasers and injectable electronic IDs as small as a grain of rice!

dulce air force base: *Underwater & Underground Bases* Richard Sauder Ph.D., 2014-01-22 Dr. Richard Sauder's second book *Underwater and Underground Bases* is an explosive, eye-opening sequel to his best-selling, *Underground Bases and Tunnels: What is the Government Trying to Hide?* Dr. Sauder lays out the amazing evidence and government paper trail for the construction of huge, manned bases offshore, in mid-ocean, and deep beneath the sea floor! Bases big enough to secretly dock submarines! Official United States Navy documents, and other hard evidence, raise many questions about what really lies 20,000 leagues beneath the sea. Many UFOs have been seen coming and going from the world's oceans, seas and lakes, implying the existence of secret underwater bases. Hold on to your hats: Jules Verne may not have been so far from the truth, after all! Dr. Sauder also adds to his incredible database of underground bases onshore. New, breakthrough material reveals the existence of additional clandestine underground facilities as well as the surprising location of one of the CIA's own underground bases. Plus, new information on tunneling and cutting-edge, high speed rail magnetic-levitation (MagLev) technology. There are many rumors of secret, underground tunnels with MagLev trains hurtling through them. Is there truth behind the rumors? *Underwater and Underground Bases* carefully examines the evidence and comes to a thought provoking conclusion!

dulce air force base: *Military Encounters with Extraterrestrials* Frank Joseph, 2018-09-11 The first, comprehensive military history of armed confrontations between humans and extraterrestrials • Includes documentation of incidents from World War I, World War II, the Korean War, the Vietnam War, the Gulf War, and the ongoing hostilities in the Middle East • Reveals the U.S. Navy's defeat in Antarctica by ETs, the shoot-down of "flying saucers" at Roswell, alien sabotage of nuclear weapons, in-flight abductions of USAF and Soviet officers, and photographic evidence of the Battle of Los Angeles • Explains the link between the development of atomic bombs and ballistic missiles and the increase in extraterrestrial intervention in the 20th century Although close encounters with alien space craft are reported as far back as the reign of Pharaoh Thutmose III in Egypt, it wasn't until the 20th century that UFO sightings and extraterrestrial encounters were truly documented, due to advances in technology and record-keeping as well as the vast increase in incidents, particularly with military forces. Revealing his extensive research and the verifiable evidence he's discovered, Frank Joseph presents a comprehensive military history of armed confrontations between humans and extraterrestrials in the 20th and 21st centuries. He explains how, with the development of atomic bombs and ballistic missiles, the frequency of extraterrestrial

intervention in human affairs increased dramatically. He documents incidents both famous and little known, including the explosive demolition of U.S. munitions factories in 1916 by unearthly aerial vehicles, the Red Baron's dogfight with a UFO during World War I, "foo fighter" sightings and battles with Allied and Axis combatants during World War II, and eye-witness reports from encounters during the Korean War, the Vietnam War, the Gulf War in Iraq, and the ongoing hostilities in the Middle East. He examines the evidence for the shoot-down of "flying saucers" at Roswell and Aztec, New Mexico, alien sabotage of nuclear weapons systems, and in-flight abductions of USAF and Soviet officers and airplanes. He explores the photo evidence for the Battle of Los Angeles, which occurred three months after Pearl Harbor, and the details of Operation Highjump, the U.S. Navy's defeat in Antarctica by ET forces 17 months after the atomic bomb was dropped on Nagasaki, while also uncovering evidence of secret Antarctic German bases. The author also examines recent, 21st-century examples of alien interdiction in Earthly affairs, such as the meltdown of the Fukushima Daiichi nuclear plant in Japan and the fiery abort of Elon Musk's Falcon 9 missile launch, both events accompanied by UFOs. Offering complete disclosure of the multitude of ET events over the past century, Frank Joseph gives us the first true reference book in the field of alien military encounters.

