- The Real Prince Harry: Personality and Values

Early Life and Royal Upbringing

Prince Harry, born Henry Charles Albert David on September 15, 1984, instantly became one of the most recognized members of the British royal family. As the younger son of King Charles III and the late Princess Diana, his formative years were spent in the spotlight. Harry's upbringing was marked by both privilege and tragedy. He experienced a royal childhood filled with tradition, ceremonial duties, and intense media scrutiny.

Despite the grandeur of palace life, Harry faced profound emotional challenges, especially following the untimely death of his mother in 1997. This loss had a significant impact on his early development, shaping his empathetic nature and strengthening his resolve to support charitable causes.

Growing up alongside his older brother, Prince William, Harry learned the importance of duty, resilience, and public service from an early age.

- Son of King Charles III and Princess Diana
- Born at St Mary's Hospital, London
- Raised at Kensington Palace and Highgrove House
- Inherited the title of Duke of Sussex in 2018

Education and Personal Development

Schooling and Academic Journey

The real Prince Harry's education began at Jane Mynors' nursery school, followed by pre-preparatory schooling at the Wetherby School, and then the prestigious Ludgrove School. In 1998, he attended Eton College, following in the footsteps of many British aristocrats. Although he was not known for academic excellence, Harry displayed strong social skills and athletic talent, particularly in polo and rugby.

Gap Year and Global Exploration

After completing his studies at Eton, Harry took a gap year, which proved pivotal in broadening his perspective. He traveled to Australia to work on a cattle ranch and to Lesotho, where he volunteered with orphaned children. These experiences played a crucial role in shaping his sense of empathy and commitment to social causes, revealing a genuine desire to make a positive impact beyond royal obligations.

Military Service and Achievements

Joining the British Army

Prince Harry's decision to pursue a career in the military marked a significant turning point in his life. In 2005, he enrolled at the Royal Military Academy Sandhurst and commissioned into the Blues and Royals, a regiment of the British Army. The discipline and camaraderie of military life provided him with structure and purpose, helping him mature personally and professionally.

Deployments and Honors

Harry served two tours in Afghanistan, first as a forward air controller and later as an Apache helicopter pilot. His commitment to active service, despite the risks associated with his royal status, earned him respect from fellow soldiers and the public. Throughout his military career, he was decorated with several honors, including the Operational Service Medal for Afghanistan.

- Royal Military Academy Sandhurst graduate
- Served in Afghanistan
- Qualified Apache helicopter pilot
- Founded Invictus Games for wounded veterans

Public Image and Media Perception

Media Scrutiny and Challenges

The real Prince Harry's relationship with the media has been complex and often contentious. From childhood, he was hounded by paparazzi and tabloids, especially in the wake of his mother's death. As a teenager and young adult, Harry's occasional missteps, such as controversial photographs and public incidents, were extensively covered in the press, shaping his public image as a rebellious royal.

Transformation and Advocacy

Over time, Harry's image evolved as he embraced public service and advocacy. His openness about mental health struggles and his critique of press intrusion have resonated with many, helping to shift perceptions. By sharing his personal experiences, Harry has become a symbol of resilience and authenticity, challenging stereotypes about royalty.

1. Subject to intense media attention since childhood
2. Spoke out against press harassment
3. Advocated for mental health awareness
4. Rebranded as a modern, relatable royal

Philanthropy and Humanitarian Work

Charitable Foundations and Initiatives

Philanthropy is central to the real Prince Harry's public identity. Inspired by his mother's legacy, he has championed numerous charitable causes, focusing on vulnerable populations and global challenges. Harry co-founded Sentebale in 2006 to support children affected by HIV/AIDS in Lesotho and Botswana. He also launched the Invictus Games, an international sporting event for wounded servicemen and women.

Global Impact and Advocacy

Beyond these flagship initiatives, Harry has been involved in mental health campaigns, wildlife conservation, and landmine clearance efforts. He has worked closely with his wife, Meghan Markle, on projects promoting gender equality and community empowerment. His hands-on approach and willingness to engage directly with affected communities underscore his genuine commitment to humanitarian work.

- Co-founder of Sentebale
- Founder of Invictus Games
- Advocate for mental health, veterans, and children
- Supporter of environmental conservation

Marriage, Fatherhood, and Family Life

Relationship with Meghan Markle

Prince Harry's marriage to Meghan Markle in 2018 marked a new chapter in his life. Their relationship attracted global attention, partly due to Meghan's background as an American actress and their shared commitment to humanitarian causes. Together, they have challenged royal traditions and advocated for social justice, diversity, and mental health awareness.

Fatherhood and Parental Values

Harry and Meghan are parents to two children, Archie and Lilibet. Fatherhood has further influenced Harry's priorities, motivating him to create a safe and nurturing environment for his family. He has spoken publicly about the importance of protecting his children from media intrusion and raising them with empathy, respect, and resilience.

Life Beyond the Royal Family

Stepping Back from Royal Duties

In 2020, the real Prince Harry and Meghan Markle announced their decision to step back from their roles as senior royals. This move, dubbed "Megxit" by the media, led to significant changes in their personal and professional lives. The couple relocated to North America, aiming for financial independence and greater control over their public image.

