In a tale taut with tension, events unfold hour by hour from the perspectives of nine people involved. They include Willie himself, who knows what really happened, and his father, desperately trying to reach the town

jail to see his son one last time; the prosecuting lawyer, haunted by being forced to seek the death penalty against his convictions, and his wife, who believes Willie to be innocent; the priest who has become a friend to Willie; and a mother whose only son is fighting in the Pacific, bent on befriending her black neighbours in defiance of her husband. In this exceptionally powerful novel, Elizabeth Winthrop explores matters of justice, racism and the death penalty in a fresh, subtle and profoundly affecting way. brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of *To Kill a Mockingbird*, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell's murderer was acquitted—thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante's trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called *The Reverend*. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.

to kill a mockingbird questions and answers: *Renewing Christianity* Christopher M. Bellitto, 2001 This book follows the tide of reform and renewal in Church history, and demonstrates that reform has always been an essential element of Christianity. Indeed, Christopher Bellitto emphasizes that reform should not be perceived as limited to the Reformation or Vatican II. As one learns from the author's analysis, the history of Christianity is little other than the history of reform. This sweeping assessment of Church history is both remarkable and deep, but is also highly readable. Bellitto begins with an introduction to the subject of reform and follows that with chapters on the patristic period and Carolingian Renaissance, the High Middle Ages (1050-1300), Avignon to Trent, From Trent to Modernity, and Vatican II. He ends with a conclusion that draws together the recurring themes and patterns of reform activity in the Church. In short, this is a unique book on the subject of Church reform. *Renewing Christianity* is useful to both scholars and non-academics alike. It is written in a learnedly popular style, and would appeal to clergy, seminarians, academics, graduate students or anyone interested in Church reform and renewal, Church history, or historical

to kill a mockingbird questions and answers: The Mockingbird Next Door Marja Mills, 2014-07-15 To Kill a Mockingbird by Harper Lee is one of the best loved novels of the twentieth century. But for the last fifty years, the novel's celebrated author, Harper Lee, has said almost nothing on the record. Journalists have trekked to her hometown of Monroeville, Alabama, where Harper Lee, known to her friends as Nelle, has lived with her sister, Alice, for decades, trying and failing to get an interview with the author. But in 2001, the Lee sisters opened their door to Chicago Tribune journalist Marja Mills. It was the beginning of a long conversation—and a great friendship. In 2004, with the Lees' blessing, Mills moved into the house next door to the sisters. She spent the next eighteen months there, sharing coffee at McDonalds and trips to the Laundromat with Nelle, feeding the ducks and going out for catfish supper with the sisters, and exploring all over lower Alabama with the Lees' inner circle of friends. Nelle shared her love of history, literature, and the Southern way of life with Mills, as well as her keen sense of how journalism should be practiced. As the sisters decided to let Mills tell their story, Nelle helped make sure she was getting the story—and the South—right. Alice, the keeper of the Lee family history, shared the stories of their family. The Mockingbird Next Door is the story of Mills's friendship with the Lee sisters. It is a testament to the great intelligence, sharp wit, and tremendous storytelling power of these two women, especially that of Nelle. Mills was given a rare opportunity to know Nelle Harper Lee, to be part of the Lees' life in Alabama, and to hear them reflect on their upbringing, their corner of the Deep South, how To Kill a Mockingbird affected their lives, and why Nelle Harper Lee chose to never write another novel.
