

nibiru and the anunnaki

nibiru and the anunnaki have captured the curiosity of ancient astronaut theorists, historians, and science enthusiasts for decades. This article explores the origins, significance, and controversies surrounding these enigmatic entities. Delving into ancient Sumerian mythology, we examine the alleged connection between Nibiru, a mysterious planet, and the Anunnaki, a race of deities believed to have influenced early human civilization. Key topics include the historical context of the Anunnaki, interpretations of Nibiru in modern times, and the ongoing debates regarding extraterrestrial influence on humanity's development. By analyzing archaeological findings, ancient texts, and contemporary theories, this comprehensive guide offers a factual and SEO-optimized overview for readers seeking clarity about Nibiru and the Anunnaki. Continue reading to uncover the fascinating story, myths, and scientific perspectives shaping this enduring legend.

- Frequently Asked Questions about Nibiru and the Anunnaki

Origins and Mythology of the Anunnaki

Sumerian Roots and Historical Significance

The Anunnaki are a group of deities originating from the ancient Sumerian civilization, one of the earliest known cultures in Mesopotamia. Their name translates to "those who came from the heavens" or "princely offspring," emphasizing their divine status. In Sumerian mythology, the Anunnaki were considered the children of Anu, the supreme god of the sky, and Ki, the earth goddess. These deities played vital roles in creation myths, governance, and the maintenance of cosmic order. They were often depicted as powerful beings responsible for shaping humanity's destiny and enforcing divine laws.

Depictions and Roles in Ancient Texts

Ancient Sumerian cuneiform tablets, such as the Enuma Elish and the Epic of Gilgamesh, reference the Anunnaki as both benevolent and vengeful forces. Their roles varied from overseeing the underworld to guiding rulers and imparting wisdom. The Anunnaki were thought to possess advanced knowledge and

technologies, which some believe were imparted to humans. Over time, their mythology evolved through Akkadian, Babylonian, and Assyrian cultures, expanding their influence across the ancient Near East.

The Concept of Nibiru in Ancient Texts

Nibiru: The Celestial Body

Nibiru, according to ancient Mesopotamian cosmology, is a term used to describe a crossing point or a celestial body associated with the god Marduk. While the precise nature of Nibiru is debated, some sources suggest it was identified as a planet or heavenly object with an unusual trajectory. Sumerian and Babylonian texts often mention Nibiru as a marker in the sky, linked to astronomical events and omens. The concept of Nibiru as a planet beyond Pluto gained prominence in the late twentieth century, fueled by speculative interpretations of ancient writings.

Interpretations and Astronomical Significance

Some researchers propose that Nibiru's references in ancient texts relate to observable astronomical phenomena, such as the movement of Jupiter or other significant planets. Others argue that Nibiru is a symbolic representation of cycles, transitions, or cosmic upheaval. The modern idea of Nibiru as a rogue planet approaching Earth is not supported by mainstream academia but remains popular among alternative historians and conspiracy theorists.

Modern Interpretations: Nibiru and Ancient Astronaut Theory

Theories Linking Nibiru and the Anunnaki

In the twentieth century, author Zecharia Sitchin popularized the theory that Nibiru is the home planet of the Anunnaki, who allegedly visited Earth in ancient times. According to Sitchin's interpretation of Sumerian texts, the Anunnaki arrived on Earth to mine gold and genetically engineered humans to serve as their labor force. This narrative forms the foundation of the ancient astronaut theory, which suggests extraterrestrial beings influenced the development of early human civilizations.

Impact on Ancient Astronaut Hypotheses

- The idea of Nibiru and the Anunnaki challenges traditional views of human evolution and technological progress.
- Ancient astronaut theorists claim that advanced knowledge, architecture, and artifacts in ancient cultures are evidence of extraterrestrial

intervention.

- Critics point out the lack of concrete archaeological evidence and question the accuracy of translations used by proponents.
- This theory remains controversial but has inspired ongoing interest in ancient mysteries and UFO research.

Scientific Perspectives on Nibiru

Astrophysical Evidence and Debunking Myths

The existence of Nibiru as a planet within our solar system lacks scientific validation. Astronomers have extensively searched for celestial bodies beyond Pluto, resulting in the discovery of objects such as Eris, Sedna, and other trans-Neptunian objects. However, no planet matching the characteristics attributed to Nibiru has been found. The idea of a catastrophic Nibiru collision with Earth was widely circulated in the media leading up to 2012, but was dismissed by scientists as a pseudoscientific myth.

Mainstream Scientific Consensus

Planetary scientists and astrophysicists maintain that while the search for planets beyond the known solar system continues, claims about Nibiru are not supported by observational data. The term "Planet Nine" has been proposed for a hypothetical large planet influencing the orbits of distant objects, but it is unrelated to the mythological Nibiru. The scientific community encourages skepticism and critical analysis of extraordinary claims regarding Nibiru and the Anunnaki.

Influence of the Anunnaki on Human Civilization

Cultural and Historical Impact

The mythology of the Anunnaki has influenced the development of ancient religions, kingship rituals, and creation stories across Mesopotamia. Their legacy can be traced in the pantheons of the Akkadian, Babylonian, and Assyrian empires, where the Anunnaki were revered as judges, creators, and custodians of wisdom. Some alternative historians argue that the Anunnaki's supposed technological prowess is reflected in ancient architecture, such as ziggurats and megalithic structures.

Contemporary Interpretations and Legacy

Modern interpretations of the Anunnaki emphasize their role as potential extraterrestrial visitors or advanced beings. These theories have sparked

debates about human origins, technological advancement, and the possibility of lost ancient knowledge. The enduring fascination with the Anunnaki reflects society's quest to understand the mysteries of the past and the search for our place in the cosmos.

Popular Culture and Ongoing Controversies

Nibiru and the Anunnaki in Media

The legends of Nibiru and the Anunnaki have permeated popular culture, inspiring books, documentaries, video games, and films. The narrative of ancient aliens, secret histories, and impending cosmic catastrophes continues to captivate audiences worldwide. References to Nibiru often appear in science fiction and conspiracy theory circles, fueling speculation about government cover-ups and hidden knowledge.

Debates and Skepticism

The controversies surrounding Nibiru and the Anunnaki center on the interpretation of ancient texts and the validity of alternative historical theories. Skeptics argue that misreadings, mistranslations, and confirmation bias contribute to the persistence of these myths. Scholars advocate for rigorous analysis of primary sources and caution against conflating mythology with factual history. Despite ongoing debates, the story of Nibiru and the Anunnaki remains a compelling topic for researchers and enthusiasts alike.

Frequently Asked Questions about Nibiru and the Anunnaki

Q: Who were the Anunnaki according to ancient Sumerian mythology?

A: The Anunnaki were a group of powerful deities in Sumerian mythology believed to be the offspring of the sky god Anu and earth goddess Ki, responsible for creation, judgment, and the order of the cosmos.

