Background of the Steve Jobs Book by Walter Isaacson

The Steve Jobs book by Walter Isaacson stands out as the definitive biography of Apple's co-founder. Published in October 2011, shortly after Jobs' passing, the book was commissioned by Jobs himself. He selected Isaacson due to his reputation for producing thorough and well-researched biographies, including those of Albert Einstein and Benjamin Franklin. Unlike typical authorized biographies, Jobs gave Isaacson unprecedented access but did not seek editorial control, ensuring a candid and balanced portrayal.

Isaacson conducted over forty interviews with Steve Jobs over two years, along with conversations with more than a hundred family members, friends, competitors, and colleagues. This extensive research provided a detailed and nuanced perspective on Jobs' complex character, visionary drive, and turbulent relationships. The result is a book that offers unique insights into the mind of one of the most fascinating figures in technology history.

About Walter Isaacson: The Biographer

Walter Isaacson is an acclaimed American author, journalist, and professor, known for his insightful biographies of prominent historical figures. Before writing the Steve Jobs biography, Isaacson served as chairman and CEO of CNN and the editor of Time magazine. His previous works include bestsellers on Benjamin Franklin, Albert Einstein, and Leonardo da Vinci.

Isaacson's approach to biography is marked by rigorous research and balanced storytelling. His ability to weave together personal anecdotes, professional achievements, and cultural context made him the perfect choice for chronicling Steve Jobs' life. Isaacson's writing style is both accessible and authoritative, making complex subjects engaging for a broad audience.

Key Themes in the Steve Jobs Biography

The Steve Jobs book by Walter Isaacson delves into several recurring themes that define Jobs' life and career. These themes provide readers with a deeper understanding of what drove Jobs to reshape industries and create revolutionary products.

Innovation and Creativity

Jobs was renowned for his relentless pursuit of innovation and perfection. The biography highlights how his passion for design, aesthetics, and user experience set Apple apart from its competitors. Jobs' insistence on simplicity and elegance led to groundbreaking products like the iPhone, iPad, and MacBook.

Pursuit of Excellence

Throughout his career, Jobs demanded the highest standards from himself and those around him. Isaacson's book reveals how this drive often resulted in both remarkable achievements and challenging workplace dynamics.

Personal Struggles and Redemption

The biography does not shy away from Jobs' flaws, including his temperamental nature and difficult relationships. His journey from being ousted from Apple to returning and leading the company to unprecedented success is a central narrative in the book.

- Innovation and product design
- Leadership challenges
- Personal growth and relationships

- Business strategy and vision

Steve Jobs' Leadership and Innovation

Steve Jobs' unique leadership style is a major focus of Walter Isaacson's biography. Jobs was known for his ability to inspire, challenge, and sometimes intimidate those around him. His vision for Apple was not only about creating products, but about transforming entire industries.

Visionary Leadership

Jobs' foresight allowed him to anticipate consumer needs and trends before they became mainstream. He emphasized the importance of integrating hardware and software, leading to Apple's seamless ecosystem.

Demanding Perfection

Isaacson describes Jobs as a perfectionist who scrutinized every detail of Apple's products. This approach sometimes led to tension within teams, but it also produced devices that set new standards in technology.

Embracing Failure

Jobs' career included notable setbacks, such as his departure from Apple in 1985. However, Isaacson illustrates how Jobs used these failures as learning opportunities, eventually returning to Apple to guide it to global dominance.

Personal Life and Relationships Explored

The Steve Jobs biography by Walter Isaacson offers a candid look at Jobs' personal life, exploring his relationships with family, friends, and colleagues. Isaacson's interviews reveal a complex individual who could be both charismatic and difficult.

Family and Upbringing

Jobs' early life, adoption, and formative years are thoroughly examined. The book discusses how his experiences shaped his worldview and contributed to his relentless drive.

Interpersonal Dynamics

Isaacson provides insight into Jobs' relationships with business partners like Steve Wozniak, as well as his interactions with employees at Apple and Pixar. Jobs' intensity and passion often resulted in strained but productive collaborations.

Personal Struggles

Jobs' battle with illness, his approach to fatherhood, and his personal beliefs are explored with sensitivity and depth. Isaacson's biography does not shy away from the contradictions and complexities in Jobs' character.

Critical Reception and Public Response

Upon its release, the Steve Jobs book by Walter Isaacson received widespread attention and acclaim. Critics praised the book for its comprehensive research and honest portrayal of Jobs, while some noted its unflinching depiction of his flaws.

Acclaim and Awards

The biography quickly became a bestseller, topping charts around the world. Reviewers highlighted Isaacson's ability to capture both the genius and the challenges of Steve Jobs' leadership style.

Criticism and Controversy

Some critics questioned whether the book focused too heavily on Jobs' negative traits, while others appreciated the balanced narrative. The book sparked discussions about the nature of leadership and innovation in the tech industry.

Public Influence

The biography inspired countless entrepreneurs, business leaders, and creative professionals. It also contributed to the enduring public fascination with Steve Jobs' legacy.

The Lasting Impact of the Steve Jobs Book

The Steve Jobs book by Walter Isaacson has had a significant and ongoing impact on readers and the business world. It has become required reading in business schools and is often cited as a source of inspiration for leaders in

various industries.

The book's insights into innovation, leadership, and personal growth have influenced countless individuals and organizations. By providing a detailed account of Jobs' life, Isaacson's biography continues to shape how people understand and emulate successful leadership.

Why the Book Is Essential Reading

Walter Isaacson's Steve Jobs biography stands as a comprehensive resource for understanding the man behind Apple's success. It offers valuable lessons for aspiring entrepreneurs, business executives, and anyone interested in the intersection of technology and creativity.

The book's thorough research, engaging storytelling, and candid exploration of Jobs' life make it an essential read for those seeking inspiration and insight. Whether examining Jobs' innovative approach, his leadership style, or his personal journey, Isaacson's biography provides a lasting contribution to the literature of business and technology.

Q: What makes the Steve Jobs book by Walter Isaacson different from other biographies?

A: The Steve Jobs book by Walter Isaacson stands out due to its unprecedented access to Jobs, including over forty interviews with him and more than one hundred interviews with family, friends, and colleagues. Isaacson provides a balanced, well-researched, and intimate portrayal that covers both Jobs' successes and personal challenges.

Q: How did Walter Isaacson approach writing the Steve Jobs biography?

A: Isaacson approached the biography with journalistic rigor, conducting extensive interviews and research. He maintained editorial independence, ensuring the book presented an honest and multifaceted perspective on Jobs' life, personality, and career.

Q: What are the key themes explored in the Steve Jobs book by Walter Isaacson?

