Queen Victoria's Diaries: An Overview

Queen Victoria was an avid diarist, keeping detailed records from her childhood through her long reign. Her diaries span nearly seven decades, amounting to over 140 volumes and millions of words. These personal writings were not intended for public consumption, making them an authentic reflection of her thoughts, feelings, and experiences. The queen victoria diary albert entries are particularly noteworthy for their candid portrayal of her marriage, family life, and the challenges of monarchy. The diaries are considered one of the most significant royal documents, offering historians a rare view into the inner workings of the British royal family during the 19th century.

Importance of the Diaries

The diaries serve as both a historical record and a personal memoir. Queen Victoria's meticulous documentation includes everyday occurrences, political developments, and her interactions with Albert. This makes them invaluable to understanding the social, cultural,

and political context of Victorian England.

- Detailed daily entries revealing personal emotions
- Accounts of royal ceremonies and political meetings
- Descriptions of family life and personal relationships
- Insights into Queen Victoria's thoughts about Albert

Prince Albert's Role in the Royal Diaries

Prince Albert of Saxe-Coburg and Gotha married Queen Victoria in 1840, becoming her confidant and chief advisor. His presence in Victoria's diaries is frequent and central, as she often described him as her "dearest husband" and "closest companion." The queen victoria diary albert entries highlight the depth of their partnership, from shared interests in art, science, and philanthropy to their united approach to parenting and governance.

Albert's Influence on Queen Victoria's Writings

Albert was not only a subject in Victoria's diaries but also influenced her writing style and content. His intellectual pursuits and progressive ideas often steered Victoria's opinions and diary reflections. The diaries document Albert's role in modernizing the monarchy and his impact on Victoria's decision-making.

Reflections on Marriage and Partnership

Victoria's diaries portray a marriage grounded in mutual respect and affection. She wrote extensively about their private moments, family celebrations, and the sorrow she endured upon Albert's passing in 1861. Her grief is palpable in the diary entries, illustrating how Albert's absence affected both her personal life and her reign.

Key Events and Entries Involving Albert

Some of the most compelling queen victoria diary albert entries correspond to pivotal events in Victorian history. These include their engagement and wedding, the birth of their children, political reforms, and Albert's involvement in the Great Exhibition of 1851.

Notable Diary Entries

Several diary passages stand out for their historical and emotional significance:

- Victoria's description of her wedding day and the joy she felt marrying Albert
- Accounts of Albert's initiatives, such as the Great Exhibition
- Reflections on family milestones, including children's births and anniversaries
- Victoria's expressions of grief following Albert's death

Political and Social Insights

The diaries also offer a unique perspective on political events, as Victoria often discussed Albert's counsel regarding state affairs. Their partnership extended beyond personal matters, influencing the direction of the British monarchy and the broader society.

Influence of the Diaries on Historical Perception

The queen victoria diary albert records have shaped how historians view the Victorian era. By providing an unfiltered account of the queen's life, the diaries help demystify royal traditions and shed light on the emotional complexities of monarchy.

Impact on Royal Biography

Biographers and researchers rely on the diaries to reconstruct events and understand the personalities of Queen Victoria and Prince Albert. The authenticity of these writings makes them central to Victorian studies and royal history.

Understanding the Victorian Monarchy

The diaries reveal the challenges faced by Victoria and Albert, including public scrutiny, political pressure, and personal loss. Their documented resilience and devotion continue to inspire contemporary audiences.

Legacy of Queen Victoria and Prince Albert's Relationship

The story of Queen Victoria and Prince Albert, as captured in the diaries, is more than a royal romance; it is a testament to partnership, progress, and enduring influence. Their legacy is reflected in the modernization of the monarchy, advancements in arts and sciences, and the evolution of royal family dynamics.

Cultural and Historical Influence

Victoria and Albert's relationship set new standards for royal behavior and public engagement. The diaries illustrate how they navigated tradition and innovation, leaving a lasting imprint on British culture and governance.

