## Defining Our Position in Christ

Understanding our position in Christ begins with recognizing what it means to be "in Christ." This phrase signifies a spiritual union with Jesus, established through faith and acceptance of His sacrifice. It denotes a new status for believers, one that is rooted in grace, forgiveness, and spiritual adoption. When the Bible refers to someone as being "in Christ," it emphasizes their relationship, privileges, and responsibilities as members of God's family. Our position in Christ is not based on personal merit or achievements but on the finished work of Jesus. This truth is foundational for spiritual growth and maturity, shaping every aspect of the Christian life.

## Biblical Foundations of Our Position in Christ

### Key Scriptures That Define Our Position

The concept of our position in Christ is deeply rooted in the New Testament. Passages such as Ephesians 1:3-14, Romans 8:1, and 2 Corinthians 5:17 provide clear insight into what it means to be united with Jesus. For example, Ephesians 1 highlights the blessings believers receive in Christ, including redemption, forgiveness, and inheritance. Romans 8 assures believers that there is no condemnation for those in Christ, emphasizing their secure standing before God. These scriptures collectively affirm that being in Christ is central to Christian identity and destiny.

## **Spiritual Union and New Creation**

One of the most profound biblical truths is that believers become a new creation in Christ (2 Corinthians 5:17). This spiritual transformation involves a shift from the old self, characterized by sin and separation from God, to a new life marked by righteousness and divine favor. The spiritual union with Christ means believers are connected to Him in every aspect of life, sharing in His victory, authority, and inheritance.

## **Spiritual Benefits of Our Position in Christ**

### **Redemption and Forgiveness**

A significant benefit of our position in Christ is redemption and forgiveness. Through Christ's sacrifice, believers are set free from the penalty and power of sin. This redemption is not temporary but eternal, granting access to God's grace and mercy every day.

### **Adoption into God's Family**

Being in Christ means being adopted into God's family. Believers receive the status of sons and daughters, with all the privileges and responsibilities that come with it. This adoption guarantees eternal belonging, unconditional love, and spiritual inheritance.

### **Access to Spiritual Blessings**

- Peace with God
- Spiritual authority and power
- Assurance of salvation
- Guidance through the Holy Spirit
- Victory over sin and temptation

These spiritual blessings empower believers to live with confidence and purpose, knowing their position in Christ secures their future and enriches their present.

## **Practical Implications for Daily Living**

### **Walking in Faith and Confidence**

Our position in Christ affects how believers approach daily life. It provides the confidence to face challenges, make decisions, and pursue personal growth. Knowing that one's identity is rooted in Christ erases fear and uncertainty, replacing them with faith and assurance.

### **Relationships and Interactions**

Believers are called to reflect Christ in their relationships, demonstrating love, forgiveness, and humility. Understanding our position enables us to treat others with respect and compassion, recognizing their value as fellow members of God's family.

### **Purpose and Mission**

Being in Christ also shapes a believer's purpose and mission. Christians are called to live out their faith, share the gospel, and serve others, motivated by the truth of their spiritual standing. This sense of purpose brings meaning and direction to everyday actions, both personally and within the community.

## **Our Identity and Security in Christ**

### **Unshakeable Identity**

Our position in Christ establishes a secure and unchanging identity. Unlike worldly status, which can be lost or altered, spiritual identity is permanent and protected by God's promises. Believers are known, loved, and valued by God, regardless of external circumstances or personal failures.

### **Eternal Security**

One of the most comforting aspects of being in Christ is the assurance of eternal security. Salvation is not based on human effort but on the completed work of Jesus. This truth provides peace and confidence, allowing believers to rest in God's faithfulness and grace.

# **Living Out Our Position in Christ**

## **Spiritual Growth and Transformation**

Living out our position in Christ involves ongoing spiritual growth. Believers are encouraged to deepen their relationship with God through prayer, worship, and study of the Scriptures. As they grow, they experience transformation in character, attitudes, and actions.

## **Serving Others**

Our position equips Christians to serve others with humility and generosity. Service becomes a natural expression of gratitude for God's love and a way to fulfill the mission of sharing Christ's message. Acts of kindness, compassion, and justice reflect the reality of being in Christ.

## **Overcoming Challenges**

1. Relying on God's strength in weakness
2. Standing firm in faith during trials
3. Applying biblical principles for problem-solving
4. Seeking support from the Christian community

Believers can overcome challenges by trusting in their position in Christ, drawing strength and wisdom from God, and supporting one another.

## **Common Misunderstandings**

### **Confusing Position and Performance**

Some Christians mistakenly equate their position in Christ with their spiritual performance or behavior. While obedience to God is important, our standing is not earned by works but received by faith. Understanding this distinction prevents legalism and fosters genuine spiritual growth.

