Mark Levin: Background and Influence

Mark Levin is a prominent conservative commentator, radio host, author, and constitutional lawyer. Known for his direct and unapologetic style, Levin has established himself as a leading voice on the right, particularly through his syndicated radio show and bestselling books. His influence extends to television, where he hosts discussions on pressing political issues, often targeting liberal policies and Democratic leaders. Levin's background in law and government, including his tenure as chief of staff for Attorney General Edwin Meese during the Reagan administration, informs his critiques of modern American politics.

Levin's reputation has been shaped by his commitment to conservative

principles, including a strict interpretation of the Constitution, limited government, and a strong national defense. His audience is largely composed of conservative Americans who share his concerns about the direction of the country and the perceived threats posed by progressive ideologies. The phrase "mark levin democrats hate america" encapsulates his stance that Democratic policies undermine foundational American values.

The Core Arguments of "Democrats Hate America"

Overview of Levin's Book

Mark Levin's book "The Democrat Party Hates America" lays out a comprehensive critique of the Democratic Party's evolution, leadership, and policy positions. He argues that the party has shifted away from traditional American values and now actively promotes ideas that erode national identity, economic stability, and individual liberties. Levin draws on historical analysis, policy reviews, and current events to support his thesis.

Main Points Presented in the Book

- Claiming the Democratic Party undermines constitutional principles
- Asserting that progressive policies erode individual freedoms
- Highlighting the party's stance on law enforcement and national security
- Criticizing the handling of economic policies, taxation, and regulation
- Addressing cultural issues such as education, free speech, and family values

Levin's arguments resonate with those who feel alienated by shifting social norms and increased government intervention. He maintains that the Democratic Party's agenda leads to societal division and weakens America's standing in the world.

Historical Context: Criticisms of the Democratic Party

Longstanding Conservative Critiques

Conservative criticisms of the Democratic Party have deep historical roots, often centering on disagreements over the role of government, individual rights, and national identity. Figures like Ronald Reagan and Barry Goldwater laid the groundwork for such critiques, arguing that liberal policies threaten the nation's founding principles. Mark Levin's arguments represent a continuation of this tradition, amplified by modern media and heightened political polarization.

Key Flashpoints in Recent Decades

Recent decades have seen major flashpoints between conservatives and Democrats, including debates over healthcare reform, immigration, taxation, and education. Levin references these issues in his book, suggesting that each represents a step away from American values. The rise of progressive movements within the Democratic Party, such as calls for social justice and equity, have further fueled this narrative among conservative commentators.

Levin's Main Themes and Ideological Standpoints

Defense of Constitutional Principles

A central theme in Levin's critique is the defense of constitutional values. He contends that the Democratic Party seeks to reinterpret or circumvent constitutional protections, particularly regarding free speech, gun rights, and federalism. Levin argues that such shifts threaten the balance of power and individual liberties that define the American system.

Emphasis on Traditional American Values

Levin consistently emphasizes traditional values such as patriotism, family, and personal responsibility. He claims that Democratic policies undermine these values by promoting government dependency and weakening social institutions. Education reform, cultural shifts, and changes in law enforcement are cited as examples of this alleged erosion.

Concerns About Economic and National Security Policies

Levin criticizes Democratic approaches to economic management, arguing that higher taxes, increased regulation, and expansive welfare programs hinder growth and innovation. He also raises concerns about national security, including border control and military funding, suggesting that Democratic policies compromise safety and sovereignty.

Public and Political Reactions to Levin's Claims

Conservative Support and Endorsement

Levin's arguments have received strong support from conservative politicians, media outlets, and grassroots organizations. His book has been praised for articulating widespread concerns among right-leaning voters about the direction of the country. Many see Levin as a courageous defender of American values in the face of changing political tides.

Criticism and Counterpoints from Liberals

On the other hand, Levin's claims have been sharply criticized by liberal commentators and Democratic leaders. They argue that his rhetoric is divisive and misrepresents the intentions and policies of the party. Many challenge the assertion that Democrats "hate America," instead emphasizing their commitment to social progress, equity, and inclusive governance.

Media Coverage and Public Debate

Levin's book and statements have generated significant media coverage, with news outlets, opinion columnists, and social media commentators weighing in on the debate. The phrase "mark levin democrats hate america" is frequently used in headlines and discussions, reflecting its impact on public discourse and the ongoing ideological divide in American politics.

Impact on American Political Discourse

Shaping the Narrative Around Patriotism

Levin's claims contribute to a larger narrative about patriotism, loyalty, and national identity in the United States. By framing the debate in terms of love or hatred for America, he amplifies existing tensions between

conservatives and liberals. This approach has influenced political campaigns, legislative debates, and media coverage, shaping how Americans perceive the stakes of current political conflicts.

Influence on Voter Attitudes and Party Dynamics

The controversy surrounding Levin's arguments has affected how voters identify with political parties and candidates. For some, it reinforces existing allegiances and motivates political engagement. For others, it highlights the need for nuanced discussions and bridge-building across ideological divides. The phrase "mark levin democrats hate america" remains a flashpoint that encapsulates broader struggles over the meaning of American identity and the future of the nation.

Frequently Asked Questions

Q: Who is Mark Levin and what are his main political beliefs?

A: Mark Levin is a conservative author, radio host, and constitutional lawyer known for advocating limited government, strict constitutional interpretation, and traditional American values. He often critiques progressive and liberal policies, particularly those of the Democratic Party.

Q: What is the main argument of Mark Levin's book "The Democrat Party Hates America"?

A: The main argument of Levin's book is that the Democratic Party has abandoned foundational American principles and now promotes policies that erode individual freedoms, constitutional rights, and national identity.

Q: How have Democrats responded to Mark Levin's claims?

A: Democrats and liberal commentators have largely rejected Levin's claims, arguing that his rhetoric is divisive and mischaracterizes their policies and intentions. They emphasize their commitment to social progress, equity, and inclusive governance.

Q: What impact has Mark Levin's book had on political discourse?

A: Levin's book has intensified debates around patriotism, party loyalty, and the meaning of American values. It has become a touchstone for conservative critiques of the Democratic Party and prompted widespread media coverage and public discussion.

Q: Are there historical precedents for Levin's criticisms of the Democratic Party?

A: Yes, conservative critiques of the Democratic Party have a long history, but Levin's arguments build on these traditions with contemporary examples and heightened rhetoric, reflecting current political polarization.

Q: What are some key themes in Mark Levin's critique of Democrats?

A: Key themes include the alleged undermining of constitutional principles, erosion of individual freedoms, weakening of traditional values, and concerns about national security and economic management.

Q: How have conservative audiences reacted to Levin's book?

A: Conservative audiences have generally supported Levin's arguments, viewing his book as a necessary defense of American values against perceived threats from liberal policies.

Q: Does Mark Levin's book provide solutions, or is it primarily a critique?

A: While the book focuses heavily on critique, Levin also calls for renewed commitment to constitutional principles and conservative values as a counter to the Democratic Party's agenda.

