Understanding Priority Talk Emmaus

Priority Talk Emmaus refers to intentional, focused, and meaningful conversations that occur within the context of Emmaus programs—faith-based retreats and journeys inspired by the biblical account of the road to Emmaus. The concept emphasizes the importance of spiritual dialogue, personal reflection, and shared experiences as a pathway to deeper faith and community building. In Emmaus settings, Priority Talk often centers on discussions about spiritual priorities, life purpose, and faith transformation. Participants are encouraged to engage in honest and purposeful conversations that help clarify their values, beliefs, and commitments. This approach is designed to foster a supportive environment where individuals feel comfortable exploring their spiritual journeys and learning from one another.

Historical and Biblical Foundations

The Road to Emmaus Story

The term "Emmaus" originates from the story in the Gospel of Luke, where two disciples encounter the risen Jesus on their journey from Jerusalem to Emmaus. During this walk, they engage in deep, transformative conversation, which ultimately leads to spiritual awakening and recognition of Christ. The Emmaus narrative serves as a foundational model for Priority Talk, emphasizing the power of dialogue, reflection, and revelation within a faith context.

Development of Emmaus Programs

Emmaus programs have developed globally, drawing on the biblical tradition to create retreats and workshops that prioritize spiritual growth through meaningful conversations. These programs are built on the premise that authentic dialogue can lead to personal discovery, communal support, and lasting transformation. Priority Talk remains central to the Emmaus experience, guiding participants to focus on what truly matters in their spiritual lives.

Key Elements of Priority Talk in Emmaus

Intentionality and Focus

Priority Talk is characterized by its deliberate and purposeful nature. Conversations are not random or superficial but are directed toward exploring core values, spiritual beliefs, and life priorities. Facilitators and participants are encouraged to prepare thoughtful questions, actively listen, and engage with openness and respect.

Safe and Supportive Environment

Emmaus programs emphasize creating a safe space where individuals can share without fear of judgment. Priority Talk thrives in environments where confidentiality, empathy, and mutual respect are foundational. This supportive setting enables deeper reflection and honest dialogue.

Structured Dialogue

Priority Talk often follows a structured format, incorporating guided discussions, reflection questions, and group sharing sessions. These structured elements help maintain focus, ensure balanced participation, and foster meaningful engagement among all members.

- Guided reflection questions
- Small group sharing sessions
- Active listening exercises
- Feedback and affirmation practices

Benefits of Priority Talk Emmaus

Deeper Spiritual Growth

Engaging in Priority Talk within Emmaus programs promotes profound spiritual growth. Participants gain new insights, strengthen their faith, and develop a clearer sense of purpose. The opportunity to reflect on life's priorities often leads to greater alignment between beliefs and actions.

Strengthening Community Bonds

Priority Talk encourages authentic connections among participants. By sharing personal stories and spiritual experiences, individuals build trust, empathy, and a sense of belonging. These strengthened bonds enhance the overall effectiveness of Emmaus programs.

Personal Empowerment and Clarity

Participants in Priority Talk Emmaus report increased clarity regarding their values and life direction. Through focused dialogue, individuals identify areas for growth, set meaningful goals, and find encouragement to pursue positive change in their personal and spiritual lives.

Challenges and Solutions

Overcoming Hesitation and Fear

Some participants may feel reluctant to engage in Priority Talk due to fear of vulnerability or judgment. Emmaus facilitators address this by establishing clear guidelines for confidentiality and respect, gradually building trust through icebreakers and non-threatening questions.

Maintaining Focus and Relevance

Conversations can sometimes drift away from spiritual priorities or become dominated by a few voices. Structured formats, facilitator training, and time management strategies help maintain focus and ensure that all participants have the opportunity to contribute meaningfully.

Balancing Depth and Accessibility

While deep conversations are valuable, not all participants are equally comfortable with intense reflection. Facilitators balance depth and accessibility by offering varied discussion formats, allowing individuals to participate at their own comfort level, and providing support when needed.

1. Establish clear group guidelines
2. Provide facilitator training on active listening
3. Utilize structured discussion questions
4. Encourage balanced participation
5. Offer support for vulnerable topics

Best Practices for Effective Priority Talk

Preparation and Intentionality

Effective Priority Talk begins with preparation. Facilitators and participants benefit from reviewing discussion materials, setting personal intentions, and approaching conversations with openness. Planning helps ensure that dialogue remains relevant and impactful.