A: Major themes include innovation and creativity, the pursuit of excellence, leadership and vision, personal struggles and growth, and the impact of Jobs' work on the technology industry and popular culture.

Q: Why did Steve Jobs choose Walter Isaacson to write his biography?

A: Steve Jobs chose Walter Isaacson because of his reputation for thorough and insightful biographies of notable historical figures such as Albert Einstein and Benjamin Franklin. Jobs trusted Isaacson to provide a

comprehensive and honest account of his life.

Q: How has the Steve Jobs book by Walter Isaacson influenced business and technology leaders?

A: The biography has inspired entrepreneurs, executives, and innovators by offering lessons on visionary leadership, resilience, and the importance of creativity. It is often cited in business courses and leadership training programs worldwide.

Q: What personal aspects of Steve Jobs' life are covered in the biography?

A: Isaacson's biography covers Jobs' early life, family relationships, personal beliefs, and struggles with illness. It provides an in-depth look at his interpersonal dynamics and the complexities of his character.

Q: Was the Steve Jobs biography authorized by Jobs himself?

A: Yes, the biography was authorized by Steve Jobs. He gave Isaacson full access to his life and contacts but did not seek to control the content or have editorial influence over the book.

Q: What has been the critical response to the Steve Jobs book by Walter Isaacson?

A: The book received widespread acclaim for its depth, honesty, and engaging storytelling. Some critics noted its unfiltered portrayal of Jobs' flaws, but most praised its balanced and comprehensive approach.

Q: What impact did the book have on Steve Jobs' legacy?

A: Isaacson's biography helped cement Steve Jobs' legacy as a visionary and complex leader. It contributed to ongoing discussions about innovation, leadership, and the role of personality in business success.

Q: Where can readers find more information about the Steve Jobs book by Walter Isaacson?

A: Readers can access the book through major bookstores, libraries, and online retailers. The book is available in various formats, including print, e-book, and audiobook versions.

Steve Jobs Book Walter Isaacson: A Deep Dive into the Life and Legacy of a Tech Icon

Want to understand the mind behind Apple's revolutionary products and the enigmatic personality of Steve Jobs? Then look no further. This comprehensive guide delves into Walter Isaacson's acclaimed biography, "Steve Jobs," exploring its key insights, criticisms, and lasting impact. We'll unpack the book's compelling narrative, analyzing its strengths and weaknesses, and ultimately examining what it reveals about Jobs's life, leadership, and enduring influence on the tech world.

The Genesis of a Masterpiece: Understanding Walter Isaacson's "Steve Jobs"

Walter Isaacson's "Steve Jobs" isn't just another celebrity biography; it's a meticulously researched and deeply insightful portrait of a complex and contradictory figure. Published in 2011, shortly after Jobs's death, the book benefited from unprecedented access to Jobs himself, who granted Isaacson numerous interviews over two years. This intimate perspective, coupled with interviews with family, friends, colleagues, and competitors, provides an unparalleled look into Jobs's life and career.

Key Themes Explored in Isaacson's Biography: Beyond the Products

Isaacson's biography doesn't just chronicle the creation of the Macintosh, iPod, iPhone, and iPad. It delves into the underlying principles that drove Jobs's innovation and leadership style. Several key themes emerge:

1. The Pursuit of Perfection: A Defining Trait

The book vividly portrays Jobs's relentless pursuit of perfection, often at the expense of relationships and deadlines. His demanding nature, while pushing his teams to achieve greatness, also fostered a

culture of intense pressure and high stakes. Isaacson skillfully navigates this complexity, showing both the positive and negative consequences of Jobs's perfectionism.

2. The Importance of Design and User Experience

Isaacson highlights Jobs's unwavering focus on design and user experience. The book underscores how Jobs's meticulous attention to detail, his insistence on simplicity, and his deep understanding of human psychology shaped Apple's iconic products and their impact on the world.

3. The Power of Storytelling and Marketing

"Steve Jobs" reveals Jobs's masterful understanding of storytelling and marketing. He didn't just create products; he crafted narratives around them, fostering a sense of loyalty and devotion among consumers that transcended mere functionality.

4. The Complexities of Leadership and Relationships

The book doesn't shy away from portraying Jobs's flaws. His demanding personality, volatile temper, and often ruthless business tactics are documented in detail. Isaacson explores the tension between Jobs's genius and his challenging personality, showing the impact this had on his personal and professional relationships.

Strengths and Weaknesses of the Biography

While widely praised, "Steve Jobs" is not without its critics.

Strengths:

Unprecedented access: The interviews with Jobs himself provide a unique and intimate perspective.

Comprehensive scope: The book covers Jobs's entire life and career, from his early years to his final days.

Detailed analysis: Isaacson skillfully analyzes Jobs's leadership style, design philosophy, and business strategies.

Weaknesses:

Potential bias: Given the close collaboration with Jobs, some argue that the biography presents a somewhat sanitized view of his personality and actions.

Limited perspective: Critics point to a lack of diversity in perspectives, with a focus primarily on Jobs's close circle.

The Enduring Legacy: Why "Steve Jobs" Remains Essential

Reading

Despite its criticisms, "Steve Jobs" remains a compelling and insightful biography. It offers invaluable lessons in leadership, innovation, and the power of design. It provides a rich understanding of the forces that shaped one of the most influential figures in modern technology, and its impact on the way we live and interact with technology is undeniable. The book continues to inspire entrepreneurs, designers, and anyone interested in the intersection of technology, creativity, and human ambition. Reading it offers a glimpse not just into the life of Steve Jobs, but into the very fabric of the digital age we inhabit.

Conclusion

Walter Isaacson's "Steve Jobs" is more than just a biography; it's a compelling narrative that explores the complexities of genius, leadership, and the pursuit of perfection. While not without its flaws, the book's insightful analysis, coupled with unprecedented access to its subject, makes it an essential read for anyone interested in understanding the life and legacy of Steve Jobs and the profound impact he had on the world.

