Understanding the Pearl Harbor DBQ

The Pearl Harbor DBQ, or Document-Based Question, is a common assignment in history courses, especially AP U.S. History, that challenges students to analyze historical documents related to the Japanese attack on Pearl Harbor on December 7, 1941. The goal of the DBQ is to synthesize information from various sources, develop a thesis, and construct a coherent essay that answers a specific prompt. The Pearl Harbor DBQ typically requires students to evaluate causes and effects of the attack, consider multiple perspectives, and support their arguments with evidence from provided documents. Effective responses demonstrate critical thinking, contextual understanding, and the ability to connect historical events with broader themes in U.S. and world history.

Historical Background of Pearl Harbor

Events Leading Up to the Attack

The attack on Pearl Harbor was the culmination of rising tensions between the United States and Japan during the late 1930s and early 1940s. Japan's expansion in Asia, the U.S. embargo on oil and materials, and diplomatic breakdowns set the stage for conflict. American military presence in Hawaii was seen as a threat by Japanese strategists, who sought to neutralize it to secure their interests in the Pacific.

The Attack on December 7, 1941

On the morning of December 7, 1941, Japanese aircraft launched a surprise assault on the U.S. naval base at Pearl Harbor, resulting in significant casualties and damage to the Pacific Fleet. The attack killed over 2,400 Americans, destroyed or damaged eight battleships, and propelled the United States into World War II. The phrase "a date which will live in infamy," from President Franklin D. Roosevelt's speech, became synonymous with the event.

Immediate Aftermath and U.S. Response

Following the attack, the United States declared war on Japan, ending its isolationist stance and joining the Allied powers. The event galvanized public support for the war effort and led to significant military, political, and social changes within the country. The Pearl Harbor DBQ often asks students to examine these transformations and their long-term effects.

Key Documents for Pearl Harbor DBQ Analysis

Primary Sources Commonly Used

Analyzing a Pearl Harbor DBQ involves working with a range of primary sources that offer firsthand accounts and official records. These documents provide critical evidence for constructing persuasive essays and arguments.

- President Franklin D. Roosevelt's "Infamy" Speech (December 8, 1941)
- Japanese diplomatic communications and military plans
- U.S. government memos and intelligence reports prior to the attack
- Eyewitness accounts from military personnel and civilians
- Newspaper articles and photographs from December 1941

Secondary Sources and Historical Analysis

Secondary sources, including scholarly articles, textbooks, and historical interpretations, help contextualize primary documents and deepen understanding. Historians often debate the causes, responsibility, and consequences of the attack, which can enrich a DBQ essay.

Strategies for Writing a High-Scoring Pearl Harbor DBQ

Developing a Strong Thesis Statement

A successful Pearl Harbor DBQ starts with a clear, arguable thesis statement that directly addresses the prompt. The thesis should reflect an understanding of the documents and set the stage for supporting arguments. Avoid vague or overly broad statements by focusing on specific causes, effects, or perspectives.

Utilizing Evidence from Documents

Effective essays incorporate evidence from at least several provided documents. Students should quote, paraphrase, and analyze key details, explaining how each piece of evidence supports their thesis. It is important to avoid simply summarizing documents—critical analysis and synthesis are required.

Addressing Multiple Perspectives

The Pearl Harbor DBQ often asks students to consider different viewpoints, such as American, Japanese, military, and civilian perspectives. Addressing multiple sides of the issue strengthens the argument and demonstrates a nuanced understanding of historical complexity.

Organizing the Essay Logically

Organize the essay into clear paragraphs with topic sentences and transitions. A logical structure typically includes an introduction, several body paragraphs focusing on specific themes or evidence, and a concise conclusion. Use chronological, thematic, or cause-and-effect organization as appropriate.

Common Themes and Questions in Pearl Harbor DBQs

Causes of the Attack

DBQ prompts frequently ask about the causes of the Pearl Harbor attack, including Japanese imperial ambitions, U.S. foreign policy, and failures in intelligence. Students should analyze both immediate and long-term factors leading to the event.

Impact on American Society

Another recurring theme is the impact of the attack on American society, such as the mobilization for war, changes in public opinion, and the internment of Japanese Americans. These topics require a careful examination of social and political consequences.

Lessons Learned and Historical Legacy

DBQs may also explore the lessons learned from Pearl Harbor and its lasting legacy in military strategy, international relations, and U.S. policy. Students should consider how the event shaped subsequent actions and historical memory.

Impact of Pearl Harbor on American Society and World War II

Mobilization for War

The attack on Pearl Harbor marked a turning point in American history, leading to full-scale mobilization for World War II. The government rapidly expanded the military, increased production, and implemented policies to support the war effort. The event fostered unity and patriotism, but also led to controversial decisions such as the internment of Japanese Americans.

Changing Foreign Policy

Pearl Harbor ended U.S. isolationism and established the nation as a leading global power. The attack influenced foreign policy decisions, alliances, and the development of military strategy in the Pacific and beyond. The DBQ often asks students to evaluate these

shifts and their global implications.

Tips for Effective DBQ Preparation and Study

Reading and Annotating Documents

Careful reading and annotation of DBQ documents is essential for success. Students should identify key ideas, underline important quotes, and note the source and perspective of each document.

