twenty-eight, Lorraine Hansberry's landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. Does it dry up like a raisin in the sun? Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the play exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo's beautiful mistress, Olanna, a sociology teacher, is running away from her parents' world of wealth and excess; Kainene, her urbane twin, is taking over their father's business; and Kainene's English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, *Half of a Yellow Sun* is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

Lorraine Hansberry, who died at thirty-four, was by all accounts a force of nature. Although best-known for her work *A Raisin in the Sun*, her short life was full of extraordinary experiences and achievements, and she had an unflinching commitment to social justice, which brought her under FBI surveillance when she was barely in her twenties. While her close friends and contemporaries, like James Baldwin and Nina Simone, have been rightly celebrated, her story has been diminished and relegated to one work—until now. In 2018, Hansberry will get the recognition she deserves with the PBS American Masters documentary "Lorraine Hansberry: Sighted Eyes/Feeling Heart" and Imani Perry's multi-dimensional, illuminating biography, *Looking for Lorraine*. After the success of *A Raisin in the Sun*, Hansberry used her prominence in myriad ways: challenging President Kennedy and his brother to take bolder stances on Civil Rights, supporting African anti-colonial leaders, and confronting the romantic racism of the Beat poets and Village hipsters. Though she married a man, she identified as lesbian and, risking censure and the prospect of being outed, joined one of the nation's first lesbian organizations. Hansberry associated with many activists, writers, and musicians, including Malcolm X, Langston Hughes, Duke Ellington, Paul Robeson, W.E.B. full text a raisin in the sun: Examining Lorraine Hansberry's A Raisin in the Sun as Counternarrative Carl A. Grant, 2023-09-29 Examining Lorraine Hansberry's *A Raisin in the Sun* as Counternarrative: Understanding the Black Family and Black Students shows how and why Lorraine Hansberry's play, *A Raisin in the Sun*, should be used as a teaching tool to help educators develop a more accurate and authentic understanding of the Black Family. The purpose of this book is to help educators develop a greater awareness of Black children and youth's, humanity, academic potential and learning capacity, and for teachers to develop the consciousness to disavow white supremacy, American exceptionalism, myths, racial innocence, and personal absolution within the education system. This counternarrative responds to the flawed and racist perceptions, stereotypes, and tropes that are perpetuated in schools and society about the African American family and Black students in US schools. It is deliberative and reverberating in addressing anti-Black racism. It argues that, if Education is to be reimagined through a social justice structure, teachers must be educated with works that include Black artists and educators, and teachers must be committed to decolonizing their own minds. Examining Lorraine Hansberry's *A Raisin in the Sun* as Counternarrative: Understanding the Black Family and Black Students is important reading for undergraduate and postgraduate courses in Educational Foundations, Curriculum and Instruction, Education Policy, Multicultural Education, Social Justice Education, and Black Studies. It will also be beneficial reading for in-service educators.

full text a raisin in the sun: A Memory for Wonders Veronica Namoyo Le Goulard, 1993 Here for the first time is a captivating autobiography of a French girl raised in the wild Moroccan frontier by her communist parents who fled France and vowed that no one would speak to her of God and influence the development of her mind with oppressive superstition. Everything in her education, environment and training was targeted toward making her a perfect product of Marxist atheism. She sucked anti-Catholicism with her mother's milk. But God had other plans for Lucette. Emotionally neglected by her parents, Lucette became a difficult child leading a colorful life full of mischievous adventure all the while experiencing an unutterable loneliness. But the Hound of Heaven was gently pursuing her. At the age of three, upon witnessing the overwhelming beauty of a sunset after a violent sirocco sand storm, she gained the unshakable certainty that this beauty was created, and that there was a God. She began to pray. That was the first link in a chain of remarkable events that grace alone could forge, which led her to embrace the faith and become a Poor Clare nun in Algiers. Disowned by her parents, she put all her trust in Him for whom all things

are possible. Her faith was rewarded with a dramatic answer to the prayers of her heart. Lucette, now Mother Veronica Namoyo, is an Abbess and foundress of two flourishing monasteries in Africa.

full text a raisin in the sun: Radical Vision Soyica Diggs Colbert, 2021-04-20 A captivating portrait of Lorraine Hansberry's life, art, and political activism--one of O Magazine's best books of April 2021 Hits the mark as a fresh and timely portrait of an influential playwright.--Publishers Weekly In this biography of Lorraine Hansberry (1930-1965), the author of *A Raisin in the Sun*, Soyica Diggs Colbert considers the playwright's life at the intersection of art and politics, with the theater operating as a rehearsal room for [her] political and intellectual work. Colbert argues that the success of *Raisin* overshadows Hansberry's other contributions, including the writer's innovative journalism and lesser known plays touching on controversial issues such as slavery, interracial communities, and black freedom movements. Colbert also details Hansberry's unique involvement in the black freedom struggles during the Cold War and the early civil rights movement, in order to paint a full portrait of her life and impact. Drawing from Hansberry's papers, speeches, and interviews, this book presents its subject as both a playwright and a political activist. It also reveals a new perspective on the roles of black women in mid-twentieth-century political movements.

full text a raisin in the sun: A Raisin in the Sun Lorraine Hansberry, 2004-11-29 Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage, observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem *Harlem*, which warns that a dream deferred might dry up/like a raisin in the sun. The events of every passing year add resonance to *A Raisin in the Sun*, said *The New York Times*. It is as if history is conspiring to make the play a classic.

full text a raisin in the sun: Troubling Traditions Lindsey Mantoan, Matthew Moore, Angela Farr Schiller, 2021-11-29 *Troubling Traditions* takes up a 21st century, field-specific conversation between scholars, educators, and artists from varying generational, geographical, and identity positions that speak to the wide array of debates around dramatic canons. Unlike Literature and other fields in the humanities, Theatre and Performance Studies has not yet fully grappled with the problems of its canon. *Troubling Traditions* stages that conversation in relation to the canon in the United States. It investigates the possibilities for multiplying canons, methodologies for challenging canon formation, and the role of adaptation and practice in rethinking the field's relation to established texts. The conversations put forward by this book on the canon interrogate the field's

fundamental values, and ask how to expand the voices, forms, and bodies that constitute this discipline. This is a vital text for anyone considering the role, construction, and impact of canons in the US and beyond.