FAQs

1. Is the Steve Jobs book suitable for someone with limited knowledge of technology? Yes, while it touches upon technical aspects, the book's focus is primarily on Jobs's personality, leadership, and business strategies, making it accessible to a wide audience.
2. How long does it take to read the Steve Jobs book? The book is substantial, around 600 pages. Reading time depends on individual reading speed, but plan for several days or weeks of dedicated reading.
3. Are there any other books recommended for further reading on Steve Jobs? Yes, several other biographies and books analyze Jobs's life and work from different perspectives. Researching those can offer a richer, more nuanced understanding.
4. What is the best edition of the Steve Jobs book to purchase? While various editions exist, the original hardcover or a well-reviewed paperback should suffice. Look for positive customer reviews when choosing.
5. Did Steve Jobs approve of the book before its publication? While Jobs collaborated extensively with Isaacson, granting numerous interviews, he sadly passed away before the book's publication. Therefore, he didn't have the opportunity to offer final approval on the manuscript.

steve jobs book walter isaacson: Steve Jobs Walter Isaacson, 2011 Based on more than 40 interviews with Jobs conducted over two years--as well as interviews with more than 100 family members, friends, adversaries, competitors, and colleagues--Isaacson has written a riveting story of the roller-coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing.

steve jobs book walter isaacson: The Wise Men Walter Isaacson, Evan Thomas, 1997-06-04 A captivating blend of personal biography and public drama, *The Wise Men* introduces the original best and brightest, leaders whose outsized personalities and actions brought order to postwar chaos: Averell Harriman, the freewheeling diplomat and Roosevelt's special envoy to Churchill and Stalin; Dean Acheson, the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall; George Kennan, self-cast outsider and intellectual darling of the Washington elite; Robert Lovett, assistant secretary of war, undersecretary of state, and secretary of defense throughout the formative years of the Cold War; John McCloy, one of the nation's most influential private citizens; and Charles Bohlen, adroit diplomat and ambassador to the Soviet Union.

steve jobs book walter isaacson: Becoming Steve Jobs Brent Schlender, Rick Tetzeli, 2015-03-24 THE SUNDAY TIMES AND #1 INTERNATIONAL BESTSELLER - with a new foreword by Silicon Valley legend Marc Andreessen. 'For my money, a better book about Jobs than Walter Isaacson's biography' New Yorker 'A fascinating reinterpretation of the Steve Jobs story' Sunday Times We all think we know who Steve Jobs was, what made him tick, and what made him succeed. Yet the single most important question about him has never been answered. The young, impulsive, egotistical genius was ousted in the mid-80s from the company he founded, exiled from his own kingdom and cast into the wilderness. Yet he returned a decade later to transform the ailing Apple into the most successful company the world had ever seen. How did this reckless upstart transform himself into a visionary business leader? The first comprehensive study of Jobs' career following his dismissal from Apple, written with unparalleled access and insight, *BECOMING STEVE JOBS* offers a startling new portrait of the most important business figure in modern history. The most intimate biography yet of Jobs, written by the journalist who knew him better than any other, *BECOMING STEVE JOBS* draws on recently discovered interviews that have never before seen the light of day, and answers for the first time the most pressing questions about what made this legendary business leader such a success.

steve jobs book walter isaacson: Steve Jobs The Man Who Thought Different Karen Blumenthal, 2012-02-16 An unauthorized/unofficial biography--T.p. verso.

steve jobs book walter isaacson: Steve Jobs Walter Isaacson, 2011-10-24 'This is a riveting book, with as much to say about the transformation of modern life in the information age as about its supernaturally gifted and driven subject' - Telegraph Based on more than forty interviews with Steve Jobs conducted over two years - as well as interviews with more than a hundred family members, friends, adversaries, competitors, and colleagues - this is the acclaimed, internationally bestselling biography of the ultimate icon of inventiveness. Walter Isaacson tells the story of the rollercoaster life and searingly intense personality of creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing. Although Jobs cooperated with this book, he asked for no control over what was written, nor even the right to read it before it was published. He put nothing off limits. He encouraged the people he knew to speak honestly. And Jobs speaks candidly, sometimes brutally so, about the people he worked with and competed against. His friends, foes, and colleagues provide an unvarnished view of the passions, perfectionism, obsessions, artistry, devilry, and compulsion for control that shaped his approach to business and the innovative products that resulted.

steve jobs book walter isaacson: The Biography Collection Steven Bowen, 2018-08-15 This Biography Collection includes the following biographies: Benjamin Franklin, Nikola Tesla, Henry

Ford, J.P. Morgan, John D. Rockefeller, Thomas Edison

steve jobs book walter isaacson: Exploring Raspberry Pi Derek Molloy, 2016-06-09 Expand Raspberry Pi capabilities with fundamental engineering principles Exploring Raspberry Pi is the innovators guide to bringing Raspberry Pi to life. This book favors engineering principles over a 'recipe' approach to give you the skills you need to design and build your own projects. You'll understand the fundamental principles in a way that transfers to any type of electronics, electronic modules, or external peripherals, using a learning by doing approach that caters to both beginners and experts. The book begins with basic Linux and programming skills, and helps you stock your inventory with common parts and supplies. Next, you'll learn how to make parts work together to achieve the goals of your project, no matter what type of components you use. The companion website provides a full repository that structures all of the code and scripts, along with links to video tutorials and supplementary content that takes you deeper into your project. The Raspberry Pi's most famous feature is its adaptability. It can be used for thousands of electronic applications, and using the Linux OS expands the functionality even more. This book helps you get the most from your Raspberry Pi, but it also gives you the fundamental engineering skills you need to incorporate any electronics into any project. Develop the Linux and programming skills you need to build basic applications Build your inventory of parts so you can always make it work Understand interfacing, controlling, and communicating with almost any component Explore advanced applications with video, audio, real-world interactions, and more Be free to adapt and create with Exploring Raspberry Pi.

steve jobs book walter isaacson: Kissinger Walter Isaacson, 2013-05-21 The definitive biography of Secretary of State Henry Kissinger and how his ideas still resonate in the world today from the bestselling author of Leonardo da Vinci and Steve Jobs. By the time Henry Kissinger was made secretary of state in 1973, he had become, according to the Gallup Poll, the most admired person in America and one of the most unlikely celebrities ever to capture the world's imagination. Yet Kissinger was also reviled by large segments of the American public, ranging from liberal intellectuals to conservative activists. Kissinger explores the relationship between this complex man's personality and the foreign policy he pursued. Drawing on extensive interviews with Kissinger as well as 150 other sources, including US presidents and his business clients, this first full-length biography makes use of many of Kissinger's private papers and classified memos to tell his uniquely American story. The result is an intimate narrative, filled with surprising revelations, that takes this grandly colorful statesman from his childhood as a persecuted Jew in Nazi Germany, through his tortured relationship with Richard Nixon, to his later years as a globe-trotting business consultant.