1. Promotion of education and the arts
2. Philanthropic initiatives and social reform
3. Strengthening the institution of monarchy
4. Lasting impact on subsequent generations of royals

Analyzing Diary Excerpts: Insights Into Victorian Life

Examining queen victoria diary albert passages offers unique insights into 19th-century customs, values, and social hierarchies. Victoria's observations cover everything from fashion and etiquette to political movements and technological advancements.

Daily Life at Court

The diaries describe routines, celebrations, and challenges at Buckingham Palace and other royal residences. These entries help historians reconstruct the rhythm of royal life and the expectations placed on Victoria and Albert as public figures.

Family Dynamics and Parenting

Victoria's documentation of her children's upbringing and Albert's involvement in their education reveal much about Victorian parenting philosophies and familial roles within the royal household.

Preservation and Accessibility of the Diaries

Queen Victoria's diaries have been preserved through various means, including transcription and publication. While some volumes remain private, many entries are available for scholarly study, ensuring their continued relevance to historical research.

Publication and Editing

After Victoria's death, her daughter Princess Beatrice edited and recopied many diary volumes, sometimes omitting sensitive material. Today, historians work to authenticate and restore original entries, providing a more complete picture of Victoria and Albert's lives.

Modern Access and Research

Digitization projects have made portions of the diaries accessible to a wider audience, supporting ongoing research into the queen victoria diary albert connection and its historical significance.

Queen Victoria's Diary: A Window into her Life with Albert

The death of Prince Albert left Queen Victoria inconsolable, a grief she meticulously documented in her personal diaries. These intimate journals offer a poignant and unparalleled glimpse into their enduring love story, a relationship that shaped not only Victoria's life but also the course of British history. This post delves deep into the entries detailing her relationship with Albert, exploring the depth of their connection, their shared governance, and the devastating impact of his loss. We'll examine what these diaries reveal about their personalities, their political influence, and the enduring legacy of their marriage.

The Unveiling of a Powerful Partnership: Victoria and Albert in the Diaries

Queen Victoria's diaries, spanning decades, are a treasure trove of personal reflections, political observations, and intimate details of her life. Her entries regarding Prince Albert are particularly revealing, painting a picture far beyond the formal portraits and public pronouncements of the era. They show a woman deeply in love, utterly devoted to her husband, and reliant on his judgment and counsel. The diaries aren't just chronicles of events; they are emotional landscapes, exposing the complexities of their relationship.

Beyond the Crown: A Love Story For the Ages

The diaries reveal a love story that transcended the constraints of royal life. Victoria consistently describes Albert not just as her husband, but as her confidant, her advisor, and her best friend. She details their private moments, their shared joys and sorrows, highlighting a bond of intellectual and emotional intimacy rare for the time. She openly expresses her admiration for his artistic talents, his intellectual curiosity, and his unwavering support in navigating the complexities of ruling a vast empire.

Political Influence: A Collaborative Reign

While traditionally the Queen held ultimate authority, the diaries illustrate Albert's significant influence on political matters. Victoria frequently sought his advice on state affairs, revealing a collaborative partnership that went beyond the traditional roles of monarch and consort. He wasn't

simply a figurehead; the diaries highlight his active participation in policy decisions, suggesting a degree of power-sharing that redefined the role of a royal spouse.

The Devastating Loss and Enduring Legacy

Prince Albert's death in 1861 plunged Victoria into an extended period of mourning that profoundly impacted her life and her reign. The diaries poignantly document the depth of her grief, offering an unflinching portrayal of raw emotion and profound loss. This period of intense sorrow is not simply a tragic ending; it's a crucial part of understanding the Queen's later years and her enduring legacy. Her grief, vividly detailed in her personal writings, shaped her public image and her approach to governing.

