#### Information typically included in Playmate data sheets:

Product Name and Number: A unique identifier for the toy.

Manufacturing Date & Location: Pinpointing the origin and production timeframe.

Materials Used: Detailed list of materials comprising the toy, including plastics, fabrics, and paints. This is crucial for authentication and understanding potential material degradation over time.

**playmate data sheets: The Best of Me** David Sedaris, 2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (Time Out New York), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

I'm Ola Ray, a small-town girl from St. Louis, Missouri, who reached international fame, as the co-star in what became the biggest music video of all time. Thriller! Whenever I am in public, people seem to find a way to approach me, wanting to know what it was like to be in a music video with the King of Pop. I have remained in the shadows for decades, avoiding television and radio interviews from inquisitive reporters to protect the stroke of destiny that changed my life forever. Flashing cameras, red carpets, velvet ropes, house stalkers, parties full of debauchery, and abusive relations. But only through the grace of God, I am still standing. The sudden meteoric rise I experienced sent me on an unimaginable odyssey. My disappearance from the public eye was never intended, yet the mysteriousness became safe. Michael and I understood the mystery. Except Michael's mystique was deliberate, and mine was a shield of protection from the wolves once I was hurled into the global spotlight. Today, I reflect on my life before and after fame, and it still seems like a fantasy. I have experienced the highs and the lows, the pitfalls, and privileges as a public figure in pop culture. This extraordinary road that I was granted has not always been smooth. Fame comes with a price that can bring unwanted entrapments. International acclaim and notoriety can be blinding. The anticipation of moving to Hollywood and auditioning for movie roles was what I wanted, but never in my wildest dreams would I have known how my fate would shift, and soon I would be on all the magazine covers. The sudden turn became nothing less than a whirlwind of adventures, after my career from Tokyo, Japan began and after the centerfold for Playboy. I hope this book will be a guide for young people who will flock to Hollywood with big aspirations with their eyes open. My eyes have seen much, and my feet have traveled far. Yes, it's been a thriller! And this is my story, The Thrill of It All.
