And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Noemi begins to realise that if Abel is less than human, he is more than a machine. If she destroys him, is it murder? And can a cold-blooded murder be redeemed by the protection of a world? Stranded together in space, they go on a whirlwind adventure through Earth's various colony worlds, alongside the countless Vagabonds who have given up planetary life altogether and sail forever between the stars. Each step brings them closer - both to each other and to the terrible decision Noemi will have to make about her world's fate, and Abel's.
