haunting adeline: *Adeline* Norah Vincent, 2015-04-07 A “skillfully rendered and emotionally insightful” reimagining of the Bloomsbury group and Virginia Woolf’s last years (Publishers Weekly). In 1925, she began writing *To the Lighthouse*, an epic piece of prose that instantly became a beloved classic. In 1941, she walked into the River Ouse, never to be heard from again. What happened in between those two moments is a story to be told, one of insight and camaraderie, loneliness and loss—the story of a woman, named Adeline at birth, heading toward an inexorable demise. With poetic precision and psychological acuity, Norah Vincent paints an intimate portrait of what might have happened in those last years of Virginia Woolf’s life. From her friendships with the so-called Bloomsbury Group, which included the likes of T. S. Eliot, to her struggles with her husband, Leonard, Vincent explores the intimate conversations, tormented confessions, and internal struggles Woolf may have faced. Praised by *USA Today* as “daring” and by the *New Statesman* as “electrifyingly good,” Adeline takes a keen look at one of the most beloved, mourned, and mysterious literary giants of all time. “Vincent is a sensitive recorder of a mind’s movements as it shifts in and out of inspiration, and as it fights before submitting to despair.” —The New York Times Book Review “Skillfully rendered and emotionally insightful.” —Publishers Weekly

haunting adeline: Zero Hour for Gen X Matthew Hennessey, 2020-02-04 In *Zero Hour for Gen X*, Matthew Hennessey calls on his generation, Generation X, to take a stand against tech-obsessed millennials, apathetic baby boomers, utopian Silicon Valley “visionaries,” and the menace to top them all: the soft totalitarian conspiracy known as the Internet of Things. Soon Gen Xers will be the only cohort of Americans who remember life as it was lived before the arrival of the Internet. They are, as Hennessey dubs them, “the last adult generation,” the sole remaining link to a time when childhood was still a bit dangerous but produced adults who were naturally resilient. More than a decade into the social media revolution, the American public is waking up to the idea that the tech sector’s intentions might not be as pure as advertised. The mountains of money being made off our browsing habits and purchase histories are used to fund ever-more extravagant and utopian projects that, by their very natures, will corrode the foundations of free society, leaving us all helpless and digitally enslaved to an elite crew of ultra-sophisticated tech geniuses. But it’s not too late to turn the tide. There’s still time for Gen X to write its own future. A spirited defense of free speech, eye contact, and the virtues of patience, *Zero Hour for Gen X* is a cultural history of the last 35 years, an analysis of the current social and historical moment, and a generational call to arms.