Q: What is Nibiru and why is it significant?

A: Nibiru is a term from ancient Mesopotamian texts, often described as a celestial body or crossing point in the sky. Its significance arises from interpretations suggesting it is a mysterious planet associated with the Anunnaki.

Q: Is there scientific evidence supporting the

existence of Nibiru?

A: No credible scientific evidence exists for Nibiru as a planet within our solar system. Mainstream astronomers have not found any celestial body matching Nibiru's description.

Q: How are Nibiru and the Anunnaki connected in alternative theories?

A: Some theorists claim Nibiru is the home planet of the Anunnaki, who allegedly visited Earth to alter human genetics and influence civilization, although this theory is widely rejected by scholars.

Q: What role do the Anunnaki play in ancient astronaut theories?

A: Ancient astronaut theories propose that the Anunnaki were extraterrestrial visitors who imparted technology and knowledge to early humans, shaping the course of history.

Q: Why do some people believe Nibiru will cause a global catastrophe?

A: Speculative theories and internet rumors have claimed Nibiru is a rogue planet that will collide with Earth, but these claims have been thoroughly debunked by scientists.

Q: What impact did the Anunnaki have on ancient cultures?

A: The Anunnaki's mythology influenced religious beliefs, kingship rituals, and creation stories in Sumerian, Akkadian, Babylonian, and Assyrian societies.

Q: How are Nibiru and the Anunnaki portrayed in popular culture?

A: Nibiru and the Anunnaki are frequently featured in science fiction, documentaries, and conspiracy theories, often as mysterious extraterrestrial beings or harbingers of cosmic events.

Q: Are there any archaeological discoveries linked to the Anunnaki?

A: While artifacts and texts referencing the Anunnaki exist, there is no archaeological evidence supporting their existence as extraterrestrial beings.

Q: What is the scholarly consensus on the Nibiru-Anunnaki connection?

A: Scholars generally regard the Nibiru-Anunnaki connection as speculative and unsupported by credible historical or scientific evidence, emphasizing the importance of critical analysis.

Nibiru and the Anunnaki: Unraveling the Ancient Astronaut Theory

Have you ever looked up at the night sky and wondered if we're truly alone? The ancient astronaut theory, fueled by tales of advanced civilizations and celestial visitors, sparks fascination and debate. Central to this theory is the planet Nibiru and the Anunnaki, a race of extraterrestrial beings said to have shaped early human history. This in-depth exploration delves into the intriguing claims surrounding Nibiru and the Anunnaki, examining the evidence, the controversies, and the lasting impact of this captivating mythology. We'll dissect the historical context, scientific plausibility, and cultural resonance of this enduring enigma.

The Anunnaki: Gods or Extraterrestrials?

The Anunnaki, meaning "those who came down from heaven," are a group of deities in ancient Mesopotamian mythology. Depicted in Sumerian cuneiform tablets, they're often portrayed as powerful beings with advanced knowledge and technology. Their stories describe their descent to Earth, their interaction with humanity, and their influence on the development of civilization. These accounts, interpreted through the lens of the ancient astronaut theory, posit the Anunnaki not as gods, but as extraterrestrials from a technologically superior civilization.

The Sumerian Tablets: Primary Source Material

Much of the evidence cited by proponents of the Nibiru-Anunnaki connection originates from the

Sumerian tablets. These clay tablets, dating back thousands of years, contain intricate narratives depicting the Anunnaki's arrival on Earth, their creation of humanity, and their subsequent influence on human societies. The descriptions of their advanced technology, sophisticated weaponry, and mastery of genetic engineering have led some to believe these accounts are actually records of extraterrestrial contact. However, it's crucial to remember that interpreting ancient texts requires rigorous contextual analysis, considering cultural biases and potential misinterpretations.

Interpreting the Mythology: A Critical Approach

While the Sumerian texts are undeniably fascinating, it's important to approach their interpretation with a critical eye. Many scholars argue that the stories of the Anunnaki are purely mythological, reflecting the anxieties and aspirations of ancient Mesopotamian societies. The descriptions of divine intervention and advanced technology could be symbolic representations of natural events or societal developments, rather than literal accounts of extraterrestrial encounters. The challenge lies in distinguishing between symbolic narrative and potential historical accounts.

Nibiru: The Hypothetical Twelfth Planet

The planet Nibiru, often linked to the Anunnaki, is a hypothesized celestial body in our solar system. Proponents of this theory claim Nibiru has an elongated, highly elliptical orbit, bringing it close to Earth at irregular intervals. This proximity, they argue, facilitated the Anunnaki's visits and influenced terrestrial events. However, no credible scientific evidence supports the existence of Nibiru. Astronomers have consistently refuted claims of its existence, pointing out that a planet of the size and orbital characteristics proposed would be easily detectable with current technology.

Scientific Scrutiny and the Lack of Evidence

The lack of scientific evidence for Nibiru is a major point of contention. The gravitational effects of such a large planet would be significant and measurable, yet no such effects have been observed. Furthermore, sophisticated astronomical surveys have scanned the solar system extensively, finding no evidence of a planet matching the description of Nibiru. The claims surrounding Nibiru are largely based on interpretations of ancient texts and unsubstantiated claims, rather than verifiable scientific data.

The Lasting Influence of the Nibiru-Anunnaki Narrative

Despite the lack of scientific evidence, the Nibiru-Anunnaki narrative continues to hold a strong grip

on the public imagination. Its presence in popular culture, from books and documentaries to online forums and social media discussions, is undeniable. This enduring appeal can be attributed to several factors:

A Desire for Answers: Exploring the Unknown

The Nibiru-Anunnaki story taps into humanity's inherent curiosity about our origins and our place in the universe. The idea of ancient extraterrestrial visitors interacting with early humans provides a compelling, albeit speculative, answer to profound questions about our past.

The Allure of the Mysterious: Fueling Speculation

The ambiguity and lack of conclusive evidence surrounding Nibiru and the Anunnaki contribute to their mystique. The unanswered questions and conflicting interpretations fuel speculation and encourage further exploration, creating a self-perpetuating cycle of interest.

Conclusion

The connection between Nibiru and the Anunnaki remains a fascinating, yet ultimately unproven, hypothesis. While the Sumerian tablets offer intriguing narratives, the lack of scientific evidence for Nibiru and a critical understanding of ancient mythology are essential to evaluating the plausibility of the ancient astronaut theory. The story itself, however, highlights humanity's enduring fascination with the cosmos and the search for answers to fundamental questions about our origins and our place in the universe.