The Enduring Impact on History

The impact of Queen Victoria's relationship with Albert extends far beyond the personal. Their partnership redefined the role of the royal consort, laying the groundwork for future monarchs and their spouses. Their collaborative governance influenced British policy, and their personal lives became a powerful symbol of Victorian ideals and family values. The diaries, therefore, aren't merely a personal record; they are a vital historical source providing insight into a transformative era.

Accessing Queen Victoria's Diary: Research and Availability

The complete diaries remain largely inaccessible to the public, residing in the Royal Archives. However, significant portions have been published in edited collections, providing valuable excerpts and glimpses into the Queen's life with Albert. Researchers continue to study these invaluable historical documents, uncovering new perspectives on their relationship and their impact on history. This ongoing scholarship continually deepens our understanding of this iconic couple.

Conclusion

Queen Victoria's diaries offer a unique and unparalleled window into her relationship with Prince Albert. Beyond the grandeur of the monarchy, these intimate writings reveal a deep and enduring love story, a collaborative partnership in governance, and the devastating impact of loss. They stand as a powerful testament to their enduring legacy, continuing to shape our understanding of Victorian England and the powerful bonds of love and loss.

queen victoria diary albert: My Dearest, Dearest Albert Karen Dolby, 2018-09-20 Using excerpts from her letters and diaries, this book shows the very human face of Queen Victoria, from spirited young princess to caring Queen, passionate bride and loving mother to great-grandmother of a royal dynasty who gave her name to the age of improvement.

queen victoria diary albert: Our Life in the Highlands Victoria (Queen of Great Britain), 1972

queen victoria diary albert: Queen Victorias Teenage Diaries Queen of Great Britain Victoria, 2017-02-02 Queen Victoria's Teenage Diaries (Vol 1 of 2) is the amazing account of Queen Victoria's early years.

queen victoria diary albert: A Royal Passion Anne M. Lyden, 2014-02-04 In January 1839, photography was announced to the world. Two years prior, a young Queen Victoria ascended to the throne of Great Britain and Ireland. These two events, while seemingly unrelated, marked the beginnings of a relationship that continued throughout the nineteenth century and helped construct the image of an entire age. *A Royal Passion* explores the connections between photography and the monarchy through Victoria's embrace of the new medium and her portrayal through the lens. Together with Prince Albert, her beloved husband, the Queen amassed one of the earliest collections of photographs, including works by renowned photographers such as Roger Fenton, Gustave Le Gray, and Julia Margaret Cameron. Victoria was also the first British monarch to have her life recorded by the camera: images of her as wife, mother, widow, and empress proliferated around the world at a time when the British Empire spanned the globe. The featured essays consider Victoria's role in shaping the history of photography as well as photography's role in shaping the image of the Queen. Including more than 150 color images—several rarely seen before—drawn from the Royal Collection and the J. Paul Getty Museum, this volume accompanies an exhibition of the same name, on view at the J. Paul Getty Museum from February 4 to June 20, 2014.

queen victoria diary albert: The Victoria Letters Helen Rappaport, 2016 The official companion to ITV's hotly anticipated new drama, *The Victoria Letters* delves into the private writings of the young Queen Victoria, painting a vivid picture of the personal life of one of England's greatest monarchs. From the producers of *Poldark* and *Endeavour*, ITV's *Victoria* follows the early years of the young Queen's reign, based closely on Victoria's own letters and journals. Now explore this extensive collection in greater depth, and discover who Victoria really was behind her upright public persona. At only 18 years old, Victoria ascended the throne as a rebellious teenager and gradually grew to become one of the most memorable, unshakeable and powerful women in history. The extensive writings she left behind document this personal journey and show how she triumphed over scandal and corruption. Written by Internationally bestselling author, historian of 12 books and Victoria historical consultant, Helen Rappaport, and including a foreword by Daisy Goodwin - acclaimed novelist and screenwriter of the series - *The Victoria Letters* details the history behind the show. Revealing Victoria's own thoughts about the love interests, family dramas and court scandals during her early reign, it also delves into the running of the royal household, the upstairs-downstairs

relationships, and what it was like to live in Victorian England. Full of beautiful photography from the series and genuine imagery from the era, come behind the palace doors and discover the girl behind the Queen.

