- Summary of Key Takeaways

Definition of Black Magic in Islam

Black magic in Islam is commonly termed as “sihr,” which refers to supernatural practices intended to harm, influence, or control others through hidden, unlawful means. Unlike illusion or trickery, sihr involves invoking evil forces or jinn to create real physical or psychological effects. The practice is viewed as a direct violation of Islamic teachings and an act of disbelief, as it relies on seeking help from entities other than Allah. Sihr encompasses a range of forbidden activities, including casting spells, using talismans, and engaging in occult rituals.

Types of Black Magic According to Islamic Scholars

Islamic scholars categorize black magic based on its intent and methods. While all forms are forbidden, understanding the distinctions is important for recognizing and avoiding sihr.

- **Destructive Magic:** Intended to harm, cause illness, or disrupt relationships.
- **Love Magic:** Used to manipulate feelings or force affection.
- **Protective Magic:** Claimed to safeguard against harm, but still prohibited.
- **Divination Magic:** Used for fortune-telling or seeking hidden knowledge.

Historical Context and Prevalence

Practices related to black magic predate Islam and have been found in various ancient civilizations, including those in Egypt, Babylon, and Persia. With the advent of Islam, strong prohibitions were set in place to curb the spread and influence of sihr. Despite these prohibitions, black magic has persisted in some cultures, often mixed with local traditions and superstitions. Islam's clear stance against black magic serves to protect the spiritual and social wellbeing of the community.

Sihr in Pre-Islamic Arabia

Before Islam, Arabian society had widespread beliefs in the supernatural and the use of magic for personal and tribal gain. Islam confronted these beliefs with strict monotheism and the rejection of all forms of occult practice.

Quranic Perspective on Black Magic

The Quran addresses black magic explicitly, condemning its practice and warning believers against its dangers. The most prominent references are found in Surah Al-Baqarah (2:102), which recounts the story of Harut and Marut, two angels who taught people about magic as a test, but cautioned them against using it. The Quran clarifies that those who engage in sihr harm themselves and others, and that faith in Allah is the only true source of safety and guidance.

Key Quranic Verses About Black Magic

- Surah Al-Baqarah (2:102): Discusses the origins, dangers, and consequences of practicing magic.
- Surah Al-Falaq (113) and Surah An-Naas (114): Recommended for seeking protection from evil and black magic.

These verses emphasize the need for believers to seek refuge in Allah from all forms of harm, including the effects of sihr.

Teachings of Prophet Muhammad (peace be upon him) About Black Magic

The Prophet Muhammad (peace be upon him) provided clear guidance on the issue of black magic, warning against its practice and teaching methods for protection. He described sihr as a grave sin, sometimes equating it with shirk, or associating partners with Allah. The Prophet also taught specific prayers and supplications to counteract the effects of black magic, emphasizing the importance of faith and reliance on Allah.

Prophetic Supplications for Protection

- Recitation of Surah Al-Falaq and Surah An-Naas, morning and evening.
- Seeking refuge in Allah before sleep and during times of fear.
- Regular remembrance (dhikr) and prayer for spiritual protection.

Islamic Rulings and Prohibitions Regarding Black Magic

Islamic law (Sharia) unequivocally forbids all forms of black magic. Engaging in sihr is considered a major sin and can lead to severe consequences in both this life and the Hereafter. Jurists agree that those who practice or seek black magic risk falling into disbelief. Punishments for proven cases of sihr vary depending on local laws, but the spiritual penalty is clear—loss of reward and potential exclusion from the mercy of Allah unless sincere repentance is made.

Legal Consequences in Islamic Jurisprudence

- Sihr is classified as a hudud offense in some interpretations, subject to strict penalties.
- Repentance and renunciation are required for those who have engaged in magic.
- Seeking remedies through permissible Islamic means is encouraged.

Signs and Symptoms of Black Magic

Recognizing the effects of black magic is important to seek timely Islamic remedies. While not every misfortune or illness is due to sihr, certain signs are commonly observed by Islamic scholars.

Common Signs of Sihr Affecting Individuals

- Unexplained physical illnesses or persistent fatigue.
- Sudden changes in behavior, mood, or personality.
- Recurring nightmares or sleep disturbances.
- Breakdown of relationships without clear reasons.
- Financial loss or obstacles appearing mysteriously.

It is important to consult both medical professionals and knowledgeable Islamic scholars to determine the true cause and avoid mistaking natural issues for supernatural ones.

Islamic Methods of Protection and Healing

Islam provides comprehensive spiritual solutions to protect against and heal from black magic. The most effective means involve strengthening one's faith, regular prayer, and recitation of the Quran. Muslims are taught to rely solely on Allah for protection, avoiding any unlawful rituals or superstitious remedies.

Recommended Islamic Practices for Protection

- Consistent recitation of protective Surahs (Al-Falaq, An-Naas, Al-Baqarah).
- Daily dhikr and seeking forgiveness from Allah.
- Maintaining regular prayers (Salah) and observing purity.
- Seeking assistance from qualified Islamic scholars for ruqyah (spiritual healing).

Ruqyah: Spiritual Healing in Islam

Ruqyah refers to the recitation of specific Quranic verses and supplications for healing and protection. It is a legitimate practice endorsed by the Prophet Muhammad (peace be upon him), provided it does not involve any shirk or prohibited elements. Ruqyah can be performed by oneself or by trusted religious leaders.

Common Misconceptions About Black Magic in Islam

Misunderstandings about black magic often lead to unnecessary fear or the adoption of non-Islamic remedies. Islam teaches that while sihr exists, its effect is limited by Allah's will, and no one can harm another without Allah's permission. Trusting in Allah and adhering to authentic Islamic practices are crucial in overcoming superstition and avoiding exploitation.

Dispelling Myths and False Remedies

- Amulets and talismans are not permitted as protection.
- Visiting fortune-tellers or magicians is strictly forbidden.
- All healing should be sought through permissible Islamic means.

Summary of Key Takeaways

Islam takes a firm and uncompromising stance against black magic, considering it a major sin and a threat to

spiritual wellbeing. The Quran and Sunnah provide clear guidance for protection, healing, and prevention. By relying on authentic Islamic teachings, believers can safeguard themselves from sihr and maintain strong faith. Understanding the reality and limits of black magic helps dispel myths, prevent harm, and promote spiritual resilience within the Muslim community.