dulce air force base: *Welcome to FOB Haiku* Randy Brown, 2015-11-13 Sherpatude no. 26: 'Humor is a combat multiplier ...' Has your war become workaday? Does life on the Forward Operating Base (FOB) now seem commonplace? Armed with deadpan snark and poker-faced patriotism -- and rooted in the coffee-black soil and plain-spoken voice of the American Midwest -- journalist-turned-poet Randy Brown reveals behind-the-scenes stories of U.S. soldier-citizenship. From Boot Camp to Bagram, Afghanistan. And back home again. --

dulce air force base: *Knowledge from the Stars* Wes Bateman, 1993-06-01 The author of *Dragons and Chariots* and the four *Ra Books* shares his thirty-year adventure as a Federation telepath, and the wisdom brought to Earth through his telepathic connections.

dulce air force base: Incident at Devils Den: A True Story, by Terry Lovelace, Esq Terry Lovelace, 2019-12-02 A true story of the 1977 alien abduction as told by a former Assistant Attorney General and USAF veteran. He and a friend were taken while remote camping in an Arkansas State Park. Includes the 2012 x-rays of an alien implant discovered on a routine x-ray. It was the catalyst to tell the story he had to retire before he could tell.

dulce air force base: The First World War - A Marxist Analysis of the Great Slaughter Alan Woods, 2019-06-27 On 28 June 1914, two pistol shots shattered the peace of a sunny afternoon in Sarajevo. Those shots reverberated around Europe and shattered the peace of the whole world. This was the beginning of the Great Slaughter. Could it have been avoided? Alan Woods uses the method of Marxism to answer this question. He explains that, actually, whilst individuals play an important role in history, to explain events such as wars, one must look at deeper causes. As well as dealing with the origin of the war, Woods traces the conflict through its development, looking at the role of all the major actors, and their aims. He shows how in the midst of the despair of the trenches and the home front, a new consciousness was formed. He also makes the case that it was the German Revolution that brought the war to an end, and how a revolutionary wave swept across Europe. The book also looks at the Treaty of Versailles and how the victorious powers imposed the deal, not just on Germany, but the rest of Europe and the Middle East. Given the amount of nationalistic mystification from all sides about the First World War, a history of the subject from the standpoint of the world working class is essential and it is provided by this book.

dulce air force base: *UFO Highway 2.0: Revisiting the Hidden Expanse* Anthony F. Sanchez, 2024-01-24 Get ready to embark on a riveting expedition into the hidden expanses of 'UFO Highway 2.0: Revisiting the Hidden Expanse.' This gripping odyssey takes you deep into the heart of the unexplained, where the realms of alien technology, secrecy, and otherworldly encounters converge. In each chapter, you'll unravel the enigma surrounding UFOs and Unidentified Aerial Phenomena (UAP), diving into the world of adversarial advances, secret arms races, and UAP aerospace. Explore the clandestine depths of top-secret underground facilities, where classified mysteries lurk beneath

