rumple buttercup: The Best of Me David Sedaris, 2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in The Best of Me reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (Time Out New York), The Best of Me spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

rumple buttercup: Bedtime Stories for Cats Leigh Anne Jasheway, 2016-04-05 Cat lovers cuddle, caress, and cater to their adorable but aloof feline friends. The cat, in fact, has become one of the country's most beloved pets, with some 90 million kitties claimed by doting owners. Now, Leigh Anne Jasheway's Bedtime Stories for Cats gives cat lovers everywhere new and inventive stories to lull their furballs to sleep. In Rumpled Katzkin, for example, silky Phoebe the Cat impersonates Barbra Streisand, but longs not for riches but for more time with her nerdy owner. In Kitty and the Beast, a not-so-beautiful cat adopts a young girl who subsequently learns that beauty is only fur deep. And in Puss and the Missing Boots, feline detective Pussywillow Claudius Rex the Third (The name's Puss) solves the mystery when Dollface Molloy's blue suede, over-the-knee boots are reportedly stolen by a cat burglar. rumple buttercup: The Seekers John Densmore, 2020-11-17 The iconic drummer of The Doors investigates his own relationship with creativity and explores the meaning of artistry with other artists and performers in this compelling and spellbinding memoir. Whether it's the curiosity that blossoms after we listen to our favorite band's newest record, or the sheer admiration we feel after

watching a knockout performance, many of us have experienced art so pure-so innovative-that we can't help but wonder afterwards: How did they do that? And yet, few of us are in a position to be able to ask those memorable legends where their inspiration comes from and how they translated it into something fresh and new. Fortunately for us, this book is here to offer us a bridge. In *The Seekers*, John Densmore—the iconic drummer of The Doors and author of the New York Times bestseller *Riders on the Storm*—digs deep into his own process and draws upon his privileged access to his fellow artists and performers in order to explore the origins of creativity itself. Weaving together anecdotes from the author's personal notebooks and experiences over the past fifty years, this book takes readers on a rich, thought-provoking journey into the soul of the artist. By understanding creativity's roots, Densmore ultimately introduces us to the realm of everyday inspirations that imbue our lives with meaning. Inspired by the classic spiritual memoir *Meetings with Remarkable Men*, this book is fueled by Densmore's abundant collection of transformative experiences—both personal and professional—with everyone from Ravi Shankar to Patti Smith, Jim Morrison to Janis Joplin, Bob Marley to Gustavo Dudamel, Lou Reed to Van Morrison, Jerry Lee Lewis to his own dear, late Doors bandmate Ray Manzarek. Ultimately, the result is not only a look into the hearts and minds of some of the most important artists of the past century—but a way for readers to identify and ignite their own creative spark, and light their own fire.
