

the battle of dulce base

the battle of dulce base is one of the most mysterious and debated incidents in the world of conspiracy theories and UFO lore. Centered around a secretive underground facility believed to be located beneath Archuleta Mesa, near Dulce, New Mexico, the battle of Dulce Base allegedly involved a covert military conflict between humans and extraterrestrial beings. This article delves into the origins of the Dulce Base legend, the details of the supposed battle, key figures who shaped the narrative, and its lasting impact on popular culture and the UFO research community. With a comprehensive exploration of documented accounts, theories surrounding alien technology, and the government's alleged involvement, readers will gain a detailed understanding of why the battle of Dulce Base continues to captivate researchers and enthusiasts. From the initial claims to the ongoing debates, this guide covers all aspects of this intriguing subject, providing valuable insights for anyone seeking the truth behind the Dulce Base mystery.

- Origins of the Dulce Base Legend

- Key Figures and Whistleblowers
- Theories Surrounding Alien Technology and Experiments
- Government Involvement and Cover-Ups
- Impact on Popular Culture and Ufology
- Unanswered Questions and Ongoing Research

Origins of the Dulce Base Legend

Location and Early Rumors

The Dulce Base legend traces its roots to the remote town of Dulce, New Mexico, situated near the Colorado border. Archuleta Mesa, a rugged and largely inaccessible area, became ground zero for stories of hidden underground installations. Rumors of strange lights, unexplained phenomena, and covert military activity began circulating in the late 1970s. These reports fueled speculation about secret government experiments and alien contact, establishing Dulce as a focal point for conspiracy theorists and UFO researchers.

First Public Claims

Initial claims about an underground base at Dulce emerged from sources within the UFO research community. Paul Bennewitz, an electronics specialist and UFO investigator, was among the first to allege the existence of a subterranean facility. Through intercepted communications and alleged sightings, Bennewitz theorized that the government was collaborating with extraterrestrials beneath the mesa. His findings sparked public interest and laid the foundation for further investigation into the Dulce Base mystery.

The Alleged Battle: Events and Evidence

Accounts of the Battle

Central to the Dulce Base legend is the alleged battle between human military forces and alien entities. According to whistleblower reports, particularly those from former government contractor Phil Schneider, a violent confrontation occurred in the late 1970s or early 1980s. Schneider claimed that during a routine construction project, workers inadvertently breached an alien chamber, triggering a firefight between US military personnel and non-human beings. The incident reportedly resulted in multiple casualties and heightened secrecy surrounding the base.

Physical Evidence and Witness Testimony

Despite the sensational nature of the claims, physical evidence for the battle of Dulce Base remains scarce. Most accounts rely on personal testimony and anecdotal reports from alleged witnesses and insiders. Some researchers cite unusual scars, photographs, and declassified documents as circumstantial evidence, but mainstream authorities have yet to confirm the existence of the battle or the base itself. The lack of tangible proof continues to fuel debate and skepticism among experts.

Common Features Reported in the Base

- Multi-level underground structures
- Advanced technology labs
- Alien containment areas
- Human-alien hybrid experimentation zones

- Military security checkpoints

Key Figures and Whistleblowers

Paul Bennewitz's Investigations

Paul Bennewitz's research into strange electromagnetic signals and aerial phenomena near Dulce brought attention to the possibility of secret government-alien collaboration. His work inspired subsequent investigations and introduced the idea of a battle at Dulce Base to a wider audience. Bennewitz's claims were controversial, attracting both supporters and detractors within the UFO community.

Phil Schneider's Revelations

Phil Schneider, a former geological engineer contracted by the government, became a prominent whistleblower in the 1990s. He claimed to have witnessed the Dulce Base battle firsthand, describing encounters with hostile alien beings and advanced weaponry. Schneider's lectures and interviews provided detailed accounts of the underground facility and its inhabitants, making him a central figure in the Dulce Base narrative.

Other Notable Insiders

Additional testimonies have surfaced from individuals claiming military or scientific backgrounds. These accounts vary but often share common themes of secrecy, advanced technology, and human-alien interaction. While some insiders have faced criticism for lack of verifiable evidence, their stories contribute to the enduring mystique of the Dulce Base legend.

Theories Surrounding Alien Technology and Experiments

Alleged Joint Experiments

One of the most controversial aspects of the Dulce Base story involves joint human-alien experiments. Reports suggest that scientists at the base conducted genetic engineering projects, attempting to create human-alien

hybrids. These experiments allegedly aimed to combine biological traits for enhanced intelligence, strength, or adaptability, raising ethical and scientific questions about the nature of such research.

Advanced Weaponry and Technology

Whistleblowers frequently mention the presence of advanced weaponry and technology at Dulce Base, far beyond what is publicly acknowledged by the military. Claims include energy-based weapons, anti-gravity devices, and mind-control apparatus purportedly developed through collaboration with extraterrestrials. Some researchers speculate that reverse engineering alien technology was a primary focus of the base, with the battle itself serving as a catalyst for further secrecy.

Government Involvement and Cover-Ups

Official Denials and Secrecy

Government agencies have consistently denied any involvement with Dulce Base or the events surrounding the alleged battle. Requests for information under the Freedom of Information Act have yielded minimal results, with most documents heavily redacted or classified. Investigators point to patterns of secrecy and disinformation as evidence of a deliberate cover-up intended to conceal sensitive research and extraterrestrial contact.

Disinformation Campaigns

Some researchers suggest that the US government actively disseminates disinformation to obscure the truth about Dulce Base. Tactics include spreading false leads, intimidating whistleblowers, and discrediting credible witnesses. These campaigns contribute to the confusion and uncertainty surrounding the battle of Dulce Base, making it difficult to separate fact from fiction.

