Origins and Historical Context of Enochian Magic

Enochian magic traces its roots to the Renaissance era, specifically the work of Dr. John Dee, an advisor to Queen Elizabeth I, and his associate, Edward Kelley. Their collaboration began in the 1580s, driven by Dee's intense interest in alchemy, astrology, and mystical wisdom. Through a series of scrying sessions, Kelley claimed to receive messages from angelic entities, dictating a unique magical system. These communications provided Dee and Kelley with detailed instructions for rituals, a new language, and elaborate magical diagrams. The system was documented in Dee's diaries and magical treatises, forming the backbone of enochian magic as known today.

The name "enochian" references the biblical figure Enoch, believed to have walked with God and received

divine revelations. Dee and Kelley's work was said to recover lost angelic wisdom, offering practitioners access to spiritual realms and prophetic knowledge. Over centuries, enochian magic has influenced various occult societies, including the Hermetic Order of the Golden Dawn and modern ceremonial magicians.

Core Concepts and Beliefs in Enochian Magic

At its heart, enochian magic proposes that humans can communicate directly with angels, transcending ordinary spiritual barriers. The system revolves around the idea that angelic beings hold the keys to universal knowledge and transformation. The enochian worldview divides existence into a hierarchy of spiritual forces, each governing aspects of reality and consciousness.

Angel Hierarchies and Cosmology

Enochian teachings describe a complex cosmology:

- Four Watchtowers, representing elemental forces and cardinal directions
- Thirty Aethyrs (or "Aires"), spiritual realms of increasing abstraction
- An hierarchy of angels, from powerful archangels to lesser spirits

Practitioners believe rituals can invoke these angels, accessing guidance, protection, and enlightenment.

The Role of Divine Revelation

Enochian magic regards its texts and rituals as divinely revealed, not human inventions. Dee and Kelley's scrying sessions were seen as sacred experiences, with angels providing precise instructions for magical operations, language, and cosmological diagrams.

Enochian Language and Its Significance

One of the most distinctive features of enochian magic is its unique language. The enochian language was dictated to Dee and Kelley by angels and consists of a full alphabet, syntax, and vocabulary. It serves both as a ritual tool and a coded system for accessing higher knowledge.

Alphabet and Vocabulary

The enochian alphabet comprises 21 letters, each with symbolic meaning. Words and sentences in enochian often appear in magical squares or “Tablets,” believed to resonate with spiritual energies. Practitioners use these linguistic elements in prayers, invocations, and rituals.

Purpose and Power

The enochian language is considered a “pure” or “angelic” tongue, capable of unlocking spiritual dimensions inaccessible through ordinary speech. Recitation of enochian words is believed to amplify the power of rituals and facilitate clearer communication with angelic beings.

Enochian Tools and Magical Implements

Enochian magic employs a set of ritual tools, each designed according to angelic instructions received by Dee and Kelley. These implements serve as conduits for spiritual energy and aid in focusing the practitioner’s intent.

Essential Enochian Tools

- Enochian Tablets: Four elemental tablets inscribed with magical squares and enochian letters
- Sigillum Dei Aemeth: A complex diagram used for protection and communication
- Holy Table: A ritual altar marked with sacred symbols, used for angelic contact
- Crystals and Scrying Devices: Instruments for visionary experiences
- Ring and Lamen: Personal talismans worn during rituals

Preparation and Consecration

Ritual implements are carefully constructed and consecrated, following detailed instructions to ensure spiritual purity. Practitioners believe proper preparation of these tools is essential for successful enochian magic operations.

Rituals, Practices, and Angelic Communication

Enochian rituals are elaborate ceremonies designed to invoke, evoke, or communicate with angelic beings. These practices form the core of enochian magic, blending spoken language, visual symbols, and precise movements.

Common Enochian Rituals

1. Opening the Watchtowers: Invoking elemental forces and guardians using enochian tablets
2. Calling the Aethyrs: Entering spiritual realms for visions and guidance
3. Angel Invocation: Summoning specific angels for protection or information
4. Purification and Banishing: Cleansing the ritual space of negative energies

Techniques for Angelic Contact

Practitioners often use scrying, meditation, and focused visualization to facilitate angelic communication. Success is believed to depend on the practitioner's spiritual discipline, purity of intent, and adherence to ritual protocol.