steve jobs book walter isaacson: Frederick Douglass David W. Blight, 2020-01-07 * Selected as One of the Best Books of the 21st Century by The New York Times * Winner of the Pulitzer Prize in History * "Extraordinary...a great American biography" (The New Yorker) of the most important African American of the 19th century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818-1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells

the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

steve jobs book walter isaacson: *The Bite in the Apple* Chrisann Brennan, 2013-10-29 An intimate look at the life of Steve Jobs by the mother of his first child providing rare insight into Jobs's formative, lesser-known years. Steve Jobs was a remarkable man who wanted to unify the world through technology. For him, the point was to set people free with tools to explore their own unique creativity. Chrisann Brennan knows this better than anyone. She met him in high school, at a time when Jobs was passionately aware that there was something much bigger to be had out of life, and that new kinds of revelations were within reach. *The Bite in the Apple* is the very human tale of Jobs's ascent and the toll it took, told from the author's unique perspective as his first girlfriend, co-parent, friend, and—like many others—object of his cruelty. Brennan writes with depth and breadth, and she doesn't buy into all the hype. She talks with passion about an idealistic young man who was driven to change the world, about a young father who denied his own child, and about a man who mistook power for love. Chrisann Brennan's intimate memoir provides the reader with a human dimension to Jobs' myth. Finally, a book that reveals a more real Steve Jobs.

steve jobs book walter isaacson: *Revolution in The Valley* [Paperback] Andy Hertzfeld, Steve Capps, 2005 Subtitle on spine: The insanely great story of how the Mac was made.

steve jobs book walter isaacson: *Walter Isaacson Great Innovators e-book boxed set* Walter Isaacson, 2011-10-24 This includes the exclusive biography of Steve Jobs and bestselling biographies Benjamin Franklin and Einstein.

steve jobs book walter isaacson: *Steve Jobs: Insanely Great* Jessie Hartland, 2015-08-03 This biography in graphic novel format is at once stylish, irreverent, and smart-like Steve Jobs himself. Presenting the story of the ultimate American entrepreneur and perhaps the most influential individual of our time, this unique and groundbreaking book is sure to appeal to the legions of readers who live and breathe in the techno-centric world Jobs created. Jobs's remarkable life reads like a history of the personal technology industry. He started Apple Computer in his parents' garage when he was twenty-one years old and then molded it into the world's most valuable business. He became the tastemaker of a generation, creating products we couldn't live without while revolutionizing the music, phone, and tablet computer industries in the process. Capturing his unparalleled brilliance, as well as his many demons, Jessie Hartland's innovative biography illuminates the meteoric successes, devastating setbacks, and myriad contradictions that make up the extraordinary life and legacy of the insanely great Steve Jobs.

steve jobs book walter isaacson: *The Big Picture* Sean Carroll, 2016-09-01 'Fascinating' - Brian Cox, Mail on Sunday Books of the Year Where are we? Who are we? Do our beliefs, hopes and dreams hold any significance out there in the void? Can human purpose and meaning ever fit into a scientific worldview? Award-winning author Sean Carroll brings his extraordinary intellect to bear on the realms of knowledge, the laws of nature and the most profound questions about life, death and our place in it all. From Darwin and Einstein to the origins of life, consciousness and the universe itself, Carroll combines cosmos-sprawling science and profound thought in a quest to explain our world. Destined to sit alongside the works of our greatest thinkers, *The Big Picture* demonstrates that while our lives may be forever dwarfed by the immensity of the universe, they can be redeemed by our capacity to comprehend it and give it meaning.

steve jobs book walter isaacson: *The Innovators* Walter Isaacson, 2014 Chronicles the lives and careers of the men and women responsible for the creation of the digital age, including Doug Englebart, Robert Noyce, Bill Gates, Steve Jobs and more.

steve jobs book walter isaacson: *Lying* Sam Harris, 2013-10-23 As it was in Anna Karenina,

Madame Bovary, and Othello, so it is in life. Most forms of private vice and public evil are kindled and sustained by lies. Acts of adultery and other personal betrayals, financial fraud, government corruption—even murder and genocide—generally require an additional moral defect: a willingness to lie. In *Lying*, best-selling author and neuroscientist Sam Harris argues that we can radically simplify our lives and improve society by merely telling the truth in situations where others often lie. He focuses on white lies—those lies we tell for the purpose of sparing people discomfort—for these are the lies that most often tempt us. And they tend to be the only lies that good people tell while imagining that they are being good in the process.

steve jobs book walter isaacson: Einstein Walter Isaacson, 2008-09-04 NOW A MAJOR SERIES 'GENIUS' ON NATIONAL GEOGRAPHIC, PRODUCED BY RON HOWARD AND STARRING GEOFFREY RUSH Einstein is the great icon of our age: the kindly refugee from oppression whose wild halo of hair, twinkling eyes, engaging humanity and extraordinary brilliance made his face a symbol and his name a synonym for genius. He was a rebel and nonconformist from boyhood days. His character, creativity and imagination were related, and they drove both his life and his science. In this marvellously clear and accessible narrative, Walter Isaacson explains how his mind worked and the mysteries of the universe that he discovered. Einstein's success came from questioning conventional wisdom and marvelling at mysteries that struck others as mundane. This led him to embrace a worldview based on respect for free spirits and free individuals. All of which helped make Einstein into a rebel but with a reverence for the harmony of nature, one with just the right blend of imagination and wisdom to transform our understanding of the universe. This new biography, the first since all of Einstein's papers have become available, is the fullest picture yet of one of the key figures of the twentieth century. This is the first full biography of Albert Einstein since all of his papers have become available -- a fully realised portrait of this extraordinary human being, and great genius. Praise for EINSTEIN by Walter Isaacson:- 'YOU REALLY MUST READ THIS.' Sunday Times 'As pithy as Einstein himself.' New Scientist '[A] brilliant biography, rich with newly available archival material.' Literary Review 'Beautifully written, it renders the physics understandable.' Sunday Telegraph 'Isaacson is excellent at explaining the science.' Daily Express

steve jobs book walter isaacson: The Little Kingdom Michael Moritz, 1984 Portrays the growth of Apple Computer from a garage workshop run by its founders to a company of greater than \$1 billion annual sales.

steve jobs book walter isaacson: Leonardo da Vinci Walter Isaacson, 2017-10-17 The #1 New York Times bestseller from Walter Isaacson brings Leonardo da Vinci to life in this exciting new biography that is "a study in creativity: how to define it, how to achieve it...Most important, it is a powerful story of an exhilarating mind and life" (The New Yorker). Based on thousands of pages from Leonardo da Vinci's astonishing notebooks and new discoveries about his life and work, Walter Isaacson "deftly reveals an intimate Leonardo" (San Francisco Chronicle) in a narrative that connects his art to his science. He shows how Leonardo's genius was based on skills we can improve in ourselves, such as passionate curiosity, careful observation, and an imagination so playful that it flirted with fantasy. He produced the two most famous paintings in history, The Last Supper and the Mona Lisa. With a passion that sometimes became obsessive, he pursued innovative studies of anatomy, fossils, birds, the heart, flying machines, botany, geology, and weaponry. He explored the math of optics, showed how light rays strike the cornea, and produced illusions of changing perspectives in The Last Supper. His ability to stand at the crossroads of the humanities and the sciences, made iconic by his drawing of Vitruvian Man, made him history's most creative genius. In the "luminous" (Daily Beast) Leonardo da Vinci, Isaacson describes how Leonardo's delight at combining diverse passions remains the ultimate recipe for creativity. So, too, does his ease at being a bit of a misfit: illegitimate, gay, vegetarian, left-handed, easily distracted, and at times heretical. His life should remind us of the importance to be imaginative and, like talented rebels in any era, to think different. Here, da Vinci "comes to life in all his remarkable brilliance and oddity in Walter Isaacson's ambitious new biography...a vigorous, insightful portrait" (The Washington Post).

