

THE ALLIES OF HUMANITY BRIEFINGS

THE ALLIES OF HUMANITY BRIEFINGS IS A SERIES OF PROVOCATIVE MESSAGES CLAIMING TO BE COMMUNICATIONS FROM A GROUP OF EXTRATERRESTRIAL OBSERVERS KNOWN AS "THE ALLIES OF HUMANITY." THESE BRIEFINGS OFFER INSIGHTS INTO THE REALITY OF CONTACT WITH NON-HUMAN INTELLIGENCES, THE CHALLENGES FACING HUMANITY, AND GUIDANCE FOR NAVIGATING A CHANGING WORLD. IN THIS COMPREHENSIVE ARTICLE, WE EXPLORE THE ORIGINS AND CORE THEMES OF THE BRIEFINGS, THEIR STATED PURPOSE, THE MESSAGES DELIVERED, AND THEIR IMPACT ON DISCUSSIONS ABOUT EXTRATERRESTRIAL INTERVENTION. WE WILL EXAMINE THE CONTROVERSIAL ELEMENTS, THE KEY WARNINGS AND RECOMMENDATIONS, AND HOW THESE BRIEFINGS HAVE INFLUENCED PUBLIC AND PHILOSOPHICAL DISCOURSE. WHETHER YOU ARE RESEARCHING THE SUBJECT FOR THE FIRST TIME OR SEEKING DEEPER UNDERSTANDING, THIS GUIDE PROVIDES A CLEAR OVERVIEW OF THE ALLIES OF HUMANITY BRIEFINGS AND THEIR SIGNIFICANCE.

- OVERVIEW OF THE ALLIES OF HUMANITY BRIEFINGS

- KEY THEMES AND MESSAGES
- WARNINGS ABOUT EXTRATERRESTRIAL INTERVENTION
- GUIDANCE FOR HUMANITY
- IMPACT AND RECEPTION WORLDWIDE
- CONTROVERSIES AND CRITICISM
- FREQUENTLY ASKED QUESTIONS

OVERVIEW OF THE ALLIES OF HUMANITY BRIEFINGS

THE ALLIES OF HUMANITY BRIEFINGS ARE UNIQUE COMMUNICATIONS SAID TO ORIGINATE FROM A COALITION OF EXTRATERRESTRIAL OBSERVERS WHO CLAIM TO BE MONITORING EARTH DURING A CRITICAL PERIOD OF CONTACT. THESE BRIEFINGS HAVE BEEN RELEASED IN SEVERAL VOLUMES, PROVIDING DETAILED INFORMATION ABOUT THE ACTIVITIES OF VISITING NON-HUMAN RACES, THEIR MOTIVES, AND THE RISKS ASSOCIATED WITH THEIR PRESENCE. THE CENTRAL FOCUS OF THE ALLIES OF HUMANITY BRIEFINGS IS TO ALERT HUMANITY TO THE REALITY OF INTERVENTION, ENCOURAGE GLOBAL UNITY, AND OFFER RECOMMENDATIONS FOR MAINTAINING SOVEREIGNTY.

BY ADDRESSING TOPICS SUCH AS THE HIDDEN AGENDA OF CERTAIN EXTRATERRESTRIAL GROUPS, THE BRIEFINGS SEEK TO EMPOWER INDIVIDUALS, GOVERNMENTS, AND INSTITUTIONS TO RESPOND WISELY. THE ALLIES OF HUMANITY BRIEFINGS ARE POSITIONED AS A WARNING AND A RESOURCE FOR THOSE SEEKING GREATER AWARENESS ABOUT EXTRATERRESTRIAL CONTACT. THE MESSAGES EMPHASIZE DISCERNMENT, PREPARATION, AND THE IMPORTANCE OF HUMAN FREEDOM IN THE FACE OF EXTERNAL INFLUENCES.

ORIGINS AND AUTHORSHIP

THE ALLIES OF HUMANITY BRIEFINGS WERE FIRST RECEIVED AND PUBLISHED BY MARSHALL VIAN SUMMERS, WHO CLAIMS TO HAVE ACTED AS A MESSENGER FOR THE ALLIES. ACCORDING TO SUMMERS, THE TRANSMISSIONS BEGAN IN THE LATE 1990s, DELIVERED AS DIRECT MESSAGES FROM THE ALLIES THROUGH A PROCESS OF INNER COMMUNICATION. THE BRIEFINGS ARE PRESENTED AS A SERIES OF DOCUMENTS AND AUDIO RECORDINGS, FORMING THE BASIS OF SEVERAL BOOKS. SUMMERS DESCRIBES HIMSELF AS THE "MESSENGER," TASKED WITH DELIVERING THESE URGENT WARNINGS AND GUIDANCE TO HUMANITY.

THE BRIEFINGS SPECIFICALLY STATE THAT THE ALLIES OF HUMANITY ARE NOT PHYSICALLY PRESENT ON EARTH BUT OBSERVE FROM AFAR. THEY CLAIM TO HAVE NO INTENTION OF INTERVENING DIRECTLY, INSTEAD OFFERING THEIR PERSPECTIVE ON THE INTERVENTION BY OTHER EXTRATERRESTRIAL FORCES. THE ALLIES OF HUMANITY BRIEFINGS ARE SAID TO BE MOTIVATED BY A DESIRE TO PRESERVE HUMANITY'S INDEPENDENCE AND TO INFORM PEOPLE OF THE HIDDEN DYNAMICS SHAPING CONTACT WITH NON-HUMAN INTELLIGENCES.

KEY THEMES AND MESSAGES

CENTRAL TO THE ALLIES OF HUMANITY BRIEFINGS ARE SEVERAL RECURRING THEMES THAT REFLECT CONCERNS ABOUT HUMANITY'S FUTURE AND THE CHALLENGES POSED BY CONTACT WITH ADVANCED CIVILIZATIONS.

PRESERVATION OF HUMAN SOVEREIGNTY

ONE OF THE PRIMARY MESSAGES IS THE URGENT NEED FOR HUMANITY TO MAINTAIN ITS SOVEREIGNTY IN THE FACE OF EXTRATERRESTRIAL INTERVENTION. THE BRIEFINGS WARN THAT OUTSIDE FORCES SEEK TO MANIPULATE HUMAN SOCIETY FOR THEIR OWN BENEFIT, OFTEN USING SUBTLE MEANS SUCH AS INFLUENCE OVER GOVERNMENTS, CORPORATIONS, AND INDIVIDUALS. THE PRESERVATION OF FREEDOM AND SELF-DETERMINATION IS EMPHASIZED AS A CRITICAL OBJECTIVE.

