- Modern Usage in Communication

Understanding the Meaning of "There There"

"There there" is an English expression typically used to comfort someone who is upset, distressed, or in pain. The phrase is often spoken in a gentle, soothing manner, conveying empathy and reassurance without necessarily providing a solution to the problem. It is not meant to dismiss feelings but rather to acknowledge them and offer emotional support. As a staple of conversational English, "there there" is recognized for its simplicity and effectiveness in expressing care and concern.

Common Contexts for "There There"

The phrase appears most frequently in situations involving emotional distress, such as consoling a crying child, comforting a friend after a loss, or responding to someone who is anxious or overwhelmed. Often, "there there" is accompanied by a physical gesture—such as a pat on the back or a hug—further emphasizing the supportive intent. In professional settings, it may be used in a more formal tone to offer reassurance during stressful circumstances.

- Consoling someone after bad news
- Calming a person experiencing stress
- Providing comfort to children
- Supporting friends or family during grief
- Offering reassurance in challenging times

Historical and Linguistic Origins

The origins of "there there" can be traced back to the early 19th century. Linguistically, it belongs to a class of reduplicative phrases—repeated words or sounds that intensify meaning or add emphasis. While "there" alone is a demonstrative adverb indicating location or existence, its repetition creates a comforting rhythm that softens the message and provides emotional solace. The phrase became popular in English-speaking cultures as a gentle, non-intrusive way to address emotional distress.

Evolution Over Time

Over the years, "there there" has maintained its core purpose but has adapted to various contexts and forms of communication. Its usage has shifted from primarily spoken interactions to written and digital exchanges, including text messages, emails, and social media posts. Despite these changes, the phrase continues to serve as an effective tool for expressing empathy and understanding.

Cultural Significance and Usage

"There there" holds cultural significance in many English-speaking societies, often associated with parental care, friendship, and compassion. The phrase is widely recognized and accepted as a standard response to emotional pain or sadness, making it a universal symbol of comfort. Its gentle tone and non-judgmental nature have contributed to its enduring popularity across generations.

International Interpretations

While "there there" is most common in English, similar expressions exist in other languages, each reflecting unique cultural attitudes toward comfort and empathy. These variations highlight the

universal human need for reassurance and the role language plays in expressing emotional support.

"There There" in Literature and Media

The phrase "there there" has found its way into literature, film, television, and art, often symbolizing moments of vulnerability and connection. It has been used as a title for books and songs, reflecting its emotional resonance and cultural relevance. In literature, "there there" frequently appears in dialogue, emphasizing character relationships and the nuances of human interaction.

Notable References

One of the most prominent uses is in Tommy Orange's acclaimed novel "There There," which explores themes of identity, belonging, and cultural heritage within the Native American community. The book's title plays on the phrase's dual meaning—both as a source of comfort and as a reflection on the complexities of existence. In media, "there there" is often depicted in scenes of consolation, underscoring its role in expressing empathy and understanding.

Psychological Impact and Emotional Comfort

Psychologically, "there there" serves as a mechanism for emotional regulation, offering immediate relief to those experiencing distress. The phrase can help reduce anxiety, foster feelings of safety, and promote emotional healing. Its soothing rhythm and gentle repetition activate calming responses in the brain, making it a valuable tool for caregivers, therapists, and individuals seeking to support others.

Benefits of Comforting Language

Comforting language, including "there there," plays a crucial role in building trust, strengthening relationships, and enhancing emotional well-being. By acknowledging pain without judgment, such language helps individuals feel heard and validated, which is essential for healthy psychological functioning.

- Reduces feelings of isolation
- Promotes emotional resilience
- Encourages open communication
- Supports mental health recovery
- Builds stronger interpersonal bonds

Variations and Synonyms

"There there" is part of a broader category of comforting expressions that vary by region, culture, and individual preference. These phrases often serve the same purpose—offering support and reassurance during difficult times. Some alternatives may carry slightly different connotations or levels of formality, but all share the core intent of providing comfort.

Common Alternatives

Popular synonyms and variations of "there there" include:

- "It's okay"
- "Don't worry"
- "You'll be alright"
- "Everything will be fine"
- "Let it out"
- "I'm here for you"

These alternatives can be tailored to fit specific situations or relationships, allowing for personalized expressions of empathy and support.