steve jobs book walter isaacson: Small Fry Lisa Brennan Jobs, 2019-12-09 "Dia menatapku

dari majalah-majalah, koran-koran, dan layar-layar di kota mana pun aku berada. Itu ayahku dan tidak ada yang tahu, tapi itulah kenyataannya. Bagaimana sedihnya ditolak ayah sendiri? Getirnya harus merahasiakan fakta bahwa ayahmu salah satu orang paling terkenal di dunia? Seperti sinetron, tapi ini kisah nyata. Lisa Brennan-Jobs, putri sulung Steve Jobs, pencipta merek komputer dan gawai ternama, harus menanggung krisis identitas diri parah selama bertahun-tahun akibat hubungan keluarga yang rumit dan tidak stabil. Chrisann, ibu kandung Lisa, dan Steve Jobs tidak pernah berencana memiliki anak di usia muda. Gaya hidup Chrisann sebagai seorang seniman cenderung bebas, dan kondisi ekonominya terbatas. Ketika hubungan Chrisann dan Lisa memburuk, Lisa memutuskan untuk tinggal bersama sang ayah, yang kaya raya namun sering bersikap dingin kepadanya. Lisa berusaha keras untuk menjadi anak baik dan berprestasi, demi mencecap kasih sayang sang ayah. Tapi Steve Jobs tetap menjaga jarak dengan putrinya, membuat Lisa kecewa. Terkoyak antara benci dan cinta, Lisa berjuang untuk memahami dan menerima siapa dirinya. Tujuh tahun setelah Steve Jobs tiada akibat kanker pankreas, Lisa menghimpun keberanian untuk berbagi kisah hidupnya yang kontroversial. Inilah Small Fry, kisah Lisa Brennan-Jobs, yang menurut New York Times ditulis dengan “indah sekaligus memilukan”. NELAYAN KETIGA. Master, aku bertanya-tanya bagaimana ikan hidup di laut. NELAYAN PERTAMA. Yah, seperti manusia hidup di darat; yang besar-besar menyantap yang kecil-kecil. Tak ada perbandingan yang lebih tepat untuk orang kaya yang kikir daripada seekor paus; hilir mudik kian kemari, memancing ikan-ikan kecil yang malang ke depannya, lalu akhirnya melahap mereka semua dalam sekali telan. Paus-paus semacam itu kerap kudengar di darat, yang tak pernah berhenti menganga sampai mereka sudah menelan seluruh paroki, gereja, menara, lonceng-lonceng, dan semuanya. —Shakespeare, Pericles Sungguh pengalaman aneh, menjadi sosok anonim yang berdiri di tengah hujan salju, dan menjadi pusat perhatian publik. —Saul Bellow, Humboldt’s Gift Tiga bulan sebelum dia meninggal, aku mulai mencuri barang-barang dari rumah ayahku. Aku berkeliaran tanpa alas kaki dan menyelipkan benda-benda ke dalam sakuku. Aku mengambil perona pipi, pasta gigi, dua mangkuk warna biru toska yang gompel, sebotol cat kuku, sepasang sandal balet usang, dan empat sarung bantal putih kusam. Setelah mencuri setiap benda, aku merasa puas. Aku berjanji pada diri sendiri bahwa ini akan menjadi yang terakhir. Namun, tak lama kemudian dorongan untuk mengambil benda lainnya kembali datang seperti dahaga. Aku berjingkat-jingkat memasuki kamar ayahku, berhati-hati agar tidak menginjak papan lantai yang berderit di ambang pintu. Kamar ini dulu ruang kerjanya, waktu dia masih kuat naik tangga, tapi dia tidur di sini sekarang. Kamar itu berantakan disesaki buku-buku, surat, dan botol-botol obat; apel-apel kaca, apel-apel kayu; berbagai penghargaan, majalah-majalah, dan bertumpuk-tumpuk kertas. Ada lukisan-lukisan berbingkai karya Hasui yang menggambarkan senja dan matahari terbenam di kuil-kuil. Sepetak cahaya merah muda terpentang di dinding di sampingnya. Dia berbaring bertopangkan bantal-bantal di tempat tidur, mengenakan celana pendek. Tungkainya telanjang dan sekurus lengan, menekuk seperti tungkai belalang. “Hai, Lis,” panggilnya. Segyu Rinpoche berdiri di sebelahnya. Akhir-akhir ini lelaki itu selalu ada saat aku datang berkunjung. Lelaki Brasil bertubuh pendek dengan mata cokelat berbinar, sang Rinpoche adalah biksu Buddha bersuara parau yang mengenakan jubah cokelat menutupi perut bulatnya. Kami memanggil lelaki itu dengan gelarnya. Zaman sekarang, orang-orang suci dari Tibet terkadang lahir di barat, di tempat-tempat seperti Brasil. Bagiku dia tidak “terlihat” suci—dia tidak tampak berjarak atau gaib. Di dekat kami, sebuah kantong kanvas hitam berisi zat gizi berdengung oleh mesin dan pompa, selangnya menghilang di suatu tempat di bawah seprai ayahku. “Menyentuh kakinya itu ide yang bagus,” Rinpoche berkata, meletakkan tangannya melingkari kaki ayahku di tempat tidur. “Seperti ini.” Aku tidak tahu apakah sentuhan kaki itu ide bagus untuk ayahku, atau untukku, atau untuk kami berdua. Oke,” kataku, lalu meraih satu kaki yang dibalut kaus kaki tebal, walaupun rasanya aneh ketika mengawasi wajah ayahku, karena saat dia mengernyit kesakitan atau marah kelihatannya sama seperti saat dia hendak tersenyum. “Rasanya enak,” kata ayahku sambil memejamkan mata. Aku melirik lemari laci di sampingnya dan rak-rak di sisi lain kamar itu, mencari benda-benda yang kuinginkan, walaupun aku tahu aku takkan berani mencuri di depan matanya. Selagi dia tidur, aku berkeliaran di sekeliling rumah, mencari-cari entah apa. Seorang perawat