Q: Why has the phrase "mark levin democrats hate america" become so popular?

A: The phrase encapsulates the heightened polarization in American politics and serves as a rallying cry for conservatives concerned about the direction of the country under Democratic leadership.

Q: What are the broader implications of Levin's arguments for American society?

A: Levin's arguments contribute to ongoing debates about national identity, patriotism, and the future of American politics, influencing voter behavior, party dynamics, and public discourse.

Mark Levin: Democrats Hate America? Unpacking the Rhetoric

The fiery rhetoric of Mark Levin, a prominent conservative commentator, often features the assertion that Democrats "hate America." This provocative claim, frequently aired on his radio show and in his books, ignites passionate debate and sparks intense political polarization. But is this a fair assessment, or simply a potent rhetorical tool used to rally a conservative base? This in-depth analysis will delve into Levin's arguments, examine the underlying political context, and explore alternative interpretations of Democratic policies and motivations. We'll dissect the claim, analyze its impact, and consider the implications of such strong rhetoric in a divided nation.

The Core Argument: Levin's Perspective

Mark Levin's assertion that Democrats "hate America" isn't a casual remark. He builds his case on several pillars, often highlighting specific policy positions and historical narratives. He frequently points to what he sees as attacks on American institutions – from critiques of capitalism and patriotism to concerns about the judiciary and law enforcement. Levin portrays these critiques as fundamental assaults on the core principles of the nation, characterizing them not as policy disagreements but as acts of ideological warfare against the American way of life. He often frames these policies within a larger narrative of a gradual erosion of American values, tracing this perceived decline back to specific historical moments and figures. This narrative fuels his assertion that the ultimate goal is not to improve America but to fundamentally transform it into something unrecognizable.

Deconstructing the "Hate America" Narrative

However, labeling an entire political party as "hateful" based on policy disagreements is a significant oversimplification. While certain Democratic policies might be viewed critically by conservatives, framing them as stemming from inherent hatred of the country ignores the complexity of political motivations. Many Democrats argue their policies are designed to improve the lives of Americans, address social inequalities, and safeguard democratic principles. Their criticisms of specific aspects of American society are often presented as attempts at reform, not destruction. For instance, advocacy for environmental protection or social justice initiatives is frequently characterized as unpatriotic by Levin, but many see these as vital steps towards a stronger and more equitable nation.

The Role of Political Rhetoric and Polarization

It's crucial to acknowledge the role of political rhetoric in shaping public perception. Levin's strong pronouncements, while effective in mobilizing his base, contribute to the deepening polarization of American politics. Such inflammatory language can hinder productive dialogue and compromise, fostering an environment where opposing viewpoints are dismissed as inherently malicious rather than subject to reasoned debate. This hyper-partisan rhetoric often overshadows nuanced policy discussions, preventing a thorough understanding of the issues at hand.

Alternative Interpretations of Democratic Policies

Instead of viewing Democratic policies through the lens of "hate," we can analyze them based on their stated goals and intended outcomes. For example, critiques of capitalism might stem from concerns about income inequality and economic justice, not a desire to dismantle the free market entirely. Similarly, calls for criminal justice reform can be interpreted as attempts to address systemic biases and improve public safety, rather than undermining law enforcement. By engaging with the motivations behind specific policies rather than resorting to broad generalizations, a more nuanced understanding of the political landscape emerges.

The Impact of Divisive Language

The use of intensely divisive language like "hate America" has significant consequences. It fosters mistrust, intensifies political conflict, and makes it harder to find common ground. This rhetoric can even lead to real-world consequences, impacting political participation and social cohesion. It creates an environment where reasoned debate is replaced by tribalism, hindering the ability to address critical challenges facing the nation.

Conclusion

While Mark Levin's assertion that Democrats "hate America" is a powerful rhetorical device, it's ultimately a simplistic and unproductive framing of complex political disagreements. Analyzing the motivations behind Democratic policies, rather than resorting to broad, accusatory labels, allows for a more balanced and insightful understanding of the political landscape. The enduring impact of such divisive rhetoric should encourage a more thoughtful and nuanced approach to political discourse. Moving forward, fostering respectful debate and a commitment to understanding differing perspectives is critical to overcoming the challenges facing American society.

FAQs

Q1: Does Mark Levin offer evidence to support his claim? While Levin presents arguments and interpretations of events, the evidence he uses is often selectively presented and open to multiple interpretations. He rarely presents data or empirical evidence directly supporting the claim of inherent hatred.

Q2: Are all Democrats targeted by Levin's rhetoric? While his rhetoric broadly targets the Democratic Party, the specific policies and individuals he criticizes vary. Certain policies and politicians are targeted more intensely than others.

Q3: How does Levin's rhetoric impact the political discourse? His strong statements contribute to heightened polarization and hinder constructive dialogue, making it harder to find common ground on critical issues.

Q4: What alternative interpretations exist for Democratic policies? Many Democratic policies can be interpreted as attempts to address social and economic inequalities, promote environmental sustainability, and strengthen democratic institutions, not as attacks on American values.

Q5: What are the potential consequences of using such divisive language? The use of such language can foster mistrust, increase political violence, and undermine social cohesion, making it harder to address the nation's challenges.

mark levin democrats hate america: The Democrat Party Hates America Mark R. Levin, 2023-09-19 INSTANT #1 NEW YORK TIMES BESTSELLER The eight-time #1 New York Times bestselling author, radio host, and Fox News star returns to the page to reveal the radically dangerous Democrat agenda that is upending American life. In *American Marxism*, Mark Levin explained how Marxist ideology has invaded our society and culture. In doing so, he exposed the institutions, scholars, and activists leading the revolution. Now, he picks up where he left off: to hold responsible the true malefactors steering our country down the wrong path. Insightful and hard-hitting as ever, Levin proves that since its establishment, the Democrat Party has set out to rewrite history and destroy the foundation of freedom in America. More than a political party, it is the entity through which Marxism has installed its philosophy and its new revolution. As in a Thomas Paine pamphlet or a clarion call from Paul Revere, Levin alerts his fellow Americans to the

destruction this country is facing, and rallies them to defeat the threat in front of us—more looming than ever. He writes, “Every legal, legitimate, and appropriate tool and method must be employed in the short- and long- run to defeat the Democrat Party. The Democrat Party must be resoundingly conquered in the next election and several elections thereafter, or it will become extremely difficult to undo the damage it is unleashing at breakneck pace.”

