- Rise to Fame: Nickelodeon Years
- Career Beyond Acting
- Jennette McCurdy as an Author
- Advocacy and Mental Health
- Influence and Legacy
- Recent Projects and Future Endeavors

Early Life and Background

Jennette McCurdy was born on June 26, 1992, in Long Beach, California. Raised in Garden Grove, she grew up in a working-class family, where her mother's battle with cancer deeply impacted her childhood. Early exposure to the entertainment industry began when she was just eight years old, appearing in commercials and guest-starring in television series. McCurdy's formative years were shaped by her determination to succeed and her resilience in facing personal and professional challenges. Her upbringing instilled a strong work ethic and a unique perspective that would later inform her creative pursuits.

Rise to Fame: Nickelodeon Years

Landing the Role of Sam Puckett

The turning point in Jennette McCurdy's career came in 2007 when she was cast as Sam Puckett in Nickelodeon's "iCarly." Her portrayal of the witty, tough, and comedic best friend to Miranda

Cosgrove's Carly Shay earned her widespread acclaim among young audiences. "iCarly" quickly became a cultural phenomenon, and McCurdy's performance was instrumental in the show's success.

Success with "Sam & Cat"

After "iCarly," McCurdy reprised her role as Sam Puckett in the spin-off series "Sam & Cat," alongside Ariana Grande. The show blended characters from both "iCarly" and "Victorious," attracting a loyal fanbase. Despite its popularity, "Sam & Cat" faced challenges behind the scenes, which McCurdy later discussed openly. These Nickelodeon years established her as a prominent figure in children's television and provided a platform for further opportunities.

Awards and Recognition

- Kids' Choice Awards nominations and wins
- Teen Choice Awards nominations
- Widespread social media influence among teens
- Critical acclaim for comedic timing and character development

Career Beyond Acting

Transition to Behind-the-Scenes Roles

After leaving Nickelodeon, Jennette McCurdy shifted her focus to writing, directing, and producing. She created several short films and web series, exploring themes of family, identity, and personal growth. Her directorial work has been praised for its authenticity and emotional depth, showcasing her versatility in the entertainment industry.

Music Career

In addition to acting, McCurdy pursued country music, releasing her debut EP in 2010 and a self-titled album in 2012. Her singles, including "Generation Love" and "Not That Far Away," resonated with fans and demonstrated her vocal talent. While music was a significant part of her career, she eventually shifted her primary focus to writing and filmmaking.

Podcast and Online Presence

McCurdy expanded her creative reach through digital media, launching the podcast "Empty Inside," where she interviews guests on topics like creativity, mental health, and personal struggles. Her honest conversations and relatable storytelling have attracted a broad audience, further establishing her as a voice for authenticity in entertainment.

Jennette McCurdy as an Author

Release of "I'm Glad My Mom Died"

In 2022, Jennette McCurdy published her memoir, "I'm Glad My Mom Died." The book received critical acclaim for its candid exploration of childhood fame, family trauma, and personal healing. McCurdy's writing style is direct and poignant, delving into the complexities of her relationship with her mother and the pressures of growing up in Hollywood.

Impact and Reception

- Bestseller status on major lists
- Praised for vulnerability and honesty
- Sparked conversations about child stardom and parental influence
- Influenced fellow artists and readers to share their own stories

Literary Style and Themes

McCurdy's memoir is characterized by dark humor, introspection, and a willingness to tackle difficult subjects. She explores themes such as self-acceptance, grief, and breaking free from toxic relationships. Her storytelling resonates with readers seeking authenticity and insight into the realities of fame.

Advocacy and Mental Health

Championing Mental Health Awareness

Jennette McCurdy has become a prominent advocate for mental health, drawing from her personal

experiences with anxiety, eating disorders, and loss. She speaks openly about therapy, self-care, and the importance of destigmatizing mental health challenges. Her transparency has helped normalize these conversations, especially among young people.

Public Speaking and Outreach

- Guest appearances on mental health panels
- Collaborations with advocacy organizations
- Social media campaigns promoting self-acceptance
- Encouraging open dialogue through podcasting and interviews

Influence and Legacy

Impact on Pop Culture

Jennette McCurdy's characters and creative projects have left a lasting imprint on television and literature. Her role as Sam Puckett inspired a generation of fans and contributed to the evolving landscape of youth programming. Through her memoir and advocacy, she continues to shape conversations about celebrity, mental health, and personal growth.

Mentorship and Inspiration

McCurdy's journey from child star to empowered adult has encouraged others in the industry to pursue authenticity and self-expression. She is recognized for mentoring young actors and creators, sharing insights about navigating Hollywood, and emphasizing the importance of artistic integrity.

Recent Projects and Future Endeavors

Current Creative Work

Jennette McCurdy remains active in writing and directing, focusing on projects that reflect her values and artistic vision. Her recent work includes essays, short films, and continued podcast episodes. She has expressed interest in developing new literary and visual storytelling projects in the future.

Anticipated Contributions

- Potential upcoming books and screenplays
- Expanded advocacy for mental health initiatives
- Continued podcast and media presence
- Collaboration with innovative creators

Ongoing Influence in Entertainment

As Jennette McCurdy's career evolves, her influence extends beyond traditional boundaries. She is viewed as a pioneer for multi-talented artists and a role model for resilience and authenticity. Her commitment to meaningful storytelling ensures her relevance in the entertainment industry for years to come.