queen victoria diary albert: My Story: Victoria Anna Kirwan, 2014-04-03 The young Queen Victoria was brought up hidden from the world that she would one day govern. In 1829, aged ten, Princess Victoria is a lonely little girl, but she is about to make a startling discovery. She is closer to the throne than she ever imagined. My Royal Story offers a fascinating insight into the childhood of a young princess.

queen victoria diary albert: Queen Victoria Helen Rappaport, 2003

queen victoria diary albert: *Queen Victoria's Underpants* French, Jackie French, 2010 Queen Victoria was Empress of half the world. She owned palaces and huge armies. Mighty sultans gave her precious jewels. But she didn't have any underpants. Includes author's historical note. Suggested level: junior, primary.

queen victoria diary albert: The Right to Rule and the Rights of Women Arianne Chernock, 2019-08-08 Reveals Queen Victoria as a ruler who captivated feminist activists - with profound consequences for nineteenth-century culture and politics.

queen victoria diary albert: The Mystery of Princess Louise Lucinda Hawksley, 2013-11-21 'Satisfyingly replete with eye-popping stories' Observer What was so dangerous about Queen Victoria's artistic tempestuous sixth child, Princess Louise? When Lucinda Hawksley started to investigate, often thwarted by inexplicable secrecy, she discovered a fascinating woman, modern before her time, whose story has been shielded from public view for years. Louise was a sculptor and painter, friend to the Pre-Raphaelites and a keen member of the Aesthetic movement. The most feisty of the Victorian princesses, she kicked against her mother's controlling nature and remained fiercely loyal to her brothers - especially the sickly Leopold and the much-maligned Bertie. She sought out other unconventional women, including Josephine Butler and George Eliot, and campaigned for education and health reform and for the rights of women. She battled with her

indomitable mother for permission to practice the 'masculine' art of sculpture and go to art college - and in doing so became the first British princess to attend a public school. The rumours of Louise's colourful love life persist even today, with hints of love affairs dating as far back as her teenage years, and notable scandals included entanglements with her sculpting tutor Joseph Edgar Boehm and possibly even her sister Princess Beatrice's handsome husband, Liko. True to rebellious form, she refused all royal suitors and became the first member of the royal family to marry a commoner since the sixteenth century. Spirited and lively, *The Mystery of Princess Louise* is richly packed with arguments, intrigues, scandals and secrets, and is a vivid portrait of a princess desperate to escape her inheritance.

queen victoria diary albert: *Leaves From the Journal of Our Life in the Highlands, From 1848 to 1861* Queen of Great Britain Victoria, 2022-06-03 This published work was part of a journal written by the late Queen Victoria of Britain. It specifically focuses on her life period whenever she spent her time in the Scottish Highlands with her family and friends. Of note is the extensive detail of all the places the Queen visited and even the things she carry along with her in her travels.

queen victoria diary albert: *Queen Victoria* Lucy Worsley, 2018-09-06 'A wonderfully fresh, vivid and engaging portrait.' Jane Ridley, author of *Bertie: A Life of Edward VII* 'Has much of the abundant charm of its author.' Spectator 'The glory of this book is in the details.' The Times 'Worsley's command of the material and elegant writing style make this a must-read.' Publisher's Weekly 'An intimate glimpse.' Daily Mail 'An engaging portrait of the monarch.' i paper 'Provides a unique insight into this inscrutable monarch.' Choice Magazine 'In this lively, light-footed biography, just out in paperback, the popular TV historian Lucy Worsley looks at just 24 days of Victoria's 81-year long life to reveal unexpected sides to the monarch.' BBC History Magazine

