

# memorandum for record army example wlc

**memorandum for record army example wlc** is an essential topic for Army personnel, especially those participating in the Warrior Leader Course (WLC). This article provides a comprehensive guide on how to draft and utilize a Memorandum for Record (MFR) within the context of Army procedures and WLC requirements. Readers will learn about the purpose, structure, and formatting of an MFR, see real-world examples, and understand best practices for creating effective documentation. The article also covers common mistakes to avoid and tips for ensuring your memorandum meets Army standards. By the end, readers will be equipped with the knowledge needed to write, review, and submit a professional MFR, enhancing their administrative skills and readiness for leadership roles. This guide is designed to be informative, practical, and easy to follow for all levels of Army personnel.

- Understanding the Memorandum for Record in the Army
- Importance of MFRs in the Warrior Leader Course (WLC)
- Standard Structure and Formatting of an Army Memorandum for Record
- Detailed Example: Memorandum for Record Army Example WLC
- Best Practices for Writing Effective MFRs
- Common Mistakes to Avoid in Army Memorandums
- Frequently Asked Questions and Answers

## Understanding the Memorandum for Record in the Army

The Memorandum for Record (MFR) is a vital document within Army administrative processes. It serves as an official record of actions, decisions, or events that do not require a formal letter or report. The MFR is widely used to document meetings, training events, policy changes, and any situation where an official record is necessary. By maintaining clear and concise memorandums, Army personnel ensure accountability and transparency in operations. MFRs are particularly important for junior leaders and NCOs, as they help track progress and establish a paper trail for significant activities.

## Key Functions of a Memorandum for Record

- Documents decisions and actions taken
- Serves as a reference for future operations
- Provides evidence for accountability

- Ensures clarity in communication
- Supports compliance with Army regulations

## **Importance of MFRs in the Warrior Leader Course (WLC)**

The Warrior Leader Course (WLC), now known as Basic Leader Course (BLC), is a foundational program for Army Noncommissioned Officers (NCOs). During WLC, students are required to demonstrate proficiency in leadership, communication, and administrative duties. Memorandum for Record army example WLC documents play a crucial role in evaluating a student's ability to communicate formally and maintain records. MFRs submitted in WLC exercises are reviewed for structure, clarity, and adherence to Army standards, impacting the overall assessment of leadership skills.

### **Why MFRs Matter in WLC**

- Showcases attention to detail
- Evaluates written communication skills
- Demonstrates understanding of Army protocols
- Prepares NCOs for administrative responsibilities
- Supports documentation requirements in leadership scenarios

## **Standard Structure and Formatting of an Army Memorandum for Record**

Army memorandums follow a standardized format to ensure uniformity and professionalism. When drafting a memorandum for record army example wlc, adherence to this format is crucial. Key components include the heading, subject line, body, closing, and authentication. Each section must be clear and concise, following Army Regulation (AR) 25-50 guidelines for correspondence.

### **Required Elements of an Army Memorandum**

1. Office Symbol and Date
2. MEMORANDUM FOR line (recipient or file)
3. Subject line (all caps, concise)

4. Body paragraphs (purpose, details, action)
5. Closing statement (summary or action required)
6. Signature block (name, rank, duty position)

## **Tips for Proper Formatting**

- Use single-spacing within paragraphs and double-spacing between paragraphs
- Align text to the left margin
- Ensure consistent font and size (typically Times New Roman, 12-point)
- Use active voice for clarity
- Do not include personal opinions or informal language

## **Detailed Example: Memorandum for Record Army Example WLC**

Below is a detailed memorandum for record army example WLC, illustrating the correct format and content expected in training and operational settings. This sample can be adapted for various scenarios, such as documenting a counseling session, recording attendance, or noting a training event.