Jennette McCurdy: Beyond iCarly and a Powerful Journey of Self-Discovery

Jennette McCurdy. The name conjures images of Sam Puckett, the fiery, sarcastic best friend from Nickelodeon's hit show, iCarly. But beyond the iconic character and the seemingly charmed life of a child star, lies a complex and compelling story of resilience, trauma, and ultimately, triumphant self-discovery. This post delves deep into Jennette McCurdy's life, exploring her career, her struggles,

her memoir *I'm Glad My Mom Died*, and the powerful message of self-love and healing it conveys. We'll uncover the raw honesty that makes her story so resonant with audiences worldwide.

From Nickelodeon Star to Candid Memoir: Jennette McCurdy's Career Trajectory

Jennette McCurdy's acting career began in her early teens. Landing roles in various television shows and films, she eventually secured the coveted part of Sam Puckett in *iCarly*, catapulting her to fame. The show's success cemented her status as a teen idol, and she subsequently starred in its spin-off, *Sam & Cat*. Her comedic timing and undeniable on-screen charisma captivated a generation of viewers. However, beneath the surface of her seemingly successful career, McCurdy was battling intense personal struggles, a reality she only revealed years later.

The Weight of Expectations: Jennette McCurdy and the Pressures of Child Stardom

The pressure cooker environment of child stardom often takes a heavy toll, and for Jennette McCurdy, this proved to be particularly true. The constant scrutiny, the relentless demands of her career, and the pervasive influence of her controlling mother all contributed to a deeply troubled adolescence and young adulthood. Her memoir poignantly illustrates the challenges of navigating a demanding career while grappling with complex family dynamics and burgeoning mental health issues. She eloquently describes the feeling of being trapped, her body and life feeling increasingly like a commodity rather than her own.

I'm Glad My Mom Died: Unpacking Trauma and Finding Freedom

McCurdy's memoir, *I'm Glad My Mom Died*, isn't just a celebrity autobiography; it's a raw and unflinching exploration of trauma, abuse, and the long road to healing. The title itself is a bold statement, reflecting the complex and often painful relationship she had with her mother. The book details years of emotional manipulation and control, detailing eating disorders, body image issues, and the persistent struggle to assert her own independence. It's a testament to her courage and vulnerability, offering a powerful insight into the lasting impact of childhood trauma.

Key Themes Explored in the Memoir:

Controlling Mother: The memoir vividly depicts the controlling nature of McCurdy's mother and the suffocating effect it had on her life choices.

Body Image Issues: The relentless pressure to maintain a specific physique within the entertainment industry contributed to the development of eating disorders.

Emotional Abuse: McCurdy details years of emotional manipulation and control, highlighting the

insidious nature of emotional abuse.

Healing and Self-Discovery: The memoir's ultimate message is one of healing, self-acceptance, and the importance of setting boundaries.

Beyond the Memoir: Jennette McCurdy's Post-Acting Journey

After choosing to leave acting behind, Jennette McCurdy embarked on a path of self-discovery and healing. She focused on personal growth, therapy, and pursuing her passions outside of the entertainment industry. This shift signifies a conscious rejection of the pressures and expectations that had previously defined her life, showcasing a newfound strength and agency. Her brave decision to prioritize her mental and emotional well-being sets a powerful example for others grappling with similar experiences.

The Lasting Impact and Message of Jennette McCurdy's Story

Jennette McCurdy's story is a powerful testament to the resilience of the human spirit. Her openness and honesty about her struggles have resonated deeply with audiences, offering a sense of validation and hope to those who have experienced similar challenges. Her memoir serves as a vital reminder of the importance of self-care, setting healthy boundaries, and prioritizing mental well-being above external pressures. Her journey demonstrates that healing is possible, and that finding your own voice and authentic self is a journey worth pursuing.

Conclusion:

Jennette McCurdy's journey, from child star to outspoken author, is a testament to the power of vulnerability, healing, and self-acceptance. Her story transcends the typical celebrity narrative, offering a profound message of hope and resilience to anyone who has ever felt trapped, controlled, or misunderstood. By sharing her experiences with unflinching honesty, she has not only helped herself but has also inspired countless others to embark on their own journeys of self-discovery.

jennette mccurdy: *I'm Glad My Mom Died* Jennette McCurdy, 2022-08-09 A memoir by American former actress and singer Jennette McCurdy about her career as a child actress and her difficult relationship with her abusive mother who died in 2013

jennette mccurdy: *Jennette McCurdy* Mary Boone, 2011-08 She's the sassy sidekick on television's *iCarly* series, but in real life, Jennette McCurdy is a kind young woman focused on balancing her already established acting career and a budding musical career. A fan of country music since she was seven, she's been writing songs and poetry ever since. She signed an album deal with Capitol Records Nashville in 2009, and her singles "So Close" and "Not That Far Away" were released in 2010. Meanwhile, the acting projects keep coming. Find out what drives this young star and where she hopes her talents will take her.