FAQs

1. Is there any scientific evidence to support the existence of Nibiru? No, there is no credible scientific evidence supporting the existence of Nibiru. Astronomical surveys have not detected any celestial body matching its purported characteristics.
2. Are the Anunnaki purely mythological figures? Most scholars view the Anunnaki as figures from Mesopotamian mythology, although interpretations vary. Some interpret their stories literally, while others see them as symbolic representations of natural phenomena or societal structures.
3. How have the Nibiru and Anunnaki narratives influenced popular culture? The Nibiru-Anunnaki story has significantly impacted popular culture, featuring prominently in books, documentaries,

films, and online discussions, fueling speculation and contributing to the overall fascination with extraterrestrial life.

4. What is the significance of the Sumerian tablets in this debate? The Sumerian tablets are the primary source of information regarding the Anunnaki, their actions, and their alleged interactions with humanity. However, interpretations of these texts vary widely among scholars.

5. Why does the Nibiru-Anunnaki story continue to resonate with people? The enduring appeal of this narrative stems from humanity's innate curiosity about our origins and the desire for answers to fundamental questions about our place in the universe. The mystery surrounding Nibiru and the Anunnaki fuels speculation and continuous interest.

nibiru and the annunaki: Anunnaki Homeworld Jason M. Breshears, 2011-11 The Anunnaki is a legendary race that appears in the oldest documents preserved by mankind. They are said to inhabit an outermost planet that orbits our sun in an extremely elliptical orbit. Each time this planet gets near to the earth it creates planetary cataclysms. Many researchers claim it will be returning soon. The work of Zecharia Sitchin, author of the Earth Chronicles series of books, focuses on the Anunnaki and their previous visits. Many have asked Sitchin, When will this planet return? He never gave an exact date, but said it was more than halfway back. Jason Breshears gives an exact year, and does so confidently, due to his extensive research. He delves not only into historical records, as Sitchin had done, but also uses scientific cycles and mathematical formulas that relate to our concepts of planetary time and orbits. The historical records, chronologically presented by Breshears, help in identifying cyclical patterns. He also employs advanced geometry, interprets complex crop circle patterns, and uses biblical prophecy in support of some of the astronomical events he has predicted. He does not cover much on the mythical aspects of the Anunnaki gods themselves, but focuses more on the actual sciences that can predict their return. Ancient stories and carefully documented proof are two different things. For these reasons, this book is highly recommended.

nibiru and the annunaki: The Anunnaki of Nibiru Gerald Clark, 2013-08-04 Zeus and his son Apollo are reigning in the New World Order! How are Obama and the Pope involved? This book will shake the foundations of your belief system. The NWO is tearing down sovereign nations and establishing a universal governing council right before our very eyes. Will the Enkiites thwart Enlil's NWO?--P. [4] of cover.

nibiru and the annunaki: Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in *The 12th Planet* • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of

mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellingner shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

nibiru and the annunaki: The King Who Refused to Die Zecharia Sitchin, 2013-09-20 Zecharia Sitchin's secret allegorical novel that brings to life the key concepts of his bestselling book *The 12th Planet* • Reimagines the Epic of Gilgamesh in the context of Sitchin's discoveries • Details ancient Sumerian sex rituals, the Anunnaki lineage of the gods who lived in Sumer, Anunnaki spacecraft technology, the workings of the Oracle of Anu, and Gilgamesh's relationship with the goddess Ishtar Written in secret so as not to incite criticism about his controversial discoveries, this novel from the late Zecharia Sitchin brings to life the key themes of his bestseller *The 12th Planet*. The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves transported to ancient Sumer as Gilgamesh and Ishtar, where he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.

nibiru and the annunaki: Anunnaki Sonny Ramirez, 2017-09-13 Humankind has been attempting to answer complex questions for thousands of years. Is there a God? Where do we come from? Is there life somewhere else? Are we alone? Who created us? Is there an afterlife? Is there hell? In the early 1800s, over thirty thousand tablets were found in the ancient biblical city of Nineveh that included the Assyrian palace reliefs, the library of Ashurbanipal, and the Enuma Elish (also known as the Seven Tablets of Creation) that tell the story of the formation of the world and humanity and of the Anunnaki, gods who arrived from the heavens to create the human race. In a comprehensive study, Sonny Ramirez reveals translations of the findings as well as new discoveries in a passionate search for the truth about the origins of humankind as he attempts to piece together the Anunnaki connection and ultimately discover whether the gods of Earth, men, and Nibiru are still with us today. Anunnaki Gods of Earth and Nibiru share and analyze ancient texts that will encourage others to open their minds, imagine the unimaginable, and dream of the possibilities that an endless universe can hold.

nibiru and the annunaki: The Anunnaki Chronicles Zecharia Sitchin, 2015-09-17 An insider's look into the decades of research behind Zecharia Sitchin's books as well as an in-depth overview of his theories and discoveries • Includes carefully selected chapters from the *Earth Chronicles* series as well as never-before-published letters, articles, and lectures • Each piece includes an introduction, offering context and insight into Sitchin's passionate work and revealing the man behind the theories • Explains the genesis of *The 12th Planet*, the Anunnaki influences on the Sumerian civilization, the orbit of Nibiru, the prehistory of the Americas, the extraterrestrial origins

of modern man, and much more What if the tales from the Old Testament and other ancient writings, such as those from Sumer, Babylon, Egypt, and Greece, were not myths or allegory but accounts of actual historical events? Known for his ability to read and interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning with *The 12th Planet*, detailed how humanity arose after the arrival of the Anunnaki ("those who from Heaven to Earth came"), alien "gods" who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider's look into the decades of research behind Zecharia Sitchin's complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures. We learn about the genesis of *The 12th Planet* in "The Book as a Story," the Sumerians and their Anunnaki influences in "The Sudden Civilization," the orbit of Nibiru in "UFOs, Pyramids, and the 12th Planet," the prehistory of the Americas in "Cities Lost and Found," the extraterrestrial origins of modern man in "The Cosmic Connection--DNA," and much more. We get to read never-before-published lectures, culled from Sitchin's decades of presentations, as well as the article that spurred the writing of *There Were Giants Upon the Earth*. Each piece includes an introduction by Sitchin's niece, offering context and insight into Sitchin's passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

nibiru and the annunaki: DNA of the Gods Chris H. Hardy, 2014-03-21 An in-depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity • Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah • Shows how the concepts of sin and the inferiority of women arose from Enlil's will to keep humanity underdeveloped, clashing with Enki's and Ninmah's plan to make us equal in intelligence • Reveals how humanity's long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin, Chris Hardy shows that the "gods" of ancient myth, visitors from the planet Nibiru, created us using their own "divine" DNA--first through DNA extraction from their own ribs' marrow and later by direct relations with early human females. Drawing upon multiple sacred texts, Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah, with the help of Enki and Hermes. She reveals how Ninmah's first female human creation, Tiamat/Eve, contained more alien DNA than the earlier male one, Adamu, and how the biblical Noah represents the perfection of her work. Examining the war between Anunnaki brothers Enki and Enlil, Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil's attempts to enslave and then wipe out humanity, repeatedly thwarted by Enki and Ninmah. The author further explains how the sacred sexuality taught to humans--still seen in Tantric practice--became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace. Showing that the god who created us was not the same god who expelled us from Eden, Hardy explains that there will be no apocalypse because the Good/Evil duality has never truly existed--it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power. With a full psychological understanding of how the ancient "gods" have shaped humanity's ongoing history of conflict, we can move beyond the framework of "(my) Good versus (your) Evil" imposed by Enlil and begin to steer our own planetary destiny.