the surface. 'The Dulce Interview' will captivate your imagination as you delve into an astonishing dialogue, while 'Harbinger And Deceiver' takes you on a journey through a tragic convergence of secrets. Witness the enigmatic 'Bennewitz Craft Photo' and uncover the astonishing reality of the 'Underground Maglev Rail.' Venture into the depths of 'Vaults, Aliens, And Covert Ops,' and grapple with the mysteries of 'The Greys and Progenitors' and 'The Reptilians.' Chapter after chapter, you'll be transported into the world of UFOs, Greys, abductions, and cattle mutilations, shedding light on these perplexing phenomena. Dive deep into the conundrum of 'MJ-12' in UFO research, and explore the captivating case for alien intervention in 'Human Origins.' Whether you're a seasoned enthusiast or a curious explorer of the unknown, 'UFO Highway 2.0' offers a comprehensive and eye-opening journey into the hidden realms of the unexplained. Join us as we revisit the hidden expanse, and prepare to challenge your perceptions of reality. Join author Anthony F. Sanchez (2024 MUFON International Symposium - Panelist and Speaker) on this captivating journey as you unravel the mysteries of UFOs and UAPs, one chapter at a time. [UFO Highway 2.0 - Revisiting the Hidden Expanse] - THE REVIEWS. An incredible story; an incredible book. - George Noory, Coast to Coast AM I want you to understand that, despite all I've been exposed to, 'UFO Highway' is truly heavy duty. Very heavy duty. - Linda Moulton Howe, American Investigative Journalist I for one am convinced that there is something going on beneath Dulce. Just how deep into the past does this go? I think you should read 'UFO Highway' for yourself. - Sean Stone, American Actor, Filmmaker, and Television Host I found myself constantly drawn to its pages, revisiting different chapters time and again. It's a polished and compelling masterpiece! - Leslie S. Mitts, Author I highly recommend this to people who have knowledge and expertise in this field. It is not a primer but rather a source of primary information. For that reason, being such a hard-to-find book, is the way research goes. - Dr. Victor S. Alpher, Ph.D., Doctor of Philosophy and Editorial Consultant, Austin, Texas

dulce air force base: MEGA BOOK. The Real And Secretive World Of Aliens And UFOs Known Only To 75 Americans. Maximillien De Lafayette, 2014-09-09

dulce air force base: Project Rabbit Hole Al Tyas, 2019 Al Tyas uses his personal experiences as a retired paranormal investigator, case studies, research and exclusive interviews to give a new and modern look into the supernatural, how it may be changing in the dawn of a new, technological age, and new dangers that we face when we encounter these elusive beings.

dulce air force base: The Paranormal and the Paranoid Aaron Gulyas, 2015-06-11 Toward the end of the twentieth century, science fiction television took a dark turn. Series like The X-Files, Millennium, and Dark Skies wove menacing technologies, paranormal forces, and shadowy government agencies into complex tales of corruption and cover-ups. Mind control, alien abductions, secret government laboratories, and implacable "men in black" moved from the fringes to the mainstream of American culture, making weekly appearances in living rooms everywhere. Other series that played on fears of new technologies—such as virtual reality—set the stage for unfamiliar kinds of exploitation, while Dark Angel offered glimpses of a near-future wasteland devastated by a technological catastrophe. In The Paranormal and the Paranoid: Conspiratorial Science Fiction Television, Aaron John Gulyas explores the themes that permeated and defined science fiction television at the turn of the millennium. The author traces the roots of this phenomenon in an earlier generation of series including The Invaders, Kolchak: The Night Stalker, and Project U.F.O. and examines how changes in the cultural landscape led to the proliferation of these types of shows. This book delves into the internal mythology of shows like The X-Files, resurrects now-forgotten series like Wild Palms and VR.5, and provides an important glimpse into American culture at the close of the twentieth century. While exploring the pervasive grimness of these shows, Gulyas also examines how they offer hope in the form of heroes—like agents Scully and Mulder—who relentlessly dug through the tissue of lies and distortions to find and expose the truth. The Paranormal and the Paranoid will appeal to scholars of media studies, sociology, and science fiction—not to mention fans of these programs and even conspiracy theorists.

dulce air force base: Area 51 Annie Jacobsen, 2011-05-17 This compellingly hard-hitting bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top-secret

military base for the first time (New York Times). It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government — but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In *Area 51*, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, *Area 51* weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make.

dulce air force base: *Pâtisserie at Home: Step-by-step recipes to help you master the art of French pastry* Will Torrent, 2020-03-10 Perfect the art of French pâtisserie with over 70 classic recipes from award-winning pastry chef Will Torrent.

