Background and Origin of "Of Beetles and Angels"

"Of Beetles and Angels" is a memoir written by Mawi Asgedom, chronicling his journey from a refugee camp in Sudan to becoming a Harvard graduate in the United States. The book was first published in 2002 and quickly gained recognition for its honest and heartfelt portrayal of an immigrant's challenges and triumphs. Mawi's story resonates deeply with readers from diverse backgrounds, highlighting the universal struggles of adapting to a new culture while maintaining one's identity. The memoir provides insight into the refugee experience, the importance of family support, and the value of kindness. Widely used in schools and community programs, "Of Beetles and Angels" has inspired countless readers with its

message of hope and perseverance.

Summary of the Memoir

"Of Beetles and Angels" follows the real-life experiences of Mawi Asgedom, who, as a child, fled war-torn Ethiopia with his family. After years in a Sudanese refugee camp, they were resettled in the United States, where Mawi faced the challenges of poverty, language barriers, and prejudice. The memoir details his journey through grade school and high school, focusing on the determination and positive mindset that helped him overcome obstacles. Mawi's story is filled with memorable moments, from awkward classroom encounters to moments of triumph on the basketball court. The narrative is enriched by the wisdom of his father, who encourages his children to treat everyone with kindness, seeing "beetles" and "angels" in all people. By the end of the memoir, readers witness Mawi's transformation into a successful student and leader, culminating in his acceptance to Harvard University.

Major Themes and Lessons

The memoir "Of Beetles and Angels" is rich with themes that are both universal and deeply personal. These themes are woven throughout Mawi Asgedom's journey and are relevant to readers of all ages and backgrounds. They offer powerful lessons about life, character, and the importance of community.

Resilience in the Face of Adversity

A central theme in "Of Beetles and Angels" is resilience. Mawi and his family endure tremendous hardship, from fleeing their homeland to adapting to a completely new society. Their perseverance in the face of adversity is a testament to the human spirit and the ability to overcome challenges with determination and hard work.

Importance of Family and Community

Family plays a pivotal role in Mawi's story. The support, love, and guidance he receives from his parents and siblings are vital to his success. Community, both within the refugee camp and in their new American home, also provides a network of support and belonging. These relationships are crucial in helping Mawi navigate cultural differences and personal struggles.

Kindness and Compassion

Mawi learns from his father to treat everyone with dignity, regardless of their background or appearance. The lesson that everyone has both "beetles" and "angels" inside them emphasizes the importance of empathy, acceptance, and understanding. This message of compassion encourages readers to look beyond the surface and appreciate the value in every individual.

Personal Growth and Education

Education is portrayed as a pathway to opportunity and self-improvement. Mawi's academic journey, filled with challenges and achievements, demonstrates the transformative power of learning and perseverance. His commitment to education ultimately opens doors to a brighter future.

- Resilience and perseverance through hardship
- Family and community support
- Kindness and compassion toward others
- Personal growth through education
- Overcoming prejudice and embracing diversity

Character Analysis

The characters in "Of Beetles and Angels" are based on real people, each contributing to the depth and authenticity of the memoir. Understanding these characters helps readers connect more deeply with the narrative and its lessons.

Mawi Asgedom

As the protagonist and narrator, Mawi is depicted as intelligent, determined, and compassionate. His journey from a refugee camp to Harvard highlights his adaptability and resilience. Mawi's reflections and growth throughout the story inspire readers to pursue their own dreams despite obstacles.

Mawi's Father

Mawi's father is a central figure whose guidance shapes the family's values and outlook. He teaches his children about the importance of kindness, humility, and seeing the best in others. His wisdom and strength are foundational to the family's survival and success.

Mawi's Mother and Siblings

Mawi's mother provides stability and emotional support, while his siblings, particularly his brother Tewolde, play significant roles in his development. The family's close-knit bond is a source of comfort and motivation throughout their journey.

The Significance of the Title "Of Beetles and Angels"

The title "Of Beetles and Angels" carries deep symbolic meaning within the memoir. It reflects the central lesson taught by Mawi's father: that every person has both "beetles" (representing flaws, challenges, or difficult moments) and "angels" (symbolizing virtues, kindness, and hope) within them. This perspective encourages readers to look beyond first impressions and recognize the complexity and potential in every individual. The title serves as a reminder that compassion and understanding can reveal the best in ourselves and others, transforming even the most challenging situations into opportunities for growth and connection.

