Background of Jennette McCurdy and Her Career

Early Life and Rise to Fame

Jennette McCurdy began her journey in the entertainment industry at a young age. Raised in Southern California, she quickly demonstrated a talent for acting, landing roles in television and film. Her breakthrough came with the popular Nickelodeon series "iCarly," where she played Sam Puckett, a role that gained her international recognition. The success of "iCarly" led to further opportunities, including the spin-off series "Sam & Cat." Throughout her career, McCurdy showcased her comedic timing, versatility, and strong screen presence, establishing herself as a prominent figure among young audiences.

Challenges Behind the Scenes

Despite her on-screen success, Jennette McCurdy faced numerous challenges in

her personal and professional life. These included struggles with mental health, family pressures, and the demands of child stardom. McCurdy's experiences behind the scenes shaped her perspective and ultimately influenced her decision to step away from acting and pursue other creative endeavors, such as writing and directing.

Overview of the Jennette McCurdy Book

Title and Publication Details

The Jennette McCurdy book, officially titled "I'm Glad My Mom Died," was published in August 2022. The memoir quickly became a New York Times bestseller, earning critical acclaim for its honest and unflinching portrayal of McCurdy's life. The book's provocative title reflects the complex and often painful relationship McCurdy had with her mother, which is a central focus of the memoir.

Structure and Style of the Memoir

"I'm Glad My Mom Died" is written in a candid, conversational style that resonates with readers. McCurdy employs humor, vulnerability, and vivid storytelling to share her experiences. The memoir is structured in chronological order, tracing her childhood, rise to fame, and the aftermath of her mother's passing. The narrative is both accessible and deeply personal, offering insight into the realities of growing up in the spotlight.

Key Features of the Jennette McCurdy Book

- Explores the pressures of child stardom
- Addresses issues of mental health and eating disorders
- Highlights family dynamics and emotional trauma
- Utilizes humor to tackle difficult subjects
- Offers an authentic voice and perspective

Major Themes and Topics Explored

Mother-Daughter Relationship

One of the central themes of the Jennette McCurdy book is the complex relationship between McCurdy and her mother. The memoir details the emotional manipulation, control, and high expectations McCurdy endured, providing a nuanced look at the impact of parental influence on a child's sense of self. The book's title serves as a stark reflection of McCurdy's journey toward healing and independence following her mother's death.

Mental Health and Recovery

"I'm Glad My Mom Died" candidly addresses McCurdy's struggles with eating disorders, anxiety, and depression. Through her story, she sheds light on the often-hidden challenges faced by young celebrities, emphasizing the importance of mental health awareness and recovery. McCurdy's openness has been praised for helping to reduce stigma and encourage honest conversations about psychological well-being.

Child Stardom and Industry Pressures

The memoir explores the unique pressures faced by child actors in Hollywood. McCurdy shares her experiences with demanding schedules, public scrutiny, and the lack of autonomy over her career. The book highlights the need for greater support and protection for young performers, raising important questions about the entertainment industry's responsibility.

Personal Growth and Transformation

As the story unfolds, readers witness McCurdy's journey of self-discovery and empowerment. She discusses her decision to leave acting, pursue writing, and prioritize her own well-being. The Jennette McCurdy book serves as a testament to overcoming adversity and embracing new beginnings.

Use of Humor and Honesty

Despite its serious subject matter, "I'm Glad My Mom Died" incorporates humor and wit throughout. McCurdy's ability to blend levity with honesty creates a compelling narrative that is both relatable and impactful. This balance is one of the reasons the memoir has resonated with a wide audience.

Public and Critical Reception

Best-Seller Status and Awards

Upon release, the Jennette McCurdy book quickly achieved best-seller status, appearing on major lists and garnering significant media attention. Critics praised the memoir for its courage, authenticity, and literary quality. The book's success was further validated by several awards and nominations in the memoir and autobiography categories.

Reader Responses and Impact

Readers responded to the Jennette McCurdy book with overwhelming support and empathy. Many shared how McCurdy's story mirrored their own experiences with family trauma and mental health challenges. The book has been recognized for its ability to inspire and empower individuals to seek help and break free from toxic relationships.

Media Coverage and Interviews

The release of "I'm Glad My Mom Died" was accompanied by extensive media coverage, including interviews, podcasts, and television appearances. McCurdy's openness in discussing her memoir helped to amplify its message and reach a broader audience. The book has become a touchstone for discussions around celebrity culture and personal healing.

Impact on Jennette McCurdy's Life and Career

Transition from Acting to Writing

The publication of her memoir marked a significant turning point in Jennette McCurdy's career. After leaving acting, she focused on writing, directing, and advocating for mental health awareness. The success of her book demonstrated her talent as an author and storyteller, paving the way for future creative projects.

Influence on Popular Culture

"I'm Glad My Mom Died" has influenced conversations about child stardom, mental health, and parenting. The memoir's impact extends beyond McCurdy's personal journey, contributing to broader cultural awareness and change. Her story has encouraged other celebrities and individuals to speak out about their own experiences.

Future Endeavors

With the acclaim of her first book, Jennette McCurdy is expected to continue exploring new creative avenues. Fans and literary critics anticipate future works that build on the honesty and insight displayed in her memoir. McCurdy's contributions to literature and advocacy remain highly regarded.

Jennette McCurdy Book: A Raw and Honest Look Inside a Star's Journey

Are you ready to delve into a deeply personal and unflinching account of a young star's rise to fame and the turbulent aftermath? Jennette McCurdy's memoir, *I'm Glad My Mom Died*, isn't your typical Hollywood tell-all. It's a raw, vulnerable exploration of trauma, exploitation, and the arduous journey towards self-discovery. This post will dissect the key themes within McCurdy's book, providing an in-depth analysis without spoilers, while also addressing common questions surrounding its impact and significance.

A Deeper Dive into "I'm Glad My Mom Died"

Jennette McCurdy's *I'm Glad My Mom Died* is more than just a celebrity memoir; it's a powerful testament to resilience and the long shadow of childhood trauma. The book bravely navigates the complexities of McCurdy's relationship with her controlling mother, Debbie, and the ways in which that dynamic shaped her life and career.