Q: What is the Islamic definition of black magic?

A: In Islam, black magic, or sihr, refers to supernatural practices that use evil forces or jinn to harm, influence, or control others, and is strictly prohibited as a major sin.

Q: Are there any Quranic verses that address black magic?

A: Yes, Surah Al-Baqarah (2:102) discusses the origins and dangers of magic, while Surah Al-Falaq (113) and Surah An-Naas (114) are recommended for protection against its effects.

Q: What should a Muslim do if they suspect black magic has affected them?

A: Muslims should increase their prayers, recite protective Quranic verses, seek ruqyah from qualified Islamic scholars, and maintain trust in Allah while consulting medical professionals for any physical symptoms.

Q: Is seeking help from magicians or fortune-tellers allowed in Islam?

A: No, seeking help from magicians, fortune-tellers, or using amulets is strictly forbidden in Islam.

Q: What are the signs of black magic according to Islamic teachings?

A: Signs may include unexplained illnesses, sudden behavioral changes, nightmares, relationship breakdowns, and mysterious financial loss, but each case should be evaluated carefully.

Q: How can one protect themselves from black magic in Islam?

A: Protection includes regular recitation of Quranic verses, daily prayers, dhikr, maintaining purity, and seeking Allah's refuge through authentic Islamic practices.

Q: What is ruqyah and is it permissible in Islam?

A: Ruqyah is the recitation of specific Quranic verses and supplications for healing and protection, and it is permissible as long as it does not involve shirk or prohibited elements.

Q: Is black magic considered kufr (disbelief) in Islam?

A: Practicing black magic or seeking its help can lead to kufr, as it involves reliance on entities other than Allah and contradicts Islamic monotheism.

Q: Can black magic override Allah's will?

A: No, black magic can only affect someone if Allah wills it; ultimate power and protection rest with Allah alone.

Q: Are there cultural practices related to black magic that Islam prohibits?

A: Yes, Islam strictly prohibits all cultural practices involving magic, spells, talismans, or seeking supernatural help outside of permissible Islamic means.

Islam About Black Magic: A Comprehensive Guide

Islam, like many religions, views the unseen world with a complex perspective. While embracing faith and divine intervention, it also acknowledges the existence of forces that can negatively impact a believer's life. This post delves into the Islamic perspective on black magic (sihr), exploring its nature, consequences, protection against it, and the proper Islamic approach to dealing with its effects. We'll examine how the Quran and Sunnah address this often-misunderstood topic, providing a nuanced understanding that balances spiritual guidance with practical advice.

What is Sihr (Black Magic) in Islam?

Islam defines sihr as the manipulation of the unseen world to cause harm or influence events

through illicit means. This isn't merely trickery or illusion; rather, it's a grave violation of divine law, considered a major sin. Islamic texts describe sihr as employing supernatural forces, often involving incantations, spells, talismans, or other rituals to inflict physical, psychological, or spiritual harm on individuals or communities. The power behind sihr isn't inherently supernatural in an independent sense; rather, it's understood as a manifestation of power granted by malevolent jinn (spiritual beings) who obey the commands of those practicing sihr. This emphasizes the role of human agency in the perpetration of black magic and the danger of collaborating with harmful entities.

Types of Sihr in Islamic Understanding

Islamic scholars categorize sihr into various types, including:

Sihr al-Tafriq (Separation Magic): This aims to create discord and break relationships between people.

Sihr al-Marad (Illness Magic): This involves inducing physical or mental illnesses through magical means.

Sihr al-Maut (Death Magic): The most severe form, intending to cause death.

Sihr al-Hubb (Love Magic): Although seemingly benign, it's still considered sihr as it involves manipulating someone's free will.

It's crucial to remember that all forms of sihr, regardless of intent or apparent outcome, are condemned in Islam.

The Quran and Sunnah on Black Magic

The Quran explicitly mentions sihr and condemns its practice. Several verses highlight its deceitful nature and the punishment for those who engage in it. The Prophet Muhammad (peace be upon him) also warned against sihr in numerous hadith (sayings and traditions), emphasizing its seriousness and advising believers to seek protection from it. These religious texts don't just condemn the practice; they offer guidance on dealing with its potential effects and seeking refuge in Allah (God).

Seeking Protection from Sihr

The most effective protection against sihr is unwavering faith in Allah and adherence to Islamic teachings. This includes:

Consistent prayer (Salah): Prayer strengthens the spiritual connection with Allah, making one less susceptible to evil influences.

Reciting the Quran: Certain verses of the Quran, particularly Ayat al-Kursi, are known for their

protective power.

Seeking refuge in Allah (Isti'adha): Regularly seeking refuge in Allah from the evil of Satan and other harmful forces.

Performing Ruqya (Islamic healing): This involves reciting specific verses of the Quran and making supplications to Allah for healing. It should only be performed by knowledgeable individuals.

Dealing with Suspected Sihr

If someone suspects they are a victim of sihr, the recommended Islamic approach is:

Seeking help from a knowledgeable scholar: This person can help assess the situation and guide the individual on the appropriate steps.

Avoiding self-treatment: Attempting to counter sihr without proper guidance can be dangerous and ineffective.

Maintaining faith and patience: Trusting in Allah's plan and remaining patient during the healing process is crucial.

Performing Ruqya Shar'iyah (Legitimate Islamic Healing): This should always be conducted by a knowledgeable and pious individual versed in Islamic principles.

Conclusion

Islam takes a serious view of black magic, emphasizing its gravity as a sin and its potential harm. However, it also offers pathways to protection and healing. By strengthening one's faith, adhering to Islamic practices, and seeking guidance from knowledgeable individuals, Muslims can mitigate the risks associated with sihr and find solace in Allah's protection. Remembering that Allah is the ultimate source of power and healing is paramount in navigating this sensitive topic.

FAQs

1. Can black magic actually affect someone physically? Islamically, yes, sihr can cause physical ailments, although the mechanism is through spiritual means, not direct physical intervention.
2. Is it permissible to seek help from non-Islamic healers for sihr? No, Islamic teachings strongly advise against seeking help from those who do not adhere to Islamic principles for treating sihr.
3. How can I identify if someone is practicing sihr against me? Identifying sihr is difficult. Unexplained health issues, consistent bad luck, or relationship problems, combined with other suspicious circumstances might warrant seeking guidance from a knowledgeable scholar.