nibiru and the annunaki: The Whole Truth about Nibiru "Ne. Be. Ru"-Ashtari Maximillien De Lafayette, 2010-09 Complete description of the Anunnaki life on Nibiru Ne.Ne.Ru Ashtari. Is there any possibility that a mysterious planet inhabited by and/or fashioned by the Anunnaki, could traverse through our universe, unnoticed by scientists? Absolutely! Could this planet be Ashtari-Ne.Be.Ru? Yes! Is Ashtari-Ne.Be.Ru the legendary Nibiru? Yes, but not as it has been

portrayed and depicted by other best-selling authors! Is Nibiru, all of the following: Ne.Be.Ru, Jupiter, Mercury, Marduk, Ashtari, a stargate, a Ba'ab, a space-time station, a crossing station in space, the planet of the Anu.Na.Ki? Yes, and much more! Did the Akkadian/Sumerian Epic of Creation (Enuma Elish) mention Nibiru Ne.Be.Ru? Yes. Was Nibiru Ne.Be.Ru mentioned as a planet or a star? It was mentioned as a celestial body, as well as a deity, a point or a station in the space used to cross or traverse the universe. This book explores all the possibility and much more.

nibiru and the anunnaki: Anunnaki Evolution of the Gods Janet Kira Lessin, Sasha Alex Lessin Ph D, 2019-10-09 Giant Humans, the Anunnaki from the planet Nibiru, bred, blessed, cursed and challenged us. They came for gold to rocket back to Nibiru, powder, and float into their atmosphere to shield it from temperature extremes and radiation. We exist because they grafted Homo erectus genes into their genome. They gave us computers, rockets, submarines, free electricity, longevity treatment, and gene spicing. We imitated the technology we saw them use. They gave us literacy, physics, laws, math, cosmology, astronomy, biology, medicine, metallurgy, brick-making, music, instruments, architecture, geology, cities, schools, canals, ships, cartography, and contracts. They gave savants advanced knowledge to share with us now. But they trained us to compete and hurt rivals, made us slave in armies, homes, and jobs. They imprinted dominator-consciousness on us. The Anunnaki shortened our lives, imprinted us to obsess on status and greed, and inflicted royals, religions, racism, sexism, slavery, taxes, gold lust, debt, murder, war, propaganda, and ignorance on us. Nibiran King Anu ignored the treaty his predecessor signed that designated Marduk (Satan) A Nibiru's next ruler. Marduk ran Earth until a new Nibiran King (Nannar) sent agents to Earth to wrest it from him. They now promise peace, free energy, and quantum computing. They hype harmony, urge understanding, emphasize empathy, and advocate disclosure. They returned to Earth to dawn Prince Enki's (Aquarian) Age when we embrace individuality and unity free from the god-spell, nation-bane, materialist-compulsion, master-slave curse, god-devotee hypnosis, boss-worker hex, and lord-tenant model they imposed.

nibiru and the anunnaki: The 12th Planet (Book I) Zecharia Sitchin, 1991-05-01 Over the years, startling evidence has been unearthed, challenging established notions of the origins of Earth and life on it and suggesting the existence of a superior race of beings who once inhabited our world. The product of thirty years of intensive research, The 12th Planet is the first book in Zecharia Sitchin's prophetic Earth Chronicles series--a revolutionary body of work that offers indisputable documentary proof of humanity's extraterrestrial forefathers. Travelers from the stars, they arrived eons ago, and planted the genetic seed that would ultimately blossom into a remarkable species...called Man. The 12th Planet brings to life the Sumerian civilization, presenting millennia-old evidence of the existence of Nibiru, the home planet of the Anunnaki and of the landings of the Anunnaki on Earth every 3,600 years, and reveals a complete history of the solar system as told by these early visitors from another planet. Zecharia Sitchin's Earth Chronicles series, with millions of copies sold worldwide, deal with the history and prehistory of Earth and humankind. Each book in the series is based upon information written on clay tablets by the ancient civilizations of the Near East. The series is offered here, for the first time, in highly readable, hardbound collector's editions with enhanced maps and diagrams.

nibiru and the anunnaki: Wars of the Anunnaki Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods' evolving relationships with humanity, their power struggles, and the details of their nuclear war on Earth • Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain, resulting in the obliteration of Sumerian civilization • Draws upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons • Examines the Anunnakis' lack of higher consciousness, their reliance on technology, their sacred power objects and sacred geometry, and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons, Chris Hardy reveals the ancient nuclear event that destroyed the

Sumerian civilization and the power struggles of the “gods” that led up to it. The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer. Using genetic engineering, they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki’s brother, took over as Commander of Earth, instating a sole-god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki “gods” but also of humanity’s own ancient past on Earth. Two of Enlil’s attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the Assembly of the Gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnakis’ own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Ninmah, and Enki’s son Hermes. The author explores how the Anunnakis’ reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness. And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

nibiru and the annunaki: *Nibiru Annunaki Illuminati, Who Are We?* James Beam, 2015-07-14
Nibiru, Annunaki, Illuminati. Who are we?

nibiru and the annunaki: *African Temples of the Anunnaki* Michael Tellinger, 2013-05-24
Archaeological proof of the advanced civilization on the southern tip of Africa that preceded Sumer and Egypt by 200,000 years • Includes more than 250 original full-color photographs of South Africa’s circular stone ruins, ancient roads, prehistoric mines, large pyramids, and the first Sphinx • Reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of the gold mining operations of the Anunnaki and the city of Enki • Shows how the extensive stone circle complexes are the remains of Tesla-like technology used to generate energy and carve tunnels straight into the Earth With more than 250 original full-color photographs, Michael Tellinger documents thousands of circular stone ruins, monoliths, ancient roads, agricultural terraces, and prehistoric mines in South Africa. He reveals how these 200,000-year-old sites perfectly match Sumerian descriptions of Abzu, the land of the First People—including the vast gold-mining operations of the Anunnaki from the 12th planet, Nibiru, and the city of Anunnaki leader Enki. With aerial photographs, Tellinger shows how the extensive stone circle and road complexes are laid out according to the principles of sacred geometry and represent the remains of Tesla-like technology used to generate energy and carve immensely long tunnels straight into the Earth in search of gold--tunnels that still exist and whose origins had been a mystery until now. He reveals, with photographic evidence, that the human civilization spawned by the Anunnaki was the first to create many totems of ancient Egypt, such as the Horus bird, the Sphinx, the Ankh, and large pyramids, as well as construct an accurate stone calendar, at the heart of their civilization, aligned with the Orion constellation. He explores how their petroglyphs, carved into the hardest rock, are nearly identical to the hieroglyphs of Sumerian seals. Mapping thousands of square miles of continuous settlements and three urban centers--each one larger than modern-day Los Angeles--Tellinger provides the physical proof of Zecharia Sitchin’s theories on the Anunnaki origins of humanity.