Entrepreneurial Ventures and Advocacy

Since leaving royal duties, Harry has pursued various entrepreneurial and advocacy projects. He has produced documentaries, signed deals in the entertainment industry, and continued his charitable work through Archewell, the foundation he co-founded with Meghan. These ventures reflect his commitment to promoting mental health, social change, and community well-being.

- Stepped back from senior royal roles in 2020
- Relocated to the United States
- Founded Archewell foundation
- Engaged in media and advocacy projects

The Real Prince Harry: Personality and Values

Core Values and Beliefs

At the heart of the real Prince Harry's journey lies a set of core values shaped by his experiences and upbringing. He places high importance on

empathy, service, resilience, and authenticity. His willingness to speak openly about mental health and personal struggles has fostered greater understanding and reduced stigma around these issues.

Personal Interests and Passions

Harry's interests range from sports and adventure to wildlife conservation and storytelling. He is known for his sense of humor, approachability, and ability to connect with people from diverse backgrounds. These qualities have helped him forge a unique identity, distinguishing him from traditional royal archetypes.

1. Empathy and compassion
2. Commitment to service
3. Advocacy for mental health
4. Passion for wildlife and sports
5. Dedication to family

The Real Prince Harry: Beyond the Headlines and Royal Drama

Introduction:

Prince Harry. The name conjures immediate images: royal weddings, military service, a controversial departure from royal life. But behind the tabloid headlines and public pronouncements, who is the real Prince Harry? This in-depth exploration delves beyond the sensationalism, examining his life, motivations, and the complexities of a man navigating unprecedented challenges. We'll dissect his public persona, explore his philanthropic endeavors, and analyze the key events that have shaped his journey, offering a nuanced perspective on this fascinating and often misunderstood figure. Prepare to move beyond the surface-level narratives and discover the multifaceted individual behind the crown (or, in this case, the absence of one).

H2: A Troubled Youth and the Weight of Expectation

Harry's early life was deeply impacted by the tragic loss of his mother, Princess Diana. This formative experience cast a long shadow, shaping his personality and influencing his later decisions. The intense public scrutiny and the unrelenting pressure of royal life undoubtedly contributed to his struggles with mental health, something he's been increasingly open about in recent years. This vulnerability, often criticized in the past, has become a defining characteristic, allowing him to connect with a global audience grappling with similar issues.

H3: The Military Years: Finding Purpose and Identity

His service in the British Army provided a crucial period of stability and self-discovery. Away from the prying eyes of the media, Harry found a sense of purpose and camaraderie. His deployments to

Afghanistan allowed him to prove his worth on his own merit, far removed from his royal title. This period underscores a consistent theme in his life: a desire for authenticity and a rejection of solely relying on his privileged position.

H4: The Invictus Games: A Testament to Resilience

The Invictus Games, a Paralympic-style competition for wounded, injured, and sick servicemen and women, stand as a powerful testament to Harry's commitment to supporting veterans and promoting mental health awareness. This initiative is arguably his most significant contribution to society, showcasing his leadership qualities and unwavering dedication to a cause he deeply believes in. It's a project that transcends royal duties, revealing a compassionate and driven individual.

H2: Megxit and the Pursuit of Independence

The decision to step back from royal duties, often referred to as "Megxit," was arguably the most significant turning point in Harry's life. This bold move, while controversial, reflects his desire for autonomy and a life less constrained by royal protocol. This choice allowed him to pursue his own philanthropic initiatives and build a life on his own terms, even if it meant distancing himself from his family.

H3: Redefining Royalty: A New Chapter

Stepping away from the monarchy has allowed Harry to redefine what it means to be a prince in the 21st century. He's established himself as a prominent figure in the humanitarian space, working independently and partnering with organizations aligned with his values. This demonstrates a proactive approach to shaping his legacy beyond the confines of traditional royal responsibilities.

H2: The Ongoing Narrative: A Complex Legacy

Harry's journey is far from over. He continues to navigate the complexities of his relationship with the royal family, while simultaneously building his own life and pursuing his philanthropic goals. His story highlights the challenges of balancing personal desires with public expectations, particularly within the context of a deeply ingrained and highly scrutinized institution. The ongoing narrative remains one of adaptation, resilience, and the ongoing search for authenticity.

Conclusion:

The "real" Prince Harry is a multifaceted individual, shaped by both privilege and hardship. He's a man grappling with the weight of expectation, the trauma of loss, and the desire for independence. Through his military service, his philanthropic endeavors, and his highly publicized departure from royal life, he's revealed a complex character, one defined by resilience, compassion, and a steadfast commitment to his beliefs. While the headlines continue to focus on drama and controversy, the true essence of Prince Harry lies in his unwavering dedication to creating positive change in the world.