mark levin democrats hate america: *American Marxism* Mark R. Levin, 2021-07-13 Fox News personality and radio talk show host Levin explains how the dangers he warned against have come to pass--

mark levin democrats hate america: Unfreedom of the Press Mark R. Levin, 2020-08-11 Six-time New York Times bestselling author, FOX News star, and radio host Mark R. Levin “trounces the news media” (The Washington Times) in this timely and groundbreaking book demonstrating how the great tradition of American free press has degenerated into a standardless profession that has squandered the faith and trust of the public. Unfreedom of the Press is not just another book about the press. In “Levin’s finest work” (Breitbart), he shows how those entrusted with news reporting today are destroying freedom of the press from within—not through actions of government officials, but with its own abandonment of reportorial integrity and objective journalism. With the depth of historical background for which his books are renowned, Levin takes you on a journey through the early American patriot press, which proudly promoted the principles set forth in the Declaration of Independence and the Constitution. This is followed by the early decades of the Republic during which newspapers around the young country were open and transparent about their fierce allegiance to one political party or another. It was only at the start of the Progressive Era and the 20th century that the supposed “objectivity of the press” first surfaced, leaving us where we are today: with a partisan party-press overwhelmingly aligned with a political ideology but hypocritically engaged in a massive untruth as to its real nature.

mark levin democrats hate america: *The Parties Versus the People* Mickey Edwards, 2012-08-22 “An urgent and engaging look at how American politics have become the founding fathers’ worst nightmare” (The Daily Beast). America’s political system is dysfunctional. We know it, yet the problem seems intractable—after every election, voters discover yet again that political “leaders” are simply quarreling in a never-ending battle between the two warring tribes. As a former congressman, Mickey Edwards witnessed firsthand how important legislative battles can devolve into struggles not over principle but over party advantage. He offers graphic examples of how this problem has intensified and reveals how political battles have become nothing more than conflicts between party machines. In this critically important book, he identifies exactly how our political and governing systems reward intransigence, discourage compromise, and undermine our democracy—and describes exactly what must be done to banish the negative effects of partisan warfare from our political system and renew American democracy. “Overcoming tribalism and knee-jerk partisanship is the central challenge of our time. Mickey Edwards shows why and how in this fascinating book filled with sensible suggestions.” —Walter Isaacson, New York Times-bestselling author of *Leonardo da Vinci* “Many Americans, whether Democrats, Republicans, independent or otherwise, would welcome a few more like [Edwards] in office.” —The Boston Globe

mark levin democrats hate america: *Why the Left Hates America* Daniel J. Flynn, 2004-09-07 The American flag stands for hatred, warmongering, and imperialism. Our free-market system is responsible for killing and oppressing millions of people. This country breeds racists and sexists. Is America really that bad? It is if you accept the lies and propaganda from the anti-American Left in our own country. This dismal, distorted view of the greatest, freest nation in history comes from a Left who would rather idolize Ho Chi Minh and Fidel Castro than honor George Washington and Thomas Jefferson, who burn down businesses and destroy property to protest free markets, and who fight alongside radical terrorists rather than against them. They trample the Constitution while hiding behind the First Amendment, and their idea of displaying the American flag is setting it on fire and parading it through the streets. Yes, this is a Left comprised of people who truly hate their country, and they will stop at nothing to tear her down—smashing our liberty in the process. Why

the Left Hates America punches a hole right through the thin veneer of political correctness that has long protected these anti-Americans—exposing their rotting, vacuous core. Author and commentator Daniel J. Flynn digs deep into the American Left and reveals why they blame every bad deed in the world on the United States, while ignoring her myriad contributions. This book cogently points out that, of course, all Americans have the right to speak their minds. But, all too often, the actions by the anti-American Left become destructive and anarchistic. You need not look any further than the explosive 1999 World Trade Organization protests in Seattle, campus book burnings, or even John Walker Lindh to see that factions on the Left are the worst perpetrators of anti-Americanism. And what may be most shocking is that many of these anti-Americans are at the same time teachers, professors, journalists, news reporters, and even judges and politicians. Probing and controversial—without devolving into jingoism—this book proves once and for all that what you see in the news and learn in school is often tainted by the anti-American Left, and it shows you what you can do to keep them at bay.

mark levin democrats hate america: Liberty and Tyranny Mark R. Levin, 2009-03-24 Don't miss syndicated radio host and author Mark Levin's #1 New York Times acclaimed and longtime bestselling manifesto for the conservative movement. When nationally syndicated radio host Mark R. Levin's Liberty and Tyranny appeared in the early months of the Obama presidency, Americans responded by making his clarion call for a new era in conservatism a #1 New York Times bestseller for an astounding twelve weeks. As provocative, well-reasoned, robust, and informed as his on-air commentary, with his love of our country and the legacy of our Founding Fathers reflected on every page, Levin's galvanizing narrative provides a philosophical, historical, and practical framework for revitalizing the conservative vision and ensuring the preservation of American society. In the face of the modern liberal assault on Constitution-based values, an attack that has resulted in a federal government that is a massive, unaccountable conglomerate, the time for reinforcing the intellectual and practical case for conservatism is now. In a series of powerful essays, Levin lays out how conservatives can counter the tyrannical liberal corrosion that has filtered into every timely issue affecting our daily lives, from the economy to health care, global warming to immigration, and more.

mark levin democrats hate america: Live Free Or Die Sean Hannity, 2020-08-04 #1 NEW YORK TIMES BESTSELLER America's top-rated cable news host offers his first book in over ten years: a look at America's fight against those who would reverse our tradition of freedom. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. With the Democratic victory in 2020, we are now at risk for a big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, "Freedom is but one generation away from extinction," and his words have never rung truer. In Live Free or Die, Sean demonstrates why now is an All Hands on Deck moment to save the Republic.

mark levin democrats hate america: Breaking the News Alex Marlow, 2021-05-18 From the editor in chief of Breitbart News, the New York Times bestselling "must-read" (Sean Hannity) investigation into how the establishment media became weaponized against Donald Trump and his supporters on behalf of the political left. In this timely and "important book" (Glenn Beck), Marlow explains how the establishment press destroyed its own credibility with a relentless stream of "fake news" designed to smear Donald Trump and his supporters while advancing a leftist agenda. He also reveals key details on how our information gatekeepers truly operate and why America's "fake news" moment might never end. Breitbart—and Trump—began banging the drum about "fake news" during the 2016 election, and it resonated with millions of voters because they intuitively knew the

corporate media was willing to say or write anything to achieve their political ends. It's a battle cry that continues to this day. Deeply researched and eye-opening, *Breaking the News* rips back the curtain on the inner workings of how the establishment media weaponizes information to achieve their political and cultural ends.