UNITY AND DISCERNMENT

THE ALLIES OF HUMANITY BRIEFINGS HIGHLIGHT THE IMPORTANCE OF GLOBAL UNITY AND COLLECTIVE DISCERNMENT. THEY CAUTION AGAINST DIVISION AND CONFLICT, STATING THAT HUMANITY'S VULNERABILITY INCREASES WHEN PEOPLE ARE DIVIDED. THE BRIEFINGS ENCOURAGE INDIVIDUALS TO EDUCATE THEMSELVES ABOUT THE REALITY OF EXTRATERRESTRIAL INTERVENTION AND TO SHARE THIS KNOWLEDGE WIDELY.

THE REALITY OF EXTRATERRESTRIAL INTERVENTION

A KEY THEME IS THE ASSERTION THAT INTERVENTION BY NON-HUMAN INTELLIGENCES IS ALREADY UNDERWAY, PRIMARILY FOR RESOURCE ACQUISITION AND STRATEGIC INFLUENCE. THE BRIEFINGS DIFFERENTIATE BETWEEN BENEVOLENT OBSERVERS (THE ALLIES) AND GROUPS WITH SELF-SERVING AGENDAS. THEY STRESS THAT MANY INTERVENING EXTRATERRESTRIAL FORCES OPERATE COVERTLY AND SEEK TO EXPLOIT HUMAN WEAKNESSES FOR CONTROL.

WARNINGS ABOUT EXTRATERRESTRIAL INTERVENTION

THE ALLIES OF HUMANITY BRIEFINGS ISSUE SPECIFIC WARNINGS REGARDING THE INTENTIONS AND METHODS OF VISITING EXTRATERRESTRIAL GROUPS. THESE WARNINGS ARE PRESENTED AS ESSENTIAL KNOWLEDGE FOR ANYONE CONCERNED ABOUT THE FUTURE OF HUMANITY.

METHODS OF INFLUENCE

- MANIPULATION OF HUMAN BELIEFS AND PERCEPTIONS
- INFLUENCE OVER POLITICAL AND ECONOMIC SYSTEMS
- PROMOTION OF DEPENDENCY ON EXTRATERRESTRIAL TECHNOLOGY

- STRATEGIC USE OF DISINFORMATION AND CONCEALMENT

THE BRIEFINGS CLAIM THAT CERTAIN EXTRATERRESTRIAL GROUPS EMPLOY SUBTLE AND SOPHISTICATED MEANS TO GAIN INFLUENCE OVER HUMAN SOCIETY. THESE METHODS INCLUDE PSYCHOLOGICAL MANIPULATION, COVERT ALLIANCES WITH INFLUENTIAL INDIVIDUALS, AND THE DISSEMINATION OF MISLEADING INFORMATION.

RISKS TO HUMAN FREEDOM

A MAJOR WARNING INVOLVES THE RISK OF LOSING HUMAN FREEDOM AND AUTONOMY IF THE INTERVENTION GOES UNRECOGNIZED AND UNCHALLENGED. THE BRIEFINGS STATE THAT THE INTERVENING FORCES DO NOT VALUE HUMAN INDEPENDENCE AND MAY SEEK TO ESTABLISH DOMINANCE THROUGH DECEPTION RATHER THAN OPEN CONFLICT. PEOPLE ARE ENCOURAGED TO QUESTION NARRATIVES THAT PROMOTE DEPENDENCY ON EXTERNAL SOLUTIONS AND TO SAFEGUARD THEIR SOVEREIGNTY.

GUIDANCE FOR HUMANITY

ALONGSIDE THE WARNINGS, THE ALLIES OF HUMANITY BRIEFINGS PROVIDE GUIDANCE INTENDED TO HELP HUMANITY RESPOND WISELY TO THE REALITY OF CONTACT AND INTERVENTION. THIS GUIDANCE IS PROACTIVE, EMPHASIZING PREPARATION AND SELF-RELIANCE.

DEVELOPING KNOWLEDGE AND DISCERNMENT

THE BRIEFINGS URGE HUMANITY TO DEVELOP GREATER DISCERNMENT REGARDING THE MOTIVES AND ACTIONS OF EXTRATERRESTRIAL VISITORS. THIS INCLUDES CRITICAL THINKING, SKEPTICISM TOWARD OFFERS OF HELP FROM UNKNOWN SOURCES, AND A COMMITMENT TO INDEPENDENT INVESTIGATION. THE ALLIES RECOMMEND FOSTERING TRANSPARENCY AND OPEN DIALOGUE ABOUT CONTACT EXPERIENCES.

PROMOTING UNITY AND COOPERATION

TO RESIST MANIPULATION AND MAINTAIN FREEDOM, THE BRIEFINGS ENCOURAGE GREATER UNITY AND COOPERATION AMONG NATIONS AND PEOPLES. THEY SUGGEST THAT ONLY THROUGH COLLECTIVE ACTION AND MUTUAL UNDERSTANDING CAN HUMANITY WITHSTAND THE CHALLENGES POSED BY INTERVENTION.

PREPARATION FOR FUTURE CONTACT

THE ALLIES OF HUMANITY BRIEFINGS ADVISE PREPARING FOR FUTURE CONTACT BY BUILDING AWARENESS, STRENGTHENING INSTITUTIONS, AND EDUCATING THE PUBLIC. THEY EMPHASIZE THE NEED FOR HUMANS TO BECOME SELF-SUFFICIENT IN MANAGING GLOBAL AFFAIRS AND RESIST RELIANCE ON EXTERNAL POWERS.

IMPACT AND RECEPTION WORLDWIDE

SINCE THEIR RELEASE, THE ALLIES OF HUMANITY BRIEFINGS HAVE ATTRACTED ATTENTION AND SPARKED DEBATE AMONG RESEARCHERS, UFO ENTHUSIASTS, AND THOSE INTERESTED IN THE FUTURE OF HUMANITY. THE MATERIALS HAVE BEEN TRANSLATED INTO MULTIPLE LANGUAGES AND DISCUSSED IN BOOKS, FORUMS, AND CONFERENCES. SUPPORTERS VIEW THE

BRIEFINGS AS AN ESSENTIAL ALERT AND A CALL TO ACTION, WHILE SKEPTICS QUESTION THEIR ORIGINS AND AUTHENTICITY.