jennette mccurdy: *Summary Of I'm Glad My Mom Died By Jennette McCurdy* thomas francis, 2023-10-16 *I'm Glad My Mom Died* By Jennette McCurdy Jennette McCurdy is redefining what it means to write a celebrity memoir with an attention-grabbing title and the last sentence that leaves you speechless. It would be unfair and insulting to dismiss this book as a celebrity memoir. It is an engrossing, detailed, and intensely personal story of one overcoming many traumatically formative childhood traumas that resulted in adolescence marked by exploitation, eating disorders, drug misuse, and loss. The way this narrative is delivered is quite similar to fiction. She writes in the present tense, dragging us along very closely with her as she grows in what seems like real-time, even though the book is entirely non-fiction. She realistically develops from a helpless little girl to a strong, independent woman who can think critically about the world around her, and we, the readers, get to see this growth and evolution firsthand. McCurdy's voice is crisp, humorous, and well-honed; she has a writing talent, which she notes a few times throughout the book as one of her great joys.

jennette mccurdy: Super Serious Mande Johnson, 2020-08-18 An oral history of Los Angeles independent stand-up comedy with a collection of comedian portraits from a decade of the beloved independent comedy show, *The Super Serious Show*. With a foreword by Demetri Martin, afterword by Reggie Watts, and featuring big-name stars and up-and-coming indie comics alike, *Super Serious* gives a behind-the-scenes glimpse into the world of Los Angeles independent comedy, as told by the performers, directors, and producers who've helped shape it. Including over 60 intimate interviews and 350 photographs, *Super Serious* is a irreverent, loving portrait of a vibrant—and very funny—community.

jennette mccurdy: Summary of Jennette McCurdy's I'm Glad My Mom Died Milkyway Media, Buy now to get the main key ideas from Jennette McCurdy's *I'm Glad My Mom Died* Many of us who watched kiddie TV dreamed of having the lives of our favorite child stars. However, in her autobiography *I'm Glad My Mom Died* (2022), Jennette McCurdy shows us that childhood stardom can be far from a dream - and is closer to a nightmare. She presents a collection of vignettes from moments in her life when she felt she was abused by stardom, by weight issues, by producers, and most of all, by her own mother.

jennette mccurdy: Summary of Jennette Mccurdy's I'm Glad My Mom Died Everest Media,, 2022-08-29T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I unwrap the present in front of me, which is wrapped in Christmas paper even though it's the end of June. I peel off the paper, because I know Mom likes to save a wrapping paper scrap from every present. #2 I was disappointed when I opened my sixth birthday present, which was a two-piece outfit featuring Angelica, my least favorite character, surrounded by daisies. I loved it anyway. #3 I lock eyes with my mother so she will know I care about her, that she's my

priority. I respect that about her. She gives me one of her big nose-wrinkling smiles that makes me feel like everything's going to be okay. #4 I can't believe how upbeat I was when my surroundings were so obviously heavy. I was two. I feel tremendous guilt every time we rewatch the home video. How could I not have known better. What a stupid idiot.

jennette mccurdy: *The Anti-Cool Girl* Rosie Waterland, 2015-09-01 Brutal, brave, hilarious -- a full-frontal memoir about surviving the very worst that life can throw at you. Rosie Waterland has never been cool. Growing up in housing commission, Rosie was cursed with a near perfect, beautiful older sister who dressed like Mariah Carey on a Best & Less budget while Rosie was still struggling with various toilet mishaps. She soon realised that she was the Doug Pitt to her sister's Brad, and that cool was not going to be her currency in this life. But that was only one of the problems Rosie faced. With two addicts for parents, she grew up amidst rehab stays, AA meetings, overdoses, narrow escapes from drug dealers and a merry-go-round of dodgy boyfriends in her mother's life. Rosie watched as her dad passed out/was arrested/vomited, and had to talk her mum out of killing herself. As an adult, trying to come to grips with her less than conventional childhood, Rosie navigated her way through eating disorders, nude acting roles, mental health issues and awkward Tinder dates. Then she had an epiphany: to stop pretending to be who she wasn't and embrace her true self -- a girl who loved drinking wine in her underpants on Sunday nights -- and become an Anti-Cool Girl. An irrepressible, blackly comic memoir, Rosie Waterland's story is a clarion call for Anti-Cool Girls everywhere. 'Individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book. It made me laugh uproariously, then feel terrible for her, then laugh all over again. Sorry, Rosie.' Dominic Knight, The Chaser 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover The Anti Cool Girl was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year

jennette mccurdy: *Jennette McCurdy Days* Natasha Tristan, Whether she achieved success as a young comic actor or not, Jennette McCurdy has resolutely fought through the numerous obstacles that life has thrown her way and is now richly deserving the last laugh. It would be regrettable if McCurdy exited the entertainment business totally because, in addition to being a strong actress, she has also dazzled the public with her writings and efforts behind the camera. Her mother's verbal, physical, and emotional abuse, her own personal issues with alcoholism and eating disorders, and the career she was forced into as a child all contributed to her trauma. Finally, after learning about therapy and giving up acting, Jennette starts to rehabilitate and makes a life-changing decision. Now that she has a definite bestseller memoir, I'm glad my mom died, in her hood and is still grabbing the world's attention with her audacious storytelling, Jennette McCurdy gives prime importance to her personal and professional career keeping her physical and mental health intact. She has finally been given the optimism and freedom she has long deserved. McCurdy never had an idea that her life story would strike a chord with so many people. After being silent for so many years, with years of medication and optimism she is now leading a peaceful unique life beyond esteem.

