Overview of Love Virtually by Daniel Glattauer

Love Virtually by Daniel Glattauer is a modern romance novel first published in 2006. Known in German as "Gut gegen Nordwind," the story centers on the accidental email correspondence between Emmi Rothner and Leo Leike. A simple typo leads to a series of messages that quickly evolve into an intimate and passionate exchange. The book unfolds almost entirely through emails, offering readers a window into the protagonists' emotions, desires, and fears as their digital relationship deepens. Glattauer's ability to capture the nuances of virtual communication makes the novel both relatable and compelling for contemporary readers.

Publication and International Success

Originally published in Austria, Love Virtually became an international bestseller, translated into numerous languages and praised for its authentic portrayal of digital romance. The novel's success paved the way for a sequel, "Every Seventh Wave," which continues the narrative of Emmi and Leo's relationship. Daniel Glattauer's innovative approach to storytelling has resonated with audiences worldwide, establishing Love Virtually as a landmark work in 21st-century literature.

Plot Summary

The story begins when Emmi Rothner attempts to unsubscribe from a magazine but mistakenly emails Leo Leike. Their correspondence starts with brief, polite exchanges but soon intensifies into a deep, emotional connection. Over time, Emmi and Leo grapple with the boundaries of their virtual relationship, questioning whether their feelings can translate into reality. The novel explores the tension between fantasy and authenticity, as both characters confront personal dilemmas and the possibility of meeting in person.

Main Characters and Their Development

Love Virtually features two central characters whose personalities and emotional journeys drive the narrative. Their development is intricately woven into the fabric of their email exchanges, revealing vulnerabilities and hidden depths.

Emmi Rothner

Emmi is a married woman who finds herself drawn to the excitement and novelty of her correspondence with Leo. She is witty, spontaneous, and candid, often using humor to mask her insecurities. As the story progresses, Emmi's internal conflict between loyalty to her family and her growing attachment to Leo becomes increasingly evident. Her character serves as a lens through which readers explore the complexities of emotional fidelity and the search for connection.

Leo Leike

Leo is a linguistics researcher recently recovering from a breakup. He approaches his emails with Emmi cautiously but soon becomes engrossed in their exchanges. Leo's analytical nature contrasts with his vulnerability, as he struggles to balance rationality with passion. Through his dialogue with Emmi, Leo confronts his own desires and the limitations of virtual intimacy.

- Emmi Rothner: Married, witty, emotionally conflicted
- Leo Leike: Academic, introspective, seeking connection
- Supporting Characters: Emmi's husband and Leo's ex-girlfriend (mentioned but not actively present)

Key Themes in Love Virtually

Daniel Glattauer's novel explores a range of themes that resonate with

readers navigating love and relationships in the digital era. These themes are woven into the fabric of the story, providing depth and relevance to the narrative.

Virtual Communication and Emotional Intimacy

One of the central themes of *Love Virtually* by Daniel Glattauer is the impact of technology on human relationships. The email format allows for candid expression, enabling Emmi and Leo to share thoughts they might never voice in person. The novel raises questions about the authenticity of digital intimacy and whether virtual connections can rival physical ones.

Fantasy vs. Reality

Glattauer examines the tension between the idealized world of online interaction and the complexities of real-life relationships. Emmi and Leo's emails create a space for fantasy, where they can reinvent themselves and explore desires without real-world consequences. The prospect of meeting face-to-face challenges their perceptions, forcing them to confront what is genuine versus what is imagined.

Loneliness and Connection

The characters' yearning for connection highlights the universal human need for intimacy and understanding. Both Emmi and Leo are isolated in their own ways, seeking solace in their virtual relationship. The novel probes how digital platforms can both alleviate and exacerbate feelings of loneliness.

Writing Style and Narrative Techniques

Daniel Glattauer employs a distinctive writing style that sets *Love Virtually* apart from conventional romance novels. The epistolary format, composed entirely of email exchanges, lends immediacy and authenticity to the narrative.

Epistolary Format

The use of emails as the sole mode of communication allows for rapid shifts in tone, emotion, and pacing. Readers experience the story in real-time, mirroring the anticipation and uncertainty felt by the protagonists. This format also encourages readers to fill in gaps, imagining the characters' lives beyond the screen.

Dialogue and Character Voice

Glattauer's skillful use of dialogue brings the characters to life, capturing the nuances of humor, vulnerability, and tension. Each character's voice is distinct, and their personalities shine through the written words. The interplay between Emmi's spontaneity and Leo's introspection creates a dynamic and engaging narrative.

Cultural Impact and Reception

Since its release, *Love Virtually* has made a significant impact on both literary and popular culture. The novel's exploration of virtual relationships struck a chord with readers navigating the rapidly changing landscape of digital communication.

Critical Acclaim

Critics praised the novel for its originality, emotional depth, and relevance. Its realistic portrayal of online romance resonated with audiences across different cultures, leading to broad international appeal. The book has been included in literary discussions about contemporary romance and digital society, earning numerous awards and nominations.

Global Reach and Popularity

Love Virtually has been translated into more than 35 languages and sold millions of copies worldwide. Its universal themes and engaging storytelling have made it a staple in book clubs and academic circles alike. The novel's popularity continues to grow, inspiring new conversations about love and technology.