Modern Usage in Communication

In today's digital age, "there there" remains relevant, adapting to new forms of communication such as social media, online forums, and instant messaging. The phrase is often used in written exchanges to offer quick, empathetic responses to friends, family, or colleagues. Emojis, GIFs, and other visual elements may accompany the words, enhancing their comforting effect.

Usage in Professional and Informal Settings

While "there there" is most commonly used in informal conversation, it can also be appropriate in

professional settings where emotional support is needed. Managers, educators, and healthcare professionals may use the phrase to acknowledge challenges and foster a supportive environment. The versatility of "there there" ensures its continued relevance across diverse communication channels.

1. Text messages and chats
2. Emails and written notes
3. Face-to-face conversations
4. Social media comments
5. Therapeutic and counseling sessions

Its adaptability and enduring nature make "there there" a valuable expression for conveying empathy in both personal and professional interactions.

Q: What does "there there" mean?

A: "There there" is a comforting phrase used to soothe or reassure someone who is upset, indicating empathy and emotional support.

There There: Unpacking the Meaning and Significance of a Seemingly Simple Phrase

Have you ever heard the phrase "There there"? It might seem simple, almost childish, yet its subtle power and multifaceted meaning have resonated across generations and cultures. This seemingly insignificant phrase carries a surprising depth, offering comfort, reassurance, and even a hint of underlying complexity. This post will delve into the origins, nuances, and varied interpretations of "there there," exploring its usage in literature, everyday conversation, and its impact on our understanding of emotional support. We'll uncover why this simple phrase holds such potent meaning and how its subtle power continues to endure.

H2: The Origins and Evolution of "There There"

Tracing the precise origins of "There there" proves surprisingly difficult. It's not a phrase formally tracked in etymological dictionaries like other established idioms. This lack of concrete historical data, however, points to its organic and deeply ingrained nature within the English language. It suggests that its use developed organically, likely born from the intuitive need to offer comfort and

reassurance – a soothing vocalization passed down through generations, rather than a meticulously crafted expression. Its emergence speaks to the universality of the human need for solace and connection.

H2: "There There" as a Phrase of Comfort and Reassurance

The most common interpretation of "There there" is as a phrase of comfort and reassurance. It's often uttered in response to distress, whether it's a child's scraped knee, a friend's heartbreak, or even a national tragedy. The repetition of "there" creates a gentle, rhythmic quality, akin to a lullaby or a soothing mantra. The soft sounds help to calm the listener, offering a sense of security and shared empathy. This subtle power lies in its simplicity; it avoids grand pronouncements or overly sentimental expressions, offering instead a quiet, unwavering presence.

H3: The Non-Verbal Cues that Amplify its Meaning

The effectiveness of "There there" is frequently amplified by accompanying non-verbal cues. A gentle touch on the arm, a warm embrace, or simply a concerned gaze can significantly increase the phrase's comforting effect. The combined effect of verbal and non-verbal communication creates a powerful message of empathy and support, surpassing what the words alone could convey. This underscores the crucial role of context and body language in communication.

H2: "There There" in Literature and Popular Culture

The phrase "There there" has transcended its everyday usage to find its way into literature and popular culture. It's often used to depict moments of vulnerability and emotional support, highlighting its versatility and enduring appeal. Its appearance in various contexts, from children's books to serious novels, solidifies its position as a powerful and emotionally resonant phrase. The repeated use reinforces its subtle power and broad application across a diverse spectrum of narrative styles and emotional landscapes.

H3: Analyzing its Use in the Novel "There There" by Tommy Orange

Tommy Orange's novel, "There There," cleverly utilizes the phrase in its title, prompting deeper reflection on its multifaceted meaning. In this context, "There there" transcends simple reassurance, hinting at a deeper sense of place, belonging, and the complexities of identity within a specific community. The title itself acts as a subtle and powerful statement, encapsulating the complexities of identity and community exploration within the narrative.