Active Listening and Empathy

Listening is a critical skill in Priority Talk Emmaus. Participants are encouraged to practice active listening, showing empathy and understanding without interrupting or judging. This fosters an atmosphere of respect and genuine connection.

Openness and Vulnerability

Priority Talk is most transformative when individuals are willing to share openly and honestly about their spiritual journeys. Facilitators model vulnerability, demonstrating how authentic sharing leads to deeper insights and stronger bonds.

Continuous Evaluation and Feedback

Regular feedback helps Emmaus programs improve the quality of Priority Talk. Participants can share their experiences, suggest improvements, and highlight what aspects of dialogue were most meaningful. Continuous evaluation ensures ongoing relevance and effectiveness.

Priority Talk Emmaus in Modern Contexts

Virtual and Hybrid Emmaus Programs

With advances in technology, Emmaus programs increasingly offer virtual or hybrid experiences. Priority Talk adapts to online environments through video

conferencing, chat groups, and digital resources. Facilitators use technology to maintain intimacy and focus, even in remote settings.

Diverse Cultural and Age Groups

Emmaus programs serve people from diverse backgrounds and ages. Priority Talk is tailored to meet the needs of each group, respecting cultural differences and generational perspectives. This adaptability ensures that dialogue remains meaningful and accessible to all participants.

Integration with Other Faith-Based Initiatives

Priority Talk Emmaus is often integrated with other ministries, workshops, and spiritual formation activities. Collaboration expands the reach and impact of Priority Talk, enriching the spiritual lives of individuals and communities.

Conclusion

Priority Talk Emmaus represents a powerful approach to spiritual growth and community building through intentional, meaningful dialogue. Rooted in biblical tradition and developed through years of practice in Emmaus programs, Priority Talk provides a framework for exploring life's most important questions in a supportive environment. By understanding its key elements, benefits, and best practices, individuals and groups can harness the transformative potential of Priority Talk Emmaus for personal and communal enrichment.

Priority Talk Emmaus: A Deep Dive into Effective Communication and Community Building

Are you struggling to connect meaningfully with your community? Do you yearn for deeper relationships and more impactful conversations? Then understanding and implementing the principles behind "Priority Talk Emmaus" is crucial. This comprehensive guide explores the philosophy and practical applications of Priority Talk within the Emmaus community, illuminating how it fosters stronger bonds and more effective communication. We'll delve into the core tenets, explore real-world examples, and equip you with actionable strategies to enhance your communication within your own community or organization.

What is Priority Talk Emmaus?

Priority Talk, within the context of the Emmaus community (and similar faith-based or community-focused groups), is more than just a communication style; it's a philosophy centered on prioritizing genuine connection and understanding. It moves beyond superficial interactions to cultivate deep listening, empathy, and respect. It prioritizes shared experience and vulnerability, building trust and fostering a sense of belonging. Unlike transactional conversations focused on achieving specific outcomes, Priority Talk emphasizes the relational aspect, valuing the individual and their story above all else.

Core Principles of Priority Talk Emmaus

Several key principles underpin Priority Talk within the Emmaus context:

1. Active Listening: This isn't simply hearing words; it's fully engaging with the speaker, paying attention to both verbal and nonverbal cues. It involves reflecting back what's heard to ensure understanding and creating a safe space for the speaker to express themselves fully.

2. Empathy and Compassion: Truly understanding another person's perspective requires stepping into their shoes and acknowledging their feelings, even if you don't necessarily agree with their viewpoints. Compassionate listening fosters connection and creates a climate of trust.

3. Vulnerability and Honesty: Creating a safe space for vulnerability allows for deeper connection. When individuals feel comfortable sharing their authentic selves, including their struggles and triumphs, it builds stronger bonds within the community.

4. Respectful Dialogue: Disagreements are inevitable, but Priority Talk emphasizes respectful dialogue. This involves listening to opposing viewpoints with an open mind, seeking common ground, and avoiding judgmental language.

5. Intentional Communication: This involves being mindful of your words and actions, considering their impact on others. It's about choosing to communicate with intention, focusing on building relationships rather than simply conveying information.

