Origins and Literary Significance of "tomorrow and tomorrow and tomorrow"

The phrase "tomorrow and tomorrow and tomorrow" first appeared in William Shakespeare's tragedy "Macbeth." Spoken by the titular character in Act V, Scene V, it expresses Macbeth's sense of the relentless passage of time after hearing of his wife's death. Over centuries, this phrase has become iconic for its poetic rendering of life's fleeting nature and the inexorable march of days. Its repetition emphasizes monotony and despair, yet offers a profound commentary on human existence.

Literary scholars often highlight "tomorrow and tomorrow and tomorrow" as a reflection on fate and free will. The words encapsulate the tension between hope for the future and the inevitability of time's progression. In various works, authors and playwrights draw upon this phrase to evoke feelings of anticipation, existential dread, or philosophical insight. Its enduring significance is a testament to Shakespeare's ability to capture universal human experiences in a few simple words.

Shakespeare's Use and Interpretation

Context in Macbeth

In "Macbeth," the line "tomorrow and tomorrow and tomorrow creeps in this petty pace from day to day" is part of a soliloquy delivered after the protagonist learns of Lady Macbeth's death. The passage laments the futility of life and the inevitability of death, with time portrayed as a continuous, unstoppable force. Shakespeare uses repetition to heighten the sense of despair and the cyclical nature of existence.

Literary Analysis

The soliloquy has been interpreted as an existential meditation on human life. Shakespeare's language suggests that each "tomorrow" is indistinguishable from the last, leading to a monotonous procession toward the end. Critics note that this perspective can be viewed as nihilistic, yet it also prompts deeper reflection on the meaning of daily existence. The phrase's enduring popularity is due in part to its emotional resonance and philosophical depth.

Modern Adaptations and Cultural Influence

Use in Contemporary Literature

The phrase "tomorrow and tomorrow and tomorrow" has inspired numerous works beyond its Shakespearean origins. One notable example is the 2022 novel "Tomorrow, and Tomorrow, and Tomorrow" by Gabrielle Zevin, which explores themes of friendship, creativity, and the passage of time. Authors frequently evoke the phrase to explore cycles of hope, regret, and anticipation in their narratives.

Representation in Popular Culture

Outside of literature, "tomorrow and tomorrow and tomorrow" appears in music, films, and theater. It often symbolizes hope for renewal or the burden of uncertainty. In pop culture, the phrase is used to evoke dramatic, reflective moments, underscoring emotional depth and temporal significance. Its adaptability ensures that it remains a powerful motif in storytelling and artistic expression.

- Book titles and literary references

- Movie dialogues and scripts
- Song lyrics and theatrical productions
- Philosophical essays and academic discourse

Philosophical Perspectives on Time and Continuity

Existential Themes

Philosophers often examine "tomorrow and tomorrow and tomorrow" through the lens of existentialism. The phrase raises questions about the meaning of life, the nature of time, and humanity's place in the universe. It reflects the struggle to find purpose amid the repetitive cycles of daily existence and the uncertainty that the future brings.

Concept of Temporal Progression

The phrase's structure, repeating "tomorrow," emphasizes the unending progression of time. Philosophically, it invites contemplation on how individuals perceive and experience time. Some see it as a source of anxiety, while others embrace the opportunities each new day presents. The phrase's ambiguity allows for multiple interpretations, making it relevant in discussions about time management, productivity, and psychological well-being.

Impact on Literature and Media

Influence on Writers and Creators

The enduring legacy of "tomorrow and tomorrow and tomorrow" has influenced generations of writers, poets, and creators. Its use as a literary device adds depth to narratives, allowing authors to explore complex themes such as mortality, hope, and despair. Many modern works reference the phrase, either directly or through allusions, to connect characters' experiences to broader existential questions.

Examples in Visual and Performing Arts

The phrase has also made its way into visual and performing arts, from stage plays to cinematic scenes. Directors and playwrights use it to heighten dramatic tension or underscore a pivotal moment in a character's arc. Its poetic quality and philosophical undertones make it a favorite among artists seeking to evoke introspection and emotion.

1. Stage productions referencing Shakespearean themes
2. Film scenes exploring time and destiny
3. Paintings and installations inspired by the concept of continuity
4. Music compositions using repetition and tempo to symbolize time

Thematic Analysis and Symbolism

Symbolism of Repetition

Repetition in "tomorrow and tomorrow and tomorrow" serves as a powerful symbol of persistence and inevitability. It can represent hope for new beginnings or the weariness of endless routine.