THE BRIEFINGS HAVE INFLUENCED PHILOSOPHICAL DISCUSSIONS ABOUT HUMAN SOVEREIGNTY, GLOBAL UNITY, AND THE ETHICS OF CONTACT WITH NON-HUMAN INTELLIGENCES. THEY HAVE ALSO CONTRIBUTED TO BROADER DEBATES ABOUT THE POTENTIAL RISKS AND OPPORTUNITIES OF EXTRATERRESTRIAL ENGAGEMENT.

CONTROVERSIES AND CRITICISM

THE ALLIES OF HUMANITY BRIEFINGS HAVE PROVOKED CONTROVERSY DUE TO THEIR EXTRAORDINARY CLAIMS AND THE LACK OF EMPIRICAL EVIDENCE SUPPORTING THEIR ORIGIN. CRITICS ARGUE THAT THE MESSAGES RELY ON UNVERIFIABLE SOURCES AND MAY PROMOTE FEAR OR MISTRUST REGARDING EXTRATERRESTRIAL CONTACT. SOME RESEARCHERS QUESTION THE MOTIVES BEHIND THE BRIEFINGS, SUGGESTING THEY COULD BE A FORM OF SOCIAL COMMENTARY OR SPECULATIVE FICTION RATHER THAN GENUINE EXTRATERRESTRIAL COMMUNICATION.

SUPPORTERS COUNTER THAT THE BRIEFINGS OFFER VALUABLE INSIGHTS AND A MUCH-NEEDED WARNING ABOUT THE COMPLEXITIES OF CONTACT. THE DEBATE CONTINUES WITHIN ACADEMIC, SPIRITUAL, AND UFO RESEARCH COMMUNITIES, CONTRIBUTING TO THE ONGOING DIALOGUE ABOUT HUMANITY'S PLACE IN THE UNIVERSE.

FREQUENTLY ASKED QUESTIONS

Q: WHAT ARE THE ALLIES OF HUMANITY BRIEFINGS?

A: THE ALLIES OF HUMANITY BRIEFINGS ARE A SERIES OF MESSAGES SAID TO BE COMMUNICATED BY A GROUP OF EXTRATERRESTRIAL OBSERVERS, PROVIDING WARNINGS AND GUIDANCE ABOUT THE REALITY OF CONTACT WITH NON-HUMAN INTELLIGENCES AND THE RISKS OF INTERVENTION ON EARTH.

Q: WHO IS THE MESSENGER OF THE ALLIES OF HUMANITY BRIEFINGS?

A: THE BRIEFINGS WERE RECEIVED AND PUBLISHED BY MARSHALL VIAN SUMMERS, WHO CLAIMS TO HAVE ACTED AS THE MESSENGER FOR THE ALLIES OF HUMANITY.

Q: WHAT IS THE MAIN WARNING IN THE ALLIES OF HUMANITY BRIEFINGS?

A: THE CENTRAL WARNING IS THAT CERTAIN EXTRATERRESTRIAL FORCES ARE INTERVENING ON EARTH WITH SELF-SERVING AGENDAS, POSING RISKS TO HUMAN FREEDOM, SOVEREIGNTY, AND INDEPENDENCE.

Q: HOW DO THE ALLIES OF HUMANITY BRIEFINGS SUGGEST HUMANITY SHOULD RESPOND?

A: THE BRIEFINGS RECOMMEND DEVELOPING DISCERNMENT, PROMOTING UNITY, EDUCATING THE PUBLIC, AND RESISTING DEPENDENCY ON EXTRATERRESTRIAL TECHNOLOGY OR SOLUTIONS.

Q: ARE THE ALLIES OF HUMANITY BRIEFINGS CONSIDERED CREDIBLE?

A: CREDIBILITY IS DEBATED. SUPPORTERS VIEW THE BRIEFINGS AS ESSENTIAL WARNINGS, WHILE CRITICS QUESTION THE AUTHENTICITY AND LACK OF EMPIRICAL EVIDENCE.

Q: WHAT ARE THE KEY THEMES IN THE BRIEFINGS?

A: KEY THEMES INCLUDE PRESERVATION OF HUMAN SOVEREIGNTY, THE IMPORTANCE OF UNITY, DISCERNMENT REGARDING EXTRATERRESTRIAL MOTIVES, AND PREPARATION FOR FUTURE CONTACT.

Q: HAVE THE BRIEFINGS BEEN TRANSLATED INTO OTHER LANGUAGES?

A: YES, THE ALLIES OF HUMANITY BRIEFINGS HAVE BEEN TRANSLATED INTO MULTIPLE LANGUAGES AND SHARED GLOBALLY.

Q: DO THE ALLIES OF HUMANITY CLAIM TO BE PHYSICALLY PRESENT ON EARTH?

A: NO, THE ALLIES STATE THEY ARE NOT PHYSICALLY PRESENT BUT OBSERVE EARTH FROM AFAR AND COMMUNICATE THROUGH THE MESSENGER.

Q: WHAT IMPACT HAVE THE BRIEFINGS HAD ON PUBLIC DISCOURSE?

A: THE BRIEFINGS HAVE INFLUENCED DISCUSSIONS ABOUT EXTRATERRESTRIAL INTERVENTION, HUMAN SOVEREIGNTY, AND THE ETHICS OF CONTACT, SPARKING DEBATE AMONG RESEARCHERS AND ENTHUSIASTS.

Q: WHAT DO CRITICS SAY ABOUT THE ALLIES OF HUMANITY BRIEFINGS?

A: CRITICS ARGUE THAT THE BRIEFINGS LACK VERIFIABLE EVIDENCE AND RAISE QUESTIONS ABOUT THEIR ORIGINS, AUTHENTICITY, AND POSSIBLE MOTIVATIONS BEHIND THEIR CREATION.