Impact on Popular Culture and Ufology

Media Portrayals

The story of the battle of Dulce Base has inspired numerous books, documentaries, and fictional adaptations. Its themes of secrecy, advanced

technology, and extraterrestrial conflict resonate with audiences interested in science fiction and conspiracy theories. The legend has become a staple topic at UFO conferences and in paranormal literature, cementing its place in popular culture.

Influence on UFO Research

For many UFO researchers, Dulce Base represents a crucial case study in the broader search for evidence of alien contact and government secrecy. The alleged battle and associated experiments are frequently referenced in investigations into underground bases, hybrid programs, and advanced technology. The Dulce Base mystery continues to inspire new generations of researchers to seek answers and challenge official narratives.

Unanswered Questions and Ongoing Research

Enduring Mysteries

Despite decades of investigation, the battle of Dulce Base remains shrouded in mystery. Key questions persist regarding the existence of the base, the nature of its operations, and the reality of the alleged conflict. Researchers continue to examine witness testimony, scrutinize government documents, and explore the mesa for physical evidence. The lack of definitive answers ensures that the legend endures as one of the most compelling enigmas in UFO history.

Current Efforts and Future Prospects

Ongoing research into the Dulce Base story includes field expeditions, interviews with insiders, and analysis of new technological developments. Advances in satellite imaging and underground exploration may one day shed light on the truth behind the legend. Until then, the battle of Dulce Base remains a subject of fascination, debate, and speculation for researchers and enthusiasts worldwide.

Q: What is the battle of Dulce Base?

A: The battle of Dulce Base refers to an alleged armed conflict between human military personnel and extraterrestrial beings inside a secret underground facility beneath Archuleta Mesa in Dulce, New Mexico. This event is based on whistleblower testimony and conspiracy theories, with no verified physical evidence.

Q: Who are the key figures associated with the Dulce Base legend?

A: Paul Bennewitz and Phil Schneider are the most notable figures linked to the Dulce Base narrative. Bennewitz first publicized claims of an underground base, while Schneider detailed his alleged direct involvement in the battle and described advanced alien technology present at the facility.

Q: What types of experiments are said to have occurred at Dulce Base?

A: Dulce Base is rumored to have housed genetic engineering projects, including the creation of human-alien hybrids, advanced weapon development, and mind-control research. These claims are based on anecdotal evidence from whistleblowers and have not been substantiated by official sources.

Q: Why is there skepticism about the existence of Dulce Base and the battle?

A: Skepticism arises from the lack of physical evidence, reliance on witness testimony, and official government denials. Most information about Dulce Base comes from unverified sources and conspiracy theories, leading many experts to question the credibility of the story.

Q: How has the battle of Dulce Base influenced popular culture?

A: The legend has inspired numerous books, documentaries, and fictional works, becoming a staple topic in UFO conferences and paranormal literature. It continues to influence discussions on government secrecy and alien contact within popular culture.

Q: Are there any official documents confirming the existence of Dulce Base?

A: There are no officially released government documents that confirm the existence of Dulce Base. Most documents obtained through public records requests are heavily redacted or do not address the underground facility directly.

Q: What technologies are allegedly found at Dulce Base?

A: Alleged technologies include energy-based weapons, anti-gravity devices,

and advanced biological engineering tools. These claims primarily originate from whistleblower accounts and have not been independently verified.

Q: Has any physical evidence ever been presented to support the Dulce Base claims?

A: No conclusive physical evidence has been presented to confirm the existence of Dulce Base or the battle. Most evidence consists of personal anecdotes, photographs, and circumstantial reports.

Q: What ongoing research is being conducted about Dulce Base?

A: Researchers continue to investigate the Dulce Base legend through interviews, field studies, and technological analysis such as satellite imaging and underground exploration. The subject remains a priority for some UFO investigators.

Q: Why does the battle of Dulce Base remain a popular topic within the UFO community?

A: The combination of government secrecy, alleged advanced technology, and dramatic conflict between humans and extraterrestrials makes the battle of Dulce Base a compelling and enduring topic for UFO enthusiasts and researchers.

The Battle of Dulce Base: Unraveling the Mystery and the Myth

The whispers surrounding Dulce Base, a purported underground military installation in New Mexico, have echoed through the corridors of conspiracy theories for decades. Is it a genuine, top-secret research facility, a hub for extraterrestrial encounters, or simply a fabrication built on speculation

and misinformation? This in-depth exploration of "The Battle of Dulce Base" will delve into the claims, examine the evidence (or lack thereof), and ultimately help you form your own informed opinion on this enduring enigma. We'll dissect the core narratives, explore the key players, and critically analyze the plausibility of the various accounts surrounding this infamous location.

The Origin Story: Where the Legend Begins

The legend of Dulce Base is rooted in the late 1970s and early 1980s, gaining traction through self-proclaimed whistleblowers and paranormal investigators. The core narrative often centers on a supposed confrontation between human operatives and extraterrestrial beings beneath the New Mexico desert. This "battle," often depicted in graphic detail, forms the heart of the Dulce Base conspiracy. Stories vary, but common threads include alleged underground facilities spanning miles, advanced technology, human experimentation, and brutal encounters with non-human entities.

The Key Figures and Their Allegations

Several individuals have played pivotal roles in propagating the Dulce Base narrative. Paul Bennewitz, a prominent figure in the early days, claimed to have uncovered evidence of alien activity through his research. His claims, however, were later largely discredited. Other alleged whistleblowers, often claiming anonymity to protect their identities, have emerged over the years, each contributing their own version of events, furthering the mythos. The lack of verifiable corroboration between these accounts, however, raises significant questions about their credibility.

Analyzing the "Evidence": Fact vs. Fiction

The "evidence" supporting the Dulce Base narrative largely consists of anecdotal accounts, blurry photographs, and unsubstantiated testimony. Many of the claims lack concrete proof, and attempts to independently verify information have consistently yielded inconclusive results.