jennette mccurdy: *Glitter and Glam* Melanie Mills, 2013-09-03 Dazzling Makeup Tips for Date Night, Club Night, and Beyond Maximize the glam, access your inner diva, grab the glitter, and get excited about makeup! With stunning photos, featuring stars like Jennette McCurdy, Ariana Grande, Brandy, and Willa Ford, and easy-to-follow step-by-step instructions, Melanie Mills shows you the makeup techniques for creating fun, trendsetting looks inspired by rock 'n' roll vixens and fairy tale characters. She inspires you to experiment with stunning makeup for all occasions, from a party or a night out with friends to a special date or anytime you want to amplify your look. These looks are stunning, sometimes wild, and guaranteed to make a statement!

jennette mccurdy: The Extinction Trials A. G. Riddle, 2022-06-09 The end... is only the beginning. After a mysterious global event known only as 'The Change', six strangers wake up in an underground research facility where they learn that they're part of the Extinction Trials - a scientific experiment to restart the human race. But the Extinction Trials harbours a very big secret. And so does the world outside. From A.G. Riddle, the Amazon and Wall Street Journal bestselling author with nearly five million copies sold worldwide in twenty languages, comes an epic standalone adventure with a surprise ending unlike anything you've ever read before.

jennette mccurdy: The Origins of You Jay Belsky, Avshalom Caspi, Terrie E. Moffitt, Richie Poulton, 2020-08-11 A Marginal Revolution Book of the Year After tracking the lives of thousands of people from birth to midlife, four of the world's preeminent psychologists reveal what they have learned about how humans develop. Does temperament in childhood predict adult personality? What role do parents play in shaping how a child matures? Is day care bad—or good—for children? Does adolescent delinquency forecast a life of crime? Do genes influence success in life? Is health in adulthood shaped by childhood experiences? In search of answers to these and similar questions, four leading psychologists have spent their careers studying thousands of people, observing them as they've grown up and grown older. The result is unprecedented insight into what makes each of us who we are. In *The Origins of You*, Jay Belsky, Avshalom Caspi, Terrie Moffitt, and Richie Poulton share what they have learned about childhood, adolescence, and adulthood, about genes and parenting, and about vulnerability, resilience, and success. The evidence shows that human development is not subject to ironclad laws but instead is a matter of possibilities and probabilities—multiple forces that together determine the direction a life will take. A child's early years do predict who they will become later in life, but they do so imperfectly. For example, genes and troubled families both play a role in violent male behavior, and, though health and heredity sometimes go hand in hand, childhood adversity and severe bullying in adolescence can affect even physical well-being in midlife. Painstaking and revelatory, the discoveries in *The Origins of You* promise to help schools, parents, and all people foster well-being and ameliorate or prevent developmental problems.

jennette mccurdy: From Blood and Ash Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to

ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Reviews for *From Blood and Ash*: Dreamy, twisty, steamy escapism. Take me back! -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "*From Blood and Ash* is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read."

Kayleigh, K-Books If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise. Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "*From Blood and Ash* is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP! ~Jeraca @My Nose in YA Books "*From Blood to Ash* is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "*From Blood & Ash* is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "*From Blood and Ash* was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout. -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "*From Blood and Ash* is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high

fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!" - Erica, *The Rest Just Falls Away* "Jennifer L. Armentrout comes through once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "*From Blood and Ash* strikes the perfect balance between fantasy and romance elements leaving the world feeling alive in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "*From Blood and Ash* is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "*From Blood and Ash*, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "*From Blood and Ash* is the first high fantasy novel by Jennifer L. Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." - Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determined heroine, and a plot that will keep you up late, this book is one of the best I've read this year." - Valerie from Stuck In Books "*From Blood and Ash*, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits

jennette mccurdy: *More Than Just a Pretty Face* Syed Masood, 2020-08-04 'A deliciously entertaining rom-com.' - Nandini Bajpai, author of *A Match Made in Mehendi* Danyal Jilani doesn't lack confidence. He may not be the smartest guy in the room, but he's funny, gorgeous, and going to make a great chef one day. His father doesn't approve of his career choice, but that hardly matters. What does matter is the opinion of Danyal's longtime crush, the perfect-in-all-ways Kaval, and her family, who consider him a less than ideal arranged marriage prospect. When Danyal gets selected for Renaissance Man, a school-wide academic championship, it's the perfect opportunity to show everyone he's smarter than they think. He recruits the brilliant, totally-uninterested-in-him Bisma to help with the competition, but the more time Danyal spends with her . . . the more he learns from her...the more he cooks for her . . . the more he realizes that happiness may be staring him right in his pretty face. In this young adult debut full of depth and heart, author Syed M. Masood will have readers laughing, sighing, tearing up, and shouting 'YES!' at the top of their lungs. Perfect for fans of Sandhya Menon and Jenny Han. Praise for *MORE THAN JUST A PRETTY FACE* 'A laugh-out-loud yet heartwarming story about familial obligations, friendship, and love. Syed M. Masood has created an unforgettable cast of characters with the utterly charming, hilarious, and most endearing Danyal Jilani at the center of it. A thoroughly enjoyable read and a great addition to any bookshelf.' - Sabina Khan, author of *The Love and Lies of Rukhsana Ali* 'Funny, open-hearted, and utterly charming, *More Than Just a Pretty Face* perfectly captures the joys of friendship and first love, as well as all the complexities of identity, faith, and family. This is a spectacular debut.' - Katie Henry, author of *Heretics Anonymous* 'Hilarious and teeming with heart, *More Than Just a Pretty Face* challenged me, wounded me, made me laugh, and made me love. Danyal has secured his place as a heroic protagonist for the ages who only wants the very best for those he loves. His friends and family are so lucky to have him, and readers will be lucky to have Syed M. Masood's debut. I am a forever fan.' Erin Hahn, author of *You'd Be Mine*