Practical Applications of Priority Talk Emmaus

The principles of Priority Talk aren't just theoretical; they have tangible applications within the Emmaus community and beyond:

Small Group Discussions: Priority Talk enhances small group discussions by encouraging active listening and shared vulnerability. This creates a more enriching and meaningful experience for participants.

Conflict Resolution: By prioritizing empathy and respectful dialogue, Priority Talk provides a framework for resolving conflicts constructively, fostering reconciliation and strengthening relationships.

Mentorship and Support: Priority Talk is essential for effective mentorship and support. It enables mentors to truly understand their mentee's needs and offer tailored guidance and encouragement.

Community Building: By prioritizing genuine connection and understanding, Priority Talk fosters a strong sense of community, where individuals feel valued, supported, and connected.

Moving Beyond the Basics: Advanced Techniques

While the core principles are fundamental, mastering Priority Talk requires continuous practice and refinement. Consider these advanced techniques:

Nonviolent Communication (NVC): Integrating NVC principles can significantly enhance your ability to communicate empathetically and respectfully, addressing needs effectively while minimizing conflict.

Mindfulness Practice: Cultivating mindfulness improves your ability to focus, listen actively, and be present in conversations, thereby enhancing communication quality.

Reflective Listening Exercises: Regularly practicing reflective listening exercises strengthens your ability to understand and empathize with others.

Conclusion

Priority Talk Emmaus is not merely a communication technique; it's a transformative approach to building strong, meaningful relationships within a community. By embracing active listening, empathy, vulnerability, and respectful dialogue, you can cultivate deeper connections, resolve conflicts more effectively, and create a thriving and supportive environment. The journey to mastering Priority Talk is ongoing, requiring consistent effort and self-reflection, but the rewards are immeasurable.

FAQs

priority talk emmaus: The Priority of Christ Robert Barron, 2016-02-23 A Major Statement on Christology from Bishop Robert Barron For a long time, Christians have tried to bridge the divide between Christianity and secular liberalism with philosophy and theology. Bishop Robert Barron

shows that the answer to this debate--and the way to move forward--lies in Jesus. Barron transcends the usual liberal/conservative or Protestant/Catholic divides with a postliberal Catholicism that brings the focus back on Jesus as revealed in the New Testament narratives. Barron's classical Catholic postliberalism will be of interest to a broad audience including not only the academic community but also preachers and general readers interested in entering the dialogue between Catholicism and postliberalism. The hardcover edition includes a new preface by the author. Praise for *The Priority of Christ* Barron's wonderful book *The Priority of Christ* brings postliberalism back to its Catholic home. . . . A downright lovely book, written with a kind of winsome literary flair that exhibits the inviting clarity of a master teacher. Highly recommended. --James K. A. Smith, *Religious Studies Review* The book is full of gems worthy of hours of contemplation. --Mark G. Boyer, *The Priest*

The *Emmaus Ministries Community Manual* provides a comprehensive overview and explanation for the Emmaus movement and all of the ministries, both from theological and technical perspectives. The handbook answers many questions and offers insight into the reasons behind the design of Emmaus Ministries and the accompanying procedures.

priority talk emmaus: A Stranger in the House of God John Koessler, 2009-08-30 Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary *Pilgrim's Progress*, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith

Most of us preach in gatherings that are smaller than we would wish and tougher than we might have hoped when we entered pastoral ministry... There is a voice on our shoulders who whispers as we prepare, and then as we preach, 'Is it really worth it? From The Introduction Christopher Ash tell us that it is worth it. More than that, he sets out a charter for preaching that draws from the very roots of the Old Testament - showing us that nothing in the world is more worthwhile - for preaching is God's strategy to rebuild a broken world.

priority talk emmaus: Reading Revelation Responsibly Michael J. Gorman, 2011-01-01 *Reading Revelation Responsibly* is for those who are confused by, afraid of, and/or preoccupied with the book of Revelation. In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it, Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself. He takes interpreting the book as a serious and sacred responsibility, believing how one reads, teaches, and preaches Revelation can have a powerful impact on one's own--and other people's--well-being. Gorman pays careful attention to the book's original historical and literary contexts, its connections to the rest of Scripture, its relationship to Christian doctrine and practice, and its potential to help or harm people in their life of faith. Rather than a script for the end times, Gorman demonstrates how Revelation is a script for Christian worship, witness, and mission that runs counter to culturally embedded civil religion.