Adaptations and Influence

The story of Emmi and Leo has transcended the pages of the novel, inspiring various adaptations and influencing other works in the genre.

Stage and Screen Adaptations

Love Virtually has been adapted for the stage in several countries, with productions praised for their faithful representation of the novel's spirit. In 2019, a German-language film adaptation brought Emmi and Leo's story to a broader audience, further cementing the novel's cultural significance.

Influence on Modern Romance Narratives

Glattauer's innovative approach has inspired other authors to explore the possibilities of epistolary storytelling and digital romance. *Love Virtually* is often referenced in discussions about the evolution of romantic literature in the internet age, contributing to ongoing debates about the role of technology in relationships.

Love Virtually: Exploring the Enduring Appeal of Daniel Glattauer's "Gut Feeling"

Have you ever experienced the thrill of a blossoming romance, unfolding not amidst candlelit dinners and stolen glances, but through the sterile yet intimate medium of email? Daniel Glattauer's "Gut Feeling," the first novel in the "Good Morning, Night" series, masterfully explores this very concept, captivating readers worldwide with its witty dialogue, relatable characters, and surprisingly profound exploration of love in the digital age. This blog post dives deep into the

enduring appeal of "Love Virtually" as depicted in Glattauer's work, examining its themes, characters, and lasting impact on the literary landscape. We'll uncover why this story continues to resonate with readers long after finishing the last email.

H2: The Unexpected Charm of Email Correspondence

What sets Glattauer's novel apart is its unconventional narrative structure. The entire story unfolds through email exchanges between Leo Leike, a seasoned PR consultant, and Emmi Rothner, a talented translator. This seemingly restrictive format, far from hindering the narrative, actually enhances it. The lack of physical proximity forces the characters to rely on words alone, creating a fascinating intimacy forged through carefully chosen sentences and cleverly crafted emojis (or the lack thereof, equally telling). We witness the nuances of their developing feelings - the hesitations, the playful banter, the deepening vulnerability - all communicated through the digital medium. This unique approach allows for a level of introspection rarely found in traditional narratives, revealing the inner lives of the characters with remarkable clarity.

H2: Leo and Emmi: A Study in Contrasts

The success of "Gut Feeling" is inextricably linked to its compelling characters. Leo and Emmi are strikingly different individuals, representing opposing poles of personality and life experience. Leo is a pragmatic, sometimes cynical man, accustomed to controlling the narrative in both his professional and personal life. Emmi is more spontaneous and emotionally expressive, a stark contrast to Leo's guarded nature. Their initial interactions are often marked by sharp wit and playful antagonism, yet beneath the surface, a palpable attraction simmers, slowly building into something deeper. This interplay of personalities creates a dynamic tension that keeps readers hooked throughout the novel.

H3: The Evolution of Their Relationship

Their relationship is not a simple fairytale. It's messy, complicated, and utterly realistic. They stumble, they miscommunicate, and they learn from their mistakes. The email format allows us to witness every step of their emotional journey, from initial animosity to hesitant attraction, to burgeoning love, and ultimately, to the challenges of maintaining a relationship across physical distances. This realistic portrayal of a modern romance is undoubtedly a key factor in the book's enduring popularity.

H2: Themes Beyond the Screen

While the novel's unique format is captivating, its enduring appeal stems from its exploration of universal themes that transcend the digital realm. Glattauer deftly examines the complexities of human connection, the power of communication (and miscommunication), and the challenges of balancing personal and professional lives. The story subtly critiques the modern tendency towards superficial interactions, highlighting the importance of genuine connection and meaningful

communication – a message that resonates even more powerfully in our increasingly digital world.

H3: The Power of Words in a Digital Age

The novel serves as a poignant commentary on the role of language in shaping our understanding of ourselves and others. The carefully chosen words, the subtle nuances of tone, and the pauses between emails – all contribute to the richness of the narrative. It reminds us that even in a world dominated by digital communication, the power of well-crafted language remains paramount in forging connections and building relationships.

H2: The Legacy of "Gut Feeling"

"Gut Feeling" has transcended its initial popularity, becoming a modern classic in the realm of contemporary literature. Its unique narrative style, relatable characters, and thought-provoking themes have resonated with readers across various cultures and backgrounds. The novel's success has also inspired several sequels, further exploring the evolving relationship between Leo and Emmi, solidifying its place in the literary canon. The lasting impact of the novel underscores the enduring human need for connection, a need that transcends the technological advancements shaping our lives.

Conclusion

Daniel Glattauer's "Gut Feeling" is more than just a charming romance novel; it's a thoughtful exploration of human connection in the digital age. Its unique narrative structure, compelling characters, and exploration of universal themes have ensured its enduring appeal, making it a must-read for anyone interested in exploring the complexities of love, communication, and the ever-evolving nature of relationships.

FAQs:

1. Is "Gut Feeling" a standalone novel? No, it's the first book in the "Good Morning, Night" series, with several sequels exploring the continuing relationship between Leo and Emmi.
2. What makes the email format so effective in this novel? The email format allows for a level of intimacy and introspection rarely seen in traditional novels. It forces the characters to rely solely on words, highlighting the nuances of their emotions and the challenges of communication.
3. What are the main themes explored in "Gut Feeling"? The novel explores themes of love, communication, the challenges of long-distance relationships, the complexities of human connection, and the power of words in a digital age.

