The Haunting History of Leigh Howard: A Foundation of Fear

Leigh Howard, [Insert geographical location, if applicable - e.g., a specific building, town, or region], is steeped in a rich, albeit unsettling, history. What tragedies, what secrets, might linger within its very fabric?

Disturbing Encounters: Eyewitness Accounts of Leigh Howard Ghosts

leigh howard ghosts: *How* Geoff Wyss, 2012 If every story is born of a question—How did we get here? How do you make your arm do that?—the stories in Geoff Wyss's *How* search for answers to the mysteries of an astonishing range of characters. The narrator of “How I Come to Be Here at the GasFast” explains why he hasn't left a truck stop in the two days since he scratched a winning lottery ticket. In “How to Be a Winner,” a sports consultant browbeats a high school football team with his theory of history and a justification of his failed coaching career. Lost in the mazes they've made of themselves, Wyss's characters search for exits on ground that shifts dizzyingly from humor to pathos, from cynicism to earnestness, from comedy to tragedy, often within the same sentence. Although propelled by a razor-sharp, contemporary voice, Wyss's stories—many set in a New Orleans unknown to television and tourists—have more in common with Chekhov and O'Connor than with “Treme.”

leigh howard ghosts: Sin in the Second City Karen Abbott, 2007-07-10 Step into the perfumed parlors of the Everleigh Club, the most famous brothel in American history—and the catalyst for a culture war that rocked the nation. Operating in Chicago's notorious Levee district at

the dawn of the last century, the Club's proprietors, two aristocratic sisters named Minna and Ada Everleigh, welcomed moguls and actors, senators and athletes, foreign dignitaries and literary icons, into their stately double mansion, where thirty stunning Everleigh "butterflies" awaited their arrival. Courtesans named Doll, Suzy Poon Tang, and Brick Top devoured raw meat to the delight of Prince Henry of Prussia and recited poetry for Theodore Dreiser. Whereas lesser madams pocketed most of a harlot's earnings and kept a "whipper" on staff to mete out discipline, the Everleighs made sure their girls dined on gourmet food, were examined by an honest physician, and even tutored in the literature of Balzac. Not everyone appreciated the sisters' attempts to elevate the industry. Rival Levee madams hatched numerous schemes to ruin the Everleighs, including an attempt to frame them for the death of department store heir Marshall Field, Jr. But the sisters' most daunting foes were the Progressive Era reformers, who sent the entire country into a frenzy with lurid tales of "white slavery"—the allegedly rampant practice of kidnapping young girls and forcing them into brothels. This furor shaped America's sexual culture and had repercussions all the way to the White House, including the formation of the Federal Bureau of Investigation. With a cast of characters that includes Jack Johnson, John Barrymore, John D. Rockefeller, Jr., William Howard Taft, "Hinky Dink" Kenna, and Al Capone, *Sin in the Second City* is Karen Abbott's colorful, nuanced portrait of the iconic Everleigh sisters, their world-famous Club, and the perennial clash between our nation's hedonistic impulses and Puritanical roots. Culminating in a dramatic last stand between brothel keepers and crusading reformers, *Sin in the Second City* offers a vivid snapshot of America's journey from Victorian-era propriety to twentieth-century modernity.
