Historical Foundations of Omega Psi Phi

Omega Psi Phi Fraternity, Inc., was established on November 17, 1911, at Howard University, Washington, D.C. The founding fathers—Dr. Ernest E. Just, Professor Frank Coleman, Dr. Oscar J. Cooper, and Bishop Edgar A. Love—created the fraternity to promote academic excellence and foster brotherhood among Black college men. The secrets of Omega Psi Phi's origins reveal a strategic effort to uplift African American students during a period of social and educational adversity. These historical roots are integral to understanding the fraternity's enduring principles and the reasons behind its revered traditions.

The fraternity's founding was marked by a commitment to scholarship, perseverance, and service to humanity. Throughout decades, Omega Psi Phi has grown to encompass thousands of chapters worldwide, each upholding the original vision of its creators. Exploring the secrets of Omega Psi Phi's formation illuminates the challenges faced and the innovative strategies employed to ensure its survival and influence.

Core Values and Principles of the Fraternity

The core values of Omega Psi Phi are encapsulated in its cardinal principles: Manhood, Scholarship, Perseverance, and Uplift. These principles guide every aspect of fraternity life and are considered the pillars upon which all actions and decisions rest. The secrets of Omega Psi Phi's success are rooted in the unwavering adherence to these values, which foster both individual growth and collective progress.

Manhood

Manhood represents strength of character, integrity, and the responsibility to lead by example. Omega Psi Phi expects its members to embody these virtues in their personal and professional lives, continuously striving for excellence.

Scholarship

Academic achievement is a cornerstone of Omega Psi Phi. The fraternity encourages members to pursue higher education and contribute to intellectual advancement within their communities. Scholarship programs and mentorship initiatives are part of the secrets of Omega Psi Phi's ongoing legacy.

Perseverance

Perseverance is the commitment to overcome obstacles and remain steadfast in the pursuit of goals. This principle is reflected in the fraternity's history and is a defining trait of Omega men.

Uplift

Uplift is the duty to support and empower others. Through community service and outreach, Omega Psi Phi members continue to make a positive impact, revealing one of the fraternity's most cherished secrets: the power of collective action.

- Mentoring youth and students

- Supporting educational initiatives
- Advocating for social justice
- Participating in community development

The Initiation Process and Rituals

The initiation process of Omega Psi Phi is one of the most closely guarded secrets of the fraternity. Prospective members undergo a comprehensive selection process that tests their commitment, character, and understanding of the fraternity's values. The rituals performed during initiation are designed to reinforce brotherhood, loyalty, and the responsibilities of Omega men.

Selection Criteria

Candidates are evaluated based on academic achievement, leadership potential, and community involvement. The process is rigorous, ensuring only those who embody the fraternity's ideals are selected.

Rituals and Ceremonies

Omega Psi Phi rituals are deeply symbolic and play a crucial role in fostering unity. These ceremonies include secret oaths, symbolic gestures, and the imparting of knowledge reserved for members. The exact details remain confidential, protected by tradition and respect for the fraternity's heritage.

Brotherhood Bonding

Initiation culminates in a profound sense of brotherhood, connecting new members to a legacy that spans generations. This bond is considered one of the most meaningful secrets of Omega Psi Phi.

Symbols, Traditions, and Iconography

Omega Psi Phi is rich in symbols and traditions that embody its history and values. The secrets of Omega Psi Phi are often represented through unique iconography, colors, and rituals that distinguish the fraternity from others.

Official Colors and Emblems

Royal purple and old gold are the fraternity's official colors, symbolizing prestige and excellence. The Omega Psi Phi shield contains key elements like the lamp, which represents scholarship, and other icons that reflect the fraternity's ideals.

Signature Traditions

Omega Psi Phi traditions include step shows, chants, and public service events. These activities strengthen fraternity bonds and celebrate the organization's cultural impact.

Secret Handshakes and Codes

Members share secret handshakes, codes, and verbal cues that reinforce their connection and signify membership. These traditions are a source of pride and remain closely guarded.

Brotherhood, Networking, and Leadership

A key secret of Omega Psi Phi is the lifelong network provided to its members. The fraternity fosters an environment where leadership skills are developed through collaboration, mentorship, and shared experiences. Omega men are known for their achievements and leadership in various industries.