Influence and Modern Adaptations

The influence of enochian magic extends beyond its historical origins. Throughout the 19th and 20th centuries, occult organizations such as the Hermetic Order of the Golden Dawn and Aleister Crowley's A.:A.: integrated enochian principles into their teachings. Today, enochian magic is practiced by ceremonial magicians, occultists, and spiritual seekers worldwide.

Contemporary Applications

Modern practitioners adapt enochian rituals to fit personal spiritual paths, often combining them with other magical traditions. Advances in scholarship have made Dee and Kelley's original manuscripts more accessible, encouraging renewed interest and experimentation. Online communities, books, and workshops offer resources for those wishing to explore enochian magic.

Academic and Popular Interest

Enochian magic is frequently discussed in scholarly works on Western esotericism, mysticism, and the history of magic. Its unique features, such as the enochian language and complex diagrammatic systems, continue to attract researchers and enthusiasts alike.

Common Misconceptions About Enochian Magic

Despite its popularity, enochian magic is often misunderstood. Several misconceptions persist regarding its nature, history, and practices.

Myths and Clarifications

- Enochian magic is not Satanic; it is focused on angelic contact and spiritual enlightenment
- It is distinct from other magical systems, with unique language and cosmology
- Original enochian texts require careful study; modern summaries may oversimplify
- Successful practice demands discipline, preparation, and respect for ritual protocols
- Angel communication does not guarantee infallible answers or material gain

Understanding these distinctions is important for anyone pursuing enochian studies or integrating its techniques into broader magical practice.

Enochian Magic: A Deep Dive into the Angelic Language of Power

Are you intrigued by the mystical, the hidden, the power locked within ancient languages? Then prepare to journey into the fascinating world of Enochian magic. This comprehensive guide will unravel the mysteries surrounding this complex and potent system, exploring its history, practice, and ethical considerations. We'll delve into its core principles, revealing what it entails and helping you understand why it continues to captivate and challenge practitioners even today. Get ready to uncover the secrets of Enochian magic.

What is Enochian Magic?

Enochian magic is a system of Western esotericism associated with the Elizabethan magician, Dr. John Dee, and his associate, Edward Kelley. Unlike many magical traditions that draw upon established mythology or folklore, Enochian magic claims its source in a direct revelation from angelic beings. Dee and Kelley, through scrying (a form of divination using a crystal or mirror), purportedly received a complex angelic language, along with associated rituals and cosmologies. This language, also known as the Angelic language, forms the backbone of Enochian magic. It's not simply a system of incantations; it's a deeply symbolic language interwoven with a complex cosmology.

The History of Enochian Magic: Dee, Kelley, and the Angelic Encounters

The history of Enochian magic is inextricably linked to the lives and work of John Dee and Edward Kelley. Dee, a respected mathematician and astronomer of his time, engaged in extensive scrying sessions with Kelley, seeking divine knowledge and understanding. Their claimed angelic contacts, particularly with the entity known as "God," resulted in the transmission of the Enochian system, which includes a complex alphabet, vocabulary, and elaborate calls. The historical accuracy of their claims is, of course, a matter of ongoing debate among scholars and practitioners. However, the impact of their work on the development of Western esotericism is undeniable.

The Enochian Alphabet and its Significance

The Enochian alphabet, a unique and visually striking script, is central to the practice. Its 21 characters are believed to represent fundamental cosmic principles and angelic entities. Understanding the alphabet is crucial to deciphering the Enochian calls, which are often used in rituals and invocations. The visual design itself is thought to hold potent symbolic power, reflecting the intricate cosmology that underpins the system. Many practitioners believe that merely contemplating the script can unlock hidden knowledge and initiate subtle energetic shifts.