4. Is the novel suitable for all readers? While the novel explores mature themes, its language is generally accessible and engaging to a wide audience. However, some readers might find the email format less engaging than traditional narratives.

5. Where can I find "Gut Feeling"? The novel is widely available in bookstores and online retailers in various formats, including paperback, ebook, and audiobook.

love virtually daniel glattauer: Love Virtually Daniel Glattauer, 2013-12-03 It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and, despite Emmi being happily married it seems only a matter of time before they will meet in person. Will their feelings for each other survive the test of a real-life encounter? And if so, what then? Love Virtually is a funny, fast-paced and absorbing experience, with plenty of twists and turns, about a love affair conducted by email.

love virtually daniel glattauer: Every Seventh Wave Daniel Glattauer, 2013-12-03 Love Virtually ends as Leo leaves Austria for America. He and Emmi have still not met, but the intensity of their correspondence has been threatening Emmi's marriage. But shouldn't these unconventional lovers be given another chance? When Leo returns from Boston, he gradually resumes his email contact with Emmi. But he has plans to settle down with Pamela, the woman he met in America. Emmi and Leo meet at last in person, in an attempt to draw a line under their relationship, but they cannot stop writing to each other. When Pamela learns of Leo's secret and unusual liaison, she returns to the USA, and Emmi's marriage to Bernhard is tested to its limits. Readers of Love Virtually begged to know more: could Emmi and Leo ever get together? Once again Daniel Glattauer takes us up and down through stormy waters, and delivers a thrilling sequel.

love virtually daniel glattauer: Love Virtually Daniel Glattauer, 2011-02-03 I couldn't put it down ... like a jilted lover, when I reached the end I wanted more Danielle Goldstein, Time Out Love Virtually is a funny, fast-paced and utterly absorbing novel, with plenty of twists and turns, about a love affair conducted entirely by email. Write to me, Emmi. Writing is like kissing, but without lips. Writing is kissing with the mind. It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and it seems only a matter of time before they will meet in person. But they keep putting off the moment - the prospect both excites and unsettles them. And after all, Emmi is happily married. Will their feelings for each other survive the test of a real-life encounter? And if so, what then? love virtually daniel glattauer: The Emerald Atlas John Stephens, 2011-04-05 A strong . . . trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way.—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophecy is true—what they do can change history, and it's up to them to set things right. A new Narnia for the tween set.—The New York Times [A] fast-paced, fully imagined fantasy.—Publishers Weekly Echoes of other popular fantasy series, from Harry Potter to the Narnia books, are easily found, but debut author Stephens has created a new and appealing read . . .—School Library Journal, Starred Review

love virtually daniel glattauer: Forever Yours Daniel Glattauer, 2014-09-04 Judith, in her

mid-thirties and single, meets Hannes when he steps on her foot in a crowded supermarket. Before long he turns up in the exclusive little lighting boutique that Judith runs with the help of her assistant Bianca. Hannes is an architect - single and in the prime of life. Not only is he every mother-in-law's dream, but Judith's friends are also bowled over by him. At first Judith revels in being put on a pedestal by this determined man who seems to have eyes only for her. But as time goes by, she finds his constant displays of affection increasingly wearying and his intensive attention becomes oppressive and overwhelming. In the end she feels cornered, controlled and stifled. All her attempts to get him out of her life fail. He seems to follow her all the way into her dreams, and when she wakes up he's already waiting on her doorstep to pamper her afresh...

love virtually daniel glattauer: Love Me Back Merritt Tierce, 2015-06-09 Sharp and dangerous and breathtaking.... A defiant story about a young woman choosing the life and motherhood that is best for her, without apology." —Roxane Gay, bestselling author of Bad Feminist Marie is a waitress at an upscale Dallas steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It's a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive. Pulsing with a fierce and feral energy, Love Me Back is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the herald of a powerful new voice in American fiction.

love virtually daniel glattauer: The Blackbird Sings at Dusk , 2016-05-02 A compelling novel about friendship, identity and love. One winter evening, Elias, a young artist, watches a woman move into his apartment building. After closing her door, however, she is not seen again. A misdirected letter finally gives Elias the opportunity to make contact. But inside her dark apartment, Elisabeth refuses to respond to his knock. Her only company is the Woman in Green, an unbidden vision from her childhood dreams. Elias, meanwhile, is not to be deterred and draws his friend Otto, an elderly widower, into his attempts to entice Elisabeth into the world. As spring segues into summer, their lives become intertwined and their past stories are revealed.