Professional Development

Omega Psi Phi offers workshops, conferences, and mentorship programs to help members excel in their careers. The fraternity's exclusive network connects members to opportunities that might otherwise be inaccessible.

Lifelong Bonds

The strength of the Omega Psi Phi brotherhood lies in its enduring relationships. Members support each other through personal and professional challenges, creating a legacy of loyalty and mutual respect.

Service, Philanthropy, and Community Impact

Service and philanthropy are central secrets of Omega Psi Phi's sustained relevance. The fraternity is dedicated to uplifting communities through charitable initiatives, educational programs, and advocacy for social justice.

Signature Programs

Omega Psi Phi's national programs include voter registration drives, health awareness campaigns, and youth mentorship. These efforts are designed to address pressing community needs while promoting positive change.

Community Involvement

Members actively participate in volunteer work, fundraising events, and partnerships with local organizations. The fraternity's commitment to service is a distinguishing factor that sets it apart.

Famous Omega Men and Their Legacy

The legacy of Omega Psi Phi is closely tied to the achievements of its distinguished members. Many Omega men have made significant contributions to society, further enhancing the fraternity's reputation.

Influential Members

Notable Omega Psi Phi brothers include civil rights leaders, athletes, scholars, and entertainers. Their accomplishments reflect the fraternity's core values and inspire future generations.

1. Dr. Charles Drew – Pioneer in blood transfusion
2. Michael Jordan – Legendary basketball player
3. Langston Hughes – Renowned poet and writer
4. Rev. Jesse Jackson – Civil rights activist
5. Steve Harvey – Media personality

Impact on Society

These individuals exemplify the secrets of Omega Psi Phi through their leadership, excellence, and commitment to service. Their collective legacy continues to shape the fraternity's image and influence.

Decoding the Secrets: Insights and Realities

While Omega Psi Phi's secrets encompass rituals, codes, and exclusive traditions, their true essence lies in the fraternity's dedication to personal growth, brotherhood, and service. The organization's enduring impact is a testament to its ability to adapt and evolve, remaining relevant in changing times without sacrificing its foundational values.

Understanding the secrets of Omega Psi Phi offers valuable insights into how the fraternity cultivates leaders, supports communities, and fosters lifelong relationships. These realities reflect the strength and significance of Omega Psi Phi within the broader context of Greek life and beyond.

Secrets of Omega Psi Phi: Unveiling the Fraternity's History and Values

Introduction:

The Omega Psi Phi Fraternity, Inc., a historically Black fraternity known for its scholarship, leadership, and commitment to service, often shrouds itself in an aura of mystery. Many are intrigued by its rich history and traditions, leading to speculation about "secrets." This post aims to demystify Omega Psi Phi, exploring its founding principles, rituals, and the true meaning behind its often-misunderstood symbolism. We'll delve into the fraternity's history, its public service initiatives, and the values that bind its members together, offering a balanced and informative perspective on what makes Omega Psi Phi unique. Forget the unfounded rumors; let's uncover the real secrets - the dedication, brotherhood, and impactful legacy of this remarkable organization.

The Founding and Early Years of Omega Psi Phi (1911-1930s)

Omega Psi Phi was founded on November 17, 1911, at Howard University in Washington, D.C., by three visionary students: Oscar J. Cooper, Frank Coleman, and Ernest E. Just. Their goal was to create a fraternity dedicated to manhood, scholarship, and service, providing a space for Black men to excel academically and contribute meaningfully to society. The early years were marked by challenges - the pervasive racism of the time presented significant obstacles - yet the fraternity persevered, establishing itself as a beacon of hope and achievement for Black students. The focus on academics and community engagement remained paramount, laying the groundwork for the fraternity's future success.

The Significance of the Greek Letters and Symbols

The fraternity's name and symbols are rich with meaning. "Omega Psi Phi" itself represents the final letter of the Greek alphabet (Omega), symbolizing completion and perfection, coupled with Psi (Ψ), a

symbol of friendship and loyalty, and Phi (Φ), representing brotherhood. The chosen colors – royal purple and gold – represent achievement and excellence. While specific rituals remain private to members, the underlying principles of scholarship, perseverance, and upliftment are openly celebrated and publicly visible in their community work.