4. What is the punishment for practicing sihr in Islam? The punishment for practicing sihr varies depending on the severity and intent, with severe repercussions outlined in Islamic law.

5. Can a Muslim be immune to sihr? While no one is completely immune, strengthening one's faith and adhering to Islamic teachings significantly reduces vulnerability to sihr's negative effects.

islam about black magic: Jinns and Black Magic Maria Yaseen, 2020-12-21 This book is going to be an academic talk about Jinns and Sihr in light of Quran and Sunnah. It will definitely be more technical, and perhaps more maturity and more discretion are definitely going to be an implied, when we will be discussing black magic, Jinns and possession in accordance with the Quran and Sunnah. The whole point of this book is to minimize the fear of this unknown supernatural world. Please remember that knowledge is power. And honestly, this information that we will get from this book should give you power over the Jinn. The true Momin is no more scared of the Jinn, than he's scared of a predator. This is going to be a natural fear. By the end of this book, we will have worked on dealing with this issue entirely, Inshallah. This book will shed light on the characteristics of Jinns, and how the Jinns can be categorized. And then it will share how we can protect ourselves from the Jinns. Then the book will move on to the topic of Sihr and black magic in light of Quran and Sunnah. It will define what the reality of Sihr is, and how the relationship between the Jinns and Magicians work. Then it will move on to explaining methods of detecting Magic. The book also commentates on the issue of human possession by the Jinns. Lastly, it will demonstrate how we can combat against Magic.

islam about black magic: Magic and Divination in Early Islam Emilie Savage-Smith, 2021-01-20 Magic and divination in early Islam encompassed a wide range of practices, including belief in jinn, warding off the evil eye, the production of amulets and other magical equipment, conjuring, wonder-working, dream interpretation, predicting the weather, casting lots, astrology, and physiognomy. The ten studies here are concerned with the pre-Islamic antecedents of such practices, and with the theory of magic in healing, the nature and use of amulets and their decipherment, the arts of astrometeorology and geomancy, the refutation of astrology, and the role of the astrologer in society. Some of the studies are highly illustrated, some long out of print, some revised or composed for this volume, and one translated into English for the first time. These fundamental investigations, together with the introductory bibliographic essay, are intended as a guide to the concepts, terminology, and basic scholarly literature of an important, but often overlooked, aspect of classical Islamic culture.

islam about black magic: The Book of Ceremonial Magic Arthur Edward Waite, 2022-04-29 The Book of Ceremonial Magic - Arthur Edward Waite - The Book of Ceremonial Magic by Arthur Edward Waite was originally called The Book of Black Magic and of Pacts. It was first published in a limited run in 1898, and distributed more widely under the title The Book of Ceremonial Magic in 1910. Writing in the late 19th century, Waite had studiously researched many obscure tenets of magic. Much of this book concerns the obscure occult tomes, which the author condenses and presents to readers in this single volume. Waite's studies uncover a variety of knowledge; there are thousands of spells and rituals that date back to Medieval times and have a theological basis. Many exist to ward off devils, witches or other evil phenomena, while others seek to conjure beneficent spirits. Another intriguing aspect of ceremonial magic is the ability to form pacts with supernatural beings. These rituals in themselves act to compel supernatural entities to assist a human being; none of them involve offering one's soul. However, many require one or more materials and ingredients to begin - grave dust or a certain plant for instance. Waite disapproves of those who reprint and sell the older magical grimoires for two principle reasons. Firstly the quality of the English translations is low, often proscribing completely different instructions and requisites for a given ritual than was given in the original source text. Secondly these books make no distinction between 'white' or 'black' magic; such lack of organization makes it difficult for the modern reader to distinguish the practices.

Over 150 symbols, seals, insignia, charts and other illustrations populate this text, each offering insight into how the magician correctly undertakes his tasks. Waite includes many scripts that the performer of magic must read out loud as he attempts to conjure, summon or communicate with forces from other planes of existence.

islam about black magic: Magic In Islam Michael Muhammad Knight, 2016-05-24 The progenitor of Muslim punk rock and one of today's freshest spiritual voices pushes back against the common assumption that the historic faiths have no occult or magical tradition in this richly learned historical and personal journey through the practice of magic in Islam. Magic in Islam offers a look at magical and occult technologies throughout Muslim history, starting with Islam's earliest and most canonical sources. In addition to providing a highly accessible introduction to magic as it is defined, practiced, condemned, and defended within Muslim traditions, Magic in Islam challenges common assumptions about organized religion. Michael Muhammad Knight's deeply original book fills a gap within existing literature on the place of magic in Islamic traditions and opens a new window on Islam for general readers and students of religion alike. In doing so, the book counters and complicates widespread perceptions of Islam, as well as of magic as it is practiced outside of European contexts. Magic in Islam also challenges our view of organized religions as clearly defined systems that can be reduced to checklists of key doctrines, texts, and rules. As a result, Magic in Islam throws a monkey wrench into the conventions of the intro to Islam genre, threatening to flip popular notions of a religion's center and margins.

islam about black magic: Manzil Dua 33 Ayats of Quran for Protection Talisman Against Jinn Black Magic, Evil Eye, Business Success Mohafeeza Faisal Fahim, 2014-12-20 Manzil Dua 33 Ayats of Quran for PROTECTION TALISMAN against Jinn black magic, EVIL EYE, BUSINESS SUCCESS MOHAFEEZA. The Manzil comprises the following verses of the Quran: Surah Al-Fatihah (chapter 1): verses 1 to 7 Surah Al-Bakarah (chapter 2): verses 1 to 5, 163, 255 to 257, and 284 to 286 Surah Al-Imran (chapter 3): verses 18, 26 and 27 Surah Al-A'araf (chapter 7): verses 54 to 56 Surah Al-Israa (chapter 17): verses 110 and 111 Surah Al-Muminoon (chapter 23): verses 115 to 118 Surah Al-Saaffaat (chapter 37): verses 1 to 11 Surah Al-Rehman (chapter 55): verses 33 to 40 Surah Al-Hashr (chapter 59): verses 21 to 24 Surah Al-Jinn (chapter 72): verses 1 to 4 Surah Al-Kaafiroon (chapter 109): verses 1 to 6 Surah Al-Ikhlās (chapter 112): verses 1 to 4 Surah Al-Falaq (chapter 113): verses 1 to 5 Surah Al-Naas (chapter 114): verses 1 to 6 This book also includes Surah Yaseen and Surah Al-Waqi'ah. It also describes the benefits of the surahs from Quran and Hadiths. It also has the list of 99 names of Allah with definition and benefits.

