Overview of *The Expanse*

The Expanse is a critically acclaimed science fiction series adapted from the novels by James S.A. Corey. Set hundreds of years in the future, the story unfolds across the Solar System, highlighting political tensions, interplanetary conflict, and the struggle for survival. The show blends elements of hard science fiction with gripping drama, making it popular among genre enthusiasts and general audiences alike. Its complex

narrative structure and multifaceted characters create a rich viewing experience, but also bring mature themes to the forefront. Parents considering *The Expanse* for family viewing should be aware of its realistic portrayals of societal issues, including war, politics, and morality. This guide offers a clear breakdown of what to expect from the series in terms of content, tone, and educational value.

Age Rating and Suitability

Official Ratings and Recommendations

The Expanse is rated TV-14 or TV-MA depending on the season and territory. The TV-MA rating signifies that the series contains mature content suitable only for adults and older teens. The TV-14 rating suggests parental guidance is required for viewers under 14. These ratings reflect the show's frequent depiction of violence, strong language, and adult themes. Parents should review the ratings for each specific season or episode, as content intensity can vary.

Recommended Age Groups

Based on its content, *The Expanse* is best suited for viewers aged 16 and above. Younger teens may find some scenes disturbing or difficult to understand due to the show's complex political and ethical dilemmas. Parental discretion is strongly advised, especially for families with children under 16. Previewing episodes before family viewing is recommended to assess suitability.

Violence and Intense Scenes

Types of Violence Depicted

The Expanse contains frequent scenes of violence, including armed conflict, hand-to-hand combat, and occasional graphic injuries. These elements are integral to the story, reflecting the harsh realities of a future where political and military power struggles are common. The depiction of violence, though rarely gratuitous, is realistic and may be intense for sensitive viewers.

Impact on Young Audiences

Some episodes feature distressing imagery, such as explosions, deaths, and torture. While not every episode is equally graphic, parents should be aware that violence is a recurring motif. It is advisable to discuss these scenes with children and teens, providing context and guidance regarding the show's depiction of conflict and its consequences.

- Gun battles and space warfare
- Physical fights and injuries
- Scenes of death and loss
- Occasional torture or coercion
- Depictions of trauma and its aftermath

Language and Dialogue

Use of Profanity

The Expanse features moderate to strong language, including profanity and coarse expressions. The dialogue is authentic to the characters and situations, often reflecting the stress and tension of the show's universe. Swearing and slang occur regularly, particularly in high-stakes or emotional scenes.

Realism and Communication

While the language contributes to the realism of the series, parents should be aware of its frequency and context. Sensitive viewers may find some expressions inappropriate, especially younger teens. Watching the show together and discussing its mature dialogue can help families navigate these elements.

Sexual Content and Nudity

Depiction of Sexuality

Sexual content in The Expanse ranges from implied relationships to brief scenes of intimacy. Nudity is infrequent but present, often portrayed in a mature, non-exploitative manner. These scenes are generally relevant to character development or plot progression, rather than gratuitous.

What Parents Should Know

While most sexual content is not explicit, parents should be aware of occasional scenes that may be

considered inappropriate for younger viewers. These moments are usually brief but can feature partial nudity or suggestive situations. Monitoring episodes and discussing them openly with teens ensures a balanced viewing experience.

Themes and Moral Lessons

Exploration of Ethics and Morality

The Expanse is renowned for its exploration of complex moral and ethical dilemmas. Themes such as loyalty, justice, survival, and sacrifice are woven throughout the series. Characters are often faced with difficult choices, making the show a thought-provoking platform for discussions about right and wrong.

Political and Social Commentary

The show addresses relevant societal issues such as inequality, discrimination, and the abuse of power. Its narrative reflects real-world struggles, encouraging viewers to consider the consequences of political decisions and ethical stances. These themes make The Expanse suitable for older teens and adults interested in thoughtful science fiction.

Diversity and Representation

Portrayal of Different Cultures

The Expanse features a diverse cast and depicts multiple cultures, nationalities, and backgrounds. It breaks ground in representing people of color, varied languages, and unique social identities. The series avoids stereotypes, instead offering nuanced portrayals that reflect the complexity of its universe.

Gender and Identity

Strong female characters and varied gender identities are present throughout the show. Women occupy positions of power, leadership, and influence, contributing to the depth and realism of the narrative. The Expanse's commitment to diversity ensures that viewers encounter a wide spectrum of perspectives.