Omega Psi Phi's Public Service and Philanthropic Endeavors

One of the "secrets" behind Omega Psi Phi's enduring success is its unwavering commitment to service. The fraternity has a long and distinguished history of community engagement, participating in numerous philanthropic initiatives designed to improve the lives of others. These efforts encompass a wide range of activities, including:

Supporting Educational Initiatives

Omega Psi Phi has consistently prioritized education, providing scholarships and mentoring programs to students from underprivileged backgrounds. This commitment to educational attainment reflects the founders' vision of empowering Black youth through learning and opportunity.

Community Development Projects

The fraternity's impact extends beyond scholarships. Members participate in community development projects ranging from food drives and voter registration campaigns to habitat restoration and youth leadership training.

Health and Wellness Programs

Recognizing the importance of health, Omega Psi Phi promotes wellness initiatives in its communities, often partnering with local organizations to address health disparities and improve access to healthcare.

The Brotherhood and the "Secret" of Lasting Bonds

The core of Omega Psi Phi is its brotherhood. This isn't just a social connection; it's a deep-rooted

bond based on mutual respect, support, and shared commitment to the fraternity's values. The "secrets" here are the personal relationships and lifelong friendships forged within the fraternity, strengthened through shared experiences, mutual accountability, and a commitment to uplifting one another. This strong sense of brotherhood fuels the fraternity's continued success and impact.

Dispelling Myths and Addressing Misconceptions

Many misconceptions surround Omega Psi Phi, often fueled by rumors and misunderstandings. These myths often trivialize the fraternity's dedication to scholarship, service, and community betterment. It's crucial to understand that any seemingly "secret" aspects are primarily focused on preserving the integrity of its rituals and traditions, not on concealing harmful or unethical practices.

Conclusion: Understanding the True Legacy of Omega Psi Phi

Omega Psi Phi's "secrets" are not hidden agendas but rather the enduring principles of brotherhood, scholarship, and service that have guided the fraternity for over a century. The fraternity's legacy is one of achievement, community impact, and unwavering dedication to uplifting humanity. By understanding its history, values, and commitment to service, we can appreciate the true meaning behind this influential organization. It's a story of resilience, perseverance, and the power of collective action to create positive change.

FAQs:

1. Are there secret handshakes or rituals within Omega Psi Phi? Yes, like many fraternities, Omega Psi Phi has private rituals and traditions that are kept confidential among its members. These are not intended to be secretive in a malicious way, but rather to preserve the integrity of the brotherhood and its unique identity.
2. What are the requirements for joining Omega Psi Phi? Membership is selective and requires a strong academic record, a commitment to community service, and an alignment with the fraternity's values. Specific requirements may vary depending on the chapter.
3. How can I learn more about Omega Psi Phi's community involvement? You can visit the official Omega Psi Phi website for information on national and local chapter initiatives, or search for local chapter events and community outreach programs in your area.
4. Is Omega Psi Phi exclusively for African American men? Yes, Omega Psi Phi is a historically

African American fraternity and its membership is restricted to Black men.

5. What is the significance of the Omega Psi Phi's crest and symbols? The crest incorporates various symbolic elements representing achievement, scholarship, service, brotherhood, and the fraternity's founding principles. These are often interpreted differently by members, adding to the rich and layered meaning of the organization's visual identity.

This behind-the-curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world. Discover how to: Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9/11 conspiracy theories Figure out who "they" are Grasp the model on which conspiracy theories are built Figure out whether what "everybody knows" is true Distinguish on assassination brotherhood from another Understand why there's no such thing as a "lone assassin" Why do hot dogs come in packages of ten, while buns come in eight-packs? Everybody knows its a conspiracy, right? Find out in *Conspiracy Theories & Secret Societies For Dummies*.

secrets of omega psi phi: *The True Alpha and Omega* Minister Jerrod Smith, Brother Clifton Lucas, 2011-06-20 This bookexposes the true nature and culture of fraternities and sororities. In these secret societies there are activities and requirements that cause prospective members and members aliketo unknowingly enter into ungodly pacts and covenants. These ungodly practices lead to activities which include physical abuse, fornication, adultery, hatred, envy, strife, manipulation, social and intellectual elitism, abominable sexual activities and witchcraft. These organizationsattract people that are looking for something that only Christ Jesus can provide. However, the organizations appears as a light by their community service and networking abilities. This light however is afalse light.Once one gets into the inner workings of the organizations, the sin and soul inflicting antics are found deeply rooted in darkness. The authorsbeing former members that participated in ungodly activities within these organizations expose the physical, mental, sexualand spiritualdeath-dealing activities found in fraternities and sororities. This is by no means a kiss and tell composition, but it is a trying to save people from hell exposition. Actual accounts of sexual requirements, abuse,ancient ungodly spiritual practices, witchcraft, and required chantswhich denouncetheexistence the One True God are given in detail in this book.Ungodly spirits of oldhave found new vessels to operate inthrough these fraternities and sororities. The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices, but it shows people who want to be free how to find God, the Ancient of Days.Let the Truth be told. We encourage you to read this book if you arejoining a fraternity or sorority, are a member of one, are apastor, orhave a loved one in one of these organizations. We desire for all to be free and blessed by this book.