The Mother-Daughter Relationship: A Toxic Dynamic

One of the most central themes is the deeply troubled relationship between Jennette and her mother. The book meticulously details years of emotional manipulation, control, and even physical abuse. McCurdy unflinchingly exposes the ways in which her mother's ambition overshadowed her well-being, pushing her into the world of acting at a young age with little regard for her own desires or emotional needs. This isn't just a story of a difficult mother; it's a chilling depiction of the insidious nature of emotional manipulation and its lasting consequences.

Navigating the World of Nickelodeon and Child Stardom

The book doesn't shy away from the realities of child stardom within the Nickelodeon universe. McCurdy details her experiences on *iCarly*, highlighting the pressures and expectations placed upon her as a young actress. While she doesn't explicitly name names, she alludes to uncomfortable and exploitative situations, leaving readers to draw their own conclusions about the systemic issues within the entertainment industry. This adds a layer of complexity to the narrative, highlighting the often-unseen struggles faced by young performers.

The Journey to Healing and Self-Discovery

Despite the harrowing details, *I'm Glad My Mom Died* is ultimately a story of hope and healing. McCurdy's journey towards self-discovery forms the emotional core of the book. She details her struggles with eating disorders, addiction, and the lasting effects of her traumatic childhood. Her honest and vulnerable account provides a powerful message of hope and the possibility of reclaiming one's life after experiencing significant trauma. The book emphasizes the importance of self-care, therapy, and the power of confronting one's past.

Beyond the Headlines: The Broader Implications

The book's success transcends simple celebrity gossip. McCurdy's story resonates with a broader audience because it tackles universal themes of family dynamics, childhood trauma, and the complexities of pursuing dreams in a demanding industry. It sparks crucial conversations about the exploitation of child performers, the importance of mental health, and the long-term consequences of unhealthy relationships. This makes the book significant far beyond its immediate context.

Why You Should Read Jennette McCurdy's Book

I'm Glad My Mom Died isn't a light read. It requires emotional fortitude, but the rewards are immense. McCurdy's courageous honesty and willingness to share her most vulnerable moments

make it a compelling and unforgettable read. It's a book that will stay with you long after you finish the final page. It offers a powerful message of hope, healing, and the strength it takes to confront one's past and rebuild one's life.

Conclusion

Jennette McCurdy's *I'm Glad My Mom Died* is a powerful and essential read for anyone interested in understanding the complexities of childhood trauma, the entertainment industry, and the difficult yet ultimately rewarding journey of self-discovery. It's a testament to the resilience of the human spirit and a call for greater awareness and support for those who have experienced similar struggles.

FAQs

1. Is Jennette McCurdy's book fiction or non-fiction?

It's a memoir, meaning it's a non-fiction account of her life experiences.

2. Does the book contain explicit details about her time on iCarly?

While she doesn't name names directly, she does allude to uncomfortable and potentially exploitative situations that occurred during her time on the show.

3. What are the key themes explored in the book?

The key themes are the toxic mother-daughter relationship, the pressures of child stardom, overcoming trauma, healing from emotional abuse, and the journey to self-discovery.

4. Is the book suitable for all ages?

Due to its mature themes of abuse and trauma, it's not recommended for younger readers.

5. Where can I purchase Jennette McCurdy's book?

It's available at most major booksellers, both online and in physical stores. You can find it on Amazon, Barnes & Noble, and other retailers.

jennette mccurdy book: I'm Glad My Mom Died Jennette McCurdy, 2022-08-09 A memoir by American former actress and singer Jennette McCurdy about her career as a child actress and her difficult relationship with her abusive mother who died in 2013

jennette mccurdy book: *I'm Glad My Mom Died* Jennette McCurdy, 2022-08-09 * #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION

COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

jennette mccurdy book: *The Anti-Cool Girl* Rosie Waterland, 2015-09-01 Brutal, brave, hilarious -- a full-frontal memoir about surviving the very worst that life can throw at you. Rosie Waterland has never been cool. Growing up in housing commission, Rosie was cursed with a near perfect, beautiful older sister who dressed like Mariah Carey on a Best & Less budget while Rosie was still struggling with various toilet mishaps. She soon realised that she was the Doug Pitt to her sister's Brad, and that cool was not going to be her currency in this life. But that was only one of the problems Rosie faced. With two addicts for parents, she grew up amidst rehab stays, AA meetings, overdoses, narrow escapes from drug dealers and a merry-go-round of dodgy boyfriends in her mother's life. Rosie watched as her dad passed out/was arrested/vomited, and had to talk her mum out of killing herself. As an adult, trying to come to grips with her less than conventional childhood, Rosie navigated her way through eating disorders, nude acting roles, mental health issues and awkward Tinder dates. Then she had an epiphany: to stop pretending to be who she wasn't and embrace her true self -- a girl who loved drinking wine in her underpants on Sunday nights -- and become an Anti-Cool Girl. An irrepressible, blackly comic memoir, Rosie Waterland's story is a clarion call for Anti-Cool Girls everywhere. 'Individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book. It made me laugh uproariously, then feel terrible for her, then laugh all over again. Sorry, Rosie.' Dominic Knight, The Chaser 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover The Anti Cool Girl was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year

jennette mccurdy book: *Jennette McCurdy* Mary Boone, 2011-08 She's the sassy sidekick on television's *iCarly* series, but in real life, Jennette McCurdy is a kind young woman focused on balancing her already established acting career and a budding musical career. A fan of country music since she was seven, she's been writing songs and poetry ever since. She signed an album deal with Capitol Records Nashville in 2009, and her singles "So Close" and "Not That Far Away" were released in 2010. Meanwhile, the acting projects keep coming. Find out what drives this young star and where she hopes her talents will take her.

jennette mccurdy book: *Super Serious* Mande Johnson, 2020-08-18 An oral history of Los Angeles independent stand-up comedy with a collection of comedian portraits from a decade of the beloved independent comedy show, *The Super Serious Show*. With a foreword by Demetri Martin,

afterword by Reggie Watts, and featuring big-name stars and up-and-coming indie comics alike, *Super Serious* gives a behind-the-scenes glimpse into the world of Los Angeles independent comedy, as told by the performers, directors, and producers who've helped shape it. Including over 60 intimate interviews and 350 photographs, *Super Serious* is a irreverent, loving portrait of a vibrant—and very funny—community.