Discover the uplifting, laugh-out-loud story of a reluctant wrestle with fate, from the No. 1 bestselling author of *Grown Ups* 'Keyes is in a class of her own' DAILY EXPRESS _____ 'I was still at that stage in my life when I thought that weekdays were for recovering from the weekend' Twenty-six year old Lucy Sullivan is living it up (and occasionally down) in London. Hers is a life of quiet, undisciplined desperation. But when she and three friends visit a psychic for a bit of fun and the woman's predictions start coming true, Lucy is horrified. For the fortune teller insisted she'd soon be married - within the year, in fact. Not only does Lucy not have a boyfriend, but the chances of getting one are looking slim. Between the bottles of wine, antidepressants and her addiction to self-help books, she's not quite ready to walk, or even stumble, down the aisle sober. Is Lucy's fate really written in the stars? Or will she finally take control of her own destiny? . . . _____ 'One of those rare books that will swallow up your day without realising it. Romantic and uplifting, it won't fail to put a smile on your face' Daily Express 'Gloriously funny' Sunday Times 'A warm and hilarious page turner' Good Housekeeping 'A modern fairy tale, it's full of Keyes's self-deprecating wit' Sunday Mirror Winner of 'Author of the Year' at the British Book Awards May 2022

love virtually daniel glattauer: Dead Man's Fancy Keith McCafferty, 2014-01-02 The third novel starring Montana's fly fisherman-cum-detective Sean Stranahan, for fans of C. J. Box and Craig Johnson Wolves howl as a riderless horse returns at sunset to the Culpepper Dude Ranch in the Madison Valley. The missing woman, Nanika Martinelli, is better known as the Fly Fishing Venus, a red-haired river guide who lures clients the way dry flies draw trout. As Sheriff Martha Ettinger follows hoof tracks in the snow, she finds one of the men who has fallen under the temptress's spell impaled on the antler tine of a giant bull elk, a kill that's been claimed by a wolf pack. An accident? If not, is the killer human or animal? With painter, fly fisherman, and sometimes private detective Sean Stranahan's help, Ettinger will follow clues that point to an animal rights group called the Clan of the Three-Clawed Wolf and to their svengali master, whose eyes blaze with pagan fire. In their most dangerous adventure yet, Stranahan and Ettinger find themselves in the crossfire of wolf lovers, wolf haters, and a sister bent on revenge, and on the trail of an alpha male gone terribly wrong.

love virtually daniel glattauer: The Wizard Test Hilari Bell, 2005-02-15 In her first middle-grade fantasy, the acclaimed author of *The Goblin Wood* reveals an adventure filled with destiny, magic, and the choices in between.

love virtually daniel glattauer: The Wish House Celia Rees, 2006 Chilling, thrilling and sexy teenage novel from a best-selling author. In the summer of 1976, on holiday in South Wales, fifteen-year-old Richard is shocked and fascinated to meet the tenants of the historic Wish House. Jay Dalton is a well-known artist, and his large, bohemian family - casually stripping naked on the beach, smoking dope, ignoring convention - seem astonishingly glamorous. Richard falls under the spell of beautiful, free-spirited Clio, Jay's daughter. She seduces him in a secret forest grotto, where they spend idyllic days playing out her favourite Celtic myths of brave grail knights and powerful enchantresses. But why does Jay paint so many nudes of Clio? Why is he obsessed with the need to paint Richard? Why does his wife grow poisonous plants in her Witch's Garden? The Daltons' dark secrets draw Richard into a world of disturbing relationships, where he discovers, too late, that his innocent arrival at the Wish House was no accident.

love virtually daniel glattauer: In the Land of Dreamy Dreams Ellen Gilchrist, 2013-11-22 In *In the Land of Dreamy Dreams*, Ellen Gilchrist's acclaimed 1981 debut collection of short stories, introduced readers to a remarkable Southern voice which has sustained its power and influence through her more than 20 subsequent books. Gilchrist has a distinctive ear for language, and a deep understanding of her flawed, sometimes tragic characters. These fourteen stories, divided into three sections -- *There's a Garden of Eden*, *Things Like the Truth*, and *Perils of the Nile* -- are about mostly young, upper-class Southern women who are bored with the Junior League and having babies, and

chafe against the restrictions of their sheltered lives. Talented and bright, but living in the shadow of men -- their husbands and fathers -- they resort to outrageous actions in pursuit of freer lives and uncompromised love, despite the consequences. This collection first introduced readers to some of Gilchrist's most beloved characters, such as Rhoda Manning and Nora Jane Whittington. PRAISE: It's difficult to review a first book as good as this one without resorting to every known superlative cliché...Gilchrist is the real thing. —Washington Post “A sustained display of delicately and rhythmically modulated prose and an unsentimental dissection of raw sentiment. Her stories are perceptive, her manner is both stylish and idiomatic – a rare and potent combination.” —Times Literary Supplement “Witty, concise and wonderfully varied.” —Literary Review “Gilchrist possess a distinctive voice, and blends a sense of poignancy with an often outrageously Gothic humor.” —New York Times Book Review “Her prose is quick-witted and urbane and as gossipy as Vanity Fair. Quite simply there is no Southern writer quite like her.” —Raleigh News & Observer

love virtually daniel glattauer: The Outsorcerer's Apprentice Tom Holt, 2014-08-19 A happy workforce, it is said, is a productive workforce. Mmmm. Try telling that to an army of belligerent goblins. Or the Big Bad Wolf. Or a professional dragons layer. Who is looking after their well-being? Who gives a damn about their intolerable working conditions, lack of adequate health insurance, and terrible coffee in the canteen? Thankfully, with access to an astonishingly diverse workforce and limitless natural resources, maximizing revenue and improving operating profit has never really been an issue for the one they call the Wizard. Until now. Because now a perfectly good business model -- based on sound fiscal planning, entrepreneurial flair, and only one or two of the infinite parallel worlds that make up our universe -- is about to be disrupted by a young man not entirely aware of what's going on. There's also a slight risk that the fabric of reality will be torn to shreds. You really do have to be awfully careful with these things.

love virtually daniel glattauer: The Summer I Learned to Fly Dana Reinhardt, 2011 Thirteen-year-old Drew starts the summer of 1986 helping in her mother's cheese shop and dreaming about co-worker, Nick. But when her widowed mother begins dating, Drew turns to her father's copy of The Book of Lists, her pet rat, and Emmett--a boy on a quest--to help her cope.