Author's Journey and Impact

Mawi Asgedom's journey from refugee to celebrated author and motivational speaker is a remarkable testament to the power of perseverance and belief in oneself. After graduating from Harvard, Mawi dedicated his life to inspiring others, sharing his story with audiences across the world. His memoir has been featured in school curriculums, community programs, and leadership training, impacting thousands of readers and listeners. Through his work, Mawi advocates for education, empathy, and the importance of embracing diversity. His story continues to motivate individuals to overcome their own challenges and to contribute positively to their communities.

Critical Reception and Educational Value

"Of Beetles and Angels" has received widespread acclaim from educators, students, and literary critics for its honest storytelling and relatable themes. The memoir is often included in middle and high school reading lists, as it addresses issues such as immigration, cultural adaptation, and social justice in a manner accessible to young readers. Teachers use the book to promote discussions about diversity, resilience, and ethical decision-making. Its engaging narrative and valuable lessons make it a powerful tool for character education and personal reflection. The memoir's popularity continues to grow, solidifying its status as a modern classic in contemporary literature.

Frequently Asked Questions

Q: What is the main message of "Of Beetles and Angels"?

A: The main message of "Of Beetles and Angels" is the importance of kindness, resilience, and believing in the potential of every individual, regardless of their background or circumstances.

Q: Who is the author of "Of Beetles and Angels"?

A: The author is Mawi Asgedom, a former Ethiopian refugee who became a Harvard graduate, author, and motivational speaker.

Q: What does the title "Of Beetles and Angels" mean?

A: The title symbolizes the dual nature within every person—"beetles" representing challenges or flaws, and "angels" representing virtues and goodness. It encourages readers to look for the best in others and themselves.

Q: Why is "Of Beetles and Angels" often used in schools?

A: The memoir is used in schools because it addresses important themes like immigration, diversity, resilience, and compassion, making it relevant and educational for students.

Q: What are some major themes in "Of Beetles and Angels"?

A: Major themes include resilience, family support, kindness, personal growth, and overcoming adversity.

Q: Is "Of Beetles and Angels" based on a true story?

A: Yes, it is a true memoir recounting Mawi Asgedom's personal experiences as a refugee and his journey in America.

Q: How does education play a role in the memoir?

A: Education is portrayed as a transformative force that enables Mawi to overcome challenges and achieve his dreams, ultimately leading to his acceptance at Harvard.

Q: What is the significance of family in "Of Beetles and Angels"?

A: Family is central to Mawi's story, providing emotional support, guidance, and motivation to persevere through difficult times.

Q: What impact has "Of Beetles and Angels" had on readers?

A: The memoir has inspired readers to be more compassionate, resilient, and understanding, while also raising awareness about the refugee experience and the power of hope.

Of Beetles and Angels: Exploring the Unexpected Symbiosis of Nature and Spirituality

The juxtaposition of "beetles" and "angels" might seem jarring at first. One conjures images of crawling insects, often considered pests; the other, ethereal beings of light and purity. Yet, a closer look reveals a surprising connection – a potent metaphor for the unexpected beauty and profound spiritual meaning that can be found even in the seemingly mundane aspects of life. This blog post delves into this fascinating intersection, exploring the symbolic power of beetles and angels, their representation in different cultures and religions, and the surprising ways they can enrich our understanding of the natural world and our place within it.

H2: The Humble Beetle: A Symbol of Transformation and Resilience

Beetles, with their incredibly diverse forms and widespread presence, have captivated human imagination for millennia. Their hard exoskeletons symbolize resilience and protection, mirroring the challenges we face in life. The beetle's metamorphosis – from larva to pupa to adult – is a powerful symbol of transformation, spiritual growth, and the potential for rebirth. Many cultures associate beetles with resurrection and the cyclical nature of life and death. For example, the scarab beetle in ancient Egypt was revered as a symbol of the sun god Khepri, representing creation and renewal. This deep-seated symbolism underscores the beetle's importance as a potent spiritual symbol.