jennette mccurdy book: *Miss Memory Lane* Colton Haynes, 2023-03-21 “A brutally honest memoir that socks you in the gut with its candor” (Elton John and David Furnish) about lust, abuse, addiction, stardom, and redemption from *Arrow* and *Teen Wolf* actor Colton Haynes. In 2018, Colton Haynes woke up in a hospital. He'd had two seizures, lost vision in one eye, almost ruptured a kidney, and been put on an involuntary psychiatric hold. Not yet thirty, he knew he had to take stock of his life and make some serious changes if he wanted to see his next birthday. As he worked towards sobriety, Haynes allowed himself to become vulnerable for the first time and discovered profound self-awareness. He had millions of social media followers who constantly told him they loved him. But what would they think if they knew his true story? If they knew where he came from and the things he had done? Now, Colton bravely pulls back the curtain on his life and career, revealing the incredible highs and devastating lows. From his unorthodox childhood in a small Kansas town, to coming to terms with his sexuality, he keeps nothing back. By sixteen, he had been signed by the world's top modeling agency and his face appeared on billboards. But he was still a broke, lonely, confused teenager, surrounded by people telling him he could be a star as long as he never let anyone see his true self. As Colton's career in television took off, the stress of wearing so many masks and trying to please so many different people turned his use of drugs and alcohol into full-blown addiction. “In searing, honest prose, he tells a coming-of-age story that is utterly his own, yet surprisingly universal” (Bill Clegg, *New York Times* bestselling author)—of dreams deferred and dreams fulfilled; of a family torn apart and rebuilt; and of a man stepping into the light as no one but himself.

jennette mccurdy book: *Confessions of a Wall Street Insider* Michael Kimelman, 2017-03-28 Although he was a suburban husband and father, living a far different life than the “Wolf of Wall Street,” Michael Kimelman had a good run as the cofounder of a hedge fund. He had left a cushy yet suffocating job at a law firm to try his hand at the high-risk life of a proprietary trader — and he did pretty well for himself. But it all came crashing down in the wee hours of November 5, 2009, when the Feds came to his door—almost taking the door off its hinges. While his wife and children were sequestered to a bedroom, Kimelman was marched off in embarrassment in view of his neighbors and TV crews who had been alerted in advance. He was arrested as part of a huge insider trading case, and while he was offered a “sweetheart” no-jail probation plea, he refused, maintaining his innocence. The lion's share of *Confessions of a Wall Street Insider* was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him; realizing that none of that mattered in the end. As he writes: “Stripped of family, friends, time, and humanity, if there's ever a place to give one pause, it's prison . . . Tomorrow is promised to no one.” In *Confessions of a Wall Street Insider*, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.

jennette mccurdy book: *The Origins of You* Jay Belsky, Avshalom Caspi, Terrie E. Moffitt, Richie Poulton, 2020-08-11 A Marginal Revolution Book of the Year After tracking the lives of thousands of people from birth to midlife, four of the world's preeminent psychologists reveal what they have learned about how humans develop. Does temperament in childhood predict adult personality? What role do parents play in shaping how a child matures? Is day care bad—or good—for children? Does adolescent delinquency forecast a life of crime? Do genes influence success in life? Is health in adulthood shaped by childhood experiences? In search of answers to these and similar questions, four leading psychologists have spent their careers studying thousands of people, observing them as they've grown up and grown older. The result is unprecedented insight into what makes each of us who we are. In *The Origins of You*, Jay Belsky, Avshalom Caspi, Terrie Moffitt, and Richie Poulton share what they have learned about childhood, adolescence, and adulthood, about genes and parenting, and about vulnerability, resilience, and success. The evidence shows that human development is not subject to ironclad laws but instead is a matter of possibilities and probabilities—multiple forces that together determine the direction a life will take. A child's early years do predict who they will become later in life, but they do so imperfectly. For example, genes and troubled families both play a role in violent male behavior, and, though health and heredity sometimes go hand in hand, childhood adversity and severe bullying in adolescence can affect even physical well-being in midlife. Painstaking and revelatory, the discoveries in *The Origins of You* promise to help schools, parents, and all people foster well-being and ameliorate or prevent developmental problems.

jennette mccurdy book: *Every Lie I've Ever Told* Rosie Waterland, 2017-08-01 'I'm okay!' The bestselling author of *The Anti-Cool Girl* returns with a devastating, heartbreaking, brilliant, brave and laugh-out-loud funny memoir of telling lies and being on the brink... 'I had made it! All my dreams had come true. I had an operating fridge, I was doing brilliantly, and I had written the memoir to prove it. I even had online haters. I had conquered life at 30 and nothing was ever going to go wrong again!' It was all going so well for Rosie Waterland. Until it wasn't. Until, shockingly, something awful happened and Rosie went into agonising free fall. Until late one evening she found herself in a hospital emergency bed, trembling and hooked to a drip. Over the course of that long, painful night, she kept thinking about how ironic it was, that right in the middle of writing a book about lies, she'd ended up telling the most significant lie of all. A raw, beautiful, sad, shocking - and very, very funny - memoir of all the lies we tell others and the lies we tell ourselves. Praise for *The Anti-Cool Girl*: 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover 'Waterland's writing is ... individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book.' Dominic Knight, *The Chaser* *The Anti-Cool Girl* was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year

jennette mccurdy book: *Glitter and Glam* Melanie Mills, 2013-09-03 Dazzling Makeup Tips for Date Night, Club Night, and Beyond Maximize the glam, access your inner diva, grab the glitter, and get excited about makeup! With stunning photos, featuring stars like Jennette McCurdy, Ariana Grande, Brandy, and Willa Ford, and easy-to-follow step-by-step instructions, Melanie Mills shows you the makeup techniques for creating fun, trendsetting looks inspired by rock 'n' roll vixens and fairy tale characters. She inspires you to experiment with stunning makeup for all occasions, from a party or a night out with friends to a special date or anytime you want to amplify your look. Melanie offers advice on makeup for any skin tone, and shows you how to master color combinations, taking you through a rainbow of shades to inspire you to break out of your everyday color palette. These looks are stunning, sometimes wild, and guaranteed to make a statement!

jennette mccurdy book: *The Four Humors* Mina Seckin, 2022-11-08 This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's

untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. [A] humane and refreshingly astringent novel. —Lauren LeBlanc, The New York Times Book Review Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father's grave, and study for the MCAT. Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel's mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family's history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel's search for strange and unusual cures is disrupted as she begins to see how she might heal herself through the care of others, including her own family and its long-fractured relationships.

