Overview of Onalaska Goodwill Retail Store & Training Center

The Onalaska Goodwill Retail Store & Training Center is a vital hub for both retail shopping and workforce development in the region. Located in Onalaska, Wisconsin, this facility brings together the best of thrift shopping and professional training, serving diverse needs within the community. As part of the larger Goodwill Industries network, the Onalaska location stands out for its commitment to providing affordable goods and life-changing services. Visitors can expect a welcoming environment, a wide selection of merchandise, and access to employment assistance programs. The store's mission centers on empowering individuals, promoting sustainability, and creating opportunities for people facing barriers to employment.

Store Features and Shopping Experience

Wide Selection of Merchandise

Shoppers at the Onalaska Goodwill Retail Store & Training Center enjoy a constantly refreshed inventory of pre-owned clothing, accessories, furniture, electronics, home goods, books, and more. Items are carefully sorted and displayed, ensuring a clean and organized shopping experience. The store offers products for all ages and preferences, making it easy to find unique treasures, brand-name apparel, and household essentials.

Affordable Pricing and Special Promotions

The store's pricing is designed to be accessible, with budget-friendly options for families, students, and bargain hunters. Regular sales events and color tag promotions allow shoppers to save even more. Seasonal discounts and special offers encourage repeat visits, making Goodwill a top destination for thrift shopping in Onalaska.

Customer Services and Facilities

- Friendly and knowledgeable staff to assist with questions
- Accessible parking and entrance for all shoppers
- Clean changing rooms for trying on clothing
- Organized checkout lines for efficient service
- Gift card options for flexible giving

Donation Process and Accepted Items

How to Donate at Onalaska Goodwill

Donating to the Onalaska Goodwill Retail Store & Training Center is a straightforward process. The store accepts drop-off donations during regular business hours. Donors are greeted by staff who help unload items and provide donation receipts for tax deductions. Goodwill encourages donors to review their items for cleanliness and quality before bringing them in.

Items Accepted for Donation

- Gently used clothing for all ages
- Footwear and accessories
- Small appliances and electronics
- Furniture and home décor
- Books, toys, and games
- Linens and household goods

Items Not Accepted

While Goodwill strives to accept most items, there are some restrictions due to safety and resale guidelines. Items such as mattresses, hazardous materials, large appliances, and certain electronics may not be accepted. It's recommended to contact the store for a complete list of non-acceptable items before donating.

Training Center Programs and Services

Job Training and Placement Services

The Onalaska Goodwill Training Center provides career development resources for individuals seeking employment. Services include resume workshops, interview preparation, skills assessments, and job placement assistance. The center collaborates with local employers to match qualified candidates with open positions, focusing on helping those who face barriers to employment.

Skills Development Workshops

Participants can enroll in a variety of workshops aimed at improving both soft and hard skills. Topics may include computer literacy, customer service, workplace communication, and financial management. These programs are designed to boost confidence and equip job seekers with tools for long-term success.

Career Counseling and Support

Professional career counselors are available to provide personalized guidance and support. The training center offers ongoing coaching, follow-up services, and resources to help

clients navigate career transitions and find stable employment. Support is offered regardless of background or experience level.

Community Impact and Sustainability Efforts

Empowering Local Residents

The Onalaska Goodwill Retail Store & Training Center plays a significant role in strengthening the local economy by providing jobs, training, and affordable goods. Through its workforce development programs, Goodwill helps individuals achieve self-sufficiency and contributes to reducing unemployment in the region.

Environmental Sustainability Initiatives

Goodwill is committed to environmental stewardship by promoting the reuse and recycling of donated items. By diverting goods from landfills and encouraging sustainable shopping habits, the Onalaska store helps reduce waste and supports eco-friendly practices within the community.

Charitable Partnerships and Outreach

The store frequently partners with local organizations to support charitable causes, host community events, and provide resources for those in need. Goodwill's outreach extends to educational workshops, clothing drives, and emergency assistance programs.