***** Who was Queen Victoria? A little old lady, potato-like in appearance, dressed in everlasting black? She was also a passionate young princess who loved dancing. And there is also a third Victoria, the brilliant queen, one who invented a new role for the monarchy. Victoria found a way of ruling when people were deeply uncomfortable with having a woman on the throne. Her image as a conventional daughter, wife and widow concealed the reality of a talented, instinctive politician. Her actions, if not her words, reveal that she was tearing up the rules on how to be female. But the price of this was deep personal pain. By looking in detail at twenty-four days of her life, through diaries, letters and more, we meet Queen Victoria up-close and personal. Living with her from hour to hour, we can see and celebrate the contradictions that make up British history's most recognisable woman.

queen victoria diary albert: *Queen Victoria's Matchmaking* Deborah Cadbury, 2017-11-14 A captivating exploration of the role in which Queen Victoria exerted the most international power and influence: as a matchmaking grandmother. As her reign approached its sixth decade, Queen Victoria's grandchildren numbered over thirty, and to maintain and increase British royal power, she was determined to maneuver them into a series of dynastic marriages with the royal houses of Europe. Yet for all their apparent obedience, her grandchildren often had plans of their own, fueled by strong wills and romantic hearts. Victoria's matchmaking plans were further complicated by the tumultuous international upheavals of the time: revolution and war were in the air, and kings and queens, princes and princesses were vulnerable targets. *Queen Victoria's Matchmaking* travels through the glittering, decadent palaces of Europe from London to Saint Petersburg, weaving in scandals, political machinations and family tensions to enthralling effect. It is at once an intimate portrait of a royal family and an examination of the conflict caused by the marriages the Queen arranged. At the heart of it all is Victoria herself: doting grandmother one moment, determined Queen Empress the next.

queen victoria diary albert: Prince Albert A. N. Wilson, 2019-09-05 Chosen as a Book of the Year in The Times and the Daily Mail 'Highly entertaining' Sunday Times 'Enthralling' Daily Telegraph For more than six decades, Queen Victoria ruled a great Empire at the height of its power. Beside her for more than twenty of those years was the love of her life, her trusted husband and father of their nine children, Prince Albert. But while Victoria is seen as the embodiment of her

time, it was Prince Albert, A. N. Wilson expertly argues, who was at the vanguard of Victorian Britain's transformation as a vibrant and extraordinary centre of political, technological, scientific and intellectual advancement. Far more than just the product of his age, Albert was one of its influencers and architects. A composer, engineer, soldier, politician, linguist and bibliophile, Prince Albert, more than any other royal, was truly a 'genius'. Albert lived only forty-two years. Yet in that time, he fathered the royal dynasties of Germany, Russia, Spain and Bulgaria. Through Victoria, Albert and her German advisers pioneered the idea of the modern constitutional monarchy. In this sweeping biography, Wilson demonstrates that there was hardly any aspect of British national life which Albert did not touch. Drawn from the Royal archives, including Prince Albert's voluminous correspondence, this brilliant and ambitious book offers fascinating never-before-known details about the man and his time. A superb match of biographer and subject, Prince Albert, at last, gives this important historical figure the reverence and recognition that is long overdue.

queen victoria diary albert: Eastern Encounters Emily Hannam, 2018 Catalog of an exhibition held at the Queen's Gallery, Buckingham Palace, London, United Kingdom in June 2018.

queen victoria diary albert: Victoria & Albert: A Royal Love Affair Daisy Goodwin, Sara Sheridan, 2017-11-21 The official companion to the second season of the PBS/Masterpiece drama Victoria by award-winning creator and screenwriter Daisy Goodwin. Airing in the Downton Abbey slot on PBS/Masterpiece last January, Victoria captivated millions of viewers, eclipsing Downton's first-season viewership and leaving its audience eager for the series's next season, which will focus on Victoria and Albert's passionate and tempestuous marriage. This official tie-in to the show, by creator and screenwriter Daisy Goodwin, gives a behind-the-scenes look at the making of the show, featuring never-before-seen interviews, photos, diary entries, profiles on all major characters, and sumptuous detail on the costumes and props that bring Victoria and Albert's world to vivid life. Victoria and Albert follows this extraordinary relationship between two very different people—she impulsive, emotional, capricious; he cautious, self-controlled, and logical—whose devotion to each other was unparalleled in royal history. Taking fans deeper into the world of Victoria than ever before, Victoria and Albert: A Royal Love Affair is the ultimate gift for devotees of the show.