nibiru and the annunaki: *Anunnaki Gods No More* Sasha Lessin, 2012-11-06 Dr. Lessin explains the Anunnaki's involvement in human history. The giant olden gods--folks with high tech & their heirs--chain us to short, hard lives. The godsrocketed here from the planet Nibiru & bred with Homo Erectus to create us as short term slaves & soldiers. We praised them & killed in their names: Allah = the Sumerian Nannar, Yahweh = Enlil , Adanoi = Enki. Read this book & transcend the gods'religions.Sasha Lessin Ph.D (U.C.L.A. Anthropology Ph.D.), author of Anunnaki: Gods No More and producer of the hugely popular web site, www.enkispooks.com, studied with the late Zecharia Sitchin, for many years. Mr. Sitchin asked Lessin to create popular internet, book and college-level courses to revise ancient anthropology. Sitchin asked Lessin to help disseminate written, graphic and traditional stories of ETs, hithertofore considered mythic gods on Earth from 450,000 years ago

to 300 B.C. as well as the latest findings in astronomy that relate to the planet Nibiru from which the ETs came.

nibiru and the anunnaki: Nibiru Rising Ken Womelsdorf, 2011-07 -- Is there a Planet X in our solar system? -- What great knowledge is hidden in the ancient texts? -- Why did the ancients study the heavens for thousands of years? -- Nibiru Rising will amaze you with old secrets and new evidence about our solar system that will capture your imagination with the possibilities they point to.

nibiru and the anunnaki: *There Were Giants Upon the Earth* Zecharia Sitchin, 2010-05-05 The crowning work of the best-selling Earth Chronicles series • Reveals the existence of physical evidence of alien presence on Earth in the distant past • Identifies and describes the demigods, such as Gilgamesh, descended from these visitors • Outlines the tests of this physical evidence of alien presence that could unlock the secrets of health, longevity, life, and death In whose genetic image were we made? From his first book *The 12th Planet* on, Zecharia Sitchin has asserted that the Bible's Elohim who said "Let us fashion The Adam in our image and after our likeness" were the gods of Sumer and Babylon--the Anunnaki who had come to Earth from their planet Nibiru. The Adam, he wrote, was genetically engineered by adding Anunnaki genes to those of an existing hominid, some 300,000 years ago. Then, according to the Bible, intermarriage took place: "There were giants upon the Earth" who took Adam's female offspring as wives, giving birth to "heroes of renown." With meticulous detail, Sitchin shows that these were the demigods of Sumerian and Babylonian lore, such as the famed Mesopotamian king Gilgamesh as well as the hero of the Deluge, the Babylonian Utnapishtim. Are we then, all of us, descendants of demigods? In this crowning oeuvre, Zecharia Sitchin proceeds step-by-step through a mass of ancient writings and artifacts, leading the reader to the stunning Royal Tombs of Ur. He reveals a DNA source that could prove the biblical and Sumerian tales true, providing conclusive physical evidence for past alien presence on Earth and an unprecedented scientific opportunity to track down the "Missing Link" in humankind's evolution, unlocking the secrets of longevity and even the ultimate mystery of life and death.

nibiru and the anunnaki: *The Anunnaki Connection* Heather Lynn, 2020-03-01 This definitive guide connects a diverse range of new and existing theories about the Anunnaki, while exploring their possible connection to humanity's past, present, and future. Over 6,000 years ago, the world's first civilization, the Sumerians, were recording stories of strange celestial gods who they believed came from the heavens to create mankind. These gods, known as the Anunnaki, are often neglected by mainstream historians. The Sumerians themselves are so puzzling; scholars have described their origin as "The Sumerian Problem." With so little taught about the ancient Sumerians in our history books, alternative theories have emerged. This has led many to wonder, about the true story behind the Sumerians and their otherworldly gods, the Anunnaki. Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East, analyzing the religion, myth, art, and symbolism of the Sumerians, investigating: Who are the Anunnaki? How accurate are the current Sumerian text translations, and how do we know for sure who to believe? Is there a connection between the Anunnaki and other ancient gods? Where are the Anunnaki now? Will their possible return spell the end of our world?

nibiru and the anunnaki: *The Lost Book of Enki* Zecharia Sitchin, 2004-08-16 The companion volume to *The Earth Chronicles* series that reveals the identity of mankind's ancient gods • Explains why these "gods" from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series *The Earth Chronicles* provided humanity's side of the story concerning our origins at the hands of the Anunnaki, "those who from heaven to earth came." In *The Lost Book of Enki* we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the

Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first "astronauts." What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

nibiru and the annunaki: Blue Planet Project Gil Carlson, 2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as Above Top Secret and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

nibiru and the annunaki: Anunnaki Sasha Lessin, Janet Kira Lessin, 2015-03-21 Anunnaki: False Gods extends Zecharia Sitchin's translations from clay tablets that underlie the Bible. Ten thousand years ago, scribes in ancient Sumer (Iraq) wrote on these tablets what they said the Anunnaki gods (tall people from the sky) dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are Homo sapiens like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, Homo erectus (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples, priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided.

They addicted us to credit institutions to keep us slaving. Their tales of their stay on Earth before they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us.

nibiru and the anunnaki: The Complete Anunnaki Bible Joshua Free, 2021-03-17 Discover a secret library of Sumerian cuneiform tablets kept by the Babylonian mystery school of Mesopotamia preserving the most ancient writings on the planet. A revised and updated Deluxe Edition hardcover of the underground classic!