islam about black magic: The Princess and the Prophet Jacob Dorman, 2020-03-03 The just-discovered story of how two enigmatic circus performers and the cultural ferment of the Gilded Age sparked the Black Muslim movement in America Delving into new archives and uncovering fascinating biographical narratives, secret rituals, and hidden identities, historian Jacob Dorman explains why thousands of Americans were enthralled by the Islamic Orient, and why some came to see Islam as a global antiracist movement uniquely suited to people of African descent in an era of European imperialism, Jim Crow segregation, and officially sanctioned racism. The Princess and the Prophet tells the story of the Black Broadway performer who, among the world of Arabian acrobats and equestrians, Muslim fakirs, and Wild West shows, discovered in Islam a greater measure of freedom and dignity, and a rebuttal to the racism and parochialism of white America. Overturning the received wisdom that the prophet was born on the East Coast, Dorman has discovered that Noble Drew Ali was born Walter Brister in Kentucky. With the help of his wife, a former lion tamer and “Hindoo” magician herself, Brister renamed himself Prophet Noble Drew Ali and founded the predecessor of the Nation of Islam, the Moorish Science Temple of America, in the 1920s. With an array of profitable businesses, the “Moors” built a nationwide following of thousands of dues-paying members, swung Chicago elections, and embedded themselves in Chicago’s dominant Republican political machine at the height of Prohibition racketeering, only to see their sect descend into infighting in 1929 that likely claimed the prophet’s life. This fascinating untold story reveals that cultures grow as much from imagination as inheritance, and that breaking down the artificial silos

around various racial and religious cultures helps to understand not only America's hidden past but also its polycultural present.

islam about black magic: How the Bible Led Me to Islam Yusha Evans, 2020-02-17 In the summer of 1996, Yusha Evans went on a passage through the Bible and its four Gospel. He scrutinized more than five different religions in search of God and His message. In 1998, he reverted to Islam. He yearned for the truth in life which is to "Worship God alone as one, obey Him and His Messenger to go to Heaven," of which he found through Islam.

islam about black magic: How to Remove Black Magic M F Adzhim, 2020-03-04 Have you or your family member sick because of black magic and you didn't know what to do? either it is jinn or devil or maybe black magic? or you already know but want to know them more.. or you didn't know but want a knowledge about them? Then this book is just right for you. it cover from what they are, how they work, how to differentiate them, how to counter them and more...if you have notice a mistake in my book just email me at fiqally1234@gmail.com make this book is to shared a knowledge with all of you out there and 5% from the royalty i will donate to orphanage and charity club. so support me by buying this book to help me doing more charity in the future. Thank you in advance.

islam about black magic: The Future of Islam John L. Esposito, 2010-02-04 John L. Esposito is one of America's leading authorities on Islam. Now, in this brilliant portrait of Islam today--and tomorrow--he draws on a lifetime of thought and research to sweep away the negative stereotypes and provide an accurate, richly nuanced, and revelatory account of the fastest growing religion in the world. Here Esposito explores the major questions and issues that face Islam in the 21st century and that will deeply affect global politics. Are Islam and the West locked in a deadly clash of civilizations? Is Islam compatible with democracy and human rights? Will religious fundamentalism block the development of modern societies in the Islamic world? Will Islam overwhelm the Western societies in which so many Muslim immigrants now reside? Will Europe become Eurabia or will the Muslims assimilate? Which Muslim thinkers will be most influential in the years to come? To answer this last question he introduces the reader to a new generation of Muslim thinkers--Tariq Ramadan, Timothy Winter, Mustafa Ceric, Amina Wadud, and others--a diverse collection of Muslim men and women, both the Martin Luthers and the Billy Grahams of Islam. We meet religious leaders who condemn suicide bombing and who see the killing of unarmed men, women, and children as worse than murder, who preach toleration and pluralism, who advocate for women's rights. The book often underscores the unexpected similarities between the Islamic world and the West and at times turns the mirror on the US, revealing how we appear to Muslims, all to highlight the crucial point that there is nothing exceptional about the Muslim faith. Recent decades have brought extraordinary changes in the Muslim world, and in addressing all of these issues, Esposito paints a complex picture of Islam in all its diversity--a picture of urgent importance as we face the challenges of the coming century.

islam about black magic: Indonesia's Islamic Revolution Kevin W. Fogg, 2020 The decolonization of Indonesia, the world's most populous Muslim country, was seen by up to half of the population as a religious struggle. Utilizing a combination of oral history and archival research, Kevin W. Fogg presents a new understanding of the Indonesian revolution and of Islam as a revolutionary ideology.

islam about black magic: Radical Love Omid Safi, 2018-01-01 This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations. At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of Divine love. Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharaqani,

'Attar, Hafez of Shiraz, Abu Sa'id-e Abi 'l-Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.

islam about black magic: *Black Magic* Yvonne P. Chireau, 2006-11-20 *Black Magic* looks at the origins, meaning, and uses of Conjure—the African American tradition of healing and harming that evolved from African, European, and American elements—from the slavery period to well into the twentieth century. Illuminating a world that is dimly understood by both scholars and the general public, Yvonne P. Chireau describes Conjure and other related traditions, such as Hoodoo and Rootworking, in a beautifully written, richly detailed history that presents the voices and experiences of African Americans and shows how magic has informed their culture. Focusing on the relationship between Conjure and Christianity, Chireau shows how these seemingly contradictory traditions have worked together in a complex and complementary fashion to provide spiritual empowerment for African Americans, both slave and free, living in white America. As she explores the role of Conjure for African Americans and looks at the transformations of Conjure over time, Chireau also rewrites the dichotomy between magic and religion. With its groundbreaking analysis of an often misunderstood tradition, this book adds an important perspective to our understanding of the myriad dimensions of human spirituality.