jennette mccurdy: *Miss Memory Lane* Colton Haynes, 2023-03-21 "A brutally honest memoir that socks you in the gut with its candor" (Elton John and David Furnish) about lust, abuse, addiction, stardom, and redemption from Arrow and Teen Wolf actor Colton Haynes. In 2018, Colton Haynes woke up in a hospital. He'd had two seizures, lost vision in one eye, almost ruptured a kidney, and been put on an involuntary psychiatric hold. Not yet thirty, he knew he had to take stock

of his life and make some serious changes if he wanted to see his next birthday. As he worked towards sobriety, Haynes allowed himself to become vulnerable for the first time and discovered profound self-awareness. He had millions of social media followers who constantly told him they loved him. But what would they think if they knew his true story? If they knew where he came from and the things he had done? Now, Colton bravely pulls back the curtain on his life and career, revealing the incredible highs and devastating lows. From his unorthodox childhood in a small Kansas town, to coming to terms with his sexuality, he keeps nothing back. By sixteen, he had been signed by the world's top modeling agency and his face appeared on billboards. But he was still a broke, lonely, confused teenager, surrounded by people telling him he could be a star as long as he never let anyone see his true self. As Colton's career in television took off, the stress of wearing so many masks and trying to please so many different people turned his use of drugs and alcohol into full-blown addiction. "In searing, honest prose, he tells a coming-of-age story that is utterly his own, yet surprisingly universal" (Bill Clegg, New York Times bestselling author)—of dreams deferred and dreams fulfilled; of a family torn apart and rebuilt; and of a man stepping into the light as no one but himself.

jennette mccurdy: American Estrangement: Stories Saïd Sayrafiezadeh, 2021-08-10 Finalist for the 2022 Los Angeles Times Book Prize in Fiction Longlisted for the 2022 Story Prize A New York Times Editors' Choice pick One of Literary Hub's Most Anticipated Books of 2021 Stories that capture our times by "a young author who has already established himself as a unique American voice" (Elle). Saïd Sayrafiezadeh has been hailed by Philip Gourevitch as a masterful storyteller working from deep in the American grain. His new collection of stories—some of which have appeared in *The New Yorker*, *the Paris Review*, and the Best American Short Stories—is set in a contemporary America full of the kind of emotionally bruised characters familiar to readers of Denis Johnson and George Saunders. These are people contending with internal struggles—a son's fractured relationship with his father, the death of a mother, the loss of a job, drug addiction—even as they are battered by larger, often invisible, economic, political, and racial forces of American society. Searing, intimate, often slyly funny, and always marked by a deep imaginative sympathy, *American Estrangement* is a testament to our addled times. It will cement Sayrafiezadeh's reputation as one of the essential twenty-first-century American writers.

jennette mccurdy: Every Lie I've Ever Told Rosie Waterland, 2017-08-01 'I'm okay!' The bestselling author of *The Anti-Cool Girl* returns with a devastating, heartbreaking, brilliant, brave and laugh-out-loud funny memoir of telling lies and being on the brink... 'I had made it! All my dreams had come true. I had an operating fridge, I was doing brilliantly, and I had written the memoir to prove it. I even had online haters. I had conquered life at 30 and nothing was ever going to go wrong again!' It was all going so well for Rosie Waterland. Until it wasn't. Until, shockingly, something awful happened and Rosie went into agonising free fall. Until late one evening she found herself in a hospital emergency bed, trembling and hooked to a drip. Over the course of that long, painful night, she kept thinking about how ironic it was, that right in the middle of writing a book about lies, she'd ended up telling the most significant lie of all. A raw, beautiful, sad, shocking - and very, very funny - memoir of all the lies we tell others and the lies we tell ourselves. Praise for *The Anti-Cool Girl*: 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover 'Waterland's writing is ... individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book.' Dominic Knight, *The Chaser* *The Anti-Cool Girl* was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year

jennette mccurdy: The Four Humors Mina Seckin, 2022-11-08 This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. [A] humane and refreshingly astringent novel. —Lauren LeBlanc, *The New York Times*

Book Review Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father's grave, and study for the MCAT. Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel's mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family's history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel's search for strange and unusual cures is disrupted as she begins to see how she might heal herself through the care of others, including her own family and its long-fractured relationships.

jennette mccurdy: The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant Drew Hayes, 2014-08-12 Some people are born boring. Some live boring. Some even die boring. Fred managed to do all three, and when he woke up as a vampire, he did so as a boring one. Timid, socially awkward, and plagued by self-esteem issues, Fred has never been the adventurous sort. One fateful night - different from the night he died, which was more inconvenient than fateful - Fred reconnects with an old friend at his high school reunion. This rekindled relationship sets off a chain of events thrusting him right into the chaos that is the parahuman world, a world with chipper zombies, truck driver wereponies, maniacal necromancers, ancient dragons, and now one undead accountant trying his best to survive. Because even after it's over, life can still be a downright bloody mess.

