ice breaker hannah grace: *Fool Me Twice* Carrie Aarons, 2020-03-09 When my best friend died of cancer just before her eighteenth birthday, she left her coveted bucket list to me. The things she already crossed off? Skinny dipping, going to Paris, completing the local hot wing challenge, road tripping to the ocean, and sending out a message in a bottle. So, it falls on me to finish it for her, to honor her memory. In the next year, it's my mission to: 1. Dye my hair 2. Have sex 3. Camp out in a tent 4. Go bungee jumping 5. Get revenge on Lincoln Kolb Most are doable, some terrify me, and then there is the last item on the list. When the raven-haired football god dumped my best friend during senior year of high school, she was devastated. The jerk with charm for days found out she was sick, and betrayed her in the worst way possible. But he doesn't know me, I went to school a town over. Now, to fulfill my promise, I'm the newest freshman on the campus where he is the big man. If there is one thing, aside from cheap beer, that a jock can't pass up, it's a shiny new girl. So when I catch his eye, play hard to get, and then fall into his bed, I know my scheme is working to perfection. But what Lincoln can't see coming is the beatdown I have planned for his ice-cold heart. Unfortunately, what I never saw coming was the one he had planned for mine.

dishes Knock before entering the bathroom Never look up your roommate online The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.