queen victoria diary albert: Georgiana Darcy's Diary Anna Elliott, 2011-04-20 Mr. Darcy's younger sister searches for her own happily-ever-after... The year is 1814, and it is springtime at Pemberley. Elizabeth and Mr. Darcy have married. But now a new romance is in the air, along with high fashion, elegant manners, scandal, deception, and the wonderful hope of a true and lasting love. Shy Georgiana Darcy has been content to remain unmarried, living with her brother and his new bride. But Elizabeth and Darcy's fairy-tale love reminds Georgiana daily that she has found no true love of her own. And perhaps never will, for she is convinced the one man she secretly cares for will never love her in return. Georgiana's domineering aunt, Lady Catherine de Bourgh, has determined that Georgiana shall marry, and has a list of eligible bachelors in mind. But which of the suitors are sincere, and which are merely interested in Georgiana's fortune? Georgiana must learn to trust her heart--and rely on her courage--for she also faces the return of the man who could ruin her reputation and spoil a happy ending, just when it finally lies within her grasp. Georgiana Darcy's Diary is Book 1 of the Pride and Prejudice Chronicles and is appropriate for all ages. The Pride and Prejudice Chronicles: Georgiana Darcy's Diary Pemberley to Waterloo Kitty Bennet's Diary

keywords: free, freebie, clean historical romance, clean Regency romance, England, Jane Austen sequel, Pride and Prejudice sequel, Mr. Darcy, Elizabeth Bennet, Lizzie Bennet, Pemberley, British, cozy

queen victoria diary albert: A Magnificent Obsession Helen Rappaport, 2013-05-28 As she did in her critically acclaimed *The Last Days of the Romanovs*, Helen Rappaport brings a compelling documentary feel to the story of this royal marriage and of the queen's obsessive love for her husband – a story that began as fairy tale and ended in tragedy. After the untimely death of Prince Albert, the queen and her nation were plunged into a state of grief so profound that this one event would dramatically alter the shape of the British monarchy. For Britain had not just lost a prince: during his twenty year marriage to Queen Victoria, Prince Albert had increasingly performed the function of King in all but name. The outpouring of grief after Albert's death was so extreme, that its like would not be seen again until the death of Princess Diana 136 years later. Drawing on many letters, diaries and memoirs from the Royal Archives and other neglected sources, as well as the newspapers of the day, Rappaport offers a new perspective on this compelling historical psychodrama--the crucial final months of the prince's life and the first long, dark ten years of the Queen's retreat from public view. She draws a portrait of a queen obsessed with her living husband and – after his death – with his enduring place in history. *Magnificent Obsession* will also throw new light on the true nature of the prince's chronic physical condition, overturning for good the 150-year old myth that he died of typhoid fever.

queen victoria diary albert: *Victoria & Abdul (Movie Tie-In)* Shrabani Basu, 2017-08-29 Soon to be a Major Motion Picture starring Dame Judi Dench from director Stephen Frears, releasing September 22, 2017. History's most unlikely friendship—this is the astonishing story of Queen Victoria and her dearest companion, the young Indian Munshi Abdul Karim. In the twilight years of her reign, after the devastating deaths of her two great loves—Prince Albert and John Brown—Queen Victoria meets tall and handsome Abdul Karim, a humble servant from Agra waiting tables at her Golden Jubilee. The two form an unlikely bond and within a year Abdul becomes a powerful figure at court, the Queen's teacher, her counsel on Urdu and Indian affairs, and a friend close to her heart. This marked the beginning of the most scandalous decade in Queen Victoria's long reign. As the royal household roiled with resentment, Victoria and Abdul's devotion grew in defiance. Drawn from secrets closely guarded for more than a century, *Victoria & Abdul* is an extraordinary and intimate history of the last years of the nineteenth-century English court and an unforgettable view onto the passions of an aging Queen.