jennette mccurdy: The Charm Offensive Alison Cochrun, 2021-09-07 A MOST ANTICIPATED ROM-COM SELECTED BY * BUZZFEED * LGBTQ READS * BUSTLE * THE NERD DAILY * ENTERTAINMENT TONIGHT * FROLIC MEDIA * AND MORE! A BEST BOOK PICK BY * HARPER'S BAZAAR * ENTERTAINMENT WEEKLY "The Charm Offensive will sweep you off your feet."
—PopSugar In this witty and heartwarming romantic comedy—reminiscent of *Red, White & Royal Blue* and *One to Watch*—an awkward tech wunderkind on a reality dating show goes off-script when sparks fly with his producer. Dev Deshpande has always believed in fairy tales. So it's no wonder then that he's spent his career crafting them on the long-running reality dating show *Ever After*. As the most successful producer in the franchise's history, Dev always scripts the perfect love story for his contestants, even as his own love life crashes and burns. But then the show casts disgraced tech wunderkind Charlie Winshaw as its star. Charlie is far from the romantic Prince Charming *Ever After* expects. He doesn't believe in true love, and only agreed to the show as a last-ditch effort to rehabilitate his image. In front of the cameras, he's a stiff, anxious mess with no idea how to date twenty women on national television. Behind the scenes, he's cold, awkward, and emotionally closed-off. As Dev fights to get Charlie to connect with the contestants on a whirlwind, worldwide tour, they begin to open up to each other, and Charlie realizes he has better chemistry with Dev than with any of his female co-stars. But even reality TV has a script, and in order to find to happily ever after, they'll have to reconsider whose love story gets told.

jennette mccurdy: Confessions of a Wall Street Insider Michael Kimelman, 2017-03-28 Although he was a suburban husband and father, living a far different life than the "Wolf of Wall Street," Michael Kimelman had a good run as the cofounder of a hedge fund. He had left a cushy yet suffocating job at a law firm to try his hand at the high-risk life of a proprietary trader — and he did pretty well for himself. But it all came crashing down in the wee hours of November 5, 2009, when the Feds came to his door—almost taking the door off its hinges. While his wife and children were sequestered to a bedroom, Kimelman was marched off in embarrassment in view of his neighbors and TV crews who had been alerted in advance. He was arrested as part of a huge insider trading case, and while he was offered a "sweetheart" no-jail probation plea, he refused, maintaining his innocence. The lion's share of *Confessions of a Wall Street Insider* was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex

Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him; realizing that none of that mattered in the end. As he writes: "Stripped of family, friends, time, and humanity, if there's ever a place to give one pause, it's prison . . .

Tomorrow is promised to no one." In *Confessions of a Wall Street Insider*, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

jennette mccurdy: *Fables and Other Lies* Claire Contreras, 2020-12-20 Do you believe in curses? I never did. Not until that fated night, six years ago, when I sat in The Devil's Chair and made a wish. Not until it came true. Not until I met River Caliban himself, heir to a fortune of curses. My fated sworn enemy. I knew I should have stayed away from him. I should have run the other way when he called out my name, when he flashed that sinful smile of his, but instead, I walked toward him, leaving the light behind. Instead, I go against all reason, against all warning, and attended the gala of the year at his dark, allegedly haunted home at the top of the hill. The moment I step foot inside I know I'm in trouble, but there's something about River that magnetizes me, reels me in, and when he asks for the impossible, I find it impossible to turn him away.

jennette mccurdy: *My Oxford Year* Julia Whelan, 2018-04-24 Soon to be a Netflix Film Starring Sofia Carson and Corey Mylchreest! "My Oxford Year is a pure delight . . . Julia Whelan has crafted a story that is as fun and charming as it is powerful and wise." —TAYLOR JENKINS REID "A read bursting with warmth, mirth, and heart. A powerfully heartbreaking and life-affirming tribute to love and to choice." — ENTERTAINMENT WEEKLY Set amidst the breathtaking beauty of Oxford, this sparkling debut novel tells the unforgettable story about a determined young woman eager to make her mark in the world and the handsome man who introduces her to an incredible love that will irrevocably alter her future—perfect for fans of JoJo Moyes and Nicholas Sparks. American Ella Durran has had the same plan for her life since she was thirteen: Study at Oxford. At 24, she's finally made it to England on a Rhodes Scholarship when she's offered an unbelievable position in a rising political star's presidential campaign. With the promise that she'll work remotely and return to DC at the end of her Oxford year, she's free to enjoy her Once in a Lifetime Experience. That is, until a smart-mouthed local who is too quick with his tongue and his car ruins her shirt and her first day. When Ella discovers that her English literature course will be taught by none other than that same local, Jamie Davenport, she thinks for the first time that Oxford might not be all she's envisioned. But a late-night drink reveals a connection she wasn't anticipating finding and what begins as a casual fling soon develops into something much more when Ella learns Jamie has a life-changing secret. Immediately, Ella is faced with a seemingly impossible decision: turn her back on the man she's falling in love with to follow her political dreams or be there for him during a trial neither are truly prepared for. As the end of her year in Oxford rapidly approaches, Ella must decide if the dreams she's always wanted are the same ones she's now yearning for.

