percy jackson the last olympian: *Camp Half-Blood Confidential (Percy Jackson and the Olympians)* Rick Riordan, 2017-05-04 A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as What is this place? and Do I get to keep the T-shirt? Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

Most everyone assumed Andy had got away with murder—it's always the husband, isn't it?—but the police could never build a strong case against him. For a while, Andy hit rock bottom—he drank too much to numb the pain, was abandoned by all his friends save one, nearly lost his business, and became a pariah in the place he once called home. Now, six years later, Andy has finally put his life back together. He sold the house he once shared with Brie and moved away. To tell the truth, he wasn't sad to hear that the old place was razed and a new house built on the site. He's settled down with a new partner, Jayne, and life is good. But Andy's peaceful world is about to shatter. One day, a woman shows up at his old address, screaming, "Where's my house? What's happened to my house?" And then, just as suddenly as she appeared, the woman—who bears a striking resemblance to Brie—is gone. The police are notified and old questions—and dark suspicions—resurface. Could Brie really be alive after all these years? If so, where has she been?