dulce air force base: *Dulce Truths* Greg Strandberg, 2018-10-02 Dulce Base may have been destroyed, but the conspiracy around it and the dark forces working behind the scenes have not. Traitors are afoot in Blue Lake base, and neither the Dutchman nor his son are safe. That's clear when the murders start. The super soldiers that went into Dulce are now forced to run through time and space in a desperate attempt to save their world, and countless others. For sci-fi, ufology and conspiracy lovers...this book has it all! The Black Knight Satellite The 177th Time Travel Division Secret Moon Bases Alien Motherships around Venus & Mercury & the Moon The 1989 & 1991 Russian UFO Crashes Majestic 12 Alien Abductions Hybrids Lemurians The Atlantis/Reptilian Connection The Reptilian Invasion of Lyra Bkti, the Alien Crash Survivor The Lost Planet Maldech Hitler & Antarctica The Hollow Earth Theory Paul Bennewitz John Titor And a whole lot more! Stop waiting and buy this book. You're about to go on one helluva wild ride!

dulce air force base: *Alien Research* Gini Koch, 2013-12-03 Sci-fi action meets steamy paranormal romance in Gini Koch's Alien novels, as Katherine "Kitty" Katt faces off against aliens, conspiracies, and deadly secrets. • "Futuristic high-jinks and gripping adventure." —RT Reviews When rumors of a new super-drug surface, the FBI comes to Jeff and Kitty Katt-Martini for help. It becomes quickly apparent that the drug is merely the tip of a deadly iceberg and a much more insidious plan is underway involving Titan Security, Gaultier Enterprises, and YatesCorp. As newly discovered A-Cs and hybrids begin to surface, each with expanded and deadly talents, more and more signs point to a new evil genius who's using the A-Cs and their enemies both as guinea pigs. Then Area 51 and the Dulce Science Center go silent while Alpha Team, Airborne, and most of the worldwide A-C Security team are there for training. And if that's not bad enough, Centaurion Division is hit with more bad, and deadly, news: Chernobog the Ultimate, isn't a hacker myth, he's a real person -- and he's on the bad guys' side. Now Kitty and company must find the real Dr. Feelgood and stop him or her before the latest version of Surcenthumain hits the streets and more people they love are harmed, or worse. But when the inconceivable happens, Kitty's focused on two things only: reviving the ACE entity before their enemies realize Earth's best protection isn't actually active...and revenge.

dulce air force base: *A Culture of Conspiracy* Michael Barkun, 2003 Unravelling the genealogies and permutations of conspiracist worldviews, this work shows how this web of urban legends has spread among sub-cultures on the Internet and through mass media, and how this

phenomenon relates to larger changes in American culture.

dulce air force base: Mental Health, Cultural Values, and Social Development R.C. Nann, D.S. Butt, L. Ladrado-Ignacio, 2013-03-14 It is not easy for a layman to attract attention to a book like this. Most who open the cover will be professionals in one of the many aspects of mental health. A moment's thought tells us, however, that if there is a distinction between laymen and professionals it makes no difference to a book like this. Both laymen and professionals care about what will be. That is why this book, the Congress it reports and the World Federation for Mental Health itself can be meaningful to both laymen and professional people. A look into the 80's from the point of view of mental health, cultural values and social development is for all who care about the future. The 1981 Manila Congress of the World Federation for Mental Health was a unique and special gathering. It was the first time the Federation assembled for a Congress in a developing country. In the Philippines we enjoyed the over whelming hospitality and charm of the people and a place where past and future seem as important as the present. All who attended from outside those magic islands will always remember the occasion as a special life experience. For those of you who did attend, this book can revive the stimulation and satisfaction of the Congress. For those of you who did not share the Manila experience, this book can inform and interest you about matters which are important.

dulce air force base: The Collected Poems of Wilfred Owen Wilfred Owen, 1965-01-17 "The very content of Owen's poems was, and still is, pertinent to the feelings of young men facing death and the terrors of war." —The New York Times Book Review Wilfred Owen was twenty-two when he enlisted in the Artists' Rifle Corps during World War I. By the time Owen was killed at the age of 25 at the Battle of Sambre, he had written what are considered the most important British poems of WWI. This definitive edition is based on manuscripts of Owen's papers in the British Museum and other archives.