The Lack of Physical Evidence

Despite extensive searches and investigations by independent researchers, no verifiable physical evidence supporting the existence of a vast underground base, let alone a battle within it, has ever been found. This absence of physical evidence is a significant blow to the credibility of the conspiracy theory.

Debunking Common Claims

Many claims associated with Dulce Base are easily debunked through simple fact-checking. Some stories contradict established geological surveys of the area, while others involve readily explained phenomena. The lack of consistent and verifiable evidence significantly weakens the overall narrative.

The Psychological and Sociological Aspects

The enduring appeal of the Dulce Base conspiracy theory stems from several factors. The human fascination with the unknown, the desire for explanations to unexplained phenomena, and the inherent mistrust of authority all contribute to its enduring popularity. It taps into anxieties surrounding government secrecy, technological advancements, and the potential existence of extraterrestrial life.

The Power of Narrative and Belief

The compelling nature of the narrative, regardless of its factual basis, fuels its continued propagation. The story resonates with individuals seeking to understand the world around them, even if it means accepting accounts lacking concrete evidence.

Conclusion: Separating Fact from Fiction

While the story of the "Battle of Dulce Base" is captivating, it ultimately rests on a foundation of largely unsubstantiated claims and anecdotal evidence. The absence of concrete physical proof, coupled with the inconsistencies and contradictions within various accounts, strongly suggests that the narrative is more a product of speculation and imagination than a factual account of events. It serves as a cautionary tale about the importance of critical thinking and the need to evaluate information thoroughly before accepting it as truth. The enduring fascination with Dulce Base, however, highlights the power of narrative and the human yearning for answers to the unknown.

FAQs

1. Are there any official government documents confirming the existence of Dulce Base? No, there are no official government documents confirming the existence of a large underground base at Dulce, New Mexico, matching the descriptions given in the conspiracy theory.
2. What is the most compelling piece of evidence cited by proponents of the Dulce Base theory? Proponents often cite eyewitness testimonies from alleged whistleblowers as their most compelling evidence. However, these testimonies lack independent verification and are often inconsistent.
3. Why does the Dulce Base story persist despite a lack of evidence? The story persists due to a combination of factors, including a fascination with the unknown, mistrust of government secrecy, and the power of compelling narratives.
4. Have any independent investigations verified claims about Dulce Base? Numerous independent investigations have been conducted, but none have produced verifiable evidence supporting the existence of a massive underground base or a battle with extraterrestrial beings.
5. What are some alternative explanations for the phenomena attributed to Dulce Base? Alternative explanations range from misinterpretations of natural phenomena to deliberate disinformation campaigns. Other possibilities include the misidentification of ordinary military or mining activities.

the battle of dulce base: Dulce Base Greg Strandberg, 2015-02-16 The U.S. government has allowed the Grays, a race of extra-terrestrials from the Zeta Reticuli system, to establish a foothold on Earth at a place called Dulce Base, a secret underground base near the Archuleta Mesa in New Mexico. This came about after President Eisenhower signed a treaty with them at Holloman Air Force Base in 1953, but following a surprise attack on the humans of the base in 1975, the treaty was deemed worthless and the U.S. government was in a bind. Fast forward to 1979. A group of Special Forces – all “dead” Vietnam vets – are assembled with the sole task of taking the base back or destroying it. When ungodly horrors are discovered on the base's deepest levels, however, the mission changes from one of search and destroy to one of rescue. Aided by six super soldiers impervious to the mind attacks of the Grays, the men fight for humanity in an epic sci-fi battle you can't afford to miss.

the battle of dulce base: The Dulce Wars Branton, 1999 IN THE CORNER OF A SMALL TOWN IN AMERICA'S SOUTHWEST SOMETHING VERY STRANGE IS GOING ON IS AN ALIEN FIFTH COLUMN ALREADY ACTIVE ON EARTH PREPARING TOTAL CONQUEST VIA IMPLANTATION'S AND MIND CONTROL? According to the author -- who only used his first name for privacy reasons (and because he is deathly afraid) -- The repercussions of what is taking place here will soon be felt throughout the whole country, when the beast has reached out with its deadly tentacles to invade our seemingly impregnable fortress, causing it to crumble and fall. Did U.S. Military Forces perish recently in hand-to-hand combat with a group of hostile Greys who subsequently seized control of one of our Top-Secret underground bases? And has the New World order established an unholy alliance with this group of ETs? In Dulce, New Mexico, seemingly everything has gone haywire, becoming the epicenter of: Cattle mutilation phenomena. . .Energy Grids. . .Secret Societies. . .Underground Anomalies. . .Conspiracies Between Townsfolk and Outsiders. . .Unexplained Legends and Mythology Concerning Various Lost Civilizations. . .Geomagnetic Enigmas. . .Abductions and Missing Time. . .Hostile Alien Beings. . .Peculiar Sounds and Movements Coming From Beneath The Earth. As discussed on the History Channel, Coast to Coast, and TheParaCast.Com

the battle of dulce base: Blue Planet Project Gil Carlson, 2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we

have working agreements. I've been told this information was once classified as Above Top Secret and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

the battle of dulce base: Dulce Base Greg Valdez, 2013-07-05

the battle of dulce base: Alien Underground Bases - Blue Planet Project #8 Gil Carlson, 2015-12-02 The Complete Guide to Extraterrestrial Bases on Earth Hundreds of strange and mysterious locations that have revealed amazing, bizarre technology. While there are numerous Deep Underground Military Bases (DUMBS), and even several joint military/alien bases such as Dulce this new book: Alien Underground Bases, covers the secret alien locations which government and military leaders around the world pretend don't exist. While some of these locations may have been home to aliens thousands of years ago and are most likely abandon today (has anyone gone down there to double-check?), many others could very well still be active! What could be going on there? How about strange and mysterious scientific and military preparations? Genetic experiments involving humans, animals and plant life? While many may scoff at the idea of secret alien bases, consider that the U.S. Government takes the release of this information very seriously. Would they be so paranoid about this if there wasn't anything to it?