H2: Beyond Comfort: Exploring the Ambiguity of "There There"

While often used for comfort, "There there" can also carry subtle undertones of ambiguity. Depending on tone and context, it can sometimes sound patronizing or dismissive, particularly when used inappropriately. This ambiguity highlights the importance of considering the recipient's emotional state and the overall context of the interaction. Understanding the nuances of tone and delivery is crucial to avoid unintended negative interpretations.

H2: The Power of Simple Words: Why "There There" Resonates

The enduring power of "There there" lies in its simplicity and universality. It speaks to a fundamental human need for comfort, reassurance, and connection. It's a phrase that transcends linguistic and cultural barriers, offering a universal message of empathy and support. Its effectiveness stems from its ability to bypass complex language and directly address the emotional core of a situation.

Conclusion

"There there" is more than just a simple phrase; it's a powerful testament to the human need for comfort and connection. Its seemingly simple structure belies its multifaceted meaning, showcasing its flexibility in conveying reassurance, highlighting ambiguity, and even symbolizing deeper connections to place and identity. Its continued usage across generations and cultures reinforces its enduring relevance and powerful emotional resonance.

FAQs

1. Is "There there" grammatically correct? Grammatically, it's not a standard sentence, but its effectiveness lies in its expressive, rather than formal, nature. Its informal construction is precisely what contributes to its comforting, almost childlike quality.
2. Are there similar phrases in other languages that convey the same meaning? While a direct equivalent might be difficult to pinpoint, many languages have comparable expressions offering comfort and reassurance. These phrases often rely on repetition or soothing sounds to achieve a similar effect.
3. Can "There there" be used in professional settings? While generally informal, its usage in professional settings depends heavily on the context. Using it with a close colleague might be

appropriate during a moment of stress, but it would be inappropriate in most formal business communications.

4. Is there a particular tone of voice associated with "There there"? The tone is typically soft, gentle, and reassuring. A harsh or dismissive tone would negate the intended comforting effect, turning the phrase into something potentially patronizing or even hurtful.

5. Can the meaning of "There there" change based on the situation? Absolutely. Its meaning and impact are heavily influenced by context, tone, and the relationship between the speaker and the listener. The subtle shift in meaning showcases the phrase's adaptability and its capacity to convey a range of emotions within a brief expression.

I look forward to reading more books by this author' Nicki Richards, NetGalley. 'I found myself rushing through my chores to sit back down and read this book' Janine Causley, NetGalley.

there there: Everything You Know about Indians is Wrong Paul Chaat Smith, 2009 In this sweeping work of memoir and commentary, leading cultural critic Paul Chaat Smith illustrates with dry wit and brutal honesty the contradictions of life in the Indian business. Raised in suburban Maryland and Oklahoma, Smith dove head first into the political radicalism of the 1970s, working with the American Indian Movement until it dissolved into dysfunction and infighting. Afterward he lived in New York, the city of choice for political exiles, and eventually arrived in Washington, D.C., at the newly minted National Museum of the American Indian (a bad idea whose time has come) as a curator. In his journey from fighting activist to federal employee, Smith tells us he has discovered at least two things: there is no one true representation of the American Indian experience, and even

the best of intentions sometimes ends in catastrophe. *Everything You Know about Indians Is Wrong* is a highly entertaining and, at times, searing critique of the deeply disputed role of American Indians in the United States. In *A Place Called Irony*, Smith whizzes through his early life, showing us the ironic pop culture signposts that marked this Native American's coming of age in suburbia: We would order Chinese food and slap a favorite video into the machine--the Grammy Awards or a Reagan press conference--and argue about Cyndi Lauper or who should coach the Knicks. In *Lost in Translation*, Smith explores why American Indians are so often misunderstood and misrepresented in today's media: We're lousy television. In *Every Picture Tells a Story*, Smith remembers his Comanche grandfather as he muses on the images of American Indians as a half-remembered presence, both comforting and dangerous, lurking just below the surface. Smith walks this tightrope between comforting and dangerous, offering unrepentant skepticism and, ultimately, empathy. This book is called *Everything You Know about Indians Is Wrong*, but it's a book title, folks, not to be taken literally. Of course I don't mean everything, just most things. And 'you' really means we, as in all of us.