jennette mccurdy book: American Estrangement: Stories Saïd Sayrafiezadeh, 2021-08-10 Finalist for the 2022 Los Angeles Times Book Prize in Fiction Longlisted for the 2022 Story Prize A New York Times Editors' Choice pick One of Literary Hub's Most Anticipated Books of 2021 Stories that capture our times by "a young author who has already established himself as a unique American voice" (Elle). Saïd Sayrafiezadeh has been hailed by Philip Gourevitch as a masterful storyteller working from deep in the American grain. His new collection of stories—some of which have appeared in The New Yorker, the Paris Review, and the Best American Short Stories—is set in a contemporary America full of the kind of emotionally bruised characters familiar to readers of Denis Johnson and George Saunders. These are people contending with internal struggles—a son's fractured relationship with his father, the death of a mother, the loss of a job, drug addiction—even as they are battered by larger, often invisible, economic, political, and racial forces of American society. Searing, intimate, often slyly funny, and always marked by a deep imaginative sympathy, *American Estrangement* is a testament to our addled times. It will cement Sayrafiezadeh's reputation as one of the essential twenty-first-century American writers.

jennette mccurdy book: Brain on Fire Susannah Cahalan, 2012-11-13 NOW A MAJOR MOTION PICTURE STARRING CHLOË GRACE MORETZ A "captivating" (The New York Times Book Review), award-winning memoir and instant New York Times bestseller that goes far beyond its riveting medical mystery, *Brain on Fire* is a powerful account of one woman's struggle to recapture her identity. When twenty-four-year-old Susannah Cahalan woke up alone in a hospital room, strapped to her bed and unable to move or speak, she had no memory of how she'd gotten there. Days earlier, she had been on the threshold of a new, adult life: at the beginning of her first serious relationship and a promising career at a major New York newspaper. Now she was labeled as violent, psychotic, a flight risk. What happened? In an "unforgettable" (Elle), "stunningly brave" (NPR), and breathtaking narrative, Susannah tells the astonishing true story of her descent into madness, her family's inspiring faith in her, and the lifesaving diagnosis that almost didn't happen. "A fascinating look at the disease that...could have cost this vibrant, vital young woman her life" (People), *Brain on Fire* is an unforgettable exploration of memory and identity, faith and love, and a profoundly compelling tale of survival and perseverance.

jennette mccurdy book: From Blood and Ash Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts

her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: Dreamy, twisty, steamy escapism. Take me back! -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "*From Blood and Ash* is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise. Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "*From Blood and Ash* is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP! ~Jeraca @My Nose in YA Books "*From Blood to Ash* is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "*From Blood & Ash* is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "*From Blood and Ash* was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout. -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "*From Blood and Ash* is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from

page one and refuses to let go!" - Erica, *The Rest Just Falls Away* "Jennifer L. Armentrout comes through once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling alive in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, *Reader by the Mountains* "From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." - Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determined heroine, and a plot that will keep you up late, this book is one of the best I've read this year." - Valerie from *Stuck In Books* "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, *Books & Other Pursuits*

jennette mccurdy book: *Fables and Other Lies* Claire Contreras, 2020-12-20 Do you believe in curses? I never did. Not until that fated night, six years ago, when I sat in The Devil's Chair and made a wish. Not until it came true. Not until I met River Caliban himself, heir to a fortune of curses. My fated sworn enemy. I knew I should have stayed away from him. I should have run the other way when he called out my name, when he flashed that sinful smile of his, but instead, I walked toward him, leaving the light behind. Instead, I go against all reason, against all warning, and attended the gala of the year at his dark, allegedly haunted home at the top of the hill. The moment I step foot inside I know I'm in trouble, but there's something about River that magnetizes me, reels me in, and when he asks for the impossible, I find it impossible to turn him away.

jennette mccurdy book: *The Extinction Trials* A. G. Riddle, 2022-06-09 The end... is only the beginning. After a mysterious global event known only as 'The Change', six strangers wake up in an underground research facility where they learn that they're part of the Extinction Trials - a scientific experiment to restart the human race. But the Extinction Trials harbours a very big secret. And so does the world outside. From A.G. Riddle, the Amazon and Wall Street Journal bestselling author with nearly five million copies sold worldwide in twenty languages, comes an epic standalone adventure with a surprise ending unlike anything you've ever read before.

jennette mccurdy book: *My Oxford Year* Julia Whelan, 2018-04-24 Soon to be a Netflix Film Starring Sofia Carson and Corey Mylchreest! "My Oxford Year is a pure delight . . . Julia Whelan has crafted a story that is as fun and charming as it is powerful and wise." —TAYLOR JENKINS REID "A read bursting with warmth, mirth, and heart. A powerfully heartbreaking and life-affirming tribute to love and to choice." — ENTERTAINMENT WEEKLY Set amidst the breathtaking beauty of Oxford, this sparkling debut novel tells the unforgettable story about a determined young woman eager to

make her mark in the world and the handsome man who introduces her to an incredible love that will irrevocably alter her future—perfect for fans of JoJo Moyes and Nicholas Sparks. American Ella Durran has had the same plan for her life since she was thirteen: Study at Oxford. At 24, she's finally made it to England on a Rhodes Scholarship when she's offered an unbelievable position in a rising political star's presidential campaign. With the promise that she'll work remotely and return to DC at the end of her Oxford year, she's free to enjoy her Once in a Lifetime Experience. That is, until a smart-mouthed local who is too quick with his tongue and his car ruins her shirt and her first day. When Ella discovers that her English literature course will be taught by none other than that same local, Jamie Davenport, she thinks for the first time that Oxford might not be all she's envisioned. But a late-night drink reveals a connection she wasn't anticipating finding and what begins as a casual fling soon develops into something much more when Ella learns Jamie has a life-changing secret. Immediately, Ella is faced with a seemingly impossible decision: turn her back on the man she's falling in love with to follow her political dreams or be there for him during a trial neither are truly prepared for. As the end of her year in Oxford rapidly approaches, Ella must decide if the dreams she's always wanted are the same ones she's now yearning for.