When Layla starts to pull away, Nell discovers a secret: Layla is involved with one of their teachers. Nell struggles with what to do.

love virtually daniel glattauer: The Funeral Party Ludmila Ulitskaya, 2010-12-01 August 1991. In a sweltering New York City apartment, a group of Russian émigrés gathers round the deathbed of an artist named Alik, a charismatic character beloved by them all, especially the women who take turns nursing him as he fades from this world. Their reminiscences of the dying man and of their lives in Russia are punctuated by debates and squabbles: Whom did Alik love most? Should he be baptized before he dies, as his alcoholic wife, Nina, desperately wishes, or be reconciled to the faith of his birth by a rabbi who happens to be on hand? And what will be the meaning for them of the Yeltsin putsch, which is happening across the world in their long-lost Moscow but also right before their eyes on CNN? This marvelous group of individuals inhabits the first novel by Ludmila Ulitskaya to be published in English, a book that was shortlisted for the Russian Booker Prize and has been praised wherever translated editions have appeared. Simultaneously funny and sad, lyrical in its Russian sorrow and devastatingly keen in its observation of character, The Funeral Party introduces to our shores a wonderful writer who captures, wryly and tenderly, our complex thoughts and emotions confronting life and death, love and loss, homeland and exile.

love virtually daniel glattauer: *The Secrets of Happiness* Lucy Diamond, 2016-01-28 The Secrets of Happiness is an extraordinary tale of sisterhood, from Lucy Diamond author of The Beach Cafe. The best things in life . . . can be just around the corner Rachel and Becca aren't real sisters, or so they say. They are stepsisters, living far apart, with little in common. Rachel is the successful one: happily married with three children and a big house, plus an impressive career. Artistic Becca, meanwhile, lurches from one dead-end job to another, shares a titchy flat, and has given up on love. The two of them have lost touch, but when Rachel doesn't come home one night, Becca is called in to help. Once there, she quickly realizes that her stepsister's life is not so perfect after all: Rachel's handsome husband has moved out, her children are rebelling, and her glamorous career has taken a nosedive. Worst of all, nobody seems to have a clue where she might be. As Becca begins to untangle Rachel's secrets, she is forced to confront some uncomfortable truths about her own life, and the future seems uncertain. But sometimes happiness can be found in the most unexpected places . . .

love virtually daniel glattauer: Blood and Salt Kim Liggett, 2015-09-22 The last words Ash hears her mother say are, "When you fall in love, you will carve out your heart and throw it into the deepest ocean. You will be all in—blood and salt." Determined to find her mother when she disappears, Ash follows her to Quivara, Kansas, the spiritual commune she escaped long ago. But something sinister and ancient waits among the rustling cornstalks of this village lost to time. Her mother is nowhere to be found, but Ash is plagued by memories of her ancestor, Katia, which harken back to the town's history of unrequited love, murder, alchemy, and immortality. Charming traditions give way to a string of deaths. And Ash feels herself drawn to Dane, a mysterious, forbidden boy with secrets of his own. As the community prepares for a ceremony five hundred years in the making, Ash fights to save her mother, her lover, and herself. She must discover the truth about Quivara before it's too late. Before she's all in—blood and salt.

love virtually daniel glattauer: *The Memory of Water* Shelagh Stephenson, 1997 THE STORIES: The Globe and Mail describes THE MEMORY OF WATER as both gloriously funny and deeply felt...Indeed, THE MEMORY OF WATER is so funny that it appears at first to be pure black comedy, with the newly bereaved sisters indulging wildly in wi

love virtually daniel glattauer: *Star Trek: Q Squared* Peter David, 2012-10-30 In all of his travels Captain Jean-Luc Picard has never faced an opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane, also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe, this time the stakes are all of creation.

love virtually daniel glattauer: *The Dream Keepers* Linda Keen, 2019-03-07 As our richly diverse nation finds itself at an often confusing cultural crossroads, this thoughtful adventure story is a wellspring of hope and provides its readers with a treasure of positive insight and encouragement. In the first years of the new millennium, Star and Thatcher O'Day are seven and eight years old when they are forced to leave the only home they have ever known. Driving cross country from the Deep South to the West Coast with their grandfather, a famous poet they consider strange, sister and brother will also have to accustom themselves before long to an eccentric artist who does not look or act anything like they think a grandmother should. Settling into entirely new

surroundings, their joys as well as trials and tribulations, combined with the ebb and flow of memorable relationships, become central to the siblings' incitement for change. As each advancing year elicits increasing levels of alarm and acute dangers, their continuing encounters steer them into places and circumstances they never could have imagined.