there there: *The Death and Life of the Great Lakes* Dan Egan, 2018-04-10 The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. *The Death and Life of the Great Lakes* is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

there there: *Hello in There!* Jo Witek, 2013-05-07 From the author and illustrator of the bestselling *In My Heart* This oversized interactive book is a heartfelt look at the wonder and excitement of waiting . . . and waiting . . . and waiting for a new sibling to arrive. The charming protagonist is so eager to step into her role as a big sister that she's starting early She sticks close to

her mama so she can sing songs to her sibling-to-be (loudly, of course) and explain all the great things waiting in the outside world (cupcakes strawberries swimming). Quaint line drawings and lovely patterns lend a breezy, lighthearted atmosphere to the story, and a variety of playful flaps add gentle humor, showing the new baby blissfully tucked away in its mama's belly. A joyful and celebratory ode to the growing family for any sister- or brother-to-be. The Growing Hearts series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling. Praise for Hello in There **STARRED REVIEW** Roussey's whimsical, scraggly, illustrations are perfectly suited to the girl's excitement as the big day approaches. --Publishers Weekly, starred review Thick and sturdy pages and flaps are made to withstand many eager perusals as big sisters and brothers everywhere gear up for their own big days. --Kirkus Reviews This has charming possibilities for helping a youngster to envision (and get accustomed to) the impending sibling. --The Bulletin of the Center for Children's Books

there there: Once There Were Wolves Charlotte McConaghay, 2021-08-03 **INSTANT NEW YORK TIMES BESTSELLER** Blazing...Visceral (Los Angeles Times) · Exceptional (Newsweek) · Bold...Heartfelt (New York Times Book Review) · Thought-provoking and thrilling (GMA) · Suspenseful and poignant (Scientific American) · Gripping (The Sydney Morning Herald) From the author of the beloved national bestseller Migrations, a pulse-pounding new novel set in the wild Scottish Highlands. Inti Flynn arrives in Scotland with her twin sister, Aggie, to lead a team of biologists tasked with reintroducing fourteen gray wolves into the remote Highlands. She hopes to heal not only the dying landscape, but Aggie, too, unmade by the terrible secrets that drove the sisters out of Alaska. Inti is not the woman she once was, either, changed by the harm she's witnessed—inflicted by humans on both the wild and each other. Yet as the wolves surprise everyone by thriving, Inti begins to let her guard down, even opening herself up to the possibility of love. But when a farmer is found dead, Inti knows where the town will lay blame. Unable to accept her wolves could be responsible, Inti makes a reckless decision to protect them. But if the wolves didn't make the kill, then who did? And what will Inti do when the man she is falling for seems to be the prime suspect? Propulsive and spell-binding, Charlotte McConaghay's Once There Were Wolves is the unforgettable story of a woman desperate to save the creatures she loves—if she isn't consumed by a wild that was once her refuge.

there there: There Goes the Hood Lance Freeman, 2011-01-19 How does gentrification affect residents who stay in the neighborhood?

there there: Here There Are Monsters Amelinda Bérubé, 2019-08-06 A bone-chilling read about creating monsters, sisterhood turned toxic, and secrets that won't stay buried, perfect for fans of *The Night She Disappeared*, *Wilder Girls*, and *The Blair Witch Project*. Sixteen-year-old Skye is done playing the knight in shining armor for her insufferable younger sister, Deirdre. And moving across the country seems like the perfect chance to start over as someone different. In their isolated new neighborhood, Skye manages to fit in, but Deirdre withdraws from everyone, becoming fixated on the swampy woods behind their house and building monstrous sculptures out of sticks and bones. Then Deirdre disappears. And when something awful comes scratching at Skye's window in the middle of the night, claiming Skye's the only one who can save Deirdre, Skye knows she will stop at nothing to bring her sister home. A great buy for readers who want: young adult horror books the teen girl book best sellers of 2018 creepy stories Praise for *Here There Are Monsters*: Thick with atmosphere and tension, *Here There Are Monsters* does what fairy tales do: it edifies as it terrifies.—Foreword ***STARRED REVIEW*** Seamlessly executed... an intricate, subtle, and deeply unsettling read.—Kirkus Dark and eerie with just the right amount of creepiness...perfect for any fan of young adult horror.—School Library Journal Everything and everyone reeks of malice while nothing and no one can be trusted—perfect conditions for a compelling YA horror.—Shelf Awareness The horror of this creepy tale rests upon an increasing sense of inevitability and powerlessness against the spirit entities that inhabit the woods.—BCCB Also by Amelinda Bérubé: *The Dark Beneath the Ice*

there there: Anybody Out There Marian Keyes, 2007-02-08 *** CONGRATULATIONS TO THE