islam about black magic: *The Millennial Sovereign* A. Azfar Moin, 2012-10-16 At the end of the sixteenth century and the turn of the first Islamic millennium, the powerful Mughal emperor Akbar declared himself the most sacred being on earth. The holiest of all saints and above the distinctions of religion, he styled himself as the messiah reborn. Yet the Mughal emperor was not alone in doing so. In this field-changing study, A. Azfar Moin explores why Muslim sovereigns in this period began to imitate the exalted nature of Sufi saints. Uncovering a startling yet widespread phenomenon, he shows how the charismatic pull of sainthood (wilayat)—rather than the draw of religious law (sharia) or holy war (jihad)—inspired a new style of sovereignty in Islam. A work of history richly informed by the anthropology of religion and art, *The Millennial Sovereign* traces how royal dynastic cults and shrine-centered Sufism came together in the imperial cultures of Timurid Central Asia, Safavid Iran, and Mughal India. By juxtaposing imperial chronicles, paintings, and architecture with theories of sainthood, apocalyptic treatises, and manuals on astrology and magic, Moin uncovers a pattern of Islamic politics shaped by Sufi and millennial motifs. He shows how alchemical symbols and astrological rituals enveloped the body of the monarch, casting him as both spiritual guide and material lord. Ultimately, Moin offers a striking new perspective on the history of Islam and the religious and political developments linking South Asia and Iran in early-modern times.

islam about black magic: *The Exorcist Tradition in Islam* Abu Ameenah Bilaal Philips, Riaz Ansary, 2007

islam about black magic: *The Cambridge History of Magic and Witchcraft in the West* David J. Collins, S. J., 2015-03-02 This book presents twenty chapters by experts in their fields, providing a thorough and interdisciplinary overview of the theory and practice of magic in the West. Its chronological scope extends from the Ancient Near East to twenty-first-century North America; its objects of analysis range from Persian curse tablets to US neo-paganism. For comparative purposes, the volume includes chapters on developments in the Jewish and Muslim worlds, evaluated not simply for what they contributed at various points to European notions of magic, but also as models of alternative development in ancient Mediterranean legacy. Similarly, the volume highlights the transformative and challenging encounters of Europeans with non-Europeans, regarding the practice of magic in both early modern colonization and more recent decolonization.

islam about black magic: *On the Path of the Prophet* Zachary Valentine Wright, 2015 This book is the first scholarly work done on the leader of the worlds largest Sufi Tariqa.

islam about black magic: *A Cognitive Theory of Magic* Jesper Sørensen, 2007 Magic is a universal phenomenon. Everywhere we look people perform ritual actions in which desirable qualities are transferred by means of physical contact and objects or persons are manipulated by

things of their likeness. In this book S rensen embraces a cognitive perspective in order to investigate this long-established but controversial topic. Following a critique of the traditional approaches to magic, and basing his claims on classical ethnographic cases, the author explains magic's universality by examining a number of recurrent cognitive processes underlying its different manifestations. He focuses on how power is infused into the ritual practice; how representations of contagion and similarity can be used to connect otherwise distinct objects in order to manipulate one by the other; and how the performance of ritual prompts representations of magical actions as effective. Bringing these features together, the author proposes a cognitive theory of how people can represent magical rituals as purposeful actions and how ritual actions are integrated into more complex representations of events. This explanation, in turn, yields new insights into the constitutive role of magic in the formation of institutionalised religious ritual.

islam about black magic: The Meaning of the Word S. R. Burge, 2015 Includes bibliographical references (pages 447-487) and index.

islam about black magic: Jinn and Black Magic Ali Mohamed Salah, 2024-06-19 This collection comprises a series of lectures delivered on various occasions by the author. As the inaugural volume in this series, it signifies the commencement of a long-term project dedicated to the dissemination of knowledge and wisdom. Future volumes will continue to expand this collection, incorporating new lectures as they are conducted, God willing. Through this series, we aim to preserve and share valuable insights and teachings for the benefit of future generations. **JINN AND BLACK MAGIC: Understanding The Reality and Seeking Remedies in Islamic Theology** is a comprehensive exploration of the nature of Satan and the phenomenon of black magic from an Islamic perspective. Drawing upon the Quran, Prophetic traditions, and insights from Christian and Judeo-Biblical studies, the book delves into the complex nature of the devil and its influence on humanity. It thoroughly examines Satan's tactics and schemes to mislead individuals, providing guidance on how to recognize and overcome deception. The book also explores the reality of black magic, its implications, and potential remedies. It emphasizes Islam's unequivocal condemnation of black magic, considering it one of the gravest sins due to its impurity and deviation from the divine path ordained by Allah ﷻ. Engaging in black magic is seen as leading to further harm and spiritual degradation, diverting believers from goodness and blessings. Through this analysis, the book aims to offer readers a deeper understanding of both the nature of the devil and the severe consequences of engaging in black magic, equipping them with the knowledge and tools necessary to safeguard their spiritual well-being. DR. ALI MOHAMED SALAH is an accomplished theologian, Islamic Scholar, and jurist with over 30 years of experience in research, teaching, and community leadership roles. In 1991 Dr Ali did his Bachelor's Degree in Hadith and Islamic Studies from University of Madina, Saudi, followed by Master's degree in theology and Islamic Studies from Mecca in 1994, then in 2000 his Doctorate in Philosophy and Comparative Religions from the National University of Malaysia. Most recently in 2020, he obtained a Certificate in the Art of Arbitration from the Norwegian Centre for Arbitration and and Legal Services. Dr Ali published works include in English: *Qur'ān: Moral Compass of the Believer* (Looh Press, 2023); *Evil Eye: Reality and Remedy* (Looh Press, 2023); *The Shield of Islam* (Looh Press, 2024); *Domestic Peace: Quranic Guidance for Building Healthy Family Bonds* (Looh Press, 2024); *The Pearls: An Anthology of Lectures on Morality, Spirituality, and Intellectualism* (Looh Press, 2024); *Jinn & Black Magic: Understanding The Reality & Seeking Remedies in Islamic Theology* (Looh Press, 2024). In Arabic he wrote: *Dialogue of Abrahamic Faiths in the Light of the Quran* (Looh Press, 2023); *al-Takmilah fī Taḥqīq Ahādīth min Jam'īl Fawā'id: Qism al-Tafsīr* (Looh Press, 2023); *al-Islām wal-Diyānatānī al-Yahūdiyyah wal-Masīḥiyyah: Muqāranāt fī al-Uṣūl al-'Aqadiyyah* (Looh Press, 2024). In Somali: *Tiryaq: Dawada Shubbada* (Treatment of confusion) translation (Somali language (Yaqiin Press, 2024); and many other works. Currently, Dr. Salah serves as the Director of the Iqra Foundation and holds the position of Imam at the Tawfiiq Islamic Centre in Oslo, Norway where he lives.