nibiru and the anunnaki: *Marduk King of Earth* Janet Kira Lessin, Sasha Alex Lessin Ph D, 2017-04-17 MARDUK: ANUNNAKI KING OF EARTH By Sasha Alex Lessin, Ph.D. (Anthropology) & Janet Kira Lessin CEO, Aquarian Radio Marduk, Our secret Anunnaki ruler, says he'll make amends for suffering he caused. Anu, legal successor to planet Nibiru King Lahma, signed a treaty with King Alalu who slew Lahma. Anu quit as Lahma's successor and agreed to let his and Alalu's grandson Marduk succeed Alalu. Anu however reneged. He abrogated the treaty, deposed Alalu and denied Marduk Nibiru's Crown. Marduk rocketed to Earth where he joined his father Enki, Chief Scientist, Earth Goldmining Expedition (the Anunnaki). Marduk didn't rule Nibiru; he only, for awhile, ruled the Astronaut Corps (Igigi) on Mars. He wed a Hybrid (Sarpanit) whose ancestors his dad created. He built Babylon for both Anunnaki and Hybrids in Iraq. Marduk backed the Igigi after they abducted hybrid women following his wedding. He helped settle them on Earth. The Igigi and the lineages they bred with the slave-women, allied with him, settled in Jerico, Canaan and Egypt. In 3450 BCE Anunnaki Commander Enlil-Yahweh had his son Ninurta bomb Marduk's Babylon. In 2924 BCE Ninurta nuked the Expedition's Sinai Spaceport to deny it to Marduk. Marduk's brother Nergal bombed Sodom, Gomorra and the Salt Sea's south bank to kill Marduk's son Nabu. To Enlil's shock, a radioactive storm blew from the bombs he'd ordered dropped and also killed his Sumerian Earthlings. Enlil left Earth rule to Marduk.

nibiru and the anunnaki: Zecharia Sitchin and the Extraterrestrial Origins of Humanity M. J. Evans, 2016-05-17 An in-depth analysis of Sitchin's revelations about the Anunnaki, early humanity, and Earth's future • Examines Sitchin's research into the Anunnaki arrival on Earth, the lineage of the Nefilim, their space travel technology, and their creation of modern humans • Written by longtime Sitchin friend and colleague M. J. Evans, Ph.D., and draws upon her research and personal discussions with Sitchin • Explores the lust and lovemaking relationships of the Nefilim and suggests we inherited our warlike and love making tendencies from them Known for his provocative interpretations of ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) read the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that these ancient tablets revealed a coherent narrative about the extraterrestrial inhabitants of Earth and the origins of modern humanity. Drawing upon her many conversations with Zecharia Sitchin over nearly 20 years, M. J. Evans, Ph.D., longtime Sitchin friend and colleague, provides an in-depth analysis of Sitchin's revelations about the Anunnaki, focusing on Anunnaki activities on Earth and Earth's future. She explores the genesis of Sitchin's interest in the Nefilim, the leaders of the Anunnaki, and the controversy caused by the publication of Sitchin's first book, *The 12th Planet*. She examines Sitchin's research into the Nefilim family tree, the Anunnaki arrival on Earth to mine gold to repair the atmosphere on their planet, Nibiru, and their creation of modern humans as workers for their mines and to build their civilization on Earth. She shows how, in the context of 21st-century technological capabilities, Sitchin's work casts a different light on ancient events, with implications for our future. The author reveals the details of the love and lust proclivities of the Nefilim gods Anu, Enlil, and Enki and the goddess Ishtar/Inanna and shows how we inherited these tendencies from our Anunnaki creators as well as their use of war for problem solving. Concluding with an examination of Sitchin's prediction of a nuclear event on Earth in our modern era, she shows how we would be repeating the aggressive warlike behaviors of our

Anunnaki creators, who may very well become our saviors when Nibiru next returns to our solar system.

nibiru and the annunaki: *The Complete Earth Chronicles* Zecharia Sitchin, 2014-10-04 Hardcover collector's editions of all 7 volumes of the Earth Chronicles Series in a display slipcase • Includes *The 12th Planet*, *The Stairway to Heaven*, *The Wars of Gods and Men*, *The Lost Realms*, *When Time Began*, *The Cosmic Code*, and *The End of Days* • The culmination of Sitchin's 30 years of intensive research offering indisputable documentary proof of humanity's extraterrestrial forefathers The Earth Chronicles series, with millions of copies sold worldwide, represents the culmination of Zecharia Sitchin's 30 years of intensive research into the history and prehistory of Earth and humankind as recorded by the ancient civilizations of the Near East. Within these volumes, Sitchin—one of the few scholars able to read and interpret ancient Sumerian and Akkadian clay tablets—presents indisputable millennia-old proof of humanity's extraterrestrial forefathers, the Anunnaki, who visited Earth every 3,600 years from their home planet Nibiru. This boxed set of hardcover collector's editions with enhanced maps and diagrams includes all 7 volumes of the Earth Chronicles series: *The 12th Planet*, *The Stairway to Heaven*, *The Wars of Gods and Men*, *The Lost Realms*, *When Time Began*, *The Cosmic Code*, and *The End of Days*.

nibiru and the annunaki: *The Gods of Nibiru in the Ancient Near East* Ryan Moorhen, No direct explanation is given for the origin and nature of the luminous bodies, the sun, the planets, and the stars. Because, as far back as our written sources go, the Sumerians regarded the moon-god, who went by the names Sin and Nanna, as the son of the air-god Enlil, it does not seem unreasonable to suggest that they saw the moon as a bright, air-like body fashioned from the atmosphere. As the sun-god Utu and the Venus goddess Inanna are always referred to in the texts as children of the moon-god, these luminous bodies were probably imagined as having come from the moon after the latter had been formed from the atmosphere. The big ones walk around (the moon) like wild oxen, and the little ones that are scattered around (the moon) like grain are considered the rest of the planets and stars.

nibiru and the annunaki: *The Anunnaki Countdown* Roué Hupsel, 2023-01-06 Roué Hupsel is widely recognized in Suriname, South America as the creator of popular radio shows. He began writing short stories in 2002, and since then he has won several literary awards. He received the prestigious SCHADUWPRIJS 2005 by the Society of Dutch Crime Authors for his debut and top-ranking thriller *BLINDE MUREN* (BLIND WALLS). In 2005 he published a dark thriller *ZWARTE MAGIE* (BLACK MAGIC). In 2007 he returned with the eco-thriller and bestseller *DE GROENE OORLOG* (THE GREEN WAR). Roué published many short stories in Suriname, The Netherlands, Belgium, the Caribbean, and South Africa. Roué Hupsel is a member of the Society of Dutch Crime Authors, and Writers' Group 77.

nibiru and the annunaki: *The Genesis 6 Conspiracy* Gary Wayne, 2020-09-15 *Genesis 6 Conspiracy*: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This *Genesis 6 Conspiracy* marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will

challenge you to prepare for the fulfilling of God's promises. nibiru and the anunnaki: The 7th Planet, Mercury Rising Gerald R. Clark, 2014-12-28 If the Anunnaki created mankind, then who created them? Is there proof that Dark forces have been in control of US policy since 1945? What is their agenda? What is our destiny as a species and how do we get back home to the light? Have we been abandoned by the Gods? Good news! Hope abounds herein, mankind's immortal teachers are with us always guiding mankind's path. This book holds the keys to the multi-dimensional ascension rules for the game of life! Recieve the wisdom as I did, a gift from the creator of all, and know we shall meet again at the source in our new dimensional reality. What's interesting holds the key to your future. Fear nor death, in wisdom and love take your fated steps toward your destiny now!