BRITISH BOOK AWARDS AUTHOR OF THE YEAR 2022*** Discover the warm, witty and compelling story of a woman trying to get her life back on track, from the No. 1 bestselling author of *Grown Ups* 'Searingly insightful, Keyes finds lightness in the darkest and most violent of emotions' Independent 'High quality entertainment' Marie Claire _____ Meet Anna Walsh. Lying in her parents' Good Front Room, covered in bandages, Anna dreams of leaving Dublin and returning to her beloved New York. To her home. To her job. And most of all to her husband Aidan. Unfortunately, her family have other ideas. She's staying put. And Aidan? He's refusing to even take her calls. The last thing Anna wants is to think about how she ended up in this mess. But with nothing else to do, she's forced to ask herself why she's thousands of miles from the life she loves. Where did it all go wrong? And can she fix it, before it's too late? Love the Walsh sisters? Don't miss out on the eagerly awaited sequel to *Rachel's Holiday: AGAIN, RACHEL . . .* _____ 'A wonderful, subtle, hilarious and highly sophisticated novel' Evening Standard 'Richly enjoyable' Daily Telegraph FAMOUS FANS AND WHY THEY LOVE MARIAN KEYES 'Marian's writing is the truth. With big laughs' Dawn French 'A giant of Irish writing' Naoise Dolan 'Will make you laugh and make you cry, but will also reveal the truth of who you really are' Louise O'Neill 'Keyes weaves the joy and pain of life in a unique and magical way' Cathy Rentzenbrink 'One of the most honest writers writing today' Pandora Sykes 'Compassionate, tender, incisive writing' Lucy Foley 'Her talent for tackling serious issues with such humanity and wit is balm for the soul' Nigella Lawson 'Marian Keyes is a brilliant writer. Keyes's comic gift is always evident' Independent 'Joyful. Keyes' clever way with words and extraordinary wit. People stared at me as I laughed to myself' C.L. Taylor 'A born storyteller' Independent on Sunday

there there: *How to Get There* Maggie Mackellar, 2014 After Maggie Mackellar's acclaimed *When It Rains*, her second memoir traces with her characteristic candor and perception her move to Tasmania, for love, and the struggles and joys of settling there. In 2011, Maggie Mackellar moved from her family's farm in Central West New South Wales to the east coast of Tasmania with her children and assorted menagerie to live with a farmer. Her story takes as its epigraph a quote from Roger McDonald: Through every small opening in life, through the tiniest most restricted nerve ends, through rips and tears and tatters, life pours. In the book, she explores learning to love again after living through grief, and the complexities of doing this in a community with which she is unfamiliar, with two young children. She reflects on love after grief, juggling being a mother and negotiating a burgeoning relationship, the rhythms of country life, displacement, and the writing life. This is a book for anyone who has imagined taking a risk, for anyone who has moved to a new place and struggled with feelings of homesickness and displacement. It is a story about making a life in a remarkable setting--the east coast of Tasmania, on a sheep farm in a stone house built by convicts in 1828.

there there: *Motorcycles & Sweetgrass* Drew Hayden Taylor, 2010-03-09 A story of magic, family, a mysterious stranger . . . and a band of marauding raccoons. Otter Lake is a sleepy Anishnawbe community where little happens. Until the day a handsome stranger pulls up astride a 1953 Indian Chief motorcycle – and turns Otter Lake completely upside down. Maggie, the Reserve's chief, is swept off her feet, but Virgil, her teenage son, is less than enchanted. Suspicious of the stranger's intentions, he teams up with his uncle Wayne – a master of aboriginal martial arts – to drive the stranger from the Reserve. And it turns out that the raccoons are willing to lend a hand.

