- Why the Greenville Inn's Haunted History Endures

History of the Greenville Inn: Foundations and Evolution

The Greenville Inn is a prominent landmark in the Moosehead Lake region of Maine, known for its grandeur and storied past. Built in the late 19th century, the inn was originally a private mansion commissioned by a well-known local family. Over the decades, it transformed from a luxurious estate into a welcoming inn that attracted travelers and vacationers from across New England.

Throughout its history, the Greenville Inn has witnessed significant events, from the rise of tourism in the area to periods of economic hardship. Its walls have housed influential guests, local dignitaries, and families seeking solace in the Maine wilderness. The inn's enduring presence and continuous operation have contributed to a legacy that's both historic and mysterious, serving as a backdrop for countless stories—some of which are said to linger in the form of ghostly encounters.

Architectural Features and Historical Significance

The architecture of the Greenville Inn reflects the opulence and craftsmanship of its era. Designed in the Victorian style, the building boasts ornate woodwork, grand staircases, and expansive porches overlooking Moosehead Lake. These features not only highlight the inn's historical value but also contribute to the ambiance that many believe fuels its haunted reputation.

Important architectural elements include:

- Original hardwood floors and decorative moldings
- Period furnishings and antiques throughout guest rooms
- Distinctive turrets and gables visible from afar
- A spacious dining room known for its atmospheric lighting
- Hidden nooks and attic spaces rumored to be hotspots for paranormal activity

The preservation of these features over time has reinforced the inn's reputation as a living piece of Maine's history, attracting those interested in both architecture and the supernatural.

Origins of the Haunted Reputation

The Greenville Inn's haunted history began to take shape in the early 20th century, as stories of unexplained phenomena started circulating among staff and guests. Local folklore suggests that the original owners experienced personal tragedies that left a lasting imprint on the property. Some believe that these emotional events are at the core of the inn's paranormal legacy.

Greenville Inn Maine: Haunted History and Eerie

Encounters

Are you a thrill-seeker with a penchant for the paranormal? Do you find yourself drawn to stories of ghostly whispers and unexplained occurrences? Then prepare to delve into the chilling history of the Greenville Inn in Maine, a location steeped in legend and rumored to be one of the state's most haunted places. This blog post will explore the Greenville Inn's haunted history, examining the various ghostly encounters reported over the years and uncovering the chilling tales that have cemented its reputation as a paranormal hotspot. We'll uncover the stories, investigate potential explanations, and leave you to decide: is the Greenville Inn truly haunted, or is it all just local lore?

The Greenville Inn: A Glimpse into the Past

Before we delve into the spectral residents, let's establish the historical context. The Greenville Inn, nestled in the heart of Maine's picturesque Moosehead Lake region, boasts a rich and often tumultuous history. Built in [Insert Year Built, if known, otherwise remove sentence], the Inn has witnessed countless guests, significant historical events, and, according to many, a fair share of supernatural activity. Its location, isolated yet stunning, adds to its mystique, lending itself perfectly to tales of unexplained phenomena. The building itself, with its creaking floors, shadowy corners, and aged architecture, creates an atmosphere ripe for ghostly encounters. The longevity of the Inn, its numerous owners and inhabitants over the decades, only contributes to a layering of potential paranormal activity.

Early Accounts and Local Legends

Early accounts of the Greenville Inn's haunted history are often anecdotal, passed down through generations of locals and former guests. These stories range from disembodied whispers and unexplained noises to full-blown apparitions. Tales speak of a shadowy figure seen flitting through the hallways, the faint scent of pipe tobacco in rooms where no one smokes, and objects moving inexplicably. These early whispers, while lacking concrete evidence, laid the groundwork for the Inn's reputation as a hauntingly intriguing destination.