### **Sample Memorandum for Record Army Example WLC**

Office Symbol

Date

MEMORANDUM FOR RECORD

SUBJECT: Attendance at Warrior Leader Course Training Session, 10 June 2024

1. Purpose: This memorandum documents the attendance and participation of Soldiers from Bravo Company during the WLC training session conducted on 10 June 2024 at Fort Hood.

2. Details: The training session covered leadership fundamentals, squad drills, and communication exercises. All assigned personnel were present except SPC John Doe, who was excused due to official leave. A sign-in roster was maintained and attached to this memorandum.

3. Action: All participants are required to submit after-action reviews by 12 June 2024. The training facilitator will review submissions for completion and accuracy.

4. Point of Contact for this memorandum is SSG Jane Smith at (555) 123-4567.

Training Facilitator

## **Best Practices for Writing Effective MFRs**

Crafting a professional memorandum for record army example WLC is essential for ensuring your document is clear, concise, and meets Army standards. Best practices emphasize accuracy, completeness, and proper language usage. Following these guidelines will enhance the quality of your administrative correspondence and help you succeed in WLC and beyond.

### **Best Practices Checklist**

- Verify all facts and details before writing
- Use formal, objective language
- Follow AR 25-50 formatting rules
- Keep paragraphs focused and organized
- Proofread for grammar and spelling errors
- Include necessary attachments (rosters, reports, etc.)
- Provide clear points of contact

# **Common Mistakes to Avoid in Army Memorandums**

While drafting MFRs, certain errors can undermine the document's effectiveness and professionalism. Recognizing and avoiding these pitfalls is critical for Army personnel, especially those in training environments like WLC. Below are typical mistakes to be aware of.

## **Frequent Errors in Army MFRs**

- Omitting required information (date, subject, signature)
- Using informal language or personal opinions
- Ignoring Army formatting standards
- Failing to proofread for errors
- Including ambiguous or unclear details
- Neglecting to attach supporting documents

## **Frequently Asked Questions and Answers**

### **Q: What is a memorandum for record army example WLC?**

A: It is a sample document illustrating how to write a Memorandum for Record according to Army standards, specifically for use during the Warrior Leader Course (WLC) to document events, decisions, or training activities.

### **Q: Why is the memorandum for record important in WLC?**

A: The MFR is crucial in WLC as it demonstrates a soldier's ability to communicate formally, document events accurately, and follow Army administrative protocols, all of which are evaluated during the course.

### **Q: What should be included in a memorandum for record for the Army?**

A: An Army MFR should include the office symbol, date, MEMORANDUM FOR line, subject, body paragraphs detailing the event or decision, a closing statement, and the signature block with the author's rank and position.

### **Q: How does the memorandum for record differ from other Army correspondence?**

A: The MFR is less formal than letters or reports and is used for internal

documentation purposes, whereas other correspondence may require more detail or higher-level approval.

**Q: Can I use the same MFR format for different events in WLC?**

A: Yes, the standard MFR format is adaptable for various events, such as counseling sessions, training documentation, or attendance records, as long as the content is specific to the situation.

**Q: What are some common mistakes when writing an Army MFR?**

A: Common mistakes include missing key elements like the date or subject, using informal language, not following formatting guidelines, and failing to proofread for accuracy.

**Q: What regulation covers Army memorandum formatting?**

A: Army Regulation (AR) 25-50 provides guidelines for preparing and formatting Army memorandums and other official correspondence.

**Q: How often should MFRs be used during WLC?**

A: MFRs should be used whenever documentation of decisions, training events, or meetings is required, helping to maintain accurate records throughout the course.

**Q: Who is responsible for signing the memorandum for record?**

A: The person who authored the MFR, typically the event facilitator, training NCO, or responsible leader, signs the document to authenticate its content.

**Q: Are attachments necessary when submitting a memorandum for record army example WLC?**

A: Attachments, such as attendance rosters or supporting documents, should be included if they provide relevant evidence or details referenced in the MFR.