islam about black magic: SIHR DJINN AFARIT AND HOW TO SUMMON THEM. 3rd Edition Maximillien De Lafayette, 2016-08 **SIHR DJINN AFARIT AND HOW TO SUMMON THEM: The**

Banned Book Of Sorcery, Spells, Magic and Witchcraft. 3rd Edition. Published by Times Square Press, New York. This is a heavy-duty Kitab (Book) on Sihr (Magic, Witchcraft, Sorcery), Djinn, Afarit, Kitabaat (Magical writings), and Talasem (Talismans). As a practitioner of Ilmu Al Sihr, you will have the rare and unprecedented opportunity to polish and perfect your practice. As a novice and a researcher, you will learn quite a lot about all these subjects which were never before discussed and explained in any other language than in Arabic. As you already know, Djinn, Afarit and Sihr originated in the ancient Middle East, Arab Peninsula and North Africa, and the Saher (Magician, Sorcerer) used only Arabic, and the secret languages of Al-Arwaah (Spirits) and Etheric Entities to summon multiple and various categories of Spirits and entities which remained shrouded in absolute secrecy for centuries. Honorable Ulema Master Farid Tayara.

islam about black magic: The banned book of sorcery, spells, magic and witchcraft Maximillien De Lafayette, 2015-09 Mega edition of two volumes in one. Also available in two separate volumes. Step-by-step instructions for learning, speaking and writing their language and commanding them. Previously published in 1965 under the title: ENCYCLOPEDIA OF SIHR, DJINNS AND AFARIT. This is a heavy-duty book on Sihr (Magic, Witchcraft, Sorcery), Djinn, Afarit, Kitabaat (Magical writings), and Talasem (Talismans). As a practitioner of Magic (Sihr), you will have the rare and unprecedented opportunity to polish and perfect your practice. As a novice and a researcher, you will learn quite a lot about all these subjects which were never before discussed and explained in any other language than in Arabic.

islam about black magic: The Hundredth Name Shulamith Levey Oppenheim, 2020-09-08 This picture book for young readers, rich in the details of Middle Eastern village life, tells the warm story of a bond between a father, a son, and the son's favorite camel, as well as their devotion to the Muslim faith, and the power of prayer in their daily life. Salah and his camel, Qadiim, are constant companions. They work together, eat together, and sleep together. Salah is distressed, however, because his camel always seems so sad and downcast, hanging his head low. But in middle of one night, Salah remembers what his father has told him -- that while mankind knows only ninety-nine names for Allah, there are actually one hundred names. What if Qadiim, the camel, could learn the hundredth name? Under the stars Salah prays to Allah with all his strength. The next day-- a seeming miracle! -- the camel Quadiim carries his head high with a most knowing look. Does Quadiim know the one hundredth name? Beautifully written and complemented by illustrations that portray the lush, verdant landscape of the Middle East, from the banks of the Nile to its luminous starlit nights, here is a spiritual and touching story of an Islamic family.

islam about black magic: Inner Engineering Sadhguru, 2016-09-20 NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. "A loving invitation to live our best lives and a profound reassurance of why and how we can."—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means "dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all

the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life.” The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

islam about black magic: *The Book Of Remembrances* Imam Yahya ibn Sharaf an-Nawawi, 2014-01-01 The Book Of Remembrances [Kitab al-Adhkar] – By Imam Yahya ibn Sharaf an-Nawawi Kitab al-Adhkar is the definitive compilation of words of remembrance and glorification of (dhikr), and supplicatory prayer to (du’a), the Lord of the Universe, as related from His final Emissary, the Prophet Muhammad (may Allah bless and exalt him). Dhikr and du’a lie at the very heart of the din, the relationship between creature and Creator. As part of the Sunna or Prophetic Way, they are a divinely appointed means of approaching Allah Most High for all our needs, and of making use of all the moments of daily life to strengthen our tawhid, the existential and cognitive Unity that is the hallmark of Muslim spirituality. Also covered are the vital principles of speaking only what is good and avoiding the sins of the tongue. The author, Muhy al-Din Yahya ibn Sharaf al-Nawawi (631-676/123-1277) devoted his entire life to the pursuit of sacred knowledge. He is revered throughout the Sunni world as one of its greatest authorities. Among his most famous writings are the Arba’in, a collection of forty Hadiths; a commentary on the Sahih of Imam Muslim; and Kitab al-Adhkar. Designed as a reference guide and a source of inspiration, this volume presents a clear and elegant English translation of Imam al-Nawawi’s classic, together with the text of every single prayer and invocation, both in Arabic letters and in romanisation. Also included are all the author’s statements about those Hadiths which he related personally from his own teachers, and his guidance on the correct spelling and meanings of rare words and names. Finally, al-Nawawi’s comments on the sources of Hadiths are supplemented by further scholarly notes.

islam about black magic: Muslims through Discourse John R. Bowen, 2020-11-10 In this rich account of a Muslim society in highland Sumatra, Indonesia, John Bowen describes how men and women debate among themselves ideas of what Islam is and should be—as it pertains to all areas of their lives, from work to worship. Whereas many previous anthropological studies have concentrated on the purely local aspects of culture, this book captures and analyzes the tension between the local and universal in everyday life. Current religious differences among the Gayo stem from debates between traditionalist and modernist scholars that began in the 1930s, and reveal themselves in the ways Gayo discuss and perform worship, sacrifice, healing, and rites of birth and death, all within an Islamic framework. Bowen considers the power these debates accord to language, especially in arguments over spells, rites of farming, hunting, and healing. Moreover, he traces in these debates a general conception of transacting with spirits that has shaped Gayo practices of sacrifice, worship, and aiding the dead. Bowen concludes by examining the development of competing religious ideas in the highlands, the alternative ritual forms and ideas they have promulgated, and the implications of this phenomenon for the emergence of an Islamic public sphere.