H3: Beetles in Mythology and Folklore

Beyond Egypt, beetles hold diverse meanings across various cultures. In some traditions, they represent perseverance and industriousness due to their ability to overcome obstacles. In others, they are linked to the underworld or the realm of the dead, reflecting the beetle's association with decay and decomposition – a necessary part of the cycle of life. This multifaceted representation highlights the complex and often contradictory nature of symbolism itself, reminding us that meaning is often context-dependent.

H2: Angels: Messengers of Divine Grace and Protection

Angels, in contrast to the earthly beetle, represent the celestial realm, acting as messengers of God or divine forces. They are often depicted as beings of light and purity, embodying grace, compassion, and protection. Their presence is associated with hope, guidance, and spiritual enlightenment. Different faiths and theological traditions have their own unique interpretations of angels and their roles, but the core themes of divine intervention and spiritual support remain consistent.

H3: Angels as Guardians and Guides

The concept of guardian angels is particularly relevant to the theme of protection and guidance. The belief that each person has a celestial protector watching over them provides comfort and a sense of security, especially during challenging times. This protective aspect resonates with the beetle's resilient symbolism, suggesting that even in the face of adversity, we are not alone.

H2: The Unexpected Symbiosis: Beetles and Angels in a Spiritual Context

The juxtaposition of beetles and angels creates a compelling narrative of spiritual growth and transformation. The beetle, representing the earthly journey with its trials and tribulations, finds a counterpart in the angel, symbolizing divine assistance and spiritual guidance. This duality mirrors

the human experience, highlighting the interplay between the physical and spiritual realms.

H3: Finding Meaning in the Mundane

The unexpected connection between beetles and angels emphasizes the importance of finding spiritual meaning even in the seemingly insignificant aspects of life. By observing the resilience of the beetle and contemplating the protective presence of angels, we can cultivate a deeper appreciation for the interconnectedness of all things and the profound beauty that exists in both the natural and spiritual worlds.

H2: Applying the Metaphor to Personal Growth

The symbolism of beetles and angels offers a valuable framework for personal reflection and growth. The beetle's transformation can be seen as a metaphor for our own personal journeys, emphasizing the importance of perseverance, resilience, and embracing change. The presence of angels reminds us that we are not alone on this path, and that divine guidance and support are always available.

Conclusion

The exploration of "beetles and angels" reveals a rich tapestry of symbolism, highlighting the unexpected connections between the natural world and the spiritual realm. By understanding the diverse representations of these two seemingly disparate entities, we can cultivate a deeper appreciation for the interconnectedness of all things and find profound meaning in both the mundane and the extraordinary aspects of life. The symbolism of resilience, transformation, and divine guidance offers a powerful framework for personal growth and spiritual development.

FAQs:

1. Are all beetle species symbolically significant? No, the symbolic significance of beetles varies greatly depending on the specific species and cultural context. The scarab beetle holds particular importance in ancient Egyptian culture, while other beetles may hold different meanings in other traditions.
2. What is the difference between guardian angels and other types of angels? Guardian angels are believed to be specifically assigned to protect and guide individual humans, while other types of angels have broader roles in the celestial hierarchy, such as messengers or warriors.
3. How can I apply the beetle's symbolism of transformation to my own life? Consider the challenges you are facing and see them as opportunities for growth and transformation. Embrace change, even

if it is uncomfortable, and trust in your ability to overcome obstacles.

4. How can I connect with my guardian angel? Many believe that connecting with your guardian angel involves prayer, meditation, and focusing on positive intentions. Creating a space for quiet reflection and seeking spiritual guidance can strengthen your connection.