The Most Famous Ghost Stories of Greenville Inn

Several ghost stories consistently emerge from accounts surrounding the Greenville Inn. One prominent tale centers around a former owner, [Owner's Name, if known and verifiable; otherwise remove sentence], whose presence is reportedly felt throughout the Inn. Guests have reported seeing a shadowy figure resembling him near the fireplace in the lobby, or hearing his footsteps echoing in the dead of night. Another common story involves a young girl, said to be a former guest who tragically perished within the Inn's walls. Her presence is allegedly felt most strongly on the

upper floors, with reports of giggling children and the sound of small footsteps.

The Evidence (or Lack Thereof)

It's crucial to approach these stories with a critical eye. While many accounts are compelling, verifiable evidence remains elusive. There are no documented deaths within the inn that definitively correspond to the ghost stories. Many of the accounts are second-hand or based on hearsay. This lack of concrete evidence doesn't necessarily debunk the claims, however. The subjective nature of paranormal experiences makes objective proof notoriously difficult to obtain.

Exploring Potential Explanations

Beyond the paranormal, several rational explanations could account for some of the reported occurrences. Old buildings often creak and groan, producing sounds easily misinterpreted as supernatural activity. The Inn's age and construction could lead to drafts and temperature fluctuations, creating the sensation of a ghostly presence. Likewise, imagination and suggestion can play a powerful role in shaping perceptions, particularly in an environment primed for paranormal expectation.

Modern Investigations and Paranormal Tourism

Despite the lack of definitive proof, the Greenville Inn continues to attract paranormal investigators and enthusiasts. Several groups have conducted investigations within the Inn, employing various techniques to detect anomalous activity. While their findings have often been inconclusive, the persistent interest in the Greenville Inn's haunted reputation speaks volumes about its enduring mystique. This interest has also contributed to the Inn's popularity as a destination for paranormal tourism, further solidifying its place in Maine's folklore.

Conclusion

The Greenville Inn in Maine stands as a testament to the power of storytelling and the enduring human fascination with the paranormal. Whether you believe in ghosts or not, the Inn's rich history, combined with the numerous accounts of strange occurrences, creates an undeniably intriguing atmosphere. The stories themselves, even if not definitively proven, contribute to the unique charm and allure of this historic Maine landmark. The Greenville Inn remains a captivating destination, blending historical significance with the chilling possibility of otherworldly encounters.

FAQs

1. Can I stay overnight at the Greenville Inn? While the Inn's haunted reputation is well-known, it's currently [State whether open to public or not, with contact details if applicable]. Check their official website for current availability and booking information.

3. What is the best time of year to visit the Greenville Inn for a potentially spooky experience? Autumn, with its shorter days and cooler temperatures, often creates a more atmospheric experience for those seeking a spooky ambiance.
4. Are there any other haunted locations nearby the Greenville Inn? Maine is known for its rich folklore and numerous other supposedly haunted locations. Researching other haunted spots in the Moosehead Lake region might enhance your paranormal exploration.
5. What kind of evidence have paranormal investigators collected at the Greenville Inn? Many investigations have yielded anecdotal evidence – sounds, temperature changes, and perceived feelings of presence – but definitive, irrefutable proof remains elusive. The lack of concrete evidence doesn't discount the experiences reported by various individuals over the years.

greenville inn maine haunted history: Historic Taverns and Tea Rooms of Maine Kathy Kenny and Bill Kenny, 2021 Holding an integral place in Maine's community, the story of its early taverns and tea rooms is an important account of commerce and political and social life. From famed Revolutionary War incidents to Civil War generals, stagecoaches and the story of rum, the history of Maine's early taverns is captivating. The tea rooms of the early 1900s were just as interesting and important. They played a large role in the national tea movement, the temperance and suffragette movements and the promotion of women's independence, and they also symbolized Maine's culture and sophistication. Join local authors Kathy and Bill Kenny as they unveil the stories, characters and history of these establishments over the past four centuries.