jennette mccurdy book: Blue-Skinned Gods SJ Sindu, 2021-11-02 From the award-winning author of *Marriage of a Thousand Lies* comes a brilliantly written, globe-spanning novel about identity, faith, family, and sexuality. In Tamil Nadu, India, a boy is born with blue skin. His father sets up an ashram, and the family makes a living off of the pilgrims who seek the child's blessings and miracles, believing young Kalki to be the tenth human incarnation of the Hindu god Vishnu. In Kalki's tenth year, he is confronted with three trials that will test his power and prove his divine status and, his father tells him, spread his fame worldwide. While he seems to pass them, Kalki begins to question his divinity. Over the next decade, his family unravels, and every relationship he relied on—father, mother, aunt, uncle, cousin—starts falling apart. Traveling from India to the underground rock scene of New York City, *Blue-Skinned Gods* explores ethnic, gender, and sexual identities, and spans continents and faiths, in an expansive and heartfelt look at the need for belief in our globally interconnected world.

jennette mccurdy book: Navigating Autism: 9 Mindsets For Helping Kids on the Spectrum Temple Grandin, Debra Moore, 2021-09-21 Empowering strategies for anyone who works with children and teens on the spectrum. International best-selling writer and autistic Temple Grandin joins psychologist Debra Moore in presenting nine strengths-based mindsets necessary to successfully work with young people on the autism spectrum. Examples and stories bring the approaches to life, and detailed suggestions and checklists help readers put them to practical use. Temple Grandin shares her own personal experiences and anecdotes from parents and professionals who have sought her advice, while Debra Moore draws on more than three decades of work as a psychologist with kids on the spectrum and those who love and care for them. So many people support the lives of these kids, and this book is for all of them: teachers; special education staff; mental health clinicians; physical, occupational, and speech therapists; parents; and anyone interacting with autistic children or teens. Readers will come away with new, empowering mindsets they can apply to develop the full potential of every child.

jennette mccurdy book: More Than Just a Pretty Face Syed Masood, 2020-08-04 'A deliciously entertaining rom-com.' - Nandini Bajpai, author of *A Match Made in Mehendi* Danyal Jilani doesn't lack confidence. He may not be the smartest guy in the room, but he's funny, gorgeous, and going to make a great chef one day. His father doesn't approve of his career choice, but that hardly matters. What does matter is the opinion of Danyal's longtime crush, the perfect-in-all-ways Kaval, and her family, who consider him a less than ideal arranged marriage prospect. When Danyal gets selected for Renaissance Man, a school-wide academic championship, it's the perfect opportunity to show everyone he's smarter than they think. He recruits the brilliant, totally-uninterested-in-him Bisma to help with the competition, but the more time Danyal spends with her . . . the more he learns from her...the more he cooks for her . . . the more he realizes that happiness may be staring him right in his pretty face. In this young adult debut full of depth and

heart, author Syed M. Masood will have readers laughing, sighing, tearing up, and shouting 'YES!' at the top of their lungs. Perfect for fans of Sandhya Menon and Jenny Han. Praise for MORE THAN JUST A PRETTY FACE 'A laugh-out-loud yet heartwarming story about familial obligations, friendship, and love. Syed M. Masood has created an unforgettable cast of characters with the utterly charming, hilarious, and most endearing Danyal Jilani at the center of it. A thoroughly enjoyable read and a great addition to any bookshelf.' - Sabina Khan, author of The Love and Lies of Rukhsana Ali 'Funny, open-hearted, and utterly charming, More Than Just a Pretty Face perfectly captures the joys of friendship and first love, as well as all the complexities of identity, faith, and family. This is a spectacular debut.' - Katie Henry, author of Heretics Anonymous 'Hilarious and teeming with heart, More Than Just a Pretty Face challenged me, wounded me, made me laugh, and made me love. Danyal has secured his place as a heroic protagonist for the ages who only wants the very best for those he loves. His friends and family are so lucky to have him, and readers will be lucky to have Syed M. Masood's debut. I am a forever fan.' Erin Hahn, author of You'd Be Mine

jennette mccurdy book: The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant Drew Hayes, 2014-08-12 Some people are born boring. Some live boring. Some even die boring. Fred managed to do all three, and when he woke up as a vampire, he did so as a boring one. Timid, socially awkward, and plagued by self-esteem issues, Fred has never been the adventurous sort. One fateful night - different from the night he died, which was more inconvenient than fateful - Fred reconnects with an old friend at his high school reunion. This rekindled relationship sets off a chain of events thrusting him right into the chaos that is the parahuman world, a world with chipper zombies, truck driver wereponies, maniacal necromancers, ancient dragons, and now one undead accountant trying his best to survive. Because even after it's over, life can still be a downright bloody mess.

jennette mccurdy book: The Case of the Murderous Dr. Cream Dean Jobb, 2021-06-01 The chilling true-crime story of the Victorian era's deadliest doctor "When a doctor does go wrong, he is the first of criminals," Sherlock Holmes observed during one of his most puzzling murder investigations. Incredibly, at the time the words of the world's most famous fictional detective appeared in print in the Strand Magazine, a real-life Canadian doctor was stalking and murdering women in London's downtrodden Lambeth neighbourhood. Dr. Thomas Neill Cream had been a suspect in the deaths of two women in Canada, and had killed as many as four people in Chicago before he arrived in London in 1891 and began using pills laced with strychnine to kill prostitutes. The Lambeth Poisoner, as he was dubbed in the press, became one of the most prolific serial killers in history. In this fascinating book, Dean Jobb reveals how bungled investigations, corrupt officials and failed prosecutions allowed Cream to evade detection or freed him to kill, again and again. The first complete account of Dr. Cream's crimes and his many victims explores how the stifling morality and hypocrisy of the Victorian era allowed this monster to poison vulnerable and desperate women, many of whom had turned to him for medical help. It offers an inside account of Scotland Yard's desperate search for a killer as brazen and efficient as Jack the Ripper.

jennette mccurdy book: How to Survive Your Childhood Now That You're an Adult Ira Israel, 2017-10-10 As children, we learned to get approval by creating facades to help us get our emotional and psychological needs met, but we also rebelled against authority as a way of individuating. As adults, these conflicting desires leave many of us feeling anxious or depressed because our authentic selves are buried deep beneath glitzy or rebellious exteriors or some combination thereof. In this provocative book, eclectic teacher and therapist Ira Israel offers a powerful, comprehensive, step-by-step path to recognizing the ways of being that we created as children and transcending them with compassion and acceptance. By doing so, we discover our true callings and cultivate the authentic love we were born deserving.