5. Is the "beetles and angels" metaphor universally understood? No, the specific symbolism and interpretation of "beetles and angels" will vary depending on individual beliefs and cultural backgrounds. However, the overarching themes of resilience, transformation, and divine guidance are broadly applicable and resonate with many people.

of beetles and angels: Of Beetles and Angels Mawi Asgedom, 2008-10-23 Read the remarkable true story of a young boy's journey from civil war in east Africa to a refugee camp in Sudan, to a childhood on welfare in an affluent American suburb, and eventually to a full-tuition scholarship at Harvard University. Following his father's advice to treat all people—even the most unsightly beetles—as though they were angels sent from heaven, Mawi overcomes the challenges of language barriers, cultural differences, racial prejudice, and financial disadvantage to build a fulfilling, successful life for himself in his new home. *Of Beetles and Angels* is at once a harrowing survival story and a compelling examination of the refugee experience. With hundreds of thousands of copies sold since its initial publication, and as a frequent selection as one book/one school/one community reads, this unforgettable memoir continues to touch and inspire readers. This special expanded fifteenth anniversary edition includes a new introduction and afterword from the author, a discussion guide, and more.

of beetles and angels: Of Beetles and Angels Mawi Asgedom, 2005-01-01 This acclaimed memoir tells the unforgettable story of a young boy's journey from a refugee camp in Sudan to Chicago, where his family survived on welfare.

of beetles and angels: Of Beetles and Angels Mawi Asgedom, 2001 The inspiring story of Mawi Asgedom, a refugee from civil war in east Africa who sixteen years later delivered the commencement address at his graduation from Harvard University.

of beetles and angels: The Code Mawi Asgedom, 2007-10-15 Overcoming a childhood beset by civil war in East Africa and living on welfare in Chicago, the author grew up to attend Harvard on scholarship. of beetles and angels: Six-Legged Soldiers Jeffrey A. Lockwood, 2010-07-22 Examines how insects have been used as weapons in wartime conflicts throughout history, presenting as examples how scorpions were used in Roman times and hornets nests were used during the Middle Ages in siege warfare and how insects have been used in Vietnam, China, and Korea.

of beetles and angels: We Are Displaced Malala Yousafzai, 2019-01-08 In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, María escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's

most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. A stirring and timely book. —New York Times

of beetles and angels: *Rebugging the Planet* Vicki Hird, 2021-09-16 This is a lovely little book that could and should have a big impact...Let's all get rebugging right away!—Hugh Fearnley-Whittingstall Meet the intelligent insects, marvelous minibeasts, and inspirational invertebrates that help shape our planet—and discover how you can help them help us by rebugging your attitude today! Remember when there were bugs on your windshield? Ever wonder where they went? We need to act now if we are to help the insects survive. Robin Wall Kimmerer, David Attenborough, and Elizabeth Kolbert are but a few voices championing the rewilding of our world. *Rebugging the Planet* explains how we are headed toward “insectageddon” with a rate of insect extinction eight times faster than that of mammals or birds, and gives us crucial information to help all those essential creepy-crawlies flourish once more. Author Vicki Hird passionately demonstrates how insects and invertebrates are the cornerstone of our global ecosystem. They pollinate plants, feed birds, support and defend our food crops, and clean our water systems. They are also beautiful, inventive, and economically invaluable—bees, for example, contribute an estimated \$235 to \$577 billion to the US economy annually, according to Forbes. *Rebugging the Planet* shows us small changes we can make to have a big impact on our littlest allies: Learn how to rewild parks, schools, sidewalks, roadsides, and other green spaces. Leave your garden to grow a little wild and plant weedkiller-free, wildlife-friendly plants. Take your kids on a minibeast treasure hunt and learn how to build bug palaces. Make bug-friendly choices with your food and support good farming practices. Begin to understand how reducing inequality and poverty will help nature and wildlife too—it's all connected. So do your part and start rebugging today! The bees, ants, earthworms, butterflies, beetles, grasshoppers, ladybugs, snails, and slugs will thank you—and our planet will thank you too.

of beetles and angels: *The Stone Angel* Margaret Laurence, 2010-10-08 The film adaptation of Margaret Laurence's *The Stone Angel*, starring acclaimed actresses Ellen Burstyn and Ellen Page,

and introducing Christine Horne, opens in theatres May 9, 2008. This special fortieth-anniversary edition of Margaret Laurence's most celebrated novel will introduce readers again to one of the most memorable characters in Canadian fiction. Hagar Shipley is stubborn, querulous, self-reliant, and, at ninety, with her life nearly behind her, she makes a bold last step towards freedom and independence. As her story unfolds, we are drawn into her past. We meet Hagar as a young girl growing up in a black prairie town; as the wife of a virile but unsuccessful farmer with whom her marriage was stormy; as a mother who dominates her younger son; and, finally, as an old woman isolated by an uncompromising pride and by the stern virtues she has inherited from her pioneer ancestors. Vivid, evocative, moving, *The Stone Angel* celebrates the triumph of the spirit, and reveals Margaret Laurence at the height of her powers as a writer of extraordinary craft and profound insight into the workings of the human heart.