priority talk emmaus: How to Pray Pete Greig, 2019-04-04 Everyone prays. But no one finds it

easy. We all need a little help. Pete Greig has been teaching on prayer - and leading a non-stop prayer movement - for twenty years. Now, for the first time, he puts his life's work into a response to the question everybody ultimately asks: how do I pray? This down-to-earth introduction to life's greatest adventure will guide you deeper in your relationship with God, helping you to become more centred and still, clearer in discerning God's voice, more able to make sense of your disappointments and more expectant for miraculous breakthroughs too. It's full of honest, hard-won wisdom interspersed with real-life stories - some humorous, others moving - to equip and inspire your prayer life. Journeying through the Lord's Prayer, and accompanied by online videos from The Prayer Course, which has been used by more than a million people, it unpacks nine essential aspects of prayer: stillness, adoration, petition, intercession, perseverance, contemplation, listening, confession and spiritual authority. From one of today's most visionary communicators, for those who've been praying for years as well as those who want to pray but don't know where to begin, *How to Pray* is the simple, life-changing guide you've been waiting for.

priority talk emmaus: *The Power of Reconciliation* Justin Welby, 2022-06-09 *The Power of Reconciliation* will come to be seen as Archbishop Welby's most important book to date. Welby writes about Reconciliation as seeking to disagree well. It relates to both religious and secular communities, from the household to the international. Conflict is widespread. With the after-effects of Covid, changes in science and technology, inequality, and increasingly polarized political and social strife, moves towards reconciliation are more necessary than ever. Both before ordination and since Welby has seen conflict first-hand. He has spent many years working on issues of conflict around the world. The book is full of practical advice for all those in authority on how to bring about reconciliation. There is even a step-by-step guide for this, drawn from the author's own experience. The book is thus down-to-earth, plugged into reality and devoid of pointless optimism or a Pollyannaish view of our contemporary problems. Furthermore, there is the dignity of difference. Today there is so much intolerance of views that are other than our own as we demonize those we do not agree with. This revolutionary book is published in the first place for the 2022 Lambeth Conference in July, when bishops from all around the world assemble in Canterbury. But its importance goes far beyond these confines, which will nonetheless be widely reported in the media and the press. The author deals with conflict and reconciliation within families, businesses, warfare between nations, races and all forms of political conflict. The book concerns the secular sphere every bit as much as the religious, though Welby's message is Christian inspired, and the influence of Desmond Tutu strongly felt.

priority talk emmaus: *Jesus Manifesto* Leonard Sweet, Frank Viola, 2010-05-30 *Jesus Manifesto* presents a fresh unveiling of Jesus, seeking to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, and methods that begin to eclipse the beauty, the glory, and the reality of the Lord Jesus Himself. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. *Jesus Manifesto* provides clarity on the most important points of our faith. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world and church that has lost sight of Him. This manifesto emphasizes ten crucial areas of restoring the supremacy of Jesus Christ, noting: Christians don't follow Christianity; they follow Christ Christians don't proclaim themselves; they proclaim Christ Christians don't point people to core values; they point people to the Cross Christians don't preach about Christ; they preach Christ Read this book to see your Lord like you've never seen Him before and restore the sovereignty of Jesus in your life.

priority talk emmaus: *Christus Vivit* Pope Francis, 2019-04-04 To young Christians of the world, Pope Francis has a message for you: Christ is alive, and he wants you to be alive! In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on Young People, The Faith, and Vocational Discernment. Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate

to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

Following Hans Urs von Balthasar's magisterial, five-volume Theo-Drama, a growing number of theologians and pastors have been engaging more widely with theatre and drama, producing what has been recognized as a theatrical turn in theology. This volume includes thirteen essays from theologians and pastors who have contributed in distinct ways to this theatrical turn and who desire to deepen interdisciplinary dialogue between theology and theatre. The result is an unprecedented collection of essays that embodies and advances theatrical theology for the purpose of enriching theological reflection and edifying the church.

