kaun banega crorepati questions: Ramesh Chandra Agarwal (English) Bharathi S Pradhan, 2019 The building of the no. 1 newspaper empire in India was like an architect ground plan - Ramesh Chandra Agarwal laid the foundation edition by edition, city by city, state by state, going into the den of the mightiest and slaying them without fear. That quality of never cowering was an inheritance from his father. Ramesh Chandra blended it with an unparalleled taste for risk-taking and a thirst for venturing into the unknown, throwing this molotov cocktail at his rivals who stood mocking the new entrants before it hit them. In 35 short years, he turned a modest family-owned newspaper into the prime choice of readers in 12 states with 64 editions, and built an empire with a turnover of Rs 5, 000 crore. But Ramesh Chandra Agarwal's biggest professional achievement was to revolutionise the Hindi newspaper. Replacing the pure, undistilled Hindi of the discerning litterateur with popular, colloquial words that made an easy connect, he gave the Hindi newspaper a hitherto unknown respect - to heave its chest and play the game like a champion. kaun banega crorepati questions: Urmila Smriti Dewan, 2021-04-18 Urmila is an alternative narrative of the Ramayana, the story of the abandoned throne of Ayodhya, the bonds of sisterhood and the anxieties of a multi-racial, multi-cultural Bharat with matriarchal influences from the east. It's an ancient epic set in a fantasy world with modern values and political tensions between kingdoms that mirror the geo-politics of the modern world and its leaders. It follows a reluctant princess, the heir to the throne of Mithila who constantly questions her credentials and ability to rule and is always looking for ways to shrug out of those responsibilities. She's a strong, resolute and independent, always under the shadow of her older sister. Urmila, unlike her sister with her divine roots, is human, with fears and weaknesses that are human as is the way she deals with them, which makes for a relatable protagonist. It's mythology with a twist, where the route is the same, but the actions and motivations of characters make for a very different flavour.