the battle of dulce base: *Underground Alien Bio Lab at Dulce: The Bennewitz UFO Papers* Timothy Green Beckley, Sean Casteel, 2012-03 IS THE TOWN OF DULCE, NEW MEXICO THE LOCATION OF AN UNDERGROUND BASE GUARDED BY U.S. FORCES AND INHABITED BY A GROUP OF SINISTER EXTRATERRESTRIALS? OR IS ALL THE UFO AND PARANORMAL ACTIVITY IN THE AREA MERELY A FALSE FLAG DESIGNED TO ACT AS A CONVENIENT COVER STORY FOR SECRET BLACK PROJECT OPERATIONS? OR PERHAPS SOMETHING EVEN MORE SINISTER IS TAKING PLACE AT THIS LOCAL AS SUGGESTED BY RADIO HOST JC JOHNSON WHEN HE ASKS, Are the beings working with the government there in fact demons whose evil exceeds anything we may think we know about aliens in Dulce? It is an absolutely incredible story, says Timothy Green Beckley, editor of the Conspiracy Journal. Since the mid to late 1970s there have been all sorts of rumors about an underground laboratory beneath the town of Dulce. The UFO Hunters show on the History Channel recently featured the entire saga of what has been taking place on Native American soil, and a few days later George Noory and Coast to Coast AM plunged head first trying to make sense out of the various accounts that have surfaced. Beckley admits that it is difficult to pin-point exactly when this macabre saga started to develop. But he gives credit to an engineer named Paul Bennewitz for getting the ball rolling when Bennewitz says he was called to the area when aliens started to communicate with him over a radio receiver. He had been directed to Dulce after observing UFOs over Kirkland Air Force Bases nuclear storage facility. Standing near the tall cliffs outside Dulce, Bennewitz took a series of photographs showing unidentified craft diving into the mountains through what he claimed were entrance ways that could be opened and closed. Around the same time there was a dramatic increase in animal mutilations in the vicinity and at least one person, Christa Tilton came forward to claim that she was abducted and taken to this subterranean facility. Her full report and all the information which makes for a startling cosmic Dragnet story are included in this far reaching work. One individual in the U.S. military who was involved in the early stages of this investigation claims he engaged in hand to hand combat with ETs

who had taken over level seven of the Dulce Base after a conflict with our soldiers. Another person involved in this epic committed suicide shortly after the Dulce affair was made public. Much has been speculated upon regarding this sinister matter. But this is the complete work that contains balanced information and details from all sides. First time ever interview with Paul Bennewitz who was pushed over the edge never to return to sanity.

the battle of dulce base: *Project Beta* Greg Bishop, 2005-02-08 The shocking true story of the United States government's quest to hide the reality of extraterrestrial contact, even at the cost of its citizens. In 1978, Paul Bennewitz, an electrical physicist living in Albuquerque, New Mexico, became convinced that the strange lights he saw hovering in the night sky were extraterrestrial. He reached out to newspapers, senators, and even the president before anyone responded. Air Force investigators listened to his story, as did Bill Moore, the author of the first book on the infamous Roswell UFO incident. Unbeknownst to Bennewitz, Moore was hired by a group of intelligence agents to keep tabs on Bennewitz while the Air Force ran a psychological profile and disinformation campaign on the unsuspecting physicist. In return, Air Force Intelligence would let Moore in on classified UFO material. What follows is a scandalous true tale of disinformation, corruption, and exploitation, all at the hands of the United States intelligence community.

the battle of dulce base: *TIME-TRAVELER AND THE INFERNAL BASE-From the Future Dimension to Area 51 and Dulce Base* Maximilien de Lafayette, 2018-11-14 *TIME-TRAVELER AND THE INFERNAL BASE-From the Future Dimension to Area 51 and Dulce Base-10th Edition*. A publication of Times Square Press], New York. How should you read this book? As a documentary? A work of fiction? Or a factual account? Insiders know best. Although some passages from the book could appear as phantasmagoric and unrealistic depictions of events, the majority of its contents is based upon facts and events which occurred as described in the book. Of course, names were either camouflaged or altered in order to protect the identity of some officials who were part of this drama, whether their participation was accidental or voluntary. Nevertheless, the veracity of the accounts should not be denied or challenged, for the incidents which are presented to you did occur despite the facts that some events were dramatized. Area 51, Dulce Base, genetic programs, collaboration with non-terrestrial beings, and black ops can no longer be ignored or refuted.

the battle of dulce base: *Philip Schneider* Arthur BERKELEY, 2020-07-05 Philip Schneider was a US government geologist and engineer, who was involved in the construction of Deep Underground Military Bases, known as DUMBS. He was assassinated by a US intelligence agency for disclosing the truth about the US government cover-up of UFOs and aliens. Many different topics are included in this book, including the Philadelphia Experiment and the Montauk Project. This was the most secretive project ever undertaken by man. Phil Schneider was the first person in 1995 to publicly disclose the Magnetic Levitation trains, which connect all the deep underground military bases. The Epilogue includes substantial evidence to confirm that many of the deep underground military bases have been destroyed in the secret war between the Deep State/ Cabal and the Alliance. In the revised edition there is an additional chapter, 'The New World Order Agenda'. This covers topics such as the coronavirus pandemic, 5G network and Agenda ID2020. Concerning the 9/11 attack, it is impossible for 2 planes to destroy the twin towers. They could not melt the steel support structures, which literally turned to dust. Only one type of weapon can do this.

the battle of dulce base: *I Am Number Four* Pittacus Lore, 2011 Nine teenagers and their guardians are hiding on Earth - protected by a charm that means they can only be killed in numeric order, three are already dead. John Smith is Number Four. And his mortal enemies are hunting him down.