mark levin democrats hate america: *The Corruption of Interest* Ron Gallo, 2023-10-10 This book I consider one of my best and most intense. The false truth about what's going on in our society, and the world, has gotten so ridiculous, that I felt I had to write this to advise believers and non-believers the truth as Jesus states in the word, in John 14:6 & 8:32. It was upsetting me that the truth was not coming from the politicians and from the pulpit. It took President Trump (thank God for sending him), to expose the corrupt state wide media, and the corruption in Washington D.C. I give the plain truth, from the word not only about the evil Demoncrats, but I also talk about subjects like religion, race, crime, etc. topics that most people will not talk about, because they are afraid there not "politically correct". I don't have to be politically correct; I have to be Biblically correct, this is Gods world, not Washingtons. I start off with Interest, which God meant for good, but man has corrupted it. Did you know that you can learn from a spider how to be closer to God and live a more fulfilled Christian life of discipleship? Did you know you can learn from the child and the dog about yourself? There are many other gems wisdom that you will love and learn from. In my other books you can find on Amazon you would get a great blessing as well. There are the three volumes on "Balance, The Spider and the Saint, When I look up, and the childrens book, "Charlie the Spider and friends. I wrote them differently then other books out there. There are jokes, stories, quotes, to keep you entertained. Be Blessed my find, enjoy my books, but your relationship with God is even greater, that's first Priority. Thank you for reading this text, and enjoy my friend. See you on the way up.

mark levin democrats hate america: *Congressional Record* United States. Congress, 1968

mark levin democrats hate america: *Con Job* Crystal Wright, 2016-01-11 The Democrat Party likes to pose as the party of compassion. But where is the compassion in sanctuary cities that allow foreign criminals to prey on innocent Americans? Where is the compassion in encouraging envy and lawlessness? Crystal Wright isn't falling for the liberal con job any longer. A one-time (2008) Obama supporter herself—and now a totally fearless Conservative Black Chick—Wright blows the whistle on the Democrat Party and its policies that are destroying America. In *Con Job* you'll learn why Democrat politicians have no problem with inner-city riots; why Democrats so fervently defend Planned Parenthood, how Democrats are remaking America through massive immigration and more. The 2016 presidential election is set to be one of the most consequential in American history—and Crystal Wright's book is the one you need to help friends and family avoid falling for the Democrat con job yet again.

mark levin democrats hate america: *Liberal Privilege* Donald Trump, Jr., 2020-08-25

mark levin democrats hate america: *After America* Mark Steyn, 2012-09-18 Argues that President Barack Obama is a dangerous radical who wants not only big government, but the Europeanization of the United States, and explains how citizens can roll back the liberal establishment and return to fundamental American values.

mark levin democrats hate america: *Why We're Polarized* Ezra Klein, 2020-01-28 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2022 One of Bill Gates's "5 books to read this summer," this New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's working exactly as designed. In this "superbly researched" (The Washington Post) and timely book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. "The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face," writes political analyst Ezra Klein. "We are a collection of functional parts whose efforts combine into a dysfunctional whole." "A thoughtful, clear and persuasive analysis" (The New York Times Book Review), *Why We're Polarized* reveals the structural and psychological forces behind America's descent into division and dysfunction. Neither a polemic nor a lament, this book offers a clear framework for understanding everything from

Trump's rise to the Democratic Party's leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the 20th century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. "Well worth reading" (New York magazine), this is an "eye-opening" (O, The Oprah Magazine) book that will change how you look at politics—and perhaps at yourself.

mark levin democrats hate america: *Above the Law* Matthew Whitaker, 2020-05-19 Matthew Whitaker came to Washington to serve as chief of staff to Attorney General Jeff Sessions, and following Sessions's resignation, he was appointed Acting Attorney General of the United States. A former football player at the University of Iowa who had been confirmed by the Senate as a U.S. Attorney, Whitaker was devoted to the ideals of public service and the rule of law. But what he found when he led the Department of Justice on behalf of President Trump were bureaucratic elites with an agenda all their own. The Department of Justice had been steered off course by a Deep State made up of Washington insiders who saw themselves as above the law. Recklessly inverting, bending, and breaking the law to achieve their own political goals, they relentlessly undermined the Constitution by flaunting the rightful authority of a President they despised. Whitaker was an outsider with a desire to see justice done and democracy work. In his straightforward new book, *Above the Law*, he provides a stunning account of what he found in the swamp that is Washington. Whitaker reveals: • How former FBI Director James Comey and top figures in the Justice Department openly worked against President Trump • How the Deep State relies on the complicity of the mainstream media to achieve its ends • How the Deep State—drawing on elite universities and corporate law firms—perpetuates itself, keeping a small clique of people in power to ensure that nothing ever changes • How Robert Mueller's investigation into alleged Russian collusion quickly concluded there was no evidence of wrong-doing by the President or his campaign but nevertheless produced a massive report that was intended as an act of political subversion If you had any doubts that the Deep State actually exists, that it perpetuates a government of insiders, and that it inexorably pursues a political agenda of its own, then you will find Whitaker's first-person account eye-opening and utterly convincing.

mark levin democrats hate america: *American Resistance* Dana R. Fisher, 2019-11-05 Since Donald Trump's first day in office, a large and energetic grassroots "Resistance" has taken to the streets to protest his administration's plans for the United States. Millions marched in pussy hats on the day after the inauguration; outraged citizens flocked to airports to declare that America must be open to immigrants; masses of demonstrators circled the White House to demand action on climate change; and that was only the beginning. Who are the millions of people marching against the Trump administration, how are they connected to the Blue Wave that washed over the U.S. Congress in 2018—and what does it all mean for the future of American democracy? *American Resistance* traces activists from the streets back to the communities and congressional districts around the country where they live, work, and vote. Using innovative survey data and interviews with key players, Dana R. Fisher analyzes how Resistance groups have channeled outrage into activism, using distributed organizing to make activism possible by anyone from anywhere, whenever and wherever it is needed most. Beginning with the first Women's March and following the movement through the 2018 midterms, Fisher demonstrates how the energy and enthusiasm of the Resistance paid off in a wave of Democratic victories. She reveals how the Left rebounded from the devastating 2016 election, the lessons for turning grassroots passion into electoral gains, and what comes next. *American Resistance* explains the organizing that is revitalizing democracy to counter Trump's presidency.

mark levin democrats hate america: Plunder and Deceit Mark R. Levin, 2015-08-04 #1 New York Times bestselling author and radio host Mark R. Levin delivers a bracing meditation" (National Review) on the ways our government has failed the next generation. In modern America, the civil society is being steadily devoured by a ubiquitous federal government. But as the government grows into an increasingly authoritarian and centralized federal Leviathan, many parents continue to tolerate, if not enthusiastically champion, grievous public policies that threaten their children and successive generations with a grim future at the hands of a brazenly expanding and imploding entitlement state poised to burden them with massive debt, mediocre education, waves of immigration, and a deteriorating national defense. Yet tyranny is not inevitable. In Federalist 51, James Madison explained with cautionary insight the essential balance between the civil society and governmental restraint: "In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and in the next place oblige it to control itself." This essential new book is, against all odds, a likeminded appeal to reason and audacity—one intended for all Americans but particularly the rising generation. Younger people must find the personal strength and will to break through the cycle of statist manipulation, unrelenting emotional overtures, and the pressure of groupthink, which are humbling, dispiriting, and absorbing them; to stand up against the heavy hand of centralized government, which if left unabated will assuredly condemn them to economic and societal calamity. Levin calls for a new civil rights movement, one that will foster liberty and prosperity and cease the exploitation of young people by statist masterminds. He challenges the rising generation of younger Americans to awaken to the cause of their own salvation, asking: will you acquiesce to a government that overwhelmingly acts without constitutional foundation—or will you stand in your own defense so that yours and future generations can live in freedom?