1. Read each document thoroughly and note the author's perspective.
2. Highlight dates, names, and events relevant to the prompt.
3. Identify biases and limitations in each source.
4. Organize documents by theme or chronology for easy reference.

Practicing Timed Essay Writing

Practice writing DBQ essays under timed conditions to improve organization and clarity. Reviewing sample DBQ prompts and essays can help develop effective strategies and increase confidence.

Reviewing Historical Context

Understanding the broader historical context of Pearl Harbor, including U.S.-Japan relations, global events, and domestic policies, strengthens DBQ responses. Use textbooks, lectures, and reputable articles to supplement document analysis.

Trending Questions and Answers about pearl harbor dbq

Q: What is a Pearl Harbor DBQ?

A: A Pearl Harbor DBQ (Document-Based Question) is an academic exercise that asks students to analyze, interpret, and synthesize information from historical documents related to the attack on Pearl Harbor. It requires constructing a thesis-driven essay

supported by primary and secondary sources.

Q: Why did Japan attack Pearl Harbor?

A: Japan attacked Pearl Harbor to neutralize the U.S. Pacific Fleet, secure its expansion in Asia, and respond to American embargoes and diplomatic pressures. The attack aimed to weaken U.S. military power and prevent interference with Japanese imperial goals.

Q: What types of documents are commonly included in a Pearl Harbor DBQ?

A: Common documents in Pearl Harbor DBQs include presidential speeches, Japanese military plans, diplomatic communications, intelligence reports, eyewitness accounts, and contemporary newspaper articles.

Q: How can students write a strong thesis for a Pearl Harbor DBQ?

A: Students should craft a thesis that directly answers the prompt, reflects document analysis, and presents a clear argument about the causes, effects, or significance of the Pearl Harbor attack.

Q: What are some common themes in Pearl Harbor DBQ prompts?

A: Common themes include the causes of the attack, its impact on American society and foreign policy, the role of intelligence failures, and the legacy of Pearl Harbor in U.S. history.

Q: How did Pearl Harbor affect American society?

A: The attack led to widespread patriotism, rapid military mobilization, shifts in public opinion, and controversial policies such as the internment of Japanese Americans.

Q: Why is analyzing multiple perspectives important in a Pearl Harbor DBQ?

A: Considering multiple perspectives, such as those of Americans, Japanese, and different societal groups, provides a more comprehensive and nuanced understanding of the event and its consequences.

Q: What skills are essential for success on a Pearl Harbor DBQ?

A: Essential skills include document analysis, thesis development, critical thinking, organization, and historical contextualization.

Q: What impact did the Pearl Harbor attack have on World War II?

A: Pearl Harbor propelled the United States into World War II, strengthened the Allied powers, and shifted the balance of global conflict, ultimately leading to the defeat of the Axis powers.

Q: How can students effectively prepare for a Pearl Harbor DBQ?

A: Students should practice reading and annotating documents, review historical context, write timed essays, and analyze sample prompts to build confidence and proficiency.

Pearl Harbor DBQ: Deconstructing a Pivotal Moment in History

The attack on Pearl Harbor on December 7, 1941, remains one of the most significant events in 20th-century history. Its impact reverberated globally, catapulting the United States into World War II and forever altering the geopolitical landscape. This blog post serves as a comprehensive guide to tackling a Document-Based Question (DBQ) on Pearl Harbor, providing you with a structured approach to analyzing primary and secondary sources, formulating a compelling thesis statement, and crafting a high-scoring essay. We will dissect the key aspects of the event, explore potential DBQ essay prompts, and offer strategies to excel in your historical analysis.

Understanding the Pearl Harbor DBQ

A DBQ, or Document-Based Question, requires you to analyze a set of historical documents to answer a specific prompt. For Pearl Harbor, these documents might include:

Primary Sources: Newspaper articles from the time, eyewitness accounts, official government reports (e.g., the Nye Committee Report), photographs, maps, and even personal letters. These offer firsthand perspectives and raw data.

Secondary Sources: Historical analyses, scholarly articles, and textbooks that interpret and contextualize the events. These provide broader historical perspectives and interpretations.

Successfully navigating a Pearl Harbor DBQ hinges on your ability to critically evaluate these sources, identifying biases, perspectives, and the overall historical context.

Analyzing Pearl Harbor: Key Themes for Your DBQ

To effectively address a Pearl Harbor DBQ, you need a strong understanding of the core themes surrounding the attack. These include:

H2: The Japanese Perspective:

Understanding the Japanese motivations is crucial. Explore their imperial ambitions, resource scarcity, and the perceived threat posed by the United States' growing Pacific presence. Examine the strategic calculations behind the surprise attack and consider the long-term goals of the Japanese government. Consider the role of figures like Admiral Isoroku Yamamoto.

H2: The American Response:

Analyze the immediate American response to the attack – the declaration of war, the mobilization of the military, and the shift in public opinion. Explore the impact of the attack on American foreign policy and the subsequent entry into WWII. Consider the role of President Roosevelt and the impact on the American public.

H2: The Aftermath and Long-Term Consequences:

Examine the lasting consequences of Pearl Harbor, both domestically and internationally. This

includes the internment of Japanese Americans, the shift in global power dynamics, and the long-term impact on US foreign policy. Consider the role of Pearl Harbor in shaping the Cold War.