### **Neglecting Spiritual Authority**

Another misunderstanding is failing to recognize the spiritual authority believers possess in Christ.

Many overlook the power and resources available to them, resulting in unnecessary struggle or defeat. Embracing our position empowers believers to live victoriously.

**our position in christ: True Spirituality** Chip Ingram, 2013-08-13 A launching pad for your spiritual journey, this inspiring book provides clear, specific, and practical guidelines for becoming a Christian who lives like Christ. Christians today live in a world that is activity heavy and relationship light. The result is spiritual emptiness. We struggle to know what God wants from us and for us . . . and we're unsure what a real relationship with God really looks like. But that was never God's idea. HIS idea of faith is not about rules or religion— it's about relationship. That's where God tells us to start. In Romans 12, God gives us a clear picture of what Christians should look like at the root level. If you're ready to move from "in" to "all in," then you're ready to become a Romans 12 Christian. The next steps of your journey toward true spirituality start here.

**our position in christ: Discipleship Defined** Eric Russ, 2010-11 DON'T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs. Roger Hershey, Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined, for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness. Discipleship Defined has carefully described, yet without programming it into a rigid system, how to go about this challenging task. Walter C. Kaiser, Jr., President Emeritus Gordon-Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus. Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. **our position in christ: Who Am I?** Jerry Bridges, 2012-03-15 Best-selling author Jerry Bridges (The Pursuit of Holiness, The Discipline of Grace, The Bookends of the Christian Life, and many other books) asks perhaps the most fundamental question of existence: "Who am I?" He then turns to Scripture to unpack for the Christian eight clear, interlocking, illuminating answers: I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct, honest presentation of biblical truth, and all new material from Jerry Bridges, Who Am I? demonstrates for believers that they can and should rightfully claim for themselves an unshakeable, lifelong, personal foundation of confidence in one thing and one thing alone: the gospel of a victorious, resurrected Savior.

**our position in christ: Seeing and Savoring Jesus Christ (Revised Edition)** John Piper, 2004-10-27 Who is Jesus Christ? You've never met him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ-the divine Person revealed in the Bible-has a unique excellence and a spiritual beauty that speaks directly to our souls and says, Yes, this is truth. It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it

is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, If anyone's will is to do God's will, he will know whether the teaching is from God or whether I am speaking on my own authority. Ask God for the grace to do his will, and you will see the truth of his Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

**our position in christ: *Openness Unhindered*** Rosaria Champagne Butterfield, 2015-06-01 Terms like same-sex marriage, sexual orientation, gender identity, and gay Christian are part of daily discourse; yet enormous controversy surrounds them. They are the stuff of news headlines and vitriolic social media posts. But they also reflect stirrings of the heart in real people with real questions and concerns. Rosaria Champagne Butterfield, once a leftist professor in a committed lesbian relationship and now a confessional Christian, but always the thoughtful and compassionate professor, has written a followup to *The Secret Thoughts of an Unlikely Convert*. This book answers many of the questions people pose when she speaks at universities and churches, questions not only about her unlikely conversion to Christ but about personal struggles that the questioners only dare

to ask someone else who has traveled a long and painful journey. Dr. Butterfield not only goes to great lengths to clarify some of today's key controversies, she also traces their history and defines the terms that have become second nature today—even going back to God's original design for marriage and sexuality as found in the Bible. She cuts to the heart of the problems and points the way to the solution, which includes a challenge to the church to be all that God intended it to be, and for each person to find the true freedom that is found in Christ. --

This type of praying does exist, says bestselling author and prophetic leader James W. Goll, and it's called prophetic intercession. It is the humble act of holding the needs of people before God while leaning into God's heart for them. There is nothing mystical or elite about this kind of praying, and it's for the new Christian and the most seasoned prayer warrior. All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart, empowered by the Holy Spirit. God wants you to align your heart with his. **our position in christ: Every Good Endeavour** Timothy Keller, 2014-07-17 In today's increasingly competitive and insecure economic environment, we often question the reason for work: why am I doing this? Why is it so hard? And what can I do about it? Work may seem just a means to an end: we do it to earn the money to enjoy life outside the workplace. Here, Timothy Keller argues that God's plan is radically more ambitious: he actually created us to work. We are to work together to make the world a better place, to help each other, and so to find purpose for our lives. Our faith should enhance our work, and our work should develop our faith. With deep insight, Timothy Keller draws on essential and relevant biblical wisdom to address our questions about work. There is grace available if we have taken the wrong attitude, idolising money and using our careers to glorify ourselves rather than God. This book provides the foundations for a work-life balance where we can thrive both personally and professionally. Keller shows how through excellence, integrity, discipline, creativity and passion in the workplace we can impact society for good. Developing a better attitude to work releases us to serve others humbly, to worship God everyday, and leaves us deeply fulfilled.