# **Memorandum for Record Army Example WLC: A Comprehensive Guide**

The military relies heavily on clear, concise, and legally sound documentation. One crucial document type is the Memorandum for Record (MFR), often used in conjunction with the Warrior Leader Course (WLC). If you're struggling to understand how to write a compelling and effective MFR for WLC, you're in the right place. This comprehensive guide provides a clear understanding of MFRs, specifically within the context of the Army's WLC, offering examples and best practices to ensure your documentation meets the highest standards. We'll break down the essential elements, providing you with a template you can adapt for your specific needs.

## **Understanding the Memorandum for Record (MFR)**

An MFR is a formal document used to record important information, conversations, decisions, or actions taken. Unlike other official memorandums, the MFR is not a directive or order. It serves primarily as a record for future reference, providing a verifiable account of events. Within the Army, and particularly within the WLC context, this means accurately recording training events, observations of soldiers, significant discussions, and any other relevant details that contribute to a soldier's performance evaluation or overall training progress.

### **Key Characteristics of an Effective Army MFR:**

**Conciseness:** Get straight to the point. Avoid unnecessary jargon or rambling descriptions.

**Accuracy:** Ensure all information is factual and verifiable. Dates, times, and names must be precise.

**Objectivity:** Present facts without personal opinions or biases. Stick to what you observed or heard.

**Clarity:** Use clear and simple language. Avoid ambiguity.

**Completeness:** Include all relevant details necessary to understand the context of the situation.

## **Memorandum for Record Army Example WLC: Scenario and Template**

Let's consider a common WLC scenario: a platoon sergeant observes a soldier struggling with a specific leadership skill during a field exercise. Here's how an MFR might look:

## MEMORANDUM FOR THE RECORD

DATE: October 26, 2023

TO: CPT Jane Doe, WLC Instructor

FROM: SSG John Smith, Platoon Sergeant

SUBJECT: Observation of PFC David Lee during Field Exercise Alpha

REFERENCE: WLC Training Schedule, October 26, 2023

### BODY:

During Field Exercise Alpha conducted on October 26, 2023, I observed PFC David Lee struggling with effective delegation of tasks. While he demonstrated proficiency in completing individual tasks, he consistently micromanaged his fire team, hindering their efficiency and independent problem-solving skills. Specifically, at 1400 hours, PFC Lee intervened in a seemingly simple navigation issue, disrupting the fire team's established problem-solving process and delaying the overall mission objective by approximately 15 minutes. This observation directly relates to the WLC objective of developing effective leadership skills, particularly in delegation and trust-building within a team. Further observation and mentorship are recommended.

SIGNATURE: \_\_\_\_\_  
SSG John Smith

## Beyond the Basic WLC MFR Example

The above example demonstrates a simple MFR. However, more complex scenarios may require a more detailed approach. Consider including:

Specific examples: Provide concrete instances to support your observations.

Quotes (if appropriate): If directly relevant, include verbatim quotes from conversations.

Recommendations: Suggest actions to improve the situation or further training needed.

Attachments: If relevant, attach supporting documents like photographs or performance evaluations.

## Best Practices for Writing an Effective WLC MFR

Use the correct format: Adhere to your unit's established MFR format. Consistency is key.

Proofread carefully: Errors undermine credibility.

Maintain confidentiality: Only include information that is relevant and appropriate to share.

Keep a copy for your records: Maintain a personal file of all MFRs you author.  
Seek feedback: If unsure about the content or format, consult with a senior NCO or officer.

## Conclusion

Writing a strong Memorandum for Record within the Army, specifically within the context of the Warrior Leader Course, is a crucial skill. By following the format, adhering to best practices, and consistently practicing, you can ensure your documentation accurately reflects events and contributes positively to the training and development of your soldiers. Remember, clarity, accuracy, and objectivity are paramount in effective military documentation.

## FAQs

Q1: Is an MFR a legally binding document?

A1: No, an MFR is not a legally binding document in the same way as an order or directive. It serves primarily as a record of events.