islam about black magic: **The White-Magic Book** John Le Breton, 2016-09-22 This oracle volume contains ancient wisdom and will provide the answers to all your questions. This runic magic book was first published in 1919. John Le Breton’s divination volume gives everyone easy access to fortune-telling magic, and will assist the reader in discovering the answers to any questions they pose using the Table of Jupiter.

islam about black magic: *Evil Eye, Jinn Possession, and Mental Health Issues* G. Hussein Rassool, 2018-09-03 Evil Eye, Jinn Possession, and Mental Health Issues raises awareness of the cultural considerations, religion and spirituality involved in the assessment of Muslim patients with mental health problems. The belief that Jinn spirits can cause mental illness in humans through affliction or possession is widely accepted among Muslims, meaning this belief is a crucial, but frequently overlooked, aspect of mental health problems with Muslim patients in psychiatric care. This book explores the nature of such beliefs, their relationship to mental health and the reasons for their importance in clinical practice. The book argues that it is vital to consider mental disorders as

a multifactorial affair, in which spiritual, social, psychological and physical factors may all play a role. It suggests differential diagnostic skills may have an important part to play in offering help to those who believe their problems are caused by possession, and provides accessible literature on clinical issues and practice, interventions, management and evidence-based practice to help health workers achieve a better understanding of Muslim beliefs about possession and how to work with patients that hold such beliefs. *Evil Eye, Jinn Possession, and Mental Health Issues* is an essential manual for mental health professionals, social workers and psychologists. It should also be of interest to academics and students in the healthcare sciences.

islam about black magic: *Manzil* Shykh-ul-Hadith Muhammad Zakariya (RA), 2016-08-25 This *Manzil* is a protection and cure against Magic, Jinn, Shayateen, Witchcraft and other worldly troubles and calamities. The *manzil* Dua is prescribed to be read one or three times in one sitting. This may be performed once or twice a day, in the latter case once in the morning and once in the evening. This dua is best cure for magic and evil effects. This dua is so powerful for removing every kind of sickness. In the tradition of Prophet Muhammad SAW, he was himself once targeted by sorcerers, but he annulled their effect through the recitation of the verses of the Qur'an. According to various traditions, different parts of the Qur'an are described to have a positive effect on an individual in terms of negating and preventing the effects of witchcraft, or for general well-being and becoming a better practicing Muslim. Eminent Muslim scholar of the India-Pakistan sub-continent Maulana Mohammad Zakariya Ra and Allama Shah Waliullah Dahlawi collected these verses in book form, which were already in use in his family as an antidote to witchcraft. This collection is popularly referred to as *Manzil*. *Manzil* is a collection of Ayaat and short Surahs from the Quran that are to be recited as a means of protection and antidote - *Ruqya* from Black Magic, Jinn, Witchcraft, Sihr, Sorcery, Evil Eye and the like as well as other harmful thing.

islam about black magic: *Black Magic, Jinn and Evil Eye* Syed H, 2015-01-03 Black magic also known as 'sihr' or 'kala jadu' has been practised for centuries in different parts of the world. Many people visit black magicians, peers, amils and tantriks to have spells cast on their enemies. I found many claims are most often to cause harm, destruction, inflict pain and break marriages due to jealousy, greed, selfishness and hatred, and also found some people don't consider that it's for evil purposes. According to one of my view many celebrities through black magic attempt to increase the sales of their songs and albums or attract more fans, and even politicians it claims, use black magic to increase their votes. Some believe black magic can also be used in sport to gain victory. Black magic is very common in Asian and Africa but is becoming increasingly popular in the West. But does black magic really exist or is it all in the mind? Can black magicians really create spells and if so how do they do it? Can people be affected by black magic and if so can it be removed? These are some of the questions you will be hoping to find answers to whilst on the journey into the world of black magic. In this book you will find out the ways that how we can get rid from black magic, Jinn and evil eyes.

islam about black magic: *BERHATIAH* Master Ahmed Al-Buni , 2010-01-01 In the Arabic literature, there is the Barhatiah conjuration. The conjuration got its name from the first sacred name in its list of names. Their fame is where any similarity between them ends. The Lesser Banishing Ritual of the Pentagram (LBRP) ritual is a known quantity with a well defined and specific purpose, with a clear historical origin; it is easily translatable, contains mainstream religious names and symbolism, and is suited for beginners in Golden Dawn inspired occultism. The Barhatiah is a conjuration that is shrouded in myth, of unknown origin; it has a multitude of variations, has names that have yet to be properly translated over the span of 800 years, and is useful for a multitude of purposes with promised great effectiveness.

islam about black magic: *Ethnographies of Islam* Dupret Baudouin Dupret, 2013-09-23 This comparative approach to the various uses of the ethnographic method in research about Islam in anthropology and other social sciences is particularly relevant in the current climate. Political discourses and stereotypical media portrayals of Islam as a monolithic civilisation have prevented the emergence of cultural pluralism and individual freedom. Such discourses are countered by the

contributors who show the diversity and plurality of Muslim societies and promote a reflection on how the ethnographic method allows the description, representation and analysis of the social and cultural complexity of Muslim societies in the discourse of anthropology.

islam about black magic: Dreams That Can Save Your Life Larry Burk, Kathleen O'Keefe-Kanavos, 2018-04-17 An exploration of dreams as a spiritual source of healing and inner guidance for your health and well-being • 2018 Nautilus Silver Award • Shares stories--confirmed by pathology reports--from subjects in medical research projects whose dreams diagnosed illness and helped heal their lives • Explores medical studies and ongoing research on the diagnostic power of precognitive dreams, including Dr. Burk's own medical research • Includes an introduction to dream journaling and interpretation techniques Your dreams can provide inner guidance filled with life-saving information. Since ancient Egypt and Greece, people have relied on the art of dreaming to diagnose illness and get answers to personal life challenges. Now, dreams are making a grand reappearance in the medical arena as recent scientific research and medical pathology reports validate the diagnostic abilities of precognitive dreams. Are we stepping back into the future as modern medical tests show dreams can be early warning signs of cancer and other diseases? Showcasing the important role of dreams and their power to detect and heal illness, Dr. Larry Burk and Kathleen O'Keefe-Kanavos share amazing research and true stories of physical and emotional healings triggered by dreams. The authors explore medical studies and ongoing research on the diagnostic power of precognitive dreams, including Dr. Burk's own research on dreams that come true and can be medically validated. They share detailed stories--all confirmed by pathology reports--from subjects in medical research projects whose dreams diagnosed illness and helped heal their lives, including Kathleen's own story as a three-time breast cancer survivor whose dreams diagnosed her cancer even when it was missed by her doctors. Alongside these stories of survival and faith, the authors also include an introduction to dream journaling and interpretation, allowing the reader to develop trust in their dreams as a spiritual source of healing and inner guidance.