jennette mccurdy book: Shifter Wars Kelly St. Clare, 2020-10-06

jennette mccurdy book: How to Be You Jeffrey Marsh, 2016-08-02 Too short. Too weird. Too quiet. Not true. Let Internet superstar Jeffrey Marsh help you end those negative thoughts and discover how wonderful you are. An interactive experience, How to Be You invites you to make the

book your own through activities such as coloring in charts, answering questions about how you do the things you do, and discovering patterns in your life that may be holding you back. Through Jeffrey's own story of growing up fabulous in a small farming town--along with the stories of hero/ines who have transcended the stereotypes of race, age, and gender--you will discover that you are not alone. Learn to deepen your relationship with yourself, boost your self-esteem and self-worth, and find the courage to take a leap that will change your life.

jennette mccurdy book: This Will Be Funny Later Jenny Pentland, 2022-01-18 A funny, biting, and entertaining memoir of coming of age in the shadow of celebrity and finding your own way in the face of absolute chaos that is both a moving portrait of a complicated family and an exploration of the cost of fame. Growing up, Jenny Pentland's life was a literal sitcom. Many of the storylines for her mother's smash hit series, *Roseanne*, were drawn from Pentland's early family life in working-class Denver. But that was only the beginning of the drama. *Roseanne Barr's* success as a comedian catapulted the family from the Rockies to star-studded Hollywood—with its toxic culture of money, celebrity, and prying tabloids that was destabilizing for a child in grade school. By adolescence, Jenny struggled with anxiety and eating issues. Her parents and new stepfather, struggling to help, responded by sending Jenny and her siblings on a grand tour of the self-help movement of the '80s—from fat camps to brat camps, wilderness survival programs to drug rehab clinics (even though Jenny didn't take drugs). Becoming an adult, all Jenny wanted was to get married and have kids, despite *Roseanne's* admonishments not to limit herself to being just a wife and mother. In this scathingly funny and moving memoir, Pentland reveals what it's like to grow up as the daughter of a television star and how she navigated the turmoil, eventually finding her own path. Now happily married and raising five sons on a farm, Pentland has worked tirelessly to create the stable family she never had, while coming to terms at last with her deep-seated anxiety. *This Will Be Funny Later* is a darkly funny and frank chronicle of transition, from childhood to adulthood and motherhood—one woman's journey to define herself and create the life she always wanted.

jennette mccurdy book: Dálvi Laura Galloway, 2022-02-03 Part memoir, part travelogue, this is the story of one woman's six years living in a reindeer-herding village in the Arctic Tundra, forging a life on her own as the only American among one of the most unknowable cultures on earth. An ancestry test suggesting she shared some DNA with the Sámi people, the indigenous inhabitants of the Arctic tundra, tapped into Laura Galloway's wanderlust; an affair with a Sámi reindeer herder ultimately led her to leave New York for the tiny town of Kautokeino, Norway. When her new boyfriend left her unexpectedly after six months, it would have been easy, and perhaps prudent, to return home. But she stayed for six years. *Dálvi* is the story of Laura's time in a reindeer-herding village in the Arctic, forging a solitary existence as she struggled to learn the language and make her way in a remote community for which there were no guidebooks or manuals for how to fit in. Her time in the North opened her to a new world. And it brought something else as well: reconciliation and peace with the traumatic events that had previously defined her - the sudden death of her mother when she was three, a difficult childhood and her lifelong search for connection and a sense of home. Both a heart-rending memoir and a love letter to the singular landscape of the region, *Dálvi* explores with great warmth and humility what it means to truly belong.

jennette mccurdy book: Idiots Laura Clery, 2023-04-25 A fresh, hilarious, and relatable collection of essays about everything from motherhood and marriage to sobriety and work-life balance (or imbalance) from the nationally bestselling author of the "honest, complicated" (SheKnows) *Idiot*. TRIGGER WARNING: TORN EVERYTHING! In her first book, *Idiot*, bestselling author Laura Clery gave us mind-blowingly personal life stories about addiction, toxic relationships, and recovery—establishing herself as the preeminent voice of infinite conviction meets zero impulse control. Here she is two kids later asking, "How did we get here?" Sex. Sex is how we got here. Laura's life has changed a great deal since she wrote *Idiot*, but her hilarious candor has only increased with motherhood—plus she tells some of the stories she was too scared to tell in her first book (which is really saying something). "Full of wit" (Publishers Weekly) and charm, Laura shares more than anyone wanted about: -Placenta pills, mom brain, and vibrator manifestation

-Nipple-twisting orgies and flinging a butt burrito in your doctor's face -ADHD, autism, postpartum depression, and the wisdom of a ninety-eight-year-old sage named Anne -Unsolicited dick, sexual assault, and sister-drugging -Cheating, fights, and forgiveness -Choosing love over fear and healing the world Laura does not hold back when it comes to sharing stories of screw-ups, triumphs, and learning from her mistakes. Whether she's crying into a diaper in a Whole Foods parking lot or desperately soliciting advice from a random elderly stranger (who has most certainly considered a restraining order), Laura is able to laugh at herself even during her worst moments—more importantly, she makes us laugh, cry, and feel less alone in the world.

jennette mccurdy book: *Modelland* Tyra Banks, 2011-09-13 *Modelland* - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. *Modelland*—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of *Modelland*, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in *MODELLAND*. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

jennette mccurdy book: *The Forgotten Art of Love* Armin A. Zadeh, 2017-10-15 Explore the many facets of our most valued emotion Cardiologist and professor Armin Zadeh revisits psychologist Erich Fromm's *The Art of Loving*, a book that has fascinated him for decades. *The Forgotten Art of Love* examines love in its complex entirety — through the lenses of biology, philosophy, history, religion, sociology, and economics — to fill in critical voids in Fromm's classic work and to provide a contemporary understanding of love. This unique and wide-ranging book looks at love's crucial role in every aspect of human existence, exploring what love has to do with sex, spirituality, society, and the meaning of life; different kinds of love (for our children, for our neighbors); and whether love is a matter of luck or an art that can be mastered. Dr. Zadeh provides a fascinating, empowering guide to enhancing relationships and happiness — concluding with a provocative vision for firmly anchoring love in our society.