Symbolically, the phrase underscores the tension between anticipation and resignation, making it a versatile tool for writers and thinkers.

Interpretations Across Cultures

Different cultures interpret the phrase according to their own perspectives on time and destiny. In Western literature, it often signifies existential uncertainty, while in Eastern philosophies, it may be seen as a reflection of cyclical patterns in nature. The phrase's adaptability ensures it remains meaningful across diverse contexts.

Tomorrow and Tomorrow and Tomorrow in Everyday Life

Practical Applications

Beyond its literary and philosophical significance, "tomorrow and tomorrow and tomorrow" finds practical application in everyday life. People use the phrase to express hope, procrastination, or the relentless pace of modern living. It serves as a reminder of the importance of mindfulness, planning, and resilience in facing challenges.

Mindset and Motivation

Embracing the message behind "tomorrow and tomorrow and tomorrow" can foster a proactive mindset. Recognizing the continuity of days encourages goal-setting, adaptability, and perseverance. The phrase also inspires reflection on priorities, helping individuals navigate uncertainty and change with purpose.

- Setting achievable goals for the future
- Practicing mindfulness and gratitude
- Developing resilience in the face of adversity
- Balancing hope and realism

Frequently Asked Questions

Q: What is the origin of the phrase "tomorrow and tomorrow and tomorrow"?

A: The phrase originates from William Shakespeare's tragedy "Macbeth," where it appears in a famous soliloquy reflecting on the passage of time and the meaning of life.

Q: How is "tomorrow and tomorrow and tomorrow" used in modern literature?

A: Contemporary authors often use the phrase to explore themes of time, hope, and existential uncertainty, with notable examples including Gabrielle Zevin's novel "Tomorrow, and Tomorrow, and Tomorrow."

Q: What philosophical themes are connected to "tomorrow and tomorrow and tomorrow"?

A: The phrase is linked to existentialism, the concept of temporal progression, and questions about fate, free will, and the human experience.

Q: How does repetition in the phrase add to its meaning?

A: Repetition emphasizes the relentless and monotonous march of time, symbolizing both hope for new beginnings and the inevitability of daily routine.

Q: In what ways has "tomorrow and tomorrow and tomorrow" influenced pop culture?

A: The phrase appears in music, movies, theater, and art, often representing dramatic themes of renewal, uncertainty, and emotional depth.

Q: What lessons can be drawn from "tomorrow and tomorrow and tomorrow" for everyday life?

A: The phrase encourages mindfulness, resilience, and proactive goal-setting, reminding individuals to balance hope and realism as they navigate daily challenges.

Q: Can the phrase be interpreted differently in various cultures?

A: Yes, interpretations vary, with Western literature often focusing on existential uncertainty and Eastern philosophies emphasizing cyclical patterns and renewal.

Q: Why is "tomorrow and tomorrow and tomorrow" considered timeless?

A: Its universal themes of time, continuity, and human experience ensure lasting relevance across generations, cultures, and artistic expressions.

Q: How do artists use "tomorrow and tomorrow and tomorrow" in their work?

A: Artists incorporate the phrase to evoke introspection, dramatize pivotal moments, and symbolize the tension between anticipation and resignation.

Q: What is the significance of the phrase in Shakespeare's "Macbeth"?

A: In "Macbeth," the phrase captures the protagonist's despair, highlighting life's transience and the futility of ambition in the face of mortality.

Tomorrow and Tomorrow and Tomorrow: Exploring Macbeth's Haunting Phrase and Its Modern Relevance

Shakespeare's Macbeth isn't just a tragedy; it's a chilling exploration of ambition, guilt, and the relentless march of time. The phrase "Tomorrow, and tomorrow, and tomorrow," uttered by the doomed Macbeth, resonates deeply even centuries later. This post delves into the meaning and significance of this iconic line, examining its context within the play and its enduring relevance in our modern lives. We'll explore its interpretations, analyze its impact on the narrative, and consider how it speaks to our own anxieties about mortality and the fleeting nature of existence.

Understanding the Context: Macbeth's Despair and the Inevitability of Death

The line "Tomorrow, and tomorrow, and tomorrow, Creeps in this petty pace from day to day, To the last syllable of recorded time, And all our yesterdays have lighted fools / The way to dusty death" appears in Act 5, Scene 5 of Macbeth. Macbeth, defeated and facing his imminent demise, reflects on the meaningless procession of days. This isn't simply a lament about the passage of time; it's a profound expression of disillusionment and despair. His ambition, fueled by prophecies and spurred on by Lady Macbeth, has led to unimaginable horrors, leaving him with nothing but the grim reality of his impending death. The "petty pace" highlights the slow, almost agonizing crawl towards the inevitable end, devoid of meaning or purpose in his current state. The "dusty death" symbolizes the utter finality and insignificance of it all from his perspective.

