Fart is excited! He's desperate to make friends and have fun. But no one likes a fart. Not even a fart with a heart. Too smelly. Too embarrassing. Too gross. This enhanced ebook edition of *No One Likes A Fart* is narrated by the author, Zoë Foster Blake, with supporting voices from Hamish Blake (AKA Tooty McFluffson). Zoë has written lots of grown-up books, none of which mention a single fart. She is the mother of two little people and a cat with a permanently cranky face. She wants it known that despite writing this book, she still doesn't like farts, even if her husband and son refuse to acknowledge or respect this. 'Just like a powerful, unidentified fart, Foster Blake's book has everyone talking.' *MamaMia* 'Who would have thought a story about farts and burps could be so heartwarming?' *Sunday Telegraph* 'A beautifully written book that will have you in hysterics.' James Wright, *Impulse* Garner 'Young children just beginning to read will love this book - especially if that means grabbing any opportunity they can to say the word fart!'
