From acclaimed author Mindee Arnett comes the thrilling conclusion of the stunningly epic, action-packed fantasy adventure that's been called "a page-turning blend of monsters, magic, and romance" by Susan Dennard, the New York Times bestselling author of *Truthwitch*. They call her the Wilder Queen. It's a title given to Kate Brighton for her role in the war between the wilder rebellion and the Rimish empire. It's a title that was hard earned: Kate may have saved her people, but many were lost in the conflict, immortalized in the tattoos of fire that grace her arms. And it's a title that Kate never wanted. The rebellion may have made a home for themselves in a country that wants to cast them out, but the peace will never be safe while Edwin, the illegitimate king of Rime, sits upon its throne. And for that, the Wilder Queen must keep hers. Now war is brewing once again. Kate and her allies receive word of a threat to their ambassador in the Rimish capital; meanwhile, across the channel in Seva, an army is being assembled to conquer Rime—and a prisoner slave named Clash may hold the key to ending the conflict once and for all. As enemies close in on Kate and Clash from all sides, they must choose where their loyalties lie—with their people, with their loved ones, or with themselves. The epic story that began with *Onyx & Ivory* comes to a stunning conclusion as acclaimed author Mindee Arnett throws readers into a beautiful, terrifying world poised on a razor's edge in its struggle for survival.

I am about to give you a warning. If you are still of the same mind, answer it with these words: 'Perfect Love and Perfect Trust.' Placing the point of the sword to the Postulant's breast, he says, O thou who standeth on the threshold between the pleasant world of men and the domains of the Dread Lords of the Outer Spaces, hast thou the courage to make the Assay? For I tell thee verily, it were better to rush on my weapon and perish miserably than to make the attempt with fear in thy heart. Postulant: I have two Passwords: Perfect Love and Perfect Trust. Magus drops the sword point, saying, All who approach with perfect love and perfect trust are doubly welcome. Going around behind her, he blindfolds her, then putting his left arm around her waist and his right arm around her neck, he pulls her head back, says, I give you the 3rd password, a Kiss to pass through this dread Door, and pushes her forward with his body, through the doorway and into the circle. Once inside, he releases her saying, This is the way all are first brought into the circle. Magus closes the doorway by drawing the point of the sword across it three times, joining all three circles, saying, Agla, Azoth, Adonai, then drawing three pentacles to seal it. Magus guides Postulant to south of altar, and whispers, Now there is the Ordeal. Taking a short piece of cord from the altar, he ties it around her right ankle, saying, Feet neither bound nor free. Taking a longer cord, he ties her hands together behind her back, then pulls them up, so that the arms form a triangle, and ties the cord around her neck, leaving the end dangling down in front as a Cable Tow. With the Cable Tow in his left hand and the sword in his right hand, the Magus leads her sunwise around the circle to the east, where he salutes with the sword and proclaims, Take heed, O Lords of the Watchtowers of the East, (name), properly prepared, will be made a Priestess and a Witch. Magus leads her similarly to the south, west, and north, making the proclamation at each quarter. , clasping Postulant around the waist with his left arm, and holding the sword erect in his right hand, he makes her circumambulate three times around the circle with a half-running, half-dancing step. He halts her at the south of the altar, and strikes eleven knells on the bell.

read queen of shadows online free: Charlie Hernández & the League of Shadows Ryan Calejo, 2019-10-22 “A perfect pick for kids who love Rick Riordan.” —Booklist (starred review) “A winner for all kids, but it will be especially loved by Latinx and Hispanic families.” —Kirkus Reviews (starred review) The Lightning Thief meets the Story Thieves series in this middle grade fantasy inspired by Hispanic folklore, legends, and myths from the Iberian Peninsula and Central and South America. Charlie Hernández has always been proud of his Latin American heritage. He loves the culture, the art, and especially the myths. Thanks to his abuela’s stories, Charlie possesses an almost encyclopedic knowledge of the monsters and ghouls who have spent the last five hundred years haunting the imaginations of children all across the Iberian Peninsula, as well as Central and South America. And even though his grandmother sometimes hinted that the tales might be more than mere myth, Charlie’s always been a pragmatist. Even barely out of diapers, he knew the stories were just make-believe—nothing more than intricately woven fables meant to keep little kids from misbehaving. But when Charlie begins to experience freaky bodily manifestations—ones all too similar to those described by his grandma in his favorite legend—he is suddenly swept up in a world where the mythical beings he’s spent his entire life hearing about seem to be walking straight out of the pages of Hispanic folklore and into his life. And even stranger, they seem to know more about him than he knows about himself. Soon, Charlie finds himself in the middle of an ancient battle between La Liga, a secret society of legendary mythological beings sworn to protect the Land of the Living, and La Mano Peluda (a.k.a. the Hairy Hand), a cabal of evil spirits determined to rule mankind. With only the help of his lifelong crush, Violet Rey, and his grandmother’s stories to guide him, Charlie must navigate a world where monsters and brujas rule and things he couldn’t possibly imagine go bump in the night. That is, if he has any hope of discovering what’s happening to him and saving his missing parents (oh, and maybe even the world). No pressure, muchacho.