The "Fools" and the Illusion of Meaning: A Critical Interpretation

The reference to "fools" who are "lighted" by their yesterdays is crucial. Macbeth implies that his past actions, driven by a false sense of ambition, have only illuminated the path to his own destruction. This suggests a broader interpretation: the pursuit of fleeting goals, often driven by ego or power, can lead to disillusionment and ultimately, a meaningless end. The "recorded time" hints at the limitations of human life, a finite existence that ends regardless of achievements. It's a powerful commentary on the dangers of unchecked ambition and the fragility of human plans.

Beyond the Stage: "Tomorrow and Tomorrow and Tomorrow" in Modern Life

The phrase's enduring power lies in its universal appeal. It transcends the Elizabethan era, speaking

directly to contemporary anxieties about mortality, the relentless passage of time, and the search for meaning in a seemingly chaotic world. Many find resonance in Macbeth's despair, identifying with feelings of purposelessness, regret, or the overwhelming weight of responsibilities. The constant pressure to achieve, to succeed, to "make something of ourselves" can lead to a similar sense of being swept along by an unrelenting tide of "tomorrows," ultimately leading to a feeling of emptiness.

Finding Meaning in the Face of "Tomorrow": Hope Amidst Despair

Despite its somber tone, the phrase isn't purely nihilistic. It can be interpreted as a call to action, a reminder to live meaningfully in the present. Instead of being swept away by the relentless march of time, we can choose to fill our "tomorrows" with purpose, compassion, and genuine connection. The recognition of mortality can paradoxically inspire us to live more fully, to cherish relationships, and to pursue passions with renewed vigor. Macbeth's despair, in a way, becomes a warning—a cautionary tale about the importance of living a life aligned with our values.

The Legacy of a Phrase: Enduring Influence in Literature and Culture

"Tomorrow, and tomorrow, and tomorrow" continues to inspire artists, writers, and thinkers. The phrase has appeared in numerous works of literature, film, and music, serving as a motif for exploring themes of mortality, regret, and the search for meaning. Its enduring power lies in its ability to encapsulate the human condition: our fear of death, our longing for purpose, and the constant struggle to find meaning in a world that often feels chaotic and unpredictable.

Conclusion:

Shakespeare's haunting phrase, "Tomorrow, and tomorrow, and tomorrow," is more than just a dramatic line; it's a profound reflection on the human condition. While it speaks to the inevitability of death and the potential for a life unfulfilled, it also serves as a potent reminder to live each day with purpose and intention. By understanding its context within Macbeth and its broader implications, we can gain a deeper appreciation for its enduring power and its relevance to our own lives.

FAQs:

1. Is "Tomorrow, and tomorrow, and tomorrow" a soliloquy? Yes, it's a significant soliloquy, a moment of private reflection revealing Macbeth's inner turmoil.
2. What is the significance of the "dusty death" imagery? It emphasizes the finality and insignificance of death, stripping away the illusions of grandeur and power.

3. How does this phrase relate to the theme of ambition in Macbeth? It shows the ultimate emptiness and futility of Macbeth's ambition, highlighting the consequences of unchecked desire.
4. Are there any modern interpretations of the phrase? Many modern artists and writers use the phrase to explore themes of existentialism, the fleeting nature of time, and the search for meaning in life.
5. Can the phrase be seen as a source of hope? Paradoxically, yes. By acknowledging the inevitability of death, the phrase can inspire a more conscious and meaningful approach to life.

tomorrow and tomorrow and tomorrow: Tomorrow Graham Swift, 2010-11-05 From Graham Swift, Booker Prize-winning author of *Last Orders*, comes a masterful and compassionate novel of rare emotional power and narrative skill. On a midsummer's night, Paula lies awake beside her