secrets of omega psi phi: Bigger Secrets William Poundstone, 1987-11 Cultural sleuth William Poundstone tells the secret recipe for oysters Rockefeller; the location of the federal government's underground bunker for use in a nuclear war; the phone company's own unlisted numbers; and more than a hundred other secrets.

secrets of omega psi phi: Race and Ethnicity in Secret and Exclusive Social Orders Matthew W. Hughey, 2015-04-10 Secret and private organizations, in the form of Greek-letter organizations, mutual aid societies, and civic orders, together possess a storied and often-romanticized place in popular culture. While much has been made of these groups' glamorous origins and influence—such as the Freemasons' genesis in King Solomon's temple or the belief in the Illuminati's control of modern geo-politics—few have explicitly examined the role of race and ethnicity in organizing and perpetuating these cloistered orders. This volume directly addresses the inattention paid to the salience of race in secret societies. Through an examination of the Historically Black and White Fraternities and Sororities, the Ku Klux Klan in the US, the Ekpe and Abakuj secret societies of Africa and the West Indies, Gypsies in the United Kingdom, Black and White Temperance Lodges, and African American Order of the Elks, this book traces the use of racial and ethnic identity in these organizations. This important contribution examines how such orders are both cause and consequence of colonization, segregation, and subjugation, as well as their varied roles as both catalysts and impediments to developing personal excellence, creating fictive kinship ties, and fostering racial uplift, nationalism, and cohesion. This book was originally published as a special issue of *Ethnic and Racial Studies*.

secrets of omega psi phi: *Five Stethoscopes 6 Secrets* Rose Mary Stiffin, 2021-05-11 Synopsis for *Five Stethoscopes, 6 Secrets* by Rose Mary Stiffin, PhD Six women's paths cross in medical school as five of them strive to become medical doctors, sometimes against all odds. Each one must succeed, and their mentor must ensure their success. But each one of them carries a secret. Everyone has a secret. Some are innocuous; others are far-reaching and can cross both moral and ethical lines. Meet six women living in Lincoln, Nebraska, five of whom are attending a new medical program. Their mentor, Dr. Elizabeth Hoslin, encourages them and loves them as if they were her little chicks under her wings. But she has a secret that even she is reluctant to admit. Connie keeps her secret hidden in a drawer. Glory's past shaped her dark secret. Candi's secret is haunting and unbelievable, crossing both ethical and moral lines. Amaryllis has a secret that could eat at her like a cancer. Will true friendship and love enable her to share her secret? Jo doesn't even know she has a secret. When she discovers it, will it destroy or strengthen her? *Five Stethoscopes, 6 Secrets* is Stiffin's sixth novel. If you like discovering secrets that are both warmhearted and frightening, getting to know characters you will not soon forget, then you will love this saga.

secrets of omega psi phi: **Dermatology Secrets Plus E-Book** James E. Fitzpatrick, Joseph G. Morelli, 2015-08-04 For 30 years, the highly regarded *Secrets Series®* has provided students and practitioners in all areas of health care with concise, focused, and engaging resources for quick reference and exam review. *Dermatology Secrets Plus*, 5th Edition, by Drs. secrets of omega psi phi: *African Americans and the Bible* Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans. From literature and the arts to popular culture and everyday life, the Bible courses through black society and culture like blood through veins. Despite the enormous recent interest in