dulce air force base: Alien Log Robert Farrell, 2004 Two scientists--linguist Wendy Ahearn and an astrophysicist Corey Newton--are hired to decode an alien artifact found at a UFO crash site in 1953. From a secret base the base in an Arizona mountain Colonel Pete Mitchell aids Newton and Ahearn in their mission to decode the artifact. Time is critical and failure could doom human civilization as we know it. The President, a dying general who discovered it, and Pete's team are the only people who know the artifact exists. At least, that's what they believe. Farrell takes the reader to the ancient Sumerian culture where humans displayed a quantum leap in mathematics and human development, as if tutored by a higher form. The author also tackles the present as higher beings watch over humankind to make sure to avert annihilation via newfound discovery of nuclear power.

dulce air force base: The Cambridge History of Fifteenth-Century Music Anna Maria Busse Berger, Jesse Rodin, 2020-01-09 Through forty-five creative and concise essays by an international team of authors, this Cambridge History brings the fifteenth century to life for both specialists and general readers. Combining the best qualities of survey texts and scholarly literature, the book offers authoritative overviews of central composers, genres, and musical institutions as well as new and provocative reassessments of the work concept, the boundaries between improvisation and composition, the practice of listening, humanism, musical borrowing, and other topics. Multidisciplinary studies of music and architecture, feasting, poetry, politics, liturgy, and religious devotion rub shoulders with studies of compositional techniques, musical notation, music manuscripts, and reception history. Generously illustrated with figures and examples, this volume paints a vibrant picture of musical life in a period characterized by extraordinary innovation and artistic achievement.

dulce air force base: One Hundred Years of Chemical Warfare: Research, Deployment, Consequences Bretislav Friedrich, Dieter Hoffmann, Jürgen Renn, Florian Schmaltz, Martin Wolf, 2017-11-26 This book is open access under a CC BY-NC 2.5 license. On April 22, 1915, the German military released 150 tons of chlorine gas at Ypres, Belgium. Carried by a long-awaited wind, the chlorine cloud passed within a few minutes through the British and French trenches, leaving behind at least 1,000 dead and 4,000 injured. This chemical attack, which amounted to the first use of a weapon of mass destruction, marks a turning point in world history. The preparation as well as the

execution of the gas attack was orchestrated by Fritz Haber, the director of the Kaiser Wilhelm Institute for Physical Chemistry and Electrochemistry in Berlin-Dahlem. During World War I, Haber transformed his research institute into a center for the development of chemical weapons (and of the means of protection against them). Bretislav Friedrich and Martin Wolf (Fritz Haber Institute of the Max Planck Society, the successor institution of Haber's institute) together with Dieter Hoffmann, Jürgen Renn, and Florian Schmaltz (Max Planck Institute for the History of Science) organized an international symposium to commemorate the centenary of the infamous chemical attack. The symposium examined crucial facets of chemical warfare from the first research on and deployment of chemical weapons in WWI to the development and use of chemical warfare during the century hence. The focus was on scientific, ethical, legal, and political issues of chemical weapons research and deployment — including the issue of dual use — as well as the ongoing effort to control the possession of chemical weapons and to ultimately achieve their elimination. The volume consists of papers presented at the symposium and supplemented by additional articles that together cover key aspects of chemical warfare from 22 April 1915 until the summer of 2015.

dulce air force base: Soledad Canyon Sand and Gravel Mining Project, 2000

dulce air force base: MILABS Helmut Lammer, Marion Lammer, 1999 The first book to document the amazing evidence connecting covert military mind control and the alien abduction phenomenon. In this well-documented book, the authors review former top secret mind control projects ARTICHOKE and MKULTRA, and utilise little-known formally classified documentation, photos, x-rays, illustrations and first-hand testimony to expose the shocking story behind the abduction phenomenon. If you think you know the truth about alien abductions -- think again! MILABS will open your eyes to the sinister connections between mind control and the abduction phenomenon!

