But on her first day, a body is found in the woods: the corpse of Henrik Grünttor presents itself as that of a homeless man, dead from his own drug use. However, until recently, Grünttor had been working at the local GCHQ centre on the Russian section and the postmortem reveals the cause of his death to be uncertain. Now in her early fifties, Donna has her own reasons for wanting to be in Scarborough, ones she would prefer to keep from her colleagues. For she's not been drawn there by the landscape or the light, or even the beach, but to be closer to her wayward daughter - a daughter serving time in the nearby prison for GBH. Yet beyond even this, Donna hides another secret: she grew up in East Berlin, escaping across the wall in the early 1980s. Due to the circumstances of her past Donna is drawn to the dead man whose background is not dissimilar to hers... and her persistence reveals there are several people who wanted Grünttor dead -- and gathered around him in his final days like a wake of crows...

real katy evans: Threads Kate Evans, 2018-11-13 A heartbreaking, full-color graphic novel of the refugee drama In the French port town of Calais, famous for its historic lace industry, a city within a city arose. This new town, known as the Jungle, was home to thousands of refugees, mainly from the Middle East and Africa, all hoping, somehow, to get to the UK. Into this squalid shantytown of shipping containers and tents, full of rats and trash and devoid of toilets and safety, the artist Kate Evans brought a sketchbook and an open mind. Combining the techniques of eyewitness reportage with the medium of comic-book storytelling, Evans has produced this unforgettable book, filled with poignant images—by turns shocking, infuriating, wry, and heartbreaking. Accompanying the story of Kate's time spent among the refugees—the insights acquired and the lives recounted—is the harsh counterpoint of prejudice and scapegoating arising from the political right. Threads addresses one of the most pressing issues of modern times to make a compelling case, through intimate evidence, for the compassionate treatment of refugees and the free movement of peoples. Evans's creativity and passion as an artist, activist, and mother shine through.

real katy evans: *Love the One You Hate* R S Grey, 2020-05-17 Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.