love virtually daniel glattauer: *A Student of History* Nina Revoyr, 2019-03-05 Revoyr is gifted in her ability to deal with complex ideas like racism, class conflict, and sexuality without sacrificing the truth of her narrative. Furthermore, like the most adroit novelists, Revoyr specializes in reversal. All of her books are filled with suspense and sudden surprises that take the stories in unexpected directions...As much as Nina Revoyr herself is a student of history, she's also one of our best teachers. --Los Angeles Review of Books Revoyr's latest noir tells a story that's somewhere between Sunset Boulevard and the darker regions of *The Great Gatsby*...Revoyr is a subtle observer of human foibles and social structures, and the result is one of the most insightful, and the most entertaining books of the year. --Literary Hub, one of Lit Hub's 50 Favorite Books of 2019 *A Student of History* is full of research, detail, lush descriptions, and visual place-setting. [Revoyr's] a fiction writer with an eye for reality set in a dream-like world, often in her home city of Los Angeles. --The Rumpus Any Nina Revoyr novel is a cause for celebration, and her latest, *A Student of History*, is assured and marvelous, an absorbing rags among riches tale about a broke USC grad student who finds himself swept off his feet by Los Angeles's insular, powerful .01% class. It's a contemporary novel that feels like an instant classic, with the wry tragedy of *The House of Mirth*, the sinister glamour of *Sunset Boulevard*, and a fresh, original point of view. --CrimeReads With a nod to *Great Expectations* and *The Great Gatsby*, Rick Nagano is Nick Carraway and young Pip rolled into one...Lambda Award-winner Revoyr focuses on the impact of race in the construct of class and society, and how there are some doors that will always remain closed. --The Advocate Nina Revoyr's new novel, *A Student of History*, continues the tradition of the Los Angeles oil novel, but steers it in a new direction. --Rain Taxi Review of Books With her two Walter Mosley-like gifts--impeccable narrative pacing and masterful command of Los Angeles' intricate, evolving dynamics of race and class--Nina Revoyr's LA novels convincingly capture the lifespan of Los Angeles as a major city, none more gracefully than *A Student of History*. --New York Journal of Books Rick Nagano is a graduate student in the history department at USC, struggling to make rent on his South Los Angeles apartment near the neighborhood where his family once lived. When he lands a job as a research assistant for the elderly Mrs. W--, the heir to an oil fortune, he sees it at first simply as a source of extra cash. But as he grows closer to the iconoclastic, charming, and feisty Mrs. W--, he gets drawn into a world of privilege and wealth far different from his racially mixed, blue-collar beginnings. Putting aside his half-finished dissertation, Rick sets up office in Mrs. W--'s grand Bel Air mansion and begins to transcribe her journals--which document an old Los Angeles not described in his history books. He also accompanies Mrs. W-- to venues frequented by the descendants of the land and oil barons who built the city. One evening, at an event, he meets Fiona Morgan--the elegant scion of an old steel family--who takes an interest in his studies. Irresistibly drawn to Fiona, he agrees to help her with a project of questionable merit in the hopes he'll win her favor. *A Student of History* explores both the beginnings of Los Angeles and the present-day dynamics of race and class. It offers a window into the usually hidden world of high society, and the influence of historic families on current events. Like *Great Expectations* and *The Great Gatsby*, it features, in Rick Nagano, a young man of modest means who is navigating a world where he doesn't belong.

love virtually daniel glattauer: *Sex, Lies and Online Dating* Rachel Gibson, 2016-03-24 *Sex, Lies and Online Dating* is a brilliantly entertaining rom-com from New York Times bestseller Rachel Gibson - perfect for fans of Jill Shalvis, Jo Watson and Christina Lauren. When an undercover cop goes on the hunt for a female serial killer, he's not expecting to lose his heart. Quinn McIntyre has to pose as an internet dater to woo the chief suspect in a serial murder case, and the last thing on his mind is falling in love. Especially not to a thriller writer researching her next book, who doesn't even realise she's under surveillance... But Lucy Rothschild just doesn't seem like the killing kind...does she? Before too long, and against all his better instincts, Quinn finds he could be getting in too

deep... Check out the rest of Rachel's addictive titles, including I'm In No Mood For Love, Tangled Up In You and Not Another Bad Date.