H2: The Debate on Warning Signs and Preparedness:

Investigate the extent to which the US government had warning signs of an impending Japanese attack. Analyze the debates regarding the preparedness of the US Pacific Fleet and the implications of intelligence failures. Did the US government adequately assess the threat?

H2: The Ethical Considerations:

Explore the ethical dilemmas surrounding the attack. Consider the impact on civilian casualties and the justification for the subsequent use of atomic weapons. This often requires careful consideration of differing historical perspectives.

Crafting a High-Scoring Pearl Harbor DBQ Essay

Here's a step-by-step guide to writing a successful essay:

1. **Understand the Prompt:** Carefully read and analyze the essay prompt. Identify the specific question being asked and the key themes you need to address.
2. **Develop a Strong Thesis Statement:** This statement should clearly answer the prompt and outline the main arguments you will present in your essay.
3. **Analyze the Documents:** Carefully read and analyze each document, noting the author, purpose, audience, and potential biases. Identify supporting evidence for your thesis.
4. **Create an Outline:** Organize your essay into well-structured paragraphs, each focusing on a specific aspect of the prompt.
5. **Write Your Essay:** Clearly present your arguments, using evidence from the documents to support your claims. Make sure to properly cite your sources.
6. **Revise and Edit:** Proofread your essay carefully for grammar, spelling, and punctuation errors.

Conclusion

Mastering the Pearl Harbor DBQ requires a thorough understanding of the event's complexities, a critical approach to source analysis, and a well-structured essay. By focusing on the key themes and employing the strategies outlined above, you can effectively analyze this pivotal moment in history and produce a high-scoring essay.

FAQs

1. What is the most important document to use in a Pearl Harbor DBQ? There is no single "most important" document. The importance of each document depends on the specific prompt and your argument. You need to select the documents that best support your thesis.
2. How do I identify bias in historical documents? Consider the author's background, purpose for writing, and potential audience. Look for language that reveals opinions or judgments rather than objective facts.
3. What if I disagree with the perspective presented in a document? Acknowledge the document's perspective but explain why you disagree, supporting your counterargument with evidence from other sources.
4. How long should my Pearl Harbor DBQ essay be? The length will depend on the specific requirements of your assignment. Aim for a well-developed essay that thoroughly addresses the prompt.
5. Can I use outside sources in my Pearl Harbor DBQ? This depends on the instructions provided by your instructor. Some DBQs may allow outside sources, while others may restrict you to the provided documents. Always check the specific requirements.

pearl harbor dbq: I Survived the Bombing of Pearl Harbor, 1941 Lauren Tarshis, 2011 Visiting his favorite Hawaiian beach when Japanese forces suddenly attack Pearl Harbor, 11-year-old Danny Crane struggles through the smoke, destruction and chaos to make his way back home. By

the author of *Emma-Jean Lazarus Fell Out of a Tree*. Simultaneous.

pearl harbor dbq: Into the Killing Seas Michael P. Spradlin, 2015-06-30 When the ship goes down, the sharks come out.... Stranded in the war torn Pacific, Patrick and his younger brother Teddy are finally homeward-bound. They've stowed away on one of the US Navy's finest ships, and now they just need to stay hidden. But Japanese torpedoes rip their dream apart. And the sinking ship isn't the worst of it. Patrick and Teddy can handle hunger and dehydration as they float in the water and wait to be rescued. If they're smart, they can even deal with the madness that seems to plague their fellow survivors. No, the real danger circles beneath the surface. And it has teeth....Based on the true events of the 1945 sinking of the USS Indianapolis, author Michael P. Spradlin tells a harrowing story of World War II.

pearl harbor dbq: Writing a DBQ: AP US History, 2007 This PowerPoint presentation consists of 94 slides showing a step-by-step method for formulating and composing a response to the AP U.S. history DBQ. It is accompanied by a binder containing printouts of the slides with lecture notes and reproducible student handouts. The printouts and handouts are also available on the CD-ROM as PDF files.

pearl harbor dbq: A Boy at War Harry Mazer, 2012-06-26 They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water. December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

pearl harbor dbq: Prompt and Utter Destruction J. Samuel Walker, 2016

pearl harbor dbq: Hiroshima Diary Michihiko Hachiya, M.D., 2011-12-01 The late Dr. Michihiko Hachiya was director of the Hiroshima Communications Hospital when the world's first atomic bomb was dropped on the city. Though his responsibilities in the appalling chaos of a devastated city were awesome, he found time to record the story daily, with compassion and tenderness. His compelling diary was originally published by the UNC Press in 1955, with the help of Dr. Warner Wells of the University of North Carolina at Chapel Hill, who was a surgical consultant to the Atomic Bomb Casualty Commission and who became a friend of Dr. Hachiya. In a new foreword, John Dower reflects on the enduring importance of the diary fifty years after the bombing.