greenville inn maine haunted history: Dark Woods, Chill Waters Marcus LiBrizzi, 2007-09-04 Forgotten somewhere between Bar Harbor, Maine, and New Brunswick, Canada, lies the most remote and mysterious section of the Eastern Seaboard. It is a region rich in stark beauty—and supernatural lore. The harsh landscape, with its rocky seaside cliffs and thundering surf and miles of dark, mysterious forest farther inland, lends itself to the ghost story. Overlaying the ghost tales gathered in this book is a sense of unspeakable horror and malice.

greenville inn maine haunted history: Haunted Otero Diana Delugan, 2014-08-11 Based on actual reports of paranormal activity. During the 19th and 20th century, the Hacienda de Otero and surrounding ranch grounds were the target of repeated Apache Indian attacks. Historic documents confirm at least two documented murders during these attacks. Staff and visitors of the Tubac Golf Resort & Spa, a Historic Hotels of American Member, have disclosed their experiences of why the resort may be one of the most haunted sites in southern Arizona. You will hear about cowboys who refuse to leave the ranch and about the spirit of a murdered boy that has been heard and seen playing inside the Hacienda. A real historic site, the Otero ranch land was part of a Spanish land grant issued in 1789.

greenville inn maine haunted history: A Patriot's History of the United States Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades, many history professors

have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

greenville inn maine haunted history: Losing Earth Nathaniel Rich, 2020-03-05 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's *Silent Spring* and John Hersey's *Hiroshima*. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book *Losing Earth*, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

greenville inn maine haunted history: Weird Massachusetts Jeff Belanger, 2008
Massachusetts and weird: not too much of a stretch, some would say. But the authors dug a little deeper and found all kinds of local legends, bizarre beasts, surprising cemeteries, and uncovered the best kept secrets from all over the Bay State. If it's unusual or unexplainable or fantastic, and in the Bay State, you'll find it all here.

greenville inn maine haunted history: Myths of the Cherokee James Mooney, 2012-03-07 126 myths: sacred stories, animal myths, local legends, many more. Plus background on Cherokee history, notes on the myths and parallels. Features 20 maps and illustrations.

greenville inn maine haunted history: Unlikely Animals Annie Hartnett, 2023-02-28 "This tragicomic novel is heartfelt, touching, and delightfully quirky. You'll fall in love with the offbeat cast of characters (both living and dead) and find yourself rooting for them right through the last page."—Good Housekeeping (Book Club pick) A lost young woman returns to small-town New Hampshire under the strangest of circumstances in this one-of-a-kind novel of life, death, and whatever comes after from the acclaimed author of *Rabbit Cake*. ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, Book Riot • Longlisted for the Joyce Carol Oates Prize It was a source of entertainment at Maple Street Cemetery. Both funny and sad, the kind of story we like best. Natural-born healer Emma Starling once had big plans for her life, but she's lost her way. A medical school dropout, she's come back to small-town Everton, New Hampshire, to care for her father, who is dying from a mysterious brain disease. Clive Starling has been hallucinating small animals, as well as having visions of the ghost of a long-dead naturalist, Ernest Harold Baynes, once known for letting wild animals live in his house. This ghost has been giving Clive some ideas on how to spend his final days. Emma arrives home knowing she must face her dad's illness, her mom's judgment, and her younger brother's recent stint in rehab, but she's unprepared to find that her former best friend from high school is missing, with no one bothering to look for her. The police say they don't spend much time looking for drug addicts. Emma's dad is the only one convinced the young woman might still be alive, and Emma is hopeful he could be right. Someone should look for her, at least. Emma isn't really trying to be a hero, but somehow she and her father bring about just

the kind of miracle the town needs. Set against the backdrop of a small town in the throes of a very real opioid crisis, *Unlikely Animals* is a tragicomic novel about familial expectations, imperfect friendships, and the possibility of resurrecting that which had been thought irrevocably lost.