dulce air force base: Non-wood Forest Products for Rural Income and Sustainable Forestry Food and Agriculture Organization of the United Nations, 1995

dulce air force base: The Three Sarah Lotz, 2014-05-20 Four simultaneous plane crashes. Three child survivors. A religious fanatic who insists the three are harbingers of the apocalypse. What if he's right? The world is stunned when four commuter planes crash within hours of each other on different continents. Facing global panic, officials are under pressure to find the causes. With terrorist attacks and environmental factors ruled out, there doesn't appear to be a correlation between the crashes, except that in three of the four air disasters a child survivor is found in the wreckage. Dubbed 'The Three' by the international press, the children all exhibit disturbing behavioural problems, presumably caused by the horror they lived through and the unrelenting press attention. This attention becomes more than just intrusive when a rapture cult led by a charismatic evangelical minister insists that the survivors are three of the four harbingers of the apocalypse. The Three are forced to go into hiding, but as the children's behaviour becomes increasingly disturbing, even their guardians begin to question their miraculous survival . . .

dulce air force base: *The Midnight Eye Files* William Meikle, 2018-05-23 The exploits of Glasgow private investigator Derek Adams collected in a three-volume set of Lovecraftian noir. This collection includes: The Amulet It was supposed to be an easy case. Fast money, and a way to kill some time-something Derek Adams, a down-on-his-luck Glasgow private investigator, has way too much of. Recover a stolen family heirloom, and try to keep the relationship with his very beautiful-and very married-client, strictly professional. Easy. But the Johnson Amulet is no mere trinket...and Derek isn't the only person trying to find the priceless relic. Before long he's up to his armpits in bodies, femme fatales... and tentacles. The stars have aligned... An ancient evil has awakened.To save the day, Derek must take some dark pathways, and not everyone is going to make it back out into the light. The Sirens Glasgow private investigator Derek Adams can't seem to get away from the otherworldly, especially not when it seems to be the only paying gig in town. So when an old widow offers him two grand to find her son-who isn't exactly missing...just not himself-it's not long before things start to get weird, and a road trip to the rural village of Skye turns into a detour to the twilight. Before long, Derek is on a remote island, hip-deep in mermaids, stalked by

shape-shifters, and tangled in the nets of a diabolical fisher cult intent on waking an ancient god and unleashing the apocalypse. In other words, it's business as usual. The Skin Game Things are finally looking up for Glasgow private investigator Derek Adams. The agency is flush with cash and finally getting some respect, and the nightmares? Well, there's booze for that. But the dark side isn't finished with Derek. What starts off as a simple inquiry into the dealings of a shady bookie quickly descends into a battle with the shadowy unknown. Before he knows it, Derek is on the run, framed for an impossible murder. His only leverage is a strange skin belt that seems to have a life of its own, but hanging onto it might cost Derek more than just his life. This collection also includes three bonus Midnight Eye stories: The Forth Protocol, A Slim Chance, and One, Two Go! Praise for the Midnight Eye Files Meikle's writing makes you feel like you're there, in the rain with Derek Adams, searching seedy pawn shops and bars for the answers. The atmosphere is terrific, and the author knows that sometimes less is more. - The Lovecraft ezine I encourage you to pour yourself a couple of fingers of whisky and visit Meikle's and Derek's Glasgow some evening as the shadows grow long. - New Pulp The writing itself is crisp, filled with good description and strong dialogue. The Scottish setting, while not prominent, grounds the reader in a sense of place. The characters, while themselves variations on noir tropes, are believable, and more importantly, likable. All of this, taken together, makes for a smooth, enjoyable read. - Rich Ristow, Strange Latitudes

dulce air force base: The Roswell Report: Case Closed James McAndrew, 2021-11-05 The Roswell Report: Case Closed by James McAndrew. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