The Allies of Humanity Briefings: A Deep Dive into a Transformative Message

Are you curious about the complexities of humanity's future and the unseen forces influencing our global trajectory? Have you heard whispers of "The Allies of Humanity"? This blog post provides a comprehensive exploration of the Allies of Humanity briefings, their central message, and their profound implications for our world. We'll delve into the key concepts, address common misconceptions, and equip you with the tools to understand this significant body of work.

Understanding the Allies of Humanity Briefings: A New Perspective on Human History

The Allies of Humanity briefings are a series of written communications purporting to be from a group of extraterrestrial beings who identify themselves simply as "The Allies." These briefings are not a set of instructions or a religious doctrine but rather a presentation of a larger context for human history, offering a unique perspective on the challenges and opportunities facing humanity at this critical juncture. They're not about UFOs or alien technologies in the traditional sense; instead, they focus on the underlying forces shaping human affairs and the critical decisions we face as a species.

Core Concepts within the Allies of Humanity Briefings

The briefings emphasize several crucial concepts:

1. The Intervention: A Hidden Influence on Humanity

A central theme is the "Intervention"—the covert influence of other advanced extraterrestrial civilizations on humanity's development. These interventions, according to the briefings, are not altruistic; instead, they are motivated by self-interest and competition for resources and influence on Earth. The briefings aim to expose this hidden reality and its impact on our political, economic, and social systems.

2. The Importance of Human Freedom and Independence

The Allies emphasize the vital importance of humanity's right to self-determination and independence from external influence. They argue that true progress requires freedom from manipulation and control, enabling humanity to chart its own course towards a sustainable and peaceful future. This independence, however, requires a level of self-awareness and responsibility rarely seen in human history.

3. The Need for Global Unity and Cooperation

The briefings highlight the necessity for global unity and cooperation in the face of shared challenges. The Allies present a vision of a unified humanity that transcends national boundaries and embraces shared responsibility for the planet's future. This unity is not simply a political ideal but a practical necessity for navigating the complexities of the Intervention.

4. The Stages of Human Development and the Critical Juncture

The Allies portray human development as passing through several crucial stages. They suggest that humanity is currently at a critical juncture, a point where the choices we make will significantly impact our future trajectory. Understanding this historical context is essential for making informed and responsible decisions.

5. The Nature of Human Responsibility and the Path Forward

The Allies' message isn't solely one of warning. They offer guidance and encouragement, highlighting the inherent capacity for human resilience, innovation, and compassion. The briefings emphasize the need for a deeper understanding of ourselves and our relationship with the larger cosmos, urging a path of self-reliance and global cooperation.

Addressing Common Misconceptions about the Allies of Humanity

Many misunderstand the briefings' purpose. They are not science fiction, a religious text, or a political manifesto. They are a set of observations and perspectives intended to broaden our understanding of our situation. It's crucial to approach them with critical thinking, recognizing they present a complex and potentially unsettling picture of the world.

The Significance and Impact of the Allies of Humanity Briefings

The Allies of Humanity briefings offer a unique and thought-provoking perspective on humanity's place in the universe. While their claims are extraordinary, the underlying themes—the importance of human freedom, the dangers of external influence, and the need for global unity—are concerns directly relevant to the challenges facing our world today. By understanding these briefings, we gain a deeper appreciation of the complexity of our situation and the profound responsibility we bear for shaping our own future.

Conclusion:

The Allies of Humanity briefings present a challenging yet ultimately empowering message. By understanding the context they provide, we can better navigate the complexities of our world and actively participate in shaping a future where humanity thrives free from undue influence and guided by its own inherent wisdom and potential. The choice is ours.

FAQs:

1. Where can I find the Allies of Humanity briefings? The complete text is available online through various websites dedicated to sharing the information. A simple online search for "Allies of Humanity briefings" will yield several resources.
2. Are the Allies of Humanity briefings factual? The truth of the Allies' claims remains a matter of individual interpretation and verification. The briefings themselves encourage critical thinking and independent judgment.
3. What should I do after reading the briefings? The briefings encourage self-reflection, informed

participation in global affairs, and a commitment to fostering a more just and sustainable world.

4. Are the Allies advocating for specific political action? No, the Allies are not endorsing any particular political ideology or party. Their message is focused on fostering human understanding and responsibility.

5. How do the Allies of Humanity briefings relate to other UFO or extraterrestrial theories? While the briefings mention the existence of other civilizations, they primarily focus on the implications of their interference on human society, rather than technical details of spacecraft or alien technologies.

the allies of humanity briefings: *The Allies of Humanity Book Four* Marshall Vian Summers, 2019-09-15 The Allies of Humanity are a group of individuals from several different worlds who came to the vicinity of the Earth to observe the alien Intervention that is occurring in our world and to report on the activities of this Intervention and its implications for the human race. The Allies of Humanity Briefings reveal the reality of Contact occurring in the world today. This fourth set of Briefings focuses on freedom in the universe, how it is achieved and maintained, and the restraint humanity must exercise in order to become a free race in the universe. The Allies also reveal a spiritual coordination, which supports spiritual development, awareness, unity and freedom in the universe. The Allies Briefings emphasize that we can understand the reality of Intervention from our own experience of colonization and conquest here on Earth. Our history has shown us the evidence of intervention from one culture upon another, from one nation upon another, repeatedly over time. This means that our own history and native wisdom can enable us to see and understand who is here and why they have come. Explore these Briefings with an open mind, allow your thoughts to be challenged, allow old beliefs to be overturned if necessary, allow something new and vital and essential to be given to you.

the allies of humanity briefings: *The Allies of Humanity Book Three* Marshall Vian Summers, 2013-09-28 The Allies of Humanity Book Three presents the third set of Briefings from an off-planet source whose stated purpose is to prepare the human family for the realities of life in our local universe and to alert us to an alien Intervention now taking place on Earth. The Allies of Humanity claim to represent a group of "free worlds" in our local region of space who do not pursue intervention or domination of other worlds, but instead seek to support freedom and sovereignty in emerging worlds such as our own. Here the Allies distinguish themselves from the Intervention into our world by exploitative commercial forces they call "the Collectives" whose activities represent a dark agenda kept secret for over half a century. The Allies of Humanity Briefings reveal the four major activities of this alien agenda and give us a clear picture of who is visiting our world, why they are here and what they ultimately want. The Briefings also give us a window into the reality of life beyond our world, a view that we would never have otherwise, revealing the nature of trade, travel and interaction between worlds and the challenges humanity will face in our local environment of space. With this the Allies make clear that we are in the unfortunate position of being a native world discovered by powerful forces from beyond. History has taught us the danger and the tragedy that native peoples faced when they encountered outside forces for the first time. Now we are all the natives of a new world facing the threat of Intervention. The Allies Briefings give us the key information we need to understand the Intervention, to protect ourselves from its activities and ultimately safeguard our world from its agenda. With this, we are also given a new vision of humanity's future in space and a pathway to cultivating a greater unity and freedom in our world as we emerge into a larger universe of intelligent life.