the battle of dulce base: *The Rise of Nine* Pittacus Lore, 2012-08-30 Discover the explosive third instalment in the Lorien Legacies series by Pittacus Lore, the bestselling author of *I AM NUMBER FOUR* 'Exhilarating . . . Each book grows more and more cataclysmic and heroic' 5***** Reader Review 'This series is consistently captivating. It makes me shiver to think about it' 5***** Reader Review _____ Until I met John Smith, Number Four, I'd been on the run alone, hiding and fighting to stay alive. Together, we were much more powerful. But it could only last so long before

we had to separate to find the others . . . I went to Spain to find Seven, and I found even more, including a tenth member of the Garde who escaped from Lorien alive. Ella is younger than the rest of us, but just as brave. Now we're looking for the others - including John. But so are they. I am Number Six. To finish what they started, they'll have to fight us first. Praise for Pittacus Lore: 'Tense, exciting, full of energy' Observer 'Relentlessly readable' The Times 'Set to eclipse Harry Potter and moody vampires. Pittacus Lore is about to become one of the hottest names on the planet' Big Issue 'Tense, keeps you wondering' Sunday Times Perfect for fans of The Hunger Games - I Am Number Four is the first book in Pittacus Lore's Lorien Legacies series and is now a major Disney film.

the battle of dulce base: Underwater & Underground Bases Richard Sauder Ph.D., 2014-01-22 Dr. Richard Sauder's second book *Underwater and Underground Bases* is an explosive, eye-opening sequel to his best-selling, *Underground Bases and Tunnels: What is the Government Trying to Hide?* Dr. Sauder lays out the amazing evidence and government paper trail for the construction of huge, manned bases offshore, in mid-ocean, and deep beneath the sea floor! Bases big enough to secretly dock submarines! Official United States Navy documents, and other hard evidence, raise many questions about what really lies 20,000 leagues beneath the sea. Many UFOs have been seen coming and going from the world's oceans, seas and lakes, implying the existence of secret underwater bases. Hold on to your hats: Jules Verne may not have been so far from the truth, after all! Dr. Sauder also adds to his incredible database of underground bases onshore. New, breakthrough material reveals the existence of additional clandestine underground facilities as well as the surprising location of one of the CIA's own underground bases. Plus, new information on tunneling and cutting-edge, high speed rail magnetic-levitation (MagLev) technology. There are many rumors of secret, underground tunnels with MagLev trains hurtling through them. Is there truth behind the rumors? *Underwater and Underground Bases* carefully examines the evidence and comes to a thought provoking conclusion!

the battle of dulce base: Blue Planet Project Book - the Lost Chapters Gil Carlson, 2014-02-19

the battle of dulce base: The Rights of War and Peace Hugo Grotius, 1814

the battle of dulce base: Narratives of Low Countries History and Culture Jane Fenoulhet, Lesley Gilbert, Ulrich Tiedau, 2016-11-07 This edited collection explores the ways in which our understanding of the past in Dutch history and culture can be rethought to consider not only how it forms part of the present but how it can relate also to the future. Divided into three parts - The Uses of Myth and History, The Past as Illumination of Cultural Context, and Historiography in Focus - this book seeks to demonstrate the importance of the past by investigating the transmission of culture and its transformations. It reflects on the history of historiography and looks critically at the products of the historiographic process, such as Dutch and Afrikaans literary history. The chapters cover a range of disciplines and approaches: some authors offer a broad view of a particular period, such as Jonathan Israel's contribution on myth and history in the ideological politics of the Dutch Golden Age, while others zoom in on specific genres, texts or historical moments, such as Benjamin Schmidt's study of the doolhof, a word that today means 'labyrinth' but once described a 17th-century educational amusement park. This volume, enlightening and home to multiple paths of enquiry leading in different directions, is an excellent example of what a past-present doolhof might look like.

the battle of dulce base: The 37th Parallel Ben Mezrich, 2016-09-08 The 37th Parallel tells the true story of a computer programmer whose investigations into alien activity lead him deep into a vast conspiracy stretching 3000 miles across America. Chuck Zukowski is obsessed with tracking down UFO reports, but this innocent hobby takes on a sinister urgency when he makes a horrifying discovery. As he traces a series of incidents across Utah, Colorado and Kansas, a pattern emerges: a horizontal line of unexplained activity stretching right across America, a line some are calling the 'UFO Highway' or the '37th Parallel'. His extraordinary journey takes him from El Paso to the Pentagon, into secret underground military caverns and Indian sacred sites. This terrifying account will keep you awake at night, pondering some of the biggest and most inescapable questions

humanity faces: are we really alone in this vast universe? And if not, who are our neighbours?

the battle of dulce base: A Venom Dark and Sweet Judy I. Lin, 2023-01-17 The enthralling conclusion to Judy I. Lin's Book of Tea duology— A Magic Steeped in Poison and A Venom Dark and Sweet—is sure to enchant fans of Adrienne Young and Leigh Bardugo. A great evil has come to the kingdom of Dàxi. The Banished Prince has returned to seize power, his rise to the dragon throne aided by the mass poisonings that have kept the people bound in fear and distrust. Ning, a young but powerful shénnóng-shi—a wielder of magic using the ancient and delicate art of tea-making—has escorted Princess Zhen into exile. Joining them is the princess' loyal bodyguard, Ruyi, and Ning's newly healed sister, Shu. Together the four young women travel throughout the kingdom in search of allies to help oust the invaders and take back Zhen's rightful throne. But the golden serpent still haunts Ning's nightmares with visions of war and bloodshed. An evil far more ancient than the petty conflicts of men has awoken, and all the magic in the land may not be enough to stop it from consuming the world...