Key Components of Enochian Magic: Calls and Rituals

Enochian magic isn't simply about memorizing words; it's about understanding the underlying principles and engaging in ritual practice. "Calls," or invocations, are often performed using the Enochian language to summon or communicate with specific angelic entities. These calls aren't just recited; they are performed with intention, often accompanied by specific actions, visualizations, and sigils. Rituals, carefully structured sequences of actions, further amplify the power of these calls, creating a sacred space for interaction with the angelic realm. Proper preparation and understanding of the cosmology are paramount for effective and ethical practice.

The Enochian Cosmology: A Universe of Angels and Entities

Enochian magic features a complex cosmology that maps the universe into a series of celestial spheres and realms inhabited by various angelic entities. These entities, each possessing specific attributes and powers, play a significant role in the rituals and workings. Understanding this cosmology allows practitioners to navigate the system effectively and target their magical workings with greater precision. This intricate understanding of angelic hierarchies and their roles is central to the responsible use of Enochian magic.

Ethical Considerations in Practicing Enochian Magic

As with any powerful magical system, Enochian magic necessitates a strong ethical framework. The power it wields demands respect and responsible usage. Practitioners should approach their work with humility, recognizing the potential impact of their actions. Imprudent use of the system could have unintended and potentially harmful consequences. Thorough study, grounding, and a commitment to ethical conduct are crucial aspects of responsible practice. It's advisable to seek guidance from experienced and ethically-minded practitioners.

Conclusion

Enochian magic remains a captivating and enigmatic system, continually attracting those fascinated by its history, language, and power. While its origins are shrouded in mystery and its efficacy subject to ongoing debate, its influence on Western esotericism is undeniable. Understanding its history, the Enochian alphabet, the calls, the cosmology, and its ethical implications provides a more nuanced and responsible approach to engaging with this complex and potent magical tradition. Remember always to approach this path with respect, caution, and a deep commitment to ethical practice.

enochian magic: The Lost Art of Enochian Magic John DeSalvo, 2010-05-14 A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In The Lost Art of Enochian Magic John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

Peterson, 2003-01-01 Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a true Renaissance man? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

enochian magic: Enochian Vision Magick Lon Milo DuQuette, 2019-09-01 "The greatest

guide ever written—by our greatest living teacher of magick—to the greatest occult system on Earth.” —from the forward by Jason Louv, author of *John Dee and the Empire of Angels* Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527–1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv.

enochian magic: *Enochian Initiation* Frater W.I.T., 2006-06-15 Experience a new reality through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism. It was developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm. Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his life's work is to develop new methods of ceremonial magick and explore new vistas of psychic and spiritual potential.

enochian magic: The Complete Enochian Dictionary Donald C. Laycock, Edward Kelley, John Dee, 2023-06-05 The complete reference for understanding the Enochian language (“the language of the angels”), the proper pronunciation of the letters of the Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee’s efforts furthered the development of the system of Enochian magic and his methods of invocation have been taken up and expounded upon by Aleister Crowley and many other magicians. Donald C. Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian dictionary. The result is a fascinating linguistic and magical mystery story integral

to any study of the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put *The Complete Enochian Dictionary* to the test with astonishing results. This book is a must-have for any serious magician's library.

enochian magic: Enochian Magic and the Higher Worlds John DeSalvo, 2015-03-16 A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

enochian magic: *Decoding the Enochian Secrets* , 2010-12-21 The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the cannon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. *Decoding the Enochian Secrets* reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scribe. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, *Decoding the Enochian Secrets* presents the source text to the most powerful form of magic known to mankind.

enochian magic: *The Best of the Equinox, Volume I* Aleister Crowley, 2012-10-01 The Equinox became the standard for English language esotericism in the early 20th century, aptly termed the Encyclopedia of Initiation by its principal editor and contributor, Aleister Crowley. This ten-volume collection had remarkable variety, depth, and the utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A.A. Unfortunately, much of this material is currently out of print. Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette offers readers *The Best of the Equinox, Volume One* of this four-volume collection presents readers with the Enochian selections from *The Equinox* and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and most popular of all magical systems. Selected by DuQuette from both in-print and out-of-print editions of *The Equinox*, this is an affordable volume for Crowley fans, packed with high magick.