Educational Value of The Expanse

Science and Technology Accuracy

The Expanse is lauded for its attention to scientific detail and technological realism. The series incorporates accurate representations of space travel, physics, and engineering concepts. This focus provides viewers with an educational glimpse into possible futures and the challenges of interplanetary life.

Learning Opportunities

Beyond science, the show offers insight into political systems, diplomacy, and cultural interaction. Watching The Expanse can inspire interest in STEM fields, critical thinking, and ethical decision-making. Parents and educators may find the series useful for sparking discussions about real-world science and society.

Tips for Parents and Family Viewing

How to Approach Mature Content

Parents considering The Expanse for family viewing should preview episodes and be prepared to discuss challenging themes. Setting boundaries and establishing viewing guidelines ensures a safe and enjoyable experience.

Making the Most of the Series

Engage teens and older children in conversations about the show's ethical dilemmas, scientific concepts, and cultural representations. Use The Expanse as a springboard for learning and critical thinking, fostering open dialogue about its mature elements.

1. Preview episodes to assess content
2. Discuss mature themes and scenes with children
3. Set age-appropriate viewing guidelines
4. Encourage questions and dialogue about the story
5. Relate the series' lessons to real-life situations

Frequently Asked Questions

Q: What is the official age rating for The Expanse?

A: The Expanse is rated TV-14 or TV-MA depending on the season and territory, indicating that it contains mature content suitable for older teens and adults.

Q: Does The Expanse contain graphic violence?

A: Yes, The Expanse features frequent scenes of violence, including battles, injuries, and some graphic imagery that may be intense for sensitive viewers.

Q: Is there strong language in The Expanse?

A: The series includes moderate to strong language, with profanity and coarse expressions appearing regularly throughout its episodes.

Q: How much sexual content is in The Expanse?

A: Sexual content is present but not pervasive; it includes brief scenes of intimacy and occasional nudity, typically relevant to the plot or character development.

Q: Are the themes in The Expanse suitable for teenagers?

A: The Expanse explores mature themes such as politics, ethics, and morality, making it most appropriate for older teens (16+) and adults.

Q: Does The Expanse offer educational value?

A: Yes, the show presents accurate science and technology concepts, as well as insights into politics and society, contributing educational value for interested viewers.

Q: Is The Expanse diverse in terms of characters and culture?

A: The Expanse is recognized for its diverse cast and representation of different cultures, languages, and social identities.

Q: Can parents watch The Expanse with their children?

A: Parents can watch with older teens, but should preview episodes and discuss mature content to ensure appropriateness for their household.

Q: What should parents be most aware of when considering The Expanse?

A: Parents should be aware of the show's violence, language, sexual content, and complex themes, which may not be suitable for younger viewers.

Q: Does The Expanse promote positive moral lessons?

A: The series encourages viewers to think critically about ethics, loyalty, and justice, offering opportunities for meaningful family discussion about morality.

The Expanse Parents Guide: Is This Sci-Fi Epic Right for Your Family?

Are you considering letting your family watch The Expanse? This critically acclaimed sci-fi series boasts stunning visuals, complex characters, and a gripping narrative, but its mature themes might not be suitable for all ages. This comprehensive parents' guide will delve into the show's content, helping you decide if The Expanse is the right fit for your household. We'll explore the violence, language, sexual content, and thematic elements, providing a detailed assessment to inform your viewing decisions.

Violence in The Expanse

H2: Violence and Gore: The Expanse is not for the faint of heart. While the show doesn't revel in gratuitous gore, violence is a significant element throughout the series. Expect intense space battles with explosions, ship-to-ship combat resulting in significant destruction, and hand-to-hand fighting that can be quite brutal. Characters are frequently injured, and some deaths are depicted graphically. The level of violence escalates as the series progresses, particularly in later seasons. It's not cartoonish violence; it's portrayed realistically, making it potentially disturbing for younger viewers.

H3: Types of Violence: The violence isn't limited to physical combat. Psychological violence, manipulation, and political intrigue are also prevalent, often contributing to the overall tension and conflict. Characters face moral dilemmas and experience significant trauma, which can be upsetting for sensitive viewers.

Language and Sexual Content

H2: Profanity and Mature Language: While not overwhelmingly vulgar, The Expanse uses frequent strong language, including expletives and insults. The language reflects the harsh realities of the spacefaring societies depicted, adding to the realism but potentially making it unsuitable for younger audiences.