duduk di sofa di ruang tamu, kedua tangan di pangkuan, bersiaga mendengarkan panggilan dari ayahku. Rumah itu sepi, suara-suara teredam, dinding batu bata bercat putih berlekuk-lekuk seperti bantal. Lantai terakota terasa sejuk di kakiku kecuali di bagian-bagian tempat matahari telah menghangatkannya menyamai suhu kulit. Dalam lemari di kamar mandi kecil dekat dapur, tempat dulunya ada satu edisi Bhagavad Gita yang sudah koyak-koyak, aku menemukan sebotol penyegar wajah mawar yang mahal. Dengan pintu tertutup, lampu dimatikan, duduk di penutup toilet, aku menyemprotkannya ke udara dan memejamkan mata. Percikannya jatuh di sekelilingku, sejuk dan suci, bagaikan di dalam hutan atau gereja batu tua. Selain itu, ada tabung perak lip gloss dengan sikat di salah satu ujungnya dan mekanisme pemutar di ujung satunya yang mengalirkan cairan ke tengah-tengah sikat. Aku harus memilikinya. Aku menjejalkan lip gloss itu ke dalam saku untuk kubawa pulang ke apartemen satu kamar di Greenwich Village yang kutempati bersama pacarku. Aku tahu pasti bahwa tabung lip gloss ini akan melengkapi hidupku. Di antara menghindari pembantu rumah tangga, adik-adikku, dan ibu tiriku di sepenjuru rumah supaya tidak ketahuan mencuri barang-barang, atau terluka saat mereka tidak memedulikanku atau membalas sapaanku, dan menyemprot diri sendiri dalam kamar mandi gelap agar aku tidak merasa terlalu menghilang—sebab di tengah tetes-tetes air yang berjatuhan aku merasa seakan-akan kembali mewujud. Berupaya menemui ayahku yang sakit di kamarnya mulai terasa seperti beban bagiku. Sepanjang tahun lalu aku berkunjung pada akhir pekan kurang lebih setiap dua bulan sekali. Aku sudah menyerah mengharapakan rekonsiliasi agung, seperti di film-film, tapi aku tetap saja datang. Di antara waktu kunjungan, aku melihat ayahku di mana-mana di New York. Aku melihatnya duduk dalam bioskop, lekuk leher yang sama persis sampai ke rahang dan tulang pipi. Aku melihatnya saat aku berlari menyusuri Sungai Hudson pada musim dingin, duduk di bangku menatap kapal-kapal di galangan; dan dalam perjalananku menaiki subway ke tempat kerja, melangkah pergi di peron menembus kerumunan. Para lelaki-lelaki kurus dengan kulit sewarna zaitun, jemari lentik, pergelangan tangan ramping, wajah berhias pangkal janggut yang kutemui di jalan, dari sudut-sudut tertentu, terlihat mirip dengannya. Setiap kali aku harus mendekat untuk mengecek, dengan jantung berdebar, walaupun aku tahu itu tidak mungkin dia karena dia sedang terbaring sakit di California. Sebelum ini, selama tahun-tahun yang kami lalui nyaris tanpa bicara, aku melihat fotonya di mana-mana. Melihat foto-foto itu memberiku perasaan ganjil. Rasanya sama seperti menangkap kilasan diriku dalam cermin di seberang ruangan dan mengira itu orang lain, lalu menyadari itu wajahku sendiri: Dia ada di sana, menatapku dari majalah-majalah, koran-koran, dan layar-layar di kota mana pun aku berada. Itu ayahku dan tidak ada yang tahu, tapi itulah kenyataannya. Sebelum berpamitan, aku pergi ke kamar mandi untuk menyemprotkan penyegar sekali lagi. Semprotan itu alami, yang artinya setelah beberapa menit berlalu aromanya tidak lagi tajam seperti mawar, tapi berbau busuk dan lembap seperti rawa, walaupun saat itu aku tidak menyadarinya. Sewaktu aku masuk ke kamarnya, Ayah tengah bersiap untuk berdiri. Aku mengamatnya menyatukan kedua tungkai dalam satu lengan, memutar tubuhnya sembilan puluh derajat dengan menekan kepala tempat tidur menggunakan lengan satunya, kemudian mengerahkan kedua lengan untuk mengangkat tungkainya melewati pinggiran tempat tidur dan memijak lantai. Ketika kami berpelukan, aku bisa merasakan tulang belakangnya, tulang rusuknya. Dia berbau apak, seperti keringat obat. “Nanti aku kembali lagi,” kataku. Kami melepaskan pelukan, dan aku mulai berjalan pergi. “Lis?” “Ya?” “Baumu seperti toilet.” [Mizan, Mizan Publishing, Qanita, Fiksi, Kisah, Keluarga, Dewasa, Indonesia]

steve jobs book walter isaacson: *Elon Musk* Ashlee Vance, 2017-01-24 Elon Musk is an inspirational role model for young entrepreneurs, breaking boundaries and revolutionising the tech-world. He is also the real-life inspiration for the Iron Man series of films, starring Robert Downey Junior. From his humble beginnings in apartheid South Africa, he showed himself to be an exceptionally bright child, and overcame brutal bullying to become the world's most exciting entrepreneur, founding PayPal, SpaceX, Tesla and Solar City. He has emerged as something of a superhero-like figure for today's generation of children. He's not only seen as an entrepreneur in the spirit of a Steve Jobs but as an inventor and bold thinker. He's the guy offering children the

possibility of a brighter, more exciting future and has come to symbolize innovation and optimism.

steve jobs book walter isaacson: *Meehan's Bartender Manual* Jim Meehan, 2017-10-17 "A knowledge-filled tome for true cocktail nerds or those aspiring to be" (Esquire), from one of the world's most acclaimed bartenders WINNER OF THE JAMES BEARD AWARD • WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD® FOR BEST NEW COCKTAIL OR BARTENDING BOOK • IACP AWARD FINALIST Meehan's Bartender Manual is acclaimed mixologist Jim Meehan's magnum opus—and the first book of the modern era to explain the bar industry from the inside out. With chapters that mix cocktail history with professional insights from experts all over the world, this deep dive covers it all: bar design, menu development, spirits production, drink mixing technique, the craft of service and art of hospitality, and more. The book also includes recipes for 100 cocktails culled from the classic canon and Meehan's own storied career. Each recipe reveals why Meehan makes these drinks the way he does, offering unprecedented access to a top bartender's creative process. Whether you're a professional looking to take your career to the next level or an enthusiastic amateur interested in understanding the how and why of mixology, Meehan's Bartender Manual is the definitive guide.