enochian magic: *The Enochian Evocation of Dr. John Dee* Geoffrey James, 2009-06-01 Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

enochian magic: *Practical Enochian Magick* Jason Augustus Newcomb, 2007-12-01 Enochian Magick is arguably the most intriguing and potent form of ceremonial magick available today. Dr. John Dee, a prominent philosopher in the Elizabethan court, literally received this system of magick from angels through the scrying mediumship of Edward Kelly. This book offers a complete approach to conducting this magical system for the modern adept. It contains instructions in the practical use of all three major parts of the Enochian system: the Four Watchtowers, the Thirty Aethyrs and the Heptarchia Mystica. Rather than a mere rehash of Golden Dawn material this book offers an approach that honors both the innovations of the Golden Dawn and the essence of the original Dee materials in an un-dogmatic and nonsectarian format that is extremely accessible. Although this book is particularly designed for students of the New Hermetics, any practicing occultist interested in the Enochian system will find this book incredibly useful.

enochian magic: *Enochian World of Aleister Crowley* Aleister Crowley, Christopher S. Hyatt, Lon Milo DuQuette, 2008-01-01 Many consider Enochiana the most powerful and least understood system of Western Occult practice. This book makes it truly accessible and easy to understand. Crowley's work was the launching pad for all that followed. Originally published in 1912, it rent the veil of the Inner Order of the Golden Dawn and revealed its most precious jewel for all to see. And now, for the first time, the reader is provided with instructions that bridge the gap between the material and spiritual worlds by integrating Enochiana with Sex Magick. Mr DuQuette and Dr Hyatt bring over forty years of practical experience in the field to show you how to start using this powerful system right now. It also includes an Enochian dictionary.

enochian magic: *John Dee's Five Books of Mystery* Joseph Peterson, 2003 Discovered in a

hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a true Renaissance man, detailing his work in astronomy, mathematics, navigation, the arts, astrology and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

enochian magic: *An Advanced Guide to Enochian Magick* Gerald J. Schueler, 1987-01-01 This is a sequel to *Enochian Magic: A Practical Manual*. In this book, Schueler provides everything for the serious practitioner of the Enochian system—a system that is complete in itself, and yet easily related to other systems of Qabalistic or Shamanistic magick. It is an ideal book for beginning, intermediate or advanced students of magick and a vital resource and guidebook for occult Orders and Lodges.

enochian magic: *John Dee and the Empire of Angels* Jason Louv, 2018-04-17 A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions,

the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

enochian magic: *The Sealed Portion - The Final Testament of Jesus Christ* Christopher Na, 2005-04 The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed. The angel Moroni commanded him not to break the seals, but to translate only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed them to several others. These men gave their personal testimony as witnesses to the existence of the plates and to the truthfulness of the Book of Mormon. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate the plates, and none has made claim that he has received the exact same gold plates that were in Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and continues through until the end of the millennium, when the earth will be restored to a state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbolism of the book of Revelation. He recounts the prophets Ubaid, Zarathustra, Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the translation of the sealed portion, the first part of the gold plates that was translated by Joseph Smith, Jr. and subsequently lost by his scribe, Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is lead from blindness into the light as he or she discovers the truths written within these pages.

enochian magic: *Enochian Magic and Kabbalah* Joshua Free, 2017-01-11 FIFTH ANNIVERSARY EDITION For the first time in modern history, the true origins of Judaic Mysticism (the Kabbalah), Christian spiritual beliefs and other derived practices of ceremonial magic (such as the Enochian system, Hermetics and Golden Dawn methods) can now be traced directly to the archetypal 'Sky-God' traditions of the prehistoric Mesopotamians: The post-Sumerian Babylonian