the allies of humanity briefings: *The Allies of Humanity* Marshall Vian Summers, 2001 A must have book for anyone interested in the UFO/ET phenomenon, spirituality, and a new paradigm for humanity's future. This ground breaking message has global implications and has begun to attract a world-wide audience of people who feel its truth and know the preparation lies in Summers'

other books.

the allies of humanity briefings: *The Allies of Humanity Book Two* Marshall Vian Summers, 2013-09-28 This second set of Briefings from The Allies of Humanity completes a crucial message regarding our vulnerability and potential within the Greater Community, the larger physical universe in which we live. Communicated by a small group of extraterrestrial observers, the Briefings reveal the true nature and purpose of an extraterrestrial Intervention that has been underway in our world for quite some time. This group of observers represents the Allies of Humanity, an association of free races in the universe who support the preservation of Knowledge and freedom throughout the Greater Community. The Allies distinguish themselves from the intervening forces that are here by maintaining their distance and not engaging directly with us. Instead, they offer us their wisdom about the realities of life in the universe and a warning about the dangers and consequences of premature human /ET contact. The arrival of The Allies Briefings was the result of a rare convergence of three powerful forces: the extraterrestrial, the Divine and the human. It was these essential forces that joined to enable The Allies Briefings to be delivered in a form and in a language that can be understood by everyday people. In this one book, each of these voices is represented: the extraterrestrial in the Allies Briefings, the Divine in the Teachers' Commentaries and the human in the Message from Marshall Vian Summers. It was in December 2000 that Marshall received the entire six briefings of The Allies of Humanity Book Two: Human Unity, Freedom and the Hidden Reality of Contact within 24 hours. The Briefings were delivered very quickly for a reason. The Allies, threatened with being discovered by the Intervention, had to give their second set of Briefings to Marshall as quickly as possible before escaping to a distant location far from our Solar System. The Allies describe this situation in their Preface to the Second Set of Briefings, which is included in this volume. Since that time, Marshall, along with the support of a growing number of courageous people, has endeavored to study and to bring The Allies of Humanity Briefings and message to the attention of as many people as possible. This ongoing work represents a vital mission and relies upon the contributions of readers everywhere in order to continue. Whether or not any further Briefings will be sent here by the Allies is as yet uncertain. But what is certain is that the information contained in these two sets of Briefings provides the missing pieces to our understanding of the extraterrestrial presence in the world today and what we must do to begin to prepare. The Allies emphasize that these Briefings provide us everything that we need to know to begin this preparation with a clear understanding of our situation. We cannot afford to make the same mistakes that so many native peoples have made throughout the course of our own human history regarding their first encounters with explorers from the outside. We at New Knowledge Library are proud to be able to present what may prove to be one of the most important documents ever published for the advancement, well-being and future of humanity. We recognize that some people may reject this information out of hand because of its possible association with "channeled" ET messages. However, given the high degree of his personal integrity and the extraordinary quality and relevance of his writings, Marshall's work stands apart. Truly, the revelations that have come to us through his work may ultimately prove to be as significant as other Divinely-inspired messages in the past that have impacted the course of human history. We encourage you the reader to seriously explore the crucial message presented in all of these Briefings, in both Book One and Book Two, and to share this message with others. These Briefings represent a unique and greatly needed communication to all the people of our world at this critical turning point. New Knowledge Library

the allies of humanity briefings: *The Allies of Humanity Book One* Marshall Vian Summers, 2013-09-28 The Allies of Humanity is being presented to prepare people for a whole new reality that is largely hidden and unrecognized in the world today. It provides a new perspective that empowers people to face the greatest challenge and opportunity that we, as a race, have ever encountered. The Allies Briefings contain a number of critical if not alarming statements about the growing extraterrestrial intervention and integration into the human race and about the extraterrestrial activities and hidden agenda. The purpose of the Allies Briefings is not to provide hard evidence about the reality of the ET visitation to our world, which is already well documented

in many other fine books and research journals on the subject. The purpose of the Allies Briefings is to address the dramatic and far-reaching implications of this phenomenon, to challenge our human tendencies and assumptions regarding it and to alert the human family to the great threshold we now face. The Briefings provide a glimpse into the reality of intelligent life in the universe and what Contact will really mean. For many readers, what is revealed in The Allies of Humanity will be entirely new. For others, it will be a confirmation of things they have long felt and known.

the allies of humanity briefings: The Allies of Humanity Book Three Marshall Vian Summers, 2014-04-09

the allies of humanity briefings: The Greater Community Marshall Vian Summers, 2017-08-21

the allies of humanity briefings: Six-Legged Soldiers Jeffrey A. Lockwood, 2010-07-22
Examines how insects have been used as weapons in wartime conflicts throughout history, presenting as examples how scorpions were used in Roman times and hornets nests were used during the Middle Ages in siege warfare and how insects have been used in Vietnam, China, and Korea.

the allies of humanity briefings: Steps to Knowledge Marshall Vian Summers, 1999-01-01
Steps to Knowledge provides the lessons and practices necessary for learning and living the New Message from God. Presented in a self-study format, it contains 365 daily steps that teach how to see, to know, and to act with the certainty and the authority that the Creator has given.

the allies of humanity briefings: Secrets of Heaven Marshall Vian Summers, 2013-09-09

the allies of humanity briefings: The Human in Command Carol McCann, Ross Pigeau, 2012-12-06
This book brings together experienced military leaders and researchers in the human sciences to offer current operational experience and scientific thought on the issue of military command, with the intention of raising awareness of the uniquely human aspects of military command. It includes chapters on the personal experiences of senior commanders, new concepts and treatises on command theory, and empirical findings from experimental studies in the field.