steve jobs book walter isaacson: *Zero to One* Blake Masters, Peter Thiel, 2014-09-18 WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of The Black Swan

steve jobs book walter isaacson: *The Match King* Frank Partnoy, 2010-03-09 At the height of the roaring '20s, Swedish 'migr' Ivar Kreuger made a fortune raising money in America and loaning it to Europe in exchange for matchstick monopolies. His enterprise was a rare success story throughout the Great Depression. Yet after Kreuger's suicide in 1932, the true nature of his empire emerged. Driven by success to adopt ever-more perilous practices, Kreuger had turned to shell companies in tax havens, fudged accounting figures, off-balance-sheet accounting, even forgery. He created a raft of innovative financial products -- many of them precursors to instruments wreaking havoc in today's markets. When his Wall Street empire collapsed, millions went bankrupt. Frank Partnoy, a frequent commentator on financial disaster for the Financial Times, New York Times, NPR, and CBS's 60 Minutes, recasts the life story of a remarkable yet forgotten genius in ways that force us to re-think our ideas about the wisdom of crowds, the invisible hand, and the free and unfettered market.

steve jobs book walter isaacson: *Anywhere But Here* Mona Simpson, 2014-06-26 Anywhere But Here is a moving, often comic portrait of wise child Ann August and her mother, Adele, a larger-than-life American dreamer. As they travel through the landscape of their often conflicting ambitions, Ann and Adele bring to life a novel that is a brilliant exploration of the perennial urge to keep moving, even at the risk of profound disorientation. Simpson's first novel is ultimately a heart-rendering tale of a mother and daughter's invaluable relationship.

steve jobs book walter isaacson: *I, Steve* George Beahm, 2011-11-01 Fortune magazine proclaimed Jobs 'the CEO of the decade'. Harvard Business Review called him 'the world's best-performing CEO'. And the Wall Street Journal praised him as a 'Person of the Decade'. The longtime CEO of Apple, Inc., which he co-founded in 1976, Steve Jobs stepped down from that role in August 2011, bringing an end to one of the greatest, most transformative business careers in history. Over the years, Jobs has given countless interviews to the media, explaining what he calls 'the vision thing' — his unmatched ability to envision, and successfully bring to the marketplace,

consumer products that people find simply irresistible. Drawn from more than three decades of media coverage — print, electronic, and online — this book serves up the best, most thought-provoking insights spoken by Steve Jobs: more than two hundred quotations that are essential reading for everyone who seeks innovative solutions applicable to their business, regardless of size. It's the perfect gift or reference item for everyone interested in this icon.

steve jobs book walter isaacson: Summary of Steve Jobs by Walter Isaacson Abbey Beathan, 2019-06-10 Steve Jobs by Walter Isaacson - Book Summary - Abbey Beathan (Disclaimer: This is NOT the original book.) Walter Isaacson, best-selling author comes back again with an exclusive biography of one of the most iconic entrepreneurs of all times: Steve Jobs. Walter Isaacson had the pleasure of doing a biography in the best way possible, talking to the protagonist of the book, Steve Jobs. Isaacson had not just one, but more than 40 interviews with Steve Jobs so he could gather enough information for his book. He also interviewed friends, family, colleagues and competitors. This is definitely the complete biography of Steve Jobs with all the exclusive details you could only get by speaking with the man himself. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) The best way to predict the future is to invent it. - Steve Jobs. Learn all there is to know about the man whose passion for perfection and unstoppable drive led him to completely change more than 6 industries and with the help of Tim Cook, made Apple the richest company. Filled with lessons on how to be a great leader and entrepreneur, this is a great title for anyone aiming for professional growth. Steve Jobs cooperated with this book, but he personally asked for no control over what is written. Nothing is off-limits on the biography of the tech genius, take a peek! P.S. Steve Jobs is a great book about one of the most important entrepreneurs in the world. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Amazing Refresher if you've read the original book before Priceless Checklist in case you missed out any crucial lessons/details Perfect Choice if you're interested in the original book but never read it before Disclaimer Once Again: This book is meant for a great companionship of the original book or to simply get the gist of the original book. One of the greatest and most powerful gift in life is the gift of knowledge. The way of success is the way of continuous pursuit of knowledge - Abbey Beathan

steve jobs book walter isaacson: Rescue Pilot John Funnell, 2016-10-03 The daring adventures of a New Zealand search and rescue pilot. 'Somewhere, up ahead, a person is bleeding, but you have to put that out of your mind. Your job is negotiating with time and space. You have your clock, that person has their own, and in the end, whether the rate at which your clock is clicking matches theirs is out of your control.' John Funnell is one of New Zealand's longest serving search and rescue pilots. Often referred to as a 'search and rescue daredevil', John has just retired after an incredible 49 years flying search and rescue helicopters. He is perhaps best-known for the 800-kilometre mission to save a scientist attacked by a shark on the remote sub-Antarctic Campbell Island, when he set off into the night knowing the distance was twice that of the helicopter's normal fuel range. Clocking an incredible 19,000 hours of flight time, John is a hero to hundreds of victims all over New Zealand. What's more, he's a natural-born story-teller, and his stories in *Rescue Pilot* are utterly gripping.

steve jobs book walter isaacson: Haunted Empire: Apple After Steve Jobs Yukari Iwatani Kane, 2014-03-01 An insightful, behind-the-scenes portrait of the technology giant Apple

steve jobs book walter isaacson: The Second Coming of Steve Jobs Alan Deutschman, 2001-12-18 From the acclaimed *Vanity Fair* and *GQ* journalist—an unprecedented, in-depth portrait of the man whose return to Apple precipitated one of the biggest turnarounds in business history. With a new epilogue on Apple's future survival in today's roller-coaster economy, here is the

revealing biography that blew away the critics and stirred controversy within industry and media circles around the country.

steve jobs book walter isaacson: The Battle for Pakistan Shuja Nawaz, 2020-04-10 The Battle for Pakistan showcases a marriage of convenience between unequal partners. The relationship between Pakistan and the United States since the early 1950s has been nothing less than a whiplash-inducing rollercoaster ride. Today, surrounded by hostile neighbors, with Afghanistan increasingly under Indian influence, Pakistan does not wish to break ties with the United States. Nor does it want to become a vassal of China and get caught in the vice of a US-China rivalry, or in the Arab-Iran conflict. Internally, massive economic and demographic challenges as well as the existential threat of armed militancy pose huge obstacles to Pakistan's development and growth. Could its short-run political miscalculations in the Obama years prove too costly? Can the erratic Trump administration help salvage this relationship? Based on detailed interviews with key US and South Asian leaders, access to secret documents and operations, and the author's personal relationships and deep knowledge of the region, this book untangles the complex web of the US-Pakistani relationship and identifies a clear path forward, showing how the United States can build better partnerships in troubled corners of the world.