queen victoria diary albert: *Heinrich Himmler* Peter Longerich, 2012 A biography of Heinrich Himmler, interweaving both his personal life and his political career as a Nazi dictator.

queen victoria diary albert: *Queen Victoria* Michael Ledger-Lomas, 2021 The *Spiritual Lives* series features biographies of prominent men and women whose eminence is not primarily based on a specifically religious contribution. Each volume provides a general account of the figure's life and thought, while giving special attention to his or her religious contexts, convictions, doubts, objections, ideas, and actions. Many leading politicians, writers, musicians, philosophers, and scientists have engaged deeply with religion in significant and resonant ways that have often been overlooked or underexplored. Some of the volumes will even focus on men and women who were lifelong unbelievers, attending to how they navigated and resisted religious questions, assumptions, and settings. The books in this series will therefore recast important figures in fresh and thought-provoking ways--

queen victoria diary albert: *Queen Victoria and the Discovery of the Riviera* Michael Nelson, 2007-05-15 Queen Victoria fell in love with the Riviera when she discovered it on her first visit to Menton in 1882 and her enchantment with this 'paradise of nature' endured for almost twenty years. Victoria's visits helped to transform the French Riviera by paving the way for other European royalty, the aristocracy and the very rich, who were to turn it into their pleasure garden. Michael Nelson paints a fascinating portrait of Victoria and her dealings with local people of all classes, statesmen and the constant stream of visiting crown heads. In the process we see an unexpected

side to Victoria: not the imperious, petulant, mourning widow but rather an exuberant girlish old lady thrilled by her surroundings. Queen Victoria and the Discovery of the Riviera is an absorbing and revealing account that makes an important contribution to both our understanding of Victoria's character and personality and our view of the late Victorian period.

queen victoria diary albert: Leaves from a Journal Victoria (Queen of Great Britain), 1901

queen victoria diary albert: The Last Princess Matthew Dennison, 2019-12-12 Beatrice Mary Victoria Feodore, later Princess Henry of Battenberg, was the last-born – in 1866 – of Victoria and Albert's children, and she would outlive all of her siblings to die as recently as 1944. Her childhood coincided with her mother's extended period of mourning for her prematurely deceased husband, a circumstance which may have contributed to Victoria's determination to keep her youngest daughter as close to her as possible. She would eventually marry Prince Henry of Battenberg in 1885, but only after overcoming her mother's opposition to their union. Beatrice remained Queen Victoria's favourite among her five daughters, and became her mother's constant companion and later her literary executor, spending the years that followed Victoria's death in 1901 editing her mother's journals and voluminous correspondence. Matthew Dennison's elegantly written biography restores Beatrice to her rightful place as a key figure in the history of the Victorian age, and paints a touching and revealing portrait of the life and family of Britain's second-longest-reigning monarch.

queen victoria diary albert: Queen Victoria: A Personal History Christopher Hibbert, 2010-04-15 Christopher Hibbert's acclaimed biography of Queen Victoria is as impressive and authoritative as the great woman herself.

queen victoria diary albert: The Girlhood of Queen Victoria Victoria (Queen of Great Britain), 1912

queen victoria diary albert: Empress Alexandra Melanie Clegg, 2020-09-19 When Queen Victoria's second daughter Princess Alice married the Prince Louis of Hesse and Rhine in 1862 even her own mother described the ceremony as 'more of a funeral than a wedding' thanks to the fact that it took place shortly after the death of Alice's beloved father Prince Albert. Sadly, the young princess' misfortunes didn't end there and when she also died prematurely, her four motherless daughters were taken under the wing of their formidable grandmother, Victoria. Alix, the youngest of Alice's daughters and allegedly one of the most beautiful princesses in Europe, was a special favorite of the elderly queen, who hoped that she would marry her cousin Prince Albert Victor, Duke of Clarence and one day reign beside him as Queen. However, the spirited and stubborn Alix had other ideas...