H3: Sexual Content and Intimacy: The show features adult themes, including sexual relationships and implications. While explicit scenes are relatively infrequent compared to the violence, the sexual content is realistically portrayed and generally occurs within the context of character relationships. It's important to note that some of these relationships are complex and potentially problematic, raising further concerns about suitability for younger viewers.

Thematic Elements and Complex Storylines

H2: Mature Themes and Complex Plots: Beyond the violence and language, The Expanse tackles complex themes that might be challenging for younger viewers to understand or process. These include political corruption, social injustice, religious fanaticism, class warfare, environmental disaster, and the ethical implications of advanced technology. The narrative itself is intricate and multifaceted, requiring a certain level of attention and comprehension.

H3: Suitable Age Range: Given the combination of violence, language, sexual content, and mature themes, The Expanse is likely only suitable for viewers aged 16 and older. Even then, parental guidance and discussions about the show's content are highly recommended. Younger teens might find certain aspects disturbing or confusing, while younger children should definitely avoid it altogether.

Parental Guidance and Discussion Points

H2: Engaging in Meaningful Conversations: Watching *The Expanse* as a family (if appropriate for your family's age range) presents opportunities for engaging discussions. Talking about the ethical dilemmas faced by characters, the consequences of violence and political maneuvering, and the social and environmental issues explored can lead to valuable conversations about real-world issues.

H3: Pre-Viewing Discussions: Before starting the show, it's a good idea to watch a few episodes yourself to gauge the level of content and prepare for potential discussions with your children. Setting ground rules for watching together and making sure everyone feels comfortable asking questions can make the viewing experience more positive and productive.

Conclusion

The Expanse is a brilliant and gripping sci-fi epic, but its mature content necessitates careful consideration before allowing younger viewers to watch it. The combination of violence, language, and complex themes makes it unsuitable for most children and younger teenagers. Parents should preview episodes and engage in open discussions with their children to ensure a safe and appropriate viewing experience. Weighing the show's compelling storytelling against its potentially disturbing content is crucial for making an informed decision about its suitability for your family.

FAQs

1. Is there a lot of swearing in *The Expanse*? Yes, while not constant, strong language is used regularly throughout the series.
2. Are the space battles very violent? Yes, space battles are intense and feature explosions and significant destruction, potentially disturbing for younger viewers.
3. What are the most mature themes explored in the show? The show explores themes such as political corruption, social injustice, religious fanaticism, class warfare, and environmental disaster.
4. Is *The Expanse* suitable for teenagers? It depends on the teenager's maturity level. For teenagers aged 16 and above, it might be suitable with parental guidance. Younger teens might find it disturbing.
5. Can I watch *The Expanse* with my 12-year-old? We strongly advise against it. The violence, language, and mature themes are not appropriate for a 12-year-old.

the expanse parents guide: *A Parents' Guide for Children's Questions* Benito Casados, 2010-07-16 Children by nature are curious about the world and people around them. As they grow older their level of awareness increases and questions begin to pour from their inquiring minds. Their questions maybe motivated by what they hear and see in their surroundings, what they see on television or what they are trying to learn in school. In most cases the burden of answering these

questions falls on the parents. Parents are busy people. Children want the answers right now. This guide will provide answers for many questions traditionally asked by children between the ages of eight and sixteen. This guide is published in E-Book format only and is intended to reside in your e-book reader so the information is easily accessed whether at home or on the road.

the expanse parents guide: *Shielding the Future: A Parent's Guide to Child Safety* Gracelyn G. the expanse parents guide: *Leviathan Wakes* James S. A. Corey, 2011-06-02 NOW A PRIME ORIGINAL SERIES *Leviathan Wakes* is the first book in the New York Times bestselling and Hugo-award winning *Expanse* series - over 7 million copies sold worldwide. 'Interplanetary adventure the way it ought to be' George R. R. Martin Humanity has colonised the solar system - Mars, the Moon, the Asteroid Belt and beyond - but the stars are still out of our reach. Jim Holden is an officer on an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew discover a derelict ship called the *Scopuli*, they suddenly find themselves in possession of a deadly secret. A secret that someone is willing to kill for, and on an unimaginable scale. War is coming to the system, unless Jim can find out who abandoned the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money - and money talks. When the trail leads him to the *Scopuli* and Holden, they both realise this girl may hold the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries and secret corporations, and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. The *Expanse* is the biggest science fiction series of the last decade and is now a major TV series. the expanse parents guide: *The Intelligent Parent's Guide to Faster Potty Training* Jacqueline Coe, 2013 Free up your time, enjoy your child and be the best parent I know you are able to be. I