the allies of humanity briefings: Life in the Universe Marshall Vian Summers, 2013-09-25
The Reality and Spirituality of Life in the Universe Life in the Universe is part of a vast education and preparation for humanity called the New Message. Over 9000 pages in length, the New Message is a Divine answer to the panoply of global problems facing humanity: destruction of our natural environment, depletion of Earth's energy and life-sustaining resources, escalating religious and political conflict and intervention by certain races in our region of space. This book, Life in the Universe, details the interactions of civilizations in our region of space, the challenge of facing a non-human universe and the spiritual dimensions of all intelligent life that has evolved since the beginning of time.

the allies of humanity briefings: The Atomic Bomb and the End of World War II Herbert Feis, 2015-03-08
This book discusses the decision to use the atomic bomb. Libraries and scholars will find it a necessary adjunct to their other studies by Pulitzer-Prize author Herbert Feis on World War II. Originally published in 1966. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

the allies of humanity briefings: Eavesdropping on Hell Robert J. Hanyok, 2005-01-01
This official government publication investigates the impact of the Holocaust on the Western powers' intelligence-gathering community. It explains the archival organization of wartime records accumulated by the U.S. Army's Signal Intelligence Service and Britain's Government Code and Cypher School. It also summarizes Holocaust-related information intercepted during the war years.

the allies of humanity briefings: Humanitarian Military Intervention Taylor B. Seybolt, 2007
Military intervention in a conflict without a reasonable prospect of success is unjustifiable, especially

when it is done in the name of humanity. Couched in the debate on the responsibility to protect civilians from violence and drawing on traditional 'just war' principles, the central premise of this book is that humanitarian military intervention can be justified as a policy option only if decision makers can be reasonably sure that intervention will do more good than harm. This book asks, 'Have past humanitarian military interventions been successful?' It defines success as saving lives and sets out a methodology for estimating the number of lives saved by a particular military intervention. Analysis of 17 military operations in six conflict areas that were the defining cases of the 1990s—northern Iraq after the Gulf War, Somalia, Bosnia and Herzegovina, Rwanda, Kosovo and East Timor—shows that the majority were successful by this measure. In every conflict studied, however, some military interventions succeeded while others failed, raising the question, 'Why have some past interventions been more successful than others?' This book argues that the central factors determining whether a humanitarian intervention succeeds are the objectives of the intervention and the military strategy employed by the intervening states. Four types of humanitarian military intervention are offered: helping to deliver emergency aid, protecting aid operations, saving the victims of violence and defeating the perpetrators of violence. The focus on strategy within these four types allows an exploration of the political and military dimensions of humanitarian intervention and highlights the advantages and disadvantages of each of the four types. Humanitarian military intervention is controversial. Scepticism is always in order about the need to use military force because the consequences can be so dire. Yet it has become equally controversial not to intervene when a government subjects its citizens to massive violation of their basic human rights. This book recognizes the limits of humanitarian intervention but does not shy away from suggesting how military force can save lives in extreme circumstances.

the allies of humanity briefings: Rumsfeld's War Rowan Scarborough, 2013-02-05 Not since Robert McNamara has a secretary of defense been so hated by the military and derided by the public, yet played such a critical role in national security policy—with such disastrous results. Donald Rumsfeld was a natural for secretary of defense, a position he'd already occupied once before. He was smart. He worked hard. He was skeptical of the status quo in military affairs and dedicated to high-tech innovations. He seemed the right man at the right time—but history was to prove otherwise. Now Dale Herspring, a political conservative and lifelong Republican, offers a nonpartisan assessment of Rumsfeld's impact on the U.S. military establishment from 2001 to 2006, focusing especially on the Iraq War—from the decision to invade through the development and execution of operational strategy and the enormous failures associated with the postwar reconstruction of Iraq. Extending the critique of civil-military relations he began in *The Pentagon and the Presidency*, Herspring highlights the relationship between the secretary and senior military leadership, showing how Rumsfeld and a handful of advisers—notably Paul Wolfowitz and Douglas Feith—manipulated intelligence and often ignored the military in order to implement their policies. And he demonstrates that the secretary's domineering leadership style and trademark arrogance undermined his vision for both military transformation and Iraq. Herspring shows that, contrary to his public deference to the generals, Rumsfeld dictated strategy and operations—sometimes even tactics—to prove his transformation theories. He signed off on abolishing the Iraqi army, famously refused to see the need for a counterinsurgency plan, and seemed more than willing to tolerate the torture of prisoners. Meanwhile, the military became demoralized and junior officers left in droves. Rumsfeld's Wars revisits and reignites the concept of arrogance of power, once associated with our dogged failure to understand the true nature of a tragic war in Southeast Asia. It provides further evidence that success in military affairs is hard to achieve without mutual respect between civilian authorities and military leaders—and offers a definitive case study in how not to run the office of secretary of defense.

the allies of humanity briefings: Anomie and Violence John Braithwaite, Valerie Braithwaite, Michael Cookson, Leah Dunn, 2010-03-01 Indonesia suffered an explosion of religious violence, ethnic violence, separatist violence, terrorism, and violence by criminal gangs, the security forces and militias in the late 1990s and early 2000s. By 2002 Indonesia had the worst terrorism problem of

any nation. All these forms of violence have now fallen dramatically. How was this accomplished? What drove the rise and the fall of violence? Anomie theory is deployed to explain these developments. Sudden institutional change at the time of the Asian financial crisis and the fall of President Suharto meant the rules of the game were up for grabs. Valerie Braithwaite's motivational postures theory is used to explain the gaming of the rules and the disengagement from authority that occurred in that era. Ultimately resistance to Suharto laid a foundation for commitment to a revised, more democratic, institutional order. The peacebuilding that occurred was not based on the high-integrity truth-seeking and reconciliation that was the normative preference of these authors. Rather it was based on non-truth, sometimes lies, and yet substantial reconciliation. This poses a challenge to restorative justice theories of peacebuilding.

the allies of humanity briefings: *Beijing Turmoil* □□□, 1990 Required reading for people abroad who know little or nothing about the truth of this world-shocking event that occurred in Beijing and other parts of China between spring and summer in 1989. From back cover.