FAQs:

1. What are Prince Harry's main philanthropic endeavors? Beyond the Invictus Games, Harry is involved in several charities focused on mental health, veterans' support, and environmental conservation. He often works with organizations that align with his personal values.
2. What is the current state of his relationship with the Royal Family? The relationship is complex and reportedly strained. Public appearances and statements suggest a distance, although there are indications of occasional communication.
3. How does Prince Harry fund his philanthropic work and personal life? He receives income from various sources, including investments and speaking engagements, which allows him to support his charitable endeavors and maintain his lifestyle.
4. What are some criticisms leveled against Prince Harry? Criticisms range from his handling of his departure from royal life to the perceived hypocrisy of enjoying privilege while criticizing it.
5. How has Prince Harry's public image evolved over time? Initially perceived as the "party prince," his image has evolved to reflect a more mature, thoughtful, and socially conscious individual committed to humanitarian causes.

the real prince harry: Meghan and Harry Lady Colin Campbell, 2024-04-16 **A Wall Street Journal bestseller** An updated edition of this blockbuster narrative provides the first behind-the-scenes, authoritative account of the Duke and Duchess of Sussex's marriage, by the New York Times bestselling author of *Diana in Private*. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his marriage to the beautiful and dynamic Hollywood actress and Suits star Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage. With a unique breadth of insight, Lady Colin Campbell goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since King Edward VIII's abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, revealing why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and

leads the reader through the maze of contradictions Meghan and Harry have created—while also evoking the Californian culture that has influenced the couple's conduct. *Meghan and Harry: The Real Story* exposes how the royal couple tried and failed to change the royal system—by adapting it to their own needs and ambitions—and, upon failing, how they decided to create a new system—and life—for themselves.

the real prince harry: *Harry's War - The True Story of the Soldier Prince* Robert Jobson, 2008-06-11 On February 28, 2008, to great international surprise, the British Ministry of Defense released a statement acknowledging that Prince Harry, son of the late Princess Diana and third in line to the British throne, had secretly been deployed to Afghanistan. Subsequent reports revealed that the prince had killed up to thirty Taliban insurgents in directing at least three air strikes, and that he had helped Gurkha troops repel a ground attack of Taliban insurgents using a machine gun. On February 29, Prince Harry was withdrawn from the country with distinction via a covert SAS deployment. This is the amazing story of the first British royal to serve his country in 25 years and his 10 heroic weeks of combat.

the real prince harry: *William and Harry* Katie Nicholl, 2010-11-09 Nicholl delivers a fascinating insight into the lives and loves of two extraordinary young men who have captured the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story up to date.

the real prince harry: *Harry* Angela Levin, 2019-05

the real prince harry: *Finding Freedom* Omid Scobie, Carolyn Durand, 2020-08-11 INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. *Finding Freedom* is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, *Finding Freedom* goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, *Finding Freedom* is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

the real prince harry: *The Role of Monarchy in Modern Democracy* Robert Hazell, Bob Morris, 2020-09-17 How much power does a monarch really have? How much autonomy do they enjoy? Who regulates the size of the royal family, their finances, the rules of succession? These are some of the questions considered in this edited collection on the monarchies of Europe. The book is written by experts from Belgium, Denmark, Luxembourg, the Netherlands, Norway, Spain, Sweden and the UK. It considers the constitutional and political role of monarchy, its powers and functions, how it is defined and regulated, the laws of succession and royal finances, relations with the media, the popularity of the monarchy and why it endures. No new political theory on this topic has been developed since Bagehot wrote about the monarchy in *The English Constitution* (1867). The same is true of the other European monarchies. 150 years on, with their formal powers greatly reduced, how has this ancient, hereditary institution managed to survive and what is a modern monarch's role? What theory can be derived about the role of monarchy in advanced democracies, and what lessons

can the different European monarchies learn from each other? The public look to the monarchy to represent continuity, stability and tradition, but also want it to be modern, to reflect modern values and be a focus for national identity. The whole institution is shot through with contradictions, myths and misunderstandings. This book should lead to a more realistic debate about our expectations of the monarchy, its role and its future. The contributors are leading experts from all over Europe: Rudy Andeweg, Ian Bradley, Paul Bovend'Eert, Axel Calissendorff, Frank Cranmer, Robert Hazell, Olivia Hepsworth, Luc Heuschling, Helle Krunke, Bob Morris, Roger Mortimore, Lennart Nilsson, Philip Murphy, Quentin Pironnet, Bart van Poelgeest, Frank Prochaska, Charles Powell, Jean Seaton, Eivind Smith.

the real prince harry: Battle of Brothers: William, Harry and the Inside Story of a Family in Tumult Robert Lacey, 2020-10-15 AS SEEN IN THE TIMES AND UPDATED WITH NEW MATERIAL The Sunday Times and New York Times bestseller 'THE ROYAL BOOK OF THE YEAR' Daily Mail THIS CRISIS IS AS BIG AS THE ABDICATION - SAYS LACEY, HISTORICAL ADVISOR TO THE CROWN.