know how potty training can be a bit of a nightmare for parents, so I have written this book to help parents learn the process of faster potty training. Parenting is such a wide arena that many say doesn't come with a handbook; however, the problem with taking too long over potty training will only add more pressure and stress to the already busy lives of the family. This is a crucial psychological stage in a child's life and, as parents: one, we need to recognise this and two, as the adults in their lives, we absolutely owe it to them to get it right! I hope, the insights written in this book, reach every parent and child across the world so they too are able to attain a fast and smooth transition through the potty training process. This is my wish for you.

the expanse parents guide: *A Very Large Expanse of Sea* Tahereh Mafi, 2018-10-16 Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the Shatter Me series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

the expanse parents guide: Love from A to Z S. K. Ali, 2019-04-30 A Today Show Read with Jenna Book Club Pick "The bighearted, wildly charming, painfully real love story I've been waiting for." —Becky Albertalli, New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda* From William C. Morris Award Finalist S.K. Ali comes a "heartfelt and powerful" (Kirkus Reviews, starred review) romance that's *The Sun Is Also a Star* meets *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

the expanse parents guide: The complete guide of etiquettes & manners for kids part 2 Akash Gopal Bagade, 2024-01-20 Greetings, Dear all readers (Kids and parents), Welcome to 'The complete guide of etiquettes & manners for kids' part - 2. I'm delighted to have you here, as your proactive commitment to initiating this extraordinary second part of 100 days course out of 400 days, complete with a range of highly effective activities, represents a substantial investment that will undoubtedly yield a rewarding return in terms of personal fulfillment. It is crucial to teach our children excellent manners and etiquette in a world that is becoming more connected and diverse. In order to raise well-rounded, responsible, and self-assured people, it is crucial to instill the timeless qualities of respect and grace. Everyday activities have been scheduled to ensure the engagement and interest of the children is maintained. 'The complete guide of etiquettes & manners for kids' part - 2': A Guide for all ages specially age 1 to 21 is a complete study of etiquettes & manners. In the empire of child development and psychology, it is imperative to highlight the deep significance of instilling good manners and etiquettes in children. These essential aspects of social behavior are not mere facts but rather fundamental building blocks that contribute significantly to a child's overall development and future success. As a global authority in child psychology, I underscore the essential role that children's etiquettes and manners play in facilitating mutual understanding between children and their parents. First and foremost, children's etiquettes and manners are necessary tools for effective communication. Politeness, respect, and consideration are the bases of civilized discourse. By teaching children how to express themselves politely and respectfully, parents pave the way for harmonious interactions within the family unit. When children are equipped with the ability to articulate their thoughts and feelings in a courteous manner, parents can better realize