pearl harbor dbq: Pearl Harbor Homer N. Wallin, 2001-09 Pearl Harbor will long stand out in men's minds as an example of the results of basic unpreparedness of a peace loving nation, of highly efficient treacherous surprise attack and of the resulting unification of America into a single tidal wave of purpose to victory. Therefore, all will be interested in this unique narrative by Admiral Wallin. The Navy has long needed a succinct account of the salvage operations at Pearl Harbor that miraculously resurrected what appeared to be a forever shattered fleet. Admiral Wallin agreed to undertake the job. He was exactly the right man for it _ in talent, in perception, and in experience. He had served intimately with Admiral Nimitz and with Admiral Halsey in the South Pacific, has commanded three different Navy Yards, and was a highly successful Chief of the Bureau of Ships. On

7 December 1941 the then Captain Wallin was serving at Pearl Harbor. He witnessed the events of that shattering and unifying Day of Infamy. His mind began to race at high speeds at once on the problems and means of getting the broken fleet back into service for its giant task. Unless the United States regained control of the sea, even greater disaster loomed. Without victory at sea, tyranny soon would surely rule all Asia and Europe. In a matter of time it would surely rule the Americas. Captain Wallin salvaged most of the broken Pearl Harbor fleet that went on to figure prominently in the United States Navys victory. So the account he masterfully tells covers what he masterfully accomplished. The United States owes him an unpayable debt for this high service among many others in his long career.

pearl harbor dbq: A Discourse by Three Drunkards on Government Nakae Chomin, 1992-10-01 A Discourse by Three Drunkards on Government takes the form of a debate between a spokesman for Western ideals of democracy and progress, and an advocate for adherence to traditional samurai values. Their discussion is moderated by the imperturbable Master Nankai, who loves nothing more than to drink and argue politics. The fiction of the drinking bout allowed Chomin to debate freely topical political issues, in a discussion that offers an astute analysis of contemporary European politics and a prophetic vision of Japan's direction. This lucid and precise translation of a delightful work has been designated one of the UNESCO series of classics of world literature.

pearl harbor dbq: Pearl Harbor H. P. Willmott, Tohmatsu Haruo, W. Spencer Johnson, 2003 This eye-popping, large-size, and image-packed book about the infamous sneak attack that changed the course of history will keep readers fascinated. Through bold images previously unseen outside of Japan, and an authoritative, up-to-date text, the shocking event that was Pearl Harbor unfolds.

pearl harbor dbq: Pearl Harbor Therese DeAngelis, Therese Angelis, 2002 Traces events leading up to and resulting from the December 7, 1941, Japanese attack on American battleships at Pearl Harbor, which brought the United States into World War II.

pearl harbor dbq: Japan Rising Kenneth Pyle, 2009-04-27 Japan is on the verge of a sea change. After more than fifty years of national pacifism and isolation including the lost decade of the 1990s, Japan is quietly, stealthily awakening. As Japan prepares to become a major player in the strategic struggles of the 21st century, critical questions arise about its motivations. What are the driving forces that influence how Japan will act in the international system? Are there recurrent patterns that will help explain how Japan will respond to the emerging environment of world politics? American understanding of Japanese character and purpose has been tenuous at best. We have repeatedly underestimated Japan in the realm of foreign policy. Now as Japan shows signs of vitality and international engagement, it is more important than ever that we understand the forces that drive Japan. In *Japan Rising*, renowned expert Kenneth Pyle identifies the common threads that bind the divergent strategies of modern Japan, providing essential reading for anyone seeking to understand how Japan arrived at this moment -- and what to expect in the future.

pearl harbor dbq: At Dawn We Slept Gordon William Prange, Donald M. Goldstein, Katherine V. Dillon, 1982 At 7:53 a.m., December 7, 1941, America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, *At Dawn We Slept* is the unparalleled and exhaustive account of the Japanese bombing of Pearl Harbor. It is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that sixty years later America cannot forget.

pearl harbor dbq: Pearl Harbor and the Coming of the Pacific War Akira Iriye, 1999-02-15 Assembling more than 30 primary documents — including proposals, memoranda, decrypted messages, and imperial conferences — Iriye presents diplomatic exchanges from both American and Japanese perspectives to determine how and why the United States and Japan went to war in 1941. A detailed introduction provides background on Japanese aggression in China and Southeast Asia during the 1930s and economic unrest and isolationism in the United States. Readings add an

interpretive dimension, placing Pearl Harbor in global context; essays from American, Japanese, Chinese, Soviet, German, British, and Indonesian perspectives explain how various countries applied pressure, offered assistance, exacerbated rifts, and significantly affected negotiations and Japan's ultimate decision for war.

pearl harbor dbq: December 7, 1941 Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 A minute-by-minute account of the morning that brought America into World War II, by the New York Times–bestselling authors of *At Dawn We Slept*. When dawn broke over Hawaii on December 7, 1941, no one suspected that America was only minutes from war. By nightfall, the naval base at Pearl Harbor was a smoldering ruin, and over 2,000 Americans lay dead. December 7, 1941 gives a detailed and immersive real-time account of that fateful morning. In or out of uniform, every witness responded differently when the first Japanese bombs began to fall. A chaplain fled his post and spent a week in hiding, while mess hall workers seized a machine gun and began returning fire. Some officers were taken unawares, while others responded valiantly, rallying their men to fight back and in some cases sacrificing their lives. Built around eyewitness accounts, this book provides an unprecedented glimpse of how it felt to be at Pearl Harbor on the day that would live in infamy.