mark levin democrats hate america: Ameritopia Mark R. Levin, 2012-01-17 In his acclaimed #1 New York Times bestseller, Mark R. Levin explores the psychology, motivations, and history of the utopian movement, its architects—the Founding Fathers, and its modern-day disciples—and how the individual and American society are being devoured by it. Levin asks, what is this utopian force that both allures a free people and destroys them? Levin digs deep into the past and draws astoundingly relevant parallels to contemporary America from Plato's Republic, Thomas More's Utopia, Thomas Hobbes's Leviathan, and Karl Marx's Communist Manifesto, as well as from the critical works of John Locke, Charles Montesquieu, Alexis de Tocqueville, and other philosophical pioneers who brilliantly diagnosed the nature of man and government. As Levin meticulously pursues his subject, the reader joins him in an enlightening and compelling journey. And in the end, Levin's message is clear: the American republic is in great peril. The people must now choose between utopianism or liberty. President Ronald Reagan warned, "freedom is never more than one generation away from extinction." Levin agrees, and with Ameritopia, delivers another modern political classic, an indispensable guide for America in our time and in the future.

mark levin democrats hate america: 25 Lies Vince Everett Ellison, 2022-01-11 Vince Ellison is America's most fearless truth teller. Agree or disagree with his thesis, open-minded readers must grapple with the persuasive power of his arguments, his mastery of facts, and his passionate love for mankind and our Creator. As a young man, Ellison began his career in the belly of the beast—as a prison guard working in the worst cellblock imaginable—the one housing mass murderers, rapists, child molesters, and others who would never be released, and whose crimes would never be redeemed in this world. Vince Ellison saw the face of evil up close. He knows it like few of us ever could. And it was to his dismay and sadness that he has seen that same evil later in life. This time, not in the faces of hardened, incarcerated criminals. But rather in the eyes of the leaders of the Democratic party. In this stunningly persuasive work, Vince marshals his own experience and couples it with a learned and original analysis to conclude that the leaders of America's "progressive" party aren't just wrong on their policy stances—they are deliberately and intently destructive. Ellison painstakingly dismantles the twenty-five lies underlying Democratic policies and arguments, and provides readers with the tools they need to understand and refute these myths and

deceptions. Finally, Ellison implores his fellow Americans and Christians to open their eyes to the damage being done to the nation's heart and soul in the name of progressivism.

mark levin democrats hate america: *Liars, Leakers, and Liberals* Jeanine Pirro, 2018-07-17
Get the story the Fake News media doesn't want you to hear in the #1 New York Times bestseller: a withering indictment of the Deep State plot against Trump and a firsthand account of the real presidency, based on interviews with the Trump family and top administration officials. At this point in American history, we are the victims of a liberal sabotage of the presidency unlike anything we've ever witnessed. Nevertheless President Trump continues to fight every day to keep his promise to Make America Great Again. Today that bold idea has already led to a conservative judge on the Supreme Court, tax reform, and deregulation that has unleashed an economy stronger than anyone could have imagined. But there are dark forces that seek to obstruct and undermine the president and reverse the results of the 2016 presidential election. They are part of a wide-ranging conspiracy that would seem incredible if it weren't being perpetrated openly. Driven by ambition, blinded by greed, and bound by a common goal -- to unseat the 45th President of the United States -- this cabal is determined to maintain its wrongful hold on national political power. Fox News host Jeanine Pirro uncovers the elements of this conspiracy, including: Fake news propaganda, Law enforcement corruption at the highest levels, National security leaks by the intelligence community, Bureaucratic resistance to lawful and constitutional executive orders issued by the duly elected president, Crooked deals with foreign governments by U.S. officials sworn to defend our Constitution. It's about time the American public knows the truth about the plot to bring down the Trump presidency. By the time you've finished this book, you'll agree with Judge Pirro that the only way to stop these hoodlums is to Take Them Out in Cuffs!

mark levin democrats hate america: *Guilty* Ann Coulter, 2009-01-06 "Liberals seem to have hit upon a reverse Christ story as their belief system. He suffered and died for our sins; liberals make the rest of us suffer for sins we didn't commit." Who are the victims here? To hear liberals tell it, you'd think they do nothing but suffer at the hands of ruthless entities like the "Republican Attack Machine" and Fox News. Really? It's just another instance of the Big Lie, of course, told so often that some people have actually started to believe it. In *Guilty*, Ann Coulter explodes this myth to reveal that when it comes to bullying, no one outdoes the Left. Citing case after case, ranging from the hilariously absurd to the shockingly vicious, Coulter dissects these so-called victims who are invariably the oppressors. For instance: •Single mothers: Getting pregnant isn't like catching the flu. There are volitional acts involved--someone else explain it to Dennis Kucinich. By this purposeful act, single mothers cause irreparable harm to other human beings--their own children--as countless studies on the subject make clear. •The myth of the Republican Attack Machine: The most amazing thing liberals have done is create the myth of a compliant right-wing media with Republicans badgering baffled reporters into attacking Democrats. It's so mad, it's brilliant. It's one kind of lie to say the Holocaust occurred when the Swedes killed the Jews. But it's another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis. •"Brave" liberals: In addition to being beautiful, compassionate tribunes of the downtrodden, liberals are brave. I know that because they're always telling me how brave they are. Why, five nights a week, MSNBC's Keith Olbermann courageously books guests who completely agree with him. It doesn't get much braver than that. •Obambi's luck: While B. Hussein Obama piously condemned attacks on candidates' families, his media and campaign surrogates ripped open the court-sealed divorce records of his two principal opponents in his Senate race in Illinois. •The offenders are offended!: Republican senator George Allen's career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops. When did rich kids become a new protected category that must be shielded from words that are insulting in other languages? How did Sidarth become a specially anointed victim? What did we ever do to India? And why didn't we ever hear about the far more offensive anti-Semitic flyers of Allen's opponent Jim Webb? One essential and recurring truth about self-righteous liberals, says Coulter, is that "they viciously attack all while wailing that they are the true victims." With *Guilty*--a mordantly witty and shockingly specific catalog of offenses that liberals

would rather we ignore and forget-Ann Coulter presents exhibits A through Z.