islam about black magic: Ifrit Javaid Laghari, 2019-01-31 Terrorists wanting to proclaim jihad resort to the power of mystical Islam, including dreams, black magic, and the control of supernatural entities known as jinn, to steal Pakistan's nuclear weapons. As attacks on colleges increase, Samir, the education advisor to the prime minister, sets out to unravel the mystical powers being exploited. While truths are uncovered, separating myths from facts, Ifrit, a powerful jinn, is contacted by terrorists to fulfill their agenda in exchange for having the jinn rule the earth. What follows is a sequence of fast-moving events when a terrorist head in Afghanistan declares himself to be the Mahdi, the Islamic leader prophesied to rule the world, and calls upon all Muslims to join him, leading to a nuclear standoff between Pakistan and India, to a fight between good and evil, and to an uncertain end if the imbroglio will lead to an apocalypse and end of times.

islam about black magic: Astrology in the 21st Century Eduardo Petriati, 2018-12-27 The technology is advancing at an astonishing speed, to the point that it is difficult to keep up with all the discoveries or releases that are being made known almost daily. Is Astrology immune to all these changes? What impact can Artificial Intelligence have on Astrology? Parting from the premise, that anything can be measured and have a value assigned, do we have the possibility of revisiting astrological practices from antiquity in this subject? What alternatives do a person has today to compensate for the effects of some planetary transits? How is the human body affected under certain planetary transits? Although these issues are discussed from a technical perspective, they do not lose sight of the main objective, which is to keep the human being at the center and in control of their evolutionary process with the support of Astrology.

islam about black magic: The Satanic Verses Salman Rushdie, 2000-12 Just before dawn one winter's morning, a hijacked jetliner explodes above the English Channel. Through the falling debris, two figures, Gibreel Farishta, the biggest star in India, and Saladin Chamcha, an expatriate returning from his first visit to Bombay in fifteen years, plummet from the sky, washing up on the snow-covered sands of an English beach, and proceed through a series of metamorphoses, dreams, and revelations.

islam about black magic: Al-Ruqyah Al-Shariyah Healing and Shifa from Quran and Sunnah with the Muslim Prayer Book Faisal Fahim, 2015-11-23 The book provides Islamic guidance on the treatment of various ailments including evil eye, jinn possession, sihr (black magic and witchcraft), and others. It also includes an Islamic prayer book with pictures of how to perform salah.

islam about black magic: Mystical Astrology According to Ibn 'Arabi Titus Burckhardt, 2001 A unique work, providing the underlying spiritual principles lacking in most modern books of astrology. It is accompanied by 12 color plates of a 16th-century Persian manuscript.

islam about black magic: Ikhwan Al-Safa' Godefroid de Callatay, 2005 The Ikhwan al-Safa' or Brethren of Purity were a highly secretive group of tenth-century Shi'ite thinkers, their identities remaining unclear even today. Renowned for creating the legendary Rasa'il Ikhwan al-Safa', an encyclopedia of philosophical sciences, they proposed a coherent intellectual system that sought to reconcile human reasoning with prophetic revelation. With a spirit of tolerance uncommon to the era and an exceptional eclecticism of sources, their encyclopedia was popular and yet highly contentious, often characterized as heretical by Islamic theologians and leaders throughout history. This fascinating survey provides a clear, objective and innovative introduction to the Brethren of Purity and their encyclopedic project, showing its critical place in the history of Arabic science, philosophy, and literature. Containing an illuminating guide to further reading and full of insight on the interpretation of the great work, this study will appeal to readers of all backgrounds.--BOOK JACKET.

islam about black magic: Angels and Jinn in Islam Maria Yaseen, 2020-07-18 This is the second book in series about Creation in Islam. So, this book series started off with the creation of everything. The creation of the Throne, the Pen, the Tablet, Al-Lawh Al-Mahfooz, the heavens and the earth, the Sun, Moon, and Stars, Rivers of Jannah etc. In this book, we are specifically talk about, the creation of angels, jinns, when they were all first created. Then continue with the creation of animals, humans, paradise, and Hell fire later on. In essence we are going to cover everything that we can. Now, what we are going to do and what I think is very important, when we are studying these types of topics and when we are having these conversations, is to discuss the benefits. If you study our legacy or the history of Islam, you find that the scholars used to shy away from getting into the very specific details that are irrelevant to us. Just as we did, when we talked about the creation of the throne, when we talked about the creation of the pen, when we talked about the creation of Al-Lawh Al-Mahfooz, the preserved tablet, and the heavens and the earth. Same way, we are going to only discuss the benefits when it comes to discussing the angels and Jinns.

islam about black magic: Enacting Power Jerome S. Handler, Kenneth M. Bilby, 2012 More than two and a half centuries after it was first outlawed in Jamaica in 1760, obeah remains illegal in most territories of the former British West Indies. Yet, opinions on the meaning and essential nature of this controversial Afro-Caribbean spiritual phenomenon vary widely. While many contemporary West Indians hold negative views of obeah, viewing it as evil witchcraft or sorcery, others point to its widespread use in healing, protection from harm and solving a wide range of everyday problems - positive views that were also commonly held by enslaved West Indians in earlier generations. Despite the scholarly attention obeah has received, relatively little has been written about the many laws enacted against it in different territories at different periods. Offering a perspective on obeah that challenges conventional conceptions of this widely misunderstood aspect of West Indian society and culture, the core of this book is a detailed examination of anti-obeah laws, and their socio-political implications, in seventeen jurisdictions of the English-speaking Caribbean from the period of slavery to the present. Aside from chronologically tracing in each territory the development of these laws and their major provisions, the book also examines how anti-obeah legislation has helped to create and perpetuate cultural distortions that resound into the present. Anti-obeah legislation, particularly after the end of slavery in the nineteenth century, played a central role in creating public misunderstandings of the meaning and role of obeah among the West Indian masses, and led to the stigmatization and devaluation among future generations of

African-derived spiritual beliefs and practices.