Q2: Can I use an MFR to address a disciplinary issue?

A2: While an MFR can document the events leading to a disciplinary action, it is not a substitute for formal disciplinary procedures.

Q3: What happens if I make a mistake in my MFR?

A3: If you identify a mistake, follow your unit's procedures for correcting errors in official documentation. This may involve creating a supplemental MFR or amending the original.

Q4: How long should an MFR be?

A4: An MFR should be as concise as possible while still conveying all necessary information. Length should be dictated by the complexity of the event being recorded.

Q5: Are there specific formatting requirements for Army MFRs?

A5: Yes, specific formatting requirements exist and vary between units and commands. Consult your unit's standard operating procedures (SOPs) for details.

Institute Press, 2013-05 This work is a collection of observations, insights, and advice from over 50 serving and retired Senior Non-Commissioned Officers. These experienced Army leaders have provided for the reader, outstanding mentorship on leadership skills, tasks, and responsibilities relevant to our Army today. There is much wisdom and advice from one leader to another in the following pages.

**memorandum for record army example wlc: Map Reading and Land Navigation**

Department of the Army, 2015-12-31 The field manual provides a standardized source document for Army-wide reference on map reading and land navigation. It applies to every soldier in the army regardless of service branch, MOS, or rank. This manual also contains both doctrine and training guidance on map reading and land navigation. Part One addresses map reading and Part Two, land navigation. The appendices include an introduction to orienteering and a discussion of several devices that can assist the soldier in land navigation. For soldiers, hunters, climbers, and hikers alike, this is the definitive guide to map reading and navigation.

**memorandum for record army example wlc: *Hammer and Hoe*** Robin D. G. Kelley, 2015-08-03 A groundbreaking contribution to the history of the long Civil Rights movement, *Hammer and Hoe* tells the story of how, during the 1930s and 40s, Communists took on Alabama's repressive, racist police state to fight for economic justice, civil and political rights, and racial equality. The Alabama Communist Party was made up of working people without a Euro-American radical political tradition: devoutly religious and semiliterate black laborers and sharecroppers, and a handful of whites, including unemployed industrial workers, housewives, youth, and renegade liberals. In this book, Robin D. G. Kelley reveals how the experiences and identities of these people from Alabama's farms, factories, mines, kitchens, and city streets shaped the Party's tactics and unique political culture. The result was a remarkably resilient movement forged in a racist world that had little tolerance for radicals. After discussing the book's origins and impact in a new preface written for this twenty-fifth-anniversary edition, Kelley reflects on what a militantly antiracist, radical movement in the heart of Dixie might teach contemporary social movements confronting rampant inequality, police violence, mass incarceration, and neoliberalism.

**memorandum for record army example wlc: *Family Punishment in Nazi Germany*** R. Loeffel, 2012-05-29 In the Third Reich, political dissidents were not the only ones liable to be punished for their crimes. Their parents, siblings and relatives also risked reprisals. This concept - known as Sippenhaft - was based in ideas of blood and purity. This definitive study surveys the threats, fears and infliction of this part of the Nazi system of terror.

**memorandum for record army example wlc: *Right to Remember - A Handbook for Education with Young People on the Roma Genocide*** Council of Europe, 2014-01-01 Right to Remember is a self-contained educational resource for all those wishing to promote a deeper awareness of the Roma Genocide and combat discrimination. The handbook is based on the principles of human rights education, and places remembrance as an aspect of learning about, through and for human rights. Strengthening the identity of Roma young people is a priority for the Roma Youth Action Plan of the Council of Europe. This implies the creation of an environment where they can grow up free from discrimination and confident about their identity and future perspectives, while appreciating their history and their plural cultural backgrounds and affiliations. The Roma Genocide carried out before and during the Second World War has deeply impacted on Roma communities across Europe and plays a central role in understanding the prevailing antigypsyism and discrimination against Roma.