jennette mccurdy: *Blue-Skinned Gods* SJ Sindu, 2021-11-02 From the award-winning author of *Marriage of a Thousand Lies* comes a brilliantly written, globe-spanning novel about identity, faith, family, and sexuality. In Tamil Nadu, India, a boy is born with blue skin. His father sets up an ashram, and the family makes a living off of the pilgrims who seek the child's blessings and miracles, believing young Kalki to be the tenth human incarnation of the Hindu god Vishnu. In Kalki's tenth year, he is confronted with three trials that will test his power and prove his divine status and, his father tells him, spread his fame worldwide. While he seems to pass them, Kalki begins to question

his divinity. Over the next decade, his family unravels, and every relationship he relied on—father, mother, aunt, uncle, cousin—starts falling apart. Traveling from India to the underground rock scene of New York City, *Blue-Skinned Gods* explores ethnic, gender, and sexual identities, and spans continents and faiths, in an expansive and heartfelt look at the need for belief in our globally interconnected world.

jennette mccurdy: **High Conflict** Amanda Ripley, 2022-04-05 In the tradition of bestselling explainers like *The Tipping Point*, [this] book [is] based on cutting edge science that breaks down the idea of extreme conflict--the kind that paralyzes people and places--and then shows how to escape it--

jennette mccurdy: **Navigating Autism: 9 Mindsets For Helping Kids on the Spectrum** Temple Grandin, Debra Moore, 2021-09-21 Empowering strategies for anyone who works with children and teens on the spectrum. International best-selling writer and autistic Temple Grandin joins psychologist Debra Moore in presenting nine strengths-based mindsets necessary to successfully work with young people on the autism spectrum. Examples and stories bring the approaches to life, and detailed suggestions and checklists help readers put them to practical use. Temple Grandin shares her own personal experiences and anecdotes from parents and professionals who have sought her advice, while Debra Moore draws on more than three decades of work as a psychologist with kids on the spectrum and those who love and care for them. So many people support the lives of these kids, and this book is for all of them: teachers; special education staff; mental health clinicians; physical, occupational, and speech therapists; parents; and anyone interacting with autistic children or teens. Readers will come away with new, empowering mindsets they can apply to develop the full potential of every child.

jennette mccurdy: **Shifter Wars** Kelly St. Clare, 2020-10-06

jennette mccurdy: **Anastasia** Chris Zas's, 2021-10-09 Anastasia, the young woman at the center of this story had no clue that the young man she was falling in love with was nobody but her own sister's ex. FRUITELLA, the caring older sister didn't wish the same fate for her sibling under the same man that she knew perhaps better. The misunderstanding between sisters was just the drop in the ocean as a lot more hidden stories came from a dark past to emerge in a bright present to haunt their present lives. Love, heartbreak and crime made such an entertaining cocktail to be tasted.

jennette mccurdy: **The Case of the Murderous Dr. Cream** Dean Jobb, 2021-06-01 The chilling true-crime story of the Victorian era's deadliest doctor "When a doctor does go wrong, he is the first of criminals," Sherlock Holmes observed during one of his most puzzling murder investigations. Incredibly, at the time the words of the world's most famous fictional detective appeared in print in the Strand Magazine, a real-life Canadian doctor was stalking and murdering women in London's downtrodden Lambeth neighbourhood. Dr. Thomas Neill Cream had been a suspect in the deaths of two women in Canada, and had killed as many as four people in Chicago before he arrived in London in 1891 and began using pills laced with strychnine to kill prostitutes. The Lambeth Poisoner, as he was dubbed in the press, became one of the most prolific serial killers in history. In this fascinating book, Dean Jobb reveals how bungled investigations, corrupt officials and failed prosecutions allowed Cream to evade detection or freed him to kill, again and again. The first complete account of Dr. Cream's crimes and his many victims explores how the stifling morality

and hypocrisy of the Victorian era allowed this monster to poison vulnerable and desperate women, many of whom had turned to him for medical help. It offers an inside account of Scotland Yard's desperate search for a killer as brazen and efficient as Jack the Ripper.

jennette mccurdy: *Crazy For The Storm* Norman Ollestad, 2010-08-10 Norman Ollestad was thrust into the world of surfing and competitive downhill skiing at a very young age by the father he idolized. Often paralyzed by fear, young Norman resented losing his childhood to his father's reckless and demanding adventures, even as he began to reap the rewards of his training. Then, in February 1979, a chartered Cessna carrying eleven-year-old Norman, his father, his father's girlfriend Sandra and the pilot, crashed into the San Gabriel Mountains. Norman's father -- a man who was both his son's coach and hero -- was dead, along with the pilot; Sandra was clinging to life. Suspended at over 8,000 feet and engulfed in a blizzard, grief-stricken Norman descended the icy mountain alone. Putting his father's passionate lessons to work, he defied the elements and made it down alive -- the sole survivor of the crash. A compulsive, page-turning read, at times nostalgic and heart-wrenching, *Crazy for the Storm* illuminates the complicated bond between an extraordinary father and his son, and offers remarkable insight to us all.

jennette mccurdy: *Modelland* Tyra Banks, 2011-09-13 *Modelland* - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. *Modelland*—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of *Modelland*, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in *MODELLAND*. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

jennette mccurdy: *A Gift of Magic* Lois Duncan, 2012-06-19 When the old woman died, she left her grandchild Nancy with the extraordinary gift of magic. Nancy can read people's minds, know their thoughts, and make them do what she wants. Will she use her gift for good, or satisfy her own selfish desire? Lois Duncan presents a paranormal rollercoaster ride with goosebumps at every turn. This edition features updated text and an exclusive Q&A with author Lois Duncan!

jennette mccurdy: *Honest Illusions* Nora Roberts, 1993 A magician's daughter has inherited her father's talents-and his penchant for jewel thievery. Then she meets an escape artist who captures her heart and has secrets that could shatter her illusions...