steve jobs book walter isaacson: The Egypt Game Zilpha Keatley Snyder, 2012-10-23 The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code. Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

steve jobs book walter isaacson: The Everything Store: Jeff Bezos and the Age of Amazon Brad Stone, 2013-10-17 **Winner of the Financial Times and Goldman Sachs Business Book of the Year Award** 'Brad Stone's definitive book on Amazon and Bezos' The Guardian 'A masterclass in deeply researched investigative financial journalism . . . riveting' The Times The definitive story of the largest and most influential company in the world and the man whose drive and determination changed business forever. Though Amazon.com started off delivering books through the mail, its visionary founder, Jeff Bezos, was never content with being just a bookseller. He wanted Amazon to become 'the everything store', offering limitless selection and seductive convenience at disruptively low prices. To achieve that end, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now... Jeff Bezos stands out for his relentless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way that Henry Ford revolutionised manufacturing. Amazon placed one of the first and largest bets on the Internet. Nothing would ever be the same again.

steve jobs book walter isaacson: Summary of Do the Work by Steven Pressfield QuickRead, Lea Schullery, Overcome Resistance and Get Out of Your Own Way. Do you find yourself unable to finish a project? Perhaps your dream is to write a book, start a new business, or begin a new philanthropic endeavor. As you begin your new project, fear begins to seep in and you begin to self-sabotage. You procrastinate and begin to engage in self-doubt, these demons prohibit you from achieving your goals and pursuing your dreams. Unfortunately, many of us find ourselves in this position quite often. But where does this inner resistance come from and why is it consistently stopping us from accomplishing more? Throughout Do the Work, Steven Pressfield aims to teach you everything you need to know to identify these causes of resistance and how to stop it from taking over. You'll learn the various techniques you need to overcome the resistance, get back to work and finally turn your dreams into a reality. As you read, you'll learn how arrogance and ignorance are your allies, you'll discover how to slay a dragon, and finally, you'll understand why failure leads to success. steve jobs book walter isaacson: Life 3.0 Max Tegmark, 2017-08-29 'This is the most important conversation of our time, and Tegmark's thought-provoking book will help you join it' Stephen Hawking THE INTERNATIONAL BESTSELLER. DAILY TELEGRAPH AND THE TIMES BOOKS OF THE YEAR SELECTED AS ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2018 AI is the future - but what will that future look like? Will superhuman intelligence be our slave, or become our god? Taking us to the heart of the latest thinking about AI, Max Tegmark, the MIT professor whose work has helped mainstream research on how to keep AI beneficial, separates myths from reality, utopias from dystopias, to explore the next phase of our existence. How can we grow our prosperity through automation, without leaving people lacking income or purpose? How can we ensure that future AI systems do what we want without crashing, malfunctioning or getting hacked? Should we fear an arms race in lethal autonomous weapons? Will AI help life flourish as never before, or will machines eventually outsmart us at all tasks, and even, perhaps, replace us altogether? 'This is a rich and visionary book and everyone should read it' The Times

steve jobs book walter isaacson: The Psychopath Test Jon Ronson, 2011-06-01 The Sunday Times top-ten bestseller from the author of The Men Who Stare at Goats The belly laughs come thick and fast - my God, he is funny . . . Ronson's new book is provocative and interesting, and you will, I guarantee, zip merrily through it Observer What if society wasn't fundamentally rational, but was motivated by insanity? This thought sets Jon Ronson on an utterly compelling adventure into the world of madness. Along the way, Jon meets psychopaths, those whose lives have been touched by madness and those whose job it is to diagnose it, including the influential psychologist who developed the Psychopath Test, from whom Jon learns the art of psychopath-spotting. A skill which seemingly reveals that madness could indeed be at the heart of everything . . . Combining Jon Ronson's trademark humour, charm and investigative incision, The Psychopath Test is both entertaining and honest, unearthing dangerous truths and asking serious questions about how we define normality in a world where we are increasingly judged by our maddest edges.

steve jobs book walter isaacson: Basics of Literary Criticism Dr. Vilas Salunke, 2010-07-01 Introduction to the theory literary Criticism

steve jobs book walter isaacson: A Regular Guy Mona Simpson, 2014-06-26 Mona Simpson's first two novels, *Anywhere But Here* and *The Lost Father*, won her literary renown and a wide following. Now, in her third novel, the narrator Ann Atassi has been replaced by a third-person narrator recounting the adventures of young Jane di Natali, but the theme remains the same: the search for, and the attempt to understand, the absent father. This time the father is a millionaire biotechnology magnate named Tom Owens. Into Owens's charmed life comes Jane, born out of wedlock, raised in communes, and now dispatched into his care by a mother who is no longer capable of providing it; Tom is far from ready for this responsibility. Fans of Simpson's previous novels will not be disappointed by this excursion into the cracked world of family relations.

steve jobs book walter isaacson: Beyond Nab End William Woodruff, 2003-01-02 The second volume of Woodruff's memoirs starts with him having arrived in Poplar in the early 1930s. On spec he turns up at a steel foundry and luckily gets a job. His digs are with an old couple in Bow where he has to share a single bed (head to toe) with their mentally retarded son. Life in the foundry is grim but William is indomitable. For recreation one day he cycles (then in the days before inflatable tyres) to Berkhamstead to try and track down an old girlfriend. She's not there and he has to return in a snowstorm - it takes him eight hours to get back to Poplar and then he has to get up three hours later to work at the foundry. Eventually he decides to 'get some leernin' and his first white collar job starts for the water board in ... Brettenham House! He continues to pursue his studies, finally winning a place at Ruskin College, Oxford. How the ex-steel worker became an Oxford academic - and William's concluding description of returning from the war to meet the son he's never seen - is deeply moving.

steve jobs book walter isaacson: *Insanely Simple* Ken Segall, 2012-04-26 'Simple can be harder than complex. You have to work hard to get your thinking clean to make it simple. But it's worth it in the end, because once you get there, you can move mountains' Steve Jobs, BusinessWeek, May 25, 1998 To Steve Jobs, Simplicity wasn't just a design principle. It was a religion and a weapon. The obsession with Simplicity is what separates Apple from other technology companies. It's what helped Apple recover from near death in 1997 to become the most valuable company on Earth in 2011, and guides the way Apple is organized, how it designs products, and how it connects with customers. It's by crushing the forces of Complexity that the company remains on its stellar trajectory. As creative director, Ken Segall played a key role in Apple's resurrection, helping to create such critical campaigns as 'Think Different' and naming the iMac. *Insanely Simple* is his insider's view of Jobs' world. It reveals the ten elements of Simplicity that have driven Apple's success - which you can use to propel your own organisation. Reading *Insanely Simple*, you'll be a fly on the wall inside a conference room with Steve Jobs, and on the receiving end of his midnight phone calls. You'll understand how his obsession with Simplicity helped Apple perform better and faster.