Learning about the Genocide is very important for all young people. For Roma young people it is also a way to understand what was perpetrated against their communities, and to help them to come to terms with their identity and situation today. Involving young people, including Roma youth, in researching, discussing and discovering the meanings of the Roma Genocide is a way to involve them as agents and actors in their own understanding of human rights and of history. Right to Remember includes educational activities, as well as ideas for commemoration events, and information about the Genocide and its relevance to the situation of the Roma people today. It has been designed primarily for youth workers in non-formal settings, but it will be useful for anyone working in education, including in schools.

**memorandum for record army example wlc: Marching into Darkness** Waitman Wade Beorn, 2014-01-06 On October 10, 1941, the Jewish population of the Belarusian village of Krucha was rounded up and shot. This atrocity was not the routine work of the SS but was committed by a regular German army unit acting on its own initiative. *Marching into Darkness* is a bone-chilling exposé of the ordinary footsoldiers who participated in the Final Solution on a daily basis. Although scholars have exploded the myth that the Wehrmacht played no significant part in the Holocaust, a concrete picture of its involvement has been lacking. *Marching into Darkness* reveals in detail how the army willingly fulfilled its role as an agent of murder on a massive scale. Waitman Wade Beorn unearths forced labor, sexual violence, and grave robbing, though a few soldiers refused to participate and even helped Jews. Improvised extermination progressively became methodical, with some army units going so far as to organize Jew hunts. The Wehrmacht also used the pretense of Jewish anti-partisan warfare as a subterfuge by reporting murdered Jews as partisans. Through military and legal records, survivor testimonies, and eyewitness interviews, Beorn paints a searing portrait of an army's descent into ever more intimate participation in genocide.

**memorandum for record army example wlc: War Through Italian Eyes** Alexander Henry, 2021-07-18 There is a popular notion that the Italian armed forces of the Second World War were an inferior fighting force. Despite the vast numbers taken prisoner, detailed studies of the experiences of these soldiers remain relatively uncommon and the value of this group to furthering our understanding of the Italian experience of war under Fascism is also rarely acknowledged. The existence in the National Archives of hundreds of pages of transcripts of covert British surveillance of Italian POWs has made it possible to engage with their experiences and opinions in much greater depth. The euphemistically termed 'Special Reports' present historians with a unique insight into how all levels of Italian soldiery viewed Fascist Italy's experience of war, 1940-1943. This book examines reactions to Italian political leadership, the progress of the war, as well as Italian soldiers' 'everyday' views on sex, war, the enemy, death, food, their allies, bravery, race, and killing. These fascinating documents reveal the complexity of the outlook of these men, which persistent - and influential - national stereotypes and historiographical trends fail to acknowledge.

**memorandum for record army example wlc: Nine Lives of Neoliberalism** Dieter Plehwe, Quinn Slobodian, Philip Mirowski, 2020-05-12 Untangling the long history of neoliberalism Neoliberalism is dead. Again. Yet the philosophy of the free market and the strong state has an uncanny capacity to survive, and even thrive, in times of crisis. Understanding neoliberalism's longevity and its latest permutation requires a more detailed understanding of its origins and development. This volume breaks with the caricature of neoliberalism as a simple, unvariegated belief in market fundamentalism and homo economicus. It shows how neoliberal thinkers perceived institutions from the family to the university, disagreed over issues from intellectual property rights and human behavior to social complexity and monetary order, and sought to win consent for their project through the creation of new honors, disciples, and networks. Far from a monolith, neoliberal thought is fractured and, occasionally, even at war with itself. We can begin to make sense of neoliberalism's nine lives only by understanding its own tangled and complex history.