the real prince harry: Meghan and Harry Lady Colin Campbell, 2020 A balanced account of game changes, conflicts and ambitions in the Royal Family from the bestselling author of DIANA IN PRIVATE. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne as a consequence of his marriage to the beautiful and dynamic Hollywood actress and Suits star, Meghan Markle, makes for fascinating reading in this new book from Lady Colin Campbell, best-selling biographer of Princess Diana, the Queen Mother and the Queen's marriage. With unique breadth of insight Lady C goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since Edward VIII's Abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, as to why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions, revealing how Californian culture has influenced the couple's conduct. MEGHAN AND HARRY: THE REAL STORY exposes how the royal couple tried and failed to change the royal system by adapting it to their own needs and ambitions, and, upon failing, how they decided to create a new system altogether. PRAISE FOR BOOKS BY LADY COLIN CAMPBELL 'The most believable Diana biography' People Magazine 'The most sensational book of the year' Mail on Sunday 'Brilliant' Literary Review 'Lady Colin Campbell's books are now must haves' Royal Book News 'I admire her; buy her book' Lynn Barber 'It was Lady Colin, not Morton who first put [all the revelations about Princess Diana] in print' The Sunday Times ABOUT THE AUTHOR LADY COLIN CAMPBELL was born in Jamaica in 1949 and is a London Times and New York Times bestselling author. the real prince harry: The Bench Meghan The Duchess of Sussex, 2021-06-08 #1 New York Times Bestselling Picture Book Meghan, The Duchess of Sussex's first children's book, The Bench, beautifully captures the special relationship between father and son, as seen through a mother's eyes. The book's storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you'll witness great joy. From here you will rest See the growth of our boy. In The Bench, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, The Bench gives readers a window into shared and enduring moments between a diverse group of fathers and sons - moments of peace and reflection,

trust and belief, discovery and learning, and lasting comfort. Working in watercolour for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father's love through a mother's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

the real prince harry: Raine and Johnnie Angela Levin, 1993

the real prince harry: Harry Katie Nicholl, 2017-07-25 The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling *William and Harry and Kate*. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In *Harry*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. *Harry: Life, Loss, and Love* features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother, and brother, and reveals his secret second family in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. *Harry* is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade.

the real prince harry: The Rough Guide to the Royals Alice Hunt, James McConnachie, 2012 Britain's royals are the official face of the state and the centre of a worldwide media circus. This entertaining *Rough Guide to the Royals* explores the paradox of one of the world's oldest monarchies. It casts a quizzical eye over the current royal family, from former Olympic horse rider Anne and industry ambassador Andrew to current favourites William and Kate. It answers such burning questions as what they do, where they get their money from, how fundamentally British are they, and just who is twelfth in the line to the throne? (One-year-old Savannah Phillips is the answer.) It looks at the most extravagant royal ceremonies and the most controversial figures, from Henry VIII to the scandalous Caroline of Brunswick (who was banned from her husband's coronation but turned up anyway). The best and the worst monarchs are reassessed, with investigations into how the likes of alleged nephew-killer and hunchback, Richard III, achieved their villainous reputations. The image of the monarchy is also examined - whether it's in commemorative ceramics, respectful movies such as *The King's Speech* or more critical fare.

the real prince harry: Brothers and Wives Christopher Andersen, 2021-11-30 In 'The Brothers', the long-awaited follow-up to the 2001 bestseller 'Diana's Boys', Christopher Andersen picks up where 'Diana's Boys' left off and shows William and Harry navigating their relationship as adults, with one brother the designated heir, and the other doomed to life as the spare.

the real prince harry: King Charles III Mike Bartlett, 2016-05-16 THE STORY: The Queen is dead: After a lifetime of waiting, the prince ascends the throne. A future of power. But how to rule? Mike Bartlett's controversial play explores the people beneath the crowns, the unwritten rules of our democracy, and the conscience of Britain's most famous family.

the real prince harry: Prince Harry Mark Saunders, 2002 Prince Harry is a maverick among Royals. While it once seemed that he was destined to live in his older brother's shadow, he's now emerging as a young man who shows a more human side of the Royal Family. The recent media storm surrounding his drinking and marijuana use has, rather than alienating him from the public, made him a sympathetic figure. Having followed in William's footsteps at Eton, Harry has truly come of age: he is a bright young man of intellect, wit, and formidable sporting prowess. In this new biography, Royal expert Mark Saunders reveals the true stories behind Harry's drinking and drug use, how he coped with his parents' separation and the loss of his mother, and how his relationships with his father and brother, and with former nanny Tiggy Legge Bourke, have helped him get his life back on track.

the real prince harry: Prince Harry & Meghan Jill Sherman, 2018-08 Chronicles the lives and relationship of Prince Harry and Meghan Markle.

the real prince harry: *The Queen and I* Sue Townsend, 2002-11-28 NOW A MAJOR TV ADAPTATION STARRING DAVID WALLIAMS & SAMANTHA BOND *The Queen and I* is a hilarious satire on modern Britain and an exploration of what it really means to be human, by the bestselling author of the Adrian Mole series. _____ The Royals, they're just like us . . . THE MONARCHY HAS BEEN DISMANTLED When a Republican party wins the General Election, their first act in power is to strip the royal family of their assets and titles and send them to live on a housing estate in the Midlands. Exchanging Buckingham Palace for a two-bedroomed semi in Hell Close (as the locals dub it), caviar for boiled eggs, servants for a social worker named Trish, the Queen and her family learn what it means to be poor among the great unwashed. But is their breeding sufficient to allow them to rise above their changed circumstance or deep down are they really just like everyone else? _____ 'No other author could imagine this so graphically, demolish the institution so wittily and yet leave the family with its human dignity intact' The Times 'Absorbing, entertaining . . . the funniest thing in print since Adrian Mole' Daily Telegraph 'Kept me rolling about until the last page' Daily Mail

the real prince harry: *Diana's Babies* Angela Levin, 2015-09 Angela Levin's incisive book follows Prince William's path as he seeks comfort in the ordinary. He is determined to rid himself of his dysfunctional past. Second in line to the British throne, he was raised with every advantage except what a child needs most: a secure and stable family background. Now he is creating such a home himself as a loving husband of Kate Middleton and devoted father to Prince George and Princess Charlotte.