pearl harbor dbq: Attack on Pearl Harbor Alan D. Zimm, 2013-10-19 ÒNothing previously published has offered such a close examination of Japanese strategy . . . an in-depth study of the Japanese planning, preparation and execution of the attack with particular focus on factors not thoroughly considered by other historians, if at all . . . detailed analyses that lead to a much better understanding of what the Japanese did, why they did it, and especially how the attack was very nearly an abject failure instead of a stunning success.ÑNaval Institute Proceedings For seven decades, conventional wisdom has extolled the Japanese attack on Pearl Harbor as brilliant in its planning and execution . . . this masterful analysis topples that pillar of Pacific War history . . . with its amazing depth of meticulous research and analysis, this forceful book is essential reading for anyone with a serious interest in Pearl Harbor.ÑWorld War II The first militarily professional description of the Pearl Harbor attack, and for those who are serious about military history and operations, it is a joy to read. . . . a superb military analysis of the attack . . . not only renders all other histories of Pearl Harbor obsolete, it has set the bar high for other histories of the Pacific War.ÑWar In History

pearl harbor dbq: Jack Maggs Peter Carey, 2015-03-03 A foundling trained in the art of thievery, Jack Maggs was betrayed and deported to Australia for life. But now, having reversed his fortunes, he seeks to fulfill his innermost desire. Returning to London under threat of execution, he's quickly embroiled in various entanglements among a handful of characters -- each with their own secrets. And as their various schemes converge, the captivating figure at the epicentre is Maggs himself, at once frightening, mystifying, and utterly compelling.

pearl harbor dbq: The League of Nations Ruth Henig, 2010-04-01 Ninety years ago, the League of Nations convened for the first time hoping to create a safeguard against destructive, world-wide

war by settling disputes through diplomacy. This book looks at how the League was conceptualized and explores the multifaceted body that emerged. This new form for diplomacy was used in ensuing years to counter territorial ambitions and restrict armaments, as well as to discuss human rights and refugee issues. The League's failure to prevent World War II, however, would lead to its dissolution and the subsequent creation of the United Nations. As we face new forms of global crisis, this timely book asks if the UN's fate could be ascertained by reading the history of its predecessor.

pearl harbor dbq: Musui's Story Katsu Kokichi, 2023-02-21 A series of picaresque adventures set against the backdrop of a Japan still closed off from the rest of the world, *Musui's Story* recounts the escapades of samurai Katsu Kokichi. As it depicts Katsu stealing, brawling, indulging in the pleasure quarters, and getting the better of authorities, it also provides a refreshing perspective on Japanese society, customs, economy, and human relationships. From childhood, Katsu was given to mischief. He ran away from home, once at thirteen, making his way as a beggar on the great trunk road between Edo and Kyoto, and again at twenty, posing as the emissary of a feudal lord. He eventually married and had children but never obtained official preferment and was forced to supplement a meager stipend by dealing in swords, selling protection to shopkeepers, and generally using his muscle and wits. Katsu's descriptions of loyalty and kindness, greed and deception, vanity and superstition offer an intimate view of daily life in nineteenth-century Japan unavailable in standard history books. *Musui's Story* will delight not only students of Japan's past but also general readers who will be entranced by Katsu's candor and boundless zest for life.

pearl harbor dbq: National Standards for History National Center for History in the Schools (U.S.), Charlotte Antoinette Crabtree, Gary B. Nash, 1996 This sourcebook contains more than twelve hundred easy-to-follow and implement classroom activities created and tested by veteran teachers from all over the country. The activities are arranged by grade level and are keyed to the revised National History Standards, so they can easily be matched to comparable state history standards. This volume offers teachers a treasury of ideas for bringing history alive in grades 5-12, carrying students far beyond their textbooks on active-learning voyages into the past while still meeting required learning content. It also incorporates the History Thinking Skills from the revised National History Standards as well as annotated lists of general and era-specific resources that will help teachers enrich their classes with CD-ROMs, audio-visual material, primary sources, art and music, and various print materials. Grades 5-12

pearl harbor dbq: *Pearl Harbor* Harry Albright, 1988

pearl harbor dbq: *I Survived the Japanese Tsunami, 2011 (I Survived #8)* Lauren Tarshis, 2013-08-27 The disaster felt around the world . . . Visiting his dad's hometown in Japan four months after his father's death would be hard enough for Ben. But one morning the pain turns to fear: first, a massive earthquake rocks the quiet coastal village, nearly toppling his uncle's house. Then the ocean waters rise and Ben and his family are swept away-and pulled apart-by a terrible tsunami. Now Ben is alone, stranded in a strange country a million miles from home. Can he fight hard enough to survive one of the most epic disasters of all time?

pearl harbor dbq: The Attack on Pearl Harbor Michael Burgan, 2012-01-15 This volume provides comprehensive information on the bombing of Pearl Harbor in 1941 and the differing perspectives accompanying it.