Star-Gate system dedicated to the Anunnaki. Prolific writer, Joshua Free, brings together what is known of the ancient Ladder of Lights, the BAB.ILI system that constitutes the original Tree of Life 'kabbalah' found graphically present on ancient renderings and its connections to the later Judeo-Christian traditions and the evolution of human understanding of Anunnaki, Igigi and other sky-beings into the Hebrew renderings of the Nephilim, Anakim, Elohim and the like. ENOCHIAN MAGIC & THE KABBALAH illustrates the singular origin of the mystical and spiritual traditions on the planet, all directed toward a human relationship with the Divine, however that might be viewed -- angels, elementals, fairies, gods or other 'alien' beings -- and more importantly, the methods by which they have been attracted into one's life. Since all of our available traditions today seem linked to these antiquated 'Divine Encounters', it seems fitting to make a self-honest exploration of the nature of these origins of belief and how they may affect our abilities to perceive the world and affect reality today. Practical lore drawn from thousands of years of tradition -- both ancient and modern -- is brought together to form the official Mardukite handbook of Enochian Ceremonial Magic and the Kabbalistic Tree of Life -- a first of its kind and much needed for the advancement of the New Age!

enochian magic: Mastering the Mystical Heptarchy Scott Stenwick, 2011-10-01 Dr. John Dee, England's most famous Renaissance magus, spent seven years working with scribe Edward Kelley in the late sixteenth century. Together the two men established contact with various angels who endeavored to teach them a new spiritual system described as the true art of magick. Dee's diaries chronicling these communications formed the basis of the Enochian magical system, which has profoundly influenced the development of ritual magick for centuries and is reputed by many to be especially effective. The Heptarchia Mystica is the only part of the Enochian system that Dee ever managed to assemble into a usable grimoire, but paradoxically it also seems to be the most overlooked portion of his work. Author Scott Michael Stenwick presents this material in a coherent manner suitable for both modern magicians and traditional grimoire practitioners, with an eye towards producing measurable, practical results. The powers of the Heptarchial Kings and Princes are extensive, and yet conjuring and conversing with them is a relatively simple process. Unlock the secrets of this remarkable grimoire, and employ them to transform your life.

enochian magic: Mastering the Great Table Scott Michael Stenwick, 2013-11 Following the Enochian material that would become the Heptarchia Mystica, John Dee and Edward Kelley received

a grid of letters called the Great Table that encodes a complex hierarchy of angels and demons, and a series of conjurations in the Angelic language called the Angelic Keys. These conjurations and the structure of the Great Table itself have inspired individual magicians and entire magical orders for centuries. Author Scott Michael Stenwick now does for the Great Table what he did for the Heptarchia Mystica in the first volume of this series, presenting the material in a manner that is true to Dee and Kelley's original schema along with a ritual template that includes both modern and traditional grimoire techniques. The entities of the Great Table possess a vast collection of powers well-suited to practical magical work, and have been employed in some of the most effective operations of the modern era. Unlock the secrets of the Great Table, and put them to work transforming your life.

For centuries, man has sought to reach out to God's servants and messengers in a real-world, palpable way that leaves no room for spiritual doubt. In the time of Queen Elizabeth I in England, world famous occultist Dr. John Dee and his helper, Edward Kelley, developed a system for contacting angels that came to be called Enochian Magick. Dee's system has survived the centuries and been passed down to us. ANGEL SPELLS - THE ENOCHIAN OCCULT WORKBOOK OF CHARMS, SEALS, TALISMANS AND CIPHERS offers the reader a history lesson on Dee's method for contacting angels, including its origins in the Jewish and Christian mystical traditions. The book includes an exclusive interview with author Aaron Leitch, who still practices Dee's methods over 400 years later. For those not quite ready to dive into the more complex aspects of Enochian Angel magick, simpler - but just as effective - methods are taught here by psychic Maria D'Andrea, who provides step-by-step instructions to petition specific angels for help with any problem, large or small. A dozen talismans created by Ms D' Andrea are provided each corresponding with a different Arch Angel. And as a bonus supplement, we have included Bishop Allen Greenfield's classic work, SECRET CIPHER OF THE UFONAUTS, to assist in contacting angelic aliens in their own language and to aid in decoding what they have spoken to us! This fascinating work includes all the talismans and symbols and ciphers you need to set up your own angel altar so that you may proceed with contacting the celestial kingdom in an organized effort.

enochian magic: Success Magick Damon Brand, 2020-03-11 There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the

angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.