priority talk emmaus: The Justice Calling Bethany Hanke Hoang, Kristen Deede Johnson, 2017-03-14 Christianity Today Book Award Winner Justice requires perseverance--a deep perseverance we can't muster on our own. The world's needs are staggering and even the most passion-driven reactions, strategies, and good intentions can falter. But we serve a God who never falters, who sees the needs, hears the cries, and gives strength--through Jesus Christ and the Holy Spirit--to his people. Offering a comprehensive biblical theology of justice drawn from the whole story of Scripture, this book invites us to know more intimately the God who loves justice and calls us to give our lives to seek the flourishing of others. The authors explore stories of injustice around the globe today and spur Christians to root their passion for justice in the persevering hope of Christ. They also offer practices that can further form us into people who join God's work of setting things right in the world. Now in paper with an added reader's guide.

preacher with a worldwide ministry during the first half of the twentieth century, demonstrates the deep hunger for a saving knowledge of God present in each generation. Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty, holiness, grace, and mercy, among many others, all packaged in a style especially useful for pastors, teachers, and Bible students. Our God who is above all names cannot be found through human searching alone, Pink teaches, but can be known only as he is revealed by the Holy Spirit through his living Word.

Commission on Urban Priority Areas, 1985 Four years after Lord Scarman's report on the Brixton disorders, and at a time of continuing urban unrest, what future is there for our inner cities and housing estates? How should the Church of England, and other bodies, including government, respond? This was the brief given by the Archbishop of Canterbury to a distinguished 18-member Commission drawn from a wide range of backgrounds. After two years of taking evidence and visiting the major cities where economic, physical and social conditions are at their most acute and depressing, the Commission's report paints a disturbing picture. The report makes recommendations to the Church about its place and responsibilities in the urban priority areas. Important recommendations are also made about public policy issues: unemployment, housing, social and community work, education, policing, and urban policy. In its call for action on a broad front, the Commission argues that Church and State must have faith in the city. There needs to be a clear commitment - and a positive response - by the nation as a whole.

But there is good news: God has graciously provided a way for men to reset their lives at a more sustainable pace. Drawing on his own experiences—and time spent with other men who have also experienced burnout—pastor David Murray offers weary men hope for the future, helping them identify the warning signs of burnout and offering practical strategies for developing patterns that help them live a grace-paced life and reach the finish line with their joy intact.

priority talk emmaus: *Living in the Different* Elaine J. Clinger Sturtz, 2019-01-06 Elaine Sturtz shares in *Living in the Different* that grief is messy, hard, painful, filled with tears and loneliness, but it also includes faith, hope and love. She walks through the journey, the emotions, the changes and hurts. Each grief is different, and grief changes our lives. We are different, and how we live and

interact with others is different. The journey of grief takes different forms as we learn to live and mingle joy and sorrow together. Elaine offers hope—a hope of hope—through these passages of sorrow and loss. Hope is found in our faith in God who is love, and love never ends. As you read these words, may God bring comfort and guidance and give you hope.

priority talk emmaus: Not Do But Done (eBook) Alan Platt, 2016-03-01 “We Start At Finish” unpacks the message of the victory that God secured for humanity through one incredible moment of triumph at the cross. Jesus Christ paid a price that was more than sufficient to reposition mankind to live life according to God’s original design for man. He redeemed our innocence and restored the glory we lost in Adam. The gospel communicates the desire of Jesus Christ’s to showcase humanity as a trophy of His grace! However so many good Christian people continue to live in a way that reinforces the conviction that we are responsible for our own salvation. Man – in his fallen state – is never going to get it right on his own. Performance based, two-faced, ungraced Christianity is debilitating. Our assignment has never been about what we can do for God, but what God has done for us. We really start at the finish. If you as a Christ follower are tired of trying to be good, worrying about eternity and earning your way to Christ’s love, this book is liberating. Discovering that you are not an after-thought in God’s mind as far as the gospel is concerned changes how you view yourself and places you in a new space of flourishing in the course of living.

priority talk emmaus: Not by Sight Jon Bloom, 2013-04-30 Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus’s words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, *Not by Sight* gives us glimpses of what it means to walk by faith and counsel for how to trust God’s promises more than our perceptions and to find rest in the faithfulness of God.

priority talk emmaus: Young Children and Worship Sonja M. Stewart, Jerome W. Berryman, 1989-01-01 The authors have devised an exciting way to introduce three- to - seven year olds to the wonder of worship. Activities are developed around the order of worship commonly used in Reformed churches: assemble in God’s name; proclaim, give thanks to and go in God’s name.