sleeping husband. She and Mike have been married for twenty-five years, a good marriage; they have two teenage children, Nick and Kate, peacefully sleeping in their own nearby rooms. But Paula's eyes won't close: the next morning she and Mike have to tell the children something that will redefine all their lives. Recalling the years before and after her children were born, Paula begins a story that is both a glowing celebration of love possessed and a moving acknowledgement of the fear of loss, of the fragilities, illusions and secrets on which even our most intimate sense of who we are can rest. As day draws nearer, Paula's intensely personal thoughts seem to touch on all our tomorrows. Brilliantly distilling half a century into one suspenseful night, as tender in its tone as it is deep in its resonance, *Tomorrow* is a magical exploration of coupledness, parenthood and individuality, and a unique meditation on the mysteries of happiness and belonging. It's a week past your sixteenth birthday. By a fluke that's become something of an embarrassment and that some people will say wasn't a fluke at all, you were born in Gemini. I'm not an especially superstitious woman. I married a scientist. But one little thing I'll do tomorrow—today, I mean, but for a little while still I can keep up the illusion—is cross my fingers. Everything's quiet, the house is still. Mike and I have anticipated this moment, we've talked about it and rehearsed it in our heads so many times that recently it's sometimes seemed like a relief: it's actually come. On the other hand, it's monstrous, it's outrageous—and it's in our power to postpone it. But 'after their sixteenth birthday', we said, and let's be strict about it. Perhaps you may even appreciate our discipline and tact. Let's be strict, but let's not be cruel. Give them a week. Let them have their birthday, their last birthday of that old life. You're sleeping the deep sleep of teenagers. I just about remember it. I wonder how you'll sleep tomorrow. —from *Tomorrow*

tomorrow and tomorrow and tomorrow: *Tomorrow* Nadine Kaadan, 2020-06-01 A boy who is too young to understand the war raging outside finds joy in a mother's love. Yazan no longer goes to the park to play, and he no longer sees his friend who lives next door. Everything around him is changing. His parents sit in front of the television with the news turned up LOUD and Yazan's little red bike leans forgotten against the wall. Will he ever be able to go outside and play? An uplifting story about a courageous little boy growing up in a time of conflict, and the strength of family love. USBBY Outstanding International Book. Little Rebels Award shortlist. Sakura Medal Longlist. Middle East Book Award Honorable Mention. "A story about how together we can build a better world"—Babel Babies "Kaadan's artwork is stunning. Capturing mood so brilliantly she conveys her characters' emotions through every paint stroke"—My Book Corner "The book will delight young children - there are bicycles and paper planes and annoying parents. But the impact of the war is what stays with you, the broken buildings, the falling debris, the worried faces. It is a radical, courageous thing for Kaadan to have created"—The National

tomorrow and tomorrow and tomorrow: *Tomorrow* Damian Dibben, 2018-03-20 A loyal dog embarks on an odyssey across centuries in an epic fantasy "beautifully rich in perseverance, love . . . and memorable, evocative scents" (Kirkus Reviews). Venice, 1815. A two-hundred-year-old dog is searching for his lost master. So begins *Tomorrow*, a story of loyalty and love that spans the centuries, and of hope as the world collapses into war. *Tomorrow* is a dog who must travel through the courts and battlefields of Europe in search of the man who granted him immortality. His is a journey of loyalty and determination. Along the way he befriends both animals and humans, falls in love, marvels at the human ability to make music, and despairs at their capacity for destruction. *Tomorrow* is a spellbinding novel of courage and devotion, of humanity across the ages and of the eternal connection between two souls. A Book Riot Best Fantasy Book

tomorrow and tomorrow and tomorrow: Tomorrow I'll Be Kind Jessica Hische, 2020-01-14 In a follow-up to *Tomorrow I'll Be Brave*, award-winning illustrator Jessica Hische brings to life another series of inspirational words and scenes with her lovely hand-lettering and adorable illustrations. This uplifting and positive book encourages kids to promise that tomorrow, they will be grateful, helpful, and kind. *Tomorrow I'll be everything I strive to be each day* And even when it's difficult I'll work to find a way. Immerse yourself in the beautifully hand-lettered words of wisdom, hope, and positivity alongside adorable illustrations of love and caring. This book is a reminder to all

readers, young and old, that the smallest kind gesture can make the biggest difference in the world--we just have to remember to be kind to one another. Praise for *Tomorrow I'll Be Kind* As an introduction to personality characteristics, beneficial behaviors, and social-emotional skills, this is a solid choice, and fans of the previous volume are likely to embrace this one as well. 'I'll dream of all the good that comes / when we all just do our best,' the text explains--a sentiment that's hard to rebut. Gently encourages empathy, compassion, and consideration. -- Kirkus Reviews A welcome call to tenderness. -- PW Reviews Praise for *Tomorrow I'll Be Brave* Jessica Hische, one of the great designers and typographers, now shows herself equally adept at creating gorgeous and immersive images for young readers. This is a joyous burst of color.--Dave Eggers, author of *Her Right Foot*