mark levin democrats hate america: *Power Grab* Jason Chaffetz, 2019-09-03 A New York Times Bestseller. How much damage will the Democrats do to our republic in the name of saving it? In the years he served on and eventually chaired the United States House Committee on Oversight and Government Reform, Jason Chaffetz gained crucial insight into the inner workings of D.C. Things were bad then, but during the Trump administration, liberals have reached a new level of hysteria and misconduct. Democrat anger has grown so irrational that it has burst through the constitutional guardrails which protect our institutions and our republic. While they constantly label the right "fascist," the left imposes policies which suppress speech, limit freedom, and empower federal bullies. In *Power Grab*, Chaffetz pulls back the curtain on the world of hypocrisy, political intrigue, and procedural malfeasance that is Washington D.C. With stories you won't read anywhere else, he shows how the left weaves false narratives, drums up investigations in search of a crime, and refuses to direct congressional oversight towards its appropriate target: the government. Democrats weaponize nonprofit advocacy groups and monetize partisan anger to line the pockets of their political allies. They use "voter enrollment" as a smokescreen to hide their plans to destabilize free elections and seek to politicize federal agencies like the Federal Election Commission, the IRS, and the Department of Justice. It shouldn't be this way. Democrats have abandoned the wisdom set forth in the Constitution for short-term political wins. *Power Grab* shows the lengths to which Democrats will go to maintain their grip on power, and how the only thing that will stop them is a return to our founding principles.

mark levin democrats hate america: *Rediscovering Americanism* Mark R. Levin, 2017-06-27 From #1 New York Times bestselling author and radio host Mark R. Levin comes a searing plea for a return to America's most sacred values. In *Rediscovering Americanism*, Mark R. Levin revisits the founders' warnings about the perils of overreach by the federal government and concludes that the men who created our country would be outraged and disappointed to see where we've ended up. Levin returns to the impassioned question he's explored in each of his bestselling books: How do we save our exceptional country? Because our values are in such a precarious state, he argues that a restoration to the essential truths on which our country was founded has never been more urgent. Understanding these principles, in Levin's words, can "serve as the antidote to tyrannical regimes and governments." *Rediscovering Americanism* is not an exercise in nostalgia, but an appeal to his fellow citizens to reverse course. This essential book brings Levin's celebrated, sophisticated analysis to the troubling question of America's future, and reminds us what we must restore for the sake of our children and our children's children.

mark levin democrats hate america: *Revolution* KT McFarland, 2020-02-25 When Trump's first Deputy National Security Advisor left Washington, she disappeared from sight. Now former government official and political commentator KT McFarland returns with tenacity, resolve, and the truth about the Trump Administration and those seeking to destroy it. For decades, KT McFarland has been one of the country's most prominent conservative foreign policy experts. She was part of the Trump Revolution from the beginning. As Trump's first Deputy National Security Advisor, she had a seat at the table for everything: Trump's unconventional campaign and upset victory; his throw-out-the-rule-book Trump Tower Transition; the chaotic first months in the West Wing; the unusual events surrounding General Flynn's firing; and the sprawling Mueller investigation. In *Revolution*, she walks the reader through the Washington Establishment's relentless efforts to destroy Trump, populism, and nationalism in order to keep their own hands on the levers of power. The Trump Revolution, like the Reagan Revolution and all the anti-Establishment political revolutions before it, will ultimately prevail. It is this ability to reinvent ourselves, not just as individuals but as a society, that lies at the heart of American Exceptionalism. When McFarland left the Trump Administration and Washington, she disappeared from public view and refused to discuss her experiences. Now, for the first time, McFarland tells a story that reads more like a political thriller than a tour through this unique moment in history. Written with unusual candor, with insights into Trump and his inner circle, Putin, Xi Jinping, and Kim Jong-un, McFarland's book is

destined to become a classic. If you only read one book about the Age of Trump, make it *Revolution: Trump, Washington and "We the People."*

mark levin democrats hate america: *Hillary's America* Dinesh D'Souza, 2016-07-18 A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

mark levin democrats hate america: American Stutter: 2019-2021 STEVE. ERICKSON, 2022-04-05 As Jonathan Lethem put, Steve Erickson's journal of the last 18 months of the Trump Presidency sears the page. Erickson, one of our finest novelists, has long been an astute political observer, and *American Stutter*, part political declaration, part humorous account of more personal matters, offers a particularly moving reminder of the democratic ideals that we are currently struggling to preserve. Written with wit, eloquence, and a controlled fury as events unfold, Erickson has left us with an essential record of our recent history, a book to be read with our collective breath held.* Steve Erickson is the author of ten novels and two books about American culture. For 12 years he was founding editor of the national literary journal *Black Clock*. Currently he is the film/television critic for *Los Angeles* magazine and a Distinguished Professor at the University of California, Riverside. He has received a Guggenheim fellowship, the American Academy of Arts and Letters award, and the Lannan Lifetime Achievement award.

mark levin democrats hate america: Countdown to Socialism Devin Nunes, 2020-09-15 The Democratic Party has changed beyond recognition. Once the party of anti-communism and tax-cutting under President Kennedy, it is now dominated by a surging socialist movement and led by a presidential candidate who vows to "transform" America. On a near-daily basis, the Democrats are issuing radical proposals to socialize medicine, industry, and higher education. So how can the Democrats win elections when their agenda is so far to the left of the American people? That's easy—it's because the means of public debate are being manipulated. In *Countdown to Socialism*, Congressman Devin Nunes exposes the nexus between the Democratic Party, the mainstream media, and the social media corporations. These three entities cooperate to blast out the Democrats' message and downplay their extremism while suppressing and censoring conservative points of view. Tens of millions of Americans are only seeing one side of the debate. The information they get from newspapers and social media is not "news"—it's contrived content designed to help one political party and punish its opponents. In the run-up to the most consequential election of our lifetime, read this book to learn how your information is being skewed and regulated to force America onto the path to socialism.

mark levin democrats hate america: A Power Governments Cannot Suppress Howard Zinn, 2007 *A Power Governments Cannot Suppress* is Howard Zinn's major new collection of essays on American history, class, immigration, justice, and ordinary citizens who have made a difference.

mark levin democrats hate america: A Time to Build Yuval Levin, 2020-01-21 A leading conservative intellectual argues that to renew America we must recommit to our institutions. Americans are living through a social crisis. Our politics is polarized and bitterly divided. Culture wars rage on campus, in the media, social media, and other arenas of our common life. And for too many Americans, alienation can descend into despair, weakening families and communities and even driving an explosion of opioid abuse. Left and right alike have responded with populist anger at our institutions, and use only metaphors of destruction to describe the path forward: cleaning house, draining swamps. But, as Yuval Levin argues, this is a misguided prescription, rooted in a defective diagnosis. The social crisis we confront is defined not by an oppressive presence but by a debilitating absence of the forces that unite us and militate against alienation. As Levin argues, now is not a time to tear down, but rather to build and rebuild by committing ourselves to the institutions around us. From the military to churches, from families to schools, these institutions provide the forms and structures we need to be free. By taking concrete steps to help them be more trustworthy, we can renew the ties that bind Americans to one another.