jennette mccurdy book: *The Orchard* Kristina Gorcheva-Newberry, 2022-03-15 Four teenagers grow inseparable in the last days of the Soviet Union—but not all of them will live to see the new world arrive in this powerful debut novel, loosely based on Anton Chekhov's *The Cherry Orchard*. "Spectacular . . . intensely evocative and gorgeously written . . . will fill readers' eyes with tears and wonder."—*Minneapolis Star Tribune* ONE OF THE BEST BOOKS OF THE YEAR: *New York Post* Coming of age in the USSR in the 1980s, best friends Anya and Milka try to envision a free and joyful future for themselves. They spend their summers at Anya's dacha just outside of Moscow, lazing in the apple orchard, listening to Queen songs, and fantasizing about trips abroad and the lives of American teenagers. Meanwhile, Anya's parents talk about World War II, the Blockade, and the hardships they have endured. By the time Anya and Milka are fifteen, the Soviet Empire is on the verge of collapse. They pair up with classmates Trifonov and Lopatin, and the four friends share secrets and desires, argue about history and politics, and discuss forbidden books. But the world is changing, and the fleeting time they have together is cut short by a sudden tragedy. Years later, Anya returns to Russia from America, where she has chosen a different kind of life, far from her family and childhood friends. When she meets Lopatin again, he is a smug businessman who wants

to buy her parents' dacha and cut down the apple orchard. Haunted by the ghosts of her youth, Anya comes to the stark realization that memory does not fade or disappear; rather, it moves us across time, connecting our past to our future, joys to sorrows. Inspired by Anton Chekhov's *The Cherry Orchard*, Kristina Gorcheva-Newberry's *The Orchard* powerfully captures the lives of four Soviet teenagers who are about to lose their country and one another, and who struggle to survive, to save their friendship, to recover all that has been lost.

jennette mccurdy book: *Crazy For The Storm* Norman Ollestad, 2010-08-10 Norman Ollestad was thrust into the world of surfing and competitive downhill skiing at a very young age by the father he idolized. Often paralyzed by fear, young Norman resented losing his childhood to his father's reckless and demanding adventures, even as he began to reap the rewards of his training. Then, in February 1979, a chartered Cessna carrying eleven-year-old Norman, his father, his father's girlfriend Sandra and the pilot, crashed into the San Gabriel Mountains. Norman's father -- a man who was both his son's coach and hero -- was dead, along with the pilot; Sandra was clinging to life. Suspended at over 8,000 feet and engulfed in a blizzard, grief-stricken Norman descended the icy mountain alone. Putting his father's passionate lessons to work, he defied the elements and made it down alive -- the sole survivor of the crash. A compulsive, page-turning read, at times nostalgic and heart-wrenching, *Crazy for the Storm* illuminates the complicated bond between an extraordinary father and his son, and offers remarkable insight to us all.

jennette mccurdy book: *The Charm Offensive* Alison Cochrun, 2021-09-07 A MOST ANTICIPATED ROM-COM SELECTED BY * BUZZFEED * LGBTQ READS * BUSTLE * THE NERD DAILY * ENTERTAINMENT TONIGHT * FROLIC MEDIA * AND MORE! A BEST BOOK PICK BY * HARPER'S BAZAAR * ENTERTAINMENT WEEKLY "The Charm Offensive will sweep you off your feet." —PopSugar In this witty and heartwarming romantic comedy—reminiscent of *Red, White & Royal Blue* and *One to Watch*—an awkward tech wunderkind on a reality dating show goes off-script when sparks fly with his producer. Dev Deshpande has always believed in fairy tales. So it's no wonder then that he's spent his career crafting them on the long-running reality dating show *Ever After*. As the most successful producer in the franchise's history, Dev always scripts the perfect love story for his contestants, even as his own love life crashes and burns. But then the show casts disgraced tech wunderkind Charlie Winshaw as its star. Charlie is far from the romantic Prince Charming *Ever After* expects. He doesn't believe in true love, and only agreed to the show as a last-ditch effort to rehabilitate his image. In front of the cameras, he's a stiff, anxious mess with no idea how to date twenty women on national television. Behind the scenes, he's cold, awkward, and emotionally closed-off. As Dev fights to get Charlie to connect with the contestants on a whirlwind, worldwide tour, they begin to open up to each other, and Charlie realizes he has better chemistry with Dev than with any of his female co-stars. But even reality TV has a script, and in order to find to happily ever after, they'll have to reconsider whose love story gets told.

jennette mccurdy book: *Sacred Powers* Davidji, 2017-12-12 Have you ever found yourself at a crossroads, unsure of which way to turn? Maybe you reached a fork in the road and felt overwhelmed by the choices before you. Or perhaps you felt stuck, held back by the fear of making the wrong decision—with one foot rooted firmly in the past and the other dangling into the unknown. But there is a pathway out of your challenges and into a space of freedom, happiness, and lasting fulfillment. For thousands of years, divine solutions have been whispered directly into the hearts of priests, shamans, wizards, medicine women, and healers. In *Sacred Powers*, internationally renowned meditation master davidji reveals the deepest secrets of this timeless wisdom and distills their essence into the Five Divine Principles of the Universe: · The Divine Principle of One · The Divine Principle of Awareness · The Divine Principle of Rebirth · The Divine Principle of Infinite Flow · The Divine Principle of Inner Fire Each step on the path will unfold eternal truths to guide you on a lifelong journey of clarity and connection, expansion and abundance, love and happiness, courage and confidence, and passion and purpose. This moment is a defining moment. This is the moment to awaken your sacred powers. And this is the time to manifest your dream life!