tomorrow and tomorrow and tomorrow: Tomorrow and Tomorrow Ed McBain, 1956

tomorrow and tomorrow and tomorrow: *No Tomorrow* Carian Cole, 2018-09-13 The people we love are thieves.They steal our hearts.They steal our breath.They steal our sanity.And we let them. Over and over and over again.They say you never forget your first love. Mine was a homeless musician who wandered straight into my soul.Blue was my first everything. And fourteen years later, I still can't get him out of my head.He broke all my rules. He also broke my heart.I watched him climb to stardom, cheering him on from afar. But I was never a fan; just a girl in love.Like a tornado, he spiraled, leaving a path of destruction in his wake. But love conquers all, right? It has to. Because if there's one thing I'm sure of, it's that we love each other endlessly.When he came back into my life asking for another chance - armed with apologies, promises, and new beginnings - I couldn't have been happier.I thought I knew everything about him. But I was wrong. Blue was fighting an internal battle I never saw coming.He promised me every tomorrow. And here I am - holding on to hopes, dreams, and the healing power of love.* Authors Note: No Tomorrow will take you on a rollercoaster of emotions but has a guaranteed happily ever after.

tomorrow and tomorrow and tomorrow: *Children of Tomorrow* Alfred Elton Van Vogt, 1972

tomorrow and tomorrow and tomorrow: Tomorrow All Will be Beautiful Brigid Lowry, 2007
Collection of short stories interspersed with poems. Suggested level: secondary.

tomorrow and tomorrow and tomorrow: *Tomorrow, and Tomorrow, and Tomorrow* Gabrielle Zevin, 2024-06-25 A NEW YORK TIMES BESTSELLER A GLOBE AND MAIL BESTSELLER A JIMMY FALLON BOOK CLUB PICK In this exhilarating novel by the best-selling author of *The Storied Life of A. J. Fikry* two friends—often in love, but never lovers—come together as creative partners in the world of video game design, where success brings them fame, joy, tragedy, duplicity, and, ultimately, a kind of immortality. Utterly brilliant. In this sweeping, gorgeously written novel, Gabrielle Zevin charts the beauty, tenacity, and fragility of human love and creativity. *Tomorrow, and Tomorrow, and Tomorrow* is one of the best books I've ever read. —John Green On a bitter cold day, in the December of his Junior Year at Harvard, Sam Masur exits a subway car and sees, amid the hordes of people waiting on the platform, Sadie Green. He calls her name. For a moment, she pretends she hasn't heard him, but then, she turns, and a game begins: a legendary collaboration that will launch them to stardom. They borrow money, beg favors, and, before even graduating college, they have created their first blockbuster, *Ichigo*: a game where players can escape the confines of a body and the betrayals of a heart, and where death means nothing more than a chance to restart and play again. This is the story of the perfect worlds Sam and Sadie build, the imperfect world they live in, and of everything that comes after success: Money. Fame. Duplicity. Tragedy. Spanning over thirty years, from Cambridge, Massachusetts, to Venice Beach, California, and lands in between and far beyond, Gabrielle Zevin's *Tomorrow, and Tomorrow, and Tomorrow* is a dazzling and intricately imagined novel that examines the multifarious nature of identity, games as artform, technology and the human experience, disability, failure, the redemptive possibilities in play, and above all, our need to connect: to be loved and to love. Yes, it is a love story, but it is not one you have read before.

tomorrow and tomorrow and tomorrow: *Tomorrow, and Tomorrow, and Tomorrow* Gabrielle Zevin, 2022-07-14 THE MILLION-COPY BESTSELLING PHENOMENON 'Exhilarating, timely and emotive' GUARDIAN 'I devoured it. So enjoyable' ZADIE SMITH 'Love, friendship and betrayal...gorgeous' SUNDAY TELEGRAPH ----- This is the story of Sam and