nibiru and the anunnaki: Ancient Aliens: Marradians and Anunnaki Gary Morgenstein, Ilil Arbel, 2016-12-13 Welcome to the human history you didn't know. A history which the governments of the world don't want you to learn, where humans were pawns of an advanced extraterrestrial race which reshaped our evolutionary cycle through inter-breeding, science and technology. All of us have their DNA. Thirty thousand years ago, two great ancient alien civilizations, the Marradians and the Anunnaki, lived in peace. As much peace as two rivals could muster carving up the Galaxy. Living on the planet Nibiru, they were cousins before the Great Parting, a brutal war fueled by the Anunnaki's insistence that inferior life forms, if gently guided, could thrive in their own endemic image, while Marradians only believed in fealty, the boot and the death stick, or S'ar. The Anunnaki who had visited Earth thousands of years ago were impossibly handsome. They were considered Gods among the ancient Sumerians, and are mentioned in the Bible as the Nephilim - The Fallen Angels. The Marradians are not all that handsome, but they look human and intermingle easily with us. The Anunnaki do not currently live on Earth. The Marradians, on the other hand, have created stations on Earth. Many of them lived here, mostly underwater, for thousands of years. In their minds, the Marradians own the Earth, and the humans are interlopers. They have bases underwater, in the Pacific, near Puerto Rico, and under Alaska's glaciers. The objects we call USO (Unidentified Submerged Objects) are their dangerous crafts. This is just a sliver of the wealth of knowledge we'll be sharing with you. We'll use ancient texts and new research to finally bring the history, culture, traditions, religion, politics, food, science, technology, songs, sexual practices and customs of the Marradians, along with parallel information about the Anunnaki race since the two cousins' story is so bitterly entwined.

nibiru and the anunnaki: 10th Edition. 2022: WHAT WILL HAPPEN TO US WHEN THE ANUNNAKI RETURN TO EARTH IN 2022? Maximillien De Lafayette, 2013-10-17 Published by Times Square Press <http://www.timessquarepress.com/> Author's website: www.maximilliendelafayettebibliography.com The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, and the most frightening transformation that it would bring to the earth. If this is going to happen, a huge number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated. Only those who are naturally uncontaminated and those who managed to clean themselves completely will be taken up through an antimatter bubble, with the animals and certain important buildings and inanimate art and culture objects, and kept safe until the earth would be clean again. Such a scenario is, to say the least, disconcerting. Even if you are not sure whether you are a believer or not, you should certainly consider the possibilities - and the book teaches you exactly

how to save yourself.

nibiru and the anunnaki: *Reign of the Anunnaki* Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free • Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion, secret societies, and catastrophes • Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly • Explains how they established religion to control us and how Gnostic Christianity--which came from Christ and not the Anunnaki--offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race, called the Anunnaki, who came from space to exploit our planet. Through genetic manipulation, they created modern humans from existing earthly life forms to serve them as slaves. They physically left our planet millennia ago, but as Jan Erik Sigdell reveals, their influence and control over humanity is still pervasive and significant. Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops, setting limits on our evolution and holding back our development by means of manipulation and catastrophes, including the deluge immortalized in the Bible and many other ancient myths. He shows how they still manipulate our politics and affairs via secret societies, such as the Illuminati, and the political elite, such as the Bilderberg Group. Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians, the author also explores their diet and how they feed off blood and the energies given off by lower life forms, such as humans, when they are expressing extreme negative emotions, having sex, or dying. This energy-feeding ability has allowed them to remain here on Earth as multidimensional entities, enforcing their control invisibly. He explains how the Anunnaki established religions as tools for control, setting up the major religions with themselves as "gods" and playing them against each other to keep humanity's attention away from ongoing Anunnaki manipulation. They have also hidden from us the existence of the true highest creator, who created the cosmos as well as the Anunnaki themselves. The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love, empathy, and sacred sexuality. But the "god" of the Anunnaki defeated this messenger and replaced him with a false Christ. This led to the development of Paulinian Christianity under Anunnaki influence, as well as other parallel religions such as Islam, and the suppression and elimination of the original Christianity, Gnostic Christianity. With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945, the way is now paved for our release from the reign of the Anunnaki.

nibiru and the anunnaki: The End of Days Zecharia Sitchin, 2009-10-13 The groundbreaking, bestselling series—millions of copies sold worldwide! A classic of ancient human history—and one of the inspirations behind the History Channel's Ancient Aliens—Zecharia Sitchin's Earth Chronicles series is the revelatory and deeply provocative masterwork that forever altered humankind's view of our history and our destiny. The fantastic conclusion to the groundbreaking Earth Chronicles series brings together past and present to offer a radical vision of the future Thirty years ago, Zecharia Sitchin challenged established notions of the origins of Earth and man. In a series of provocative books, he offered a radical new theory, based on indisputable documentary evidence, of extraterrestrial beings—the Anunnaki—who arrived eons ago to plant mankind's genetic seed. In this triumphant final volume, he closes the circle, exploring the profound question that has troubled us throughout time—from the Bible's Daniel to Sir Isaac Newton to modern Americans—When will the end come? In *The End of Days*, Sitchin solves ancient enigmas, deciphers the original meaning of religious symbols, analyzes scientific calculations, explores Messianic expectation, and bridges the links between history and prophecy—between the 21st century, A.D. and the 21st century B.C.—to present a startling vision of what is to come for us all.

nibiru and the anunnaki: Anunnaki Legacy of the Gods Sasha Lessin, Sasha (Alex) Lessin Ph D, Janet Kira Lessin, 2014-01-28 THIS BOOK WILL TRASH THE MATRIX THAT SPOILS THE PLANETET Homo Sapien giants from the planet Nibiru created short-lived slave--that's us--from

their genome to work goldmines. We called them "Anunnaki-Gods-From-The-Sky. They taught us violence, greed, slavery, debt. Their Chief Scientist begat Noah with an Earthling. Since the Deluge, Anunnaki have ruled through Noah's descendants. Most Anunnaki returned to Nibiru after they nuked Canaan and Sinai and accidentally radiated Iraq. Some Anunnaki stayed to run Earth. They and their power elite still control us, playing us off against each other with wars, nations, empires, religions and debt. Anunnaki, Legend of the Gods, helps us perceive the perverse perspective they perpetrated will not prevail. Peruse this volume, see the matrix they made. Nullify the Anunnaki Legacy and we can create a civilized world that honors everyone's consciousness.