the allies of humanity briefings: *The Planiverse* A.K. Dewdney, 2012-12-06 A classic book about life in a two-dimensional universe, written by a well-known author. Now brought back into print in this revised and updated edition, the book is written within the great tradition of Abbott's *Flatland*, and Hinton's famous *Sphereland*. Accessible, imaginative, and clever, it will appeal to a wide array of readers, from serious mathematicians and computer scientists, to science fiction fans.

the allies of humanity briefings: *Walking Among Us* David M. Jacobs, PhD, 2015-09-01 In his 1998 book, *The Threat*, Jacobs uncovered disconcerting reports about aliens' plans for the future of Earth. He reported that a "change" is coming; a future when very human-like hybrids would intermingle with humans in everyday life. "Soon we will all be together," the aliens said. "Soon everyone will be happy and everyone will know his place." This book examines a chilling phenomenon that Jacobs began noticing in 2003. The alien integration action plan has kicked into high gear. The incidents of alien abductions have declined as occurrences of alien involvement in everyday life have accelerated. A silent and insidious invasion has begun. Alien hybrids have moved into your neighborhood and into your workplace. They have been trained by human abductees to "pass," to blend in to society, to appear as normal as your next door neighbor. This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly. While he is not certain why they are doing it, the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish. Jacobs is a careful researcher who has investigated more than 1150 abduction events experienced by more than 150 abductees. This book focuses on the experiences of thirteen abductees.

the allies of humanity briefings: *A Promised Land* Barack Obama, 2024-08-13 A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND PEOPLE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Slate • Vox • The Economist • Marie Claire In the stirring first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond.

We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

the allies of humanity briefings: Out of the Ashes James J. Fox, Dionisio Babo-Soares, 2000

the allies of humanity briefings: Mandela, Mobutu, and Me Lynne Duke, 2003 The nobility of the ordinary African's struggles, so often absent from accounts of the continent, is at the heart of Duke's searing story..

the allies of humanity briefings: The Responsibility to Protect International Commission on Intervention and State Sovereignty, International Development Research Centre (Canada), 2001 Responsibility to Protect: Research, bibliography, background. Supplementary volume to the Report of the International Commission on Intervention and State Sovereignty

the allies of humanity briefings: Losing Earth Nathaniel Rich, 2019-04-23 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's *Silent Spring* and John Hersey's *Hiroshima*. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book *Losing Earth*, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

the allies of humanity briefings: Hidden Atrocities Jeanne Guillemin, 2017-09-26 In the aftermath of World War II, the Allied intent to bring Axis crimes to light led to both the Nuremberg trials and their counterpart in Tokyo, the International Military Tribunal of the Far East. Yet the Tokyo Trial failed to prosecute imperial Japanese leaders for the worst of war crimes: inhumane medical experimentation, including vivisection and open-air pathogen and chemical tests, which rivaled Nazi atrocities, as well as mass attacks using plague, anthrax, and cholera that killed thousands of Chinese civilians. In *Hidden Atrocities*, Jeanne Guillemin goes behind the scenes at the trial to reveal the American obstruction that denied justice to Japan's victims. Responsibility for Japan's secret germ-warfare program, organized as Unit 731 in Harbin, China, extended to top government leaders and many respected scientists, all of whom escaped indictment. Instead, motivated by early Cold War tensions, U.S. military intelligence in Tokyo insinuated itself into the Tokyo Trial by blocking prosecution access to key witnesses and then classifying incriminating documents. Washington decision makers, supported by the American occupation leader, General Douglas MacArthur, sought to acquire Japan's biological-warfare expertise to gain an advantage

over the Soviet Union, suspected of developing both biological and nuclear weapons. Ultimately, U.S. national-security goals left the victims of Unit 731 without vindication. Decades later, evidence of the Unit 731 atrocities still troubles relations between China and Japan. Guillemin's vivid account of the cover-up at the Tokyo Trial shows how without guarantees of transparency, power politics can jeopardize international justice, with persistent consequences.

the allies of humanity briefings: The World War II Bookshelf James F. Dunnigan, 2007

the allies of humanity briefings: Operation Iraqi Freedom Walter J. Boyne, 2003-11-15 The New York Times bestselling author of *Weapons of Desert Storm* presents an informative look into the first war of the 21st century.

the allies of humanity briefings: Unconquerable Nation: Knowing Our Enemy, Strengthening Ourselves Brian Michael Jenkins, 2002-07-31 The author presents a clear-sighted and sobering analysis of where we are today in the struggle against terrorism. Jenkins, an internationally renowned authority on terrorism, distills the jihadists' operational code and outlines a pragmatic but principled approach to defeating the terrorist enterprise. We need to build upon our traditions of determination and self-reliance, he argues, and above all, preserve our commitment to American values.

the allies of humanity briefings: A Desert Called Peace Tom Kratman, 2007-09-01 HE RAISED AN ARMY AGAINST THOSE WHO TOOK EVERYTHING FROM HIM They should have picked their enemies more carefully. Five centuries from now, on a remarkably Earthlike planet that is mankind's sole colony in space, religious fanatics called the Salafi Ikhwan have murdered the uncle of former colonel Patrick Hennessey. That was their first mistake, because uncle was rich and Hennessey was rather a good colonel. But they also murdered Hennessey's wife, Linda, and their three small children, and that was their worst mistake for she was the only restraint Hennessey had ever accepted. From the pile of rubble and the pillar of fire that mark the last resting place of Linda Hennessey and her children arises a new warrior^{3/4}Carrera, scourge of the Salafis. He will forge an army of ruthless fanatics from the decrepit remains of failed state's military. He will wage war across half a world. He will find those who killed his family. He will destroy them, and those who support them, utterly, completely, without restraint or remorse. Only when he is finished will there be peace: the peace of an empty wind as it blows across a desert strewn with the bones of Carrera's enemies. At the publisher's request, this title is sold without DRM (Digital Rights Management).