the battle of dulce base: Dulce Truths Greg Strandberg, 2018-10-02 Dulce Base may have been destroyed, but the conspiracy around it and the dark forces working behind the scenes have not. Traitors are afoot in Blue Lake base, and neither the Dutchman nor his son are safe. That's clear when the murders start. The super soldiers that went into Dulce are now forced to run through time and space in a desperate attempt to save their world, and countless others. For sci-fi, ufology and conspiracy lovers...this book has it all! The Black Knight Satellite The 177th Time Travel Division Secret Moon Bases Alien Motherships around Venus & Mercury & the Moon The 1989 & 1991 Russian UFO Crashes Majestic 12 Alien Abductions Hybrids Lemurians The Atlantis/Reptilian Connection The Reptilian Invasion of Lyra Bkti, the Alien Crash Survivor The Lost Planet Maldech Hitler & Antarctica The Hollow Earth Theory Paul Bennewitz John Titor And a whole lot more! Stop waiting and buy this book. You're about to go on one helluva wild ride!

the battle of dulce base: Incident at Devils Den: A True Story, by Terry Lovelace, Esq Terry Lovelace, 2019-12-02 A true story of the 1977 alien abduction as told by a former Assistant Attorney General and USAF veteran. He and a friend were taken while remote camping in an Arkansas State Park. Includes the 2012 x-rays of an alien implant discovered on a routine x-ray. It was the catalyst to tell the story he had to retire before he could tell.

the battle of dulce base: *Light at the End of the Tunnel* Paul Hellyer, 2010 Argues that the human species is headed for extinction in the near future, and presents three principal elements the author believes are needed to put the Earth on the road to recovery, including the availability of reliable sources of energy to replace fossil fuels, a world culture of cooperation, and a monetary and banking system that gives government the financial flexibility to make the transition from an oil economy to something quite different.

the battle of dulce base: Welcome to FOB Haiku Randy Brown, 2015-11-13 Sherpatude no. 26: 'Humor is a combat multiplier ...' Has your war become workaday? Does life on the Forward Operating Base (FOB) now seem commonplace? Armed with deadpan snark and poker-faced patriotism -- and rooted in the coffee-black soil and plain-spoken voice of the American Midwest -- journalist-turned-poet Randy Brown reveals behind-the-scenes stories of U.S. soldier-citizenship. From Boot Camp to Bagram, Afghanistan. And back home again. --

the battle of dulce base: *Hitler's Antarctic Base: the Myth and the Reality* Colin Summerhayes, Peter Beeching, 2016-05 Secrets of the Third Reich's Base in Antarctica A remarkable event occurred in 1999, but only specialists paid adequate attention to it. A research expedition discovered a virus in Antarctica; at that, neither people nor animals had immunity to the virus. After all, Antarctica is far away, for this very reason the virus cannot be dangerous for the rest of the planet, especially the dangerous discovery was deep in the permafrost. However, scientists say that against the background of a global warming threatening the Earth, the unknown virus can cause an awful catastrophe on the planet. Expert Tom Starmerue from the University of New York also shares the pessimistic forecasts of his colleagues. We don't know what the mankind will face in the South Pole in the nearest time due to the global warming. It is not ruled out that an unbelievable catastrophe

may break out. Viruses protected with a protein cover survive even in the permafrost; as soon as the temperature gets warmer they will immediately start reproducing. American scientists treated the Antarctica discovery very seriously and even organized a special expedition that currently tests the ice for unknown viruses in order to develop an antidote in good time. What is the source of the virus in Antarctica where only penguins can survive in the ice? There is no answer to the question, specialists are at a loss. However, several theories concerning the problem have been put forward. We would like to touch upon the most interesting of them. A majority of scientists are inclined to believe that prehistoric forms of life probably survived in the permafrost. There are more versions that are interesting and sometimes quite unusual. Some specialists blame bonzes of the Third Reich for delivery of a secretly developed bacteriological weapon to Antarctica. And this theory arose not in a vacuum. It is known that already in 1938 Nazis suddenly became interested in Antarctica, they organized two expeditions to the area in 1938-1939. At first, planes of the Third Reich took detailed pictures of unexplored territories and then they dropped several thousands of metal pennons with swastika there. The whole of the explored territory was called Neuschwabenland and was considered a part of the Third Reich. After the expedition, Captain Ritscher reported to Field-Marshal Hering: The planes dropped the pennons each 25 kilometers; we covered the area of about 8.600 thousand square meters. 350 thousand square meters of them were photographed. In 1943, Grand Admiral Karl Donitz dropped a remarkable phrase: Germany's submarine fleet is proud that it created an unassailable fortress for the Fuhrer on the other end of the world. Submarines were mostly used for transportation of necessary freight to the place. The submarines also received passengers whose faces were hidden behind surgical bands. Wilhelm Bernhard was commander of one of the submarines, U-530; the submarine left the port of Kiel on April 13, 1945. When it reached the shores of Antarctica, 16 members from the crew built an ice cave and put boxes into the cave; it was allegedly said that the boxes contained relics of the Third Reich, including Hitler's documents and personal stuff. The operation was code named Valkyrie-2. When the operation was over on July 10, 1945, the submarine U-530 entered the Argentinean port of Mar-del-Plata and surrendered to the authorities. It is also supposed that another submarine from the formation, U-977, under the command of Heinz Scheffer, delivered the remains of Hitler and Braun to Neuschwabenland. It followed the route of the U-530 submarine and called at Antarctica. The sub arrived in Mar-del-Plata on Aug. 17, 1945.

the battle of dulce base: *The Poems of Wilfred Owen* Wilfred Owen, 1994 This volume contains all of Owen's best known work, only four of which were published in his lifetime. His war poems were based on his acute observations of the soldiers with whom he served on the Western front, and reflect the horror and waste of World War One.