dulce air force base: Militarized Landscapes Chris Pearson, Peter Coates, Tim Cole, 2010-06-03 The black smoke billowing from burning oil wells during the Gulf War of 1990-91 directed media and public attention towards war's devastating environmental impact. Yet even before the first bomb is dropped, preparation for warfare materially and imaginatively reshapes rural landscapes and environments. This volume is the first to explore the comparative histories and geographies of militarized landscapes. Moving beyond the narrow definition of militarized landscapes as theatres of war, it treats them as simultaneously material and cultural sites that have been partially or fully mobilized to achieve military aims. Ranging from the Korean DMZ to nuclear testing sites in the American West, and from Gettysburg to Salisbury Plain, Militarized Landscapes focuses on these often secretive, hidden, dangerous and invariably controversial sites that occupy huge swathes of national territories.

dulce air force base: Air Commando One Warren A. Trest, 2000-04-17 Details the life and career of a charismatic, unconventional military leader of counterinsurgency operations who has become a legend of the Cold War Air Force. Draws on official records, personal papers, and interviews with Aderholt and many who worked with him, and integrates US Air Force and CIA accounts of some of the most pivotal events of the past 50 years. Includes bandw photos from personal collections. Trest was formerly histories division chief with the Office of Air Force History. Annotation copyrighted by Book News Inc., Portland, OR

dulce air force base: The Total Novice's Guide To UFOs T. L. Keller, 2015-11-06 "You are to be commended on such a great publication and I am humbled that you would even consider adding a few lines from one of my books, --Paul Hellyer Former Canadian Minister of National Defense ". . . this brilliantly produced book not only serves as a superb introduction to the subject but covers some fascinating and important new material for the aficionados." --Timothy Good, Leading Authority on UFOs and Best-selling Author "I offer my gratitude to you, not only for the "heavy" copy of your book, but also the "light" that the content provides. You and your colleagues can be congratulated for your excellent summary of the history, and probable significance, of the ET presence on Earth. Love & light, --R. Leo Sprinkle, Ph.D., Famed Hypnotherapist and Consultant to

Linda Moulton Howe "Also of interest is a chapter that discusses the "Skunk Works" (the advanced aircraft manufacturing division of Lockheed), and the shocking statements made by its former president, Ben Rich. These statements, which were confirmed by the author who was present at Rich's March 23, 1993 UCLA presentation . . . Readers of this book would do well to consider the staggering implications of Rich's comments, and their potential transportation and clean energy applications for this world." --Michael Schratt, Military Aerospace Historian, Artist and Reviewer, Open Minds magazine

ARE UFOs REAL? FINALLY, A GUIDE FOR THOSE WITH OPEN MINDS This is the revised and expanded 2nd edition (2015) of the original book written for the novice and for the more knowledgeable as well. 60+ new, color illustrations. New sections document the Hudson Valley triangular craft, Area 51/S4 hangar details, articles by the former Canadian Minister of Defense, the Hon. Paul Hellyer, and disclosures by US Air Force generals, American and Canadian scientists. Join the author, T. L. Keller, on a voyage to otherworldly places and understand the reality of UFOs, alien beings and how they get from wherever they are to planet Earth. This book is part of The Total Novice's Guide series of books intended for those who know little or nothing about a particular subject, have open minds and want to know more. * In this fascinating and informative read, you will be escorted through the Roswell and other incidents involving crashed alien spaceships. Read about Project Galileo, and testimony from government officials, as well as 10 former, military whistle-blowers who have had first-hand experiences with the unknown. * Get the latest inside information on the above-top secret, US government anti-gravity and flying disc program that has been fifty years in the making. * Learn about super secret, Area 51/S4; understand Missing Time, and the true nature of human abductions. You will learn how alien vehicles travel here; and, more importantly, why they are here. Read how you will be impacted when the reality of UFOs and alien beings becomes known to the world. And it may be just around the corner...