African American religion, relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible. *African Americans and the Bible* is the fruit of a four-year collaborative research project directed by Vincent L. Wimbush and funded by the Lilly Endowment. It brings together scholars and experts (sixty-eight in all) from a wide range of academic and artistic fields and disciplines--including ethnography, cultural history, and biblical studies as well as art, music, film, dance, drama, and literature. The focus is on the interaction between the people known as African Americans and that complex of visions, rhetorics, and ideologies known as the Bible. As such, the book is less about the meaning(s) of the Bible than about the Bible and meaning(s), less about the world(s) of the Bible than about how worlds and the Bible interact--in short, about how a text constructs a people and a people constructs a text. It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general. Thus *African Americans and the Bible* provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed.

secrets of omega psi phi: Jet , 1989-10-02 The weekly source of African American political and entertainment news.

secrets of omega psi phi: *Dermatology Secrets Plus: First South Asia Edition* - E-book James E. Fitzpatrick, Joseph G. Morelli, features the Secrets' popular question-and-answer format that also includes lists, tables, and an informal tone - making reference and review quick, easy, and enjoyable. - Top 100 Secrets and Key Points boxes provide a fast overview of the secrets you must know for success in practice. - The proven Secrets® format gives you the most return for your study time - concise, easy to read, engaging, and highly effective. - Larger page size provides the visual detail necessary to understand and diagnose skin disorders, yet is still easy to carry with you for quick reference or review.

secrets of omega psi phi: *Analitikul Cogitationz* M'Bwebe Ishangi, 2007-05-11 For nearly fifteen yearz I've attempted 'shock therapy' on the mindz of Afrikan people by challenging us to dispute everything from history to politics, diet to religion, on down to historic African-American organizationz. My quest was and always will be to challenge you; to dare you to face who taught you; to reveal that not everything you may believe now, you had the opportunity to thoroughly investigate. *Analitikul Cogitationz* is a two-part book. So that you can know the person behind *Da Ghetto Tymz* magazine, Part 1 (*Deja Vu*), coverz the first few yearz of my re-awakening to Pan-Afrikan consciousness. In this mini-autobiography, I speak of thingz I went through I once was afraid to speak about. Part 2 is a collection of some of my best perspective articles that appeared in *Da Ghetto Tymz* magazine from 1993-2006. You may or may not agree with the message I convey, but I hope you will use my arguments as inspiration to further confirm your own beliefs whatever they may be.

secrets of omega psi phi: *Kappa Alpha Psi Secrets* Itty Bitnique, 2014-07-26 This collectible little history study book includes the unauthorized history of Kappa Alpha Psi with a COLLECTIBLE BOOK COVER. It includes information about the origin of the organization, founders, traditions, and secret college greek nomenclature.

secrets of omega psi phi: *Soul: Secrets of Ultimate Lionology* Brenda Isaacs, 2012-12-29 This is the authors second book in six years, the first having been a work of fiction entitled *The Baroness of Bakersfield*, published in 2006. This one, however, is mostly true, although some names have been changed with respect to confidentiality and privacy issues. *SOUL: Secrets of Ultimate Lionology* is the authors idea of a smorgasbord, replete with a variegated spread of anecdotes, relationships, snippets and vignettes all related to Brenda Isaacs experiences in the educational arena over the last 30-40 years. Once called a Renaissance Woman by South Bend (IN) Tribune reporter, Frank Ramirez, Isaacs has managed to maneuver through a gauntlet of school connected scenarios including public and private schools, alternative school, Sunday school, college and the library. This

tell-all book was written to delight, entertain, support and surprise all fellow educators and their friends across America, and around the world. An interactive book, Isaacs invites readers to give her feedback through social media. She plans to use remarks garnered in a follow-up book.