pearl harbor dbq: Thank God for the Atom Bomb, and Other Essays Paul Fussell, 1990 This is not a book to promote tranquility, and readers in quest of peace of mind should look elsewhere, writes Paul Fussell in the foreword to this original, sharp, tart, and thoroughly engaging work. The celebrated author focuses his lethal wit on habitual euphemizers, artistically pretentious third-rate novelists, sexual puritans, and the Disneyfiers of life. He moves from the inflammatory title piece on the morality of dropping the bomb on Hiroshima to a hilarious disquisition on the naturist movement, to essays on the meaning of the Indy 500 race, on George Orwell, and on the shift in men's chivalric impulses toward their mothers. Fussell's frighteningly acute eye for the manners, mores, and cultural tastes of Americans (The New York Times Book Review) is abundantly evident in this entertaining dissection of the enemies of truth, beauty, and justice

pearl harbor dbq: Pearl Harbor Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 The New York Times—bestselling authors of *Miracle at Midway* delve into the surprise attack on Pearl Harbor during WWII in “a superb work of history” (Albuquerque Journal Magazine). In the predawn hours of December 7, 1941, a Japanese carrier group sailed toward Hawaii. A few minutes before 8:00 a.m., they received the order to rain death on the American base at Pearl Harbor, sinking dozens of ships, destroying hundreds of airplanes, and taking the lives of over two thousand servicemen. The carnage lasted only two hours, but more than seventy years later, terrible questions remain unanswered. How did the Japanese slip past the American radar? Why were the Hawaiian defense forces so woefully underprepared? What, if anything, did American intelligence know before the first Japanese pilot shouted “Tora! Tora! Tora!”? In this incomparable volume, Pearl Harbor experts Gordon W. Prange, Donald M. Goldstein, and Katherine V. Dillon tackle dozens of thorny issues in an attempt to determine who was at fault for one of the most shocking military disasters in history.

pearl harbor dbq: *World War II* Mary Pope Osborne, Natalie Pope Boyce, 2017-03-14 In the next Magic Tree House® Fact Tracker, track the facts about World War II—with Jack and Annie! When Jack and Annie came back from their adventure in Magic Tree House Super Edition #1: *World at War, 1944*, they had lots of questions. How did World War II begin? Have more fun with Jack and Annie on the Magic Tree House website at MagicTreeHouse.com! Did you know there’s a Magic Tree House book for every reader? Find the perfect book for you: Classic: *Adventures with Jack and Annie*, perfect for readers who are just starting to read chapter books. F&P Level M. *Merlin Missions: More challenging adventures for the experienced Magic Tree House® reader.* F&P Level N. *Super Edition: A longer and more dangerous adventure with Jack and Annie.* F&P Level P. *Fact Trackers: Non-fiction companions to your favorite Magic Tree House® adventures*

pearl harbor dbq: *"And I was There"* Edwin T. Layton, Roger Pineau, John Costello, 2006 The late Admiral Layton, who was the fleet intelligence officer for Admiral Nimitz through out World War II, describes the breakdown in the intelligence process prior to the bombing of Pearl Harbor, and shares his experiences witnessing feuding among high-level naval officers in Washington that contributed to Japan's successful attack. Black-and-wh

pearl harbor dbq: *The Rising Sun* John Toland, 2014-11-26 “[The Rising Sun] is quite possibly the most readable, yet informative account of the Pacific war.”—Chicago Sun-Times This Pulitzer Prize-winning history of World War II chronicles the dramatic rise and fall of the Japanese empire, from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki. Told from the Japanese perspective, *The Rising Sun* is, in the author’s words, “a factual saga of people caught up in the flood of the most overwhelming war of mankind, told as it happened—muddled, ennobling, disgraceful, frustrating, full of paradox.” In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific, Toland crafts a riveting and unbiased narrative history. In his Foreword, Toland says that if we are to draw any conclusion from *The Rising Sun*, it is “that there are no simple lessons in history, that it is human nature that repeats itself, not history.” “Unbelievably rich . . . readable and exciting . . . The best parts of [Toland’s] book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics.”—Newsweek

pearl harbor dbq: *Hirohito And The Making Of Modern Japan* Herbert P. Bix, 2009-10-13 Winner of the Pulitzer Prize In this groundbreaking biography of the Japanese emperor Hirohito, Herbert P. Bix offers the first complete, unvarnished look at the enigmatic leader whose sixty-three-year reign ushered Japan into the modern world. Never before has the full life of this

