iron flame book online: **Mein Kampf** Adolf Hitler, 2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

iron flame book online: *City of the Uncommon Thief* Lynne Bertrand, 2021-02-09 A dark and intricate fantasy, *City of the Uncommon Thief* is the story of a quarantined city gripped by fear and of the war that can free it. Guilders work. Foundlings scrub the bogs. Needles bind. Swords tear. And men leave. There is nothing uncommon in this city. I hope Errol Thebes is dead. We both know he is safer that way. In a walled city of a mile-high iron guild towers, many things are common knowledge: No book in any of the city's libraries reveals its place on a calendar or a map. No living beasts can be found within the city's walls. And no good comes to the guildler or foundling who trespasses too far from their labors. Even on the tower rooftops, where Errol Thebes and the rest of the city's teenagers pass a few short years under an open sky, no one truly believes anything uncommon is possible within the city walls. But one guildmaster has broken tradition to protect her child, and now the whole city faces an uncommon threat: a pair of black iron spikes that has the power of both sword and needle on the rib cages of men has gone missing, but the mayhem they cause rises everywhere. If the spikes are not found, no wall will be high enough to protect the city—or the world beyond it. And Errol Thebes? He's not dead and he's certainly not safe.

Widely regarded as a revolutionary novel, Brontë's masterpiece introduced the world to a radical new type of heroine, one whose defiant virtue and moral courage departed sharply from the more acquiescent and malleable female characters of the day. Passionate, dramatic, and surprisingly modern, *Jane Eyre* endures as one of the world's most beloved novels.

iron flame book online: [From Blood and Ash](#) Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. In the player versus player MMORPG *Fantasy Realms Online*, people live out the fantasies they can't in real life, no matter how bloody or sexy they might be, and Kromgorn the Barbarian is no exception. He and his guildies make constant warfare against their rivals in the Secret Order, a guild led by the dark Lich-Lord, who's also rumored to be a crazy hacker in real life, and they make fun of players who just use the game for stupid things like getting laid. But when the Lich-Lord releases a powerful spell that traps most of the players in the game permanently, Kromgorn accidentally winds up stuck in the avatar of his friend Lacey—a stupid, low-level female character that was designed exclusively to get down and dirty with the in-game pleasure system. With his guild drawing closer to an epic encounter with the Lich-Lord, they need all the high-level players they can get! Will Krom figure out a way to get himself out of this useless body and get back in time to help his friends, or will he be stuck forever working on his back in the slums of Lorengarde? The only way out of this mess might be to give in to his situation and find a way to become the most powerful Courtesan the game has ever seen. Who knows? He might even end up enjoying himself...