**memorandum for record army example wlc: The Cambridge History of the Second World War: Volume 2, Politics and Ideology** Richard Bosworth, Joseph Maiolo, 2017-11-23 War is often described as an extension of politics by violent means. With contributions from twenty-eight eminent historians, Volume 2 of *The Cambridge History of the Second World War* examines the relationship between ideology and politics in the war's origins, dynamics and consequences. Part I examines the ideologies of the combatants and shows how the war can be understood as a struggle of words, ideas and values with the rival powers expressing divergent claims to justice and controlling news from the front in order to sustain moral and influence international opinion. Part II

looks at politics from the perspective of pre-war and wartime diplomacy as well as examining the way in which neutrals were treated and behaved. The volume concludes by assessing the impact of states, politics and ideology on the fate of individuals as occupied and liberated peoples, collaborators and resisters, and as British and French colonial subjects.

**memorandum for record army example wlc:** *Konrad Morgen* H. Pauer-Studer, J. Velleman, 2015-05-07 *Konrad Morgen: The Conscience of a Nazi Judge* is a moral biography of Georg Konrad Morgen, who prosecuted crimes committed by members of the SS in Nazi concentration camps and eventually came face-to-face with the system of industrialized murder at Auschwitz. His wartime papers and postwar testimonies yield a study in moral complexity.

**memorandum for record army example wlc:** Ace Rex Gooch, 2024-10-16 Second Edition of ACE This latest edition is truly a game-changer. Chapter 28, The Battle of Phu My, is packed with new material discovered during the exhaustive research for Ace Cozzalio's Medal of Honor submission. But that's not all - the entire book has been enhanced to create a more captivating and compelling reading experience. With an extra thirty-six pages and ten new images, this improved version is an absolute must-read! ACE is the gripping tale of Ace Cozzalio, a bold and courageous U.S. Army helicopter pilot who flew with Lighthorse Air Cavalry during the Vietnam War. The stories in this book vividly portray Ace's heroic exploits as he battled the enemy in the Mekong Delta, highlighting the exceptional character of this dedicated soldier hero. As you delve into these remarkable, untold stories, you will gain insight into the indomitable spirit of Ace Cozzalio and understand why his commanding presence often proved to be the decisive factor in turning the tide against the enemy. The ACE book is a high-speed, low-level flight through Ace Cozzalio's captivating life, highlighting his brave deeds, escapades, exploits, and misadventures during the Vietnam War.

**memorandum for record army example wlc:** Understanding International Diplomacy Corneliu Bjola, Markus Kornprobst, 2018-02-19 This book provides a comprehensive introduction to the study of international diplomacy, covering both theory and practice. This second edition has been revised and updated, with new material on such key contemporary issues as Syria, Ukraine, migration and the South China Sea. The text summarizes and discusses the major trends in the field of diplomacy, providing an innovative theoretical approach to understanding diplomacy not as a collection of practices or a set of historical traditions, but as a form of institutionalized communication through which authorized representatives produce, manage and distribute public goods. The book: Traces the evolution of diplomacy from its beginnings in ancient Egypt, Greece and China to our current age of global diplomacy. Examines theoretical explanations about how diplomats take decisions, make relations and shape the world. Discusses normative approaches to how diplomacy ought to adapt itself to the twenty-first century, help re-make states and assist the peaceful evolution of international order. In sum, *Understanding International Diplomacy* provides an up-to-date, accessible and authoritative overview of how diplomacy works and, indeed, ought to work in a globalized world. This textbook will be essential reading for students of international diplomacy, and is highly recommended for students of crisis negotiation, international organizations, foreign policy and IR in general.

**memorandum for record army example wlc:** *68W Advanced Field Craft* American Academy of Orthopaedic Surgeons (AAOS),, Us Army, 2009-10-19 The Combat Medic of today is the most technically advanced ever produced by the United States Army. **memorandum for record army example wlc:** *The Resident Course* Serpell G. Patrick, 1960

**memorandum for record army example wlc:** *The Noble Banner of Human Rights* Anna-Mária Bíró, Katrina Lantos Swett, 2018 Tom Lantos was a Hungarian-born U.S. Congressman remembered for raising awareness and respect for human rights around the world. He was elected to the United States House of Representatives in 1980 becoming the only Holocaust survivor ever to serve in the Congress. In 1983 he co-founded and chaired the Congressional Human Rights Caucus renamed in his honour as the Tom Lantos Human Rights Commission. With articles authored by leading academics this Festschrift remembers Tom Lantos's extensive human rights activism on the human rights themes he was passionately involved with around the world. The essays offer new insights on a range of topical human rights issues, such as human rights education, religious freedom, post-conflict justice, minority rights and identity politics.