their needs, fears, and desires, leading to enhanced empathy and understanding. Additionally, teaching children good manners instills discipline and self-control, two qualities that are invaluable in any developmental stage. By observing established social norms, children learn to regulate their impulses and emotions. This self-regulation not only aids in maintaining peace within the family but also contributes to a child's emotional intelligence. Parents who prioritize etiquette and manners in their child-rearing approach often find that their children are better equipped to handle stress, frustration, and conflict, thus fostering a deeper understanding between parent and child. A well-mannered child is also more likely to develop positive noble relationships. The social skills acquired through learning and practicing good etiquette enable children to navigate the complex ground of noble interactions with grace and ease. As children grow, they rely increasingly on friends for emotional support and friendship. By instilling good manners early on, parents empower their children to build healthy friendships, further enhancing their social and emotional development. A child who understands the importance of respecting others' boundaries and feelings is more likely to form lasting, meaningful connections with peers, which, in turn, can lead to increased parental insight into their child's social world. Children's etiquettes and manners also play an essential role in their academic success. In educational settings, politeness and respect are essential for productive learning environments. A child who respects their teachers, classmates, and school rules is more likely to excel academically. Moreover, children with good manners tend to be more cooperative, attentive, and open to learning, enabling parents to better comprehend their child's educational needs and aspirations. Effective communication between parents and teachers is paramount in ensuring a child's academic progress, and the presence of good manners facilitates this communication. As children progress through different stages of development, they encounter various challenges and opportunities for personal growth. It is essential for parents to be attuned to their child's evolving needs and emotions. Etiquette and manners serve as a compass, guiding children through these transitions while allowing parents to remain actively engaged and supportive. When children practice empathy, gratitude, and consideration, parents gain deeper insights into their child's values, beliefs, and character, fostering a profound bond of understanding and trust. children's etiquettes and manners are not superficial facts but essential components of their holistic development. These virtues prepare children with the tools necessary to navigate the complexities of social interactions, foster positive relationships, excel academically, and confront the challenges of personal growth. As parents, it is our responsibility to instill and reinforce these qualities in our children, not only for their benefit but also to enhance our mutual understanding and strengthen the parent-child bond. Through the cultivation of good manners and etiquettes, we lay the foundation for a brighter future filled with respect, empathy, and harmonious family dynamics. Proper etiquette and good manners are essential skills for children to develop as they grow. These social graces play a significant role in their personal, social, and future professional lives. Teaching children about etiquette and manners helps them build positive relationships, gain respect, and navigate various social situations with confidence. Teaching children about etiquette and manners is an investment in their social and personal development. These skills empower them to communicate effectively, build meaningful relationships, and succeed in various aspects of life, including their future careers. Parents play a crucial role in imparting these valuable lessons, helping their children become respectful, considerate, and confident individuals who positively contribute to society. In conclusion, 'The complete guide of etiquettes & manners for kids' part - 2' is more than just a book; it is a guide to fostering a future generation that is not only successful but also kind and respectful. Whether you are a parent, guardian, educator, or a young reader, this book serves as a valuable resource to instill timeless values and skills that will help navigate life's challenges with confidence and grace. We invite you to embark on this journey of discovery and personal growth, as we collectively endeavor to create a more sweet and polite world for generations to come. So, let's start this 100 day's unforgettable journey with us. All the best! "You cannot escape the responsibility of tomorrow by avoiding it today." - Akash Gopal Bagade

the expanse parents guide: *Girls with Sharp Sticks* Suzanne Young, 2020-02-18 "Enough plot

twists to give a reader whiplash.” —Cosmopolitan From New York Times bestselling author Suzanne Young comes the start of a thrilling, subversive new series about a girls-only boarding school with a terrifying secret and the friends who will stop at nothing to protect each other. Some of the prettiest flowers have the sharpest thorns. The Girls of Innovations Academy are beautiful and well-behaved—it says so on their report cards. Under the watchful gaze of their Guardian, they receive a well-rounded education that promises to make them better. Obedient girls, free from arrogance or defiance. Free from troublesome opinions or individual interests. But the girls’ carefully controlled existence may not be quite as it appears. As Mena and her friends uncover the dark secrets of what’s actually happening there—and who they really are—the girls of Innovations Academy will learn to fight back. Bringing the trademark plot twists and high-octane drama that made *The Program* a bestselling and award-winning series, Suzanne Young launches a new series that confronts some of today’s most pressing ethical questions.

the expanse parents guide: *The Transit Of Venus* Shirley Hazzard, 2020-12-10 Caro, gallant and adventurous, is one of two Australian sisters who have come to post-war England to seek their fortunes. Courtied long and hopelessly by young scientist, Ted Tice, she is to find that love brings passion, sorrow, betrayal and finally hope. The milder Grace seeks fulfilment in an apparently happy marriage. But as the decades pass and the characters weave in and out of each other's lives, love, death and two slow-burning secrets wait in ambush for them.

the expanse parents guide: *Truly Devious* Maureen Johnson, 2018-01-16 New York Times bestselling author Maureen Johnson weaves a delicate tale of murder and mystery in the first book of a striking new series, perfect for fans of Agatha Christie and E. Lockhart. Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. “A place,” he said, “where learning is a game.” Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym “Truly, Devious.” It became one of the great unsolved crimes of American history. True-crime aficionado Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan: She will solve this cold case. That is, she will solve the case when she gets a grip on her demanding new school life and her housemates: the inventor, the novelist, the actor, the artist, and the jokester. But something strange is happening. Truly Devious makes a surprise return, and death revisits Ellingham Academy. The past has crawled out of its grave. Someone has gotten away with murder. The two interwoven mysteries of this first book in the Truly Devious series dovetail brilliantly, and Stevie Bell will continue her relentless quest for the murderers in books two and three. Publishers Weekly Best Books of 2018 * Junior Library Guild Selection * 2019 YALSA Best Fiction for Young Adults Nomination * 2019 ALA's Best Fiction for Young Adults Nomination * Chicago Public Library Best of the Best Books 2018 * Goodreads Choice Award Nominee for Young Adult Fiction 2018 * 2018 Nerdy Book Club Young Adult Winner * Seventeen Best YA Book of 2018 * Lincoln Award Nominee * 2020-2021 South Carolina Book Awards Nominee * 2020 Pennsylvania Young Readers' Choice Award Winner