Sadie. It's not a romance, but it is about love. When Sam catches sight of Sadie at a crowded train station one morning he is catapulted straight back to childhood, and the hours they spent immersed in playing games. Their spark is instantly reignited and sets off a creative collaboration that will make them superstars. It is the 90s, and anything is possible. What comes next is a decades-long tale of friendship and rivalry, fame and art, betrayal and tragedy, perfect worlds and imperfect ones. And, above all, our need to connect: to be loved and to love. ----- 'I'm LOVING it' ZOE SUGG 'One of the best books I've ever read' JOHN GREEN 'Extraordinary... made me sob' JOJO MOYES 'Magnificent... Such wisdom and tenderness' RUSSELL T. DAVIES 'I couldn't put it down' GERI HALLIWELL 'Beautiful and heartbreaking' THE TIMES 'An exquisite love-letter to life' TAYARI JONES 'Anyone who reads Tomorrow can't stop talking about it' STYLIST 'I loved it' CELESTE NG 'Exhilarating' PSYCHOLOGIES 'This BLEW me away' PANDORA SYKES 'The go-to for your next hit of nineties nostalgia' EVENING STANDARD 'Terrific...Zevin is a great writer' BILL GATES 'Tremendous... A literary blockbuster destined to be filed in the Great American Novel category' INDEPENDENT A New York Times 100 Best Books of the 21st Century Tomorrow, and Tomorrow, and Tomorrow was a #1 Sunday Times bestseller from 30.07.2023 - 24.9.23 Note: There is a chance the book cover you receive may differ from the cover displayed here.

tomorrow and tomorrow and tomorrow: Tomorrow, and Tomorrow, and Tomorrow Gabrielle Zevin, 2023-03-28T00:00:00+02:00 «Un ragazzo e una ragazza si incontrano, si amano ma non diventeranno mai amanti. Un mondo complesso e ben strutturato, ma anche giocoso. Un po' come gli universi paralleli creati dai due protagonisti nei loro videogiochi. » The Guardian «Una storia coinvolgente e originale, dove il legame che unisce i due protagonisti è più profondo e intenso di una storia d'amore.» Entertainment Weekly «I videogiochi ci hanno segnato come le altre forme d'arte, sono stati e saranno uno potente strumento per conoscerci. E questo Gabrielle Zevin lo sa e lo racconta magnificamente. » The New Yorker «Questo romanzo è la dimostrazione di come si possano mescolare nostalgia e realtà creando un'opera straordinariamente commovente.» The Washington Post «Il ritorno di Gabrielle Zevin: un romanzo di amicizia, sentimenti, dolore e amore sullo sfondo di un mondo che ha segnato la nostra gioventù. Un mix davvero unico e di grande potenza. » Publishers Weekly «Incantevole e avvincente. » The New York Times «Una storia commovente, nostalgica, retrò. Non pensate sia una classica storia d'amore, è molto di più. Un rapporto intenso, fragile e tenero. Geniale, ma preparatevi che si piange.» Panorama «Geniale. Un romanzo travolgente che racconta la bellezza, la tenacia e la fragilità dell'amore e della creatività umana... Uno dei migliori libri che abbia mai letto. » John Green, autore di Colpa delle stelle Questa non è una storia d'amore, ma parla d'amore... Una fredda mattina del 1995, Sam Masur scende dalla metropolitana e, tra la folla che si accalca sulla banchina, la vede: Sadie Green. La chiama e, per un attimo, lei finge di non sentirlo, poi il rancore si stempera nella nostalgia. Sono passati otto anni dal litigio che aveva spezzato il loro legame, strettissimo eppure fragile, come solo le amicizie dell'infanzia sanno essere. Adesso sono all'università, ed entrambi hanno deciso di trasformare la comune passione per i videogiochi in materia di studio e, un giorno, in una professione. Basta uno sguardo e il legame si rinsalda, segnando anche l'inizio di una collaborazione creativa. Presi singolarmente, i loro progetti sono frammentari e incompleti; insieme, danno vita a interi mondi. Così, nel giro di due anni, nasce Ichigo, un videogioco rivoluzionario, che spalanca loro le porte del successo. Nel frattempo, il loro rapporto si fa più maturo, più intimo, più consapevole. Ma non per questo immune al peso della fama, della gelosia e delle ambizioni personali... Si perderanno ancora, Sam e Sadie. Però ogni volta ritroveranno la strada che li ricondurrà l'uno all'altra. E ogni volta ricominceranno. Perché, nonostante le liti e le incomprensioni, esistono spiriti affini uniti da un sentimento capace di superare ogni ostacolo: un amore che non è amore, ma è molto di più. Col suo stile delicato e profondo, che coniuga magistralmente leggerezza e nostalgia, Gabrielle Zevin ci regala un romanzo che è un inno al nostro bisogno di amare e di essere amati, nonché uno di quei rari casi capaci di mettere d'accordo pubblico e critica: eletto tra i migliori libri dell'anno per il New York Times, è rimasto per mesi ai vertici delle classifiche ed è in corso di traduzione in tutto il mondo.