greenville inn maine haunted history: Maine Ghosts and Legends Thomas Verde, 2013-10-16
Maine has a rich supernatural history and ghost stories from the state are as varied as they are prolific. Freelance writer and reporter Tom Verde first became interested in such eerie occurrences while researching first-hand encounters with ghosts for a series of public radio programs. This book recounts some of the spine-tingling tales he uncovered in his research, including: •The dagger-wielding shade who terrorized a Portland couple •The murdered Indian who revisited Means's Tavern •Famed diva Lillian Nordica, whose voice still echoes through the Farmington auditorium named in her honor •The hostile spirit who tried to frighten the tenants out of an Orrington house •Even an entire phantom ship, bound eternally for Freeport These are not fictitious creations of literary imagination. People from all walks of life—including many who were positive they would never believe in ghosts—attest to these encounters.

greenville inn maine haunted history: *Illinois Travel Guide* , 2005

greenville inn maine haunted history: *The Story of Cooperstown* Ralph Birdsall, 2019-12-10
The ensuing narrative is a faithful record of life in Cooperstown from the earliest times, except that the persons and events to be described have been selected for their story-interest, to the exclusion of much that a history is expected to contain. The dull thread of village history has been followed only in such directions as served for stringing upon it and holding to the light the more shining gems of incident and personality to which it led. Trivial happenings have been included for the sake of some quaint, picturesque, or romantic quality. Much of importance has been omitted that declined to yield to such treatment as the writer had in view. The effort has been made to exclude everything that seemed unlikely to be of interest to the general reader.

greenville inn maine haunted history: *Yankee Magazine's Ultimate Guide to Autumn in New England* Yankee Magazine, Collective, 2000-04 Best foliage views, tours, lodging.

greenville inn maine haunted history: *The Story of Sault Ste. Marie and Chippewa County* Stan Newton, 1923

greenville inn maine haunted history: *Haunted Houses of Grand Rapids* Gary Eberle, 1994 Spine-chilling reports of the ghosts that populate Michigan's second largest city and its environs.

greenville inn maine haunted history: *Ghosts of the Blackstone Valley* Thomas D'Agostino, Arlene Nicholson, 2018-09-24 The Blackstone Valley is alive with the echoes of souls that roam the old mills, homes, social clubs and land they once inhabited. Visit a haunted monument in Cumberland, where nine colonists slain in King Philip's War may linger. Shop at an antique store in Chepachet that harbors more than just treasures from the past. Enjoy drinks with the other kind of spirits in historic establishments like the Granville Pub and the Tavern on Main. Take a hike through Precious Blood Cemetery, where ghosts may wander endlessly searching for their loved

ones. Join authors Thomas D'Agostino and Arlene Nicholson on a tour of the most haunted places in the Blackstone Valley.

greenville inn maine haunted history: Lyman's History of Old Walla Walla County: Embracing Walla Walla, Columbia, Garfield and Asotin Counties; Volume 1 William Denison Lyman, 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

greenville inn maine haunted history: Canoeing in the Wilderness Henry David Thoreau, 1916 The chief attraction that inspired Thoreau to make this canoe trip was the primitiveness of the region. Here was a vast tract of almost virgin woodland, peopled only with a few loggers and pioneer farmers, Indians, and wild animals. No one could have been better fitted than Thoreau to enjoy such a region and to transmit his enjoyment of it to others. For though he was a person of culture and refinement, with a college education, and had for an intimate friend so rare a man as Ralph Waldo Emerson, he was half wild in many of his tastes and impatient of the restraints and artificiality of the ordinary social life of the towns and cities. He liked especially the companionship of men who were in close contact with nature, and in this book we find him deeply interested in his Indian guide and lingering fondly over the man's characteristics and casual remarks. The Indian retained many of his aboriginal instincts and ways, though his tribe was in most respects civilized. His home was in an Indian village on an island in the Penobscot River at Oldtown, a few miles above Bangor. Thoreau was one of the world's greatest nature writers, and as the years pass, his fame steadily increases. He was a careful and accurate observer, more at home in the fields and woods than in village and town, and with a gift of piquant originality in recording his impressions. The play of his imagination is keen and nimble, yet his fancy is so well balanced by his native common sense that it does not run away with him. There is never any doubt about his genuineness, or that what he states is free from bias and romantic exaggeration.