the real prince harry: *Prince Charles* Sally Bedell Smith, 2017-04-04 NEW YORK TIMES BESTSELLER • A "masterly account" (The Wall Street Journal) of the life and loves of King Charles III, Britain's first king since 1952, shedding light on the death of Diana, his marriage to Camilla, and his preparations to take the throne Sally Bedell Smith returns once again to the British royal family to give us a new look at the man who was the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles's life. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father's expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now.

the real prince harry: *Prince Harry* Penny Junor, 2014-09-11 By the author of the top 10 bestseller *The Duchess*, this is the Prince Harry you've never read about before - this is the story behind the tabloid stories. The Prince who has the power to make or break. The maverick Prince, who is brilliant, impetuous and unpredictable. The Prince who with his unique talents, charm and bloody-minded determination is changing lives across the world. But the Prince who could, in a moment of madness, bring it all crashing down. He is the redhead that Diana called 'the spare', whose childhood was one of chaos and loss; the little boy walking behind his mother's cortege who broke our hearts. This is the story of how he survived the loss and chaos; how he lived in the shadow of his older, cleverer, more important brother - until suddenly he discovered there was something he

could do better than almost anyone. This is the story of how the troubled teenager grew into a leader of men, a soldier, a pilot, an adventurer and a passionate champion of those who are in danger of being destroyed or forgotten. Written with the help of many of the most important people in his life, this is the first authoritative biography of this most delightful, charismatic and dangerous of the Queen's grandsons.

the real prince harry: *Prince Harry: The Inside Story* Duncan Larcombe, 2017-06-15 Prince Henry of Wales has emerged as the unexpected jewel in the crown of the modern British monarchy. Despite his unruly antics, for which he's made headlines all over the world, Harry's popularity rivals that of the Queen herself. Heartthrob and loveable rogue, he has won the public's heart

the real prince harry: Woke Capitalism Carl Rhodes, 2022-11-15 This book delves into the corporate takeover of public morality, or 'woke capitalism'. Discussing the political causes that it has adopted, and the social causes that it has not, it argues that this extension of capitalism has negative implications for democracy's future.

the real prince harry: *Harry and Meghan* Katie Nicholl, 2019-04-09 From royal expert Katie Nicholl, author of the bestselling *William and Harry* and *Kate* comes the most intimate and informative portrait yet of Prince Harry, his marriage to Meghan Markle, and how their union is modernizing the Royal Family. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world, while his marriage to Meghan Markle has only endeared him further. In *Harry and Meghan*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. She uncovers new information about Harry's past relationships and reveals the true story of his romance with Meghan Markle, the smart and spirited American who captured his heart. *Harry and Meghan: Life, Loss, and Love* features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl reveals behind-the-scenes details about the run up to the couple's spectacular wedding day, their first tours as a married couple, and their preparations for the arrival of the youngest new royal. *Harry and Meghan* is a compelling portrait of the Royal Family's most popular royal couple and the story of the most gripping royal romance in a decade. Previously published as *Harry: Life, Loss, and Love*.

the real prince harry: *Royals at War* Dylan Howard, Andy Tillett, 2020-06-30 Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good.

Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess' every movement—for good or ill—this is the true story of Harry and Meghan's split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

the real prince harry: Diana in Private Lady Colin Campbell, 1992-01 An English aristocrat from inside the royal family's exclusive circle reveals startling information about Princess Diana's life, discussing rumors of her eating disorder, her marriage to Prince Charles, and more. Reprint.

the real prince harry: The Magical Wood Mark Lemon (Children's fiction writer), 2018

the real prince harry: Diana, William and Harry James Patterson, 2022-08-15 '[A] pacy, frictionless read' Sunday Telegraph 'Cinematic. . . an entertaining and persuasive study of the royal family' Publisher's Weekly 'Patterson treats the princess as a person and tells the story from a mother's perspective' Kirkus _____ Twenty-five years after her tragic death, James Patterson tells the heartbreaking true story of Princess Diana's life as a mother and a global icon. At the age of thirteen, she became Lady Diana Spencer. At twenty, Princess of Wales. At twenty-one, she earned her most important title: Mother. As she fell in love, first with Prince Charles and then with her sons, William and Harry, the world fell in love with the young royal family - Diana most of all. With one son destined to be King and one needing to find his own way, she taught them lessons about royal tradition and also real life. 'William and Harry will be properly prepared,' Diana once promised. 'I am making sure of this.' Even after her tragic death, the strength of her love for her sons remains an enduring inspiration, not only for the two princes, but for the entire world.