controversial figure been revealed with such clarity and vividness. Bix shows what it was like to be trained from birth for a lone position at the apex of the nation's political hierarchy and as a revered symbol of divine status. Influenced by an unusual combination of the Japanese imperial tradition and a modern scientific worldview, the young emperor gradually evolves into his preeminent role, aligning himself with the growing ultranationalist movement, perpetuating a cult of religious emperor worship, resisting attempts to curb his power, and all the while burnishing his image as a reluctant, passive monarch. Here we see Hirohito as he truly was: a man of strong will and real authority. Supported by a vast array of previously untapped primary documents, *Hirohito and the Making of Modern Japan* is perhaps most illuminating in lifting the veil on the mythology surrounding the emperor's impact on the world stage. Focusing closely on Hirohito's interactions with his advisers and successive Japanese governments, Bix sheds new light on the causes of the China War in 1937 and the start of the Asia-Pacific War in 1941. And while conventional wisdom has had it that the nation's increasing foreign aggression was driven and maintained not by the emperor but by an elite group of Japanese militarists, the reality, as witnessed here, is quite different. Bix documents in detail the strong, decisive role Hirohito played in wartime operations, from the takeover of Manchuria in 1931 through the attack on Pearl Harbor and ultimately the fateful decision in 1945 to accede to an unconditional surrender. In fact, the emperor stubbornly prolonged the war effort and then used the horrifying bombings of Hiroshima and Nagasaki, together with the Soviet entrance into the war, as his exit strategy from a no-win situation. From the moment of capitulation, we see how American and Japanese leaders moved to justify the retention of Hirohito as emperor by whitewashing his wartime role and reshaping the historical consciousness of the Japanese people. The key to this strategy was Hirohito's alliance with General MacArthur, who helped him maintain his stature and shed his militaristic image, while MacArthur used the emperor as a figurehead to assist him in converting Japan into a peaceful nation. Their partnership ensured that the emperor's image would loom large over the postwar years and later decades, as Japan began to make its way in the modern age and struggled -- as it still does -- to come to terms with its past. Until the very end of a career that embodied the conflicting aims of Japan's development as a nation, Hirohito remained preoccupied with politics and with his place in history. *Hirohito and the Making of Modern Japan* provides the definitive account of his rich life and legacy. Meticulously researched and utterly engaging, this book is proof that the history of twentieth-century Japan cannot be understood apart from the life of its most remarkable and enduring leader.

pearl harbor dbq: *Eleanor Roosevelt's Book of Common Sense Etiquette* Eleanor Roosevelt, 2016-12-13 In an era of incivility, discover a timeless guide to good manners from First Lady Eleanor Roosevelt. "The basis of all good human behavior is kindness," says Eleanor Roosevelt in this classic handbook, first published in 1962 as a "modern book of etiquette for modern Americans." As a politician, diplomat, and activist, as well as the longest-serving First Lady of the United States, Mrs. Roosevelt knew that thoughtful, civil behavior was essential to peaceful, productive relationships. In this etiquette guide, she teaches that decorum is not about strict adherence to formal rules; it is about approaching all social situations with consideration for others. She advises, "If ever you find yourself in a situation in which following a formal rule would be manifestly unkind, forget it, and be kind instead." Drawing from her personal and professional experiences, Roosevelt covers a broad range of topics, including business dealings and family affairs, writing letters and receiving guests, and entertaining at home and traveling abroad. Beginning with the necessity of good manners between husband and wife, she considers the importance of courtesy in society at large and the role all Americans play as ambassadors of democracy while visiting foreign countries. In an era of incivility, *Eleanor Roosevelt's Book of Common Sense Etiquette* is more relevant than ever. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

pearl harbor dbq: *Japan - Change and Continuity* Jeff Graham, Javed Maswood, Hideaki Miyajima, 2003-09-02 Japan is currently undergoing many interesting changes, which the Japanese government trumpets as fundamental reform, but which some observers suspect will turn out to be superficial, part of a long sequence of changes which have been much less far-reaching than at first

anticipated. This book provides a survey of the many changes currently in progress in Japan, including political reform, economic deregulation and liberalisation, and reforms to environmental policy, science and technology, education, and immigration policy. The essays in this volume explore the reform process in Japan overall, and provides a thorough overview of major current developments in Japan.

pearl harbor dbq: Looking Like the Enemy Mary Matsuda Gruenewald, 2005 In 1941, Mary Matsuda Gruenewald was a teenage girl who, like other Americans, reacted with horror to the bombing of Pearl Harbor. Yet soon she and her family were among 110,000 innocent people imprisoned by the U.S. government because of their Japanese ancestry. In this eloquent memoir, she describes both the day-to-day and the dramatic turning points of this profound injustice: what it was like to face an indefinite sentence in crowded, primitive camps; the struggle for survival and dignity; and the strength gained from learning what she was capable of and could do to sustain her family. It is at once a coming-of-age story with interest for young readers, an engaging narrative on a topic still not widely known, and a timely warning for the present era of terrorism. Complete with period photos, the book also brings readers up to the present, including the author's celebration of the National Japanese American Memorial dedication in 2000.

pearl harbor dbq: In Defense of Internment Michelle Malkin, 2013-01-29 Everything you've been taught about the World War II internment camps in America is wrong: They were not created primarily because of racism or wartime hysteria. They did not target only those of Japanese descent. They were not Nazi-style death camps. In her latest investigative tour-de-force, New York Times best-selling author Michelle Malkin sets the historical record straight and debunks radical ethnic alarmists who distort history to undermine common-sense, national security profiling. The need for this myth-shattering book is vital. President Bush's opponents have attacked every homeland defense policy as tantamount to the racist and unjustified World War II internment. Bush's own transportation secretary, Norm Mineta, continues to milk his childhood experience at a relocation camp as an excuse to ban profiling at airports. Misguided guilt about the past continues to hamper our ability to prevent future terrorist attacks. *In Defense of Internment* shows that the detention of enemy aliens, and the mass evacuation and relocation of ethnic Japanese from the West Coast were not the result of irrational hatred or conspiratorial bigotry. This document-packed book highlights the vast amount of intelligence, including top-secret MAGIC messages, which revealed the Japanese espionage threat on the West Coast. Malkin also tells the truth about: who resided in enemy alien internment camps (nearly half were of European ancestry) what the West Coast relocation centers were really like (tens of thousands of ethnic Japanese were allowed to leave; hundreds voluntarily chose to move in) why the \$1.65 billion federal reparations law for Japanese internees and evacuees was a bipartisan disaster how both Japanese American and Arab/Muslim American leaders have united to undermine America's safety. With trademark fearlessness, Malkin adds desperately needed perspective to the ongoing debate about the balance between civil liberties and national security. *In Defense of Internment* will outrage, enlighten, and radically change the way you view the past and the present.