the expanse parents guide: *The Name of the Star (Shades of London, Book 1)* Maureen Johnson, 2011-09-29 Thrilling ghost-hunting teen mystery as modern-day London is plagued by a sudden outbreak of brutal murders that mimic the horrific crimes of Jack the Ripper. A gorgeously written, chilling, atmospheric thriller. The streets of London have never been so sinister or so romantic. Cassandra Clare, author of *THE MORTAL INSTRUMENTS*

the expanse parents guide: *The Man in the High Castle* Philip K. Dick, 2011 Slavery is back. America, 1962. Having lost a war, America finds itself under Nazi Germany and Japan occupation. A few Jews still live under assumed names. The 'I Ching' is prevalent in San Francisco. Science fiction meets serious ideas in this take on a possible alternate history.

the expanse parents guide: *Raising Boys to Be Good Men* Aaron Gouveia, 2020-06-16 If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical. —Peggy

Orenstein, New York Times bestselling author of *Boys & Sex* From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down man up culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like “man up” when they cry. They are told “boys will be boys” when they behave badly. The “Girl Power” movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that “girl” is not an insult and retire phrases like “boys will be boys” Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived advice, *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box.

the expanse parents guide: Artemis Andy Weir, 2020-01-30 Ever had a bad day? Try having one on the moon... 'Fascinating' Tim Peake, Sunday Times bestselling author of *Ask an Astronaut* _____ WELCOME TO ARTEMIS. The first city on the moon. Population 2,000. Mostly tourists. Some criminals. Jazz Bashara is one of the criminals. She lives in a poor area of Artemis and subsidises her work as a porter with smuggling contraband onto the moon. But it's not enough. So when she's offered the chance to make a lot of money she jumps at it. But though planning a crime in 1/6th gravity may be more fun, it's also a lot more dangerous. When you live on the moon, of course you have a dark side... _____ Andy Weir's new stunning science-based thriller PROJECT HAIL MARY is available now. _____ What everyone's saying about the follow-up to *The Martian*: 'A smart, fun, fast-paced adventure that you won't be able to put down' Ernest Cline, bestselling author of *Ready Player One* 'What a page turner!' Milda on Goodreads, 5 stars 'Fast paced, high octane and highly entertaining' Chrys on Netgalley, 5 stars 'Artemis does for the moon what *The Martian* did for Mars' Guardian 'A first rate thriller, this had me hooked from beginning to end' Robert on Netgalley, 5 stars 'An absolute must read' Lauren on Goodreads, 5 stars 'A clever and action-fuelled story' Culturefly 'For those who loved *The Martian*, you won't be disappointed' Liz on Netgalley, 5 stars

the expanse parents guide: Misfit in Love S. K. Ali, 2021-05-25 In this fun and fresh sequel to *Saints and Misfits*, Janna hopes her brother's wedding will be the perfect start to her own summer of love, but attractive new arrivals have her more confused than ever. Janna Yusuf is so excited for the weekend: her brother Muhammad's getting married, and she's reuniting with her mom, whom she's missed the whole summer. And Nuah's arriving for the weekend too. Sweet, constant Nuah. The last time she saw him, Janna wasn't ready to reciprocate his feelings for her. But things are different now. She's finished high school, ready for college...and ready for Nuah. It's time for Janna's (carefully planned) summer of love to begin—starting right at the wedding. But it wouldn't be a wedding if everything went according to plan. Muhammad's party choices aren't in line with his fiancée's taste at all, Janna's dad is acting strange, and her mom is spending more time with an old friend (and maybe love interest?) than Janna. And Nuah's treating her differently. Just when things couldn't get more complicated, two newcomers—the dreamy Haytham and brooding Layth—have Janna more confused than ever about what her misfit heart really wants. Janna's summer of love is turning out to be super crowded and painfully unpredictable.