greenville inn maine haunted history: Celestial Sleuth Donald W. Olson, 2013-10-02 For a general audience interested in solving mysteries in art, history, and literature using the methods of science, 'forensic astronomy' is a thrilling new field of exploration. Astronomical calculations are the basis of the studies, which have the advantage of bringing to readers both evocative images and a better understanding of the skies. Weather facts, volcano studies, topography, tides, historical letters and diaries, famous paintings, military records, and the friendly assistance of experts in related fields add variety, depth, and interest to the work. The chosen topics are selected for their wide public recognition and intrigue, involving artists such as Vincent van Gogh, Claude Monet, Edvard Munch, and Ansel Adams; historical events such as the Battle of Marathon, the death of Julius Caesar, the American Revolution, and World War II; and literary authors such as Chaucer, Shakespeare, Joyce, and Mary Shelley. This book sets out to answer these mysteries indicated with the means and expertise of astronomy, opening the door to a richer experience of human culture and its relationship with nature. Each subject is carefully analyzed. As an example using the study of sky paintings by Vincent van Gogh, the analytical method would include: - computer calculations of historical skies above France in the 19th century - finding and quoting the clues found in translations of original letters by Van Gogh - making site visits to France to determine the precise locations when Van Gogh set up his easel and what celestial objects are depicted. For each historical event influenced by astronomy, there would be a different kind of mystery to be solved. As an example: - How can the phase of the Moon and time of moonrise help to explain a turning point of the American Civil War - the fatal wounding of Stonewall Jackson at Chancellorsville in 1863? For each literary reference to astronomy, it was determined which celestial objects were being described and making an argument that the author is describing an actual event. For example, what was the

date of the moonlit scene when Mary Shelley first had the idea for her novel “Frankenstein?” These and more fun riddles will enchant and delight the fan of art and astronomy.

greenville inn maine haunted history: *The History of Pittsylvania County, Virginia* Maud Carter Clement, 1973 The book rings with the names of early inhabitants and prominent citizens. For the genealogist there is the important and wholly fortuitous list of tithables of Pittsylvania County for the year 1767, which enumerates the names of nearly 1,000 landowners and property holders, amounting in sum to a rough census of the county in its infancy. Additional lists include the names, some with inclusive dates of service, of sheriffs, justices of the peace, members of the House of Delegates, 1776-1928, members of the Senate of Virginia, 1776-1928, clerks of the court, and judges.

greenville inn maine haunted history: The Pirates' Who's Who PHILIP GOSSE, 2023-11-01 The fascinating and complete photograph *The Pirates' Who's Who* changed into made through the British naturalist and marine biologist Philip Gosse. Even though he had the equal name as his father, who changed into also an exquisite naturalist, this Philip Gosse turned into extra interested by marine records and piracy. The book is going into detail approximately the lives and adventures of famous pirates from history, giving short ancient sketches of those sea criminals. Gosse paints a shiny photograph of the people who terrorized the excessive seas at some stage in the Golden Age of Piracy, from famous pirates like Blackbeard to less famous however simply as thrilling characters. Gosse makes use of ancient information, first-hand bills of cash due, and legends to craft an exciting tale that looks into the pirates' motivations, moves, and deaths. The book isn't handiest a useful account of the past, however it also indicates how creative people have been all through that point by telling stories of bold raids, interesting adventures, and characters that have been bigger than existence. *The Pirates' Who's Who* is proof of Philip Gosse's thorough studies and ability as a storyteller. It offers readers an exciting and educational investigate the lives of the men and women who sailed underneath the black flag and left a long-lasting mark on maritime history.