the battle of dulce base: *The Old Lie* Claire G. Coleman, 2019-08-27 'Set in an intergalactic war, this powerful story is told from multiple viewpoints and delivers an emotionally wrenching impact.' - Sally Morgan, author of the bestselling Australian classic MY PLACE Shane Daniels and Romany Zetz have been drawn into a war that is not their own. Lives will be destroyed, families will be torn apart. Trust will be broken. When the war is over, some will return to a changed world. Will they discover that glory is a lie? Claire G. Coleman's new novel takes us to a familiar world to ask what we have learned from the past. The Old Lie might not be quite what you expect. **Includes bonus chapters from the bestselling and award-winning Terra Nullius** Praise for Terra Nullius: 'surprising and unforgettable' - Publisher's Weekly 'moving and original' - Weekend Australian 'impossible to ignore' - Books and Publishing 'unflinching' - Sydney Review of Books 'timely' - Adelaide Review

the battle of dulce base: Matterhorn Karl Marlantes, 2010-04-01 Intense, powerful, and compelling, Matterhorn is an epic war novel in the tradition of Norman Mailer's The Naked and the Dead and James Jones's The Thin Red Line. It is the timeless story of a young Marine lieutenant, Waino Mellas, and his comrades in Bravo Company, who are dropped into the mountain jungle of Vietnam as boys and forced to fight their way into manhood. Standing in their way are not merely the North Vietnamese but also monsoon rain and mud, leeches and tigers, disease and malnutrition.

Almost as daunting, it turns out, are the obstacles they discover between each other: racial tension, competing ambitions, and duplicitous superior officers. But when the company finds itself surrounded and outnumbered by a massive enemy regiment, the Marines are thrust into the raw and all-consuming terror of combat. The experience will change them forever. Written by a highly decorated Marine veteran over the course of thirty years, *Matterhorn* is a spellbinding and unforgettable novel that brings to life an entire world—both its horrors and its thrills—and seems destined to become a classic of combat literature.

the battle of dulce base: A Culture of Conspiracy Michael Barkun, 2003 Unravelling the genealogies and permutations of conspiracist worldviews, this work shows how this web of urban legends has spread among sub-cultures on the Internet and through mass media, and how this phenomenon relates to larger changes in American culture.

the battle of dulce base: The Day After Roswell Philip Corso, 2012-12-11 Since 1947, the mysterious crash of an unidentified aircraft at Roswell, New Mexico, has fueled a firestorm of speculation and controversy with no conclusive evidence of its extraterrestrial origin -- until now. Colonel Philip J. Corso (Ret.), a member of President Eisenhower's National Security Council and former head of the Foreign Technology Desk at the U.S. Army's Research & Development department, has come forward to tell the whole explosive story. Backed by documents newly declassified through the Freedom of Information Act, Colonel Corso reveals for the first time his personal stewardship of alien artifacts from the crash, and discloses the U.S. government's astonishing role in the Roswell incident: what was found, the cover-up, and how these alien artifacts changed the course of 20th century history.

the battle of dulce base: Odes Horace, 1874

the battle of dulce base: *Alien Secrets* Annette Curtis Klause, 1995-10 Puck, expelled from yet another boarding school, is on her way back to her parents, who are doing alien research on Shoon. She's worried because she hasn't seen them in years and now she's in trouble. On board *The Cat's Cradle*, Puck befriends Hush, a native Shoowa, who is also returning to his home in shame. He was entrusted with a symbol of freedom for his people, and now that treasure has been stolen. He believes the Soo is hidden somewhere on *The Cat's Cradle*, and he must recover it before they reach Shoon and before it can be smuggled off the ship. Puck is determined to help, even though it means putting her life in danger--danger from the crew, other passengers, and the ghosts who are haunting the ship. If she fails, neither she nor Hush can return home with dignity.

the battle of dulce base: *Secret Journey to Planet Serpo* Len Kasten, 2013-05-05 Documents how 12 people, as part of a top-secret U.S. government program, traveled to the planet Serpo and lived there for 13 years • Based on the debriefing of the Serpo team and the diary of the expedition's commander • Explains how the aliens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems • Reveals how our government has an ongoing relationship with the Serpo aliens On July 16, 1965, a massive alien spacecraft from the Zeta Reticuli star system landed at the Nevada test site north of Las Vegas. Following a plan set in motion by President Kennedy in 1962, the alien visitors known as the Ebens welcomed 12 astronaut-trained military personnel aboard their craft for the 10-month journey to their home planet, Serpo, 39 light-years away. In November 2005, former and current members of the Defense Intelligence Agency--directed by Kennedy to organize the Serpo exchange program--came forward to reveal the operation, including details from the 3,000-page debriefing of the 7 members of the Serpo team who returned after 13 years on the planet. Working with the DIA originators of the Serpo project and the diary kept by the expedition's commanding officer, Len Kasten chronicles the complete journey of these cosmic pioneers, including their remarkable stories of life on an alien planet, superluminal space travel, and advanced knowledge of alien technologies. He reveals how the Ebens presented the U.S. with "The Yellow Book"--a complete history of the universe recorded holographically, allowing the reader to view actual scenes from pre-history to the present. He explains how the Ebens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems--knowledge still classified. Exposing

the truth of human-alien interaction and interplanetary travel, Kasten reveals not only that the Ebens have returned to Earth eight times but also that our government continues to have an ongoing relationship with them--a relationship with the potential to advance the human race into the future.