priority talk emmaus: A Sudden Glory Sharon Jaynes, 2012-08-21 Do you long for something more in your relationship with God? The good news is that “something more” does not mean “doing more.” God is not waiting for you to get your spiritual life “right.” He wants to be with you right where you are. The real question is not “What does God want from you?” but “What does God want for you?” Sharon Jaynes understands what it’s like to have a “glory ache”—a longing to experience God’s presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she’s discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your “spiritual life” and your “daily life” as you enter the sanctuary of God’s presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

priority talk emmaus: The Orphean Passages Walter Wangerin, Jr., Walter Wangerin, 1996 A remarkable weaving of faith, myth, and humanity from award-winning novelist Walter Wangerin Jr.

Faith, writes Walter Wangerin, is 'a relationship with the living God enacted in this world.' It is ever-changing and inherently dramatic. The Orphan Passages is Wangerin's compelling story of a Christian pastor's career and the drama of his faith. Interlaced with the classical myth of Orpheus and Eurydice, this daring and unconventional inquiry into Christian experience ranks among the most challenging of Wangerin's works. Wangerin sees in the ancient myth an extraordinary parallel of the twists and turns individuals follow in their journeys of faith. In the author's own present-day Reverend Orpheus, that parallel is vividly played out -- rendering the modern story of one man both universal and timeless. The Orphan Passages asserts the truth of a legend that people of all times have experienced. It has the immediacy of a well-wrought novel, driving readers on to the surprising yet inevitable conclusion.

priority talk emmaus: The Death of the Messiah and the Birth of the New Covenant Michael J. Gorman, 2014-06-27 In this groundbreaking book, Michael Gorman asks why there is no theory or model of the atonement called the new-covenant model, since this understanding of the atonement is likely the earliest in the Christian tradition, going back to Jesus himself. Gorman argues that most models of the atonement over-emphasize the penultimate purposes of Jesus' death and the mechanics of the atonement, rather than its ultimate purpose: to create a transformed, Spirit-filled people of God. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant (and thus the new community) promised by the prophets, which is also the covenant of peace. Gorman therefore proposes a new model of the atonement that is really not new at all--the new-covenant model. He argues that this is not merely an ancient model in need of rediscovery, but also a more comprehensive, integrated, participatory, communal, and missional model than any of the major models in the tradition. Life in this new covenant, Gorman argues, is a life of communal and individual participation in Jesus' faithful, loving, peacemaking death. Written for both academics and church leaders, this book will challenge all who read it to re-think and re-articulate the meaning of Christ's death for us.

priority talk emmaus: God's Glory in Salvation through Judgment James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory, and God reveals himself as a God who is merciful and just. James Hamilton Jr. contends that from this passage comes a biblical theology that unites the meta-narrative of Scripture under one central theme: God's glory in salvation through judgment. Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Caananites. God was glorified through both his judgment and mercy, accorded in salvation to Israel. The New Testament unfolds the ultimate display of God's glory in justice and mercy, as it was God's righteous judgment shown on the cross that brought us salvation. God's glory in salvation through judgment will be shown at the end of time, when Christ returns to judge his enemies and save all who have called on his name. Hamilton moves through the Bible book by book, showing that there is one theological center to the whole Bible. The volume's systematic method and scope make it a unique resource for pastors, professors, and students.

priority talk emmaus: The Splendor of the Church Henri De Lubac, 2013-03-25 Considered by many the bright jewel among the many enriching books of Cardinal Henri de Lubac, this work is a hymn to the beauty of the Church, under some of whose leaders for a time he unjustly suffered. The Splendor of the Church is, in a sense, a personal testimony of the great theologian's humility and love of the Church of Christ. It is also a classic work in the theology of the Church. Indeed, de Lubac's profound insights significantly contributed to Vatican II's Dogmatic Constitution on the Church, Lumen Gentium, especially in its treatment on the Church as mystery and as the Sacrament of Christ. Chapters: I. The Church as Mystery II. The Dimensions of the Mystery III. The Two Aspects of the Church IV. The Heart of the Church V. The Church in the World VI. The Sacrament of Christ VII. Ecclesia Mater VIII. Our Temptations concerning the Church IX. The Church and Our Lady
