**kristen archives young: "Cat Person" and Other Stories** Kristen Roupenian, 2019-01-15  
\*Includes the story "Cat Person"—now a major film\* A compulsively readable collection of short stories that explore the complex—and often darkly funny—connections between gender, sex, and

power across genres. “These stories are sharp and perverse, dark and bizarre, unrelenting and utterly bananas. I love them so, so much.” —Carmen Maria Machado, National Book Award Finalist and author of *Her Body and Other Parties* “Kristen Roupenian isn’t just an uncannily great writer, she also knows things about the human psyche...The world has made a lot more sense since reading this book.” —Miranda July, New York Times bestselling author Previously published as *You Know You Want This*, “Cat Person” and *Other Stories* brilliantly explores the ways in which women are horrifying as much as it captures the horrors that are done to them. Among its pages are a couple who becomes obsessed with their friend hearing them have sex, then seeing them have sex...until they can’t have sex without him; a ten-year-old whose birthday party takes a sinister turn when she wishes for “something mean”; a woman who finds a book of spells half hidden at the library and summons her heart’s desire: a nameless, naked man; and a self-proclaimed “biter” who dreams of sneaking up behind and sinking her teeth into a green-eyed, long-haired, pink-cheeked coworker. Spanning a range of genres and topics—from the mundane to the murderous and supernatural—these are stories about sex and punishment, guilt and anger, the pleasure and terror of inflicting and experiencing pain. These stories fascinate and repel, revolt and arouse, scare and delight in equal measure. And, as a collection, they point a finger at you, daring you to feel uncomfortable—or worse, understood—as if to say, “You want this, right? You know you want this.”

Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said “I will never . . .” and now they have ● the parent who looks like they have it all together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What’s wrong with me? What’s wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people’s kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. *Rage Against the Minivan* is a permission slip to let it go and allow yourself to be a “good enough” parent, focused on raising happy, kind, loving humans.

who wasn't exactly maternal. Stella always had a drink in her hand and a new boyfriend every few months, and when things got out of hand, she would whisk Lemon off to a new town for a fresh beginning. Now, just as they are moving yet again, Lemon discovers that she is pregnant from a reckless encounter—with a guy Stella had been flirting with. On the verge of revisiting her mother's mistakes, Lemon struggles to cope with the idea of herself as a young unmarried mother, as well as the fact that she's never met her own father. **kristen archives young:** *Scared Selfless* Michelle Stevens, PhD, 2018-03-27 "A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success." —Dave

Pelzer, author of *A Child Called "It"* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

Thankfully she has her online pen pal, Brigid, and the rest of the members of "oof ouch my bones," a virtual support group that meets on Discord to crack jokes and vent about their own chronic illnesses. When Brigid suddenly goes offline, Priya does something out of character: she steals the family car and drives to Pennsylvania to check on Brigid. Priya isn't sure what to expect, but it isn't the horrifying creature that's shut in the basement. With Brigid nowhere to be found, Priya begins to puzzle together an impossible but obvious truth: the creature might be a werewolf—and the werewolf might be Brigid. **kristen archives young: With Teeth** Kristen Arnett, 2021-06-01 NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST, VOGUE, MARIE CLAIRE, READER'S DIGEST, AND GOOD HOUSEKEEPING "A gripping read...Unabashedly queer, probing and unafraid...Exceedingly engaging." -USA Today "Sublimely weird, fluently paced, brazenly funny and gayer still, and it richly deserves to find readers." -New York Times From the author of the New York Times-bestselling sensation Mostly Dead Things: a surprising and moving story of two mothers, one difficult son, and the limitations of marriage, parenthood, and love If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best—driving, cleaning, cooking, prodding him to finish projects for school—while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behavior, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess—and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, Mostly Dead Things, with a candid take on queer family dynamics, With Teeth is a thought-provoking portrait of the delicate fabric of family—and the many ways it can be torn apart.

**kristen archives young: Fangs for the Mammaries** Esther Friesner, 2010-10-01 Having inflicted the smug homes of suburbia with witches and werewolves. Esther Friesner now unleashes the undead to tap a vein of blood and humor, and drain the suburbs dry of both. Vampires and the suburbs are a match made in heaven, or maybe Levittown. Remember Dracula? He didn't run into

any real problems until he took his act on the road and traveled to the Big City. But in the suburbs, everyone is polite and respectful of their neighbors' right to privacy. And if your neighbors happen to have kids selling gift-wrap, magazine subscriptions, cookies, or other school fundraising ploys, and little Emily or Jason happen to come peddling their wares after sundown . . . Who says you have to stay in the city if you want good take-out meals delivered right to your door? There's no one quite like a vampire for saying, "All of you kids get off of my lawn!" and putting some teeth into it. The stories in these pages<sup>3/4</sup> by Sarah A. Hoyt, K.D. Wentworth, Dave Freer and more, including Esther Friesner herself<sup>3/4</sup> will convince the reader that vampires and suburbs go together like wine and cheese, gin and tonic, desperation and housewives, marriage and pre-nups. **kristen archives young:** *The Zimzum of Love* Rob Bell, Kristen Bell, 2014-10-28 As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a

relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

**kristen archives young: To Stop a Warlord** Shannon Sedgwick Davis, 2019 Human rights lawyer Shannon Sedgwick Davis runs the Bridgeway Foundation, whose stated mission is to end mass atrocities around the world. When she spoke to survivors of warlord Joseph Kony's brutal attacks across Central Africa, she knew she would fight to ensure every mother there had the right that she had, to sing their children to sleep at night and trust that they will be safe til morning. When nations had failed to shield families in danger, she'd come to hire a private army to protect them. Millions had been affected by the violence of the Lord's Resistance Army, led by Kony, including tens of thousands of children who had been abducted from their homes, swept into the jungles and forced to become child soldiers, never to be seen again. Guided by her faith and driven by her moral responsibility as an activist, Davis pushed tirelessly for intervention, using every contact she had in Washington, to the highest levels of the State Department--but since it wouldn't serve our national interests, the issue languished. Davis's efforts to report on the conflict and help survivors were valuable--but they were putting band-aids on bulletholes. Davis realized that to truly stand by Bridgeway's mission, they would have to become the ones they were waiting for. Davis knew she had to act, but this was uncharted territory and she feared that hiring a private army to stop the LRA might lead to more chaos. The decision weighed heavily on her heart, but when she spoke to her mentor Archbishop Desmond Tutu, he took her hand, and told her to put her fears to rest--

**kristen archives young: The Complete Harper Valley** Peter Pan, 2007-06-18 The opening Harper Valley chapters, first compiled in the early 2000's, although undeniably adult in content are, if you have the awareness to see, anything but grubby little tales. They are in fact, intended as a dedication to the beauty of youthful innocence and at their core, is a deep love and respect for the feminine form. To many, this will appear an irreconcilable paradox given the content. The girls here are loved - probably more so than most. They simply have had an opportunity to express their youth and sexuality in ways that not one in fifty million young females the world over, ever have.

It also explores new definitions of what community archives might encompass, particularly in relation to disciplines outside the archives. Over ten years have passed since the first volume of *Community Archives*, and inspired by continued research as well as by the formal recognition of community archives in the UK, the community archives movement has become an important area of research, recognition and appreciation by archivists, archival scholars and others worldwide. Increasingly the subject of papers and conferences, community archives are now seen as being in the vanguard of social concerns, markers of community-based activism, a participatory approach exemplifying the on-going evolution of 'professional' archival (and heritage) practice and integral to the ability of people to articulate and assert their identity. *Community Archives, Community Spaces* reflects the latest research and includes practical case studies on the challenges of building and sustaining community archives. This new book will appeal to practitioners, researchers, and academics in the archives and records community as well as to historians and other scholars concerned with community building and social issues.

**kristen archives young: Dilettante** Dana Brown, 2022-03-22 A witty, insightful, and delightfully snarky blend of pop culture meets memoir meets real-life Devil Wears Prada as readers learn the stories behind twenty-five years at Vanity Fair from the magazine's former deputy editor "Dilettante offers the best seat in the house into the workings of one of the great cultural institutions of our time." —Buzz Bissinger, New York Times bestselling author of *Friday Night Lights* Dana Brown was a twenty-one-year-old college dropout playing in punk bands and partying his way through downtown New York's early-nineties milieu when he first encountered Graydon Carter, the legendary editor of Vanity Fair. After the two had a handful of brief interactions (mostly with Brown in the role of cater waiter at Carter's famous cultural salons he hosted at his home), Carter saw what he believed to be Brown's untapped potential, and on a whim, hired him as his assistant. Brown instantly became a trusted confidante and witness to all of the biggest parties, blowups, and takedowns. From inside the famed Vanity Fair Oscar parties to the emerging world of the tech elite, Brown's job offered him access to some of the most exclusive gatherings and powerful people in the world, and the chance to learn in real time what exactly a magazine editor does—all while trying to stay sober enough from the required party scene attendance to get the job done. Against all odds, he rose up the ranks to eventually become the magazine's deputy editor, spending a quarter century curating tastes at one of the most storied cultural shops ever assembled. *Dilettante* reveals Brown's most memorable moments from the halcyon days of the magazine business, explores his own journey as an unpedigreed outsider to established editor, and shares glimpses of some of the famous and infamous stories (and people) that tracked the magazine's extraordinary run all keenly observed by Brown. He recounts tales from the trenches, including encounters with everyone from Anna Wintour, Lee Radziwill, and Condé Nast owner Si Newhouse, to Seth Rogen, Caitlyn Jenner, and acclaimed

journalists Dominick Dunne and Christopher Hitchens. Written with equal parts affection, cultural exploration, and nostalgia, *Dilettante* is a defining story within that most magical time and place in the culture of media. It is also a highly readable memoir that skillfully delivers a universal coming-of-age story about growing up and finding your place in the world.