greenville inn maine haunted history: *Beautiful Stranger* Hotel del Coronado Heritage Department, 2005-04 The official account of Kate Morgan's 1892 visit and why she haunts The Del today.

greenville inn maine haunted history: *Western North Carolina* John Preston Arthur, 1996 From the introduction to the appendix, this volume is filled with interesting information. Covering seventeen counties—Alleghany, Ashe, Avery, Buncombe, Cherokee, Clay, Graham, Haywood, Henderson, Jackson, Macon, Madison, Mitchell, Swain, Transylvania, Watauga, and Yancey—the author spent about ten years searching and gathering materials.

greenville inn maine haunted history: Misty of Chincoteague Marguerite Henry, 2012-12-11 A Newbery Honor Book Rediscover award-winning author Marguerite Henry's classic story about a wild horse's gentle colt with this faux leather-bound anniversary edition. On an island of Chincoteague off the coasts of Virginia and Maryland lives a centuries-old band of wild ponies. Among them is the most mysterious of all, Phantom, a rarely seen mare that eludes all efforts to capture her—until a young boy and girl lay eyes on her and decide they can't live without her. The frenzied roundup that follows on the next “Pony Penning Day” does indeed bring Phantom into their lives...in a way they never would have suspected. Phantom will forever be a creature of the wild. But her gentle, loyal colt Misty is another story altogether.

greenville inn maine haunted history: Hotel Mavens Stanley Turkel CMHS, 2014-09-19 The word maven is defined by Wikipedia as a trusted expert in a particular field, who seeks to pass knowledge on to others. Since the 1980s it has become more common when the New York Times columnist William Safire adapted it to describe himself as the language maven. The word from Hebrew is mainly confined to American English and was included in the Oxford English Dictionary second edition (1989). My three hotel mavens are: 1) Lucius M. Boomer, one of the most famous hoteliers of his time, was chairman of the Hotel Waldorf-Astoria Corporation. In a career of over half a century, he directed such celebrated hotels as the Bellevue-Stratford in Philadelphia, the Taft in New Haven, the Lenox in Boston, and the McAlpin, Claridge, Sherry-Netherland and the original as

well as the current Waldorf-Astoria in New York. 2) George C. Boldt who was the genius of the original Waldorf-Astoria. It was said of him that he made innkeeping a profession and, more than any man, was responsible for the modern American hotel. 3) Oscar of the Waldorf who was described in 1898 by the New York Sun: In only one New York hotel, however, is there a personage deserving to be called a *matre d'hotel*. Anyone who studies him closely will soon arrive at a firm conviction that he might quite as appropriately have been called General or Admiral, if circumstances had not led him into the hotel business. Oscar knows everybody. Oscar was a superstar of his time and one of the stalwarts who managed both the original and the current Waldorf-Astoria. Among his many duties, Oscar commanded a staff of 1,000 persons besides conducting a school for waiters, at the time the only one of its kind in the United States. In 1896, Oscar wrote one of the greatest cookbooks of its time: *The Cook Book* by Oscar of the Waldorf. It contains 907 pages and 3,455 recipes.

greenville inn maine haunted history: Chatham Sea Captains in the Age of Sail Joseph A. Nickerson Jr., Geraldine D. Nickerson, 2008-03-14 *Chatham Sea Captains in the Age of Sail* chronicles the lives and adventures of twenty-five men who traveled the seas from the eighteenth through the twentieth century. These were extraordinary men—masters of navigation who charted paths from the Cape to the Far East with their regal clipper ships; deep-sea fishermen whose fearless spirit drove them to the Grand Banks and Newfoundland in the quest for their catch; and coastal captains who skirted America's eastern seaboard in pursuit of trade. Spurred on by the Industrial Revolution's demands, these mariners continued their pelagic exploration while pirates, privateers and Confederate raiders tested their mettle. The sea was both foe and ally. To meet the foe was the challenge; to sail her waters and return home as true masters was the force that drove these men to excellence.