jennette mccurdy: *How to Survive Your Childhood Now That You're an Adult* Ira Israel, 2017-10-10 As children, we learned to get approval by creating facades to help us get our emotional and psychological needs met, but we also rebelled against authority as a way of individuating. As adults, these conflicting desires leave many of us feeling anxious or depressed because our authentic selves are buried deep beneath glitzy or rebellious exteriors or some combination thereof. In this provocative book, eclectic teacher and therapist Ira Israel offers a powerful, comprehensive, step-by-step path to recognizing the ways of being that we created as children and transcending them with compassion and acceptance. By doing so, we discover our true callings and cultivate the authentic love we were born deserving.

jennette mccurdy: *Summary of I'm Glad My Mom Died* Alexander Cooper, 2022-09-18 I'm Glad My Mom Died - A Comprehensive Summary Jennette McCurdy is redefining what it means to write a celebrity memoir with an attention-grabbing title and the last sentence that leaves you speechless. It would be unfair and insulting to dismiss this book as a celebrity memoir. It is an engrossing, detailed, and intensely personal story of one overcoming many traumatically formative childhood traumas that resulted in adolescence marked by exploitation, eating disorders, drug misuse, and loss. The way this narrative is delivered is quite similar to fiction. She writes in the present tense, dragging us along very closely with her as she grows in what seems like real-time, even though the book is entirely non-fiction. She realistically develops from a helpless little girl to a strong, independent woman who can think critically about the world around her, and we, the readers, get to see this growth and evolution firsthand. McCurdy's voice is crisp, humorous, and well-honed; she has a writing talent, which she notes a few times throughout the book as one of her great joys. The fundamental ideas in this book are dismal, yet the author describes them in a style that is both hilarious and brutally honest. Overall, this was an impressive start from a much more unique and prominent person. This isn't going to be a tell-all full of drama, so don't expect it to be. There are a few tidbits regarding her tenure at Nickelodeon, particularly concerning her interactions with The Creator, as she refers to him, but that's about it. She briefly mentions the connections she had with her co-stars, but any discussion of her acting career is only included if it is essential to understanding her whole journey. This book is as gloomy and enlightening as it is mixed with comic relief and informed understanding. As a result of reading her story, I have tremendous respect for this lady. The whole planet owes Jennette. *I'm Glad My Mom Died* chronicles Jennette's detailed and explicit life before and after entering the entertainment business, up to the discussions about publishing this book. It explores her familial dynamics, her mother's very violent and poisonous relationship with her, and all of the interactions that took place in the background. At the same time, she struggled—trying to please her mother and her job, abusing drugs to stay unconscious, engaging in harmful habits, and rarely acting in her own best interests. Here is a Preview of What You Will Get: □ A Detailed Introduction □ A Comprehensive Chapter by Chapter Summary □ Etc Get a copy of this summary and learn about the book.

jennette mccurdy: *Marichjhapi Beyond & Within* Sukharanja Sengupta, 2010-11-01

jennette mccurdy: *Dálvi* Laura Galloway, 2022-02-03 Part memoir, part travelogue, this is the story of one woman's six years living in a reindeer-herding village in the Arctic Tundra, forging a life on her own as the only American among one of the most unknowable cultures on earth. An ancestry test suggesting she shared some DNA with the Sámi people, the indigenous inhabitants of the Arctic tundra, tapped into Laura Galloway's wanderlust; an affair with a Sámi reindeer herder ultimately led her to leave New York for the tiny town of Kautokeino, Norway. When her new boyfriend left her unexpectedly after six months, it would have been easy, and perhaps prudent, to return home. But she stayed for six years. *Dálvi* is the story of Laura's time in a reindeer-herding village in the Arctic, forging a solitary existence as she struggled to learn the language and make her way in a remote community for which there were no guidebooks or manuals for how to fit in. Her time in the North opened her to a new world. And it brought something else as well: reconciliation and peace with the traumatic events that had previously defined her - the sudden death of her mother when she was three, a difficult childhood and her lifelong search for connection and a sense of home. Both a

heart-rending memoir and a love letter to the singular landscape of the region, Dálvi explores with great warmth and humility what it means to truly belong.

jennette mccurdy: How to Have a Kid and a Life Ericka Souter, 2021-08-24 Continue to have and grow your life, Mom—for your sake and your kids’. When did being a good mom come to mean giving up everything that used to make you ... you? That’s the question millions of 21st-century mothers grapple with every single day as they parent in our madly kid-centric culture. Contrary to the incessant messaging from everywhere, committing to yourself and your own needs is what makes for a good mother and happy kids. With How to Have a Kid and a Life, popular journalist and Good Morning America parenting expert Ericka Souter shares her tips for being a happy, whole person while still being a great, and sometimes just good enough (which is plenty fine), parent. Souter blends her own stories of surviving the seismic challenges of parenthood with testimonials from stay-at-home and working moms; interviews with therapists and researchers; and findings from the latest studies on happiness, self-care, and parenthood. What she delivers is a wonderfully irreverent survival guide to motherhood, featuring:

- Advice on keeping your career on track while parenting
- Tips for handling clueless and unhelpful partners
- Taking back ownership of your body
- Creating a reliable village of support (even with moms you didn’t think you’d like)
- Staying connected with child-free friends
- What to do if you feel like you’re missing the “mom gene”