**memorandum for record army example wlc: Training Units and Developing Leaders**

**(ADRP 7-0)** Department Army, 2012-11-16 Army Doctrine Reference Publication (ADRP) 7-0, Training Units and Developing Leaders, augments fundamental principles discussed in Army Doctrine Publication (ADP) 7-0, Training Units and Developing Leaders. Both ADP 7-0 and ADRP 7-0 support the doctrine established in ADP 3-0 and ADRP 3-0. Army units will face a complex operational environment shaped by a wide range of threats, allies, and populations. Rapid advances in communications, weapons, transportation, information technologies, and space-based capabilities make it a challenge to just stay even with the pace of change. Because Army units face a wide mix of challenges-from strategic to tactical-they must develop leaders to conduct unified land operations anywhere in the world in any operation across the conflict continuum. Army training prepares units and leaders to be successful through challenging, realistic, and relevant unit training and leader development at home station, at the combat training centers, and in the schoolhouses.

**memorandum for record army example wlc: Army Leadership (ADRP 6-22)** Department Army, 2012-09-28 Army doctrine reference publication (ADRP) 6-22 expands on the leadership principles established in Army doctrine publication (ADP) 6-22. ADRP 6-22 describes the Army's view of leadership, outlines the levels of leadership (direct, organizational, and strategic), and describes the attributes and core leader competencies across all levels. The principal audience for ADRP 6-22 is all leaders, military and civilian. Trainers and educators throughout the Army will also use this publication. Commanders, staffs, and subordinates ensure their decisions and actions comply with applicable United States, international, and, in some cases, host-nation laws and regulations. Commanders at all levels ensure their Soldiers operate in accordance with the law of war and the rules of engagement (see Field Manual [FM] 27-10). ADRP 6-22 uses joint terms where applicable. Selected joint and Army terms and definitions appear in both the glossary and the text. For definitions shown in the text, the term is italicized and the number of the proponent publication follows the definition. The use of the term influence throughout this publication reflects the definition of common English usage the act or power of producing an effect without apparent exertion of force or direct exercise of command, as distinct from the usage outlined in FM 3-13. It is contrary to law for DOD to undertake operations intended to influence a domestic audience; nothing in this publication recommends activities in contravention of this law. ADRP 6-22 applies to the Active Army, Army National Guard/Army National Guard of the United States, and United States Army Reserve unless otherwise stated.

**memorandum for record army example wlc:** A History of LGBTIQ+ Victoria in 100 Places and Objects Australian Queer Archives, Graham Willett, Angela Bailey, Timothy W. Jones, Sarah Rood, 2021-05-17 The Australian Queer Archives in partnership with Heritage Victoria have created: A History of LGBTIQ+ Victoria in 100 Places and Objects, a ground-breaking study of queer people, places, objects and stories that have shaped the state of Victoria. bringing to life the experiences of queer and gender diverse people from the 1830s onwards across Melbourne and regional Victoria.

The project engaged with community members and individuals to capture and enrich these stories of queer life across Victoria. From personal collections, cultural institutions to local councils and the extensive collection of the Australian Queer Archives, to precincts north and south of the Yarra River to Daylesford, Bendigo and beyond, this report is a great opportunity to highlight and share these histories. The Report includes a short citation for each of the 100 places including: the location and description of the place comment on existing heritage significance a summary history in relation to LGBTIQ+ communities the meaning and value of the place to queer communities sources for further reference