Tips for Shopping and Donating at Goodwill

Maximizing Your Shopping Experience

- Visit regularly for new inventory and special sales
- Check color tag promotions for deeper discounts
- Use Goodwill gift cards for flexible shopping
- Inspect items for quality and fit before purchasing
- Look for unique vintage finds and collectibles

Best Practices for Donating

- Only donate clean, gently used items
- Sort donations by category for easier drop-off
- Review accepted items list before donating
- Request a donation receipt for tax purposes
- Consider donating seasonally relevant items

Careers and Volunteer Opportunities

Employment at Onalaska Goodwill

The Onalaska Goodwill Retail Store & Training Center offers rewarding career opportunities for individuals interested in retail, customer service, and workforce development. Employees benefit from on-the-job training, competitive wages, and a supportive work environment. Goodwill values diversity and is dedicated to fostering advancement within its team.

Volunteer Roles and Community Involvement

Volunteers play a vital role in supporting Goodwill's mission. Opportunities include assisting with donation intake, organizing merchandise, helping with training center activities, and participating in community outreach events. Volunteering is a meaningful way to give back and make a positive impact in Onalaska.

Frequently Asked Questions

Onalaska Goodwill Retail Store & Training Center: Your Gateway to Secondhand Treasures and Career Development

Are you looking for unique finds at affordable prices, or seeking opportunities for professional growth in the Onalaska area? Then look no further than the Onalaska Goodwill Retail Store & Training Center. This isn't just your average thrift store; it's a vibrant community hub offering a treasure trove of secondhand goods and a vital pathway to employment and skills development. This comprehensive guide will delve into what makes this Goodwill location special, covering its offerings, services, and its positive impact on the community.

Discovering the Onalaska Goodwill Retail Store: A Shopper's Paradise

The Onalaska Goodwill Retail Store is more than just a place to find pre-owned clothing and household items. It's a treasure hunt waiting to happen! You'll find a wide array of merchandise, carefully curated and organized, ensuring a pleasant shopping experience.

What You Can Find:

Clothing and Accessories: From vintage finds to everyday wear, the store offers a diverse selection of clothing for men, women, and children. Expect everything from designer labels to everyday basics, all at significantly reduced prices.

Home Goods: Furnish your home with unique and affordable pieces, including furniture, kitchenware, décor, and more. You might even discover that antique piece you've been searching for!

Electronics and Appliances: Find gently used electronics, appliances, and home entertainment systems, often at a fraction of the retail cost. Remember to check for functionality before purchasing.

Books and Media: Browse a wide selection of books, movies, and music, perfect for the bookworm or movie enthusiast. Discover hidden gems and expand your collection without breaking the bank.

Seasonal Items: The store frequently stocks seasonal items, ensuring you can find everything you need for holidays and special events at budget-friendly prices.

Beyond Shopping: The Onalaska Goodwill Training Center - Empowering Individuals

The Onalaska Goodwill Retail Store isn't just about shopping; it's about giving back to the community and empowering individuals. The integrated training center plays a crucial role in this mission.

Training and Employment Opportunities:

Job Skills Training: The training center offers various programs designed to equip individuals with the necessary skills for success in the workforce. These programs might include resume writing, interview skills, computer literacy, and customer service training.

Job Placement Services: Goodwill connects individuals who complete training programs with potential employers, providing job placement assistance and career counseling. This offers a vital bridge between training and employment.

Workplace Readiness Programs: These programs prepare individuals for the realities of the workplace, focusing on soft skills like teamwork, communication, and professionalism – crucial aspects often overlooked in traditional training.

Addressing Barriers to Employment: Goodwill actively works to remove barriers to employment, such as providing transportation assistance or addressing other individual needs that might prevent someone from securing a job.

The Community Impact: More Than Just a Store

The Onalaska Goodwill Retail Store & Training Center significantly contributes to the local community in several ways. By providing affordable goods and empowering individuals, Goodwill improves the lives of countless residents.

Supporting Local Needs:

Job Creation: The store itself creates employment opportunities within the community, providing jobs and economic stability for local residents.

Environmental Sustainability: By diverting reusable goods from landfills and promoting reuse, Goodwill contributes to a more sustainable environment.