of beetles and angels: *Fierce as the Wind* Tara Wilson Redd, 2021-06-22 Heartbreak pushes one Hawaiian girl to find her strongest self in this authentic and emotional story of personal transformation that's perfect for fans of *The Running Dream*. When Miho's boyfriend breaks up with her without warning, all she can see is red--the color of blinding fury and pain, and the color of the fire she sets in an oil drum on the beach, burning every scrap of their memories. It's spring of senior year in Oahu, and while her friends are getting ready for college, Miho's deep in her misery, delivering pizzas on her bike. But then inspiration strikes: she'll do a triathlon. The training is brutal for a girl who has never even run a mile--though she can bike and swim. With the constant support of her friends and her dad, Miho digs deep to find just how fierce her determination is and how many obstacles she can overcome. Acclaimed author Tara Wilson Redd explores the intersections of race and class, and heartbreak and hope, with authentic honesty.

of beetles and angels: *Children of Time* Adrian Tchaikovsky, 2015-06-04 Winner of the 30th anniversary Arthur C. Clarke Award for Best Novel. Adrian Tchaikovsky's critically acclaimed novel

Children of Time, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age – a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth? Continue the far-reaching space opera with Children of Ruin and Children of Memory. 'Children of Time is a joy from start to finish.

Entertaining, smart, surprising and unexpectedly human.' - Patrick Ness, author of A Monster Calls.

of beetles and angels: Angels on My Path Max T. Russell, Kayiranga Jean-Leonard Kagabo, 2018-12-31 What do you do when you're twelve years old and your neighbors turn into your worst enemies? It was happening in 1994 throughout the tiny country of Rwanda, where Hutu extremists shot, chopped, clubbed and speared 1.1 million Tutsis, their fellow Rwandans, in just three months. It was the most efficient large-scale slaughter in history. This story carries you off to East-Central Africa and into a delightful childhood interrupted by circumstances that force young Kaka to leave home with a cousin his age, a nine-year-old sister and a six-year-old brother. After a while it's just Kaka and his cousin. Everywhere are signs that the country had gone crazy. But Kaka keeps his wits. There are ditches filled with corpses, bodies trying to crawl out; acts of courageous generosity and costly risk; close calls; unhindered killing; funny moments; sickening loss; constant hunger; humans at their worst and humans at their best. Does a person have to forgive in order to move beyond the trauma of brutality? Does forgiveness have to be the issue? What were people thinking while taking the lives of their neighbors? Why did some killers spare one neighbor and slaughter the others? Who's responsible for a genocide? Is it possible not to be controlled by memories of wicked deeds committed by people who aren't sorry for what they did? *Angels on My Path* faces these questions in firsthand experience. If you love life, or would like to, this book was written for you.

of beetles and angels: Call of an Angel Patricia O'Toole, 2017-11-07 The remarkable true story of angels and spirits appearing in the lives of an ordinary working mum and her two teenage sons, living quietly in a remote corner of Ireland. This was no chance meeting between heaven and earth and they soon became part of a phenomenon that would change their lives forever. *Call of an Angel* will appeal to a wide audience, including the many fans of angel author Lorna Byrne, and the growing force of modern millennial followers of angel gurus Kyle Gray and Radleigh Valentine.

of beetles and angels: *What They Heard* Luke Meddings, 2021-09

of beetles and angels: *The Big Book of Bugs* Matthew Robertson, 1999 A collection of unusual facts, games, puzzles, activities, and artwork centering around the world of insects.

of beetles and angels: The Black Angel John Connolly, 2015-08-25 Assisting a friend in a search for a kidnapped woman, detective Charlie Parker links the abduction to a church of bones in Eastern Europe, a 1944 slaughter at a French monastery, and the myth of an object known as the Black Angel.