the expanse parents guide: *Godzilla: Monsters & Protectors #1* Erik Burnham, 2021-04-21 Godzilla roars back into comics with a giant-sized first issue! Extra story and extra content mark the King of Monsters' triumphant return! "Rise Up!" Part 1: When a coldly single-minded businessman uses an untested element to create clean energy for a profit, he inadvertently awakens the beast from the deep—Godzilla! Sensing the harm the new energy poses to the planet, Godzilla attacks the heart of the problem—humankind! It will be up to three intrepid middle-school students—with a little magic help from Infant Island—to show Godzilla that not all humans are bad... and that there is still hope for Planet Earth. Reuniting the blockbuster creative team of writer Erik Burnham, artist Dan Schoening, and colorist Luis Antonio Delgado (*Ghostbusters*), *Godzilla: Monsters & Protectors* promises to romp and stomp fans—old and new—of the greatest kaiju ever like never before!

the expanse parents guide: *An Emotion of Great Delight* Tahereh Mafi, 2021-06-01 From bestselling and National Book Award-nominated author Tahereh Mafi comes a stunning novel about love and loneliness, navigating the hyphen of dual identity, and reclaiming your right to joy—even when you're trapped in the amber of sorrow. It's 2003, several months since the US officially declared war on Iraq, and the American political world has evolved. Tensions are high, hate crimes are on the rise, FBI agents are infiltrating local mosques, and the Muslim community is harassed and targeted more than ever. Shadi, who wears hijab, keeps her head down. She's too busy drowning in her own troubles to find the time to deal with bigots. Shadi is named for joy, but she's haunted by sorrow. Her brother is dead, her father is dying, her mother is falling apart, and her best friend has mysteriously dropped out of her life. And then, of course, there's the small matter of her heart— It's broken. Shadi tries to navigate her crumbling world by soldiering through, saying nothing. She devours her own pain, each day retreating farther and farther inside herself until finally, one day, everything changes. She explodes. *An Emotion of Great Delight* is a searing look into the world of a single Muslim family in the wake of 9/11. It's about a child of immigrants forging a blurry identity, falling in love, and finding hope—in the midst of a modern war.

the expanse parents guide: *The Outliers (The Outliers, Book 1)* Kimberly McCreight, 2016-05-03 From New York Times bestselling author Kimberley McCreight comes the first book in a breathtakingly brilliant new trilogy, packed with tension, romance and thrilling twists and turns. They'll get inside your head...

the expanse parents guide: *A Step from Heaven* An Na, 2016-07-26 Originally published: Alpine, Texas: Front Street Press, 2001.

the expanse parents guide: *Voice Lessons for Parents* Wendy Mogel, 2019-04-09 New York Times bestselling author and host of the podcast *Nurture vs Nurture* Dr. Wendy Mogel "teaches parents the dialect needed to converse with their daughters and sons at every stage of life" (*Chicago Tribune*). Dr. Wendy Mogel, "one of the most astute psychologists on the planet (*Angela Duckworth*, New York Times bestselling author of *Grit*) observed a pattern in her practice: when parents speak to their children their pitch tends to rise, and they come across as pleading, indignant, wounded, outraged. Their tone and body language signal, I can't handle it when you act like a child. In response, Dr. Mogel developed a remarkably effective series of "voice lessons," for parents who were struggling to communicate. The results were immediate: a shift in vocal style led to calmer kids, who listened more attentively and responded with warmth, respect, and sincerity. In *Voice Lessons for Parents*, Mogel elaborates on her novel clinical approach, revealing how each age and stage of a child's life brings new opportunities to connect. Drawing from a range of sources including neuroscience, fairy tales, and anthropology, Mogel offers specific guidance for talking to children across the expanse of childhood and adolescence. She also explains the best ways to talk about your child to partners, exes, and grandparents, as well as to teachers, coaches, and caretakers. And she addresses the distraction of digital devices—how they impact our interactions with our families, and what we can do about it.

the expanse parents guide: *How It All Blew Up* Arvin Ahmadi, 2020-09-22 Arvin Ahmadi has written a novel that is authentic, hilarious and heart-wrenching all at once. A unique point of view combined with riveting storytelling, *How It All Blew Up* will grab you from the first page and won't

let go - Angie Thomas, #1 New York Times bestselling author of THE HATE U GIVE and ON THE COME UP Eighteen-year-old Amir Azadi always knew that coming out to his Muslim family would be messy, but he wasn't expecting it to end in an airport interrogation room. Now, he's telling his side of the story to the stern-faced officer. Amir has to explain why he ran away to Rome (boys, bullies, blackmail) and what he was doing there for a month (dates in the Sistine Chapel, friends who helped him accept who he is, and, of course, drama) . . . all while his mum, dad and little sister are being interrogated in the room next door. A nuanced take on growing up brown, Muslim and gay in today's America, HOW IT ALL BLEW UP is the story of one boy's struggle to come out to his family, and how that painful process exists right alongside his silly, sexy romp through Italy.