greenville inn maine haunted history: Kid Owner Tim Green, 2015-09-29 From New York Times bestselling author and former NFL player Tim Green comes a riveting new stand-alone football novel about being a leader and finding your inner strength. Perfect for fans of Mike Lupica. When Ryan's estranged father unexpectedly dies, Ryan learns that he has inherited the Dallas Cowboys. With his new role as owner of this NFL team, Ryan has high hopes that he can be more than just a middle-school misfit. Maybe he can even get off the bench and into the starting lineup of his own football team. With the help of his friends Jackson and Izzy, Ryan takes advantage of his newfound stardom. He convinces his coach to use a tricky passing offense that plays to Ryan's strengths. But just when things are looking up, Ryan's nasty stepmother makes a legal play to make her own son the Cowboys' kid owner. With drama heating up both on and off the field, Ryan quickly realizes he may lose much more than just the Dallas Cowboys.

greenville inn maine haunted history: Traditions and History of Anderson County Louise Ayer Vandiver, 1928

greenville inn maine haunted history: First Timers and Old Timers Kenneth L. Untiedt, 2012 The Texas Folklore Society has been alive and kicking for over one hundred years now, and I don't really think there's any mystery as to what keeps the organization going strong. The secret to our

longevity is simply the constant replenishment of our body of contributors. We are especially fortunate in recent years to have had papers given at our annual meetings by new members--young members, many of whom are college or even high school students. These presentations are oftentimes given during sessions right alongside some of our oldest members. We've also had long-time members who've been around for years but had never yet given papers; thankfully, they finally took the opportunity to present their research, fulfilling the mission of the TFS: to collect, preserve, and present the lore of Texas and the Southwest. You'll find in this book some of the best articles from those presentations. The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants. Familiar and well-respected names like J. Rhett Rushing and Kenneth W. Davis discuss folklore about monsters and the classic 'widow's revenge' tale. These works--and the people who produced them--represent the secret behind the history of the Texas Folklore Society, as well as its future.--Kenneth L. Untiedt

greenville inn maine haunted history: Nooks and Corners of the New England Coast Samuel Adams Drake, 1875

greenville inn maine haunted history: The Nelly Butler Hauntings Marcus A. LiBrizzi, 2010-05-30 In one of the most famous paranormal events from Early America, the Nelly Butler apparition appeared to more than one hundred individuals on the coast of Maine in 1799-1800. While this ghost is among the most convincing apparitions ever recorded, no other haunting created such a storm of controversy, sparking accusations of fraud, witchcraft, and demonism. For the ghost known as Nelly Butler orchestrated a wedding, a death, and a sensation unmatched to the present day. The hauntings remain one of the great mysteries of history. The text includes accounts from eye-witnesses, letters by Abraham Cummings, and a critical introduction by Marcus LiBrizzi. An imprint of the University of Maine at Machias Press, the Library of Early Maine Literature reissues rare and important works in high quality editions with full supporting materials.

greenville inn maine haunted history: Georgia Baptists Jesse Harrison Campbell, 1847

greenville inn maine haunted history: Haunted Hikes of New Hampshire Marianne O'Connor, 2019-10-01 Celebrate ten years of spooky treks with five new trails in New Hampshire's White Mountains, blending historical lore and ghost stories. Five new hikes added to the second edition to celebrate ten years of spooky trekking! Explore the haunts of hikers gone by and see for yourself whether these ghost tales are fact or fiction. Haunted Hikes provides storied history and fanciful legend within the trails of New Hampshire's White Mountains and beyond. Hikes are rated according to difficulty and spookiness with something for every member of the family. Book covers a brisk walk to the tombstone of Ichabod Crain in Surry to a fierce three-hour trek to a downed bomber plane in North Woodstock. Book includes hike and map legends.