_____ Praise for James Patterson 'The master storyteller of our times' Hillary Rodham Clinton 'One of the greatest storytellers of all time' Patricia Cornwell 'Truly astonishing' Bob Woodward

the real prince harry: Abandon Racism and Welcome Our Fellow Extraterrestrials Juanita de Guzman Gutierrez BSed MSed, 2018-10-18 How do we stop the old and ancient, self-limiting, racial thinking of one another? Just think that we are all extraterrestrials. We came from the galaxies of stars. Even the Indigo children know this truth. It is the time of disclosures. Humanity had been enslaved. It is time to regain our divinity back and our power back. We do not need to be saved and do not need to worship any gods. We are all pieces of a prime creator source. Therefore, we are all gods and goddesses. We have the power, and we will evolve. We are all immortals. If you know that you will be a rock or a Buddhist or a paraplegic and when you come back to reincarnate, you will understand one another. This book will also give you the knowledge of breaking your soul contract. Breaking your soul contract and healing your energy field is a healing modality that came from our fellow Arcturian family. According to the Arcturians, this healing strategy is the most powerful healing modality given to humans at this time. It will be discussed here in this book as well. Why do we keep on hurting one another by calling one another names? Why do we judge a person by the color of their skin? We are one human race. We came from the HU. The HU is the ancient name of God. We came from the outer interstellar space. We did not originate on this earth. Therefore, we HUmans are all extraterrestrials. And our fellow extraterrestrials are coming out in the open soon to

introduce themselves. They are already here—actually, ever since our Mama Gaia or Mother Earth existed. Forget the wrong indoctrinations we learned from schools. And what I taught, as a teacher, then, was wrong too. It is because I was not awakened yet then. I began my awakening this October of the year 2017. This book attempts to solve, give solutions, or suggest ideas that will make us realize that all people on this planet earth is of one race. And that is the whole HUman race. From the HU, god race. We are all extraterrestrials! This is disclosure in the first degree. We, HUmans, need to wake up. We are not alone. The ETs or extraterrestrials, as we know it in movies, are real. And they are going to reveal themselves very soon, even maybe before or after this book is published. They all come from other stars in the intergalactic outer space, just as we do. Believe it or not. There is no need to brand someone as the brown race, black race, white race, yellow race, and so on and so forth. HUmans are not limited by their skins' pigments, nothing to be brushed off. Just keep an open mind. Our prime creator is of 221 energy frequency, and when that huge energy blew up, it took many forms, according to Dolores Cannon. It is time to awaken to the reality that the prime creator of all made us all one. The divine father and divine mother gods had made the human beings' race to be the same persons. We all have the same lives to live, the same air to breathe, one planet earth to live on, one body to live. We are going to even ascend to the stars where we came from. We better believe this. There is a saying that "a house divided on its own cannot stand." How true and fitting this is for humanity. If we have to survive as a human specie who are all magnificent, we better change our consciousness or thinking. We, as wonderful human beings, all belong to the great human race. We all are extraterrestrials. This is disclosure written by a Pleiadian from a previous life existence. This book will make you realize how important it is to stop the limiting and discriminating descriptions we have described one another. We all need to learn. Reject what is bad and take what is only good. Leave the limiting and ancient profiling of one another behind, never to come back. Welcome the new consciousness in—our higher selves. We are all powerful extraterrestrials.

the real prince harry: *Debrett's Peerage & Baronetage 2008* Christine Shaw, 2007 The extraordinary life of Australia's first international racehorse, from creating new records in Australia to his life in California, where he won the Hollywood Gold Cup In wartime Sydney, a small and weedy racehorse kicked his way through the top tier of Australian racing. He was Shannon, one of the fastest horses the nation had ever seen. Between 1943 and 1947, Shannon broke record after record with his garrulous jockey Darby Munro. When they sensationally lost the Epsom Handicap by six inches, they forever were stamped by the race they didn't win. Sold in August 1947 for the highest price ever paid at auction for an Australian thoroughbred, Shannon ended up in America. Through headline-snatching pedigree flaws, acclimatization, and countless hardships, he blitzed across the ritzy, glitzy racetracks of 1948 California. Smashing track records, world records, and records set by Seabiscuit, the Australian bolted into world fame with speed and courage that defied all odds. Long before Black Caviar, So You Think, and Takeover Target, Shannon was Australia's first international racehorse. Starring Hall of Fame trainers and jockeys, Hollywood lawyers, and legends Bernborough and Citation, this is his tremendous story.

the real prince harry: *Harry Potter and the Cursed Child* J. K. Rowling, Jack Thorne, John Tiffany, 2017 As an overworked employee of the Ministry of Magic, a husband, and a father, Harry Potter struggles with a past that refuses to stay where it belongs while his youngest son, Albus, finds the weight of the family legacy difficult to bear.

the real prince harry: *Meghan* Andrew Morton, 2018-10-16 The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of *Diana: Her True Story*, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in

November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life—a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show *Suits*, and her work for a humanitarian ambassador—the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold.