there there: *There Are No Goodbyes* Elizabeth Robinson, 2017-09-05 WHAT IF WE NEVER REALLY LOSE THOSE WE CARE ABOUT? WHAT IF THERE REALLY ARE NO GOODBYES? From a young age, trained counsellor, Elizabeth Robinson, was aware of being able to sense and know beyond the five senses. Her ability to see 'beyond the veil' into the spiritual realm has allowed her to effectively illuminate and articulate what holds people back from expressing their true potential. We live in a society that teaches us that contact with those who have passed does not exist; we have a medical model that, for the most part, labels these as aberrant experiences, is finite and, frequently, judgmental. In her work, Elizabeth combines conventional wisdom with knowledge gleaned from

beyond the physical. In this deeply moving account, Elizabeth shares her extraordinary path to self-awareness. Tracing her journey from practicing privately and in hospitals in Australia, to living and working in the U.S., and returning to Sydney, she outlines experiences with clients and colleagues who have passed, and the insight and comfort that those experiences provide to those still living. *There Are No Goodbyes* firmly makes the case that we are spiritual beings having a human experience. The phenomenal accounts in this book help us realize that there is no need to fear death, as we are all immortal and innately spiritual beings, connected eternally by the power of unconditional love!

there there: Whoo's There? Heather Zschock, 2005 Let little ones wing their way to sleep with this uplifting bedtime book! Shine the beam of a flashlight (not included) through 7 transparent page "windows" to cast silhouette pictures on the wall as you read lyrical rhymes about a kite's journey up, up, and away--past birds, planes, clouds, and more.

there there: The Swap Robyn Harding, 2020-07-08 In this riveting tale that 'will keep you on your toes until the very end' (HelloGiggles), two couples embark on a toxic relationship after a night of sexual shenanigans, unaware of the manipulative teenager with an explosive secret at the centre of it all. From the bestselling author of *The Party*. Low Morrison is not your average teen. You could blame her hippie parents or her dreary, isolated island hometown. Whatever the reason, Low just doesn't fit in - and neither does newcomer Freya, an ethereal beauty and once-famous social media influencer. After signing up for Freya's pottery class, Low quickly falls under her spell. Buoyed by Low's adoration, Freya is compelled to share her darkest secrets and deepest desires. Finally, Low feels a sense of belonging ... until Jamie walks through the studio door. Freya, Jamie and their husbands become fast friends, leaving Low alone once again. Then one night, after a boozy dinner party, Freya suggests swapping partners. It should have been a harmless fling between consenting adults, but instead, it upends their lives. And provides Low with the perfect opportunity to unleash her growing resentment. 'Harding has outdone herself with *The Swap*. This is a provocative, edgy thriller. Just when you think you've got a handle on it ... you don't.' Samantha Downing, author of *My Lovely Wife* 'Gripping from the first line, *The Swap* is a wickedly delicious, addictive, utterly compelling read about obsession, toxic relationships, and dangerous secrets. I devoured every dark, twisted word until the last explosive scene. An absolute must-read, this suspense will shock and rivet readers through each masterful page.' Samantha M. Bailey, bestselling author of *Woman on the Edge* 'Harding conjures a dark, inescapable feeling of intimidation on [s] remote island astir with gossip and lies . . . [Her] tale will please readers who enjoy delving into the details of a character's personality and motivations, considering how past and present choices shape the future, and how private actions in a relationship are different from public displays.' Booklist

there there: Here and There Tamara Ellis Smith, 2019-03-31 A young boy, Ivan, experiences the early stages of his parents' separation and finds hope in the beauty and music of nature. This tale of personal growth will provide a much-needed mirror for children in times of change -- and an important reminder for all that there's beauty everywhere you look.

there there: Are We There Yet? Alison Lester, 2011-10-31 Travel around Australia without leaving home! From much-loved children's author Alison Lester comes this gift set containing the classic picture book, a 200-piece jigsaw puzzle and a pack of specially designed playing cards. there there: Are You There God? It's Me, Margaret. Judy Blume, 2014-04-29 Faced with the difficulties of growing up and choosing a religion, a twelve-year-old girl talks over her problems with her own private God.