mark levin democrats hate america: The New Hate Arthur Goldwag, 2012-02-07 From "Birthers" who claim that Barack Obama was not born in the United States to counter-jihadists who

believe that the Constitution is in imminent danger of being replaced with Sharia law, conspiratorial beliefs have become an increasingly common feature of our public discourse. In this deeply researched, fascinating exploration of the ideas and rhetoric that have animated extreme, mostly right-wing movements throughout American history, Arthur Goldwag reveals the disturbing pattern of fear-mongering and demagoguery that runs through the American grain. The New Hate takes readers on a surprising, often shocking, sometimes bizarrely amusing tour through the swamps of nativism, racism, and paranoid speculations about money that have long thrived on the American fringe. Goldwag shows us the parallels between the hysteria about the Illuminati that wracked the new American Republic in the 1790s and the McCarthyism that roiled the 1950s, and he discusses the similarities between the anti-New Deal forces of the 1930s and the Tea Party movement today. He traces Henry Ford's anti-Semitism and the John Birch Society's "Insiders" back to the notorious Protocols of the Elders of Zion, and he relates white supremacist nightmares about racial pollution to nineteenth-century fears of papal plots. "The most salient feature of what I have come to call the New Hate," Goldwag writes, "is its sameness across time and space. The most depressing thing about the demagogues who tirelessly exploit it—in pamphlets and books and partisan newspapers two centuries ago, on Web sites, electronic social networks, and twenty-four-hour cable news today—is how much alike they all turn out to be."

mark levin democrats hate america: Rescuing Sprite Mark R. Levin, 2008-09-04 In 1998, Mark and his family welcomed into their lives a half-Border Collie/half-Cocker Spaniel they named Pepsi. Six years later, his wife and two children persuaded Mark to adopt a dog from the local shelter, a Spaniel mix, the most beautiful dog they'd ever seen. They named him Sprite. Their lives would never be the same. Sprite and Pepsi became fast friends; they did everything together. The Levin family fell in love with Sprite. But on Hallowe'en night, three weeks after joining the family, their beloved dog collapsed and had to be rushed to the vet. It was the first of many such visits and a long journey for the Levin family, filled with joy and anguish. Sprite's health deteriorated, even as his spirits remained high and his gentle nature continued to inspire the family and the local community. Towards the end of last year, 2006, the Levin family said their last emotional goodbye. Consumed with grief, Mark turned to family, friends and fans of his radio show for help. Then new hope came when the Levins least expected it...

mark levin democrats hate america: Rising Fascism in America Anthony R. DiMaggio, 2021-12-30 Rising Fascism in America: It Can Happen Here explores how rising fascism has infiltrated U.S. politics—and how the media and academia failed to spot its earlier rise. Anthony R. DiMaggio spotlights the development of rightwing polarization of the media, Trump's political ascendance, and the prominence of extremist activists, including in Congress. Fascism has long bubbled under the surface until the coup attempt of January 6th, 2021. This book offers tactics to combat fascism, exploring social movements such as Antifa and Black Lives Matter in mobilizing the public. When so little scholarship engages the question of fascism, Anthony R. DiMaggio combines the rigor of academic analysis with an accessible style that appeals to student and general readers.

mark levin democrats hate america: The Trouble with Reality Brooke Gladstone, 2017-05-16 Every week on the public radio show On the Media, the award-winning journalist Brooke Gladstone analyzes the media and how it shapes our perceptions of the world. Now, from her front-row perch on the day's events, Gladstone brings her genius for making insightful, unexpected connections to help us understand what she calls—and what so many of us can acknowledge having—"trouble with reality." Reality, as she shows us, was never what we thought it was—there is always a bubble, people are always subjective and prey to stereotypes. And that makes reality actually more vulnerable than we ever thought. Enter Donald J. Trump and his team of advisors. For them, as she writes, lying is the point. The more blatant the lie, the easier it is to hijack reality and assert power over the truth. Drawing on writers as diverse as Hannah Arendt, Walter Lippmann, Philip K. Dick, and Jonathan Swift, she dissects this strategy, straight out of the authoritarian playbook, and shows how the Trump team mastered it, down to the five types of tweets that Trump uses to distort our notions of what's real and what's not. And she offers hope. There is meaningful action, a time-tested

treatment for moral panic. And there is also the inevitable reckoning. History tells us we can count on it. Brief and bracing, *The Trouble with Reality* shows exactly why so many of us didn't see it coming, and how we can recover both our belief in reality—and our sanity.

mark levin democrats hate america: Slander Ann Coulter, 2003-09-16 The hottest and most controversial book of the year! Find out who really controls the media in America. "[Ann Coulter] is never in doubt. And that, along with her bright writing, sense of irony and outrage, and her relish at finally hitting back at political opponents (especially in the media) is what makes *Slander* such refreshing and provocative reading." —Los Angeles Times "[Ann Coulter] is a fluent polemicist with a gift for Menckenesque invective . . . and she can harness such language to subtle, syllogistic argument." —Washington Post Book World "The most popular nonfiction book in America." —New York Times "The real value of *Slander* . . . is not in the jokes or devastating exposés of liberal politicians and their allies, but the serious and scholarly study of just how entrenched the media prejudice is against anyone whose politics are even faintly conservative." —New York Sun "Written with a great deal of passion . . . the real source of its strength—and its usefulness—was its painstaking marshalling of evidence . . . More important than [High Crimes and Misdemeanors] because it addresses a much broader issue, and one of lasting significance." —National Review

mark levin democrats hate america: Blitz David Horowitz, 2020-06-16 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER USA TODAY BESTSELLER 'BLITZ, Trump Will Smash the Left and Win', by David Horowitz. Amazon #1 Bestseller. Hot book, great author! — President Donald J. Trump BUCKLE UP—2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! "We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted." — Rush Limbaugh He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure." — Glenn Beck "If you're interested in debating deranged liberals with facts, you won't want to miss this latest book." — Donald Trump, Jr. "BLITZ is a MUST-read for those who want to better understand what is really happening in the 'idea war' for the soul of America." — Governor Mike Huckabee BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks—targeting a man whose mission has been to "Drain the Swamp" and "Make America Great Again" backfired, turning Trump himself into a near martyr while igniting the fervor of his "base." With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You'll discover the left's terrifying socialist and, in some cases, communist agendas as you've never seen them before. Trump's response? In the meantime, he's going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became "white nationalism" linking Trump to Hitler and the KKK. The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama's agenda: how the former president casts a much greater shadow over Trump's political woes than you ever imagined. The Genius: how Trump's brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left's strategy to take down Trump, and how Trump not only beat them at their own game, but how he's turning the tables on them to achieve a stunning reelection win come November. "An indispensable book—BLITZ— explaining why today's Democrats are so dangerous and why President Trump is their nemesis." — Mark R. Levin, New York Times