Community Partnerships: Goodwill often collaborates with other local organizations to expand its reach and further support community needs.

Conclusion

The Onalaska Goodwill Retail Store & Training Center is a vital asset to the Onalaska community. It's a place where you can find amazing deals on secondhand goods while also supporting a worthy cause that empowers individuals and strengthens the local economy. Whether you're a bargain hunter or someone seeking career development opportunities, this store offers something for everyone. Visit the store today and experience the difference!

onalaska goodwill retail store training center: For the Benefit of Many S. N. Goenka, 2002 Talks and answers to questions from Vipassana students, 1983-2000.

onalaska goodwill retail store training center: Art of Dying, The (Portuguese) / A arte de morrer (português) por S.N. Goenka e outros, 2020 Esta coleção de escritos -- as explicações de Goenkaji sobre o ensinamento do Buda, os versos das escrituras do Buda, histórias poéticas de monges e de monjas do tempo do Buda, relatos de amigos meditadores - nasce da aceitação da verdade sobre o sofrimento. Contém exemplos inspiradores de pessoas que adquiriram força e degustaram a liberdade por meio de sua prática, e demonstra, de forma convincente, a eficácia do Caminho, a saída do sofrimento.

onalaska goodwill retail store training center: *Intelligent Virtue* Julia Annas, 2011-04-29 *Intelligent Virtue* presents a distinctive new account of virtue and happiness as central ethical ideas. Annas argues that exercising a virtue involves practical reasoning of a kind which can illuminatingly be compared to the kind of reasoning we find in someone exercising a practical skill. Rather than asking at the start how virtues relate to rules, principles, maximizing, or a final end, we should look at the way in which the acquisition and exercise of virtue can be seen to be in many ways like the acquisition and exercise of more mundane activities, such as farming, building or playing the piano. This helps us to see virtue as part of an agent's happiness or flourishing, and as constituting (wholly, or in part) that happiness. We are offered a better understanding of the relation between virtue as an ideal and virtue in everyday life, and the relation between being virtuous and doing the right thing.

onalaska goodwill retail store training center: National Biennial RCRA Hazardous Waste Report (based on 1989 Data), 1993

onalaska goodwill retail store training center: *Corporate Giving Directory*, 2002

onalaska goodwill retail store training center: *The Buddha* Trevor Ling, 2013-12-16 A warm and stimulating book, this text describes the India into which the Buddha was born, recounts what is known of his life and the development of his teachings, and then follows the course of Buddhism through succeeding centuries in India and Sri Lanka. Far from being a recluse concerned only with an inner mystical experience, the Buddha always involved himself closely in the social and political world of his time. If he preached detachment from many of the things by which ordinary men are tied, he did so as a means of enriching life rather than escaping it. These examinations and more make this a book to reveal the social-revolutionary potential of Buddhism.

onalaska goodwill retail store training center: A Comprehensive Manual of Abhidhamma Anuruddha, 2000 Abhidhamma has the fearsome reputation of being somewhat juiceless to a beginner. I was delighted to find that in the introductory chapter Bhikkhu Bodhi gives his explanation of the four-fold ultimate realities in a very clear, calm, exact and expressive way. He brings to the subject a distinctively passionate voice and profound care and respect for the unfathomable wisdom of the Buddha. This is a brilliant gem of a guidebook and will lead the reader to new dimensions of the wisdom of the Buddha. Book jacket.

onalaska goodwill retail store training center: *The Lives of Celebrated Travellers* James Augustus St. John, 1831

onalaska goodwill retail store training center: The Equanimous Mind (2nd Edition) Manish Chopra, PhD, 2021-08-01 *The Equanimous Mind (2nd Edition)* chronicles the author's first ten-day Vipassana meditation camp experience at the end of 2010 and the life-changing impact it has had on his personal and professional life since that time. This new second edition comes at an important milestone in Manish's journey as ten years have passed since that first ten-day retreat. A new