there there: Where There's a Will There's a Wake Karin Slade, 2021-04-26 Whether you're someone who wants to plan the celebration of their own life or has a relative or friend of someone who is close to death, *Where There's A Will There's A Wake* was written by wake caterer and funeral

director Karin Slade to empower people to own their end of life choices and to change the way we do funerals. Topics covered include how to establish your own clear guidelines, what your real options and rights are when it comes to death and dying, and how to plan ahead of time to organise a celebration of your own life or to help a loved one who is dying. By preparing a celebration of someone's life (or yours) in tune with their last wishes, you can help to take away pain, stress and overwhelm for your partner, parent, child, friend or whomever would be in charge of decision making for your funeral and wake. You can also save a considerable amount of money for your loved ones.

there there: *When There's Nowhere Else to Run* Murray Middleton, 2015-04-22 Winner of The Australian/Vogel's Literary Award 2015. 'Masterfully controlled, lingers long in the memory.' Rohan Wilson, author of *The Roving Party* and *To Name Those Lost* In one way or another, isn't everyone on the run? A survivor of Victoria's Black Saturday bushfires takes asylum with old friends in the Dandenong Ranges. An editor-in-chief drives his sister halfway around the country to an east-coast rehabilitation clinic. A single mother flies to Perth with her autistic son for one last holiday. A father at the end of his tether tries to survive the chaos of the Sydney Royal Easter Show. A group of young friends hire a luxury beach house in the final weeks of one of their lives. A postman hits a pedestrian and drives off into the night. *When There's Nowhere Else to Run* is a collection of stories about people who find their lives unravelling. They are teachers, lawyers, nurses, firemen, chefs, gamblers, war veterans, hard drinkers, adulterers, widows and romantics. Seeking refuge all across the country, from the wheat belt of Western Australia, the limestone desert of South Australia, the sugarcane towns of Queensland, the hinterland of New South Wales to the coastline of Victoria, they discover that no matter how many thousands of kilometres they put between themselves and their transgressions, sometimes there's nowhere else to run. 'Assured, witty and wise.' Stephen Romei, Literary Editor, *The Australian* 'Vivid and compelling.' Jenny Barry, BooksPlus

there there: *There is No There There* David Breslin, 2016

there there: *Being There* Erica Komisar, 2017-04-11 A powerful look at the importance of a mother's presence in the first years of life **Featured in *The Wall Street Journal*, and seen on *Good Morning America*, *Fox & Friends*, and *CBS New York*** In this important and empowering book, veteran psychoanalyst Erica Komisar explains why a mother's emotional and physical presence in her child's life--especially during the first three years--gives the child a greater chance of growing up emotionally healthy, happy, secure, and resilient. In other words, when it comes to connecting with your baby or toddler, more is more. Compassionate and balanced, and focusing on the emotional health of children and moms alike, this book shows parents how to give their little ones the best chance for developing into healthy and loving adults. Based on more than two decades of clinical work, established psychoanalytic theory, and the most cutting-edge neurobiological research on caregiving, attachment, and brain development, *Being There* explains:

- How to establish emotional connection with a newborn or young child--regardless of whether you're able to work part-time or stay home
- How to ease transitions to minimize stress for your baby or toddler
- How to select and train quality childcare
- What's true and false about widely held beliefs like I'm not good with babies and "I'll make up for it when he's older"
- How to recognize and combat feelings of postpartum depression or boredom
- Why three months of maternity leave is not long enough--and how parents can take control of their choices to provide for their family's emotional needs in the first three years

Being a new mom isn't easy. But with support, emotional awareness, and coping skills, it can be the most magical—and essential—work we'll ever do.

there there: *Let the Great World Spin* Colum McCann, 2009-06-23 NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate

portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (San Francisco Chronicle), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today

there there: *The Last Town on Earth* Thomas Mullen, 2010-07-29 Set against the dual backdrop of World War I and the devastating 1918 influenza epidemic, 'The Last Town On Earth' is a brilliantly drawn tale of morality and patriotism in a time of upheaval.

there there: What's in There? Robie H.