love virtually daniel glattauer: Battling Injustice Supriya Vani, 2017-08-25 'Supriya Vani's book will educate people about gender equality and inspire women to rise up to their potential. It will inspire parents not to clip the wings of their daughters. All our girls are meant for stars, and they need equality and freedom to flourish.' --Nobel Peace laureate Malala Yousafzai and her father Ziauddin Yousafzai Malala Yousafzai, Tawakkol Karman, Ellen Johnson Sirleaf, Leymah Gbowee, Shirin Ebadi -- these women and others like them shaped the history of their peoples through their fight against political persecution, social deprivation and gender discrimination. The Nobel Peace Prize memorializes their achievements and courage and ability to inspire hope in others. Through the life portraits of sixteen women Nobel Peace laureates, peace activist and journalist Supriya Vani argues that the fate of the world is inextricably tied to the emancipation of women, and that the cause of world peace urgently requires women leaders. These stories, the result of six years of painstaking research and many interviews, show how we have much to learn from the laureates, from the events that shaped their work to their inner journey of spirit. Women in the workplace, at home, as mothers and nurturers, as leaders, will all find something to take away from this collection. Battling Injustice is an authentic record of women's cultural history, told through the lives of some of the most remarkable women since modernity. 'The lives of the women Nobel Peace laureates detailed in this book by Supriya Vani are clear evidence of my belief that women are naturally more sensitive to others' needs and well-being. They have greater potential for expressing love and affection. Therefore, when, as now, compassionate leadership is required, women should take on a greater role in making this world a better place.' --His Holiness the Dalai Lama 'Supriya Vani's stories of Nobel Peace laureates amount to much more than a sincere tribute to some of the world's most fearless women. By bringing us their voices, their vulnerabilities, their wisdom, she inspires us all to make a difference in the world by tapping into our better selves.' --Arianna Huffington, co-founder of The Huffington Post 'A monumental effort by a vivacious young woman on the human potential for goodness.' --Sharon Stone, American actress and human rights activist 'Since 1999, Nobel Peace Prize laureates have been gathering to reaffirm their commitment to peaceful means of resolving the world's problems. I admire the contribution of women laureates, their energy and warmth. As shown in this book by Supriya Vani, they give their hearts to our common efforts and to the younger generations that will continue their great work.' --Mikhail Gorbachev, former president of the Soviet Union 'Supriya Vani's book is for everyone across the globe. I am sure it will spur many souls to tread the path of humanitarian service, to choose a life of peace and love.' --Nobel Peace laureate Tawakkol Karman 'This book will inspire and motivate young people to work for peace.' --Cherie Blair, British barrister and spouse of former British prime minister Tony Blair 'I recommend this book to the youth. It can inspire them to reach their goals.' --Nobel Peace laureate Shirin Ebadi 'Supriya Vani rightly highlights the fact that the world needs more women leaders, who are spiritually, mentally and emotionally equipped to bring peace to our planet.' --Nobel Peace laureate Rigoberta Menchu Tum 'I hope those who read this book will feel inspired to work for disarmament and peace.' --Nobel Peace laureate Mairead Maguire 'In February of 2017, at the XVI World Summit of Nobel Peace laureates held in Bogota, I had the happy opportunity to meet with six of my fellow female laureates. They represent the values of courage, determination, generosity and solidarity shared by millions of women around the planet, who strive each day to make a better, freer and more peaceful world. That is why I welcome and cherish this book by Supriya Vani -- the stories of all the sixteen women Nobel Peace laureates must be known. They are a source of inspiration for our youth and every one of us.' --Juan Manuel Santos Calderon, president of Colombia and a Nobel peace laureate

love virtually daniel glattauer: From the Markets of Tuscany O/P G. Scarpaleggia, 2018 At once a collection of traditional, seasonal recipes and a guide to the area's top food markets, Giulia Scarpaleggia takes readers on a journey through her beloved Tuscany, exploring famous places but also more remote areas - from Florence's urban streets and enchanting Volterra to mountainous Garfagnana and the wilds of Lunigiana, the gentle rolling hills of Val d'Orcia, and the vineyards and olive groves of Chianti. Through photographs, words and recipes, Giulia tells the story of Florence's historic markets, local organic farmers markets, and the weekly market days held in Tuscan towns and villages. She also explores Tuscany's coastal fish and seafood markets, together with the roadside vendors of the Maremma area, with their vibrant fresh fruit and vegetable stands. With each encounter, Giulia delves into the stories of Tuscany's food markets, drawing on memories and recipes that taste of home.

love virtually daniel glattauer: Bloodwalker L. X. Cain, 2016-10-04 While touring present-day Hungary, Slovakia, and Romania, Rurik, the lightning-scarred security chief and former strongman of the Zorka Cyrka circus, investigates the disappearances of children who have disappeared after the circus comes to town.

love virtually daniel glattauer: Luwan of Brida Sarang Mahajan, 2012-04 Brida is a small village in the farthest corner of Inkredia, located at the foot of the great Malingo Mountains. This beautiful village is a brewing pot of troubles. And Luwan plucks out of it a danger that will claim his life, unless he escapes to a safe place. But between him and safety lies a perilous journey. As Luwan plunges into a thrilling escapade, he explores the wildly fantastical side of his country. Fleeing through unknown regions with enemies chasing him like a wind, he sees the great wonders of Inkredia and terrible dangers hiding in its dark corners. He meets the most brutal assassins known to the mankind and bloodcurdling nonhumans of various kinds. And... he quickly discovers, that for some reason, they all want him dead.

love virtually daniel glattauer: Dear Santa Samuel Johnson, 2020-12-22 If you could ask Santa for absolutely anything, what would you ask for? Samuel Johnson OAM, Australia's favourite skylarker, brother and determined cancer vanquisher, has asked his friends and supporters (who just happen to be some of Australia's best writers, comics, actors, artists, musicians and personalities) to share their letters to Santa. Some letters are naughty. Some letters are nice. Some echo a favourite childhood memory. Some beg forgiveness. Some are angry. Some just want something sweet. Some want to change their own world, others want to change the whole world. Contributors include Helen Garner, Adam Hills, Deborah Mailman, Rove McManus, Leigh Sales, Grant Denyer, John Williamson, Myf Warhurst, John Paul Young, Mia Freedman, Shaun Micallef, Missy Higgins, and many more. This little book of letters is wicked, witty and warm-hearted. It will make you laugh, think and feel and is the perfect Christmas gift for those who speak human.