of beetles and angels: *Ivy + Bean* Annie Barrows, 2011-08 Originally published: San Francisco, Calif.: Chronicle Books, 2006.

of beetles and angels: *Empire in Black and Gold* Adrian Tchaikovsky, 2008-07-25 *Empire in Black and Gold* is the first instalment in the critically-acclaimed epic fantasy series *Shadows of the Apt* by Adrian Tchaikovsky. The days of peace are over . . . The Lowlands' city states have lived in peace for decades, hailed as bastions of civilization. Yet that peace is about to end. A distant empire has been conquering neighbours with highly trained soldiers and sophisticated combat techniques. And the city states are its desirable new prize. Only the ageing Stenwold Maker – spymaster, artificer and statesman – foresees the threat, as the empires' armies march ever closer. So it falls upon his shoulders to open the eyes of the cities' leaders. He sees that war will sweep through their lands, destroying everything in its path. But to warn his people, he must stay alive. *Empire in Black*

and Gold is followed by the second book in the Shadows of the Apt series, Dragonfly Falling.

of beetles and angels: My Best Book of Bugs Claire Llewellyn, 2005-09-15 The Best Book of Bugs looks at the life cycles, habitats, and amazing diversity of insects and spiders in stunning close-up detail. This book has everything a young etymologist would ever want to know.

of beetles and angels: Empire Of The Ants Bernard Werber, 2012-12-31 Ants came to this planet long before man. Since then they have developed one of the most intricate civilizations imaginable – a civilization of great richness and technological brilliance. During the few seconds it takes you to read this sentence, some 700 million ants will be born on earth... Edmond Wells had studied ants for years: he knew of the power which existed in their hidden world. On his death, he leaves his apartment to his nephew Jonathan with one proviso: that he must not descend beyond the cellar door. But when the family's dog escapes down the cellar steps, Jonathan has little alternative but to follow. Innocently he enters the world of the ant, whose struggle for existence forces him to reassess man's place in the cycle of nature. It is an experience that will alter his life for ever... Empire of the Ants is an extraordinary achievement. It takes you inside the ants' universe and reveals it to be a highly organised world, as complex and relentless as human society and even more brutal.

of beetles and angels: The One Safe Place Tania Unsworth, 2014-04-29 When his grandfather dies, Devin goes to the city. There, he finds children, just like him, living on the streets. An act of kindness earns Devin an invitation to a home for abandoned children, but it's soon clear that it's no paradise. A zombie-like sickness that afflicts some children, and soon Devin discovers the home's horrific true mission.

of beetles and angels: Foe Iain Reid, 2018-08-07 A taut, psychological mind-bender from the bestselling author of I'm Thinking of Ending Things. We don't get visitors. Not out here. We never have. Junior and Hen are a quiet married couple. They live a comfortable, solitary life on their farm, far from the city lights, but in close quarters with each other. One day, a stranger from the city arrives with surprising news: Junior has been randomly selected to travel far away from the farm...very far away. The most unusual part? Arrangements have already been made so that when he leaves, Hen won't have a chance to miss him at all, because she won't be left alone—not even for a moment. Hen will have company. Familiar company. Foe examines the nature of domestic relationships, self-determination, and what it means to be (or not to be) a person. An eerily entrancing page-turner, it churns with unease and suspense from the first words to its shocking finale.

of beetles and angels: Whirligig Paul Fleischman, 2013-12-17 When sixteen-year-old Brent Bishop inadvertently causes the death of a young woman, he is sent on an unusual journey of repentance, building wind toys across the land. In his most ambitious novel to date, Newbery winner Paul Fleischman traces Brent's healing pilgrimage from Washington State to California, Florida, and Maine, and describes the many lives set into new motion by the ingenious creations Brent leaves behind. Paul Fleischman is the master of multivoiced books for younger readers. In Whirligig he has created a novel about hidden connections that is itself a wonder of spinning hearts and grand surprises.

of beetles and angels: Many Waters Sally Bruce Kinsolving, 1942

of beetles and angels: THE COFFEE TALES Bhavna Anand, 2022-02-26 The Coffee Tales is a collection of quotes and thoughts that are short, raw and intense, just like a cup of coffee. Dive in to the ink of random thoughts about love, life, heart-break and some beautiful emotions.