epilogue in this 10th anniversary edition has been expanded and enriched with updates on his progress since the journey began a decade ago. The book describes a ten-day Vipassana meditation course in the tradition of S. N. Goenka from the standpoint of someone encountering meditation for the first time. It contains a detailed, journal-like narrative of the rich and complex sequence of events that unrolls during the retreat. The author's capacity to recall and sequence vivid details by the hundreds gives the book the feeling of an experience rather than merely of a recounting. The Equanimous Mind has a particular heartwarming quality because of the earnestness with which the author seeks to grow into being the best possible person he can be. Many people will benefit from this volume of clear sentences, deep feelings, and important messages. ===== Out of gratitude for the benefits the author has received from the practice of Vipassana meditation, he will be donating the proceeds from this book to spreading awareness about the technique, so that others can draw value from it as well. =====

onalaska goodwill retail store training center: Gotama The Buddha Dr. Dhananjay Chavan, A book not only for every follower of the Buddha around the world but also for every person who wants to understand the Buddha. This book is a study with a heart but one where reason is allowed to be free. In any study of the historical Buddha there are two major obstacles to confront. Firstly, there are the systematic prejudices that developed against him through the centuries in his own country. Secondly, some of the fantastic myths associated with him can give pause to a modern man of science. As this book shows, however, these hurdles can be readily surmounted. This is done by responding to the Buddha's famous exhortation to come and see Rather than accept the Buddha blindly, the book invites readers to simply open their hearts and minds enough to examine him in a fair manner. Though the author uses the Tipitaka as his primary authority, he does not tie himself to any particular tradition. The Buddha's universal teaching came out of the Indian subcontinent's agrarian culture. He was firmly rooted in this world and not in any heavenly realms. The book takes the reader on a journey into the life and the teachings of this son of Earth-an extraordinary human being who offered his fellow humans a timeless road map to a happy life. The book also raises questions that will hopefully help to foster healthy dialogue, in the true spirit in which the Buddha wanted others to look at and follow his teaching.

onalaska goodwill retail store training center: National Directory of Nonprofit Organizations , 2002

onalaska goodwill retail store training center: Buddhism and Monotheism Peter Harvey, 2019-08-08 Buddhism is a religion lacking the idea of a unique creator God. It is a kind of trans-polytheism that accepts many long-lived gods, but sees ultimate reality, Nirvana, as beyond these. It does, though, see Dhamma/Dharma as a Basic Pattern encompassing everything, with karma as a law-like principle ensuring that good and bad actions have appropriate natural results. This Element explores these ideas, along with overlaps in Buddhist and monotheist ideas and practices, the development of more theist-like ideas in Mahāyāna Buddhism, Buddhist critiques of the idea of a creator God, and some contemporary Buddhist views and appreciations of monotheisms.

onalaska goodwill retail store training center: Culture in Education Janet Pilcher, Quint Studer, 2014-08-30

onalaska goodwill retail store training center: A Daughter of the Middle Border Hamlin Garland, 2007 This sequel to Garland's acclaimed autobiography, *A Son of the Middle Border*, continues his story as he sets out for Chicago and settles into a Bohemian encampment of artists and writers. There he meets Zulime Taft, an artist who captures his heart and eventually becomes his wife. The intensity of this romance is rivaled only by Garland's struggle between America's coastal elite and his heartland roots. *A Daughter of the Middle Border* won the Pulitzer Prize in 1922, forever securing his place in the literary canon.

onalaska goodwill retail store training center: Engineering News, 1876

onalaska goodwill retail store training center: The World at Play Cason Warinner Murphy, 2021-07-14 Examines what makes audiences and their experiences of the performing arts so unique and intense. Readers will become aware of the conscious and unconscious phenomena that occur when groups of people gather to experience performance, and how to increase individual capacity to better analyse and respond to performance events.

onalaska goodwill retail store training center: Along the Path Kory Goldberg, Michelle Décary, 2016-05-23 Full of practical and inspiring information for meditators who plan to visit the sacred sites where the Buddha lived and taught in India and Nepal, this unique guidebook provides a rich anthology of stories relating to each of the sites, as well as helpful maps, creative artwork, and spiritual narratives from experienced travelers. Each site entry includes insider information and tips with detailed descriptions of transportation, accommodation, and local cuisine; suggested excursions and activities in the vicinity; and highlights of established Vipassana meditation centers best suited to accommodate visiting meditators. This second edition has been updated and revised to feature newly discovered pilgrimage sites and a few more stories from the Pali canon.