love virtually daniel glattauer: The Smart One Jennifer Close, 2014-06-05 The Coffey siblings are having a rough year. Claire has broken up with her fiancé and is hiding from her debts. Martha's in a career crisis and even her therapist is losing patience with her. And Max, the baby of the family in his final year of college, is keeping a life-altering secret. Before long, all three of them have moved back home. But things aren't so easy the second time around. Martha and Claire regress to fighting over the shared bathroom while their mother continues to plan Claire's thwarted wedding (unbeknownst to Claire). But it's only a matter of time before Max's secret comes out and changes all of their lives...

love virtually daniel glattauer: The Turncoat Siegfried Lenz, 2020-10-06 "Never has the aftermath for Germans been better depicted than in Siegfried Lenz's elegiac, *The Turncoat*. A newly discovered masterpiece." —Alex Kershaw, New York Times bestselling author of *Avenue of Spies* Previously unpublished, this German postwar classic is one of the best books of this major writer, who died in 2014. The last summer before the end of World War II, Walter Proska is posted to a

small unit tasked with ensuring the safety of a railway line deep in the forest on the border with Ukraine and Byelorussia. In this swampy region, a handful of men—stunned by the heat, attacked by mosquitoes, and abandoned by their own troops in the face of the resistance—must also submit to the increasingly absurd and inhuman orders of their superior. Time passes, and the soldiers isolate themselves, haunted by madness and the desire for death. An encounter with a young Polish partisan, Wanda, makes Proška further doubt the validity of his oath of allegiance, and he seeks to answer the questions that obsess him: When conscience and duty clash, which is more important? Is it possible to take any action without becoming guilty in some way? And where is Wanda, this woman from the resistance he can't forget? Written in 1951, *The Turncoat* is Siegfried Lenz's second novel. Rejected by his publisher, who thought that the story of a German soldier defecting to the Soviet side would be unwelcome in the context of the Cold War, the manuscript was forgotten for nearly seventy years before being rediscovered after the author's death. A posthumous triumph.

love virtually daniel glattauer: Cycles Bryan Cassady, 2021-10-26 Change the way you think about innovation and give yourself every chance of success! There are lots of books, courses, and videos on innovation. They are fun and usually motivating, but seldom deliver long-term results. *Cycles* is a fun book, but more importantly, it explains how to innovate at every stage. Consistent winners are idea builders that make good or even mediocre ideas great over time. With *Cycles* you'll learn by doing how to grow ideas up to 6x faster while cutting risks by over 50%. This book brings together 4 years of research and the work of 22 innovation experts into a simple system with easy-to-use canvases and tools. The foundation of this system is thinking of idea building as an ongoing process of cycles. Some cycles are short, and some are long. The best cycles include the ABCs of innovation. A = Align B = Build Ideas C = Communicate and Check S = Systematically Improve This system ties the theories and research from hundreds of books into something easy to understand and something you can do right now. If you want to be a better innovator, *Cycles* will change the way you think about innovation. More importantly, with easy hands-on tools, *Cycles* will make it easier to innovate faster while reducing risks. A straightforward and effective method that you can start applying right away! ABOUT THE AUTHOR Bryan Cassady is a long-time entrepreneur and has built successful businesses in six countries. His success rate is eight successful businesses from eleven tries. For more than ten years, he has been teaching Innovation and Entrepreneurship at leading business schools around the world (KU Leuven, Solvay, EDHEC), led some of the world's largest and most successful accelerator programs (The Founder Institute and the European Innovation Academy), and coached over 400 companies. He is currently working on the Global Entrepreneurship Alliance- a foundation being set up to train 1 million entrepreneurs by 2027.

love virtually daniel glattauer: Frederick McCubbin- Whisperings in Wattle Boughs Lisa Sullivan, 2021-09-04 This publication accompanies two exhibitions that celebrate the 125th anniversary of the establishment of Geelong Gallery in 1896; that honour one of the first and greatest acquisitions to enter the collection; and that assert this Gallery's enduring commitment to the critical visions of contemporary artists. Frederick McCubbin-Whisperings in wattle boughs takes its lyrical title from McCubbin's quietly mesmerising painting of 1886, in which he depicts a solitary man in repose, contemplating the earth, listening to the rustling of the bush around him while his tea boils in the billy nearby. This evocative work sets the tone for an exhibition centred on one of the treasures of Geelong Gallery: McCubbin's much loved *A bush burial* 1890, the first major painting to enter the Gallery's collection, purchased through public subscription in 1900. *A bush burial* is brought into dialogue with a selection of other now-iconic paintings in which McCubbin redefined the Australian bush and elaborated the place and roles of human subjects within it. It is, therefore, a focussed thematic survey rather than a broad ranging retrospective of McCubbin's output and follows two recent Geelong-curated scholarly thematic exhibitions: *Land of the Golden Fleece*- Arthur Streeton in the Western Districts (2016) and *Fred Williams in the You Yangs* (2017).