the real prince harry: *The Palace Papers* Tina Brown, 2022-04-26 WITH AN EXCLUSIVE NEW CHAPTER FOR THE PAPERBACK EDITION The Amazon No.1 Bestseller The Sunday Times Bestseller THE ROYAL BOOK OF THE YEAR _____ 'Eye-poppingly revealing. . . impeccable sources, historical heft and canny insights served up with a zingy wit. There are many royal biographers, but few as good as this. She turns gossip into the first draft of history.' TELEGRAPH From the Queen's stoic resolve to the crisis of Meghan and Harry. From the ascendance of Camilla and Kate to the downfall of Andrew. Full of remarkable inside access, *The Palace Papers* by Sunday Times bestselling author Tina Brown will change how you understand the Royal Family. 'Clever, well-informed and disgustingly entertaining' THE TIMES 'There are royal books, and there are royal books. But *The Palace Papers* is in a genre of its own' RADIO TIMES 'Jaw dropping! What a book . . . if you ever want to feel like a fly on the wall of any of the palaces, this is it.' LORRAINE KELLY 'Brown's prose has the swoosh of an enjoyably OTT ballgown' FINANCIAL TIMES 'The world's sharpish and best-informed royal expert' PIERS MORGAN 'Riveting and rigorous' PANDORA SYKES 'A witty, rip-roaring read . . . full off perceptive and witty observations' i Newspaper 'A rollicking ride through recent royal family history . . . Tina Brown's sparkling prose and eye for detail enliven an entertaining exposé' OBSERVER 'The most explosive royal book of the year' THE SUN 'Gloriously irreverent, racily written and often very funny. The early chapters on the long affair between Prince Charles and Camilla read like a non-fiction version of Jilly Cooper's *Rutshire Chronicles*' NEW STATESMAN 'A motherlode of delectable gossip . . . Brown has produced a work both scholarly and scandalous that makes us think about what the post-Elizabethan world may bring, alternately amusing and horrifying us along the way . . . vivid and richly-embroidered' INDEPENDENT 'The devil is in the delicious detail . . . Brown tackles her subjects with the same brio she brought to her years as a highly regarded magazine editor . . . Her access to those who flit around the royals gives her writing an edgy authenticity' DAILY MAIL 'Brown thrashes her way through absolutely everything that has happened to the family since the end of the last book in 1997 . . . Charles and Camilla are vividly brought to life in a series of well-researched stories and anecdotes' SUNDAY TIMES 'The *Palace Papers* is a sharp-nibbed observation of a generation of tumult for the House of Windsor, bookended by the deaths of Princess Diana and Prince Philip. It's a story about media as much as monarchy, and it draws from almost every chapter in Brown's career in journalism' FINANCIAL TIMES 'It's hard to look away as Tina Brown delves into decades' worth of royal scandals' GUARDIAN 'Utter brilliance . . . a rip-roaring read' SCOTSMAN 'A brilliant book. Tina Brown has inside knowledge and writes so well' LADY ANNE GLENCONNER (author of *Lady in Waiting*) _____ 'Never again', became Queen Elizabeth II's mantra shortly after Diana's death. More specifically, there could never be 'another Diana' - a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity ripped through the House of Windsor like a comet. Tina Brown takes readers on a tour de force journey that shows the Queen's stoic resolve as she coped with the passing of Princess Margaret, the Queen Mother and her partner for seven decades, Prince Philip, and triumphed in her Jubilee years even as the family dramas raged

around her. She explores Prince Charles's determination to make Camilla his queen, the tension between William and Harry who are on 'different paths', the ascendance Kate Middleton, the disturbing allegations surrounding Prince Andrew and Jeffrey Epstein, and Harry and Meghan's stunning decision to 'step back' as senior royals. Despite the fragile monarchy's best efforts, 'never again' seems fast approaching.

the real prince harry: Jamie Salisbury, 2016-08-16 Audrey Cooper has good memories Brighton Cove, Maine. She just hopes the quiet, coastal village holds enough of them to silence the echoes of the living hell she endured as a captive in the Middle East. Her career as a journalist is over, but maybe—someday—she can convince her terrified muse to come out of hiding. As she renovates the farmhouse she inherited from her grandparents, with her cat as her sole companion, she learns to live with the loneliness...until the day a handsome stranger with dark, haunted eyes helps her change a flat tire. As an artist, widower Lincoln Stewart has an eye for detail, and there's no missing that unmistakable spark of connection. In Audrey's company, two years of grief ease into bittersweet memory, and he finds himself envisioning a future as colorful as his paintings. A future with Audrey. Through violent thunderstorms and terrifying flashbacks, Audrey and Linc discover their broken pieces fit perfectly—in and out of the bedroom. But in the shadows, a very real threat lurks. Someone who'll stop at nothing to burn their rediscovered dreams to the ground.

the real prince harry: The Last Hurrah Graham Viney,

the real prince harry: *The Kim Kardashian Principle* Jeetendr Sehdev, 2017-03-23 In this New York Times bestselling sensation, media personality and the world's leading authority on celebrity branding Jeetendr Sehdev inspires people everywhere to learn from the way celebrities engage their fan bases. 'One of the most influential books of the year' Michael Levin, Huffington Post 'The most buzzed about business book of the year!' Forbes 'Everything that a PR or spin doctor has traditionally advised: do the opposite' The Times 'The best in the business' Variety *One of Bustle's 20 Best Nonfiction Books* In the space of five years, Jeetendr Sehdev has shaken up the world of entertainment by revealing how social media stars generate more obsession than the Hollywood A-list. What can he teach us about making our own ideas, products and services break through? Jeetendr shows why successful images today - the most famous being Kim Kardashian - are not photoshopped to perfection, but flawed, vulnerable, and in-your-face. This total transparency generates a level of authenticity that traditional marketing tactics just can't touch. From YouTube sensations like Pew Die Pie to taxi-hailing app Uber, *The Kim Kardashian Principle* reveals the people, products and brands that do it best. After all, in a world where a big booty can break the internet, self-obsession is a must-have. No posturing, no apologies, and no shying away from the spotlight. *The Kim Kardashian Principle* by Jeetendr Sehdev is a fresh, provocative and eye-opening guide to understanding why only the boldest and baddest ideas will survive - and how to make sure yours is one of them.