queen victoria diary albert: Victoria A. N. Wilson, 2014-09-04 'Writing about Queen Victoria has been one of the most joyous experiences of my life. I have read thousands (literally) of letters never before published, and grown used to her as to a friend. Maddening? Egomaniac? Hysterical? A bad mother? Some have said so. What emerged for me was a brave, original woman who was at the very epicentre of Britain's changing place in the world: a solitary woman in an all-male world who understood politics and foreign policy much better than some of her ministers; a person possessed by demons, but demons which she was brave enough to conquer. Above all, I became aware, when considering her eccentric friendships and deep passions, of what a loveable person she was.' A. N. Wilson

queen victoria diary albert: Queen Victoria's Highland Journals Victoria (Queen of Great Britain), 2005 These journals cover the period from 1848 to 1882 provide a fascinating insight into the days she spent with her family in her much beloved Scottish Highlands. They provide a rare opportunity into the thoughts and reflections of the wife and mother who wore the Imperial crown.

queen victoria diary albert: Farewell in Splendor Jerrold M. Packard, 1996-08

queen victoria diary albert: Queen Victoria: Her Great Empire Alan MacDonald, 2020-01-02 Everybody knows Victoria married a chap called Albert and wore black clothes - all the time. But did you know that Victoria: Went on her holidays in disguise? Was best pals with herrude Scottish

servant? Everything you could ever want to know about Queen Victoria!

queen victoria diary albert: We Two Gillian Gill, 2009-05-19 NEW YORK TIMES BESTSELLER [A] delectable double bio . . . Talk about Victoria's secret. . . A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues." —USA Today It was the most influential marriage of the nineteenth century—and one of history's most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naïve teenager, when the British Empire was at the height of its power, and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity, qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward, chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already "showed signs of wanting her own way." Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince-consort-to-be, neither had particularly high hopes. But the queen was delighted to discover a grown man, refined, accomplished, and whiskered. "Albert is beautiful!" Victoria wrote, and she proposed just three days later. As Gill reveals, Victoria and Albert entered their marriage longing for intimate companionship, yet each was determined to be the ruler. This dynamic would continue through the years—each spouse, headstrong and impassioned, eager to lead the marriage on his or her own terms. For two decades, Victoria and Albert engaged in a very public contest for dominance. Against all odds, the marriage succeeded, but it was always a work in progress. And in the end, it was Albert's early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad, pure and perfect. As Gill shows, the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated. Wonderfully nuanced, surprising, often acerbic—and informed by revealing excerpts from the pair's journals and letters—We Two is a revolutionary portrait of a queen and her prince, a fascinating modern perspective on a couple who have become a legend. BONUS: This edition contains a reader's guide.

queen victoria diary albert: Alice and Beatrice Anonymous, 2020-09-23 Reprint of the original, first published in 1869.

queen victoria diary albert: Queen Victoria's Bathing Machine Gloria Whelan, 2014-05-06 Prince Albert comes up with a royally creative solution to Queen Victoria's modesty concerns in this true story that reveals an overlooked splash of history. Poor Queen Victoria! She loves to swim, but can't quite figure out how to get to the water without her devoted subjects glimpsing her swimming suit. (Because, of course, such a sight would compromise her regal dignity.) Fortunately for the water-loving monarch, it's Prince Albert to the rescue with an invention fit for a queen! This quirky tale about the longest reigning monarch in British history is as fun as it is authentic, and the book includes a picture of the actual bathing machine Prince Albert created.

queen victoria diary albert: Victoria and Albert - A Royal Love Affair: Official companion to the ITV series Daisy Goodwin, Sara Sheridan, 2017-09-21 The second tie-in to ITV drama Victoria unveils the complex, passionate relationship of Victoria and Albert.
