ugly love book free: A Short History of the Girl Next Door Jared Reck, 2017-09-26 Get your tissues ready for this unrequited love story that's equal parts hilarious and heartbreaking and will appeal to fans of Jennifer Niven, John Green, and Jesse Andrews. Seriously, how can you see a

person nearly every day of your life and never think a thing of it, then all of a sudden, one day, it's different? You see that goofy grin a thousand times and just laugh. But goofy grin #1,001 nearly stops your heart? Right. That sounds like a bad movie already. Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head. He can't tell his best friend, Tabby, how he really feels about her, he implodes on the JV basketball team, and the only place he feels normal is in Mr. Ellis's English class. If this were a movie, everything would work out perfectly. Tabby would discover that Matt's madly in love with her, he overcome with emotion, and would fall into his arms. Maybe in the rain. But that's not how it works. Matt watches Tabby get swept away by senior basketball star and all-around great guy Liam Branson. Losing Tabby to Branson is bad enough, but screwing up and losing her as a friend is even worse. After a tragic accident, Matt finds himself left on the sidelines, on the verge of spiraling out of control and losing everything that matters to him. From debut author Jared Reck comes a fiercely funny and heart-wrenching novel about love, longing, and what happens when life as you know it changes in an instant. ugly love book free: It Ends with Us Colleen Hoover, 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper.