the real prince harry: Harry Chris Hutchins, 2013 A fascinating psychological insight into the forces that shaped the Playboy Prince.--Daily Mail This is the story of Prince Henry, fourth in line to the British throne, and most popular member of the royal family outside the Queen. From a childhood born to a troubled marriage and scarred by the tragedy of the death of his mother, Diana, Princess of Wales, to his brilliant public performances at the Diamond Jubilee, the London Olympics, and his brother's wedding, this book charts the remarkable journey of a seemingly ordinary young man with an extraordinary destiny: once pilloried as a playboy prince who drank GBP200 cocktails with louche friends in London nightclubs, brawled with photographers, and wore a Nazi uniform to a fancy-dress party, then lauded following his first term of duty on the frontline in the most dangerous place on earth, southern Helmand in Afghanistan, from which he returned a hero. Written with the help of a wide range of people--from senior aides to humble members of staff, from aristocrats to bodyguards and protection officers, from friends of Harry's to the not-so-friendly, from those who shared classrooms with him in boyhood to those he drank with, from girls he has loved and lost to soldiers who have served alongside him on the front line in Afghanistan--*Harry: The People's Prince* is the story of a young man who has created a life for himself in contrast to the one set out for him

by an accident of birth.

the real prince harry: A Theory of System Justification John T. Jost, 2020-07-14 A leading psychologist explains why nearly all of us—including many of those who are persecuted and powerless—so often defend the social systems that cause misery and injustice. Why do we so often defend the very social systems that are responsible for injustice and exploitation? In *A Theory of System Justification*, John Jost argues that we are motivated to defend the status quo because doing so serves fundamental psychological needs for certainty, security, and social acceptance. We want to feel good not only about ourselves and the groups to which we belong, but also about the overarching social structure in which we live, even when it hurts others and ourselves. Jost lays out the wide range of evidence for his groundbreaking theory and examines its implications for our communities and our democracy. Drawing on twenty-five years of research, he provides an accessible account of system justification theory and its insights. System justification helps to explain deep contradictions, including the feeling among some women that they don't deserve the same salaries as men and the tendency of some poor people to vote for policies that increase economic inequality. The theory illuminates the most pressing social and political issues of our time—why has it been so hard to combat anthropogenic climate change?—as well as some of the most intimate—why do some black children prefer white dolls to black ones and why do some people stay in bad relationships? Jost's theory has far-reaching implications, and he offers numerous insights that political activists and social justice advocates can use to promote change.

the real prince harry: Home/Land Rebecca Mead, 2022-04-21 When the New Yorker writer Rebecca Mead relocated to her birth city, London, with her family in the summer of 2018, she was both fleeing the political situation in America and seeking to expose her son to a wider world. With a keen sense of what she'd given up as she left New York, her home of thirty years, she tried to knit herself into the fabric of a changed London. The move raised poignant questions about place: What does it mean to leave the place you have adopted as home and country? And what is the value and cost of uprooting yourself? In a deft mix of memoir and reportage, drawing on literature and art, recent and ancient history, and the experience of encounters with individuals, environments and landscapes in New York City and in England, Mead artfully explores themes of identity, nationality and inheritance. She recounts her time in the coastal town of Weymouth, where she grew up; her dizzying first years in New York where she broke into journalism; the rich process of establishing a new home for her dual-national son in London. Along the way, she gradually reckons with the complex legacy of her parents. *Home/Land* is a stirring inquiry into how to be present where we are, while never forgetting where we have been.

the real prince harry: Prince Harry Chereese Cartlidge, 2012-10-29 Prince Harry is the grandson of Queen Elizabeth II. His father Charles, the Prince of Wales, will one day take over as the monarch, or ruler, of England. This biography provides a balanced look at the life of Prince Harry including coverage of his turbulent teen years, his mother's tragic death, and his growing into a mature, responsible, but fun-loving representative of Britain's royal family.

the real prince harry: The Queen Mother Lady Colin Campbell, 2012-04-24 Packed with stunning revelations, this is the inside story of The Queen Mother from the New York Times bestselling author who first revealed the truth about Princess Diana Queen Elizabeth The Queen Mother has been called the most successful queen since Cleopatra. Her personality was so captivating that even her arch-enemy Wallis Simpson wrote about her legendary charm. Portrayed as a selfless partner to the King in the Oscar-winning movie *The King's Speech*, The Queen Mother is most often remembered from her later years as the smiling granny with the pastel hats. When she died in 2002, just short of her 102nd birthday, she was praised for a long life well lived. But there was another side to her story. For the first time, Lady Colin Campbell shows us that the untold life of the Queen Mother is far more fascinating and moving than the official version that has been peddled ever since she became royal in 1923. With unparalleled sources—including members of the Royal Family, aristocrats, and friends and relatives of Elizabeth herself—this mesmerizing account takes us inside the real and sometimes astonishing world of the royal family.