the allies of humanity briefings: 500 Days Kurt Eichenwald, 2012-09-11 Kurt Eichenwald—New York Times bestselling author of *Conspiracy of Fools* and *The Informant*—recounts the first 500 days after 9/11 in a comprehensive, compelling page-turner as gripping as any thriller. In *500 Days*, master chronicler Kurt Eichenwald lays bare the harrowing decisions, deceptions, and delusions of the eighteen months that changed the world forever, as leaders raced to protect their citizens in the wake of 9/11. Eichenwald's gripping, immediate style and true-to-life dialogue puts readers at the heart of these historic events, from the Oval Office to Number 10 Downing Street, from Guantanamo Bay to the depths of CIA headquarters, from the al-Qaeda training camps to the torture chambers of Egypt and Syria. He reveals previously undisclosed information from the terror wars, including never before reported details about warrantless wiretapping, the anthrax attacks and investigations, and conflicts between Washington and London. With his signature fast-paced narrative style, Eichenwald—whose book, *The Informant*, was called "one of the best nonfiction books of the decade" by The New York Times Book Review—exposes a world of secrets and lies that has remained hidden for far too long.

the allies of humanity briefings: Rescue Ian Goldin, 2021-05-13 An optimistic vision of the future after Covid-19 by a leading professor of globalisation at the University of Oxford. We are at a crossroads. The wrecking-ball of Covid-19 has destroyed global norms. Many think that after the devastation there will be a bounce back. To Ian Goldin, Professor of Development and Globalisation at the University of Oxford, this is a retrograde notion. He believes that this crisis can create opportunities for change, just as the Second World War forged the ideas behind the Beveridge Report. Published in 1942, it was revolutionary and laid the foundations for the welfare state

alongside a host of other social and economic reforms, changing the world for the better. Ian Goldin tackles the challenges and opportunities posed by the pandemic, ranging from globalisation to the future of jobs, income inequality and geopolitics, the climate crisis and the modern city. It is a fresh, bold call for an optimistic future and one we all have the power to create.

the allies of humanity briefings: *A-10s Over Kosovo* Phil M. Haun, Christopher E. Haave, Air University Press, 2011 First published in 2003. The NATO-led Operation Allied Force was fought in 1999 to stop Serb atrocities against ethnic Albanians in Kosovo. This war, as noted by the distinguished military historian John Keegan, marked a real turning point . . . and proved that a war can be won by airpower alone. Colonels Haave and Haun have organized firsthand accounts of some of the people who provided that airpower-the members of the 40th Expeditionary Operations Group. Their descriptions-a new wingman's first combat sortie, a support officer's view of a fighter squadron relocation during combat, and a Sandy's leadership in finding and rescuing a downed F-117 pilot-provide the reader with a legitimate insight into an air war at the tactical level and the airpower that helped convince the Serbian president, Slobodan Milosevic, to capitulate.

the allies of humanity briefings: *Battlefield of the Future - 21st Century Warfare Issues* Lawrence Grinter, 2012-08-01 This is a book about strategy and war fighting. It contains 11 essays which examine topics such as military operations against a well-armed rogue state, the potential of parallel warfare strategy for different kinds of states, the revolutionary potential of information warfare, the lethal possibilities of biological warfare and the elements of an ongoing revolution in military affairs. The purpose of the book is to focus attention on the operational problems, enemy strategies and threat that will confront U.S. national security decision makers in the twenty-first century.

the allies of humanity briefings: *Secret Life* David M. Jacobs, 1993-04-16 Revealing and unsettling interviews with over sixty real-life individuals who claim they were abducted by aliens from the author of *The UFO Controversy in America*. In *Secret Life*, retired professor David M. Jacobs takes us into the private world of those abducted by aliens, letting them describe in their own words what it is like to be abducted. Based on interviews with sixty individuals and more than 300 independently corroborated accounts, *Secret Life* presents the most complete and accurate picture of alien abductions ever compiled. Dr. Jacobs takes the reader on a minute-by-minute journey through a typical abduction experience and describes in detail the bizarre physical, mental and reproductive procedures that abductees claim have been administered by small alien beings. Jacobs draws from these interviews a profoundly unsettling reason behind the abductions: aliens are conducting a complex reproductive experiment involving the conception, gestation. or incubation of human and alien hybrid beings.

the allies of humanity briefings: *Preparing for the Greater Community* Marshall Vian Summers, 2020-06-30 Contact has begun, yet it is not Contact of a beneficial form for humanity. We are facing an alien Intervention into human affairs and this represents a threat to our freedom and survival as a race. And yet it also represents a great opportunity. Our isolation in the universe is now over, and humanity's emergence into the Greater Community has begun. This is perhaps the greatest event in human history and it is happening right now, in our time. Yet we are unaware and unprepared. In addition, Contact is occurring at a time when we are racing towards a dangerous and uncertain future in our world. Humanity is outstripping the Earth of its life-giving resources at an alarming rate, changing the climate of the world and destroying the natural environment as never before. At the same time, political, social and religious conflict and division are escalating, fracturing the human family when instead we must be working to find a real and functioning unity to ensure our collective survival. We are divided, and this makes us vulnerable to outside influence and intervention from the universe around us.

the allies of humanity briefings: *Killing Hope* William Blum, 2022-07-14 In *Killing Hope*, William Blum, author of the bestselling *Rogue State: A Guide to the World's Only Superpower*, provides a devastating and comprehensive account of America's covert and overt military actions in the world, all the way from China in the 1940s to the invasion of Iraq in 2003 and - in this updated

edition - beyond. Is the United States, as it likes to claim, a global force for democracy? Killing Hope shows the answer to this question to be a resounding 'no'.

the allies of humanity briefings: The Death of Truth Michiko Kakutani, 2018-07-17 From a Pulitzer Prize-winning critic comes an impassioned critique of the West's retreat from reason. 'The Death of Truth is destined to become the defining treatise of our age' David Grann 'The first great book of the Trump administration ... essential reading' Rolling Stone

the allies of humanity briefings: Through the Lens of Cultural Awareness Combat Studies Institute Press, William D Wunderle, 2019-07-08 Conducting the Global War on Terrorism (GWOT) and projecting United States (US) influence worldwide has meant an increasing number of US diplomats and military forces are assigned to locations around the world, some of which have not previously had a significant US presence. In the current security environment, understanding foreign cultures and societies has become a national priority. Cultural understanding is necessary both to defeat adversaries and to work successfully with allies.

the allies of humanity briefings: Battlegrounds: The Fight to Defend the Free World H.R. McMaster, 2020-09-23 From Lt. General H.R. McMaster, former National Security Advisor during Trump's administration, a bold assessment of the most critical foreign policy and national security challenges of our age.