secrets of omega psi phi: Encyclopedia of African American Society Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports? How about African American Academy Award winners? Or perhaps you're asked about more complex social issues regarding the unemployment rate among African Americans, or the number of African American men on death row? If these questions sound familiar, the Encyclopedia of African American Society is a must-have for your library. This two-volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today's society. Approaching the field from a street level perspective, these two volumes cover topics of universal interest in America: rap music, sports, television, cinema, racism, religion, literature, and much more. The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends—slavery, segregation, separate but equal—that are often ignored in favor of mere facts. This is a definitive, reliable, and accessible entry point to learning the basics about African American society. The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism, affirmative action, and the civil rights movement. More than just a who's who, these volumes emphasize social issues and events—those filled with significance and consequence through history. Civil Rights, economic growth, law and justice, and politics—with all of their numerous subcategories—receive substantial coverage. The encyclopedia naturally contains hundreds of articles on notable African Americans (Martin Luther King, Jr., Jackie Robinson, Miles Davis), groundbreaking events (Emancipation Proclamation, Los Angeles Riots), sports and culture (Rap Music, Jazz), and significant heritage sites (Apollo Theater). This much needed two-volume encyclopedia should become a staple in collections at school, public, and academic libraries. Readers of all ages, backgrounds, and ethnic or racial groups will find fascinating material on every page. Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross-referenced for easy links from one topic to another Reader's guide facilitates easy browsing for relevant articles Clear, accessible writing style appropriate for high school and college students and interested lay readers Comprehensive index and bibliography Topics Covered Concepts and Theories Fine Arts, Theater, and Entertainment Health and Education History and Heritage Literature Media Movements and Events Music and Dance Organizations and Institutions Places Politics and Policy Popular Culture Religion and Beliefs The Road to Freedom Science, Technology, and Business Social Issues Special Populations Sports Advisory Board Sherri L. Barnes, Davidson Library, University of California, Santa Barbara W. Maurice Shipley, Ph.D., Ohio State University William H. Wiggins, Jr., Ph.D., Indiana University

secrets of omega psi phi: *Black Greek-letter Organizations in the Twenty-First Century* Gregory S. Parks, 2008-06-13 During the twentieth century, black Greek-Letter organizations (BGLOs) united college students dedicated to excellence, fostered kinship, and uplifted African Americans. Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr., Congresswoman Barbara Jordan, novelist Toni Morrison, and Wall Street pioneer Reginald F. Lewis. Despite the profound influence of these groups, many now question the continuing relevance of BGLOs, arguing that their golden age has passed. Partly because of their perceived link to hip-hop culture, black fraternities and sororities have been unfairly reduced to a media stereotype—a world of hazing without any real substance. The general public knows very little about BGLOs, and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations. To foster a greater engagement with the history and contributions of BGLOs, *Black Greek-Letter Organizations in the Twenty-first Century: Our Fight Has Just Begun* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members. Editor Gregory S. Parks and the contributing authors provide historical context for the development of BGLOs,

exploring their service activities as well as their relationships with other prominent African American institutions. The book examines BGLOs' responses to a number of contemporary issues, including non-black membership, homosexuality within BGLOs, and the perception of BGLOs as educated gangs. As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena, Louisiana, these organizations still have a vital mission. Both internally and externally, BGLOs struggle to forge a relevant identity for the new century. Internally, these groups wrestle with many issues, including hazing, homophobia, petty intergroup competition, and the difficulty of bridging the divide between college and alumni members. Externally, BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism, sexism, and other types of fear-driven behavior. By embracing the history of these organizations and exploring their continuing viability and relevance, *Black Greek-Letter Organizations in the Twenty-first Century* demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead.

secrets of omega psi phi: *The American Fraternity* Cynthia Robinson, 2018 The American Fraternity is a photobook that provides an intimate and provocative look at Greek culture on college campuses by combining contemporary photographs with scanned pages from a wax-stained 60 year old ritual manual. This book will shed new light on the peculiarities of the fraternal orders which count seventy-five percent of modern U.S. presidents, senators, justices, and executives among their members. These mysterious campus organizations are filled with arcane oaths and ceremonies and this book attempts to capture within its pages some of this dark power--Publisher's website, January 23, 2019.

secrets of omega psi phi: *Focus* , 1999

secrets of omega psi phi: *Tackling Multiple Sclerosis* William F. Hickson III, 2018-08-29 William Franklin Hickson III grew up in Orangeburg, South Carolina, a college town with a strong middle-class community of African-Americans. If he and his friends were not going to football games or watching football on television, they were playing football. They even had their own league—the FYFL—or the Front Yard Football League. As one of the first black players in the youth sports programs at the Orangeburg Recreation Department, he learned valuable lessons about teamwork, leadership, and respect. A high school injury prevented him from enjoying the type of college career he wanted—and so he turned to coaching. In the early 1990s, however, he began suffering health problems and was given the nonspecific diagnosis of multiple sclerosis. In this memoir, he shares his golden opportunities to lead, his big dreams and disappointments, his setbacks and achievements—and how his faith, determination, optimism, and love for family led him to succeed in his chosen profession. Join the author as he opens up about his inspiring fight against MS and how a lifetime of football and faith helped him move the chains.