pearl harbor dbq: Patriots from the Barrio Dave Gutierrez, 2019 Named One of the 24 Best History Books of All Time by Book Riot The Inspiring True Story of a Segregated Unit Whose Exploits Underscore the Forgotten Latino Contribution to the Allied Victory in World War II As a child, Dave Gutierrez hung on every word his father recalled about his cousin Ramon, El Sancudo (the mosquito), and his service in World War II, where he earned a Silver Star, three Purple Hearts, and escaped from the Germans twice. Later, Dave decided to find out more about his father's cousin, and in the course of his research he discovered that Ramon Gutierrez was a member of Company E, 141st Infantry, a part of the 36th Texas Division that was comprised entirely of Mexican Americans--the only such unit in the entire U.S. Army. The division landed at Salerno, Italy, in 1943, among first American soldiers to set foot in Europe. In the ensuing months, Company E and the rest

of the 36th would battle their way up the mountainous Italian peninsula against some of Nazi Germany's best troops. In addition to the merciless rain, mud, and jagged peaks, swift cold rivers crisscrossed the region, including the Rapido, where Company E would face its greatest challenge. In an infamous episode, the 36th Division was ordered to cross the Rapido despite reports that the opposite bank was heavily defended. In the ensuing debacle, the division was ripped apart, and Company E sustained appalling casualties. The company rebounded and made the storied landings at Anzio and ultimately invaded southern France for a final push into Germany. The men of Company E distinguished themselves as rugged fighters capable of warring amid the rubble of destroyed villages and in the devastated countryside. Based on extensive archival research and veteran and family accounts, *Patriots from the Barrio: The Story of Company E, 141st Infantry: The Only All Mexican American Army Unit in World War II* brings to life the soldiers whose service should never have gone unrecognized for so long. With its memorable personalities, stories of hope and immigration, and riveting battle scenes, this beautifully written book is a testament to the shared beliefs of all who have fought for the ideals of the American flag.

pearl harbor dbq: Children of Manzanar Heather C. Lindquist, 2012 Eleven tumultuous weeks after Pearl Harbor, President Franklin Delano Roosevelt signed Executive Order 9066, an act that authorized the U.S. Army to undertake the rapid removal of more than one hundred thousand Japanese and Japanese Americans from the West Coast. With only a few weeks' (and sometimes only a few days') notice, families were forced to abandon their homes and, under military escort, be removed to remote and hastily erected compounds, such as Manzanar War Relocation Center in the California desert. *Children of Manzanar* captures the experiences of the nearly four thousand children and young adults held at Manzanar during World War II. Quotes from these children, most now in their eighties and nineties, are accompanied by photographs from both official and unofficial photographers, including Ansel Adams, Dorothea Lange, and Toyo Miyatake, himself an internee who for months secretly documented daily life inside the camp, and then openly for the remaining years Manzanar operated.

pearl harbor dbq: Fail Safe Eugene Burdick, Harvey Wheeler, 1999-07-10 Something has gone wrong. A group of American bombers armed with nuclear weapons is streaking past the fail-safe point, beyond recall, and no one knows why. Their destination -- Moscow. In a bomb shelter beneath the White House, the calm young president turns to his Russian translator and says, I think we are ready to talk to Premier Krushchev. Not far away, in the War Room at the Pentagon, the secretary of defense and his aides watch with growing anxiety as the luminous blips crawl across a huge screen map. High over the Bering Strait in a large Vindicator bomber, a colonel stares in disbelief at the attack code number on his fail-safe box and wonders if it could possibly be a mistake. First published in 1962, when America was still reeling from the Cuban missile crisis, *Fail-Safe* reflects the apocalyptic attitude that pervaded society during the height of the Cold War, when disaster could have struck at any moment. As more countries develop nuclear capabilities and the potential for new enemies lurks on the horizon, *Fail-Safe* and its powerful issues continue to respond.

pearl harbor dbq: The Incas Terence N. D'Altroy, 2014-05-27 *The Incas* is a captivating exploration of one of the greatest civilizations ever seen. Seamlessly drawing on history, archaeology, and ethnography, this thoroughly updated new edition integrates advances made in hundreds of new studies conducted over the last decade. • Written by one of the world's leading experts on Inca civilization • Covers Inca history, politics, economy, ideology, society, and military organization • Explores advances in research that include pre-imperial Inca society; the royal capital of Cuzco; the sacred landscape; royal estates; Machu Picchu; provincial relations; the khipu information-recording technology; languages, time frames, gender relations, effects on human biology, and daily life • Explicitly examines how the Inca world view and philosophy affected the character of the empire • Illustrated with over 90 maps, figures, and photographs