bestselling author of Unfreedom of the Press “BLITZ is the latest must-read from Horowitz: insightful, hard-hitting, controversial, and uncompromising. Ignore him at your peril.” — Peter Schweizer, New York Times bestselling author of Clinton Cash and Profiles in Corruption “This is the book your anti-Trump relatives and friends should read...as clear a moral indictment of the anti-Trump left as has been written.” — Dennis Prager, President of PragerU and New York Times bestselling author “Unparalleled insight into the current political climate, how we got here and what it means for 2020 elections.” — Sean Spicer, Host of Spicer & Co., Newsmax TV “Horowitz understands the left's malevolent goals and how to stop them. This is a must read-book!” — Charlie Kirk, New York Times bestselling author of The MAGA Doctrine “[David Horowitz] author and political activist believes President Donald Trump should focus on the issue of keeping Americans safe to help secure his re-election in the fall.” – One News Now

mark levin democrats hate america: All American Christmas Rachel Campos-Duffy, Sean Duffy, 2021-11-16 A #1 NEW YORK TIMES BESTSELLER! Pull up a chair, pour some eggnog, and enjoy the Christmas spirit with friends... From the wind-swept, snowy ranges of Wyoming to Florida beaches glowing with Christmas lights, All American Christmas traces holiday traditions across the United States. In this beautiful personal keepsake, Rachel Campos-Duffy and Sean Duffy present a dazzling collection of emotional stories, treasured family photographs, and homegrown Christmas recipes from some of Fox News' most beloved personalities. Dana Perino takes readers out west to the cattle ranch where she celebrated Christmas with real life “Marlboro Men”—her uncles and grandfather. Maria Bartiromo reflects on growing up in Brooklyn and the famously brilliant light displays in her neighborhood. Brit Hume looks back at the day he and a friend rushed onto the Washington Senators' field—and how his parents later warned him that he was now on Santa Claus' naughty list. For Lauren Green, her understanding of Christmas has evolved with her growing faith. Beautifully designed to reflect the color and spirit and sparkle of the season and featuring 16 pages of color photographs, All American Christmas is a gift of love from the Fox News family and is sure to be cherished for seasons to come.

mark levin democrats hate america: Republican Like Me Ken Stern, 2017-10-24 In this controversial National Bestseller, the former CEO of NPR sets out for conservative America wondering why these people are so wrong about everything. It turns out, they aren't. Ken Stern watched the increasing polarization of our country with growing concern. As a longtime partisan Democrat himself, he felt forced to acknowledge that his own views were too parochial, too absent of any exposure to the “other side.” In fact, his urban neighborhood is so liberal, he couldn't find a single Republican—even by asking around. So for one year, he crossed the aisle to spend time listening, talking, and praying with Republicans of all stripes. With his mind open and his dial tuned to the right, he went to evangelical churches, shot a hog in Texas, stood in pit row at a NASCAR race, hung out at Tea Party meetings and sat in on Steve Bannon's radio show. He also read up on conservative wonkery and consulted with the smartest people the right has to offer. What happens when a liberal sets out to look at issues from a conservative perspective? Some of his dearly cherished assumptions about the right slipped away. Republican Like Me reveals what lead him to change his mind, and his view of an increasingly polarized America.

mark levin democrats hate america: The Big Lie Dinesh D'Souza, 2017-07-31 Of course, everything [D'Souza] says here is accurate... But it's not going to sit well with people on the American left who, of course, are portraying themselves as the exact opposite of all of this. —RUSH LIMBAUGH The explosive new book from Dinesh D'Souza, author of the #1 New York Times bestsellers Hillary's America, America, and Obama's America. What is the big lie of the Democratic Party? That conservatives—and President Donald Trump in particular—are fascists. Nazis, even. In a typical comment, MSNBC host Rachel Maddow says the Trump era is reminiscent of what it was like when Hitler first became chancellor. But in fact, this audacious lie is a complete inversion of the truth. Yes, there is a fascist threat in America—but that threat is from the Left and the Democratic Party. The Democratic left has an ideology virtually identical with fascism and routinely borrows tactics of intimidation and political terror from the Nazi Brownshirts. To cover up their insidious

fascist agenda, Democrats loudly accuse President Trump and other Republicans of being Nazis—an obvious lie, considering the GOP has been fighting the Democrats over slavery, genocide, racism and fascism from the beginning. Now, finally, Dinesh D'Souza explodes the Left's big lie. He expertly exonerates President Trump and his supporters, then uncovers the Democratic Left's long, cozy relationship with Nazism: how the racist and genocidal acts of early Democrats inspired Adolf Hitler's campaign of death; how fascist philosophers influenced the great 20th century lions of the American Left; and how today's anti-free speech, anti-capitalist, anti-religious liberty, pro-violence Democratic Party is a frightening simulacrum of the Nazi Party. Hitler coined the term the big lie to describe a lie that the great masses of the people will fall for precisely because of how bold and monstrous the lie is. In *The Big Lie*, D'Souza shows that the Democratic Left's orchestrated campaign to paint President Trump and conservatives as Nazis to cover up its own fascism is, in fact, the biggest lie of all.

mark levin democrats hate america: Men in Black Mark R. Levin, 2006-09-25 A modern conservative classic. - Sean Hannity *Men in Black* couldn't be more timely or important....a tremendously important and compelling book." - Rush Limbaugh "One of the finest books on the Constitution and the judiciary I've read in a long time....There is no better source for understanding and grasping the seriousness of this issue." - Edwin Meese III "The Supreme Court has broken through the firewalls constructed by the framers to limit judicial power." "America's founding fathers had a clear and profound vision for what they wanted our federal government to be," says constitutional scholar Mark R. Levin in his explosive book, *Men in Black*. "But today, our out-of-control Supreme Court imperiously strikes down laws and imposes new ones to suit its own liberal whims--robbing us of our basic freedoms and the values on which our country was founded." In *Men in Black: How the Supreme Court Is Destroying America*, Levin exposes countless examples of outrageous Supreme Court abuses, from promoting racism in college admissions, expelling God and religion from the public square, forcing states to confer benefits on illegal aliens, and endorsing economic socialism to upholding partial-birth abortion, restraining political speech, and anointing terrorists with rights. Levin writes: "Barely one hundred justices have served on the United States Supreme Court. They're unelected, they're virtually unaccountable, they're largely unknown to most Americans, and they serve for life...in many ways the justices are more powerful than members of Congress and the president.... As few as five justices can and do dictate economic, cultural, criminal, and security policy for the entire nation." In *Men in Black*, you will learn: How the Supreme Court protects virtual child pornography and flag burning as forms of free speech but denies teenagers the right to hear an invocation mentioning God at a high school graduation ceremony because it might be "coercive." How a former Klansman and virulently anti-Catholic Supreme Court justice inserted the words "wall of separation" between church and state in a 1947 Supreme Court decision--a phrase repeated today by those who claim to stand for civil liberty. How Justice Harry Blackmun, a one-time conservative appointee and the author of *Roe v. Wade*, was influenced by fan mail much like an entertainer or politician, which helped him to evolve into an ardent activist for gay rights and against the death penalty. How the Supreme Court has dictated that illegal aliens have a constitutional right to attend public schools, and that other immigrants qualify for welfare benefits, tuition assistance, and even civil service jobs.