jennette mccurdy book: *This Will Only Hurt a Little* Busy Philipps, 2019-10-22 A hilarious,

heartfelt, and refreshingly honest memoir and New York Times bestseller by the beloved comedic actress known for her roles on *Freaks and Geeks*, *Dawson's Creek*, and *Cougar Town* who has become "the breakout star of Instagram stories...Imagine I Love Lucy mixed with a modern lifestyle guru" (*The New Yorker*). There's no stopping Busy Philipps. From the time she was two and "aced out in her nudes" to explore the neighborhood (as her mom famously described her toddler jailbreak), Busy has always been headstrong, defiant, and determined not to miss out on all the fun. These qualities led her to leave Scottsdale, Arizona, at the age of nineteen to pursue her passion for acting in Hollywood. But much like her painful and painfully funny teenage years, chasing her dreams wasn't always easy and sometimes hurt more than a little. In a memoir "that often reads like a *Real World* confessional or an open diary" (*Kirkus Reviews*), Busy opens up about chafing against a sexist system rife with on-set bullying and body shaming, being there when friends face shattering loss, enduring devastating personal and professional betrayals from those she loved best, and struggling with postpartum anxiety and the challenges of motherhood. But Busy also brings to the page her sly sense of humor and the unshakeable sense that disappointment shouldn't stand in her way—even when she's knocked down both figuratively and literally (from a knee injury at her seventh-grade dance to a violent encounter on the set of *Freaks and Geeks*). The rough patches in her life are tempered by times of hilarity and joy: leveraging a flawless impression of Cher from *Clueless* into her first paid acting gig, helping reinvent a genre with cult classic *Freaks and Geeks*, becoming fast friends with *Dawson's Creek* castmate Michelle Williams, staging her own surprise wedding, conquering natural childbirth with the help of a *Mad Men*-themed hallucination, and of course, how her Instagram stories became "the most addictive thing on the internet right now" (*Cosmopolitan*). Busy is the rare entertainer whose impressive arsenal of talents as an actress is equally matched by her storytelling ability, sense of humor, and sharp observations about life, love, and motherhood—"if you think you know Busy from her Instagram stories, you don't know the half of it" (Jenni Konner). Her conversational writing reminds us what we love about her on screens large and small. From "candid tales of celebrity life, mom life, and general Busy-ness" (*W Magazine*), *This Will Only Hurt a Little* "is everything we've been dying to hear about" (*Bustle*).

jennette mccurdy book: *Speaking of Race* Celeste Headlee, 2021-11-02 A Boston Globe Most Anticipated Fall Book In this urgently needed guide, the PBS host, award-winning journalist, and author of *We Need to Talk* teaches us how to have productive conversations about race, offering insights, advice, and support. A self-described "light-skinned Black Jew," Celeste Headlee has been forced to speak about race—including having to defend or define her own—since childhood. In her career as a journalist for public media, she's made it a priority to talk about race proactively. She's discovered, however, that those exchanges have rarely been productive. While many people say they want to talk about race, the reality is, they want to talk about race with people who agree with them. The subject makes us uncomfortable; it's often not considered polite or appropriate. To avoid these painful discussions, we stay in our bubbles, reinforcing our own sense of righteousness as well as our division. Yet we gain nothing by not engaging with those we disagree with; empathy does not develop in a vacuum and racism won't just fade away. If we are to effect meaningful change as a society, Headlee argues, we have to be able to talk about what that change looks like without fear of losing friends and jobs, or being ostracized. In *Speaking of Race*, Headlee draws from her experiences as a journalist, and the latest research on bias, communication, and neuroscience to provide practical advice and insight for talking about race that will facilitate better conversations that can actually bring us closer together. This is the book for people who have tried to debate and educate and argue and got nowhere; it is the book for those who have stopped talking to a neighbor or dread Thanksgiving dinner. It is an essential and timely book for all of us.

jennette mccurdy book: *And Now I Spill the Family Secrets* Margaret Kimball, 2021-04-20 Named one of Publishers Weekly's Best of 2021 List in Comics. 2021 Top of the List Graphic Novel Pick In the spirit of Alison Bechdel's *Fun Home* and Roz Chast's *Can't We Talk About Something More Pleasant?*, Margaret Kimball's *AND NOW I SPILL THE FAMILY SECRETS* begins in the aftermath of a tragedy. In 1988, when Kimball is only four years old, her mother attempts suicide on

Mother's Day—and this becomes one of many things Kimball's family never speaks about. As she searches for answers nearly thirty years later, Kimball embarks on a thrilling visual journey into the secrets her family has kept for decades. Using old diary entries, hospital records, home videos, and other archives, Margaret pieces together a narrative map of her childhood—her mother's bipolar disorder, her grandmother's institutionalization, and her brother's increasing struggles—in an attempt to understand what no one likes to talk about: the fractures in her family. Both a coming-of-age story about family dysfunction and a reflection on mental health, *AND NOW I SPILL THE FAMILY SECRETS* is funny, poignant, and deeply inspiring in its portrayal of what drives a family apart and what keeps them together.

jennette mccurdy book: *Summary of Jennette McCurdy's I'm Glad My Mom Died* Everest Media,, 2022-08-29T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I unwrap the present in front of me, which is wrapped in Christmas paper even though it's the end of June. I peel off the paper, because I know Mom likes to save a wrapping paper scrap from every present. #2 I was disappointed when I opened my sixth birthday present, which was a two-piece outfit featuring Angelica, my least favorite character, surrounded by daisies. I loved it anyway. #3 I lock eyes with my mother so she will know I care about her, that she's my priority. I respect that about her. She gives me one of her big nose-wrinkling smiles that makes me feel like everything's going to be okay. #4 I can't believe how upbeat I was when my surroundings were so obviously heavy. I was two. I feel tremendous guilt every time we rewatch the home video. How could I not have known better. What a stupid idiot.

jennette mccurdy book: *I Came All This Way to Meet You* Jami Attenberg, 2022-01-13 'I was so captivated by this book, so utterly drawn in and overwhelmed by the emotional force of it, that it stayed in my bloodstream, it felt, long after I'd finished it.' Nigella Lawson 'Sharp and engrossing' Roxane Gay As the bookish daughter of a travelling salesman, Jami Attenberg was drawn to the road. Her wanderlust led her to drive solo across America, and eventually on travels around the globe, embracing - for better and worse - all the messy life she encountered along the way. As she travelled she was crafting, grafting and honing her work, piecing together a living and career, and wrestling with a deep longing for independence while also searching for community, and eventually, a place she might want to stay in for good. This remarkable memoir reveals the defining moments that pushed her to create a life, and voice, she could claim for herself. Exploring themes of friendship, independence, class and drive, *I Came All This Way to Meet You* is an inspiring and singular story of living the creative life, and finding one's way home.