nibiru and the anunnaki: The Gardens of Nibiru Richard Fox, 2016-04-09 Earth defeated the Toth invasion. Now humanity takes the fight to the aliens. The supreme Toth overlord, Mentiq, rules his species with an iron fist from his fortress on the planet Nibiru. The first overlord surrounds himself with decadent treasures and the galaxy's deadliest warriors to protect his dominion from treachery and attack. Armed with stolen Toth technology, the Breitenfeld travels to the world with a single mission: assassinate Mentiq and end the Toth threat to Earth. What secrets await Lieutenant Hale and the Breitenfeld in THE GARDENS OF NIBIRU? ++++ Q&A with Richard Fox: How would you describe The Gardens of Nibiru? In as few words as possible: Tears of Sun meets The Expendables. How long do we have to wait for the next book? The next chapter in the Ember War Saga, The Battle of the Void, will be out in June, 2016. If this was a movie, what would it be rated? PG-13 for some language and intense action.

nibiru and the anunnaki: Judgment of the Nephilim Ryan Pitterson, 2017-09-04 ¿There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.¿ ¿ Genesis 6:4 6,000 years ago a war began. A war to rule Heaven and Earth that dates all the way back to the Garden of Eden. In the Garden, God told Satan that one day a woman would give birth to a male child - the Messiah, who would redeem humanity and destroy him. In order to prevent this child's birth, Satan instigated a fallen angelic rebellion. A group of angels broke off their allegiance to the Lord and entered the early realm to corrupt the human gene pool and prevent the Savior's birth. These fallen angels (¿sons of God¿) took human wives (¿daughters of men¿) and had children with them. Their offspring ¿ hybrid half-human, half-angelic beings, were superhuman giants known as the Nephilim. With human DNA corrupted and humanity hanging in the balance, The Lord unleashed a punishment against the Nephilim that was so severe, only Noah and his family would survive. This is the first comprehensive Biblical study of the Nephilim. Using only Scripture, we are given a complete picture of the war between two bloodlines ¿ the lineage of the Messiah and the seed of Satan. Exploring passages rarely connected to the giants, some of the most challenging questions in the Bible regarding the Nephilim will be answered, including:¿Why did Pharaoh order all male children to be thrown in the river and Herod execute all male children in Bethlehem?¿How were angels able to reproduce with human women?¿Who was the first human woman to marry the sons of God?¿How did the Nephilim return after the Flood and are there still Nephilim among us?The JUDGMENT OF THE NEPHILIM will give you a deeper appreciation of God's Word, His unwavering love and defense of the human race.

nibiru and the anunnaki: Serpent Priestess of the Annunaki Katrina Sisowath, 2014-06-09 The Annunaki on Nibiru lack precious metals, stones and minerals, which they desire, food on Nibiru is also running low. Their solution: establish a colony on a distant planet teeming with wildlife and vegetation. When the Annunaki discover they are ill equipped to labor under the harsh conditions found on Earth, they create a workforce called humans, a hybrid manufactured from their DNA and a species known as hominid. The Serpent Priestess Ninkha and her husband Lord Enki are charged with this task, battling not only the challenges faced adjusting to life on Earth, but Enki's brother, Enlil, as well. Will the humans live as Enki and Ninkha envisioned--able to learn, create and above all, reason? Or will they subjugate themselves to Enlil and his rule willingly? At stake is the future of the Priestesses of Damuth, who, along with their serpents, service the Annunaki with their own blood, providing those who partake of the cocktail of blood and venom the ultimate in achieving a

higher state of consciousness, along with youth, vigour and longevity. If Enlil, whose disdain of them is well-known, wins, what will happen to them? To protect themselves and their descendants they form the 'Dragon Court', but is it enough? Serpent Priestesses or Witches, Gods or Demons, Aliens or Ancestors, Oppressors or Creators? Perhaps all of the above.....

nibiru and the anunnaki: Divine Encounters Zecharia Sitchin, 2002-03-01 Explains the links between the Bible and ancient Sumerian texts, probing the age-old question of the relationship between humanity and its creators. • Challenges scientific maxims of the basis of human life. • Draws fascinating parallels between the leaders of the Anunnaki (from the 12th planet) and Yahweh. • A comprehensive new look at the history of man. • First time available in hardcover. In *Divine Encounters* Zecharia Sitchin draws on basic Judeo-Christian texts to analyze the creation myths, paralleling Biblical stories to the myths of Sumer and Mesopotamia in order to show that humanity did not evolve without assistance. Sitchin daringly hypothesizes instead that Enki, one of the leaders of the Anunnaki from the 12th planet, created humanity as a primitive worker. Furthermore, Sitchin suggests that the extraterrestrial encounters of today demonstrate the continued interest of the Anunnaki in the Earthlings they created.

nibiru and the anunnaki: The Cosmic Code (Book VI) Zecharia Sitchin, 2002-03-01 Reveals Zecharia Sitchin's groundbreaking research into the code left behind by the creators of humanity. • Explains how the Anunnaki were not merely the mythical gods of the Sumerians, but rather the founders of human life on Earth. • Using Biblical and ancient Sumerian sources, explains how to decode these messages our star ancestors left behind. Daring to challenge our long-held beliefs about the origins of man, Zecharia Sitchin suggests that humans are not the children of God, but rather the children of the Anunnaki, an ancient race from the planet Nibiru. His revolutionary theories are supported by his intense scrutiny of not only ancient Sumerian texts but also stone structures all over the world. The similarities and astrological significance of these formations suggests that rather than looking for guidance from leaders here on Earth, humanity should instead look to the sky for answers. The *Earth Chronicles* deal with the history and prehistory of Earth and humankind. Each book in the series is based upon information written on clay tablets by the ancient civilizations of the Near East. For the first time, the entire *Earth Chronicles* series is now available in a hardcover collector's edition.

nibiru and the anunnaki: Anunnaki Theory Authenticated with a New Twist Shafak GokTurk, 2018-06-16 What do all books about the Anunnakis have in common? The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject, one that will take you to another dimension of reality in our world. Ever wonder how humankind was able to make such tremendous progress over the last 2,000 years? Why is leadership of the world shifting from East to West in politics, economics, and technology? GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world. Unlike some authors who claim the Anunnakis left our world, GokTurk historically and methodically proves that they remain and have had a significant impact on our lives. The two main groups of Anunnaki—Enlil and Enki—are still active and have always been. A shift of power from one to the other that will reshape our world in the near future is imminent. Will this shift of power bring peace and prosperity, or are we destined to take a turn for the worse? Reading this book will enlighten you about various topics: who Admiral Byrd had a conversation with; Who is Shem to the great Rumi? What are the messages that these people were trying to give us? Do Anunnakis take humans into their society by allowing them to live forever? Purchase the book now to see the world order from a new perspective, as we come closer to meeting our true ancestors in 2060 (?).

nibiru and the anunnaki: The New Solar System J. Kelly Beatty, Carolyn Collins Petersen, Andrew Chaikin, 1999-01-28 New edition of the leading planetary science textbook packed with the latest images, data, and results from recent planetary missions.