the battle of dulce base: Blue Planet Project Trilogy Gil Carlson, 2016-03-07 An amazing alien and UFO 3-in1 Book! This BLUE PLANET PROJECT TRILOGY brings you the complete Blue Planet Project story! The Blue Planet Project book dates back to 1991 where it started out as a file of government secrets created by a government informer. This information on alien life forms and the government's involvement with them and their technology was never to be released to the public and certain government agencies were very unhappy when it was first released in print. And then it became almost impossible to obtain and the anonymous author disappeared for many years. Then in 2014 the Blue Planet Project Lost Chapters book was released. This was recently discovered information that was meant to be included with the original Blue Planet Project but was too lengthy to fit in and was lost for many years. This included info on Alien pharmaceuticals, UFO propulsion systems and additional info on the aliens. Then in 2016 the anonymous author and government informer was discovered and without regard to personal risks, contact was made which led to a spilling-of-the-beans on how he obtained the info, amazing revelations that brought us up to date on this amazing book that set the UFO world on its toes as well as everything about his personal history and what his present situation is. All this latest astonishing info that answered all our questions was just recently published in a book titled Blue Planet Project Conspiracy. This is a totally amazing collection of information that is a must read for anyone who is intrigued by government cover-ups, aliens and UFOs and want answers! This giant book is comb-bound which allows it to open flat and makes it easy to work with and to study all the facts inside. 294 large 8.5 x 11 pages with many full color illustrations. If these 3 books were purchased separately it could cost up to \$90.

the battle of dulce base: The Extraterrestrial Species Almanac Craig Campobasso, 2021-01-01 The Extraterrestrial Species Almanac is the go to book on life in the universe. -- George Noory, National Talk Show Host, Coast to Coast AM Discover who the aliens are - the benevolent ones and those who mean us harm - and what they want from us. Here is the ultimate field guide to the 82 extraterrestrial species that populate the universe. Fully illustrated throughout. This is the ultimate field guide to the 82 extraterrestrial species that populate the universe. ET enthusiast Craig Campobasso explores the origins, physical characteristics, technological and consciousness abilities, dimensional capacities, belief systems, and cosmic agendas of each of the species. The species fall into two categories: 1) benevolent races, which function as the guardians of humanity, whose goals include helping people overcome duality, healing, and protecting; and 2) malevolent races, which are responsible for abductions, cloning, and ultimately domination. This intergalactic expose will entertain all those interested in UFOs, aliens, ETs. Sci-fi and fantasy fans of the Marvel universe; Star Trek, Star Wars, and other popular TV shows like Ancient Aliens; Roswell, and Project Blue Book are prime targets for this book that delves deep into who the real extraterrestrials are and what they want with the people of Earth.

the battle of dulce base: The Fall of Five Pittacus Lore, 2013-08-27 The fourth book of the #1 New York Times bestselling I Am Number Four series! John Smith—Number Four—thought that things would change once he and Nine reunited with the others. But he was wrong. After facing off with the Mogadorian ruler and almost being killed, the Garde realize they are drastically unprepared. Now they're hiding out in Nine's Chicago penthouse, trying to figure out their next move. Even with the return of an old ally, these superpowered teens aren't strong enough yet to take on an entire army. To defeat their enemy, the Garde must master their Legacies and learn to work together as a team. And when they receive a sign from Number Five—the last missing member of the Garde—they know they are close to all being together finally. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before the Mogs do. Michael Bay, director of Transformers, raved: "Number Four is a hero for this generation." This epic young adult series is perfect for fans of action-packed science fiction like The Fifth Wave series by Rick Yancey, The Maze Runner series by James Dashner, and Orson Scott Card's Ender's

Game. The battle for Earth's survival wages on. Read the rest of the series: #5: The Revenge of Seven, #6: The Fate of Ten, and #7: United as One. Don't miss the first book in the brand-new I Am Number Four spin-off series: Generation One.

the battle of dulce base: Underground Bases and Tunnels Richard Sauder, 1995 Go behind the scenes into little-known corners of the public record and discover how corporate America has worked hand-in-glove with the Pentagon for decades -- dreaming about, planning, and actually constructing secret underground bases. And newly-uncovered information indicates that the strangeness continues with bizarre, high-tech gadgets like portable, hand-held surgical lasers and injectable electronic IDs as small as a grain of rice!

the battle of dulce base: Alien World Order Len Kasten, 2017-02-16 Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for research • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.

the battle of dulce base: The Collected Poems of Wilfred Owen Wilfred Owen, 1965-01-17 "The very content of Owen's poems was, and still is, pertinent to the feelings of young men facing death and the terrors of war." —The New York Times Book Review Wilfred Owen was twenty-two when he enlisted in the Artists' Rifle Corps during World War I. By the time Owen was killed at the age of 25 at the Battle of Sambre, he had written what are considered the most important British poems of WWI. This definitive edition is based on manuscripts of Owen's papers in the British Museum and other archives.

the battle of dulce base: Alien Secrets (Solar Warden, Book 1) Ian Douglas, 2020-07-09 The explosive opening of a new military SF adventure from the author of the Legacy Trilogy and the Star Carrier series. THE TRUTH HAS ALWAYS BEEN HERE

the battle of dulce base: The Chosen Generation Thomas Sukutai Bvuma, 2021-05 Nyika Yababa belongs to the generation of boys and girls who exchanged school and jobs for the Zimbabwe revolution. Through much suffering, sacrifice and adventure, they wallop the Rhodesians and

liberate Zimbabwe. Yet that chosen generation of freedom fighters fails to manage it's country's economy, which pressures millions of Zimbabwe's next generation to abandon their country in search of jobs in foreign countries. Masara Junior accuses his father, Nyika Yababa, and his chosen generation of being new slave traders who bleed the country of its best brains and ablest bodies.

the battle of dulce base: Underground Alien Bases Commander X, 1990 Bizarre stories about alien underground bases and first-hand reports from people who have been abducted, and survived genetic experiments.

the battle of dulce base: Welcome to the Future Megan Rose, 2021-11 This is the story of Megan Rose who was abducted twice by malevolent extra-terrestrials and rescued by benevolent Nordic aliens. She kept in touch with her rescuer and has brought in this book, the story of a galactic war on planet earth, as explained by her Nordic friends from the stars. The people of earth have falsely been led to believe that aliens don't exist. The knowledge of extra-terrestrial life in this solar system is imperative to the understanding of earth's past, present and future. Through the awakening of humanity to the existence of extra-terrestrial life, a new era is birthed for all inhabitants of the planet and this galaxy. Welcome to the Future.