greenville inn maine haunted history: Haunted Places Dennis William Hauck, 2002-08-27 In almost every town in America there are places where strange things happen. The perfect companion to The International Directory of Haunted Places, this revised and updated edition of Haunted Places is both a fascinating and unusual travel guide as well as an indispensable casebook for those interested in the paranormal. From buildings and parks believed to have resident ghosts and poltergeists to areas where Bigfoot or UFO sightings are most frequently reported, Haunted Places will lead you to more than 2,000 sites of paranormal activity across the United States. Organized alphabetically by state, each entry is referenced to an extensive bibliography of sources-with descriptions, addresses, phone numbers, Web sites, and travel directions provided for all locations.

greenville inn maine haunted history: History of Whitley County, Indiana (Classic Reprint) Samuel P. Kaler, 2017-07-24 Excerpt from History of Whitley County, Indiana All life and achievement is evolution; present wisdom comes from past experience, and present commercial prosperity has come only from past exertion and suffering. The deeds and motives of the men that have gone before have been instrumental in shaping the destinies of later communities and states. The development of a new country was at once a task and a privilege. It required great courage, sacrifice and privation. Compare the present conditions of the residents of Whitley county, Indiana,

with what they were one hundred years ago. From a trackless wilderness it has come to be a center of prosperity and civilization, with millions of wealth, with systems of intersecting railways, grand educational institutions, marvelous industries and immense agricultural productions. Can any thinking person be insensible to the fascination of the study which discloses the incentives. Hopes' aspirations and efforts of the early pioneers who so strongly laid the foundation upon which has been reared the magnificent prosperity of later days. To perpetuate the story of these people, and to trace and record the social, political and industrial progress of the community from its first inception, is the function of the local historian. A sincere purpose to preserve facts and personal memoirs that are deserving of preservation. And which unite the present to the past. Is the motive for the present publication. The work has been in the hands of a corps of able writers. Who have. After much patient study and research. Produced here the most complete history of Vevhitley county, Indiana. Ever offered to the public. A specially valuable and interesting department is that one devoted to sketches of representative citizens of this county whose records deserve perpetuation because of their worth, effort and accomplishment. The publishers desire to extend their thanks to these gentlemen who have so faithfully labored to this end. Thanks are also due to the citizens of Vevhitley county, Indiana. For the uniform kindness with which they have regarded this undertaking and for their many services rendered in the gaining of necessary information. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. greenville inn maine haunted history: Hauntings from Eastport and Beyond Cathy Cook, 2019-09-24 Maine ghost book. True ghost stories from coastal Maine told by real people.

greenville inn maine haunted history: Great American Hoteliers Volume 2 Stanley Turkel, 2016-01-08 This book is a sequel to my first hotel book, ?Great American Hoteliers: Pioneers of the Hotel Industry? AuthorHouse 2009. It tells the fascinating and unpredictable stories of seventeen hotel pioneers who were (and are) important in the development of the hotel industry in the United States. Many of them are relatively unknown and lost in the dustbin of American history. Their biographies comprise this sequel called ?Great American Hoteliers Volume 2: Pioneers of the Hotel Industry?: ? Stewart William Bainum (1920-2014) ? Curtis Leroy Carlson (1914-1999) ? Cecil Burke Day (1934-1978) ? Louis Jacob Dinkler (1864-1928) ? Eugene Chase Eppley (1884-1958) ? Roy C. Kelley (1905-1997) ? Arnold S. Kirkeby (1901-1962) ? Julius Manger (1868-1937) ? Robert R. Meyer (1882-1947) ? Albert Pick, Jr. (1895-1977) ? Jay Pritzker (1922-1999) ? Harris Rosen (1939) ? Ian Schrager (1946) ? Vernon B. Stouffer (1901-1974) ? William Cornelius Van Horne (1843-1915) ? Robert E. Woolley (1935) ? Stephen Allen Wynn (1942) As you will note, four of these great American hoteliers are alive and productive as I write this sequel: Harris Rosen, Ian Schrager, Robert Woolley and Steve Wynn.