the expanse parents guide: The Sense of an Ending Julian Barnes, 2011-08-04 A monumental novel capturing how one man comes to terms with the mutable past. 'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph **Winner of the Man Booker Prize for Fiction** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove.

the expanse parents guide: Leviathan Wept and Other Stories Daniel Abraham, 2010 Presents a collection of high fantasy and science fiction stories, including The cambist and Lord Iron, Flat Diane, and Exclusion.

the expanse parents guide: Parenting for the Digital Generation Jon M. Garon, 2022-02-15 Parenting for the Digital Generation provides a practical handbook for parents, grandparents, teachers, and counselors who want to understand both the opportunities and the threats that exist for the generation of digital natives who are more familiar with a smartphone than they are with a paper book. This book provides straightforward, jargon-free information regarding the online environment and the experience in which children and young adults engage both inside and outside the classroom. The digital environment creates many challenges, some of which are largely the same as parents faced before the Internet, but others which are entirely new. Many children struggle to connect, and they underperform in the absence of the social and emotional support of a healthy learning environment. Parents must also help their children navigate a complex and occasionally dangerous online world. This book provides a step-by-step guide for parents seeking to raise happy, mature, creative, and well-adjusted children. The guide provides clear explanations of the keys to navigating as a parent in the online environment while providing practical strategies that do not look for dangers where there are only remote threats.

the expanse parents guide: The Hollow Inside Brooke Lauren Davis, 2022-10-04 A gripping and thought-provoking YA debut that's Sadie meets The Glass Castle, exploring loyalty, betrayal, gender dynamics, anger, and revenge, in a story about two generations of young women looking to reveal the truth.

the expanse parents guide: Tweak Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. Tweak is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's

parallel memoir, *Beautiful Boy*. Praise for Nic Sheff:- 'Difficult to read and impossible to put down.' *Chicago Tribune* 'Nic Sheff's wrenching tale is told with electrifying honesty and insight.'
Armistead Maupin

the expanse parents guide: *The Awakening of Malcolm X* Ilyasah Shabazz, Tiffany D. Jackson, 2021-01-05 *The Awakening of Malcolm X* is a powerful narrative account of the activist's adolescent years in jail, written by his daughter Ilyasah Shabazz along with 2019 Coretta Scott King-John Steptoe award-winning author, Tiffany D. Jackson. No one can be at peace until he has his freedom. In Charlestown Prison, Malcolm Little struggles with the weight of his past. Plagued by nightmares, Malcolm drifts through days, unsure of his future. Slowly, he befriends other prisoners and writes to his family. He reads all the books in the prison library, joins the debate team and the Nation of Islam. Malcolm grapples with race, politics, religion, and justice in the 1940s. And as his time in jail comes to an end, he begins to awaken -- emerging from prison more than just Malcolm Little: Now, he is Malcolm X. Here is an intimate look at Malcolm X's young adult years. While this book chronologically follows *X: A Novel*, it can be read as a stand-alone historical novel that invites larger discussions on black power, prison reform, and civil rights.

the expanse parents guide: *Three Truths and a Lie* Brent Hartinger, 2016-08-02 When friends Rob, Liam, Mia, and Galen gather for a weekend of fun deep in the forest, one is hiding a lie and not everyone will live to find out which one it is.

the expanse parents guide: *Changing the Game* John O'Sullivan, 2013-08-01 "A powerful guide for both parents and coaches who want kids to have fun, enjoyable, and meaningful youth sporting experiences . . . I highly recommend it!" —John Ballantine, president and co-founder, Kids in the Game The modern-day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. *Changing the Game* gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids. "Changing the Game is, well, a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat, and tears. Any parent who wants their children to gain the physical, psychological, emotional, and social benefits of what sport has to offer (and isn't that every parent!) better read this book. It will make you a better sports parent, and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports." —James Taylor, Ph.D., author of *Positive Pushing: How to Raise a Successful and Happy Child*

the expanse parents guide: *The Sins of Our Fathers* James S. A. Corey, 2022-03-15 The final novella set in the universe of James S. A. Corey's NYT-bestselling *Expanse* series.