onalaska goodwill retail store training center: Western North Carolina John Preston Arthur, 1996 From the introduction to the appendix, this volume is filled with interesting information. Covering seventeen counties—Alleghany, Ashe, Avery, Buncombe, Cherokee, Clay, Graham, Haywood, Henderson, Jackson, Macon, Madison, Mitchell, Swain, Transylvania, Watauga, and Yancey—the author spent about ten years searching and gathering materials.

onalaska goodwill retail store training center: 50 Poison Pieces Lauren Goodkind, 2017-04-27 Lauren Goodkind, who is a respected chess teacher in the San Francisco bay area, wrote *50 Poison Pieces*, a fun puzzle book to help her students and any novice chess player to avoid capturing unprotected pieces that look safe to capture, which are actually poison! Taking a poison piece gives your opponent the potential to execute a basic tactic, such as a fork or skewer. You'll see how taking a poison piece can lead to losing your valuable pieces for no good reason. It might even lead to losing the entire game! In each of the 50 unique puzzles, you are asked to figure out why capturing an unprotected piece is a mistake, or in other words, the poison piece. Next, you turn the page to learn why capturing that piece is the poison piece. Then immediately you are shown two alternative moves. One is bad and will lead to a losing position. But the other move puts you on track to a win. Which move will you pick? By learning to avoid capturing poison pieces, you will start to understand and use the most important chess strategy of all: always think ahead! Players rated under 1000 will especially benefit from *50 Poison Pieces*. Here's what notable members of the chess community are saying about Lauren's powerful book: For those just learning the game of chess, I can enthusiastically recommend Lauren Goodkind's unique new book on safe captures. This is an

essential concept often dismissed with a few examples of captures of undefended pieces. What she does is to load each capture with a tricky reply such as a skewer, pin or fork, forcing the student to look more than superficially deep. A splendid volume which will be invaluable to both students and teachers alike. FM Eric Schiller Author of More than 100 Chess Books, International Arbiter and Chess Coach During my 29 years of running a very successful chess program, I have looked for ways to aid young children in analyzing the consequences of their moves. Most puzzle books and programs deal with checkmates in one or more moves or ask for the best first move in a complex middle or endgame. I like Ms. Goodkind's poison piece approach, not only because of the uncluttered problem solving, but also because her explanations for the moves provide guidance to the student to aid their critical thinking about why a pawn or piece was poison. I tested it with a few young players and I saw their eyes light up when they began to understand the need to use their thought processes and not just their fingers. I will be recommending 50 Poison Pieces to my students and to my instructors to use with their students who can be classified as intermediate or advanced beginners. Alan M. Kirshner, Ph.D. Director of Weibel Elementary School Chess & Winner of numerous State Championships, Two Open Nationals and Six All-Girls Nationals This book should be in every student's and teacher's repertoire. Berkeley Chess School will certainly include it in theirs. With this book, Lauren has produced an easy to read system for understanding the poisoned piece, a subject that is rarely addressed elsewhere. Elizabeth Shaughnessy President and Founder, Berkeley Chess School Lauren Goodkind and I first became acquainted, ten years ago, as fellow participants in the Sojourner Truth Tournament for Women. Over the past decade, our friendship has blossomed, and we have enjoyed many good games and memorable tournament experiences, as a result. When I heard she was writing a book, I was very excited for her, and feel that Lauren is a worthy opponent, a capable chess instructor, and a positive role-model for her many students. I am, therefore, pleased to endorse the collection of puzzles contained in 50 Poison Pieces, as a valuable resource for beginning players to use to improve, as they, undoubtedly, begin their journey on the road to chess mastery. This book is informative and fun. Jessica Lauser U.S. Blind Competitor and Blitz Expert
